Measure into lukewarm bowl, ½ cup lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle with 1 envelope Fleischmann's Fast-Acting Dry Yeast; let stand 15 minutes. Then add 1 cup milk (scald 1 c. milk and stir in 5 tbs. granulated sugar, 2½ tsps. salt; cool to lukewarm). Add to yeast mixture and stir in 5½ c. lukewarm water. Beat in 2 c. unsifted bread flour; beat well. Beat in 4 tbs. melted shortening. Work in 3 c. more once-sifted bread flour. Knead until smooth and elastic; place in greased bowl and brush top lightly with melted butter or shortening. Cover and set in warm place, free from draught. Let rise until doubled in bulk. Punch down dough in bowl, grease top and let rise again until nearly doubled. Punch down dough and roll out to ½" thickness. Cut into rounds with 3" cutter; brush with melted butter or shortening. Crease rounds deeply with dull side of knife a little to one side of centre; fold larger half over smaller half and press along fold. Place, touching sides, in greased muffin pans. Grease tops. Cover and let rise until doubled in bulk. Bake in hot oven, 400°, about 15 minutes.

● No more spoiled cakes of old-style yeast! This new Fleischmann's DRY Yeast keeps fresh in your pantry! And it's *fast-acting*. One envelope equals one cake of fresh yeast in any recipe.

Mannville Local Items

Mr. and Mrs. Fred Proudfoot and girls were week end visitors in Edmonton, taking in the Santa Claus parade on Saturday.

Mr. and Mrs. A. Gerhardt and Mr. and Mrs. Wm. Gerhardt attended the funeral of their father in Bashaw on Saturday. The pall bearers were six sons of the late Mr. Gerhardt.

Words has been received from Mrs Wilson of Vancouver that one of the old timers of the Mannville district, Mr. Peter Gilchrist celebrated his 93rd birthday on Nov. 17th. Mr. Gilchrist still enjoys fairly good health and is very pleased when anyone from home calls on him.

Mr. and Mrs. Chris Jensen have moved into town for the winter, taking up residence in the house owned by Mrs. M. Finlay.

On Friday, Nov 28th there will be a wedding dance in the Orange hall put on by Mr. and Mrs. Oscar Kvrkvold, the former Honora Elstad.

Visitors at the home of Mr. and Mrs. Clarence Williams last week end visitors with Mrs. Manz.

Mr. and Mrs. Bert Williams were week end visitors with Mrs. Manz.

Mrs. Rudd and children spent a few days in Edmonton this past week.

Home from Camrose for the week end, Adolph Schock was visiting his parents.

Miss Adele Mainey celebrated her 19th birthday on Saturday in Edmonton. Several couples from Mannville visited her.

Remember the annual tea and sale of work of the United church

OBITUARY

ROBERT STEWART

Funeral services for the late Joseph Stewart were held at the Legion hall, Vermilion, on Monday, Nov. 10th at 2:00 p.m. in the afternoon. Interment followed in he Vermilion cemetery. Mr. E. Kette conducted the services. The very large attendance of friends and sympathizers were a tribute to the man in which this well known old timer was held.

Mr. Stewart passed away at the University hospital in Edmonton on Thursday Nov. 6th at the age of 76 years.

Surviving members of the family are: five sons, Hugh, Hamilton, George, Joseph and David, all of Vermilion; three daughters, Mrs. Robert Rouse of Vermilion, Mrs. Wm. Moore of Lac Ste. Anne and Mrs. Malcolm McLeod of Edmonton. One brother Mr. Hugh Stewart resides at Vermilion and there are four grand children. Mr. Stewart Millan, Houston, Texas; Mrs. Gus Pearman, Mrs. John McLeod, Mrs. R. G. Beckman, all of Edmonton. There are 23 grandchildren and 3 great grandchildren.

Moyer's were in charge of the funeral arrangements.

Floral tributes and memorial donations were received as follows:

The Family; Brother Hugh, wife and family; Mr. and Mrs. Joseph St. John, Jean and family, Uncle Gus; Auntie Lizzie; Hughie and Ruby; Mary and Jack; Mr. and Mrs. Hugh family; Mr. and Mrs. Hugh Stewart; Johnny and Ruth McLeod Grace and Charlie Proud; George and Jack; Gerald and Mary Beckman; Mr. and Mrs. Luther Millan, Houston, Texas; Mrs. Gus Pearman, Mrs. John McLeod, Mrs. R. G. Beckman, all of Edmonton. There are 23 grandchildren and 3 great grandchildren.

Moyer's were in charge of the funeral arrangements.

Floral tributes and memorial donations were received as follows:

The Family; Brother Hugh, wife and family; Mr. and Mrs. Joseph St. John, Jean and family, Uncle Gus; Auntie Lizzie; Hughie and Ruby; Mary and Jack; Mr. and Mrs. Hugh family; Mr. and Mrs. Hugh Stewart; Johnny and Ruth McLeod Grace and Charlie Proud; George and Jack; Gerald and Mary Beckman; Mr. and Mrs. Luther Millan, Houston; Jack and Winnifred Stewart Charlie, Irene, Robert and Beth, Jean and John Stewart; Charlie and Hazel, Phllip and Norma, Hugh, Florence and boys; Annie Pratt; Pte Beckman's Sr. Band, Eklund's; The Beckhouses Jr. Pte Nixon's Band and Madge and children; Those in Christian Fellowship, Vermilion. The Vermilion Fish Works and Staff; Mr. and Mrs. Flemming, Anna Mortimson; Mr. and Mrs. Clarence Nels; Mr and Mrs. G. Webb; Mr. and Mrs. Wes Sergeant; Mr. and Mrs. Albert Wrest; Mr. and Mrs. Ernest Millar; Hope Lodge No. 38, Mannville.

Canadian Career Society Mr and Mrs. H. Hillaby; Mr. and Mrs Bert Gould; Mr. and Mrs W. Hill; Mr. and Mrs Woodside and family; Mr. and Mrs. Herb Dorey; Laura, Art and family; Mr. and Mrs. Walter and family. Mr. and Mrs. Dale Williams. Mr. and Mrs. Cecil Shaw.

Cemetery Fund Mr T. Watt

Ainley Waddell of Lloydminster was killed in a highway accident near Kitscoty, while Dan Hubbard was killed in a car collision west of Vermilion.

Sixteen Years Ago Today

Nov. 30th, 1936

The J Hitch & Co. were closing out their Vermilion store.

The Board of Trade deferred the purchase of a snow plow.

Thirty-two Years Ago Today

Nov. 24, 1920

H. C. Hassard sold his drug business to Fleming's Drug stores of Edmonton. Mr. Carlson is the local manager.

Several Vermilion big game hunters have returned from the north with trophies of the chase. Frank Harris, Fred Long and Dr. Smith each bagged a moose and Walter Nellis a deer.

The town year was ending and retiring councillors were W. H Duncan Geo W Stewart and L. Roy West

Ernie Everett, tourist and travel ler, has returned to town after a three months' exploration trip

Attendance at the public school, grades 1 to 8, was 250 and high school, 9 to 12, 67.

Clandonald News

Death of John Shapiro

Again we have the sad task of reporting the passing of a highly esteemed resident of the district. Following a brief illness John Shapiro passed away quietly in the Vermilion hospital during the early hours of Friday morning. Mr. Shapiro came to this country from Ireland in 1929 and settled on a farm about 4 miles northeast of the town where he made his home until the time of his death. Deepest sympathy goes to the sorrowing wife and family.

Geo. Bale has Narrow Escape

George Butz of the Landonville district had a narrow escape from a serious injury recently when he received bad gashes on one hand while engaged in sawing wood.

Little Girl Hurt

A daughter of Mr. and Mrs. Art Gratton also received serious injuries to her hand and eye on Saturday, details of the accident were not available at time of writing. She was rushed to the Vermilion hospital.

Bruce Coghill who was employed at the bank here for some time has been transferred to a point in the kitchenware. We understand that Mr. Stone who is manager here previously is in rather poor health at present. Mr. Stone also moved to a Saskatchewan branch of the bank.

Repair Work on Phone Line

Much needed repair work to the rural telephone line was done by rural subscribers following the completion of harvest. The power line has also been the scene of considerable activity during the past few months. Heavier wire and insulators have been installed. A much larger transformer was being hooked up recently on the corner just opposite Ernie Stanley's residence.

Mr. and Mrs. Swart and three children are at present on holiday at Lethbridge, the station being in charge of a relief operator during their absence

Miss Mildred Barclay who was employed at the bank for several months is now working in Vermilion, having accepted a position in Craig's department store.

Quite a nice congregation turned out on Sunday afternoon for the service conducted by the Rev. Ford. Lawkowitz pulpit was particularly well represented despite the fact that shortly before church time we received our first snowfall of any account. The next service will be Holy Communion at 2 p.m. Sunday Dec. 14th.

Please note also that on Thursday Dec. 4th the W.A. of St. Mary's Anglican church are holding their annual bazaar, tea and sale of home cooking in the Orange hall commencing at 2 p.m.

A word was inadvertently omitted from the report of the death of Wm. Moberly. The published account was "being very well, by dearly loved as argument." The word "real" should have followed well.

Chatsworth Chatter

Our weather seems to have taken the turn for winter, with a light fall of snow on Friday the 21st and the first real snowstorm of the season on Sunday the 23rd. However, we can't complain after enjoying the most wonderful fall weather on record. What a difference to last fall's unseasonable cold and snow! We had suffered more than two weeks of 20 below temperatures at this time last year. Let's hope results remain open until after the Christmas season.

An almost 100 per cent turnout of members of the Chatsworth Rural Electrication Assoc. attended the banquet last Tuesday evening in celebration of the turning on of the power throughout the area.

Mr. and Mrs. Joe Mistal, Mr. and Mrs. Henry Bezan and Mr. and Mrs. Nick Jacula were Edmonton visitors from Saturday 15th until the 18th.

Mr. and Mrs. Murray Anderson and little daughter of Edmonton, visited relatives in the district last week end.

Mr. and Mrs. Leo Klashinsky celebrated their 17th wedding anniversary with a family dinner on Sunday.

The Arthur Tovell home has now been moved to Pioneer Lane by farm where Mr. and Mrs. Albert Tovell take up residence. A barn and other buildings have been torn erected in preparation for their moving. Mr. and Mrs. Arthur Tovell and family now occupy the big house. It has really been a busy time for all of them.

The annual meeting of the Chatsworth local of the F.U.A. was held at the home of Mrs. Mary Farkash on Nov. 10th. A number of resolutions were in order to be taken to the provincial convention to be held in Edmonton the first week of December were dealt with. The retiring president and the secretary Mr. and Mrs. J. K. Thompson were returned to office. Frank Farkash was nominated to attend the convention as a delegate from this local.

George Pennington and crew were busy at Leo Klashinsky's on Thursday, loading their equipment in preparation to moving out of this locality as construction work is completed here.

On Thursday, 20th, the Chatsworth Country club met at the home of Mrs. Leo Klashinsky with 11 members present. A donation was made to the C.N.I.B. and discussion re pantomime to the I.O.D.E. library also took place. The nickel draw was won by Violet Anderson, and the social by Mrs. Patterson. The next meeting is to be held at the home of Mrs. J. K. Thompson on Dec. 11th, note the change of date, ladies, just for the December meeting. An exchange of gifts is to take place at this meeting, also a cookery sale. The social is being dispensed with this December. The lunch committee consists of Violet Anderson, Mrs. Ed. Tovell, Mavis Tovell and Gladys Tovell.

At the close of the meeting Mrs. Klashinsky assisted by Kay Good and Evelyn Thompson served a tasty lunch, while all enjoyed a visit over the lunch.

On Dec. 3rd a bean supper is to be held at the home of Mr. and Mrs. J. K. Thompson at 6:00 p.m. Proceeds are in aid of the F.U.A. to be used as delegate's expenses to the convention. On th menu also will be home-baked buns, scalloped potatoes, salads, pies, as nobody should go home hungry! Keep the date in mind, and bring along the family.

Mr. and Mrs. Jim Thompson are visitors to Edson this week.

Noticed around: Some folks wondering why the 'old bags' were pushing a car down Highway 41 with a tractor in an effort to start the car -- successfully too.

Noticed around also — Broken windows. Perhaps that was due to the high wind on Thursday.

OBITUARY

JOHN SMITH

Born in England on Nov. 13th, 1885, the late John Smith of Clandonald passed away at the Vermilion hospital on Nov. 10th. Funeral services were held at the St. Columbus church, Clandonald, on Thursday, Nov. 13th, with interment following at Clandonald.

The deceased had been a resident of the Clandonald district since coming to Canada in 1929, and his early passing is widely mourned by a large circle of friends and acquaintances.

A beautiful community wreath was received from the following:

Mr. and Mrs. Thos. Foy Sr., Mr. and Mrs. Herb McPhee, M. Tobra, Mr. and Mrs. M. Osinchuk, Mrs. Throndson, Norm and Mrs. Stanley, Mr. and Mrs. A. R. Goldsmith, Mr. and Mrs. Fred Goddard, Mr. and Mrs. John Foy, Mr. and Mrs. Foy Jr., Mr. and Mrs. Dan MacMullen, Mr. and Mrs. Alastaire Lawrence, Mr. and Mrs. John Forsyth, Gus Garnier, H. Goldsmith, Mr. and Mrs. Pat Toner, Mr. and Mrs. Steve Shyska, Mr. and Mrs. C. Goldsmith, Scotty MapDonald and family, Mr. and Mrs. Alex MacPhee, L. Hill, W. Smith, Mr. and Mrs. Geo. Butz, Steve Tyrpchyn, Peter Maig, Mrs. Peter Foy and John, Harold and Opal Cooper, Mr. and Mrs. S. Hartwell, Pearl and Alex Grant, Mr. and Mrs. W. R. Good, C. R. White, Mr. and Mrs. H. Hagen, Mr. and Mrs. John Brudin, Mr. and Mrs. G. F. Stoneham, E. Stockwell and Eilene, Mr. and Mrs. Tamhuk and family, Mrs. Agnes, Done and Dickie, Mr. and Mrs. Ed Toner, Mayhew Bros., Mr. and Mrs. Barsley and girls, Mr. and Mrs. H. Brake and family, Mr. and Mrs. F. N. Y. Holeman, Mr. and Mrs. Shaw and family, Mr. and Mrs. Pierce and family, Mr and Mrs. A. C. P. Frew, and Mrs. John Pothaniuk, Mr. and Mrs. S. Lee and family, T. Connin, Mr. and Mrs. H. Schoonman, Mr. and Mrs. E. C. Gower, Mr. and Mrs. D. McIntyre, Mr. and Mrs. H. Schneider and family.

Beautiful floral wreaths were received from the following:

The Family; Bill and Freda Dixon; John Rabina and family; Clandonald Hotel; Pat Gee and Vera Mead; Convey Bros.; Mr. and Mrs. Herb Spencer; Mr. and Mrs. F. Monaghan and family.

Spiritual offerings were received from: Mr. and Mrs. J. O. Conroy, Mr. and Mrs. R. McDonald; F. Monaghan and family; Catholic Women's League; George and Marion Convey and family; Matt and Molly Lesiz; Marcus, Bridge and Marie Tobro; Aldona Mackay aid and family; Arthur and Annie Lawrence; The Martin Family; Mr. and Mrs. L. Garnier; Ewen and Mary Lawrence; Mr. and Mrs. Mick Convey; The Barker Family; Harry and Jean, John and Mrs. McMorrow; Mr. and Mrs. Pat Toner; Mr. and Mrs. Hugh Logan; Freddie's Chummies.

Mayre's were in charge of arrangements.

Pretty Wedding At Islay United Church

BARNETT—CHRISTIE

The United church in Islay was the scene of a very pretty wedding recently, when Margaret Jean, elder daughter of Mr. and Mrs. Charles Christie of Kitscoty became the bride of Joseph Barnett, younger son of Mr. and Mrs. Wellington Barnett of Islay.

The double-ring ceremony was performed by Rev. E. N. Morrison of Lloydminster.

Entering the church with her father, the bride was radiant in a floor-length gown of white Chantilly lace and nylon net. It featured a fitted lace bodice trimmed with ruffles and sleeves tapering to tip-points at the wrist. The gathered skirt of lace and net fell in graceful folds to the floor. Her filmy net veil, edged with embroidery, was caught in place by a beaded coronet. She carried a bridal bouquet of red roses, her only jewelry was a double strand of pearls, a gift of the groom.

Mrs. Naida Christie as matron of honor, wore a floor-length gown of mauve sparkle net over taffeta. Her headdress was a bandeau of mauve net, and shoulder-length veil. She carried a colonial bouquet of yellow, pink and white carnations.

Little Marilyn Walton, cousin of the groom, was flower girl. Her floor-length gown was yellow cellanese tagers and she carried a colonial bouquet of yellow, pink and white carnations.

The groom was attended by his brother, Mr. Roy Barnett. Ushering the guests were Mr. Robert Barnett and Mr. Donald Christie.

The wedding music was played by Mr. Jack Brown of Vermilion.

Following the ceremony a reception was held at the home of the bride's parents. The mother of the bride received, wearing a navy gabardine suit with blue and grey accessories and her corsage was tiny red roses. The mother of the groom chose for the occasion a navy tailored suit with navy and white accessories, and she too wore a corsage of tiny red roses. Also receiving was the grandmother of the bride, Mrs. D. McIntyre of Primate, Sask.

The bride's table was laid with a lace cloth and centred by a three-tiered wedding cake, topped with a miniature bride and groom.

A toast to the bride was proposed by Mr. Jack Brown, to which the groom fittingly responded.

Serving were Barbara Barnett, Janet Christie, Arleen Joy and Ann Whiteman.

Later in the evening a dance was held in the Islay hall where many friends and relatives gathered to extend their best wishes to the bride and groom.

For her honeymoon the bride donned a navy gabardine suit with rose and grey accessories. Tiny red roses formed her corsage.

The newlyweds will make their home on the groom's farm in the Islay district.

Out of town guests at the wedding included Mr. and Mrs. Earl Stinson of Forestburg; Mrs. D. McIntyre, Mrs. John McIntyre and Messrs. Donald and Alexander McIntyre, all of Primate Sask.

Greenlawn Grapevine

Greenlawners were happy to hear that Myrtle McMullen is home from hospital. Myrtle underwent a million hospital report that Mrs. Thompson is looking very well. We hope that she will be home for the Christmas season.

Visiting from Arizona is Margaret, daughter of Mr. and Mrs. Lee Green. It's her first visit for several years and she found many changes around the district.

Masquerade Dance

The Greenlawn Local F.U.A. recently sponsored a masquerade dance with proceeds earmarked for convention delegates. It was a successful affair with costumes weird and wonderful. Prize winners for the best costumes, adult, were Joyce Nickles and Bernice Applegate who were dressed as 2 little girls in pink: Mr. and Mrs. Charles Green won the best comic adult prize in costumes of Goldilocks and the Bear. Children's prize winners in the comic class were Donna Mathison and Donna Romanchok who appeared as a little old man and lady. Mystery prize went as a fairy and Marjory Mathison as a Chinaman won the best costume prize for children.

Appoint F.U.A. Delegates

The monthly meeting of Green lawn F.U.A. featured discussion of the coming provincial convention. The Local is entitled to send four delegates this year and Mr. and Mrs. Harian Green, Mr. Harold Mathison, Mr. Magill were elected with Mr. R. Grey to act as alternate delegate. The remainder of the hour was devoted to the discussion of resolutions slated to be considered at the convention.

Goodwill Club Work

The Greenlawn Goodwill club met for their monthly meeting at the home of Mrs. Bob Grey. There was a good attendance and the business of the day centred about the annual Xmas tree and concert which is sponsored by the group. The tentative date for the concert has been set for Dec. 19th. The program is voluntary again this year, so the committee will be very glad to hear from Greenlawners with items for the evening.

Saturday Night Socials

Saturday night socials have again started in the district. The Enterprise U.F.W.A. were very interesting and everyone enjoyed the lunch and dancing afterwards. A committee has been chosen to organize lunch for the socials, and to choose suitable items.

Kitscoty News

Mrs. F. Pickles with her daughter and son-in-law, Mr. and Mrs. William Swypa and Frances Ann are vacationing for a month at the Pacific coast with relatives and friends.

Mr. and Mrs. Jacubec and family of New Westminster, B.C., are visiting here with their daughter and

OBITUARY

MRS. BARBARA ROBERTSON

Mrs. Barbara Robertson, widow of the late Dave Robertson, passed away in Edmonton on Saturday, Nov. 15th at the age of 81 years. She was predeceased by her husband in 1941.

Mr. and Mrs. Robertson were among the real of pioneers coming to Edmonton in 1897, the year before the klondyke Gold Rush, from Gore Bay, Manitoulin Island, Ontario. They moved to Mansville in 1905. Mr. Robertson had a farm in the Cowley Union district but they lived in the village.

Mrs. Robertson was one of the original members of the McQueen Memorial church (now United) church helping to establish the congregation for many years she worked untiringly on behalf of the church, both as superintendent of the Sunday school and in the different organizations. About ten years ago she moved to Edmonton to be with her son Lawrence and daughter Mrs. Verna Kinnaird.

She leaves to mourn her loss four sons, Harvey of Mansville, Roy of Detroit, Earl and Lawrence of Edmonton; and three daughters, Mrs. Blanche Scott, Oshawa, Ont., Mrs. Hazel Elder, Vancouver, Mrs. Verna Kinnaird, Edmonton. There are 8 grandchildren and two great grandchildren.

The funeral services were held in Mansville on Tuesday at McQueen Memorial United church with the Rev. R. C. Crighton officiating.

son-in-law Mr. and Mrs. Boyd Mitchell and family.

Mrs. Andrew McGladrie and children visited at her parents' home near Ribstone this past week end.

Miss Marion Inglis student at the University of Alberta, spent the week end visiting her parents Mr and Mrs. I. G. Inglis.

Mr. F. Schipbak is visiting in Edmonton for a medical check-up and business trip.

Mr. and Mrs. T. Givens have returned to their town residence for the winter months.

Two of our long time residents in the persons of Mrs. F. Seabrook and Mrs. Ted Joy recently celebrated birthdays. Their many friends wish them many happy returns'.

Mr and Mrs. Wm McLean and Mary Alice of Edmonton are spending a few days visiting with Mr and Mrs. Archie McLean and family, also their many other relatives and friends hereabouts.

Don't forget to come to the United Church Women's Association fall bazaar and tea in the Tracy Memorial hall this Friday 2nd from 3 to 5:30 p.m.

The members of the Kitscoty W I wish to thank everyone who in any way helped to make the W I tea and sale of work a success.

Congratulations to Mr. and Mrs. Paul Lazinski on the birth of a baby daughter, a sister for Pauline.

Mrs. R. B. Hiltz left for her home in Brownvale last week after visiting here for several weeks with her son Mac, Mrs. Hiltz and the boys.

The Canadian National Railways spends about $250 every minute on supplies needed to run the railways.

Twenty five years ago Canadians ate an average of 20½ pounds of canned fruits and vegetables per person per year, today they eat almost 43 pounds.

This Is Your Invitation To Hear

Rev. Will Bruce

Formerly Director of You's for Christ in San Diego, Cal. Now of the Extension Department of Prairie Bible Institute.

Mr. Bruce is much in demand as a Speaker at Youth Rallies and large campaigns. He has a stirring message that you will not want to miss!

COME AND BRING A FRIEND WITH YOU!

Weed Control at The Municipal Level

- Prepared by E. H. Buckingham, District Agriculturist.

All the research now going on for the control and eradication of weeds will come to very little unless the information is available to the men on the land. It is the responsibility of extension workers to pass on to farmers such information as seems to be usable. It would appear that weed control offers the greatest opportunity to be useful in any field of extension activity for supplying helpful knowledge to farmers. This at least was the attitude taken by the council of Vermilion River Municipality No. 24 some years ago and which has resulted in a great financial improvement in the affairs of the people and of the local governing body.

After being under administration for a couple of years a council was elected in 1946 to handle the business of the municipality. No weed inspectors had been employed for the period under administration hence the council decided in one of its very first actions to set up an Agricultural Service Board to deal with the weed problem.

Authority is provided in Alberta for setting up weed boards by the Agricultural Service Board Act (1941). The board consists of two elected councillors, two farmers who are not councillors and the District Agriculturist.

Board constituted under the Act have the responsibility of enforcing the Noxious Weed Act. It is provided also that all land distributed from weeds and noxious can be taken under supervision. If the farmer is not cooperative he may have to give up possession of his farm until such time as rehabilitation measures taken by the board have made the land productive again.

As there were no records on hand it appeared to the board that the first step should be to survey the area and tabulate the weed situation on each farm. A full time supervisor and six temporary weed inspectors were hired for this purpose. After two years of effort it was found that this staff could not cover the area properly so for the next three years 12 men were employed during the growing season to contact the 2500 farmers in the municipality. There is now a weed record on file for every single piece of land.

The inspectors generally obtained good cooperation from farmers in the enforcement of the Noxious Weed Act. However in one year alone (1948) 26 prosecutions were dealt with under the act. Thistles were the common weeds requiring attention but there were outbreaks of hoary cress, leafy spurge, toad flax and field bindweed.

Toad Flax Outbreak

Five years ago the board was confronted with a problem of major importance. A deep-rooted perennial weed commonly known as Toad Flax was spreading over a large area. Toad flax has been present in the district for 30 years, but it spread so slowly that no one worried much about it. Then all of a sudden it seemed to be everywhere and crop yields were reduced to almost nothing in badly infested land.

Farmers were urged to apply Sodium Chlorate on small patches and to cultivate larger areas from 10 to 12 times in the growing season. Sodium Chlorate was sold at a greatly reduced price. A fieldman was employed to work with the farmers. It was found that one year's black summerfallow was not sufficient if old established stands were to be stamped out.

In spite of all this effort Toad Flax was gaining ground so it was decided that a much more drastic campaign must be set up. The Alberta Department of Agriculture agreed to share equally with the municipality in the expenses of a control program. Sodium Chlorate was supplied to farmers at one-half of cost, the other two-thirds being shared equally by the government and the municipality. This plan was in operation during 1951 but owing to the shortage of Sodium Chlorate on account of the defence effort only 220 drums of 112 pounds each were available.

The Program in 1952

Surveys in 1951 showed that 30 farmers had more Toad Flax than could be controlled without unwarranted expense by the use of weed killers. For these farms cultivation programs which were mutually agreed upon by the board and the farmers were set up.

The farmers agreed to keep the infested land black from May 20th until freeze-up. It requires 9 to 12 cultivations during the growing season to prevent Toad Flax growth from showing its head above the surface.

Fieldmen are making weekly inspections of land being summerfallowed under this Provincial-Municipal agreement. Farmers who complete their contracts satisfactorily will be granted assistance of $5.50 per acre with a maximum payment of $150 per quarter section for the purchase of fuel, grass seed and or fall rye seed. Grants can only be obtained once on the same piece of land. The government and the municipality share equally in payments under the cultivation program.

It is readily conceded that Toad Flax is not likely to be killed out completely in one season under normal conditions. Wet weather delayed cultivations at least twice during the summer of 1952. On account of the danger of soil blowing it is not advisable to summerfallow for two years in succession. Certainly if the land is not kept black during the growing season it ought to be summerfallowed again in the succeeding year.

Deliveries of Sodium Chlorate to farmers in 1952 was 30,000 lbs. Fieldmen's reports indicate that farmers are co-operating under the cultivation program.

The service board plans on continuing the project next year and possibly for several years. The infestation is too widespread to hope for eradication of the weed but if it's spread can be checked and clean farm land saved from pollution then it is felt that a great service has been done to the people concerned.

Weed Programs in Operation

In addition to the enforcement of the Noxious Weed Act and the direction of the Toad Flax special area the Service Board has fostered and encouraged the following projects which are relative to weed control:

Seed Cleaning Plants—a farmer-owned cooperative seed cleaning plant was built at a cost of $40,000. Sufficient shares have been subscribed for another plant which will be built in 1953.

Weed Sprayers—The use of 2, 4-D weed sprayers has been encouraged by demonstrations of various machines on the market. It is estimated that over [illegible] sets in the municipality was [illegible]. 2, 4-D applications during the past two years.

Seed Survey - Samples of seed have been taken directly from seed drills for weed seed and other analyses. Individual reports are returned to the farmers concerned and the summaries are made use of at winter meetings.

Seed Fair - A district seed fair was held first in 1950 and again in 1951. Over 150 samples were exhibited each year.

Educational Activities -- During the past five years an average of 50 meetings on weed control were held during the winter and six to nine field days demonstrating cultivation implements were put on each year in the summer months.

Forage Crops—For several years forage crop seed was handled though the service board. In 1952 the municipal seed cleaning plant sold over 60,000 pounds of grass-clover and alfalfa seed on consignment. There is no doubt of the value of forage crops in a weed control program.

Other Service Board Activities

1. Circulated petitions set up are (a) Pure Bred Sire Area; (b) Bang's Restricted Area; (c) Bovine-Tuberculosis Restricted Area.
2. Operated a warble fly control campaign.
3. Making every effort to keep this district free of rats.
4. Promoting tree-planting projects on a large scale.

This week end at the Clandonald hall, murder, suspense and chills in "Fear in the Night" with Paul Kelly, Deforest Kelley and Ann Doran. Next week "Dial 1119" 21x

Anglican Bazaar Nov. 29

The Afternoon group of the St. Saviour's W.A. will hold their annual bazaar, sale of work, home cooking and tea on Saturday Nov. 29th in the Parish hall. Everyone welcome. 17-21x

It has seemed like a long time since we have all met for a regular meeting. Our last meeting night happened to fall on Nov. 11th.

Nineteen members answered present at our Tuesday meeting. A few were slightly late (I still think somebody's watch was fast).

Since our last meeting four car loads of Stagettes attended the Chicken dinner at Islay. If the group's appearance of the members was any indication of a good time then a very good time was had by all. (Pity the poor springs on the way home).

Checking at the evening dances: Martha and Mary Anne, Nos. 29. Doris and Dorothy, Fay and Mildred, Celia and Barbara, Dec. 2. Fay and Peg, Dec. 6.

Our next meeting on December 8th will include our candlelight ceremony when the new members will officially join. They stood their initiation very well and have proved themselves excellent Stagettes. All members are to come in uniform.

Our Christmas party will be held on Dec. 18th at Molly Conboy's. Don't forget Stagettes, let nothing but a broken leg keep you away. In fact I am sure you would be more welcome and enjoy yourself even if you have to come on crutches.

Start making plans now to attend the Stagette Holly Frolic on Dec. 26th. A little exercise is good music should be had the thing after your feast the day before.

THORNCLIFFE
The November meeting of the Thorncliffe branch of the Alberta Women's Institute was held at the home of Mrs. John King on Nov. 5, at 2 p.m. 20 members answered the roll call with an article for the fish pond. Two visitors, Mrs. C. King and Mrs. Clayton Smith were also present.
The meeting opened with the singing of O Canada followed by the Women's Creed.
Plans were made to hold a dance on Dec. 12th with music by Maurice and Isabe. There will be a fish pond with prizes for young and old.
Members are also selling tickets on a food hamper which will be raffled off at a later date.
Many thanks go to the members who volunteered to send canvas to Margaret and Lee in the Polio Clinic in Edmonton.
The secretary, Mrs. Ted Clark, read received the Handicraft list for the next Constituency Conference and the members picked out the ten articles that they preferred to make.
It was decided to invite Miss Holmes from Wainwright to our next meeting. She will speak on "The ABC's of Home Decorating".

Wildmere Beavers Girls Club Elect Officers

Wildmere Beavers held their meeting at Mrs. Martin's on Nov. 5th with 12 members and 1 visitor present.
The meeting opened with O Canada followed by the Code. The minutes of the last annual meeting were read and also the minutes of the previous meeting, and approved.
Roll Call was the paying of membership fees.
The final arrangements were made for the dance and raffle on Nov. 14th.
This being the annual meeting, new officers were elected as follows:
President—Mary Gibson
Vice-President—Betty Smith
Secretary—Doreen Martin
Treasurer—Mary Lou Martin
Press Reporter—Janet Crothers
A letter from Mrs. Handley was read regarding the Easter Seal Appeal. Each girl was to make a program book for the next meeting.
Mystery Box was won by Maureen Crothers. Marie Smith had the period which was a riddle contest.
The meeting then adjourned and a lunch was served by the hostess.

Bride Elect Is Showered At Kitscoty

NOVEL RANCH-LIKE THEME
Bride-elect Friends gathered at the Tracy Memorial Hall on Friday evening Nov. 22nd to honor Miss Margaret Copeland Evans, bride-elect for December, with a miscellaneous shower.
While the guests were arriving Misses Rosemary Batty, Muriel Christensen, Mary Mayhew, Evelyn Sheppard and Pat Tyler sang a medley of songs, accompanied by Mrs. Alice Batty at the piano.
The evening's activities began with two contests "Lassoing" and "Broncs Busting" which were in keeping with the ranch-like theme. They afforded a good deal of entertainment both to the participants and onlookers. After this Mrs. George Dickman and Mrs. Jack Allan favored the gathering by singing a number of solos and duets ably accompanied by Mrs. H. Batty.
After a dainty lunch was served and prizes, a comical skit on a brief interlude in the life of a rancher was portrayed by Misses Loretta Mitchell as "Lothario" the secretary, and Sheila Pidcock, as "Tex" the rancher. After Tex won his lady-love Lulubell, they waltzed out of the hall to the tune of 'Home On the Range'. After which Mrs. Jack Allan (Elaine) presented the gifts, which were arranged in a miniature corral of bales and all best wishes for her future happiness, from her many friends.
A pleasant hour was spent by all while the bride-elect opened and admired the lovely gifts, after which in a neat little speech she thanked all those present for their kindness to her.
The hostesses for the evening were Misses Sheila Pidcock, Margaret Seward, Loretta Mitchell, Kelly Tyler and Mrs. George Dunsdon, Mrs. Jack Allan and Mrs. R. S. Pidcock.

Letters to the Editor

Nov. 17th, 1952.
Mr. Editor:
The officers and executive of Post No. 11 Canadian Legion B.E.S.L. wish to convey their thanks to all who helped make the Armistice celebrations a very success and special thanks to the R.C.M.P., the Pipers and Drummers, the Salvation Army band as well as all other organizations who turned out on the morning of Nov. 11th. To all ladies and girls who made the Poppy such a great success goes a hearty vote of thanks. To Tie Editor and his staff goes another for the publicity accorded the Legion Poppy campaign before Nov. 11th and for the cooperation of all these people our Remembrance Day services were more successful than ever.
Yours very sincerely,
Wayne Smith,
President C.L.B.E.S.L.

Handicraft articles for next month's meeting may be sent from Mrs. Watt or at the next meeting.
The social of the meeting, supplied by Mrs. G. Dixon was a quiz, the answers being names of magazines. The winner was Mrs. John King.
The meeting adjourned with the singing of God Save the King" after which lunch was served by the hostesses, Mrs. John King and Mrs. Gordon Dixon.
The next meeting will be held at the home of Mrs. Jones on Dec. 3rd at 2 p.m. As this is the annual meeting all members are urged to be present. Also nominations and election of officers for the coming year.
The roll for the meeting will be an item to be put into a Xmas parcel for Margaret and Lee. The social will be supplied by Mrs. Moore. Lunch and time will be Miss Irene and Ruth.
Any ladies interested, please accept this as an invitation to attend the meeting on Dec 3. The speech should be very interesting. Also any prospective members would be very welcome.

Christmas Seal your Xmas mail.

Handicraft Guild To Meet

The Canadian Handicraft Guild of Vermilion is holding the quarterly general meeting Tuesday Dec. 2nd at 8:30 o'clock in the high school for the purpose of nominating and electing officers for 1953.
Films on Handicrafts from the Dept. of Extension, University of Alberta will be shown.
It is hoped that anyone interested and all members will attend this important meeting. Membership fee for one year is $1 and all classes are free to members.
Mrs. T. G. Davis, President.
E. Stephens, (Acting-Sec.)

Social
Dance at Borrell school on Tuesday Dec. 9th. Everybody welcome. 49-2

There are about 100,000 federal civil servants permanent, temporary and casual at the present time; which compares with 46,198 in 1939.

IN MEMORIAM
In loving memory of our dad
George Young
—who passed away Nov. 27, 1950.
Days are flowing
Deep in our heart lies a picture
Of a loving one laid to rest
In memory's frame we shall keep it
Because he was one of the best.
—Lovingly remembered by
Mae and Harry.

Wm. Barr Re-Elected President

Agricultural Society Holds Annual Meeting

The annual meeting of the Vermilion Agricultural Society was held in St. Saviour's hall on Wednesday night last, taking the form of a dinner meeting. Following the dinner the large gathering was addressed by Mr. Grant MacEwan, formerly Dean of Agriculture at the University of Manitoba and presently connected with the Canadian Council of Beef Producers. Mr. MacEwan's address, of a semi-humorous type was exceptionally well received by all. Mr. MacEwan was introduced by the Secretary-Manager of the Society, S. C. Heckbert, who took advantage of the opportunity of introducing the guests of honor of the evening, Miss Christina Morrison and Mr. Bruce MacDonald who had only a day or two previously returned from the Royal Winter Fair at Toronto where they had represented Alberta in the Dominion Poultry Club competitions. Also introduced to the gathering was Mr. William Steele, veteran Past President of the Agricultural society.
Reports of the year's work were given by the Secretary-Manager, indicating a year of progress in connection with the holding of the annual fair, the need fair and the sale of pure-bred stock and also in connection with the assisting of the farmers in their work.
Plans were made for the continuation of the Society's work, officers being elected as follows:
Hon. Presidents — Hon Jas. G. Gardiner, Hon. David Ure, Hon. Andrew A. Aaltio, Robert Fair M.P., W.R. Cornish M.L.A., J.W.G. Morrison Q.C., William Steele, Mayor S. C. Heckbert.
President—William Barr
Im. Past Pres.—W. L. Robinson
1st Vice-Pres.—W. R. Duncan
2nd Vice-Pres.—Jack Bryden
3rd Vice-Pres.—E. M. Stewart
Directors — Manson Barr; N. M. Bentley; C. N. Brennan; S. C. Heckbert; Keith King; Ernest Pyle, Manville; Hugh Stewart; Jas. Fennett, Manville; E. W. Hart, Fred Brahvalle, Dewberry; W. R. Jory; George Skaggs; W. L. Redback, Islay; George Webb; Donald Wilson.
The following directors were elected at the annual meeting of 1951 and have one more year to serve:
Clarence Barr; Homer Campbell, Clandonald; W. E. Cross; V. T. Jamieson; MacMillan, Clandonald; Alex Susse; A. M. West, Bruce Winters; Wm. Snyder, Manville; J. E. Cross; J. H. Hart; Gordon Latsen; Gordon Ross; O. A. Strome; W. D. Williams.
The annual meeting named President Barr and Manager Heckbert as delegates to the meeting of the Western Canada Fairs Association to be held in Winnipeg in January.
An invitation is issued by the President of the Agricultural Society for all farmers and others to become members. Unusual plans are in the making for the 1953 season and the co-operation of the entire district would be welcomed.
Special Section Made of Combines Display

Special mention was made at the meeting of the splendid work of the pupils of Caestecker school who in 1952 won the silver shield awarded annually for the highest number of points in school work classes. It is noticable that there were but six pupils in attendance at that school during the preparation of the work for the Junior fair. The pupils were under the able direction of Miss Osbaldeston. Recently the President of the Society, William Barr and Manager Heckbert journeyed to Watson school where the former Caestecker pupils are now attending and presented the shield to the pupils. Another special winner mentioned in the meeting was Miss Jean Blakewhite who was awarded the free week's short course at the Olds School of Agriculture in 1953 by use of her having won the highest aggregate number of points in the school work sections of the Junior fair.

Liberals Convene At Viking

Former officers of the Camrose and Battle River federal constituencies and representatives from the st. provincial constituencies comprising the new federal riding, met at Viking on Nov. 26th and formed a provisional organization which will function until the nominating convention, tentative, tentative date of which is Wednesday, Jan. 28th, 1953, at Viking.
After considerable discussion buch pro and con it was decided to hold an open convention on Jan 28th.
Pie the purpose of seeking a number of candidates to place in nomination, the following were elected as a nominating committee: W. M. Armishaw, Wainwright; A. G. Wilson, Camrose; H.G. Thunell, Viking; C. Dreyer, Lloydminster; Lars Jensen, Vermilion; Jas. Miller, Alexandria.
Another committee known as the steering committee was elected as follows: John Davidson, Wainwright; J. Hallum, Camrose; Ken Stambaugh, Bruce; C. Dreyer, Hardisty; A. E. Burgess, Camrose.
J. Hallum presided as chairman and A. E. Burgess as secretary of the meeting.
Among others present at the meeting were W. L. Knaut, K. Hiatch, Dave Sproule, Camrose; Reg Mitchell, Vermilion; Geo. Stewart, Killam; J. Kelly, Wainwright; Mrs. J. Hallum, Edmonton; Mrs. Wick, J. J. Connors of Edmonton, organizer, addressed the gathering.

By The District Agriculturist

"GREEN ACRES"

Tree Trees Pay Farmers
Some districts are taking advantage of the free trees given out by the provincial and federal governments. Farmers in other districts do not seem so much interested. Here is the record of trees delivered in my district in 1952: Manville 13,975 trees, Vermilion 13,050; Dewberry 3475; Marwayne 2850; Islay 2225; Kitscoty 850. These trees are free. They improve the farmyards and protect the stock from winds and hot sun. See me for application forms.

Bull Loan Policy
Several groups of farmers have been formed to borrow on loan under the federal government cattle-improvement policy. There are still a few more bulls to put out. Do not wait too long. All that is needed is to get a group of local farmers in your district to organize and let me know the names. Then a meeting is held to decide on the breed, the caretaker etc

Turkey Ring in B.C.
Richard Brennan brought in a clipping taken from the Vancouver Sun about a turkey farmer near Vancouver by name of Tom Laperre who raised 25,000 broad-breasted turkeys this year. Mr. Laperre has trouble with foxes while Alberta farmers lose turkeys to coyotes. The only suggestion that we have to offer is to pen up the birds. Keep them inside of a chicken wire enclosure at night.

Host Lamps Cause Fires
The Agricultural engineer of the Department of Agriculture reports that a number of fires have occurred where heat lamps were used for brooding of pigs or chickens. He has also received reports of burning heat lamps for handing out to farmers.

T. B. in Pigs
I have received several reports recently from the Director of Veterinary Services advising that quite a number of hogs slaughtered at packing plants have been infected with tuberculosis. It is generally agreed that T.B. in hogs comes mostly from cattle infected with T.B. Hence the best prevention is to keep herds penned up and out of the hog house.

Frozen Cream
Reports are coming in already about cream being frozen when delivered. Frozen cream makes poorly butter. Furthermore it is hard to handle at the creamery and it is hard to get the right test. Cream should be cooled quickly after it is separated but not allowed to freeze.

DR. McCALLA TO ADDRESS FARMERS DINNER MEETING

The Vermilion Board of Trade has arranged for Dr. A. G. McCalla, Dean of the College of Agriculture, University of Alberta, to speak at the annual farmers and members dinner meeting. It will be held this year on Dec. 10th at 6:30 p.m. at St. Saviour's parish hall.

The subject of Dr. McCalla's address will be "The Changing Pattern of Agriculture". Both farmers and business men will find this address very interesting and instructive.
Farmers and members of the Board of Trade are asked to get their tickets from F. J. Richardson, Secretary, or J. R. Robson, Chairman of the Agriculture committee of the board, Monday, Dec. 8th is the last day tickets are available

Choirs To Unite For Carol Service

With the feeling that there should be a co-operative Christmas Carol service in Vermilion, a meeting was held this past week of representatives of various choirs to bring this about. As a result a carol service will be held on the evening of Monday Dec. 22nd.
The choirs of the First United church, the St. Saviour's Anglican church, and the Salvation Army, to give music lovers a chance to hear and sing again the Christmas carols that never grow old, nor lose their charm, with the passing years. The program will afford an opportunity for the audience to sing, and the choirs will unite under the leadership of Mr. Jack Brown to render a number of carols in a different and pleasing way. It is planned to have some of the carols, along with specialty numbers.
The service will be held in the United church at 8 p.m. Altogether a full hour and a half program has been arranged. It is hoped that this will become an annual event. Only a silver collection will be taken with no fixed charge. It is proposed that a well known organization be given the entire proceeds to help in evening cheer for Xmas among those who need help. This will be announced later.

Labor-Progressive Party Nominates For Battle River-Camrose

At a nominating convention held in Wainwright on Nov. 25th, in the I.O.O.F. hall, F. P. Taylor, of Edgerton, was named as the Labor-Progressive candidate for the Battle River-Camrose riding.
In accepting the nomination, Mr. Taylor declared that he would do everything in his power to help to bring about in 1953 the L.P.P. program for peace, Canadian independence, world trade and guaranteed economic security for all Canadian people.
Mr. R. R. Swanney, provincial leader of the L.P.P. as guest speaker, outlined the new political alignment that must come into being to save peace, to restore Canadian independence and win back our traditional trade with Britain and the world.
F. H. Fay was chosen as campaign manager.

Elected to Executive Yellowhead Route

K. G. Urquhart attended the annual meeting of the Trans Canada Highway system Yellowhead Route held at the Macdonald hotel in Edmonton on Saturday. The organization elected Mayor Hawrelak as president, succeeding Mayor Stanley Ainley who now resides at Haney, B.C. Representatives from 17 towns and cities in Alberta, B.C. and Saskatchewan attended the gathering which advanced plans to press for completion of a 1700-mile highway from Winnipeg, through Saskatoon to Vancouver, the most feasible and easily constructed route to the Pacific coast known.

St. Saviour's Men's Club Sees Alaska Highway Views Monday

On Monday evening 35 members and guests of St. Saviour's Men's club gathered in the parish hall for the regular monthly meeting. A delicious turkey dinner was served on the membership of Mrs. Jack Moulton. The meeting was called to order by the president Mr. Cliff King and the business for the evening was dealt with. Mr. Jack Temple reported progress on the Men's Club project. Following the business, guests were introduced by Mr. Ken Stambaugh of the Lloydminster. Mr. Noyes showed a set of slides illustrating a trip he had taken up the Alaska highway and through the Yukon and Alaska. These slides, mostly in color, were taken by Mr. Noyes himself and were thrilling in their beauty. Mr. Noyes commented on the slides with a most interesting talk which served to bring the north, its beauty and its history very much to life

Russell Whitson Is Elected to Vegreville School Div. Board

SUCCEEDS T. HENDERSON
MANVILLE — At the annual meeting of the Vegreville School Division on Tuesday, Nov. 25th in the Orange hall, Manville, Mr. Russell Whitson was elected by acclamation as divisional trustee to replace Mr. T. Henderson who resigned this year. A very hearty vote of thanks was extended Mr. Henderson for his many years of work, first as a local trustee and later as a divisional trustee in the enlarged school division.

dress will be "The Changing Pattern of Agriculture". Both farmers and business men will find this address very interesting and instructive.

Farmers and members of the Board of Trade are asked to get their tickets from F. J. Richardson, Secretary, or J. R. Robson, Chairman of the Agriculture committee of the board, Monday, Dec. 8th is the last day tickets are available

I.O.D.E. Library Will Re-opens On Saturday

Frog Lake Chapter I.O.D.E. library will re-open on Saturday afternoon Dec. 6th at 2:00 o'clock in the new Vermilion Public Library building. This will be for circulation only and Saturday evening 7:30 to 9:30, Tuesday and Thursday afternoons thereafter from 2 to 5 o'clock, excepting holidays.
The official opening of the library will be held Friday evening Dec. 19th at 8:00 o'clock. Particulars of this will appear in next week's Standard.

S. C. Heckbert Will Address Gathering At Prince Albert

S. C. Heckbert, Secretary-Manager of Vermilion Agricultural Society and chairman of a special Western Canada committee on the improvement of the work of agricultural societies, left on Thursday to address the annual meeting of the Prince Albert, Saskatchewan Agricultural Society, one of the largest and most influential in the sister province. Mr. Heckbert is directing a prairie province drive to make the work of the societies of greater value to the farming population. In this connection a meeting is being held in Edmonton later in the month with selected delegates from all over Alberta who will meet to begin research into the possibilities of a closer affiliation of the farm societies with agriculture. The results of this meeting will then be merged with those of similar meetings in Manitoba and Saskatchewan and the whole report brought together in a comprehensive report to the general meeting of the Western Canada Association which will be attended by representatives of the Dominion government and the Departments of Agriculture of the three prairie provinces.

Christmas Seal your Xmas mail.

Town Council Deals With Lengthy Agenda

A regular meeting of the town council was held on Nov. 17th, with Mayor S. Reid in the chair and Councillors Reid, Payne, Urquhart, Mitchell, Sutherland, Weber present.
Correspondence: Vermilion Municipal Hospital re letter of Public Health Nurse Miss Sewell re Nurses' residence. Brunswick hotel re permit for parking of Rig. Richardson on parking of bus on Main st. Letter from re tax rate hearing. J. W. G. Morrison re Dog Tax. Letter from Dept. of Public Works re Provincial Immigration building. Alberta Motor Association re Dominion Day. Trans-Canada Highway Superintendent re progress on Main St. Police report. RCMP re contract. T. Riley re permission to lay parking area. A. Weisman re fuel tank.
Water and sewer financial statement for October was received.
The following motions carried:
That permission be given management of Brunswick hotel to erect an electric sign complying with the by-laws of the town.
That J. Payne, Council representative to be delegated to attend Old Defence Force Reunion to be held on 6th and 7th.
That K. H. Urquhart represent the Town of Vermilion at the annual meeting of the Trans-Canada Highway Yellowhead Route Association in Edmonton Nov. 28th.
That a RCMP contract be executed to deal with the Traffic Act.
That permission be granted to lay a sidewalk on the south side of the lane.
That permission be granted to erect a garage on the back of Lot 17, Blk 1 Plan 6257 and Blk 1 in same until July 1, 1953. Further, that the $20 deposit be returned provided the garage is removed as agreed by the aforementioned date of July 1, 1953.
That the council does not grant special permits for parking in the zone party and that Central Taxi be so advised.
That G. W. Sutherland be deputy mayor for months of Nov. and Dec.
That the area immediately west of the town hall, between the road and Queen Elec. shop be made into parking area.
That the garage at the steam heat plant be sold to Geo Seuffert for $50 cash.
That motion No. 1 regular meeting Nov. 17 re sale price of lots be amended to read: that the lots be sold by the Town of Vermilion for less than $100.
That library accounts be paid.
There was considerable discussion about the forthcoming dog hearing on Dec 9th. The Council decided to continue with the present plan of having the hearing presided by Mr. Richardson and Mr. Reid.
The question of street lighting was discussed and the council decided to deal with the matter at the next meeting.
Mayor Reid reported that he had a chat [illegible] asking him to call [illegible] Vermilion [illegible] Wainwright [illegible] Vermilion [illegible] Wainwright [illegible] Vermilion [illegible] Wainwright

Laurence Blades Is Honored At School Of Agriculture

Leaves Teaching Staff After Ten Years' Service

For distinct achievement as a member of the teaching staff and as an officer of the Alumni Association Mr. Laurence (Laurie) Blades was specially honored at the Alumni Reunion and fall open dance which was held at the Vermilion school of agriculture last Friday, Nov. 21st.

A crowd of some 750 persons was in attendance when Mr. and Mrs. Blades were called to the platform by Mr. N. N. Bentley, Principal of the school, briefly outlined Mr. Blades' record as an Alumnus of the school from which he graduated in 1935 and then as a capable, enthusiastic and popular member of the teaching staff for a total of ten school terms. In addition, Mr. Blades was commended for his services to the Alumni Association in which he had been president for 2 terms and secretary for ten years, including the four-year period during the war when the school was closed.

Mr. Bentley paid particular tribute to Mrs. Blades who is also a graduate and who has made a valuable contribution to the life and work of the school.

He then presented Mr. and Mrs. Blades each with a gold staff pin and on behalf of the present teaching staff as well as the Alumni Association expressed the wish that they would continue their good work for the school and enjoy success and happiness on their farm in the Camrose district. The occasion then given by the several hundred former students present indicated the popularity of the honored couple.

KILLAM MAN WINS CAR

Matt Thomas of Killam, C. P. R. section man, was the winner of the Third Pontiac car drawn for at Hardisty last Friday evening under the supervision of the Viking Car a Month club. The membership number was 1308. The next winner will be announced on Friday Dec. 26th.

C. Karpoy Arrives Home from U. S.

Chow Karpoy who has spent the past several months in San Francisco, arrived home this Thursday morning and is now a patient at Vermilion Hospital. He travelled by plane to Great Falls, Montana, and came from that point to Vermilion by ambulance.

Brae Dist. Celebrates Turning On Of Power

The banquet of the Brae Rural Electrification Association on Wednesday Nov. 26th was well attended. It was held to celebrate the completion of their project and the turning on of the power in the many farm homes in the district. Among those attending were Mr. J. G. McGregor, chairman of the Power Commission, Mr. Guthmundson of the Canadian Utilities, Mr. R. G. Reid, also of the Canadian Utilities, Mr. Webber, assistant superintendent of Farm Co-ops.

All commended the Association for their work and speed in completing their project.

Mrs. Whitton, wife of the President of the Association, turned on the switch to officially turn on the power in Brae Rural Electrification sharehold ers.

C. G. Torrance Mayor of Mannville congratulated the company on behalf of the village and expressed the hope that every farm home in Alberta would have electric power soon.

Mr. Jim Johnstone entertained the gathering with a Harry Lauder and a George Formby number, Mrs. P. Lacey with her special rendition of Grace Fields' 'Oh, I Never Cried So Much at all My Life', and Miss Mervice Pailly sang two selections 'The Kerry Dance' and as an encore 'In the Garden of Tomorrow.

Following the banquet and program the hall was cleared for the dance, with music by Kreller's orchestra. Lunch was served at midnight by the ladies of the Brae Rural Electrification Association.

Wilbur Currie's Store Burglarised

Richard W Currie, manager of Currie's Hardware, 12725 Fort rd., told police his store had been broken into. Among the articles taken were 3 electric razors, 3 wrist watches, 3 cigarette lighters, 2 wallets and one pair of electric hair clippers.

The thieves removed a pane of glass from a rear window of the store. —Edmonton Journal.

We are sorry that we have not room to accommodate all the people at the Chapel. Remember to go to the LEGION HALL at 3 p.m. and 7:30 p.m. on SUNDAY.

Sixteen Years Ago Today

Dec. 3, 1936

The Aberhart government was carrying the fight for debt reduction to the Privy Council according to Hon. W. A. Fallow in an address to a packed hall here Monday afternoon.

Associated Charities of Vermilion, known as 'Sunshine,' has disbanded after ten years activity at Christmas time.

A steady rain fell most of Tuesday, temperatures fell Tuesday evening, the wind veered to the northwest and a real blizzard was the result with the thermometer dropping to 21 below Thursday morning.

Thirty-two Years Ago Today

Dec. 1st, 1920

Mrs. J. C. Wallington and brother R. Graham, former residents of the Wildmere district who have been visiting here since August, left for their home at Watford, Ont.

Wheels have been entirely discarded following the recent snowfall. Weather continues mild and pleasant.

The by-law submitted by the municipal hospital board for the issue of $30,000 in debentures, was defeated by a small margin. It called for a two-thirds majority.

Morrison-Malek Vows Are Pledged At United Church

Vermilion United church was the scene of a pretty wedding on Monday Nov. 24th at 2:00 o'clock in the afternoon when Jean Marie Malek, daughter of Mr. and Mrs. John Malek, and John Hugh Morrison, son of Mr. and Mrs. Alex Morrison, pledged their vows in a double ring ceremony performed by the Rev. C. W. MacKay.

The bride, given in marriage by her brother, Mr. Mike Malek, looked radiant in a floor-length gown of Chantilly lace and net. The neck line of the net had an off the shoulder effect below bound with self folds of Chantilly lace. The long bodice of princess style was a combination of Chantilly lace with insertion panels into the white net skirt. The lace points were gracefully bound with ruffles of net. A beautiful hand sewn bead and sequin work veil in place. She carried a bouquet of American Beauty roses and wore a crystal necklace, a gift of the groom.

The bride's matron of honor was Mrs. Mike Malek, sister-in-law of the bride and Mr. Gordon Morrison, brother of the groom. Bridesmaids were Miss Yvonne Malek, sister of the bride and Miss Shirley Morrison, sister of the groom. They were dressed alike in floor length gowns of white crepe with matching bolero jackets. Miss Morrison was the groom's attendant. Ushers were Mr. Mike Malek, brother of the bride and Mr. Gordon Morrison, brother of the groom.

After the ceremony a supper and reception was held at the home of the bride where 50 guests attended. The toast to the bride was proposed by Mr. Jack Wright and the toast to the groom was given by the groom's father, Mr. Alex Morrison.

The bride's table was beautifully decorated with a three tiered wedding cake, centred with a cluster of gardenias and lighted tapers made by the bride.

Gifts from both were Mr. and Mrs. A. J. Baker, Mr. and Mrs. Clare Chaput, Mr. and Mrs. Al Cyr, Mr. and Mrs. A. M. Wood, Mr. J. Wright Mr. and Mrs. P. Bell and Lois Mr. and Mrs. Hal Cassels from Edmonton were Mr. and Mrs. D. Naylor Mr. and Mrs. Scott and Margaret Mr. R. Andrews of Kitscoty.

In the evening a large number of friends of the young couple attended a dance in the Legion hall. For a honeymoon trip to Great Falls, Montana, the bride donned a navy blue [illegible] with white accessories.

The groom is employed by the Vermilion Co-operative Association and the young couple will reside in the Vermilion district.

NEW CAR FEVER

Interest in new cars is mounting, Ford's announcement that its new models will be unveiled Dec. 11 and 12. Liscoln may be a few days ahead of the others. Ford, Monarch, Mercury and Mercury, reports The Financial Post.

Chevrolet, Pontiac, Oldsmobile Buick and Cadillac, will likely make their debut later in December.

Chrysler reports a good reception for its models already unwrapped for the Canadian public.

Ford and General Motors appeared headed for a record produc-

tion year. Ford was forecasting an output of 122,000 cars as against the previous record of 120,000 produced in 1950.

Bowtell Bulletin

Deepest sympathy is extended to the Oakley family in their recent sorrow, but the family will be comforted to know that Dorothy is at rest.

This writer certainly enjoyed the banquet on Tuesday evening where at the Standard scribes gathered for a social hour or two. She also appreciated meeting four more of the Standard correspondents, these being from Deer Lake, Clayamore, Woodvale and Dewberry.

Seventeen ladies were present on Wednesday afternoon at the home of Mrs. Repp when Mrs. Jim Pick gave a Stanley demonstration.

Mr. and Mrs. C. Perman left recently to drive Mr. and Mrs. Plessum Sr. to Arizona where the latter will spend the winter.

Mrs. Sherwood was surprised and pleased to have a visit Friday from Mr. and Mrs. N. Contis and Robert of Dawson Creek, B.C. Neal is an old timer of the Bowtell district.

Quite a number from hereabouts attended the Anglican church services at Islay and Vermilion on Sunday.

Ken Risdale of Ryley visited in the district recently.

Correction: It was Mrs. Freestone and not Mrs. Sweezy who won the refrigerator, this column was in error last week.

The writer and hubby celebrated their 22nd wedding anniversary on Dec. 1st.

Leslie Sherwood is working in the bush, driving a Caterpillar tractor at Winfield.

We enjoyed your visit Monday evening Mr. and Mrs. Cartwright and Jack. Do come again folks.

Noticed Around: Mr. Knutson home from visiting his brother in Saskatchewan; Mrs. Miller working in Craig's store; The house that Jack built certainly looks nice; The bad corner is bad no more on our road near Shepherds since our councillor did a good job of building it up recently.

Mrs. T. Sherwood and Beverly visited Mrs. Repp on Thursday.

Lost and Found

LOST — Truck end gate, grey in color, lost last Friday somewhere between stockyards north to the school corner and west to rural corner. If found please leave at Gordon Rose' Feed mill. Reward. 21-3

Allandale Notes

Beautiful snow, so pure and clean now covers the ground. Let it stay at this time of year; it fell on Nov. 23rd and until the 29th we had above zero weather, that day registering zero. A wonderful fall.

Sunday Nov. 16th Mr. and Mrs. Orley Omenee motored to the city. In the afternoon had a delightful visit with the Bowtells in their new lovely modern home. Granny keeps remarkably well. Frankie is growing in the Peace River doing setting. The ivory novelties made from walrus tusks, along with combinations magazine and table, and from Allandale W.A. to Mrs. Darling a "tea rose" cup and saucer, wishing them well in their new location and many years of happiness as their silver wedding anniversary is coming along shortly. Edna and Lloyd thanked their friends and did appreciate their kindness and invited any who could to visit them at any time.

Congratulations to Mr. and Mrs. Ernest Richards on the birth of a son on Nov. 21st.

Though it was a snowy af nroon on Nov. 23rd a few attended the church service at Clandonald. Rev. McKay gave a very inspiring service on True and False Religion. With the efforts of Rev. McKay and Mrs. McKay and the Young People let us be more thoughtful of these services every two weeks and go to church. Next service will be our home is open.

Mrs. Tom Reed to note Mr. Bowden's comments on receiving the Stand and his appreciation of the news columns.

Congratulations to Mr. and Mrs. Earl Nelson of Vancouver on the birth of a daughter Lynda Lee on Nov. 30th.

The Allandale teacher underwent an operation on Nov. 23. We win her a speedy recovery. Mrs. Jessie Stroud is teaching in her absence.

Greetings Stella and Willie (Mayers and Nora Monaghan. We thought of you Uncle Willie on your birthday, 27th, and wondered if you folks would be travelling in that awful storm reported in Minnesota and other states on that day. We are having grand weather here. The ground is barely covered with snow and to date (30th) it has only been 5 below, and that just once.

It was good to see in the last paper the Editor's note — Our Family of Correspondents". I had thought at times of gathering as such as one big family and on such an event thinking somewhat on the same line. We have a very efficient M.C., our Clandonald correspondent and I'm afraid perhaps he was disappointed in some, his idea was everybody speak no. not at the same time, we all at least had that privilege and perhaps at another time would be more reported, time for myself, knowing only a few hours ahead. The speeches were all enlightening and the Dewberry correspondent highly praised the Standard, and that could be, I'm sure from all the scribes. The grand banquet and evening we owe to Mrs. Wallington and Mrs Thumpson who did the arranging. We met four new correspondents from two years ago and another time we hope to meet the rest of you. It makes your columns all the more interesting. It was a pleasure to have our news Editor and Mrs Cooper and Mr. Vernon Cooper with us, another time we hope more of the staff can join us. I think we all appreciated the encouraging words of our news Editor.

WILDMERE WINKS

We were very pleased to see so many correspondents and some of the Standard staff out to the banquet on Tuesday evening. A really good banquet was enjoyed and a nice visit afterwards with the writers, some of whom we had never met before. For the ones unable to come we did miss you and hope next time we plan something all will be able to attend.

How goes your new 1953 car Mr. Moore? It's comfortable to sit in big way.

Health Unit Is Explained

AT MEETING OF MANNVILLE HOME & SCHOOL

MANNVILLE. Dr. Smith of the Vermilion-Minburn Health Unit was guest speaker at the Home and School meeting on Thursday. He was introduced by Dr. Hazinoff Dr. Smith explained the idea of the Health unit, stressing the fact that it was to prevent trouble before it arrives. They do not treat disease, that is up to the family physician.

Dr Smith spoke on the various infectious diseases, diptheria, lockjaw, whooping cough, that are being kept under control by inoculation. Smallpox also is being kept under control. He spoke of the work of the sanitation inspector His job is to examine the water supply in the various villages and towns. In westigate garbage disposal and aid generally in the prevention of disease. Flies and rats particularly thrive on garbage and spread dis-

Funeral Services Held For Dorothy Edna Oakley

Funeral services for Dorothy Edna Oakley were held at the First United church, Vermilion on Sunday, November 29th at 2:00 o'clock in the afternoon. The large attendance of friends and sympathizers testified to the esteem in which the deceased was held. Interment took place in the family plot at the Vermilion cemetery where her father was laid to rest not quite one year ago.

The services were conducted by the Rev. C. W. McKay who delivered a most comforting message to mourners and friends.

Acting as pall bearers were Messrs. S. C. Heckbert, J. R. Robson, H. Scott, G. C. Long, F. H. Walker and Ashley H. Cooper.

During the service Mrs. M. Hill sang "Beautiful Land on High" Mr. W. B. Elford was organist.

Dorothy Edna Oakley was born in London, England, 24 December 27th, 1900, the daughter of Mr. and Mrs. H. C. Oakley. The family came to Canada in June, 1909, and settled at Vermilion. Dorothy was educated in Vermilion schools. Following her graduation she trained for a teacher, taught for two years in rural schools and then for 20 years in Vermilion. In recognition of her outstanding service in the teaching profession she received a Jubilee medal in 1935 from the late King George 5th. She was secretary of the United Church Sunday school for 12 years and was a member of the choir there. Her particularly bright and happy disposition endeared her to friends and pupils alike.

Dorothy is survived by her mother and two sisters, Mrs. Basil Hartley in Oslo. She was unmarried.

Beautiful floral tributes were received from:

The Family: Dorothy and Mrs. Oldenburg. The Vermilion School Board. Lois and Audrey Hall; Marjorie Krapp: The Walkers, Frank, Olga and Douglas; Mr. and Mrs. Wm. Mellon; Isabel and Clive, Peggy and Roger; King Family; Carroll Family; Elizabeth and Patricia Stewart; Mrs. A. Cameron and Alma; W.M.S. Unbeli Church; Cubs, High and Primary staff. Lorne and Emily McLean; Reid and Hettie, Roxburgh.

CARD OF THANKS

We wish to express our sincere thanks to the many friends who sent floral tributes for our Dorothy Oakley while in the hospital: to Dr. Stephens and nurses for their kindly care and attention. Also to the many for their cards of sympathy, floral and memorial tributes.

Mrs. Oakley, Eva and Mey.

IN MEMORIAM

In memory of our dear daughter
Ernest Thompson
who passed away on Dec. 3, 1951.
Goodnight

Sleep sweetly in the quiet room,
O dear, one dear and,
And let no mournful yesterdays
Disturb thy peaceful heart.
Nor let tomorrow cause thy rest
With thoughts of coming ill —
Thy Maker is a changeless Friend
His love surrounds thee still.
Forget thyself and all the world,
Put out each feverish light,
The stars are watching overhead:
Sleep sweetly, then Goodnight.
—Sorrowfully missed by Mother, Dad, Anne and George.

IN MEMORIAM

In loving memory of wife and loving mother
Mrs. Margaret Fligole
—who went to be with the Lord on Nov. 30th, 1950.
Nothing can take away
The love a heart holds dear;
Fond memories linger every day,
Remembrance draws us near.
—Ever remembered and missed by her husband and children.

IN MEMORIAM

In loving memory of
Mrs. Ida Fligole
—who passed away Nov. 23, 1950.
Two years have passed and gone since we were loved so well.
Was taken from her home on earth,
With God in Heaven to dwell.
—Ever remembered by her daughter Jessie and family.

Mannville Local Items

Mrs. Smith, mother of Dan Smith and Mrs. M. McLaughlin and sister of Mrs. G. H. Whitson passed away in Regina on Tuesday morning. She was 88 years of age. She has been ill for some weeks and in a coma since Sunday morning. She was staying with another daughter Mrs. M. Mearry in Regina. Mrs. McLaughlin has been in Regina for some time too. Mrs. L. Croft and Mrs. G. Donaldson, both granddaughters of Mrs. Smith are flying to Regina for the funeral on Thursday.

Mr. Dick Machin, formerly of Mannville and Innisfree and now of High River was a visitor in town last week, renewing old acquaintances.

Attending the Bruce Rural Electric Association banquet last Wednesday were Mr. R. G Reid, old timer of the district and former Premier of the province Mr and Mrs. Jim McLaughlin and Mr. and Mrs. Jack McLaughlin of Vermilion. Mr. Reuben Metzler who hasn't been back to Mannville since he left over 30 years ago; Mr. Harry Bowers, another old timer of the Chailey district, who also hasn't been back for a good many years, were renewing acquaintances at the banquet.

Mr. J. J. Thompson, old timer of the Hamilton district, passed away, Friday morning at Carbury, Man., where he and Mrs. Thompson have been living for the last few months. Two daughters, Mrs. Ryder, also of Mannville and Mrs. Violet Burrell of Edmonton left on Sunday to attend the funeral in Winnipeg. Besides his wife and two daughters, he leaves to mourn one son Danny Thompson and one grandchild.

Mr. Buckingham and Mr. C. Gamble were out looking at calves for the Calf club this past week and report finding some very good animals. Mannville should make a good showing at the summer calf club sale.

Mrs. Alex McCallum of Edmonton has been visiting with her parents, Mr. and Mrs. R. Henning for the past two weeks.

Mr. and Mrs. George Bennett are attending the Wheat Pool convention in Calgary.

OUR COMPLETE SHORT STORY —

PRIVATE LIFE

By RUSSELL WILSEY

GOOD evening, Captain Burnett," the girl in the deck chair called out. "Are we on our course?"

The tall, striking ship's officer moved down the narrow steel steps and crossed the deck. He halted, slightly, erring, and then dropped into the chair beside her.

"Thanks for the promotion, June," he said, "but you'd better watch that 'Captain' Burnett. I'm apt to be seized for mutiny."

"Okay, Jim," the girl answered, reckoning over to lunch his hand lightly.

"Well, what are we reading today?" he asked, nodding at the book in the girl's lap. "Oh, Viorden's 'White Waters'. Good, isn't it."

"He's a marvelous writer," the girl answered enthusiastically, fondling the book and looking out to the vast stretch of sea. "Every once in a while I'd check his descriptions of the sea with the real thing out there. Amazing, isn't it? Where he had for giving you the exact feeling of a thing."

"That was his main forte," the young man answered, "description. Especially the sea. There's a story as strange as any one he ever wrote, behind his ability at creating pictures with words."

The girl looked up at him. "That's funny, Jim, I didn't remember having read a single line about the man himself."

"That's not surprising," the man answered with a gentle smile. "His personal life was always more a matter of speculation than actual fact. Viorden wasn't even his real name, you know. He kept his whole life a secret from his public, although people knew a little here and there."

Taking the girl's hand firmly in his, the man settled back in his chair and looked out to the sea.

"Viorden was always rather shy, although he wasn't a misogynist by means. His father died when he was young, and he went to an fifteen to support his elderly mother. He got his education in a hard school. Like a great many sailors, he began to read during the long stretches between watch. By the time he was twenty, he decided he wanted to be a writer more than anything else in the world.

"He 'beached' himself, got a landlubber's job, and went to school nights to study. By then his mother had passed away, and he had only himself to take care of. One of his professors took an interest in him and invited Viorden to his house for dinner and private consultations on Viorden's writing. There the young, socially awkward Viorden met the professor's daughter.

"She was slim and graceful, and her hair was a pale blonde. Her eyes were an incredible blue. When the professor revealed to Viorden, for he didn't realize it himself, that the girl's eyes were as useless as they were beautiful, he couldn't believe it. But it was true, she had been stone blind from birth."

The young man fell silent, and for several minutes the couple were held suspended in a silent world, disrupted only by the muffled trembling of the ship's motors and the whisper of the sea.

"The poor girl had shunned life completely," he went on, "and found only the world of music. Her father had managed, despite his small salary, to amass for her a huge collection of phonograph records. Through her Viorden discovered music, and in turn he led her out into the world.

"First it was only short trips to a park nearby. There the young man described everything he saw for the girl. He tried to bring to her ears and of young leaves and grass to her. He told her of the birds, the slow, pompous pigeons, the skittering, scattered-breasted sparrows, the scolding blue jays, and of the squirrels. He described the people, the mothers and yelling youngsters.

"Then he took her farther and farther afield. He brought her to the docks and outlined the great ships that he knew so well. Everywhere they went he found something to tell her about. He tried to find just the right word, with just the right shade of meaning and content, for everything. And, to open her world even wider, he made up stories about the people they met in the park benches, or walking in the streets, or amusing themselves in the park.

"It became so natural that the young Viorden did it in front of the girl's father, and the professor encouraged him to write these simple yet imaginative stories down. Almost at once they were successful with editors. Viorden was able to quit his job and devote all his time to writing and the girl. With his new wealth he was able to buy a sailboat, and he took the girl for long sails in the bays and channels, and finally out at sea. On the small craft, with everything in orderly arrangement and close at hand, the girl learned to move and handle the sails better than most normally gifted people could.

"Viorden's first novel was a terrific success, and he really came into his own. But he kept the secret from the world at a distance. He married the girl and they moved to a small house near the sea. They didn't invite any Viorden had many friends, who dropped in on the couple frequently.

"They lived happily for many years. Viorden completed six more novels, and the couple had a child, a son. But one day Viorden and his beautiful wife climbed into their sailboat, put out to sea, and were never seen nor heard from again. A sudden storm engulfed them. But, at that, I think they had more happiness than most."

Again the couple were quiet. Around them the ocean and sky pressed close with the mantle of late evening.

In a low voice the girl asked, "How did you learn all this, Jim?"

"Viorden's real name," he answered, "was Burnett".

Another Blue Ribbon For Alberta

Winner of the Canadian Belgian special, reserve open Belgian championship, and a second in the All Canada class open to this five-year-old Belgian horse owned by Hon. D. A. Ure, minister of agriculture for Alberta, Mr. Ure is seen with his horse at the Royal Agricultural Winter Fair, Toronto.—Central Press Canadian.

Dawson No "Ghost Town", Citizens Look To Future

Canadian and U.S. Companies Express Interest In Base Metal Discoveries Near "City"

DAWSON, Y.T.—The words "ghost town" are fighting words here. The 700 normally friendly residents of this once fabulous centre of the Klondike gold rush have various and rather lusty epithets for the writer who recently called the "city" that. Although an ours of the pani bungs over the town, its citizens are thoughts are in the present and directed to the future.

Dawson was born in the Klondike gold rush. It sprang from barren tundra to a city of 30,000 within the years of the discovery of gold on the Klondike River.

It became the home of money-hungry adventurers from the world over and for a few short years its name was as famous as any city in the world.

Today if you ask anyone about Dawson's future, they will tell you it will probably say 'ghost town' or, at least, "dying town." That is, except the citizens who probably have more civic pride per square inch than any city in Canada.

Within the two-square-mile township are some 300 buildings can be counted on the fingers of one hand. The people live, work and play in the same buildings as the hard-living gold miners of 1900.

Many of the old buildings have been condemned as fire hazards and torn down. Others are sagging, unpainted and empty. Because of the shifting soil, foundations of most buildings, new and old, sink and tilt.

The famed Floradora saloon and dance hall, once the liveliest spot in the north, is the Alexander Hotel and Cafe and in the winter is about as lively as a mortuary.

The plush seats, hardwood floors and velvet curtains of the Auditorium, once the city's pride and joy, are gathering dust. No buyers are willing to pay the $5,000 purchase price for the building.

The log cabin of Robert Service, the bard of the Yukon, is unvisited and neglected on the hill overlooking the town.

Except for the appearance of age the buildings and houses have running water at $1.25 a month and electricity at 25 cents a kilowatt. Most residents have telephones and modern cars. A modern fire department serves the town.

Dawson is still supported by gold mining — gold mining by machines that work about eight months of the year. During those eight months the population rises to about 1,200. Civic pride was so hard last year when the federal government announced that the Yukon's seat of government would be changed from Dawson to Whitehorse — the new centre of the territory's growing population.

By changing the capital the government is saying that the gold rush left up here, one man said and that's wrong.

Both United States and Canadian companies have expressed interest in the area. Dawson's prospecting year, J. S. McDiarmid, minister of industry and commerce, said. He has travel between Canada and the United States up to the end of August indicated 1952 would be the best year yet for tourists in Manitoba. The business could be expanded greatly next year with improved facilities

Irish Police for Edmonton

EDMONTON — Twenty-five Northern Ireland police arrived to join the Edmonton force. Mayor William Hawrelak said: Ten more received for the city in Belfast will arrive next month. 3-11

Actions speak louder than words

Oil Reserves Are Of Vital Concern To Canada

What Figure That Will Be Ultimately Reached Is Anybody's Guess — Forecast Run From Five To Twenty Billion Barrels

(By Forbes Rhude, Canadian Press Business Editor)

Before oil was discovered at Leduc, near Edmonton, in early 1947 Canada's total oil reserves were estimated at 72,000,000 barrels. What figure Canadian reserves may ultimately reach is anybody's guess. Forecasts run from 5,000,000,000 to 20,000,000,000 barrels. These are vital figures to Canadians, for each Canadian, one way or another, uses an average of 11 barrels of oil a year—for gasoline, furnace fuel, lace cream, or any one of the thousands of uses for oil products.

By oil reserves is meant the estimate of the amount of oil which can ultimately be brought up from known fields.

Comparisons of Canadian reserves tend to be made with Texas. Texas has half the proved reserves of the United States, which total nearly 22,000,000,000 barrels, and about 10 times the proved reserves of Western Canada.

But Western Canada has 170,000 square miles of area geologically favorable to the existence of oil, running from the United States border to the Arctic Ocean, and this is three times the favorable area of Texas.

So, if the Texas experience is repeated, Canada has a lot of oil to uncover.

Statistics about oil are heavy reading, but the reality behind them has some of the quality of the Arabian Nights.

It's like dreaming that you have found a fortune in an old trunk in the basement, and then awakening to find that the fortune is really there.

That's what happened to Canada. She dreamed for years that she might be or oil under ground and then, in 1947 and the discovery of Leduc, found she actually had it.

The world's oil industry didn't exist less than six years ago. They represent new-found wealth which has not only been part of good fortune but a large factor in creating it and in sending a stream of money flowing.

Here are some of the figures.

Since 1946 more than $1,500,000,000 has been spent developing the Canadian oil industry — exploration, transportation facilities such as pipelines, refineries and so on.

Meantime, to the end of 1951, oil valued at $329,000,000 was produced.

From 1946 to the end of 1951, $1,290,000,000 was raised for the Canadian oil industry. Of this the industry in Canada put up $300,000,000; the public, chiefly Canadian and American, subscribed $580,000,000 through stock and bond issues and the United States oil industry made a direct investment in Canada of $330,000,000.

In 1946, $12,000,000 was spent in oil exploration. In 1952 $300,000,000 is being spent.

By December, 1946, 363 wells were producing. In December this year 4,300 will be producing or capable of producing.

In 1946, Canadian refineries could handle 245,945 barrels a day. Today they can handle more than 400,000 barrels. A barrel contains 35 imperial gallons, or 42 U.S. gallons.

In 1946, Canada used 221,935 barrels of oil a day and produced only 20,841 barrels or nine per cent. of her needs. So she bought the rest from other countries.

This year, Canada will use about 357,000 barrels a day and will produce about 169,000 barrels or 27 per cent. of her needs. Actually she could produce nearly 70 per cent of her needs from proved wells.

Production is held down because so far it is more economic to import oil into the most easterly parts of Canada and into British Columbia than to pay transportation costs from Alberta.

About 90 per cent of Canada's oil production comes from Alberta The Alberta fields best known to the public are Leduc and Redwater, in the Edmonton area, and Turner Valley south of Calgary.

But now such names as Wizard Lake and Bonnie Glen are catching on, and with reason.

For, whereas Wizard Lake produced only 190,185 barrels in all of 1951, it produced 827,726 barrels in the first eight months of this year. Bonnie Glen, which produced nothing last year, yielded 253,239 barrels in eight months of 1952.

Production goes down a long list of companies as oil is discovered and brought to production over a wide area.

Synthetic Milk Probe

VICTORIA—The British Columbia Federation of Agriculture will seek appointment of a royal commission to investigate what economic effect the manufacture and sale of synthetic milk has on Canada's $600,000,000 dairy industry.

Injured By Blast

EDMONTON.—Leonard Melik was using a flamethrower to heat a barrel of tar on the back of a half-ton truck when the tar exploded. The blast drove the flamethrower into Melik's stomach and groin, causing extensive burns.

May Increase Car Insurance

REGINA Chairman M. F. Albertson of the Saskatchewan compulsory automobile insurance committee said the committee will recommend to the government that the compulsory premium be increased from 10 to 100 per cent., depending on the vehicle category.

Honey Production Down

WINNIPEG — Manitoba's honey production has dropped approximately 2,000,000 pounds from last year's 5,000,000 pounds, president of the Manitoba Beekeepers Association said here.

Southwood Hit Adam's Apple

VANCOUVER — Walter Perrett, 18, was taken to hospital for an emergency operation after swallowing his Adam's apple when struck in the throat during a basketball game. The operation, a tracheotomy, was successful and Pearson was reported in good condition

Tourists Spending Up

WINNIPEG — Tourists will spend about $24,000,000 in Manitoba this year compared with $23,000,000 last year, J. S. McDiarmid, minister of industry and commerce, said. He based travel between Canada and the United States up to the end of August indicated 1952 would be the best year yet for tourists in Manitoba. The business could be expanded greatly next year with improved facilities

Irish Police for Edmonton

EDMONTON — Twenty-five Northern Ireland police arrived to join the Edmonton force. Mayor William Hawrelak said: Ten more received for the city in Belfast will arrive next month. 3-11

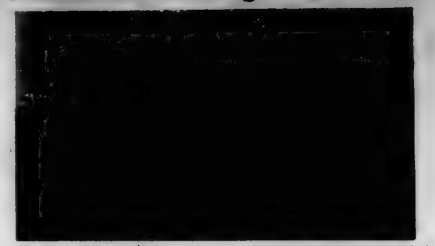
Officials at Turning On of Power



These three well known Ottawa district men officiated at the turning on of the power in the Ottawa Rural Electrification area. From left to right they are Leo Kashinsky, president of the Ottawa Association; James H. Tovell, pioneer farmer of the area who pulled the switch that sent light and power to 38 farms, 1 store and 1 church; and Arthur Tovell, secretary-treasurer of the Association. The Ottawa Association is reported to be one of the largest yet organized in north-eastern Alberta.

Dewberry News

The Dewberry F.U.A. held their annual meeting on Nov 18th. The new president is Mrs. W. Parker, vice-president Mrs. George Nedham and secretary Mrs. H Craige. The delegates to convention in Edmonton reported were Fred Collins, Mrs. H Craige and Mrs. August [illegible]. An active organization campaign is underway in the district. Next meeting at the home of Mrs. John Saltata of Dewberry.

Jack Curtis is out of the hospital after serious injury from the result of a car-truck collision recently near Lavdminster. His car is badly wrecked.

Bob Pentecre, local Wheat Pool agent here is being transferred to a location near Edmonton.

Mr. and Mrs. Bud. Elliot have left on a trip to Mexico.

We notice since the snow, that our local deer hunters have the itchy trigger finger.

The Dewdll big game hunting expedition returned home with an elk.

Dewberry grain quota is now open to 10 bushels on wheat and farmers are busy hauling it in as grain cars seem to be coming in plenty now.

Dewberry curling club expects to get ice-making underway soon. All prospective curlers are urged to put their names down on lists around town.

Jean Bowman is the new clerk in the Co-op store

We hope to have the names of the barbone section of the boys' band in shortly. Song released them 2 weeks ago. We will also try to get the boys' names correct.

Stomach flu is prevalent in our district at present. Children suffer severe stomach pains with it.

Noticed around: Erven Gensler buying a washing machine. Now has three on hand: George Work buying furniture!: Vernon Kenst driving a spiashy 30 model car that looks like new: Albert Ketchuns and Bob Rogstad week end visitors from the city.

Mealtime Is A Happy Time for Wise Family

Mealtime in the Wise home is a time for good talk, good fun and good food. It is a time for sharing the happenings of the day. Dad may talk about his new cultivator, Mother the Community Club project, Johnny his hockey team, Mary her school party. No unpleasant subject is ever mentioned at the table, "pleasant conversation only" is a long established mealtime rule. Bob and Billy may have been scrapping, as brother and sister will, but a truce is declared when the dinner call comes.

Mrs. Wise plans always to set an attractive table. She knows that eye appeal as well as taste affects the enjoyment of meals. Meals are planned to give contrast in flavor, color, texture and form. The Wise children have learned to like and eat all foods, but they have their favorite dishes too—and each is remarked occasionally as to what he or she would like. It all helps to make mealtime a happy time.

The food we eat has much to do with keeping us healthy. It is equally important however that serenity and happiness prevail at mealtime. A meal that supplies all the food essentials does not in itself assure good nutrition. A meal eaten too hurriedly or without enjoyment, or eaten when emotions are upset, may not be properly utilized by the body. Malnutrition may be caused by lack of mealtime pleasure as well as by lack of the proper food.

Mrs. Wise follows the 'Recipe for A Good Meal' found in the Department of Agriculture leaflet "Three Way Meal Planning". For help in planning of your meals ask your District Home Economist, or write to the Home Economics Extension Service, Dept. of Agriculture Edmonton, for a copy of this leaflet.

The Board of Trade Arranges Event. Member Meeting

WEDNESDAY, DEC. 10th AT 8:30 P.M.

The members of the board of trade will be hosts to the farmers of the district at a dinner meeting, to be held Wednesday, Dec. 10th at 8.30 p.m

Dr. A. G. McCalla, Dean of the College of Agriculture, University of Alberta, will be guest speaker. Dean McCalla has not addressed a public meeting in Vermilion before so the members and district farmers will look forward to hearing this well known agriculturist.

The address by the speaker of the evening will be preceded by a short business meeting which will take the place of the regular meeting Board of Trade members will please note that there will not be a noon meeting on Dec. 10th.

Tickets will be available from J. R. Robson chairman of the Agricultural committee and at the office of the District Agriculturist. Also they may be obtained from the Secretary Mr. F. J. Richardson. Members and farmers are asked to get their tickets by Monday Dec. 8th. This is the last date on which tickets will be for sale.

Tuberculosis is one of our major health enemies. Hundreds of Canadians die of this disease each year. Buy Christmas Seals and help eradicate this killer. tf

Dollar for Dollar

YOU CAN'T BEAT A PONTIAC IN ANY PRICE CLASS!

Illustrated—Fleetleader Special 2-Door Sedan

WHY PAY MORE?

Let's take a good look at this whole business of how car prices and values. After all, when you buy any new car you want a full dollar's worth of good solid value for every dollar you invest—and that's exactly what you get in a Pontiac!

In the Fleetleader Series, this big, beautiful, spectacular performer has a price tag that takes it right down into the lowest-priced fine car class. And, of course, the wonderful Pontiac Chieftain is a leader in its field, yet costs a good deal less than the lowest-bracket models of higher-priced lines.

WHY TAKE LESS?

No car—in any price class—offers more downright goodness for every dollar of your new car investment. When you buy a Pontiac you are buying one of the most respected names in the automotive world! You are buying a car that will give you years and years of wonderfully dependable, wonderfully economical driving—and be a very desirable used car when you want to sell.

Let's not get all confused about car prices—remember this one simple thing: Dollar for dollar you can't beat a Pontiac, in any price class!

Dollar for Dollar

- YOU CAN'T BEAT THE BEAUTY
- YOU CAN'T BEAT THE FEATURES
- YOU CAN'T BEAT THE PRICE
- YOU CAN'T BEAT THE VALUE

Come in and get the facts and figures that show you how easy it is to own a great new Pontiac!

Butter has graced the tables of mankind throughout history. Vast sums of money have been spent in attempts to equal butter's—in taste, texture and appearance. But only the cow—no machine or laboratory—can make butterfat. That's why first grade Canadian butter remains supreme as the dining tables of the nation.

DAIRY FOODS ... SERVE OFTEN

Many wonderful new recipes are featured in this frame's new leaflet except booklet. Just send your name and address to Dairy Farmers of Canada, 1530 Bay St., Toronto.

Fight TB with Christmas Seals. tf

NEWS from ISLAY

Mr. David Hanna has returned to Edmonton after attending the wedding of his niece, Barbara.

In days gone by it was said of the Ford car that it would run on its reputation, gas wasn't necessary. Evidently Jack Caro tried it out on his new Studebaker, as a result Jack had to go half a mile for gas. We suggest that Jack carry a can full in the back of his truck, just in case!

The whist party on Friday night in the hall ill aid of the school Christmas fund was enjoyed by a goodly number, though we missed many who usually attend. We had one new family Mr. and Mrs. David son who have recently purchased the Charlie Johnson farm. We are happy to welcome them to Islay.

Harry and Annie Young motored on Sunday to Thursby to visit C.C. Mitchell and the girls. Mr. and Mrs. Bill McLean went to Edmonton with them. Mrs. McLean will remain the week having dentistry done.

TIRELESS TAKE NOTICE.

All owners wishing to ship pinkers are required to fill up their order blanks and turn in the names to the Secretary, Roswell Carroll, by Saturday Dec. 6th.

Persons near to town and desiring to have their places cleaned may leave their names with the secretary for advisory purposes. 21-2c

Reg Kay and family are moving to Kitscoty this week. Reg is with the municipal office staff.

Charlie Kennedy who has been the Islay C.N.R. agent for the past five years is transferring to Craigmyle. He and his family go this week. Mr. Purves is the relieving agent until the post is filled.

We learned on Tuesday that Mrs. Baxter has sold her house to Mr J. V. Page of Kitscoty.

Mr. Art Robertson is in charge of the A.P. elevator as our agent B. Teskey is ill. We hope he will soon be out and around again.

If you should see Jimmie Wilkinson wielding a baby's bottle, or Ken McLennan with a baby's romfort on the lapel of his coat, it just means that they won them at the whist party Friday night. Charlie Hanna won first and Jack Caro second for the men and Mrs. Patsy Robertson first and Betty Shaw second for the ladies.

An auction sale is the place to go to see friends from all directions. On Monday at the Dupuis estate sale we saw Mrs. Preston from Kokmee, Mrs. Markund, Mrs. Roger East, Mrs. Mary Mathewson, Mrs Amy Seite. We think Mrs. Preston really was enjoying the day. Oh yes, she had been a guest of Mr and Mrs. Budzilka and the time was greatly enjoyed. We also had a very enjoyable hour at our house. Mr. and Mrs. Jim Andrew from Paradise Valley called. They are agents for Watkins products.

If anyone would like to help with clothing for our Korean parcel, please gather your articles and bring them in right away. This is urgent as clothing is badly needed.

Noticed Catherine Carey home for the week end.

Mrs. F. Jo is on a visit to Edmonton.

(This bulletin was held over from last week, please make allowance for lapse of time).

News Notes From Your District Home Economist

Is That Toy a Delight or a Danger?

Are you thinking of your child's welfare when you are buying a toy to entertain him? Check the things when you are selecting one:

Is there anything about the toy, such as a sharp metal corner, that could hurt a baby?

Is it small enough to swallow whole, or are there parts on it, such as glass or pin eyes or buttons this could be removed or swallowed?

Could a child hurt himself by falling from or with the toy to poorly constructed hobby horse or play chair?

As a baby will chew almost anything he can get his hands on, paint on toys should be treated just like a baby food. It should be proved safe to swallow. Most toys like this have been examined before being put n the market to see that the paint contains no lead, arsenic, chromium, cadmium or antimony in sufficient concentration to harm a baby if swallowed.

Toys should be simple, sturdy and durable as well as helpful in developing the child's mental and physical abilities.

Guides for Buying Baby's Toys

A child begins to enjoy toys that make noises usually before the 5th month. Buy different toned steel bells, and plastic toys that make musical sounds. Children from 6 to 9 months like to bang teething beads and rattles on the floor and cribs bars and to play with toys that make little tinkling noises. Different sized rubber, plastic and wooden blocks, big spoons and pans are desirable.

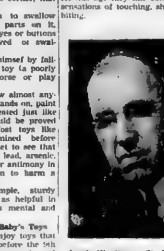
When a child learns to sit alone and creep, he enjoys a wider range of toys. Ones he can pull push, punch, pound and thump not only amuse him but aid in his physical development. He also likes stuffed animals and dolls

The average cost of a case of tuberculosis including loss of wage, clinic service and hospital care, is approximately $2500. This is a luxury no one can afford. Buy Christmas Seals and help stamp out this disease.

Buffalo Coulee

There will be a dance at Buffalo Coulee school on Friday, Dec. 5th Everybody welcome. 21-2

A baby of 3 to 6 months enjoys playing with rattles either plain or dumbbell-shaped type, bright colored plastic toys, rings, teething rings, floating bathtub balls and inflated rubber and plastic animals. At this age they like color and the sensations of touching, shaking and biting.



Lewis W. Simms, St John, N.B. elected President of The Canadian Chamber of Commerce at the organization's recent annual meeting in Toronto is now making plans for the year ahead during which he will contact Boards and Chamber workers, educationists businessmen all across Canada and governments. Simms is business life he is the President and Chairman of the Board of L. Simms & Co. a textile manufacturing firm which was founded by his father in 1872. Mr. Simms has long been associated with the Chamber of Commerce movement in this country and was one of the founders of the Canadian Chamber, Canada's national business organization. A charter vice-president of the Canadian Chamber a past president of the Saint John and Canadian Boards of Trade Mr. Simms has long believed in businessmen taking a direct and personal interest in national affairs. It has always been his philosophy that Canada, and each of its sections, must make progress and prosper together.

Canada's Labour Force

SIXTY-FOUR CANADIANS ARE AWARE of the fact that during the past five years opportunities for employment have changed greatly in this country. During the war, many who had never before worked in industry were drawn into war industries, or into employment left vacant by those who had gone into the armed forces. After the war, the demand for labour in industry remained high due to the great need for civilian goods which had fallen behind in production during the war years. The demand for many types of household equipment for houses and other buildings, for cars and many other items has made the need for labour in industry high on the past ten years.

* * * * *

This Demand Has Remained

This demand has remained in spite of the fact that in the post-war period Canada's armed forces were demobilized and many thousands of service men and women returned to the labour market. In that period too, Newfoundland joined Canada, and there has also been a large flow of immigration, pouring many additional people to work in industry and on the land. A review report made by the Canadian Bureau of Statistics on Canada's labour force at the present time shows that for the first time in history there are more mechanical and manufacturing workers than there are farm workers. During the past ten years, according to the report Canada's total labour force has grown from 4,510,000 to 5,296,153, an increase of 776,000

* * * * *

Are Now Fewer Farm Workers

The increase in the number of industrial workers is not surprising in view of Canada's industrial expansion in the last decade. The trend toward fewer workers on the farms is still a most important factor in our employment while the attractions of urban life, and wages and benefits offered by industry have drawn workers from the land. The report shows that the number of farm workers decreased since 1941 from 1,132,565 to 836,441, while the manufacturing and mechanical group increased from 1,149,921 to 1,481,366. While farm workers are not at this time the largest single group, Canada remains a great agricultural country with a wheat crop which has continued to set records for volume of production. As is the case with the mechanical and manufacturing industries, agricultural productive has been greatly increased, but while there has been heavy demand for farm products. Although the farm labour force has decreased agriculture has shared with other industries the prosperity of these times.

How To Save Money and Get Fast Cough Relief

Here's an old, tested, home mixture you'll use over and over. It's most dependable remedy for distressing coughs. Fast and effective—children like its pleasant taste.

Make a syrup by stirring two cups of sugar into one cup of water until dissolved . . . no cooking needed (or you can use maple syrup or honey instead). Now pour 2½ ounces of PINEX CONCENTRATE into a 16 ounce bottle, and add the syrup you've made. You have 18 ounces of fast acting, pleasant tasting cough medicine, more than you could buy for four times the money, with effective relief for the whole family.

Pinex—a special compound of proven medicinal ingredients—must help you, or money refunded.

PINEX IS EASY TO MIX—
FAST ACTING—EFFECTIVE

WINS FOR CANADA—William R. Ballard of the Canadian Equestrian Team receives the winner's trophy from Mrs. Walter B. Devereux after riding his mount, Rajput, to victory in the International Individual Championship Challenge event at the National Horse Show in New York.

Funny and Otherwise

* * *

He was quarrelling with his wife, and not doing any too well. "You didn't have a rag on your back when I married you," he said, coldly.

"No," she retorted, "but I've plenty now."

* * *

The woman's work that's never done is most likely what she makes her husband do.

* * *

As they prepped themselves against the bar, Jones remarked: "I say, old man, when your wife's away, do you have to tell her everything you do?"

Brown smiled coldly. "It's not necessary," he replied. "She tells me that she always gets a more reliable account from the neighbours."

* * *

Rejected Suitor. "No, no, Joan; don't give me back my ring. After all, what's the use of going to a man with a broken heart?"

* * *

"Look here," said the doctor, "you're only slightly run down. In mid clover you'll be up at one of those snappy resorts, with dancing beauties. It will take your mind off business."

"That's just what it won't do," muttered the patient. "I'm an artificial leg manufacturer."

* * *

"Miss fellow that, but he always lets somebody else pick up the dinner checks."

"Yeah; lifelong impediment in his reach."

* * *

A steel worker's wife, tired of waiting up for her husband, locked all the doors and retired for the night. Before long she heard a loud knocking.

She opened the window and asked her husband where he had been.

"I've been to the Boss's Club, Dear, talking business," he said, by strides.

"Then you can go right back and tell them about the hell-out."

* * *

"I scribbled a few notes for a speech," said a councillor, "and left them by mistake at the chemist's."

"Ah, and he made them up as eye-wash?"

* * *

"Doc, I want you to check these glasses."

"Okay, take them off. Can you see without them?"

"Sure! Listen, doc, without my glasses I can't even hear!"

EAT ANYTHING WITH FALSE TEETH

If your plate wobbles when you eat or speak, sprinkle a little FASTEETH on your upper and lower plates. Holds them more firmly so they feel more comfortable. Does not sour. Checks "denture breath" (dentures odor). Get FASTEETH today at any drug store. Money back if not satisfied. Only 49c and 98c.

Alberta Woman Causes Sensation At Korean Front

(By Bill Boss)

WITH THE CANADIANS IN KOREA.—A good-looking fair-skinned blonde driving through the Canadian sector in a jeep can cause a sensation.

The first soldiers dilate their eyes, gasp unbelievingly and shove back their caps. They shout the word ahead. "Hey, get a load of that jeep —she's white". the road lines. Then troops whistle.

It happened to Mrs. Marjorie Heath of Dunside, Alta.

Mrs. Heath, widow of Capt. John Heath, killed in Korea with the 2nd regiment, Royal Canadian Horse Artillery, in September, 1951, now works in Korea with the United Nations Korea Reconstruction Agency.

While she has been with a film unit in Seoul—not far from the Canadian area—officers of the 25th Brigade, and especially of the 2nd regiment, have been getting a lot of first-hand information about UNRRA during their visits to the capital. (The number of reasons that can be produced to justify a trip down from the front is apparently infinite.)

Invitations to visit the unit increased and multiplied, until finally she said she might go.

What started as a tentative, unofficial acceptance became highly official when a United States army brigadier-general heard of the idea and said he'd give her a lift in his plane.

A jeep was waiting for her at the advanced airstrip and by the time it was climbing the hill into brigade headquarters, officers and men were piling out of the command tents. The brigade major, who hadn't believed his reports, took a casual look out of his caravan window and in the next minute was literally on the wing. Over at the RCRA area, where she lunched at the officers' mess, Mrs. Heath's arrival was a sensation.

Lt.-Col. E. M. D. McNaughton, to whom this had never before happened in quite precisely similar circumstances, who had downed loads to "rubbernecks", "ukay, you wolves, back to work."

To the delight of the regiment, she fired a gun, then went up to the forward area to see a shoot of air-burst shells detonate over enemy positions.

And when it was all over she drove back to the forward air strip, where the brigadier-general was waiting to fly her back to Seoul.

Said the colonel, "she was a tonic."

Dacks Go Far

Dr. Stuart Houston recently received reports of another 31 waterfowl, from banded approximately five thousand banded at Rousay and Leech Lakes near Bertion, between 1944 and 1948.

Sixty-four Mallards were shot in 18 states and two provinces, topped by 13 in Arkansas, six each in Louisiana, Nebraska, North Dakota and Saskatchewan, and five each in Tennessee and South Dakota.

Of three Blue-winged Teal heard from, two reached South America! A Lesser Scaup banded August 19, 1946, was shot November 6 that same year, at "Poapara, Corrientes, Argentina", at an altitude of 1,000 metres. An adult male banded June 19, 1945, was shot in January, 1946, at Lake Lorica, near Cartagena, Capital of the Department of Bolivar, Columbia, S.A.—The Blue Jay.

A FARMER'S WIFE

A farmer's wife, suddenly clothesconscious went to New York and indulged in an orgy of buying. One of the fripperies she were home was a fancy hat, replete with ribbons, fruits and feathers. As she stepped out of her sedan, a gust of wind blew it off her head and sent it whirling toward the bars. Before she could retrieve it, the hired man had dived at it twice and the dog buried it back of the house!

* * *

The plant from which castor oil is obtained is a native of tropical Africa

THRILLS of the ROARIN' GAME

Here are a few timely hints for beginners. And they're every bit as timely for some of the oldsters:

1. Don't push the stone with your broom.

2. Don't cross the rink while an opposing player is about to deliver his stone, and stay close to the side with your broom close to your body, so you will not interfere with the view of the players at the back.

3. Don't touch a moving stone with your broom or body!

4. Don't drop tobacco ashes, matches or cigarette butts on the ice.

5. Wipe your feet before stepping on the ice.

6. Don't stand directly behind an opponent while he is delivering a stone.

7. Don't sweep in the direction a stone is running; sweep crosswise.

8. Don't stand watching the stones on your own side go by; be ready to sweep when told.

9. Don't stand in the house unless you are shipping. Sweepers remain between the rings.

10. Don't enter the house when stones are being measured; the umpire will attend to that.

11. Don't speak to your opponent when he is set to play. Let him concentrate on his shot.

12. Don't kid a player about a bad shot—he feels bad enough.

13. Don't be too elated over a fluke, and don't crow about a bad shot.

14. Clean your stones before every shot.

15. Keep your eye on the broom, as that is the target you are to aim at.

16. Get well set and balanced at the back before starting the motion of delivering stone.

To the above tips, we would like to add a paragraph borrowed from Lawrence's Analysis of the Art of Curling. "Never forget that when a member of a rink begins to feel that he can ship brooms, knows more, and plays better than the skip, he should immediately get off the rink, for he is neither of any use to the rink, the skip, nor to himself."

A NEW IDEA

HORN LAKE, Miss.—Mr. and Mrs. Frank Thomas ran into a wrinkle in hitch-hiking. They passed a boy with a sign reading: "Stop at Bill's 50 yards ahead." Up the road was another boy with a sign saying "I'm Bill". They were hitch-hiking back to college.

Do You Know That . . .

The average adult bat about 30 inches feet of skin, which weighs from seven to 10 pounds.

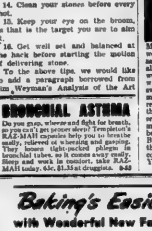
BRONCHIAL ASTHMA

Do you gasp, wheeze and fight for breath, at times, when bronchial asthma is caused by such allergic symptoms? Then try Dr. R. Schiffmann's Asthmador. Its medicated fumes relieve wheezing and gasping. They loosen tight-packed phlegm in bronchial tubes, so it comes away easily. Asthmador's work is instant. Sold R.A.D. MAIL today. 65c, $1.35 at druggists. 9-49

Baking's Easier, Speedier
with Wonderful New Fast Rising Dry Yeast!



CINNAMON BUNS

Measure into large bowl, 1 c. lukewarm water (105° to 115°); stir until sugar is dissolved. Sprinkle with 2 envelopes Fleischmann's Fast Rising Dry Yeast. Let stand 10 min., THEN stir well. Scald 1 c. milk; cool to lukewarm. Add milk, 2 eggs, beaten, ¼ c. sugar, 1 t. salt and 4 c. sifted flour; beat until smooth. Work in ¼ c. soft shortening; cover and let rise in warm place (85°) until double in size, about 1 hour. Combine ½ c. brown sugar, 2 t. cinnamon and ½ c. raisins. Roll dough into rectangle, 18 x 12 inches. Spread with 2 T. soft butter or margarine; sprinkle with brown sugar mixture. Roll as for jelly roll. Cut into 1-inch slices. Place cut side down in greased muffin pans, filling each cup ½ full. Cover and let rise in warm place (85°) until double in size, about 45 min. Bake in moderate oven (375°F.) 25 min. Serve hot, or reheated.

● No more tabling chances with perishable yeast cakes that have lost their leavening power. Get Fleischmann's Fast DRY Yeast. Keeps full strength and active right till the moment you use it. Needs NO refrigeration — keeps safely in your cupboard. Try it for marvellous results in your next baking.

Board of Trade Not In Favor Saturday Garage Closing

The following article was submitted to the Standard for publication by the Vermilion Board of Trade.

The Vermilion Board of Trade at its regular meeting held Wednesday Nov. 26th, noted with considerable misgiving the apparent intention of the Automotive Mechanics Association to ask for a Saturday half holiday in place of the Wednesday half holiday now observed.

Saturday has become the traditional day on which farmers in this district and others visit Vermilion, and being in town that day they rightfully expect all the services and facilities the town affords. If some of these services are lacking that day, for instance garage service, they will go elsewhere for their Saturday shopping, particularly those people who live some distance from Vermilion and who can just as conveniently go to another town.

The Board of Trade feels that the automotive service in Vermilion is excellent, and that it is highly desirable to have it operating at full strength when the most customers are here to benefit by such a service. The garage employees no doubt feel responsible for the success of the business which employs them because that means continued employment, and it is also to say that many contacts profitable to your business, must be made by the sales end of the business on Saturdays, when as many weekly visitors are in town. If these businesses cease to give the service the public wants, then outside customers will go to other towns where they can get this service, and as a result lose out without saying that some of these business may have to sooner or later close, which will mean loss of employment to mechanics and others employed there. The Board therefore, feels that it is just as much to the interest of the employees in the garages, as to the employers, that the maximum of service be given the public, where service, be made available to the public.

It might also be observed that as Wednesday has always been and still is the weekly half holiday in most of the towns in Alberta, naturally enough all sports days, picnics, local tournaments and social activities are planned for that day and the mechanics are cutting themselves out from all such events if they have the Saturday holiday.

Only this fall the Board of Trade was embarked upon a radio advertising program in a further effort to attract more and more people to Vermilion. Such a move as contemplated by the Automotive Mechanics Association will in the opinion of the Board, keep people away from Vermilion instead of bringing them in.

It is therefore, the considered opinion of the Board of Trade, that taking away such a valuable service as that rendered by garages on a Saturday afternoon, would do a great greatly from Vermilion as a shopping and service centre, on the day when far more people are here than on any other single day of the week, and such a move would not only be decidedly detrimental to the garages, and their employees in particular, but to the town of Vermilion and the district in general.

At the present time the Board of Trade has a questionnaire from the Alberta Associated Boards of Trade and Agriculture asking for opinions on various aspects of working hours, half holidays, etc., with a view to gathering information, and then asking the Provincial Government to regulate hours of work which encompasses the half holiday question. It is hoped that some uniformity may come of this so that hours of work and the half holidays will not work a hardship at any point.

Manville Well Yields Gas From Cretaceous Zone

Canpet Explorations Ltd. has made a Lower Cretaceous natural gas discovery at its first exploratory venture in Alberta. Its well Canpet-Fina-Manville No. 1 was drilled on a farmout from Canadian Fina Oil Ltd. In the Manville area of central Alberta, approximately 15 miles west of the town of Vermilion and one mile west of the Manville No. 1 capped potential gas well. Natural gas is in the Lower Cretaceous from 1830 to 2078 feet. A capped gasser to the east found its source in the Colorado zone.

The first tested interval, 2130 to 2078 feet, flowed gas at a measured daily rate of 6,500,000 cu. ft. during the two-hour test flow through a ¾-inch choke. A 1st-minute test of the interval 1810 to 1867 had a daily flow of 1,750,000 cu. ft. with gas recovery of 20 feet of salt water.

Canpet-Manville No. 1 was drilled by Canpet on a 640-acre farmout from Canadian Fina. Canpet will obtain a 50 percent interest in the block by drilling an interval for supplying full test costs.

Islay District Local News

On the evening of Nov. 25th the Standard correspondents met at the Rio to partake of a turkey supper with the Editor and staff as their guests. It proved to be a very pleasant and profitable evening, each one was called upon to speak and remarks made in some instances called forth applause and some laughter.

The scribes are made up of people who had come from widely separated parts, some born in England, others in Holland and Scotland and a number born in Canada, and yet all had so much in common, each one placed considerable value on the Standard.

The World of Wheat

By H. G. L. STRANGE
Director, Research Department,
Searle Grain Company, Ltd.

HOW OLD IS WHEAT?

A high school student studying agriculture has been asked to answer this: "How old is wheat?"

For many years our Research Department has been investigating the history of world agriculture in its several interesting ramifications. The answer to the question is that as no one knows, but the probability is that it is about as old as man. It today, together with oats and barley, rye and flax, grew back traces of themselves at years. The recorded history of agriculture goes back 5000 years; at that remote time the wheat plant, and the plants of all other cereals, were much as we see them today. Modern plant breeders have modified varieties to survive and produce better under varying conditions, but have not essentially changed the nature or structure of the original wheat plant. It is believed, then, to have a great deal of respect for those ancient plant breeders who first produced wheat, and other economic domesticated plants. The study of the ancient history of agriculture is most fruitful, for it must be true that to know the past makes one better equipped to understand our present agriculture, and so to be better able to forecast its future. It is certainly to be hoped that research and study into the past of agriculture will continue.

The Vermilion Standard is quite widely circulated and reaches the homes of a great number of people. It is a "must" with those folks whose homes were previously in Vermilion and district, and others who are now far removed. They enjoy the locals because they contain much of interest and keeps them in touch with friends and neighbors.

So, as Scribes, we one and all try to gather items that will be appreciated.

The Editor and staff do a good job in printing as fine a paper and it is a pleasure to have dealings as our guests.

It was also nice meeting a few folks whom we had not previously met and it was with surprise that the writer met neighbors who are writing for the Standard, being familiar with their columns but not knowing them as such.

It was suggested that if those scribes who were absent on that memorable occasion, would gather with us all this coming summer that a similar social could be held. How about it folks, let's plan ahead!

Mrs. F. Goldy and daughter Barbara were guests at the writer's home on Nov. 22. They spent the entire day, with Percy joining them at the evening meal.

The writer spent an afternoon at the home of Mr. and Mrs. J. Gould recently and found Jimmy on the road recovering from a sick spell. So glad to hear there is improvement since we were there today. Modern plant breeders have modified varieties to survive and produce better under varying conditions, but have not essentially changed the nature or structure of the original wheat plant. It is believed, then, to have a great deal of respect for those ancient plant breeders who first produced wheat, and other economic domesticated plants. The study of the ancient history of agriculture is most fruitful, for it must be true that to know the past makes one better equipped to understand our present agriculture, and so to be better able to forecast its future. It is certainly to be hoped that research and study into the past of agriculture will continue.

It is therefore, the considered opinion of the Board of Trade, that taking away such a valuable service as that rendered by garages on a Saturday afternoon, would do a great greatly from Vermilion as a shopping and service centre, on the day when far more people are here than on any other single day of the week, and such a move would not only be decidedly detrimental to the garages, and their employees in particular, but to the town of Vermilion and the district in general.

At the present time the Board of Trade has a questionnaire from the Alberta Associated Boards of Trade and Agriculture asking for opinions on various aspects of working hours, half holidays, etc., with a view to gathering information, and then asking the Provincial Government to regulate hours of work which encompasses the half holiday question. It is hoped that some uniformity may come of this so that hours of work and the half holidays will not work a hardship at any point.

Kitscoty News

Mrs. Dirk Bontenson of Edmonton is spending a holiday with her daughterr Mrs. C. K. Miller and Mr. Miller.

Mrs. J McCrory was a week end visitor to Edmonton where she visited her daughter Sheila, a student at Alberta college. On Saturday she and Sheila attended the Edmonton Civic Opera presentation "Song of Norway."

Mrs. A. McGlaede and Linda are in Edmonton visiting Mrs. McGlaede's father, Mr. Swanson of Rib-stone, who is in hospital there.

Mr. John Browne has returned home after spending a very enjoyable four month holiday in England. He reports that they've already begun to decorate in London for the Coronation next June. He further mentions that he is glad to return to Alberta weather, as the summer and fall weather there was very damp and chilly—the nicest weather he enjoyed being one week spent in London when it rained only one day.

Recently Mr. and Mrs. Earl Phillips entertained Mr. Phillips' brother and family at Edmonton for a brief holiday.

Mrs. Ralph Small and girl- have left to join her husband LAC. Small at Macleod

Mr. and Mrs. George McTaggert spent Saturday visiting their daughter and family in North Battleford.

Mr. Jr hn Dzus of Portage la Prairie, Man., is visiting his brother Mr. Fred Dzus, Mrs. Dzus and Peter.

Miss Mary Manson has accepted a position as clerk in V. C. Sturdy's general store.

Mr. and Mrs. Mike Zuk and Steve have left to take up residence in Vegreville where Mr. Zuk will have a new position with the C.N.R. They have resided here for the past 10 years and the best wishes of the town and district go with this fine family to their new home.

Mrs. Lee Bouvier of Jasper is here visiting relatives and friends.

A hearty welcome is extended to Mr. and Mrs. Kay and family formerly of Vermilion, who are living in the P. Loveless house.

We hope the following folks are much improved in health: Mrs. W. G. Stewart, Mr. and Mrs. C. K. Miller, Mrs W. G. Apperson, Mrs. J. Batty, and to Mr. Fred Dzus, who at present is in Edmonton having a medical check-over.

Curlers please note! There will be a men's curling meeting Monday Dec. 8th in the curling rink. Ice is expected to be ready so bring your rinks.

Miss Vera Williamson Becomes Bride of William James Keel

Tall baskets of mauve and white chrysanthemums were placed at the altar of St. Stephen's church, Mount Newton Crossroad, and guest pews were marked with colonial bouquets of chrysanthemums for the wedding of Dorothy Vera William son and William James Keel. The Rev. E. H. Lee officiated for the daughter of Mr. and Mrs. Thos. Williamson, West Saanich Rd., Brentwood, and the son of Mrs. Thomas Keel, Doe Bay, Wash., and the late Mr. Keel.

Given in marriage by her father, the bride was charming in a gown of white satin, featuring full skirt draped in front at either side to reveal a lace insert and extending into a sweeping train at the back. Her lace trimmed veil of illusion net, cascaded from a tiara to train. Caught in she carried a shower bouquet of pink roses and gardenias.

Miss Cynthi. Graham, maid of hon r, wore pale green tulle over taffeta, the strapless bodice topped with matching bolero. She had a shower bouquet of bronze and yellow chrysanthemums.

Junior bridesmaid, Miss Bonnie Pocock, niece of the bride, was in a bouffant frock of blush pink tulle over taffeta with bouquet of pink carnations and white chrysanthemums. Mr. John Keel, was best man for his brother and ushers were Mr. Larry Harrison and Mr. Thomas Lavender of Seattle.

The bride's godfather, Mr. John Bellington, proposed the toast at the reception held at the home of her parents. Servitours were Mrs. R. Aikin, Mrs. H. Tregallis, Miss Freda Sutherland and Miss Wilma Cann.

Mr. and Mrs. Keel left for Seattle and flew to Sarnich, Mich., from where they ary motoring through Chicago and the eastern States to Florida, Texas and California. They will make their home in the U.S.

For going away the bride wore a softly tailored grey English flannel suit, topped with a full length orchid-lined coat, navy accessories and an orchid corsage.

—Victoria Daily Colonist.

WILDMERE WINKS

(Held over from last week due to lack of space.)

Mr and Mrs. J. Wilson and Mr and Mrs. Albert Hulse and Dale attended the Morrison-Malik wedding on Monday. Jack is a nephew of J .Wilson and Mrs. Hulse.

Congratulations to Mr. and Mrs. Jack Morrison for a long, happily married life. They were married in Vermilion on Nov. 24th.

We wish to extend our congrats to Mrs. Hilcox on being the winner of Casino. It had us guessing as to what it might be.

L. Graham visited a couple of days last week with his brother Earl at Calgary and a couple of days with his sister Mrs. Walling ing.

A collection of $30 was taken to further this work in the Edmonton Cerebral Clinic.

After a recitation "Not Understood" by Mrs. R. Legg, and a solo "Danny Boy" by Miss B. Phillips, lunch was served by the Birch Creek W.I.

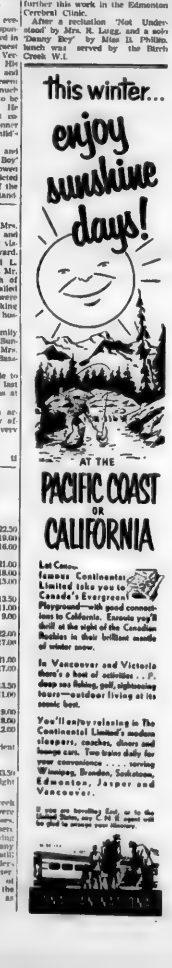
Films on Cerebral Palsy Shown At Mannville

MANNVILLE. On Tuesday evening, the Birch Creek W.I. sponsored a program to a large crowd in the school auditorium. The guest speaker was Mr. Bentley of the Vermilion school of agriculture. His address "Cerebral Guidance and Teen Agers' gave those present much food for thought. Too much money causes too much time to be spent in the wrong activities. He stressed the value of parent co-operation and the value of dinner table talk in determining the child's character.

Two very fine films 'Search' and 'The Life of a Cerebral Palsy Boy' were shown. These films showed that life for children so afflicted could be made much happier if the public would be more understanding.

A collection of $30 was taken to further this work in the Edmonton Cerebral Clinic.

After a recitation "Not Understood" by Mrs. R. Legg, and a solo "Danny Boy" by Miss B. Phillips, lunch was served by the Birch Creek W.I.



Canadian Infantry...

OUTSTANDING WHEREVER THEY SERVE

Skilled, tough and proud of their reputation, Canadian Infantrymen are the finest fighting soldiers in the world. They are the top men in the Canadian Army. Modern developments have only made the job of Infantry more complex, demanding careful training in many fields.

Wherever they have served, Canadian Infantrymen have distinguished themselves. Today, in Korea and Germany, Canada's Infantry Soldiers are once again demonstrating their superiority.

The Canadian Army needs more of these men. Canada needs more of these Infantry Soldiers to help maintain our security, to help ensure our future. If young men with the spirit of adventure, there is challenge and satisfaction in serving with Canada's world-famous Infantry.

You are eligible *if you are 17 to 40 years of age, physically fit and you meet Army test requirements. Applicants should bring birth certificate or other proof of age when reporting for interview.*

Roddy MacMillan is planning to start a class to teach boys from 5 to 16 years to play the bagpipes. All interested may contact Roddy at the Legion hall on Thursday Dec. 11th at 7:30 p.m.

George F. Dollman left Sunday night Nov. 23rd via Wainwright for Youngstown, Ohio, U.S.A., his old home town. He came to Vermilion in 1906 and this is the first time that he has been back to his native haunts.

Mrs. Milton Farrell entertained a number of relatives and friends at a turkey supper on Sunday, Nov. 23rd, the occasion being Gertrude's 11th birthday.

Tom Gould of Victoria B.C. drops the Editor a line and says in part: "We enjoy having the Standard each week, keeping us posted on Vermilion and district news. It is like an old friend dropping in to see us each week and taking over old acquaintances. After reading it we pass the paper on to others who are interested. We note that there is a good crop and good and good weather to harvest it. Our summer has been warm and dry but very pleasant. Fruit crops have been very good also. Stores are ready for the Xmas trade and Santa is already here. Minimal regards and seasons greetings to everyone there." Incidentally Tom Gould has been a subscriber ever since the first issue of the Standard back in 1909.

A lady probably well known here is Inlay people, Miss Agnes McKee, 88 years of age, passed away at the Agnes Parker Lodge, Fort Saskatchewan. For many years she was matron of the Provincial Girls' Home at Vegreville. She visited her sister, Mrs. (Rev.) W. T. Cronib at Inlay frequently when the family lived there. The deceased is survived by her sister Mrs. Cronib living at Ft. Saskatchewan.

For Expert Hair Dressing, Permanents, waving — See Miss A. Hofbauer at her Beauty Parlor, one door north of the Frances Public Service office. Jan28pd.

Christmas Seals were first an'd to fight tuberculosis in Denmark in 1904, last year 29 countries held Christmas Seal sales as a means of raising money to help prevent tuberculosis.

Will See Coronation

Anne Garnett from Vermilion and Betty Schumacher of Wainwright, who are both members of the staff of the Wainwright municipal hospital, are sailing for England on Dec. 17th. They are leaving from New York on the Queen Elizabeth. They both plan to work in England and yet see as much as possible of Britain and the Coronation. The girls plan to stay a year but do not want to commit themselves as it depends on how well they like the country.

A. N. Garnett left Wednesday for Hay River, N.W.T. where he will again join the Inspection Branch of the Canadian Dept. of Fisheries. He will remain there during the winter fishing season of 4 months. Life is a bit rugged in the north but the experience is interesting and worthwhile.

Ken Miller Attending Moose Jaw Tech. School

Ken Miller spent the past week at his home in town, leaving again on Tuesday evening for Moose Jaw where he will attend Technical School. He will spend the next 4 winters learning the fine points of working ano of natural gas installation, both on a town-wide and individual consumer scale, and laying of oil pipe lines. Ken was employed by Preston-Clarke Ltd., tractors for Oil Pipe Lines and Gas Distribution systems and for the past summer worked at Dawson Creek and Fairview. One of the partners of the company is Mr. Clarke who during winter months lectures at the Moose Jaw Technical school. Mr. and Mrs. Clarke passed through Vermilion on Tuesday by car, picking up Ken here.

Sadie Hawkins Week Enjoyed At Derwent

DERWENT. — The Derwent Students' Union held its Sadie Hawkins' week commencing Nov. 23rd. A party in the school auditorium started the week off with a bang. Special rules were observed by all high school students. The main causes of laughter were the boys wearing one earring and the girls wearing their father's flashy ties. Penalties of a nickel per rule had to be paid every day by those who did not adhere to the rules and the Sadie Hawkins week turned out to be a great success.

Special Dance In New Armouries Dec. 9th

The Reserve Army Unit is presenting a dance in the armories on Tuesday evening, Dec. 9th. This features a popular orchestra of army and air force personnel from Edmonton. There will be novelty dances, spot dances, with many prizes given away. Modern and old time music will be played. A lunch will be available, served by the ladies.

Admission to this big dance will be $2 per couple and it is hoped that everyone will turn out for this early pre-Christmas celebration. 22s

Vermilion River M.D. Representatives At Civil Defence Exercise

Preparations are going ahead for the Civil Defence Exercise for the City of Edmonton and surrounding municipalities, which is scheduled for Dec 6 and 7 in the Legion hall, Edmonton. Members of Provincial Services staff are co-operating with the Edmonton Civil Defence organization in planning this exercise.

Representing towns and villages and the M.D. of Vermilion at the short course will be George Martin, Joe Batty, Allen Batty, M. Greitzer, Andrew McGladdy, Albert Hosack and H. J. Payne.

Grant McEwan Addresses Vermilion Board of Trade

Mr. Grant McEwan of Calgary, former Deputy Minister of Agriculture for the University of Manitoba, and now with the Canadian Council of Beef Producers, was the guest speaker at the Vermilion Board of Trade on Wednesday. Mr. McEwan was introduced to the gathering by Mr. S. C. Heckbert, secretary-manager of the Vermilion Agricultural Society. Mr. McEwan is also the author of several books on agriculture and history.

In his address Mr. McEwan stated that the association which he represented had the interest of cattle producers at heart and endeavored, to promote the industry apart from any government assistance. He stated, for example, that the association had been doing everything possible to promote increased domestic consumption of beef to offset the loss of the U.K. and said that the outbreak of the foot and mouth disease in Saskatchewan. He said that there had been an increase of some 13% in consumption of beef since last year, which he felt was in some measure due to the efforts of the association. Mr. McEwan expressed his pleasure at being present at the Board of Trade gathering, stating that the last Board of Trade meeting which he had attended was in a city on the extreme eastern coast of Canada, and that it was peculiarly enough the appearance of the members attending on that occasion, that the same faces, problems and projects, were very similar to the same problems and attention of the Vermilion Board at this time.

Reichenbaugh-Hanna Wedding At Islay United Church

On Nov. 7th Miss Barbara Hanna, daughter of Mr. and Mrs. Charles Hanna of Islay, was united in marriage to Mr. Glen Reichenbaugh, son of Mr. and Mrs. Reichenbaugh of Marwayne. The Rev. Charles Cook officiated. Mrs. Lila Waterfield played the wedding music and Mrs. Milo Hodgson sang "The Lord's Prayer."

The ushers were Wm. McGrath and Ken Hanna, cousin of the groom of Marwayne, cousin of the groom.

The bridesmaids were Miss Norma Hanna, sister of the bride and Miss Eleanor Parrish of Edmonton. Assisting the groom were Fred Eigert and Fred Reichenbaugh of Edmonton.

The bride was charming in a floor-length gown of white satin and lace over a net base, with fingertip veil held in place by a satin bow. She carried roses and a white zippered bible gift of the groom in which ribbon bows were written.

Miss Sadie Astley Norma was dressed in blue falcon crepe, floor length an., with three tiers. She carried a bouquet of roses and carnations. Miss Pam Parrish wore a pink taffeta dress and brought with her mums, carnations and roses. Their veils were elbow-length.

A reception was held at the home of the bride's parents. Serving were Mrs. Miss Hodgson of Derwent, Mrs. Barry Hanna of Edmonton, sister of the groom, Mrs. Headley Smith of Edmonton, cousin of the bride, Mrs. Norma Hanna of Islay and Mrs. Denise Rindahl of Islay.

The toast to the bride was proposed by Mr. Fred Eigert, to which the groom replied.

Miss Reichenbaugh number of the guests were invited to Marwayne and the Reichenbaughs attended the wedding of their son.

The happy couple will make their home in Edmonton.

Official Opening New Library Planned By The I.O.D.E.

On Friday evening Dec. 19th at 8 o'clock, the Vermilion public library will be officially opened by His Worship Mayor Heckbert. Mr. J. W. G. Morrison, Q.C., will give a message from Mr. George W. Whitnell, former Vermilion citizen, whose generosity has made this building possible. Everyone is cordially invited to attend this function.

The Frog Lake Chapter I.O.D.E. will have a lunch table for your convenience. Proceeds will be for new books.

In order to continue a good up-to-date, progressive library more members are needed. Mrs. Long and Mrs. Carroll will be there to accept your fee of $1 for adults, 50c for juniors. Membership fees make possible the purchase of new books.

At the present time the library contains 80 new books consisting of fiction, autobiographies, travel and mysteries. There are also 80 boxes of new books for our junior readers.

Show your interest in having a fine library in town by attending the opening, and becoming a library member.

Scout, Guide, Brownie, Cub Work Discussed

Boy Scout Association Holds Annual Meeting

The Vermilion Boy Scouts Association annual meeting was held in St. George's Lower Deck on Dec. 1 at 8 p.m. Twenty parents and citizens attended. The meeting was conducted by Mr. E. M. Stewart, President of Association.

Minutes of the preceding annual meeting were read and adopted on motion of Mrs. Greenwood and Mrs. Acheson.

The financial statement from Apr. 30, 1951 to Apr. 30, 1952, was read and adopted. The year started with a bank balance of $213.55, with receipts in the amount of $208.15 taken in. Expenses in the amount of $203.20 took savings and the balance of $180.37 on hand. Motion to adopt by Mr. Roebuck and Chas. Heckbert was carried.

President's Address

In the President's address Mr. Stewart reviewed the initial organization of the Boy Scout troops, the branching out process which added two Cub Packs and two weeks, and the organization of Brownies and later Guides in Saskatchewan. He stated that there had been an increase of some 13% in consumption of beef since last year, which he felt was in some measure due to the efforts of the association. Mr. McEwan expressed his pleasure at being present at the Board of Trade gathering, stating that the last Board of Trade meeting which he had attended was in a city on the extreme eastern coast of Canada, and that it was peculiarly enough the appearance of the members attending on that occasion, that the same faces, problems and projects, were very similar to the same problems and attention of the Vermilion Board at this time.

Reichenbaugh-Hanna Wedding At Islay United Church

On Nov. 7th Miss Barbara Hanna, daughter of Mr. and Mrs. Charles Hanna of Islay, was united in marriage to Mr. Glen Reichenbaugh, son of Mr. and Mrs. Reichenbaugh of Marwayne. The Rev. Charles Cook officiated. Mrs. Lila Waterfield played the wedding music and Mrs. Milo Hodgson sang "The Lord's Prayer."

The ushers were Wm. McGrath and Ken Hanna, cousin of the groom of Marwayne, cousin of the groom.

The bridesmaids were Miss Norma Hanna, sister of the bride and Miss Eleanor Parrish of Edmonton. Assisting the groom were Fred Eigert and Fred Reichenbaugh of Edmonton.

The bride was charming in a floor-length gown of white satin and lace over a net base, with three tiers. She carried roses and a white zippered bible gift of the groom in which ribbon bows were written.

Miss Sadie Astley Norma was dressed in blue falcon crepe, floor length an., with three tiers. She carried a bouquet of roses and carnations. Miss Pam Parrish wore a pink taffeta dress and brought with her mums, carnations and roses. Their veils were elbow-length.

A reception was held at the home of the bride's parents. Serving were Miss Miss Hodgson of Derwent, Mrs. Barry Hanna of Edmonton, sister of the groom, Mrs. Headley Smith of Edmonton, cousin of the bride, Mrs. Norma Hanna of Islay and Mrs. Denise Rindahl of Islay.

The toast to the bride was proposed by Mr. Fred Eigert, to which the groom replied.

Miss Reichenbaugh number of the guests were invited to Marwayne and the Reichenbaughs attended the wedding of their son.

The happy couple will make their home in Edmonton.

Financial Statement

The financial statement was given and filed.

Provide Uniforms

Mrs. Floyd Bottorff, representing the Auxiliary to the Brownies and Guides, reported that their organization had undertaken to provide uniforms, 12 had been made so far and plans were underway for 12 more. Costs would be around $7 for approximately one-half the retail cost, thus effecting a substantial saving.

This completed the reports of leaders and supporting organizations. Mr. Stewart proposed a vote of thanks to those reporting, and to their committees for time and service given. The motion was enthusiastically endorsed by the meeting.

Appreciate Help of Elks

A vote of thanks was tendered to the Elks on motion of Mrs. Smeltzer and Mrs. Grace Stewart for the excellent floor and accommodation provided at the Scout hall, and the secretary was instructed to convey the sentiments of the meeting to the Elks by letter.

The Province's E. M. Stewart announced the appointment of Jean and Gordon Ross to the position of Honorary Field Commissioner by the Provincial Headquarters of the Boy Scouts Association of Alberta.

In acknowledgment Field Commissioner Ross expressed his intention of encouraging the formation of scout troops in the towns, villages and hamlets in the surrounding area and hoped that the added interest created thereby might lead to the holding of a district jamboree where the public might view in a big way the results of the Scout training.

Mr. Chas Heckbert Resigns

A letter of resignation from Scoutmaster Charles Heckbert was read. Mr. Stewart in regretfully accepting this resignation paid high tribute to the calibre of leadership, and devotion to duty that had highlighted Mr Heckbert's duties with the Vermilion Troop. After almost seven years of service it was only fair to accede to his request. It was moved by Mr. Ross, seconded by Mr. Leversedge that we accept the resignation of Scoutmaster Heckbert with regret, with the hope that he will continue in his duties until the necessity to terminate his contact with the troop can no longer be postponed. As a token of esteem, and appreciation of his most excellent able services, Mr. Ross presented him with the "Thanks" badge on behalf of the Association.

Mrs. Mistyuk requested suitable storage space for Guide flags, and it was suggested that the space now occupied by band instruments, might be made available for the purpose. Mrs. Smeltzer stated that some of the keys to the front door were difficult to operate and suggested that the matter be remedied.

It was also suggested that a trailing writing shelf be provided that would fit on the wall, and fold out of the way when not in use.

Mr Heckbert announced that the Union Jack belonging to the Scout troop had gone astray and that the Legion auxiliary had presented the troop with another and that the gift had been acknowledged.

Election of Officers

President—Mr. E. M. Stewart
Vice-Pres.—Mr. Gordon Ross
Sec.-Treas.—W. Roebuck
Executive — Chas. Heckbert, Mr. Kibblewhite, Fred Leversedge, Mrs. Acheson.

New Business

The matter of changing the name of the sponsoring local organization with a view to including the girls' groups in the title was discussed and action deferred pending receipt of an opinion from the provincial headquarters re authority to act on the suggestion.

date, progressive library more members are needed. Mrs. Long and Mrs. Carroll will be there to accept your fee of $1 for adults, 50c for juniors. Membership fees make possible the purchase of new books.

At the present time the library contains 80 new books consisting of fiction, autobiographies, travel and mysteries. There are also 80 boxes of new books for our junior readers.

Show your interest in having a fine library in town by attending the opening, and becoming a library member.

The ushers were Wm. McGrath and Ken Hanna, cousin of the groom of Marwayne, cousin of the groom.

The bridesmaids were Miss Norma Hanna, sister of the bride and Miss Eleanor Parrish of Edmonton. Assisting the groom were Fred Eigert and Fred Reichenbaugh of Edmonton.

The bride was charming in a floor-length gown of white satin and lace over a net base, with three tiers. She carried roses and a white zippered bible gift of the groom in which ribbon bows were written.

Miss Sadie Astley Norma was dressed in blue falcon crepe, floor length an., with three tiers. She carried a bouquet of roses and carnations. Miss Pam Parrish wore a pink taffeta dress and brought with her mums, carnations and roses. Their veils were elbow-length.

A reception was held at the home of the bride's parents. Serving were Miss Miss Hodgson of Derwent, Mrs. Barry Hanna of Edmonton, sister of the groom, Mrs. Headley Smith of Edmonton, cousin of the bride, Mrs. Norma Hanna of Islay and Mrs. Denise Rindahl of Islay.

The toast to the bride was proposed by Mr. Fred Eigert, to which the groom replied.

Miss Reichenbaugh number of the guests were invited to Marwayne and the Reichenbaughs attended the wedding of their son.

The happy couple will make their home in Edmonton.

Home and School Endorse High School Year Book Plan

PROJECT SECONDARY AT HOME & SCHOOL MEETING

The high school group at the Home and School meeting on Monday evening went on record as approving the plan of the students to publish a printed year book for 1952-53. A published year book 3 years ago cost $650.

Plans were laid before the business session of the high school group by a four of the students, Miss Shirley Sutherland, Editor; Miss Ann Martin, President of the Students' Union; Larry Nelson, business manager and Bob Bentley, sports representative.

The students themselves greatly desired a printed year book in place of the mimeographed volume of a year ago. As the undertaking requires a considerable sum of money they wished in assisting the general public could be expected to support them with advertising, also if the financial happened that there was a deficit, would the parents or members of the Home and School be prepared to meet the de-ficit.

After considerable discussion, examination of printed and mimeographed volumes, a good many questions and answers, which were clearly indicated that the Students' Union had given everything careful consideration to each angle of the project, a motion was passed unanimously approving the plan.

Hockey Practices To Start Friday

The first hockey practice for the Tigers will be held Friday at 7:00 p.m. Coach Elmer Kreller is anxious to have everyone out as only a few days remain to organize the team. The first league game is on Wednesday Dec. 17th.

Farmers 'Spiel Jan. 2 and 3

Hold everything! Vermilion annual Farmers' Bonspiel will be held on Friday and Saturday Jan. 2 and 3. More details next week. Plan to attend — a warm welcome to all.

C.C.F. To Organize At Viking December 20

The C.C.F. for the Battle River-Camrose constituency will hold an organization meeting at Viking on Saturday Dec. 20th at 1 p.m. C.C.F. members are invited to attend.

Besides being an organization meeting the further business of arranging for a nominating convention to be held at a later date will be decided.

Jr. Turkey Clubs To Hold Auctions

IN VERMILION, MARWAYNE

The Boys' and Girls' Turkey clubs at Marwayne and Vermilion are holding their achievement days next week. The dates are as follows:

Marwayne Tuesday, Dec. 16th at 3:00 p.m. in the Community hall.

Vermilion Wednesday, Dec. 17th at 1:00 p.m. in the Elks hall.

The 42 boys and girls in these two clubs will show 2 live turkeys and 2 dressed turkeys each. They will also bring in about 20 dressed turkeys for sale. This presents a fine opportunity for the Marwayne and Vermilion districts to buy their Christmas turkeys by auction.

A vote of thanks was moved by Mr. Caputes for the use of his basement room for the annual meeting.

Qualified Examiners

Mr. Heckbert was appointed a committee to act on the suggestion that qualified examiners be secured to conduct tests for leaders involving technical information that the commissioners and leaders would not be expected to have. It was also passed that the names of such examiners be supplied the Association secretary, so that letters of thanks could be forwarded.

Mrs. Reid suggested that a name be chosen for the Scout hall and that a sign be erected proclaiming the name. Mrs. Smeltzer, Mr. Ross and Mr. Heckbert were appointed a committee to further the suggestion.

Publicity

The suggestion was made that the matter of establishing a weekly column in the Standard announcing Scout, Cub, Brownie and Guide activities was adopted, with each group delegated to appoint a press representative. If the suggestion proved acceptable and practical to the Standard editor.

Hockey League Opens Dec. 17

VERMILION'S FIRST HOME GAME SATURDAY, DEC. 20

The New Eastern Alberta Hockey league launches into the season's activity on Wednesday Dec. 17th with the Vermilion Tigers playing at Vegreville, and the Wainwright Comnandos travelling to the new entry in the league, Viking.

The local opener is billed for Saturday night when the Viking Lions make their first appearance on Vermilion ice to tangle with the Tigers. On the same evening Wainwright Commandos play host to Vegreville Lions.

Little is known of the potentialities of any of the teams. No practices have been held here but the arena opens for the season Thursday night when the "Ice Factory of '53" will play to a sell-out house. Hockey practices will then follow nightly. In order that Coach Elmer Kreller may have a chance to line up all the local help available.

Vermilion also gets a game on Saturday Dec. 27th when the Commandos appear on Vermilion ice.

Hockey Boosters Selling Tickets

Tickets are on sale for the hockey Booster Club draw—and a number will be drawn each month of December, January and February. Get your tickets now as there are only 1000 to be sold. This is the only appeal to the public being made by the hockey club and it is hoped that everyone will support the effort. The first draw will be made on Saturday Dec. 27th at the hockey game, Wainwright. It be worth $500 anytime but particularly right after Christmas!

High School Leads Eventful Life In Last Two Weeks

On Friday night Nov. 28th we packed up a number of girls in square dance skirts and drawstring blouses and boys in cowboy shirts and checked shirts for a hoe-down held at Mannville. To make up for pounds lost in dancing the schottische, the minuet, the square dances etc. they served us do-nut-a-la-mode. Mmm, I'll have another one. Thanks L. Mannville, Mannville, and don't forget for the next time you have another con.

We slept in on Saturday, the 29th but got up in time to see the boys wrestle for the tournament and Vermilion's WHS proved to be the boys to beat. The boys who went to Provost by a two point margin. Wainwright WHS proved to come out on top as did the Vermilion girls.

The next week, Friday, Dec. 5th, three Vermilion girls teams came up for a triple-header held in the armories.

Vermilion's only victory came early when WHS Junior boys defeated WHS Junior

RESERVE ARMY

Notice to all ranks: Pay parade is called for Sunday Dec. 14th at 1300 hrs. Everyone is expected to attend in uniform.

80 Turkeys Won in Shoot

The turkey shoot held last Saturday was the most successful held in Vermilion for a number of years. There were over 300 targets and 80 turkeys were given away. The local Reserve Unit, officers and men, wish to thank the general public for patronizing the effort and making the work worthwhile.

The Unit has recently purchased a new piano and part of the proceeds from the turkey shoot will help pay for this.

It is planned to hold a special Xmas banquet this year for the members of the Unit and further information on this will be given at the next parade.

Notice re Memorial Donations to The Cancer Fund

It is the request of the local Vermilion Cancer committee that once again a notice be submitted to the good people of Vermilion and district, asking that co-operation be given in sending donations for the Cancer fund to Mrs. M. P. Disney. Phone orders cannot be taken for this results in delay in the receipt of monies, and causes Mrs. Disney to reimburse the fund, as she has to issue receipts right away, when the donation is made. Please arrange to have someone take the donation there in person. Receipts can not be issued for donations of less than $2, and then only one receipt only, group donations will be acknowledged to the authorized representative only.

Death of Mrs. Julia Suckely At Mannville

MANNVILLE — Mrs. Julia Suckely, beloved wife of Alec Suckely, passed away in the University hospital, Edmonton, on Monday, Dec. 8th. She was 48 years of age.

Mrs. Suckely was born in Hungary, and came to Canada only four years ago. She and Mr. Suckely were married two years ago. She leaves to mourn her loss besides her husband, one son by her first marriage, Paul and Emery in this country, and one daughter and one son still in the old country.

The funeral was held on Thursday morning from St. Anthony's church.

ISLAY NEWS

The skating rink was opened last week, needless to say the children are enjoying these fine mild nights. Hockey is practised by them Tuesday and Thursdays. Dinner is eaten on the jump—at least the last few times.

These bright street lights really show up the trees nights. That one in front of Gordon Turner's home showed us a couple of elderly ladies wending their way, south, ward bound, and at 11 o'clock. Isn't that quite late Mrs. Fain and Mrs. Hollingsworth? Anyway, we are happy to see you so able to be out.

Miss McFadyen, you should have written Saturday night and had the bag of 'mixed in the shell' peanuts was covered. They were good. You should see Harry Young now and envy. These are new on the market.

Mrs. Biddy Moore was at Drumheller attending the funeral of her nephew Ian Forsythe.

Mr. and Mrs. Jim McClelland have returned after visiting in Victoria, B.C.

Mrs. Mary Armstrong of Smoky Rock Falls is visiting her parents Mr. and Mrs. Neil McEachen.

Please Send your News early!

Lloydminster Group Present Mental Health Play

The Lloydminster Home and School Association presented an interesting mental health play on Monday, Dec. 8th in the public school during the regular meeting of the Vermilion Home and School Association. After the play the parents and the teachers broke up into two groups to discuss it. The high school section of the meeting met with the students who came to present their views on a printed year book. It was decided that a printed year book would be backed by the parents and that it was a fine thing for students to come to the parents with their problems. After the meeting lunch was served by Mrs. J. Wright and her group of ladies.

The mental health play displayed some very fine acting on the part of the Lloydminster players, a cast of three adults and two children. In the play we saw presented the problems of bringing up children, around the age of ten. The father, a very average business man, comes home to find that his son is missing. He telephones the police but they are not able to locate the missing child. After some suspense the lad returns home, none the worse for the experience, and a scene follows. A girl of about the same age also comes in and from the two we learn that the boy had a ride on a freight train and had to walk back. The boy's father is advised by his aunt about how to deal with children of that age. Her main idea was that children need love and understanding and companionship of both parents.

The play was capably directed by Miss Bertha Archer assisted by Miss L. Pope. The members of the cast were Mr. Les Robertson, Mrs. L. Drennan, Freddie Baynton, Mrs. W. Klimak and Pamela Brown. All of the roles were exceptionally well portrayed and the play gave every person present considerable thought provoking material.

Another interesting item on the agenda of the evening was a report of the fall conference given by Mrs. M. Bowker, who was present at most of the sessions when the conference was held at the Vermilion school of agriculture.

Visiting Churchmen Visit Mannville

MANNVILLE — On Wednesday, Dec. 3rd the United church at Mannville was visited by a delegation of two ministers and two laymen from the St. Paul United Presbytery. All charges in this Presbytery have been similarly visited in accordance with the suggestion made at the spring meeting of the Alberta conference of the United Church of Canada, held at Lethbridge.

The delegation was composed of Rev. Norman Knight, Mr. Hillsiker of Viking, Rev. H. W. Inglis, Mr. Knudson of Irma. During the afternoon the delegates visited in the homes of some of the members and were entertained at dinner in others.

During the evening a service of worship was conducted by the visiting ministers. Following the service the delegates met with interested members of the congregation for a discussion of matters pertaining to the Charge and brief social hour.

Elevator Agents To Enjoy Xmas Vacation

Elsewhere in this issue the elevator men are announcing that the elevators will close on Tuesday evening Dec. 23rd and remain closed until Monday morning Dec. 29th. This will make a nice break for the week and relieve farmers and truckers from any hauling worries during the festive season. 23-4

Board of Trade to Arrange Hockey Team Transportation

The regular meeting of the Board of Trade was held Wednesday with the President G. W. Sutherland in the chair and 20 present.

Mr. N. N. Bentley introduced Mr. Angus MacMillan. The Rev. Mr. Berg introduced the Rev. Mr. Wm. Straus from Three Hills and formerly of San Diego, Calif.

A Christmas greeting card from Sr. Captain and Mrs. Stewart, in Africa, was read and the secretary was instructed to acknowledge the card.

The matter of the questionnaire submitted by the Associated Boards of Trade and Agriculture re retail working hours was tabled for report to the next meeting as the chairman of the Retail section, Mr. Miller, was not present.

Mr. Buckingham asked that all members endeavor to sell tickets to the Farmers' dinner.

A letter from the Robert Fair, M.P., dated Nov. 29, 1952, regarding on his efforts to have a new post office building here, was read and the secretary instructed to acknowledge same with appreciation.

Dr. A. Ben King expressed the pleasure of all members in the honor which had been extended to Mr. Buckingham in having been awarded a free trip to Winnipeg to the Weed Conference being held there. Mr. Buckingham won this award by an essay he submitted on Weed Control in the Vermilion district.

A hearty vote of thanks was extended to Mr. L. Miller for his efforts in regard to the radio advertising of the town and the excellent results achieved.

The president stated that he would appoint a committee to arrange for the transportation of hockey players in time for the first game the evening of Dec. 17th.

Mr. Ashley Cooper read the club calendar and the meeting adjourned

Christmas Seal Sale Above Last Year

TITLE: $50,000 SHORT

Christmas Seal returns for Edmonton and Northern Alberta have now reached $35,500 which is still just a little ahead of the same period last year, it is reported by D. H. Bowen, chairman of the Edmonton Kinsmen Club Christmas Seal committee. Mr. Bowen pointed out that this is still $50,500 short of the $86,000 objective.

Alberta Tuberculosis Association officials report the provincial total now stands at $792,500 towards the objective of $210,000. The Association stresses that the Christmas Seal sale is the only appeal it makes and that no other funds are available for all its anti-tuberculosis work which includes many preventive services such as the mobile chest X-ray units, special X-ray installations for routine chest X-ray of hospital admissions, tuberculin testing and health education, as well as a complete rehabilitation program and extensive nursing and welfare services.

Dr. Robert Dickey, general secretary of the Association, declared that tuberculosis is still far from defeated, though spectacular progress has been made in recent years. TB killed more than 3400 Canadians last year, including 152 Albertans. TB costs over $30,000 a year in cash alone, besides untold suffering, misery and heartache. We will never have enough money until TB is as rare as small pox or typhoid or even polio, Mr. Dickey said.

Chest X-ray surveys, a major activity of the TB Associations, account for a large part of the annual budget. X-rays given to Albertans through the Christmas Seal mobile units have now passed the 150,000 mark.

Christmas Seal contributions are income tax deductible, and receipts will be sent on request. Contributions may be sent to the Kinsmen Club, Christmas Seal Office, Hettinger Hall, Edmonton.

Canadian Lutheran Bible Institute At Camrose Launches Out

A step of faith was taken by the Board of Trustees and the CLBI Association on Nov. 20th when a decision was made to launch out on a two-way expansion: To build a boy's dormitory; to call a full-time Evangelist-teacher.

These moves are to be started at once. This important step was taken at the 20th anniversary festivities of the school, just ended. Definite plans were also made to further and promote new avenues of service by the school. It was a heart warming, stimulating moment when these decisions were made.

Dr. Paul Nyholm, first dean, brought messages. He gave strong and positive emphasis on the need of immediate expansion and definitely favored these moves.

The dormitory, he said, would double the value of attendance at the Bible school for the boys. He saw the need of a full-time teacher added to the faculty. Perhaps no school of this size operates as does CLBI at present, with only one full-time teacher.

Pastor Amund Tveit, member of the first Board in 1932 reviewed briefly the history of the school, its problems, its triumphs, its spirit. He also gave strong endorsement for the decisions to expand.

The principle under which the CLBI operates as far as funds are concerned had been as follows during these 20 years:

To inform our people of our plans and needs; to pray God to move the hearts that our needs be supplied.

Thus to implement these important decisions the Association passed a motion calling upon our people for much prayer. The past, present and future of our school is tied up with a praying constituency.

Wildmere Winks

The writer and the community wish to extend deepest sympathy to Mrs. Oakley, Mrs. Eagsley and Mrs. Eldem on the loss of a loving daughter and sister. Dorothy was a very friendly and jolly person and her passing is mourned by all who knew her. A bright and shining star has left us to shine in God's mansion above. Dorothy taught a few months in our district in her early teaching days.

Mr. and Mrs. Berton Seale of Battleview were callers at the Wellington home one evening a short time ago.

Wildmere Curling rink will soon be ready for another winter of activity. The ladies have scrubbed and cleaned up the waiting room and the men have been busy making ice. The work if all goes well will see the first games played to open up the season.

J. C. Wallington had the misfortune to lose his valuable registered Hereford bull last week which he had purchased from Mr. Hart near Vermilion. However he was able to replace this by buying another from Wm. Hart, also of Vermilion.

All the stores in town are surely looking nice with their Christmas decorations and displays, which all reminds us that Xmas is very close now.

Wildmere W.I. held their annual meeting at the home of Mrs. Gibson with Mrs. Martin as hostess. New officers were elected: Mrs. J Bathe is President, Mrs. F. Gibson, Vice-President; Mrs. W. T. Garnett, Secretary; Mrs. D. Dibben, Treasurer. Mrs. Martin, Mrs. R. Smith and Mrs. G. Whitlock, directors; Mrs. F. Gibson, Relief convener; Mrs. J. Wallington, Publicity convener. Mrs. Osterberg won Johnny Jump-Up. The meeting closed with a delicious lunch. Next meeting to be at Mrs. W. T. Garnett's. Bring along some good ideas on a project for the year.

Anne Garnett is home for a few days before she and Betty Schumacher leave for an extended trip to England. We all wish them a safe journey and a pleasant visit. Anne was only a small child when her family came from England to make their home in Canada.

Noel Garnett has left for Hay River, N.W.T. again to work for the winter months. Noel has some very interesting stories to tell of sights he has seen in the north.

Albert Holte has been getting his house wired for electricity which is coming in from the south Saskatchewan and Battle Holte have been kept very busy wiring homes this fall. It's nice to see the country progress like this. We do wish Holtemere hope to see the power line in the not too distant future.

The W.W.I. dance and social was a grand success both for enjoyment and in a financial way. George Garnett and Mr. Hicks furnished the music. J. Bathe was M.C. Mrs. R. Smith won the lucky ticket on the wool blanket. Only a few articles were left to auction off in the basket and J. Wallington and J. Bathe did a good job of that. The W.I. wish to thank each and everyone who helped make their annual dance such a success. Only one bachelor married the evening and that happened right at the close of the dance Mrs. R. Martin twisting in a quadrille was swung off her balance and struck the shoulder of a man in the next quadrille. She received her mould and lessened some of her front teeth. We hope that it is soon all better Dots

Mr and Mrs. Bud Bathe and son Bobby from Lloydminster were week end visitors at Bud's parents home. Mr. and Mrs John Bathe of Sandwell

The First Aid class at our school has been called off this week owing to the Xmas carnival in Vermilion. Classes will be resumed by Mr. J. Bauman of Islay on Thursday, Dec. 18th.

Wedding Bells

HAMELA—BUDZILKA

A very lovely wedding was solemnized on Nov. 15th at St. Elizabeth Seton's, Lloydminster, when Olga Elizabeth, eldest daughter of Mr. and Mrs. Val Budzilka of Islay, Alberta, exchanged vows with David John Hamela, youngest son of Mr. and Mrs. J. Hamela of Canada. Some Father Gorman officiated.

Given in marriage by her father, the bride chose a floor-length gown of satin and Chantilly lace. The dress was fashioned with a lace bodice, embroidered with pearls and rhinestones, lily point sleeves and a double net overskirt with lace panels. A pearl embroidered bonnet held her fingertip veil in place. The bride's only ornament was a rhinestone necklace with matching earrings, gift of the groom. She carried a bouquet of roses and white mums.

The bridesmaid, Miss Erna Budzilka, sister of the bride, wore a mauve strapless gown of nylon net over taffeta with a matching lace bolero. The maid of honor, Miss Jeanette Evanenchuk, wore a gown of green eyelet with nylon net overskirt. Both girls wore matching bonnets with shoulder veils and carried Colonial bouquets of yellow roses. Their only ornaments were rhinestone necklaces, gift of the bride.

The groom's attendants were Mr. Don McFadyen and Mr. Ira Ballantyne.

For her daughter's wedding, Mrs. Budzilka chose a black and silver taffeta dress with black and white accessories, accented with a corsage of white roses.

The groom's mother wore a peau de soie crepe dress with wine accessories, also accented with a corsage of white roses.

The wedding reception was held at the bride's home at Islay where some hundred guests gathered to honor the happy couple.

The bride's table was centered with a beautifully decorated three-tiered wedding cake, flanked by white tapers and pink and white roses. Pink and white streamers and white bells "billowed out" from above the table.

Miss Vera Budzilka was in charge of the guest list. During the reception Mrs. A. Fortaine presided at the piano.

Mr. Art Whiting proposed the toast to the bride to which the groom suitably responded.

A wedding dance followed at Islay hall that night.

Mrs. J. Madill, Mrs. J. Allen, Mr. Ira Ballour, Mr. Walter Chumshanko and Miss Joan Pervinsky all of Condo, Mrs. J. Turback of Kitscoti, Mrs. Frank Martins of Red Deer and Mr. and Mrs. B. Tattersall and family of Wainwright were recent guests.

For going away the bride chose a navy suit with red and navy accessories accented with a corsage of red roses. After a honeymoon to Saskatoon and eastern points the happy couple will reside in Lloydminster.

Children Hold Party

The Mission Band held their Christmas party on Tuesday Dec. 9 after school, in the church hall. They have named themselves the Busy Bees and have an enrolment of 13 girls ranging in age from 4 to 8 years. Mrs. F. Proudfoot and Betty are to be commended on the work they have done with the children.

S.S. Teachers Short Course

Rev. F. A. Peake, M.A., B.D., Western Field Secretary and Miss P. B. Napier, Regional Girls' Supervisor of the Department of Religious Education of the Church of England, were in Mannville recently conducting a short course in teaching methods to the Sunday school teachers. The course was one of a series being conducted throughout the Diocese of Edmonton as part of the current extension program.

Returns from Korea

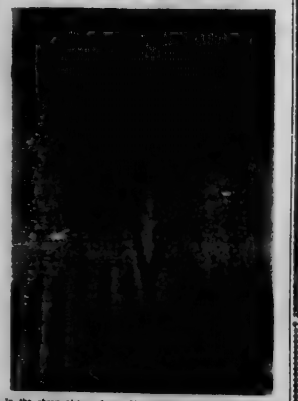
After 13 months in Korea Lieut. Nick Pilshka is home for a 60 day leave. He is visiting his mother who has recently moved into town from her farm.

Chester Gamble and Vic Humphrey represented the M.D. of Minburn and the Village of Mannville respectively at the Civil Defence exercises in Edmonton last Saturday and Sunday.

Elevator Agents To Enjoy Xmas Vacation

Elsewhere in this issue the elevator men are announcing that the elevators will close on Tuesday evening Dec. 23rd and remain closed until Monday morning Dec. 29th. This will allow a nice break Xmas week and relieve farmers and truckers from any hauling worries during the festive season. 23-4

Jim Tovell Floods Ottawa District with Light and Power



In the above picture James M. Tovell is turning on the electricity that will serve 30 farms in the Otawa rural electrification area, north of Vermilion. Canadian Utilities have had some 60 miles of power line built to carry electricity to the farms.

Canadian Utilities Ltd. have now electrified approximately 1500 farms in the Vermilion-Vegreville district. The investment of the farmers in electrification in the area would be over $3,000,000 when lines, wiring and appliances bought by the farmers, is considered. A goodly proportion of this too, is for labor, so that much of the money is spent right in the area.

Power comes from the Canadian Utilities 16,000 h.p. steam electric generating plant at Vermilion where plans are already well advanced for the installation of a gas turbine in the plant now, greatly increasing the generating capacity.

Clandonald Miss Married At Olds

SEAL—FORD

Olds United church was the scene of a very pretty wedding on the afternoon of Saturday, Nov. 22nd at 2:00 o'clock when Edith Adlene, daughter of Mr. and Mrs. Milton Campbell, became the bride of Mr. Oliver Seal of Olds, Alberta.

Oliver is the twin son of Mr. and Mrs. Wm. Seal of Clandonald, Alta.

The church was decorated with ferns, cedar and baby mums in gold varying shades of bronze which formed the background for the ceremony, performed by the Rev. H. J. Miller.

The bride entered the church on the arm of her father who gave her in marriage.

Her gown was lace over white satin and was fashioned with fitted bodice, short sleeves ad low neckline. The wide skirt was modelled with side panels of pleated nylon net. She wore long lace mittens.

Her three-quarter length veil of illusion net fell from feather-wreath held with pearl headdress.

She carried a bouquet in shape of a horseshoe of Talisman roses and Ko-Ko-No carnations. Her only ornament was a three-strand pearl necklace, the gift of the groom.

The bride's only attendant was her sister Miss Alberta Nora who wore a full-fashioned gown of blue taffeta and long lace mittens. Her bouquet was gold and bronze mums.

Mr. Norman Seal, of Clandonald attended the groom. Ushers were Mr. Duane Le Marsh and Jack Peck.

Mrs. Turple played the traditional wedding music. During the signing of the register Mrs. J. Duff sang "O Promise Me".

Mrs. Campbell chose a crepe dress of teal blue and navy accessories, and a corsage of pink carnations.

Tall blue and white tapers and white were used to decorate the tables. A three-tiered wedding cake centred the bride's table. The toast to the bride was given by Mr. Fred Penney and was ably replied to by the groom.

Following the luncheon which was catered to by the ladies of the Royal Purple, Mrs. Duff sang "Because".

Shortly after the reception the bride and groom left for a short trip to Montana. For travelling the bride chose a navy blue wool suit with navy and red accessories and a corsage of yellow roses. Upon their return Mr. and Mrs. Seal will take up residence east of Olds in the Lone Pine district.

Farewell Departing Tring Old-Timers

Hello everyone! Hurry scurry is the theme these days. Christmas seems to come a little earlier every year. The young folks are counting the days already until dear old Santa comes.

With very little snow and mild weather the winter is already considerably advanced.

Friends and neighbors gathered at the Tring school last Wednesday to bid farewell to old timers, Mr. and Mrs. Sam Gray who had an auction sale one week previous and plan to make their home in Edmonton or Calgary. An old-time dance was very much enjoyed by all. Mr. Gay Williams Sr. presented them with a chest of Community Plate silver. Mr. and Mrs. Gray thanked everyone and hoped they would be back to visit some day. Everyone rose, joined hands and sang "For They are Jolly Good Fellows". The evening closed with more dancing.

The schoolchildren were pleased to have their new school bus to go to school in on Monday. Bessie Murray drove it home from Calgary last week end. Cecil Sinclair drove the children while he was away.

Ray Bendixen was a recent Edmonton visitor.

SATURDAY NIGHT DANCES AT CLANDONALD

Dance every Saturday night at Columbus hall, Clandonald from 9 to 12 p.m., commencing July 19th. Good orchestra, admission 50c. Under auspices of the Clandonald Community Affairs Society. 3tf

Tuberculosis kills more men than women in Canada but in certain age groups the toll amongst women is high. Over one-third of the deaths among women between 20 and 24 are caused by tuberculosis.

Surprise car of '53
PLYMOUTH
the Car with the* Balanced Ride
*BALANCED AGAINST PITCH *BALANCED AGAINST ROLL *BALANCED AGAINST JOUNCE

SURPRISING NEW COMFORT
The sensational new Plymouth BALANCED RIDE is by far the softest, smoothest ride you will find in any car of comparable price. The new Plymouth is balanced against pitch—against roll—and against jounce. Nothing like it has been offered before—even by Plymouth. And among the 91 new comfort features you will also find luxurious new interiors with 8-inch wider back seats—a huge luggage compartment with 30% more space for your travelling comfort—more leg room to stretch out, front and rear . . . and a host more.

SURPRISING NEW STYLE AND BEAUTY
Here again the new Plymouth is the car of happy surprises! 34 new style features to delight your eyes—longer, lower lines—all-streamed styling of the graceful fenders—newly designed grille and massive bumpers—new, smart instrument panel with centre glove compartment for easy access—broad, cantilever-ful-type rear deck—rich new colours and beautiful roomy interiors make Plymouth an outstanding style leader in any company.

SURPRISING NEW PERFORMANCE AND SAFETY
28 new features in performance and safety alone. Many you can see—like the new one-piece windshield and windshield, which maximizes reflections—the full vision rear window—13% greater total glass area in all—the broad, low hood giving you wonderful road view. Many more you will feel the moment you take the wheel and drive—the amazing new way in handling . . . wonderful road-hugging balance on curves . . . perfect control and highway safety. But you must drive the surprise car of '53 to know how far ahead Plymouth is in beauty, fine engineering and downright comfort.

Paradise Valley

Mr. Phillip Gaunt of the R.C.A.F. was a visitor in the district during the past week.

Mr. and Mrs. T. F. Anderson had as their guest Mrs. R. R. Knight, a sister of Mrs Anderson.

Mr. and Mrs. Charles Clark and Kay left on Saturday for Sudbury, Ont., where they will in future make their home. We are sorry to see them go but we wish them all success in their new home.

Mr. Olaf Ronning is busy tearing down his blacksmith in town and taking it to his farm north of Edgerton.

Mrs. Moore of Edmonton is a guest of Mrs. J. Mayo, arriving on Wednesday.

B. Squires and J. V. Mayo returned from their trip to Toronto where they attended the Grey Cup games.

The film show that was to be sponsored by the Minburn-Vermilion Health Unit in the hall was cancelled due to illness.

Weather during the past week has been ideal. It is hard to realize that we are well started on the month of December. Ice on the local skating rink is evening along good and will soon be ready for hockey. Flooding of the curling rink has not yet started.

W.A. Meets

The P.W.A. entertained the ladies of the district when they met for their meeting and annual Xmas party on Friday, Dec 5th at the home of Mrs. Wm. Stoddart. Mrs. T. Anderson assisted Mrs. Stoddart as hostess. Mrs. Floyd Henry and Mrs Clarence Comaree were the entertainment committee. Over 40 members and friends spent an enjoyable afternoon together. First there was the general mix-up for partners, then two contests followed. Mrs. George Guy really knew her cakes and cookies and won first prize. In the paper treasing contest Mrs. J. Gordon carried off the prize for the most realistic Santa Claus. The exchange of gifts caused the usual excitement and the lunch was delicious and plentiful.

Fight TB with Christmas Seals.

THE RUSTY GRAIN BEETLE

One of the destructive pests that spoil stored grain. It is an insect one sixteenth of an inch long and can be seen by the eye. Farmers are recommended to probe into their stored grain. If beetles are seen their presence should be reported to any agricultural authority who will advise the farmer what to do. Or ask for names of the authorities from the nearest Searle Agent.

SEARLE GRAIN COMPANY, LTD.

Pleasant Valley

The weather and roads are still good to us, and everyone is busy Christmas shopping.

Quite a lot of news this week — if it doesn't hit the W.P.R.

Our correspondents' banquet was over with a bang, a very jolly time being enjoyed by all. Thanks to Wilfred Potvin for his kindness as it looked for awhile as if the writer was going to miss the evening and banquet. Thanks too, to Isabel and Tom Sherwood for delivering me home. However it didn't dampen the spirits any and it was a pleasant meeting the other scribes and exchanging views.

We have to say Au Revoir to Mrs. Van den Dolder but it's not going to be goodbye as we feel sure we will be seeing her back home in the garden in the spring.

Mr. and Mrs. McClelland returned home from the coast on Wednesday. Hope you enjoyed your visit Mac.

The writer and Mrs. Gillies attended the Stanley party at Mrs. Legg's home on Wednesday last week. Mrs. Legg and Lloyd Jimmy were supper guests at the writer's home on Thursday. Betty returned from England recently and has been spent the summer visiting her parents. She says it was good to get back to sunny Alberta.

The writer is glad to learn that Mrs. Depratt is improving in health since her operation.

Pleasant Valley and surrounding districts plan to form a rural electrification association. A meeting will be held later on. Quite a number are interested in the project. It is hoped this work will start in the spring.

Tom Sherwood was a very busy man on Sunday evening Nov. 30th when he drove 5 ladies to Vermilion to attend the missionary rally at the Anglican church. There were two very interesting films shown after the service. The church has taken on an entirely new look and the writer thought that it was very nice and much warmer. The ladies were Mrs. Sherwood, Mrs. Jones, Mrs. Gillies, Mrs. Deadly and Mrs. Gould. At 12:30 noon there was a supper held at the United church, Islay, where the same members attended. A larger crowd was expected but only 4 appeared. In addition to those from Pleasant Valley. It must have been a bit discouraging for Rev. Ford.

Gordon and Doreen Gould were supper guests at the home of Mrs. Jim Passey on Sunday; Laurence and Chrissie at Lloyd and Betty's for supper and Mrs. Gillies was a supper guest at the writer's home.

A meeting was held at Jim Millar's home on Monday evening last week with quite a number attending. It was decided to hold a dance in Morrison hall on Dec. 12th. After the meeting Mrs. Millar served a delicious lunch. Those dill pickles are good, aren't they Laurence? Then we had a sing-song with Master Jimmy at the piano. It was getting along to the wee small of the morning when all left for home. Let's hold these gatherings more and more often for the old community spirit. It is hoped that there will be a big crowd at the dance. The men are planning to remodel the hall at some future time.

Christmas will soon be here with happiness and good cheer.

BIGGEST CHRISTMAS?

Biggest retail sales in Canada's history are expected this year. The storekeepers all over the country, it seems, say. The Special Issue shows, are hitching up Santa's sleigh to the Canadian consumer's rising income and selling more merchandise to more people than during any previous festive season.

And this year's Yuletide is bringing big bonuses for the customer:

He has a larger selection at his disposal in almost every line.

There are no major price increases to hold him back.

Some lines, especially soft goods and foodstuffs, are priced lower than last year.

In short, this will be the first year since World War II that he's come closer to getting what he wants at the price he wants to pay. And there's no doubt that he'll come and buy.

The rush is already on — and picking up speed.

Make No Mistakes!...

Come to . . . check our prices and these exclusive Chevrolet advantages before you buy!

A General Motors Value

CHEVROLET

Be Sure You Get the Deal You Deserve!

Today's no time to take chances. You want to be certain of top value for your hard-earned dollars. And you can't be certain until you see us. So come in and check the deal we offer you. See how much more you get in Chevrolet . . . and how much less you need to pay. See why more people buy Chevrolets than any other car — the strongest possible proof that Chevrolet offers you more value, too. See us now for the deal you deserve!

THERE'S NO VALUE LIKE CHEVROLET VALUE!

LOWEST PRICED IN ITS FIELD

With beautiful Styleline De Luxe 4-Door Sedan (left) for less than any comparable model in its field. (Continuation of production and trim illustrated is dependent on availability of materials)

See what you gain with these Wonderful Chevrolet Features

POWERGLIDE AUTOMATIC TRANSMISSION (with Powerglide automatic transmission)

Chevrolet offers you time-proved Powerglide, the simpler, smoother, fully-automatic transmission, with its own extra-powerful engine. Optional on De Luxe models at extra cost.

"SHOCK-GUT" BRAKE AND LININGS (with exclusive, protected windshield) (Available at extra cost, GM "Shock-Lite" tuned glass all 'round, reduces glare and heat, adds greatly to your driving pleasure. The exclusive, protected windshield tinting is an important safety factor.

BODY BY FISHER

Fisher Body's world-famous for smarter styling, for superior craftsmanship, for the strength and safety of Unisteel Construction. Chevrolet gives you all the advantages of Body by Fisher, including greater protection and a quieter ride.

LARGER BRAKES

Chevrolet's powerful Jumbo-Drum brakes are a full 11 inches in diameter. They give you smoother, safer stops. Bonded brake linings — no rivets — last up to twice as long.

CENTERPOISE POWER

Chevrolet's great valve-in-head engine is centered, poised and cushioned in rubber by high-side mountings. Vibration and power impulses are screened out. Performance is smoother under all driving conditions.

IMPROVED RIDE-ACTION UNIT

For your greater comfort, Chevrolet's coil-spring front suspension system is assembled and balanced as a unit in rubber. That's one important reason why Chevrolet's Knee-Action ride is so astonishingly smooth.

See what you save with the Lowest-Priced Line in its Field!

Claysmore Clippings

Congratulations to Mr. and Mrs. A. Olstead on the birth of a daughter on Nov. 25th, "Donna Marie".

Mr. and Mrs. F. Groenveld and family were Sunday visitors at the home of Mr. and Mrs. Deral of Mannburn.

Mrs. John Stewart has her small niece staying with her for a few days.

Several families in this district are preparing their turkeys for market. On Thursday last a few neighbors helped us at the H. Williamson farm and finished about half of their flock. They plan to gather again on Thursday to complete the job. The low price for dressed turkey this fall is quite disappointing to the growers. After feed and expenses are deducted there isn't much left over.

The card party at the school Friday evening was enjoyed by quite a good number as 7 tables were played with ladies' 1st being won by Mr. M. Woycenka playing as a lady. Mrs. P. Krushinsky, consolation; gents 1, Roy Walker, consolation O. Wilks. It was pleasing to see sevens from the Carleton district surrounds and hope that they come again.

Receipts: 3,000 cattle, 1,000 hogs, 1,000 sheep.

There were light receipts on our market today and the few on offer sold steady with last week's close, however with outside markets working somewhat lower we feel that our market will have a tendency to work lower this week. We have had several enquiries from local buyers regarding calves and would advise anyone with this class of cattle to sell to deliver them as soon as possible to the Lloydminster Union Stockyards.

OUR COMPLETE SHORT STORY

HE SIMPLY MUST

Bill Knew That Love Would Be the Test. :: By ROY V. PRICE

Dorothy was scarcely distinguishable from the most beautiful and loveliest crocus in her mother's garden. But tonight, she looked like a jonquil left too long out of water. "I do hope Dad will like Bill so he can get that job and we can be married immediately!" she murmured, more as a prayer.

She bit into her lip and glanced toward her father sitting in his big leather chair with slippered feet outstretched toward the log fire. He was lost under the evening papers, from behind which came occasional puffs of smoke. The two brown Boxers lay with their front paws stretched toward the fire and their heads resting thereon. She knew how deeply he was attached to those unfriendly dogs. She knew the importance he placed on their likes and dislikes.

There wasn't any sense in trying to skrag this off. The surprises was too great. It made her bite her fingernails. In about two minutes, Bill would arrive and if those two dogs growled or barked at him, she knew her dad would have no use for Bill. This would mean that he certainly would not give Bill that job in his survey—the job that paid more than enough for them to get married on right now. And he simply had to like Bill enough to give him that job! She didn't want to wait until Bill could get started in some other job before getting married. She knew too well what her father thought about any man whom those two dogs disliked. It came to her with aching reluctancy, that Dad wouldn't like Bill after all.

Dorothy relaxed somewhat as she remembered the night she met Bill at her sorority dance. He was tall and blonde; he had the bluest eyes which could be so thrilling and warm. They always set out a few dances at a particular table because it was there she had decided she loved the way Bill looked, talked, and smiled, in fact, loved him. And he had decided the same about her, until more so. But neither of them said so then. It took them exactly one month to get it said. A waste of time, they had agreed, to have waited so long. Dorothy knew her mother would love Bill. Bill dad—well, he had gone on the hard way. He was a man's man, and had ideas about men. Any man who was liked by dogs was O.K. in his book.

She and Bill had planned their future together. Bill had leaned across the table and taken her hands. "Darling, you are the most beautiful girl in the whole world."

"And your judgment is prejudiced, but I love it." For a long time they had looked at each other, silently.

The doorbell sounded. The dogs lifted their heads at a sharp angle, showing their teeth. Dorothy felt limp and helpless. A queer little sound, harsh and reckless, broke from her. She heard the door open and close, caught the steps of her mother and Bill. Mother always understands. Dorothy glanced at the dogs. They were standing now, heads high, alert. Her whole being was taut.

Bill met it. She dare not stare at the dogs, yet they were the object of her entire attention. It was pretty hard to stand by waiting for a couple of old liver-eating dogs to pass judgment on the man she loved. To dull the suspense that was in her, she thought: This is childish! What if two old dogs don't like him! He's still just as fine and they'd find a way anyhow—but it might be a lot tougher. Then she remembered again what her father thought of any man whom dogs disliked.

She stood up—stood like a little girl, wide-eyed and eager, watching with despair the dogs' movements from the corners of her eyes. She scarcely heard her mother introduction. Dorothy saw Bill walk over to her dad and take hands, saw him smile sweetly as she had imagined, and then she couldn't see anything except a number of stars.

The dogs were strutting around Bill, sniffing. They stood on their hind legs, pawed Bill, and tried to lick him. He patted them gently and scratched behind their ears. Bill refused to sit, but continued to play with the dogs.

Dorothy saw the hard, sophisticated, calculating gone from her dad's face slowly give way to the faintest sign of a smile—but not the kind of smile he always used in acknowledging introductions. Then he did the impossible. He started drawing Bill out on the subject of dogs, a subject which, Dorothy had made sure, Bill was never able to discuss like a dad's.

Finally, Dorothy managed in a voice she scarcely recognized as her own, "if we're going to be in time for the last picture, we'd better hurry."

The dogs followed Bill to the door and Dorothy didn't miss how her dad took this. Now she looked and felt like her old self again.

Outside, she said, "It worked! Dad likes you and that means you'll get that job! I just know it now! Let's set the date!"

Before they had walked half way to his car, parked near the corner, a dog raced across the street and ran up to Bill, sniffing. Dorothy laughed. Bill pulled a bulging, wet package from each hip pocket, removed the paper and fed the dog raw liver.

No two noses are striped alike.

60 Front Street W., Toronto.

The methods of making lead pencils were invented in 1795.

Writings Of Ancient Race Found On Stone In Alberta Park

LETHBRIDGE, Alta. — An archaeological treasure-house that may trace the history of southern Alberta from prehistoric times to the 20th century lies almost untouched along the scarred banks of the Milk River, within 15 miles of the International boundary.

The area is known as Manitoulin ("Writing-on-Stone") Park and derives the name from Indian writings and paintings along the river banks.

Most of the Indian writings are petrographs, or stone carvings. Erosion has toppled some of the rocks and the writings have been lost. Some of the cliffs have been painted with a red pigment such as is found at nearby Paint Pots in Marble Canyon.

There are two distinct types of writing and it is believed one is much older than the other. One type portrays figures as long and narrow and unes straight lines. The other has all its figures round, both for people and animals.

Some archaeologists who have visited the park believe the area once was visited by a race of people before the Indians. It is known that an earlier race passed through Alberta and tools and pottery have been found that were used by the earlier people.

It is possible this group did some of the petrographs and the later-arriving Indians added some of their own.

The area lies under the shadow of the Sweet Grass Mountains of Montana and is rich in prehistoric finds. Dinosaur bones have been found a few miles east of the rocks along with many petrified trees and prehistoric oyster beds.

First report of the writing is contained in May Fred Bagley's story "The 71 Mounties and tells of several Indian paintings on the rocks and rates near a North West Mounted Police camp in the Sweet Grass hills. This was probably the place later known as Writing-on-Stone.

Major Bagley related one of the stories told by the paintings. It tells of a group of Indians on a hunting expedition overtaken by a blizzard. They sought shelter behind the rocks and painted the story of their trip. Inlaw hunt. All perished before the storm subsided according to the picture-story.

WAS REALLY MAD

OAKLAND, Calif. Edward Sandler, 15 years old, was fined $25 in municipal police court on Thursday after he grabbed a $2-dollar bill from a bank teller's hand, tore it into tiny pieces and threw them in the air. Sandler told police he was mad because he had lost a $10-dollar bet on the election and wanted to tear up the president.

APPETIZING RECIPES

Old-fashioned Plum Pudding, humbling touch of the Christmas Dinner is given a festive look, if you make it in a star-shaped Mould! Serve the pudding hot, with plenty of hard sauce.

Plum Pudding

One cup finely chopped suet, 1 cup plus 2 tbsp. brown sugar, firmly packed, ½ cup milk, 2 eggs, well beaten, 1 cup seedless raisins, 1¼ cups dried currants, ½ cup chopped blanched almonds, 3 cup mixed dried candied fruits, (citron, orange peel, cherries), 1 cup sifted flour, 1 tsp. baking soda, 2 tsp. salt, ½ tsp. nutmeg, 1 tsp. cinnamon, ½ tsp. allspice, 1 cup soft bread crumbs.

Combine suet, brown sugar and milk; add eggs. Combine raisins, currants, almonds and candied fruits with ¼ cup of the flour.

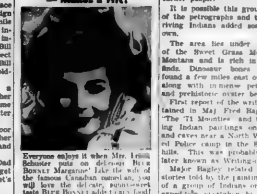
Mix and sift remaining flour, baking soda, salt and spices. Add fruit and nuts, bread crumbs and flour mixture to sugar m'ixture; mix well. Turn into well-greased mould. Cover mould tightly. Steam 2½ hours. Serves 10 to 12. Serve with Hard Sauce.

Hard Sauce

One third cup butter, 1 cup sifted confectioners' sugar, ½ tsp. brandy flavoring.

Cream butter until consistency of mayonnaise. Add sugar gradually. Cream until fluffy. Add flavoring.

Mrs. Frank Schuster Puts on Blue Serge! — Makes a Hit!



Everyone enjoys it when Mrs. Frank Schuster puts on delicious Blue Bonnet Margarine! Like the wife of the famous Canadian naturalist, you will love the delicate, nut-sweet taste Blue Bonnet adds to any food! You'll appreciate its economy, too. No other spread is richer in vitamin A and enriched with Vitamin D. And you'll welcome its wonderful economy. Use Blue Bonnet for all meat and fish sauces as well as on bread and toast. Only 25 cents (plus tax) a pound.

BLUE BONNET Margarine is sold in the regular one-pound package with color wafer. Also in the famous YELLOW QUICK tasty tint, ready to use.

WESTERN BRIEFS

Unique Coins

VIKING, Alta. — Kurt Loechner estimates the unique coins he smuggled out of East Germany when he came here a year ago are worth perhaps $6,000. They are porcelain coins made in Germany in 1921 but found then to be too fragile for general use.

Record Oil Output

SASKATOON.—Saskatchewan's oil production of 1,218,511 barrels for the first nine months of the year was more than the output for the whole of 1950, and almost up to last year's 15-month total.

Perpetual Pass Given

CALGARY.—Mr. and Mrs. J. J. Winton, aged 90 and 76, have been presented with a perpetual pass to dances held by the Mountview Community Club square-dancing association. The elderly couple seldom miss a dance and perform with the best of them.

Open Ski Lodge

BANFF—Sunshine Lodge, 15 miles southwest of here, is now completing extensive improvements to its skiing facilities and services designed to provide additional comforts for Rocky Mountain ski enthusiasts. Recently purchased from the Brewster Transport Company by George Encil the lodge will be managed by Walter Fisher, a veteran of many years in the hotel business in Austria.

Besieged Farmers

WINNIPEG.—Leo Schelberg, who operates a farm at St. Boniface, told police he has found three steers and one deer shot dead on his property since the hunting season started. "It's getting so I'm afraid to go out on my own farm," he said.

If Everyone Who Drives A Car

If everyone who drives a car could be a month in bed,
With broken bones and stitched-up wounds, or fractures of the head.
And there endure the agonies that many people do,
They'd never need pronch safety signposts to me or you.

If everyone could stand beside the bed of some close friend,
And hear the doctor say "no hope" before that fatal end.
And see him there unconscious, never knowing what took place,
The laws and rules of traffic I am sure we'd soon embrace.

If everyone could meet the wife and children left behind,
And step into the darkened home where once the sunlight shined
And look upon "The Vacant Chair" where Daddy used to sit,
I'm sure each reckless driver would be forced to think a bit

If everyone would check his car before he takes a trip,
For tires worn, loose steering wheel and brakes that fail to grip,
And pay attention to his lights while driving roads at night.
Another score for safety could be chalked up in the limit.

At last, if he who takes the wheel would use a little prayer,
And keep in mind those in the car depending on his care,
And make a vow and pledge himself to never take a chance
The great crusade for safety then would suddenly advance.

BIG RIVER, SASK.

Wild Rice Becoming Big Business in Man.

WINNIPEG.—Manitoba, which has the largest wild rice fields in the world, this year produced 195,000 pounds of the delicacy —an amount topped only by the record 1949 crop.

Value of the processed rice, however, stands at a record high this year of over $150,000.

This compares with the 1951 crop of 177,000 pounds, valued at close to $106,200 and with the record 1949 crop of 262,000 pounds, valued at $70,000.

Demand for the wild rice as a stuffing for game or as a separate table delicacy has boosted its retail value to several dollars a pound. Visits to Manitoba producers is about a dollar a pound after processing, which reduces the bulk of green rice by 60 per cent.

Wild rice is becoming a big business in Manitoba, and over the years competition between traders and pickers resulted in abuses, such as picking the rice prematurely.

Now, the wild rice area is divided into convenience, which are tied for at public auction. A large area comprising three lakes in the Whitehall —which includes the best wild rice grounds—has been set aside for the Indian reserve branch.

Harvesting here is restricted solely to hand picking. Indians, two per canoe, bend the rice stalks over their boats, tap them, and let the ripe kernels drop on the canvas in the bottom of the canoe.

This is mainly to provide more employment —1,000 pickers were in the area this year. 90 per cent. Indians —and to assure that the seed bed will be replenished.

Shirley Carroll Married In City

...T—CARROLL

A pretty double-ring ceremony was solemnized at St. Joseph's Cathedral Hall on Saturday, Nov. 29th when Miss Shirley Marie Carroll, daughter of Mr. and Mrs. J. W. Carroll of Barrhead, exchanged vows with Mr. Clifford Hunter Britton Lytle, son of Mrs. Lytle and the late Mr. Lytle of Winnipeg. Rev. Fr. Reynolds read the marriage rites.

The bride given in marriage by her father, was lovely in a floor-length gown of French lace over nylon net with an underskirt of taffeta. Lookmand with a fitted shirt and scalloped-edged yoke, the sleeves tapering in lily-points. Her finger-tip veil misted from a Juliet cap and pearls, a gift of the groom, was her only jewelry. She carried a bouquet of red roses and baby mums.

She was attended by her sister, Miss Jacqueline Carroll who was prettily gowned in nile nylon net over taffeta with a matching headdress and she carried a Colonial bouquet of carnations and mums.

Mr. Norman Ekstein of Edmonton attended the groom as best man. Mr. James Hamilton and Mr. Bruce McDougall were the ushers.

A buffet supper attended a reception in the dancing room of the Macdonald hotel immediately after the ceremony, the bride's mother receiving in a black cocktail-length gown with insets of pink lace and pink accessories. A corsage of pink roses completed her ensemble. The bride's table laid in white linen was centred with a three-tiered cake flanked by lighted tapers and yellow and mauve mums.

A toast to the bride was proposed by the best man to which the groom responded. A bouquet of mauve and white was tied — the groom's mother who was unable to be present.

Later the bonny couple left on a honeymoon to be spent in Spokane, Wash. for the bride donned a pale yellow wool dress with brown accessories and an orchid corsage.

The bride is a graduate of the General hospital in Edmonton and she grads a graduate in electrical engineering from the University of Manitoba.

Allandale Notes

Mr. and Mrs. Burns Klein of Spring Park have a new '53 Plymouth car.

On the evening of Nov. 28th Mr. and Mrs. Orley Osmond entertained at a wedding party for the couple in honor of their daughter Orlene and son-in-law Mr. Ken Whelan. Whelan who arrived at Wainwright on Thursday and were met by Mr. and Mrs. Don Wilson. The couple spent a week at the home of the groom at Aylmer, Que. after their marriage before coming west. There was a large crowd at the party, relatives from Elk Point and Spring Park, a number from Vermilion and surrounding districts who came to wish the newlyweds well in their journey through life. The evening was spent in dancing. Thank you to those who helped with the music. Lunch was served at midnight, and another big thanks to the ladies for the lovely cakes.

A three-tiered wedding cake cut into by the bride and groom, baked and iced by the bride's mother, was passed to all, also home-made candy and cigarettes. Mrs. Baldock accompanied by Mrs. McPhee at the piano sang 'I Love You Truly' and 'Forever and Ever', which was appreciated very much.

Also at supper time the honoured couple received with a large assortment of gifts under the masterful hand of Mrs. Throssell and Jessie and Debbie Stevens. The bride and groom thanked their friends very fittingly for the lovely gifts and, those who were responsible for the shower. They said their weekend last would always be out to their many friends when they got settled in Calgary. A few hours more dancing was enjoyed after lunch and all went their way after an enjoyable evening. Orlene and Paul received a large number of beautiful gifts at the R.C.A.F. station at Trenton where they were married and at Paul's home at Aylmer.

Alvin Throndson spent last week end at home. He is employed by the Canadian Propane Ltd. at Lloydminster.

On Dec. 1st there was commenced bidding at Long Lake north of Elk Point. Eddie Throndson and Tony Ostasiw set a net and got a small catch.

Closing Thought: Let us dedicate ourselves to make this dream of 'Peace on Earth' come true.

By Shirley Holme, Wainwright, Alberta

News Notes From Your District Home Economist

Xmas Wrappings, Ribbons, Bows

Do you always begin wrapping with the idea of having an 'extra special' bow and end up with just an ordinary one because you could not get it to 'look right'? I have a few suggestions which help if you follow these directions:

1. Wind ribbon around package as you wish, measure, allowing 5 extra inches at each end.
2. Cut desired length of ribbon from belt.
3. Wind ribbon around package and tie with double knot (be sure to pull ribbon firmly but slowly, as some ribbons are fragile and tear easily. If package has been properly and tightly wrapped, paper will not wrinkle when ribbon is tied).
4. Don't use narrow ribbon on large package, as it will look skimpy. If you have only narrow ribbon for a large package wind it around package several times leaving spaces between to give fullness of wider ribbon.

5. To make a single or double loop bow:
   (a) Make loops of desired length and pinch in centre.
   (b) Using 5-inch ends of ribbon wrapped around package, tie centre of loops to package. Make secure knot under bow.
   (c) Clip knotting ends to approximate length (number depending on type of ribbon and size of package).
   (d) Attach to package as described above.
6. To make fluffy bow
   (a) Make several loops of desired length (number depending on type of ribbon and size of package).
   (b) Attach to package as described above.
7. To make a tailored bow.
   (a) Fold ribbon back and forth to form graduated loops.
   (b) Attach to package as described above.
8. To make two-toned tailored bow
   (a) Place different-colored ribbons of same width back to back.
   (b) Make loops and attach to the package as described above.

Cellulose tape can be obtained in almost any color and design.

1. Use it to letter names.
2. Design an unusual allover pattern on plain paper with multi-colored strips of tape.
3. Cut designs out of tape strips and fasten to package for unusual effects. Try Xmas trees, stars and candles.
4. Edge your gift paper with a bright strip of tape. Gives a brilliant effect and added strength.

How to Bag a Gift

1. Shopping bag — Instead of struggling to wrap a big awkward gift, put it in a shopping bag decorated with a Santa Claus head cut from red and white paper and add a bouquet of Christmas greens or ribbon.
2. Paper sack Drop small, hard to wrap gifts into plain grocery bags. Cuff with bonny comb ribbon and add a cluster of greens, bells, or cones for a Christmassy towel.

new and finer in 75 ways
the long, low and lively
'53 DODGE

new beauty

In style and beauty, you'll find that the '53 Dodge is new and finer in many ways. It has that long, wide, low look that draws admiring glances. Graceful, sweeping fenders and the broader, lower rear deck lend a touch of continental styling. There's a new type of one-piece curved windshield and an attractive new wrap-around rear window which give you better vision. You'll like the smart, new instrument panel with its central glove compartment for easy access. The beautiful new interiors and rich new colours add a further note of elegance to the finest Dodge cars ever produced in the low-price field.

finer performance

When you take the wheel of this stylish, more powerful Dodge, you'll quickly discover that, in performance, too, Dodge is now and finer. You'll find that this new Dodge handles with astonishing lightness and ease—things surely to survive—parks without effort. On the highway, you'll experience finer performance and smoother acceleration at higher speeds—result of the new higher gear ratio. And with Overdrive (available at extra cost) your highway driving becomes even smoother and more economical.

Arrange to get behind the wheel and put the new Dodge through its paces.

new 3-way smoother ride

When you drive a new Dodge, you'll find a 3-way smoother ride . . . steadier . . . more level . . . softer. You'll agree it's the most comfortable ride you've ever experienced in any car at a comparable price.

It's a steadier ride because of a wider frame, a lower centre of gravity, and the new positioning of the wider rear springs.

It's a more level ride, the result of synchronized springing and scientific weight distribution.

It's a softer ride because of "Oriflow" shock absorbers and wider, softer springs.

Be among the first to experience this thrilling new ride. Phone your Dodge-Desoto dealer for a demonstration.

Paradise Valley

Valley Maids C.G.I.T.

The Valley Maids C.G.I.T. met in the church basement with a good attendance. The president opened the meetin. with singing. A number of rounds were practised. After the business meeting and devotions I supervises the embroidery stitches learned, tea towels and patching examined. The junior girls are well along with their pot holders and sewing bags. Miss Holme expects to visit the 2nd and 3rd year girls at a meeting on Friday evening, Dec. 12th. The C.G.I.T. annual Christmas party will be held on Dec. 23rd and all mothers of the girls are invited to this party. Beginning at 7:30 p.m. the girls will sing carols again this year. Donations will be received for the C.N.I.B. Following this there will be a party and lunch in the church basement with the exchange of Christmas gifts.

The C.G.I.T. will hold their annual Christmas Vesper service in the United church on Dec. 21st at 7:30 p.m. We invite everyone to come and take part in the beautiful Christmas service. The two junior girls' groups will co-operate Come and show your interest in the service. Support the girls in their worthwhile efforts. We need them in our church.

Highest Award

Congratulations to the Paradise Valley Girls' Garden club for winning the award for highest general efficiency in Garden clubs under the supervision of Miss Shirley Holme, District Economist

PROLIFIC APHID

If she and her offspring could be kept alive, one female cabbage aphid could produce 1,500,000,000,000,000,000 descendants in a single year, states C I L Agricultural News

A New Map

DURING THE PAST TWENTY YEARS those who are interested in geography have had to keep abreast of many changes in the maps they study. In Europe and Asia boundary lines and names of countries have been altered as a result of two world wars and the adjustments which followed them. In other parts of the world there have been changes, also, due not to war but to the discovery of new land or of details of country not previously explored. The areas around the north and south poles and the northern parts of this continent are still not completely known and as new information is added, new details appear on the maps.

Shows Details Of The North

Recently a new map of Canada was published showing places in the north which had not been placed on earlier maps. The new details on this latest map of Canada are the result of aerial photography carried on over a period of years by the R.C.A.F. Much careful work was done by the airmen who covered the far northern part of the country, photographing the land formations as the coastal area. Map makers have interpreted their findings, and the new map is attracting the interest of many Canadians. A good map of Canada was printed in 1947 and is said to be accurate in details from the United States border to the 77th parallel, which is at the southern edge of the Northwest Territories. The new map shows islands in the Arctic, inlets, lakes and bays which were not previously known.

The Map May Change Again

Unlike the countries in Europe and Asia Canada's boundaries have not changed nor has its name, but the great north land which promises to play an important part in the future development of the country is constantly being explored and its resources are becoming more familiar to the people. As these discoveries go on, the map may change again, and in time, places now without names may become well known centres of activity. This new map of Canada records the achievements of the aerial photographers and map makers who have worked to prepare it, and it brings to the people more knowledge of the large and little known part of our country which lies around the Arctic ocean.

Danish Hog Population Continues To Expand

According to the September census, Danish pig numbers continued their 1951 expansion in a new record of 3,788,900, that is over 900,000 more than at the same time in 1951. All classes of hogs except the heaviest market hogs of over 132 pounds increased in numbers during the past twelve months. Over 116,000 more breeding sows were recorded, nearly double the number listed a year ago, and pregnant sow numbers increased from 148,000 to 168,000.

HALIFAX BRIDGE BOARD "DON'T CALL ME DEAR"

HALIFAX. — Magistrate R. J. Flynn solemnly gave a tongue-lashing to a suspect hailed before him on an assault charge.

The suspect, bend hung low, answered: "Yes, dear."

Flynn roared from his bench: "Don't you call me dear."

"Sorry, your honor," the accused apologized, "I mistook you for my wife."

Cormorants dive more than 100 feet below the surface of the water to search for fish.

How Scott's Emulsion Helps CHILDREN GROW STRONG, HUSKY!

More than just a tonic

CHILDREN THRIVE on Scott's Emulsion. When they get run down, catch colds or are sickly —see what a difference it makes when you give them Scott's Emulsion. It contains natural A & D Vitamins in natural oil—rosy "gold from the sea." Helps them maintain resistance. Helps them build strong bones, sound teeth, a husky body! Helps them grow into fine, sturdy, lively children you're proud of! Try Scott's and see!

SCOTT'S EMULSION IS RICHNESS IN EMULSION

1. It contains *natural* A & D Vitamins in natural oil—plus added essentials. 2. *Easy to take, economical.* 3. *Four times easier to digest* than plain cod liver oil, because of exclusive process. 4. Helps children build strong bones, sound teeth, a sturdy frame.

Today—now—get Scott's at your favourite store.

SCOTTS EMULSION

ODDITIES In The News

In Toronto, prompted by the high cost of luggage, a firm has started a luggage rental service. You decide what luggage you need for your trip, then go down and pick out some stuff that makes you look like a Hollywood millionaire, and you're off. Whether you can also rent well-orders travel labels to complete the effect is not stated.

C. C. Mendows, Memphis, Tenn., claims a first in the home-insurance department. A house being moved down a street in front of his home sideswiped his parked automobile, taking off part of a fender.

C. C. Mendows, Memphis, Tenn., can claim himself the "cantrowning king", sold 71,490 melons at his stand this summer.

The Hertfordshire village of Aspenden, England, 300 population is fighting its own pigs for a convenient bathroom. Animals chosen for the honor are being "branded" with bright red paint.

Mr. and Mrs. Charles Lane, drive a 1910 Model T Ford. They won a prize at an exhibition in Setauta, Mass., for having the best restored antique car.

CAUGHT BEAR IN TRAP

MOUNTAIN VIEW, Alta. — Dr. Morris West shot a big brown bear he found in his trap here, but it escaped on the first. Since July, 1951, he has trapped and shot seven bears, including two grizzlies.

SKI-TOOTERS — Oil derricks become hats, souvenir insignia of the Westerners at the Grey Cup game. These two Edmontonians were actually little girls but with their hats on, become ski-tooters.

85.3 Per Cent. Of Population Born In Canada

OTTAWA.—The proportion of native-born citizens in Canada's population was greater in 1951 than in any census year since 1901, the bureau of statistics reports.

In an analysis of the 1951 census figures by birthplace and sex, the bureau reported 85.3 per cent. of Canada's 1951 population was native-born. This compared with 82.5 per cent. in 1941, 77.5 per cent. in 1921, 77.7 per cent. in 1911, and 67 per cent. in 1901.

Between 1941 and 1951, the population of native-born Canadians rose to 11,949,818 from 9,497,806, Ontario's percentage of Canadian-born citizens was 51.3.

The ancient Romans considered May an unlucky and June a lucky month for weddings.

Funny and Otherwise

"John's been dying to get made a parachute jumper ever since he joined the Army."

"Couldn't you knit him one, dear?"

"I hope you enjoyed your game with the major," said the hostess to one of her guests. "He's very clever at cards, isn't he?"

"He certainly is," replied the guest. "He started by telling my fortune, and now he's counting it."

A certain officer's confidential report had written on it, by his commanding officer: "This officer should go far." The Brigadier added: "To the farther the better," and finally the Divisional Commander wrote: "He should start at once."

"She always screams to kill, doesn't she?"

"Yes—and she cooks the same way!"

An old lady went up to the beggar. As she handed him a coin she said: "Oh, my poor man, it must be dreadful to be lame. But, you know, it would be much worse if you were blind."

"You're telling me, ma'am," said the beggar. "When I was blind I got nothing but foreign coins."

An actress at a party, seeing an unknown whom she disliked, was over to congratulate her on her latest book.

"I enjoyed it, dear," she said. "Who wrote it for you?"

"Darling," replied the author. "I'm so glad you liked it. Who read it to you?"

Said a strap hanger to another rider who had just given his seat to a lady: "Gosh, mister, I've been travelling on this line for three years and I've never offered a lady my seat."

"Then you have no manners, sir," was the reply.

"Oh, no, it isn't that: I've never had a seat."

A young couple were discussing their future children.

"Darling," said she, "I shall think only of your well-being, day in and day out."

"Yes, dear," he replied, "but it'll be helpful to me that I should relish count."

"I'm afraid someone very near to you is going to be disappointed," said the crystal gazer.

"I'm afraid you're right," confessed the client. "I've come out without any money."

"Women certainly haven't any consistency."

"What's the matter now?"

"My wife chased me out of the house with a broom this morning, then cried because I left home without kissing her goodbye."

Last Christmas Santa Claus gave me a wooden whistle, but it wooden whistle. I changed it for a steel whistle, but it steel wooden whistle. Then I got a tin whistle, and now, boy, tin I whistle!

Another reason you can't take it with you—it goes before you do.

B.C. CHRISTMAS HOLIDAYS

VANCOUVER. — B.C. school children will get a 16-day holiday this Christmas. Department of Education officials said all schools in the province will close Dec. 19—a Friday—and reopen Monday, Jan. 5.

CONNECTOUR-WINNIPEG ROAD

OTTAWA.—C. M. Ferris (L., Macdonald) wants the government to consider the building of an Edmonton-Winnipeg highway and other roads in the West as a military necessity.

The white-eye is a bird that gets its name from a circle of white feathers around the eyes.

ITCH

BELIEVED IN A JIFFY

Very first use of soothing, cooling D.D.D. Prescription positively relieves most red itch caused by eczema, rashes, scaly irritations, chafings—also helps broken, tender, sore, surface. Let your horrible itch suffer at once. Ask your druggist for D.D.D. Prescription.

THRILLS of the ROARIN' GAME

FROM "BEHIND THE GLASS"

A few simple pointers will help the uninitiated get much more enjoyment from watching curling. First, there's the skip. The difficulty of successfully playing the 42-pound stone down the ice with the right curve or "turn" and the right speed and direction to make the shot asked by the skip. Experience and practice are fundamental and experience is gained only by playing the game.

The first man who plays for each team is the lead. For the lead playing first any stone front and center is a good rock as it will bother the opposition. The lead on the other team may be asked to knock out the stone previously played or play his stone into the circle.

The second and third men will play many "take-outs" and the success of their shot is easy to see. When the skip signals for a take-out by tapping an opposing rock with his broom, watch that shot! These men will also make "draw" shots, carefully curving their rocks around the guards and settling behind them. The last man playing for each team is the skip. His shots are the hardest, and this is the tense point of each end.

Follow the jockeying for position on each end by the skips and their handles of the stones. You'll notice the "guards" being played to cover scoring stones and the "draws" that come in to count. Watch the relative positions of the two colors for the reasons various shots are played. If you're lucky, you might have an old curler near you. By all means ask questions because he'll be glad to answer them.

Canadian farms had 1,583,000 sheep and lambs in the summer of 1952, about eight per cent. more than the previous year.

Canadians To Do Holiday Travelling in Canada

OTTAWA. — The federal government is launching a program to encourage Canadians to do their holiday travelling in Canada, Resources Minister Winters said.

The minister, through whom the Canadian travel bureau reports to Parliament, was addressing the opening session of the annual Ontario provincial tourist conference.

He said travel within Canada by Canadians will be urged in a series of national radio broadcasts featuring this country's national parks.

CANADIAN PROGRESS COMMANDS WORLD RESPECT—B. C. GARDNER

8 of M Head Sees Exports, Productivity, Savings and Taxation as Key Problems of Canadian Expansion

COMMON SALL, GENERAL MANAGER, REPORTS ASSETS, DEPOSITS AND LOANS AT NEW PEAKS

Montreal, Dec. 1 — Today, Canada has the admiration and respect of observers everywhere, as it stands "on the threshold of vast industrial advance," B. C. Gardner, president of the Bank of Montreal, told shareholders at their 135th annual meeting. But, he emphasized, the policies of government, business and organized labor "can go far to enrich or to impair any country's capital of resources and opportunities."

Commenting on matters in which the well-being of the nation is involved, Mr. Gardner warned: "We shall do well to ponder that our impressive industrial expansion has as yet done little to render us less dependent on our export trade." Canada "can ill afford to come under the competitive disadvantage that we would suffer if our domestic level of prices should in future rise more rapidly than corresponding prices in the United States, or in other major countries."

Noting that, despite great material progress, Canada's annual over-all gain in output is relatively limited, being about one and a half per cent. a year for the average Canadian, the president pointed out that any increase in productivity, Whatever our economic system, is "due in no way of achieving them except through increased production."

Savings Make Expansion Possible

Mr. Gardner observed that Canada's capital requirements have for some time trolled to run ahead of the savings provided voluntarily by the Canadian community. "... The Government's pattern of fiscal policy saving is money ploughed back into industry itself ..." he remarked. "... Such retained funds are, therefore, the seed corn of industrial growth. Far from being anti-social, they are a social necessity."

Another highly significant influence on Canada's course, Mr. Gardner stated, would be the role assigned for the functions of government. "... There seems to be an increasing tendency to run to government for

REASONABLE RATES PROMPT SETTLEMENT

The Mechanics Association Replies to Board of Trade

The Automotive [illegible] section submitted the following article for publication:

The Vermilion Automotive Mechanics Association, at their regular meeting on June 4th decided that a reply should be made to the Board of Trade's article appearing in the issue of the Vermilion Standard.

It is implied by the Board of Trade that by closing Saturday afternoons the automotive service would be completely cut off. This will definitely not be the case, as the regular gas, oil and emergency service will be available the same as on Wednesdays and holidays.

This Saturday afternoon closing was discussed between the Mechanics Association and the Vermilion Automotive Trade Association (i.e. garage owners association) last August and the Trade Association wanted the discussion postponed until January, 1953, so that public opinion, etc., could be gathered and then decide as to whether the move to Saturday afternoon closing would be feasible or not.

We believe the Board of Trade were in possession of the above mentioned facts and we feel the Board of Trade should not have thrown this at the annual Automotive Trade Association had their January meeting.

We feel that the Board of Trade's argument is based entirely on mythical supposition, and is an echo of the same old cry emanating from much the same sources as was raised at the time when pro[illegible] citizens were attempting to have the store and shop hours reduced from 16 hours to the present 9 hours per day.

The Board of Trade states that the automotive service in Vermilion is excellent. We feel that this excellent service could be improved, not only to the general public, but to the garage owners themselves, by only having the one break at the end of the week.

Our belief is supported by the results of our questionnaire and of our interviews with neighboring towns of St. Paul and Elk Point, that have had this schedule in force for several years.

The Board of Trade is in favor of the mechanics having Wednesday afternoon free to attend the various functions in town and neighboring districts. In a majority of cases this is impracticable, as our children are usually at school in the afternoons during the week.

Why is the Board of Trade so concerned about the mechanics' local service being closed on Saturday afternoons, when other public services such as banks, elevators, town office, municipal offices, etc. are closed on Saturday afternoons?

We wish to express our thanks for the support given us, and if we get Saturday afternoon closing, we hope that not too many of our customers (as mentioned by the Board of Trade) will be forced to go to the smaller towns, such as Claymore and Borradaile to do their Saturday shopping.

Insulation Known To Primitive Man

Insulation has been important for thousands of years in man's search for comfort, whether he lived in the polar regions or in the equatorial deserts. The first insulation was protective clothing. Then Man found that certain types of building materials made his shelter far more comfortable. But as recently as 30 years ago, insulation was used mainly to conserve heat and fuel. Today, it is used to make homes more comfortable. But as recently as 30 years ago, insulation was used mainly to conserve heat and fuel. Today, it is used to make homes more comfortable under the extreme temperatures endurable.

The purpose of insulation is to retard the passage of heat, either from inside to outside, or from outside to inside of a building. Insulation does this by acting as a barrier to slow down the rate of heat travel.

In choosing insulation, be sure to ask these questions:

1. Is it efficient?

2. Is it fireProof, not merely "fire resistant"?

3. Is it permanent, or will it deteriorate in time, making replacement and expensive repairs to the building itself necessary?

4. Is it vermin-proof, particularly rat and mouse-proof?

5. Can complete coverage be assured?

One insulation that meets all these requirements is expanded vermiculite. It has the added advantage of being easy to install. No special equipment is needed and small homeowners can do the job themselves. Vermiculite flows readily into all cracks, into hard-to-reach corners and around pipes, wires and other obstruction, to make a full uniform thickness. It is so light weight that it can be handled by a woman or child.

Vermiculite comes packed in four-cubic-foot bags. One bag will cover 12 square feet three inches thick. Expanded vermiculite is sold under the trade name Zonolite and is available at Scott Vermilion lumber and building supply dealers.

Kitscoty News

Mr. and Mrs. Archie McLean and Mr. and Mrs. Ralph Cooper were the recent visitors to Edmonton.

Mr. and Mrs. George Meiergeer and family were week end visitors to Edmonton.

Mrs. Jas. Mrs. Ken Gray spent part of last week in Edmonton the guest of Mrs. Betty Gray and Ella Pidlaski, home for the week end when they attended the Hitchcock wedding. Betty is the cousin of bridesmaid.

Mr E. Moss is in Edmonton for a medical check up.

Mr. and Mrs. Chris Cairns Sr. of Vancouver and Edmonton were week end visitors to Kitscoty.

Mr. R. M. Mathewson of Edmonton is spending a few days visiting with Mrs. Mathewson at the girls' down.

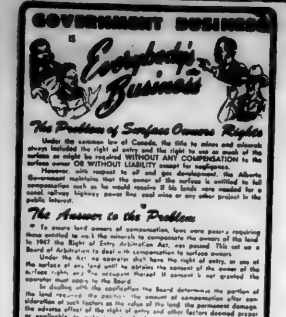
Mr. and Mrs. Howard Lawrence and family of Paradise Valley are visiting at the home of Mrs. Lawrence's parents, Mr. and Mrs. Alex Potter and family.

We are pleased to say that Mrs. E. Caspan (Muriel Hale) of Edmonton, a polio victim, is now able to sit up and is convalescing quite steadily.

Mr. A. W. Govier recently spent a week in Edmonton visiting his son Bill and family and his daughter Mrs. Ken Sykes and family.

The Ladies Auxiliary to the Canadian Legion Kitscoty Branch, B.E. 231,

GOVERNMENT BUSINESS



The Problem of Surface Owners Rights

Under the common law of Canada, the title to mines and minerals always included the right of entry and the right to use as much of the surface as might be required WITHOUT ANY COMPENSATION to the surface owner OR WITHOUT LIABILITY except for negligence.

However, with respect to oil and gas operations, the Alberta Government maintains that the owner of the surface is entitled to full compensation such as he would receive if his lands were required for a railway, railway highway, power line coal mine or any other project in the public interest.

The Answer to the Problem

To assure land owners of compensation, laws were passed requiring those entitled to such to be reasonable to compensate the owners of the land to 1947 the Right of Entry Arbitration Act, was passed. This set up a Board of Arbitration to deal with compensation to surface owners.

Under the Act no operator shall have the right of entry, or use of the surface of any land until he obtains the consent of the owner of the surface rights or the consent thereof is given or granted by the operator must apply to the Board.

In dealing with the application the Board determines the portion of the land required, the period, the amount of compensation after consideration of such factors as the value of the land, the permanent damage, the adverse effect of the right of entry and other factors derived proper or available to make sure the land owners receive fair and generous treatment.

GOVERNMENT OF THE
PROVINCE OF ALBERTA

1000 New Canadians Each Day

Today, tomorrow and for every day next week, or for every day this year, 1000 Canadians are born, 340 die. And 600 immigrate to this country, across the Financial Post.

For every day this year there are well over 1000 new people to feed, to clothe, and eventually to buy refrigerators, motor cars, houses. Every month there is added to the consumers' market as many people as live in Brantford, Barrie or Port Arthur, more than live in New Westminster or Moose Jaw and twice as many as make their homes in Fredericton or Medicine Hat.

There can be some looking ahead too. Estimates of population run to 20 million by 1970, as high as 40 millions by 2000. Some say twice as many cars in a few years, and, we hope, twice as many roads for them to run on. And rapidly increasing metals consumption, greatly improved technology, the new and vast use of atomic power, are certain to come.

Today there is one half as much again in real income to be spent by every Canadian as there was in 1939.

The years ahead, indeed in the lifetime of many now living, should see our standard of living and tripling that 1939 level of well-being. The result, more Canadians, with much more to spend, says The Post.

Xmas Seal your Xmas mail!

Woodvale News

We enjoyed the correspondents' banquet and get-together with a few members of the Standard staff on the evening of Nov. 25th and were delighted to meet so many people with the same interests and hobby. We were sorry to have to leave early, just when we were getting better acquainted and settling down to some information. May we have many of these pleasant meetings in the future!

Provost Trophy

Sometimes we have to go far away from home to hear the local news. We were at the Agricultural Society meeting when we heard of the presentation made by Mr. S. C. Heckbert and Mr. W. Barr to the Ganton school children of the silver trophy for their school work classes at the fair. The four young girls, who are left of the nine children who contributed work last year, must have been very proud, when they received the award. May they inspire the other pupils of the new consolidated school under Miss Thompson, to compete that prize again in 1953.

Visit Scotland After 41 Years

Mr. Andrew McQuid and his twin brother from Dewberry left for a visit to Scotland last Friday They came from Scotland 41 years ago and have never been back. It will make a grand re-union with their brothers and sisters and we wish them a very pleasant journey.

Kaare Seite is reported to have been the only one who had any success on the recent hunting trip undertaken by Bert Portsmith, Art Lyscom and Kaare.

Herman Walters and Ralph Thomsen tried their luck hunting near Bronson Valley, but never saw any game.

Otto Walters took some cattle to Edmonton last week and is staying over until the 12th as a delegate to the F.U.A. convention. He will give his report on Dec. 16th in Ganton school.

Lee Lyscom is now able to walk around with the help of a walker. He hopes to get a brace soon for the knee that still gives him trouble and then to be able to come home for Xmas!

Red Cross Elects Officers

The Ganton-Watson Red Cross auxiliary held its annual meeting at the home of Mrs. Betty Lyscom on Dec. 3rd with 8 members present. The secretary most unfortunately lost her annual report on the way to the meeting. As there was no quilt to be worked the whole afternoon was devoted to discussions, election of officers, the exchange of books and magazines.

Plans for the next meeting when Miss Shirley Holms, our district nurse demonstrat will give a talk on bazaar ideas. This meeting will be held on Jan. 7th at the home of Mrs. H. Portsmith.

New officers for the coming year are: President Mrs. M. Watson.

Quality Jeweller

Vice-Pres.—Mrs. Betty Lyscom; Secy-Treas.—Mrs. D. Van Wagenigen; Work Convener — Mrs. A. Portsmith; Librarian—Mrs. D. Portsmith; Sick Convener — Mrs. G. Walters. How does it come ladies that an absent member got on that list and three persons present managed to stay out of a job? It is hoped there will be a big turn-out at the next meeting and visitors will be very welcome.

The telephone wires are now all strung on the new poles and everyone is waiting for the arrival of the boxes.

Drilling Move Gas-Oil With

The Regent Drilling Co. is once again busy in these parts and the whirr and whine of the outfit — sometimes resembling the wail of a banshee- can be heard for a great distance. A bulldozer made a road from the coulee bridge half way up the side hill to the well-site and levelled out a piece of ground for the buildings and equipment. Another spot is being prepared just across the coulee from there, west, on top of the bank, this time on the Maire place.

Here's A Business Going to the Dogs

The feeding of Fido, once regarded as adequate with mealtime left-overs, is now a multi-million dollar industry in Canada.

Last year, the nation's purebreds and mongrels gobbled up an estimated 50 million pounds of canned dog food, valued in excess of $7,000,000. This contrasts sharply with the records for 1939 when the canned canine delicacy first became popular in the dog-eat-dog field. In that year the total output was slightly more than one million pounds with a gross value of some $75,000.

"By putting millions of dollars in circulation through purchases of raw products and supplies, dog food industry helps business in many localities across the country," stated S. F. S. Jones, sales division manager of the American Can Co., which perfected the modern food can, making possible the canning of dog food and many other products. "In its normal turnover, the money from canned dog food sales becomes income for cattle farmers and wages for workers in canneries, packing houses and container manufacturing plants".

Government tinplate restrictions during World War 2 held canned dog food production to 118,000 pounds in 1941, the can-making company official disclosed. Since the lifting of restrictions, volume soared to the all-time peak and gives promise of another big year in 1952, he said.

C.N.R. Introducing New Train Service

MONTREAL. — A new type of transportation railway service using highway trailers, will be introduced on Canada on Jan. 1 by the Canadian National Railways.

Under the new plan, railway owned trucks will haul company trailers to railway freight terminals. There the trailers will be placed on specially-designed flat cars and transported in fast freight trains to their destinations where they will be attached to trucks and hauled to plants and warehouses.

The inauguration of the new new freight service follows studies by company officers of highway rail transport systems in the U.S. and Europe. The initial operation will be between Montreal and Toronto. Its development will be watched for possible extension to other sections of Canada.

The new service has three marked advantages in freigh: handling operations. It will speed the movement of merchandise traffic, reduce its handling in railway freight warehouses and curtail loss and damage claims.

Sixteen Years Ago Today

Dec. 10th, 1936 —

Broadcasts f.. day direct from London announce the abdication of King Edward 8th.

The board of trade was working on having some bad spots and dangerous corners on the highway rectified.

Weather was variable, rising and tumbling in quick fashion with temperatures predominating. Friday it was 31 below; Saturday 34; Sunday 37; Monday -18, Tuesday 0, Wednesday -25.

Art Macomber was elected president of the Vermilion Local A.T.A., Ken Creighton was vice-president and Dorothy Oakley secy.-treas. Miss E. Capsey was press reporter.

Thirty-two Years Ago Today

Dec. 9th, 1920

At Monday's meeting of the town council the resignation of Miss Nellie Long was received with regret. Miss Long plans on leaving for California shortly.

The Civil Service commission has appointed W. E. Sutton as sub-collector of customs at Vermilion, to succession to J. B. Sanborn, resigned. Mr. Sutton will assume duties at once.

All municipal offices in the town of Vermilion were filled by acclamation as follows: J. W. G. Morrison, Mayor; Bert Duncan, Matt Brimacombe, and Fred Long, councillors; W. F. Pilkie and Jos. Bannon, school board.

9 to 12 p.m., commencing July 19th Good orchestra, admission 50c. Under auspices of the Clandonald Community Affairs Society. Refreshments.

Dewberry News

A very interesting time was held at our annual school meeting on Dec. 4th in Dewberry hall. superintendent's reports, also report by board member R. Mead and Secretary J. R. Robson were thoroughly discussed. About 3½ mills on the pound will be levied for construction above and it was also decided out that the division paid about $270 per pupil last year for his or her education.

John Porter has been appointed to help with the caretaking duties of the school here, taking over Mr. Fourace's place. Mr. Bob Fourace who was our Wheat Pool agent here for 8 years has transferred to Brenner nearer the city.

The classroom of grade 4 pupils honored Beverly Fourace with a purse and dresser set before her departure to her new school at Brenner.

Dewberry Curling club has elected its new officials for the year. The president is W. Parker, Vice-president Stewart Hartwell and Secretary T. Bloomer, (or will none) be ready and an open local spiel is planned to start the season.

Shipping fever has taken several head of cattle in our district despite early vaccination, Joe Braithwaite has lost four head.

Frank Bowman and party have returned with their allotment of game, all moose. While hunting in the Nighton district he came across the heads of two large bull moose with antlers firmly locked together. They apparently died that way last summer while engaged in mortal combat. He brought the heads home with him. It is very uncommon to find moose horns locked together and Mr. Bowman is thinking of donating these heads to some museum.

Harold McKnight had an embarrassing moment this fall when a prairie chicken landed on the roof of his car while he was in the process of getting shells out of the car for his gun. Sure you guessed it—chicken got safely away.

Headley Denault and Sandy Ewen are busy these nights flooding the skating rink. It costs so much to operate this rink over and above returns from season tickets that a voluntary donation is being planned from people who have an interest in future activities for the winter of all boys and girls within the district. The sport of skating should not be overlooked by people who have become interested in other activities such as curling etc. We are inclined to forget the children and what they have to do other than roam the streets or country side.

Mr. Robert Finlay recently held a closing out auction sale and is at present in Edmonton. John Finlay is living on the farm.

Leo Malata has accepted a position in the local Coop store. His starting pay are being handled by Alvin Iser.

The names of the baseline goals in the boys' band are: Floyd Wood, Garry Prusch, Jackie Young.

Jack Martin who left Dewberry this fall is now an employee of Lee Poole Construction Co. in Calgary. He is putting in extra time as a postal clerk during the Xmas rush.

We extend our congratulations to a bride of late month, formerly Miss Mary Melvin of Dewberry to Richard Peterson of Vancouver.

Mr. John Scott of Edmonton was a week end visitor to Dewberry. He still looks hale and hearty.

Your correspondent would appreciate news of interest for this column so tell me or drop a note in my mail box. Let's hear of your strange happenings, travels etc.

Pleasant Valley

The weather is still nice and in frost-covered trees are lovely, lending a real yuletide appearance to the Xmas season.

Mrs. Peckelly, Mrs. Repp, Mrs. Gillies and Mrs. D. Gould spent a very jolly afternoon at the home of Thelma Robinson on Wednesday. It was also Mrs. Gillies' birthday a little over half a hundred years young.

Everyone seemed to be in attendance at the card party and shower at the hall on Friday night in honor of Mr. and Mrs. Jack Morrison. A very enjoyable evening was spent.

On Sunday a week was held at the Sherwood home with 21 in attendance. The next service will be on the 21st at the home of Mrs. Bert Gould. This will be the Xmas service. Everybody welcome

A welcome to our district is extended to Mr. and Mrs. Ken Reid who have moved into the big house on the Monaghan farm.

Mr. and Mrs. Jim Gould family motored to Vegreville to visit son Maurice and family.

Mr. and Mrs. Waterfield were dinner guests at the Clark home on Sunday.

A damp climate does not cause tuberculosis and a dry climate does not cure it. Only the tubercle bacilli has causes TB. It is found in all climates and cured in all climates. The earlier a case is found the easier and quicker is recovery. If

NOW ON DISPLAY new 1953 Meteor.

MORE OF EVERYTHING...MOST FOR YOU!

See the most beautiful, most exciting of all new cars in the low price field . . . the superb new '53 Meteor! From "gull wing" grille to jet-style tail lamps, this new Meteor is miles ahead in style and value. New body colours—smart upholstery fabrics are "tone-blended" for dramatic new beauty.

A greatly improved "ride system" gives an entirely new sensation of confidence and comfort. You'll ride more safely, more quietly, more smoothly than ever before! '53 Meteor offers three great series . . . two V-8 engines, including 120 H.p. "Fury" V-8 in Customline and Crestline models, the result of 20 years' research by the world's largest manufacturer of V-8 engines . . . Merc-O-Matic Drive or Touch-O-Matic Overdrive (both optional at extra cost) or Silent-Ease Standard Transmission. For more of everything . . . most for you . . . see the new '53 Meteor now on display!

The World of Wheat
By H. G. L. STRANGE
Director, Research Department, Searle Grain Company, Ltd.

A New Valuable Service

Last summer I was privileged to attend the Estevan, Alberta "Soo" the Soil Society farm meeting, a field day at Victor Watson's farm at Alsike, Alberta and the Weyburn District Agricultural Board in Hamilton. I was greatly impressed with the great work these organizations are doing.

Small local field days such as these I believe are well worthwhile. One or two of the experiments is that a local farmer gives a demonstration plot of six or seven recommended varieties of wheat, oats, barley and flax, so that neighboring farmers can see with their own eyes exactly how the various varieties behave in each particular district; then as the varieties ripen a small field day is held with the farm owner and his neighbors, at which time the District Agriculturist presides, and most valuable information is obtained.

The "Crop Testing Plan" makes up each year, for its own use, hundreds of sets of such seeds so now with our **Crop Testing Plan**" demonstration plots. If there are any local farm improvement organizations which would like to sow sets of these seeds the "Crop Testing Plan" will be glad to supply, before spring, a complete set ready for seeding and free of charge.

YOUR TAXES — Remember to pay your taxes before the end of this year and avoid the 5% penalty 23-1x

Solicitor for J. W. G. Macmillan, Q.C., Executor of the Estate. 23-3x

Wildwood

Mrs. A. Heppenstall is having several days rest in hospital. Her friends are wishing her a speedy return home.

Mr. and Mrs. Alvin Cook and family of Edmonton visited Mrs. Cook's parents recently.

Mrs. David Drysdale went to Edmonton to visit her daughter Mrs. Chas. Shand.

Mr. Neal Redmond left last week by car for his home in Vancouver.

Mrs. Frank Pringle and baby daughter are visiting her parents Mr. and Mrs. R. F. Stallion.

Mr. and Mrs. Robt. Shattuck have taken up residence again in Vermilion for the winter.

Mrs. Norman Brown was hostess last week to the ladies of the district. Though it was a fine afternoon many members were conspicuous by their absence.

The district children held a very successful dance in the hall, proceeds of which are to be used for their Christmas tree planned for Dec. 19th.

Mr. and Mrs. Harry Wheadon returned last week end after a short visit in the Peace River country.

Mr. Robt. Drysdale and Mr. Neil Shook are delegates to the F.U.A. in the capital this week.

Mr. Ted Wheadon and Mr. Geo. Jack were delegates at the Social Credit convention in the same city last week.

Tuberculosis is one of our major health enemies. Hundreds of Canadians die of this disease each year. Buy Christmas Seals and help eradicate this killer. tf

Local News of Interest

Men's Club Meet At United Church

The United Church Men's club met for their December meeting in the hall of the church, Monday night, Dec. 8th.

The hosts for the evening, G. Stephens and D. Polk served a much appreciated luncheon.

In the absence of the President, the Vice-President Frank Welsh presided. There were about 20 present.

Dr. Stephens accompanied while Dr. King led the group in the singing of Christmas carols.

Rev. G. L. Collins, of Forestburg, was guest speaker for the evening. Mr. Collins reported on the recent sessions of the General Council of the church held in Hamilton, Ont. The speaker threw out a real and searching challenge to the men of the church to better serve the cause and extend the Gospel of Jesus Christ through the ministry of the United Church in Canada.

Visit Old Homes After 32 Years

Mr. and Mrs. James H. Holden left last Friday night via C.N.R. on the first stage of a trip to England. They called on board the Empress of Canada from St. John on Dec. 10th and will land at Liverpool England on Dec. 15th. This is their first trip home since coming to Canada 32 years ago Mr. Holden's mother lives in London and is 99 years of age. While Mrs. Holden's old home is at Swindon where her mother, aged 86 years, resides. Mr. and Mrs. Holden will not return until the end of April or early in May.

A TRIBUTE

Public acknowledgment should be paid to the boys of Clifton Webb and Jeanne Crain.

Friday, Saturday, December 19th, 20th and 20th

A double feature program — 3½ hours running time

"AMBUSH", a thrilling outdoor drama starring Robert Young: "THE LADY TAKES A SAILOR," a Comedy with Jane Wyman and Dennis Morgan. Sat. Matinee 2:30 p.m.

Curling at Buffalo Coulee Rink

The curling season at Buffalo Coulee commenced on Monday, Dec 8th with a mixed bonspiel and 10 rinks are taking part. Ten new curlers have already signified their intention to take up the roarin' game at Buffalo Coulee this winter and a very active season is expected.

BABY CLINIC DATES

The Minburn-Vermilion Health Unit will hold baby clinics at the following times and places:

Vermilion— Monday, Dec. 15th, 2 to 4 p.m.

Innisfree—Tuesday, Dec. 16th 2 to 4 p.m.

Mannville—Friday Dec. 19th, 10 to 12 a.m.

Minburn — Friday, Dec. 19th, 2 to 4 p.m.

Vermilion—Monday, Dec. 22nd, 2 to 4 p.m.

O.O.R.P. NOTES

A few Ladies of the Order of the Royal Purple visited the home of Mrs. W. J. Pettigrew recently to honor Mrs. Firth on her 85th birthday. The visit was served and a very sociable afternoon spent.

George Capatos was the winner of the Lazy Boy chair given away by the O.O.R.P. during the Elks' carnival. Thanks are extended for the support received from the public in this project.

A letter has been received from Lady Logan of Athabasca, Sask., wishes to be remembered to all the members. She says that she enjoys the comradeship and the sociability of the O.O.R.P. meetings.

The following additional donations to the Cancer fund in memory of Miss Dorothy Oakley, have been received: Ted and Tilda Mihaly, Ethelbridge; J. W. G. Morrison, Mrs. Powell and family, Mr. and Mrs. R. Chrisp.

Death of Mrs. Norman Ganton in Edmonton

A former resident of Vermilion where she lived for many years, Mrs. Sarah Jolly Ganton, beloved wife of B.C. Norman Ganton of Jasper, passed away in Edmonton on Dec. 6th after a lengthy illness. Funeral services were held Saturday with interment at the Westlawn Memorial Park.

She is survived by her husband; two sons, Earl Robert of Moncton, N.B., and Lyle Herman of Pelawana, Ont.; her mother, Mrs. R. P. Scott of Edmonton; two brothers, Orville S. Scott of Vancouver, B.C., and William W. Scott of Edmonton; three sisters, Mrs. R. C. Thomson of Lewberry, Alta., Mrs. H. Freeman of Camrose, Alta., and Mrs. C. Grant of Dewberry; also five grandchildren.

STAGETTE NOTES

A very impressive ceremony was held Tuesday night when nine new members participated in the Stagette Candlelight Initiation. The girls stood their former initiation stunts very well. In their three months probation have proved themselves worthy additions to the club.

Last Tuesday night the Stagettes had some excellent sandwich experience we served lunch at the Builder's concert and dance.

Checking list: Dec. 13—Merle and Olga. Dec. 20 — Berry and Joan: Dec. 27—Evelyn and Lil.

Don't forget the Holly Frolic on Dec. 26th. The Stagettes will not be in uniform but you will be able to recognize them by the corsages decorated with our black and white ribbons.

By the way Stagettes, don't forget our Christmas party at Molly's on Dec. 18th.

Youth Takes Initiative

There have been growing misgivings among statisticians that the average Canadian farmer is getting too old, the assumption being that youth is fleeing the farm for better opportunities in urban centres.

Recent events, however, have shown that farm life can hold a rosy future for the rural youngster. There is the case of 16 year-old Ronald Leonhardt of Drumheller, Alberta. Last April he planted three acres of Marquis wheat on his father's farm and harvested 25 bushels per acre in the fall. He entered a sample at the Royal Winter Fair in Toronto — and won the world's wheat championship.

Last year another Alberta youth, Howard Koeppel, was world's wheat king and in 1950 the crown was captured by 13-year-old Ricky Sharp of the same province. At the Royal this year a youngster from Ridgetown, Ont., Daniel Chanik, was awarded the world's wheat championship in soybeans.

The fact that these boys now hold our wheat growers for the world's highest honors indicates there are rich opportunities for youth on the farm. This was realized, of course, by the early sponsors of the growing junior farmer movement — the 4-H club. This organization was formed to give farm youth (boys and girls) a better understanding of farming as a way of life and farming as a business. Today there are some 80,000 young farmers belonging to 4-H clubs across Canada. Among these are young Leonhardt, Koeppel and Sharp.

An organization which can help mould three successive world wheat kings certainly merits the praise of every Canadian.

Cap. F. J. MacDavid

Services this week end at The Salvation Army will be conducted by a former Commanding Officer of the local Corps, Capt. F. J. MacDavid of Drumheller. Capt. MacDavid is a gifted speaker and singer, and will conduct services on Saturday, Dec. 13th at 8 p.m. and Sunday Dec. 14th at 11 a.m. and 7.30 p.m.

Letters to the Editor

Vermilion, Alta, Dec. 8

The Editor,
Vermilion Standard

Dear Sir

At the present time a Calf club is being organized in the district and both boys and girls between the ages of 12 and 18 years are cordially invited to join. The club will operate under the direction of Mr. Buckingham, District Agricultural Representative. Anybody interested in assisting boys and girls desiring to locate suitable calves and a special committee has been set up for this purpose.

It is not necessary that the calves be pure bred and the valuable training to the boys and girls through the calf club plan should not be overlooked.

A considerable number of special prizes are being made available for the season of 1953 and those interested may leave their names with the Agricultural Society office near the end of May when the calves are available.

Yours very truly,

S. C. Beckbert, Sec-Man
Vermilion Agric. Society

Vol. XLIV. No. 24. Vermilion, Alberta, Thursday, December 18th, 1952. $2.00 per Year

Sponsored By The Board of Trade

Farmers' Evening Much Enjoyed

The gathering of 93 farmers and board of trade members at the Anglican Parish hall Wednesday evening, listened to a most entrancing story of the changing pattern of agriculture as unfolded by Dr. McCalla, Dean of the Faculty of Agriculture. The speaker went back as far as 200 years in some branches of farming and the talk enhanced by stories of bring home his mistakes points, could well make a very interesting book. More changes have taken place in the last 100 years in this basic industry than in all the rest of history. The application of basic and fundamental science to farming has developed more in the past 30 years than ever before. It wasn't many years ago that farm laborers gathered and burned a threshing machine in the United States on the grounds that it had robbed them out of jobs, caused a surplus of labor—and now as Dr. McCalla, with all the modern machinery just rolling and get farm help. It wasn't long ago either that there developed a big controversy raged as to whether farmers would ever replace oxen as farm power; and in this time the same debate took place with regard to horses and tractors. The tractor was first regarded as a machine to be used in threshing time only. It was not only the big physical aspect of agriculture that the speaker touched on with development of improved grains, higher yielding varieties, possibly, disease resistant varieties, possibly of soil. Great strides have been taken in the past 10 years and in regard to all of the above. Dr. McCalla did not overlook the livestock branch of farming and pointed out that the basic principles of animal breeding today were unknown 200 years ago, and gave a very interest ing but brief history of the development of the dairy and beef breeds. It is only since 1914 that such factors as balanced rations and nutrition have received any study or thought. As a result of these the modern cow market a hog in six months instead of feeding it for 8 or 9 months as formerly.

Dr. McCalla stated that it was well to be cautious in this time of rapid change, some jump at new things and new varieties before they have been proven, while others take the negative attitude of what was good enough for father is good enough for me. There is the happy medium and that is the course to follow.

An observation made by the speaker that the small farm was the No. 1 uneconomic problem in Alberta, caught the attention of the farmers present and was the subject of considerable discussion among groups at the close of the meeting. In 1930 there were 100,000 separate farms in Alberta, this decreased to 90,000 in 1940 and to 80,000 in 1951. The individual farm unit increased while the land under cultivation showed a big increase in acreage. This is contrary to what is believed by quite a few and is brought out by cutting down the amount of manual labor by modern mechanization. Food is the most important thing in the world, especially in times of trouble.

Local Farmers' Banquet

The occasion was the Farmers' night and banquet held annually by the Board of Trade with arrangements carried out by the agricultural committee of the Board. Mr. J. E. Richardson acted as chairman with the catering by the Happy Hour group of the Anglican church. The excellent meal was ably served by the ladies who have become past masters in the art of preparing the food and serving banquets. Decorations in Xmas colors and using the Christmas tree theme were pretty and effective and came in for favorable comment.

Introduce 4-H Members

Mr. George Black, supervisor of junior clubs for the Department of Agriculture was present and told of the 4-H clubs in Alberta prior to introducing the special guests of the evening, Miss Christine Mor-

(Continued on page two)

Get 2 Million Cubic Feet Gas Flow At Vermilion Test

Amalta Oils Ltd. and Vermilion Consolidated Oils Ltd. have struck a natural gas pool at the Colony sand at their joint venture in the Vermilion area of central east Alberta. Rig from that gusswell will be shifted to another driller for the team, and the gas success will be completed with a service rig.

The new gasser is Amalta-V.C.O. No. 2, in NW¼ and 3-29-6-5, over one mile from previous gas wells in this area. Drillstem test in the Colony sand at 1080 feet, gave a maximum natural gas flow rate of 2,000,000 cubic feet per day, having of production casing has been set preparatory to connecting well to the Pioneer Public Service system of supply to Vermilion town.

Contractor Regent Drilling Co. will move rig from No. 1 well to Amalta-V.C.O. No. 5 in NW¼ and 9-29-6-5, about ½ of a mile northeast of the No. 2 gas well.

Meanwhile V.C.O. No. 25 in NW¼ and 8-29-6-5, about 2¼ miles north west of the other two wells, was abandoned on Dec 6th by contractor Lloyd Petroleum Drillers Ltd., and has as its objective the Lower Cretaceous sand, at around 3000 feet.

High School To Hold Public Program

MEDALS TO BE PRESENTED — ENTERTAINMENT NUMBERS PLANNED

On Tuesday afternoon Dec. 23rd, the Junior and Senior high schools are presenting a short public program beginning at 2:00 p.m. in the new auditoria. There will be music, dances, plays, mystery items and fun.

At the same time tribute will be paid to the achievements of four track meet winners and the Governor-General's medalist by presenting them with their awards. It is hoped that many parents will find it convenient to attend this affair.

Farmers' Bonspiel January 2 and 3

Thinking that it is about time the farmers of the district had a little relaxation after the Xmas festivities, the business men of the town, through the Vermilion Curling club, are holding the annual Farmers' Bonspiel on Friday and Saturday Jan. 2 and 3. There is room for lots of fun and no doubt many will have ever good a feel, get yourself a quartet and come on in — the curling's fine. Every farmer is not only invited but urged to come in for this outing. The bonspiel has become more popular every winter and the waiting room is always crowded with sociable spectators. Lunch is served on the whole affair is one big two-day picnic.

2-4-3c

Trustees Re-Elected In Vermilion School Div.

During the week ending Dec. 6th annual meetings were held in each of the six subdivisions in the Vermilion school division. At these meetings, superintendent's report, board report and budget and financial statements were presented by the officials.

Nominations for the position of Divisional trustee for a period of three years were required at McLaughlin for subdivision 1 and at McLaughlin for subdivision 3.

In each case only one nomination was received and the retiring trustee declared re-elected. Mr. Arthur Clarke of Paradise Valley will continue to act as trustee for subdivision 1 and Mr. W. L. Brown of Islay will represent subdivision 3.

Extra Shopping Hours For Christmas Rush

Stores are providing extra shopping hours for the Christmas rush. There is always the late shopper or an overlooked gift purchase to be made so that extra store time will come in delightly handy. On Tuesday Dec. 23rd the stores will all be open until 9:00 p.m. then on Wednesday, Dec. 24th they will open again until 6:00 p.m. instead of observing the half holiday. This means three hours of extra shopping time on Tuesday and six extra hours on Wednesday and should prove the late shoppers paradise.

A resume of shopping hours for the next two weeks: Tuesday, Dec. 23, open until 9 p.m.; Wednesday, Dec. 24, open until 6 p.m.; Xmas and Boxing Day (Dec. 26) stores closed; Saturday Dec. 27th, stores start winter closing hours and close at 6 p.m.

Albert C. Branham, Pioneer of 1906, Passes Away

Another old timer of the Vermilion district passed away in the person of Albert Charles Branham who died at the Vermilion hospital on Monday, Dec. 15th. He was 83 years of age.

Mr. Branham settled in the Ottawa district when it was first homesteaded in the year 1906, farming there until 1942 when he retired and moved into town. He is survived by four daughters, Mrs. J. R. Thompson with whom he made his home, Mrs. Hester Ekkford of Vermilion, Mrs. W. A. Ford in Seattle, Mrs. A. Chesney of Vancouver and two sons, Emmett of Pontiac, Mich., and Hassell at Westlock. There are 13 grandchildren and 15 great grandchildren. Two brothers live in India.

Funeral services were held at the Allaster chapel on Wednesday Dec. 17th at 2:00 o'clock in the afternoon with interment in the family plot at the Ottawa cemetery. The Rev. E. Derg officiated.

Moyer's were in charge of the arrangements.

Viking Lions Here Saturday

OPENING GAME OF LEAGUE

Viking Lions roar into Vermilion this Saturday evening for the opening game of the Eastern Alberta Hockey league, and it will be the first time a Viking team has ever appeared on Vermilion ice. Both teams have few enough practices and their records at present lean towards the unknown column. However Vermilion Tigers have had plenty of young aspirants turning out to practice and Coach Elmer Kreiser thinks that he can build a formidable squad out of the material.

With fine weather and open road prevailing at the present time a well-out crowd is looked for Saturday at the arena. In goal for the Lions will be happy Jim Taylor who for several seasons capably filled the Vermilion nets.

First Annual Carol Festival Dec. 22nd

BY COMBINED CHOIRS

Plans are now completed to hold the first annual Christmas Carol Festival which is slated for Monday evening Dec. 22, at 8 p.m. in the United church, and a very strong invitation is extended to one and all, to take part in this program. The program is attractively arranged with numbers being suitable to give the audience a chance to participate, songs, a duet, a soprano solo, mixed quartette and musical arrangements for some of the numbers. The whole program is culminated with the singing of the Hallelujah Chorus' from the Messiah. This majestic item calls for a fitting climax and is well handled by the United and Anglican church choirs, who have combined under the leadership of Mr. Jack Brown. The full program will appear in Express' columns next week.

Refreshments have been eliminated so that the full evening from a silver collection may be given to Capt. Chapman of The Salvation Army, to be used in their good work of spreading salvation at this Christmas time.

Red Cross Branch Reviews Year's Work

The annual meeting of the Vermilion Branch of the Canadian Red Cross Society was called but there was a small attendance no election of officers was held. However the executive present endeavored to transact the necessary business in order that the required reports might be sent to Calgary headquarters. Mrs. J. B. Robson, the vice-president presided.

Successful Blood Clinics and Campaign for Funds

Two very successful blood clinics were held during the year. The annual campaign was again carried out as a successful con-tinuation owing to the efforts of Mr. Robson and D.R. Mitchell and their workers.

500 Hear Old Time Fiddlers Contest

VIC RYSTROM OF LLOYDMINSTER WINS CONTEST

The Kinsmen Old Time Fiddlers contest held in the armories Tuesday evening Dec. 2nd played to the largest audience that the annual event has known seven years ago. Over 500 people paid admission to hear a top quality entertaining evening of old time music. Don Keith Jones in his usual good form as emcee for the evening aided by Keith Jones in presenting each of the contestants.

The winners were very close in points and the judges had a difficult time in awarding the prizes.

The winners were 1st, Vic Rystrom of Lloydminster; 2nd, Ken Sudsby, Wainwright; 3rd, Vernon Rush, Paradise Valley.

The winner was presented with $25 in cash and later with an engraved silver cup.

Other contestants were Ed Sommers, Minburn; Halvore Johnsrud, Lorne McLean, Geb. Stewart, Mac Stewart, all of Vermilion; Eugene Michels, Clandonald; Emil Zahacki, Derwent.

The old time dance which followed was enjoyed thoroughly by the 300 or more who attended.

The Kinsmen wish to thank Alex Morrison for again donating a turkey which was raffled at the dance. Also the general public for patronizing the event, and to 'A' Coy. The Loyal Edmonton Regiment for their

Swimming and Water Safety

Unfortunately the polio outbreak has prevented the swimming and water safety classes which were being attended with such enthusiasm by a large number of boys and girls.

J. Rokotalo and Miss Bohmer were in charge.

Junior Red Cross Work

Seven grades of Junior Children took part this past year in Junior Red Cross work and money was raised by selling calendars, candy, knitting, plaques, corsages etc. Toys and games were collected to be sent to the Red Cross Crippled Children's hospital.

Gaston-Watson W. A.

The Gaston Watson auxiliary has accomplished a very good amount of work, making quilts, raising money by operating a booth at the F.U.A. picnic and are ready for an other active year.

Help Many Articles

A shipment of 1230 completed articles was sent to Calgary in November and acknowledged with many thanks for the beautiful work. Credit for this work goes to men and women of the Knit-Wit club, Dick's Side United Church group, Vermilion district, town and country points.

Presentation to Mr. E. Katz

A presentation was made to Mr. E. Katz in November by Mr. D. R. Mitchell on behalf of the Red Cross in recognition of the fact that Mr. Katz had now given 10 or more donations of blood.

Before the meeting closed regret was expressed over the absence of the president, Mr. Tom Deck, on ing to illness. It was hoped that he would return from the coast fully recovered.

Mrs. Chrapko Heads Derwent Curling Club

DERWENT. Derwent Ladies' Curling club held a meeting recently and elected the following executive: President Mrs. P. Chrapko. Secretary, Mrs. S. Zaruiak. Treasurer Mrs. W. Kemp. The lunch committee consists of Mrs. G McConnell, Mrs. Bligh, Mrs. S. Ketyk and Mrs. J. Zalaski.

A new lunch room in which the women will serve lunch during bonspiels has been added onto the curling rink.

Vermilion D. A. Represents Alberta at Weed Conference

E. H. Buckingham, Vermilion's genial District Agriculturist, was appointed as Alberta's delegate to the annual Western Weed Control Conference, held this year, in Winnipeg. He accompanied C. R. Sterling, Provincial Supervisor of Weed Control. The Conference was held last week.

Mr. Buckingham was chosen as Alberta's delegate on the merit of an article "Weed Control at the Municipal Level" which all District Agriculturists and agricultural extension workers were invited to submit. In his essay Mr. Buckingham stressed the fact that all the extensive research on weed control will be of little value unless it is made readily available to the man on the land. Referring to the weed control work in which he has participated the District Agriculturist stated that six years ago no survey of the weed situation had been made. The Agricultural Service Board therefore gave its attention to this matter. For two years the supervisor and six weed inspectors endeavored to cover the large area, but could not cover the large area. The staff was doubled and for 3 years the 2500 farmers were contacted during each growing season. Weed records were compiled for every piece of farm land. This thorough investigation revealed that numerous infestations of toad flax existed in the southeast corner of the district. A special area for the eradication and control of the perennial weed was set by the A.S.B. with the co-operation of the Dept. of Agriculture, who share equally with the municipality the expenses involved.

Mr. Buckingham has been connected with Agriculture for many years. In 1921 after service overseas in World War 1, he received his Bachelor of Science degree in Alberta's Faculty of Agriculture and for three years was on the instructional staff of the Vermilion school of agriculture. Following a sojourn with the Dominion Experimental branch at Calgary, Mr. Buckingham returned to the Alberta Department of Agriculture as Assistant Field Crops Commissioner, a position he held for 12 years. He came to Vermilion as D.A. in 1942. During the last ten years he has taken a keen interest in the agricultural welfare and progress of the district. At various times he has been Chairman of the Agricultural committee of the Vermilion Board of Trade Secretary of the Vermilion Agricultural Society, director in the Vermilion Agricultural Society and an honorable member of two Agricultural Service Boards.

The prize-winning essay appeared in the Vermilion Standard two weeks ago.

LIBRARY OPENING IS POSTPONED

Due to the numerous activities scheduled for the evening of Friday, Dec. 19th, it has been decided to postpone the official opening of the new library, although the I. O.D.E. will continue to loan books as has been done for several weeks past. A new date for the official opening will be announced shortly after the new year.

Elks New Year's Eve Frolic

BIG TIME PLANNED FOR EVENING OF DEC. 31st

The big time is on for the year, the Elks New Year's Eve frolic will be held as usual with all the fun, favors and entertainers of previous New Year's eve celebrations. The night will of course be Wednesday, Dec. 31st and the place the Elks' hall. Watch next week's Standard for advertisement

Vermilion Man Falls Eighty Feet From Drilling Rig

Douglas Mix, son of Mr. and Mrs. J. R. Mix, was rushed to University hospital at approximately 7:40 p.m. Friday last.

Employed as derrickman for the S. & T. Drilling Co., Mix was repairing broken line when he slipped and fell 80 feet, caught another line, hit a gurt, then fell 30 feet to the floor of the drilling rig.

After receiving treatment for head and leg injuries Doug is now up and around. When questioned he stated cheerfully, "I'm lucky to be alive after falling that distance".

Members of Board Of Trade Enjoy Free Xmas Dinner

AT THE RIO CAFE

The twenty-seven members attending the regular weekly luncheon meeting of the Board of Trade on Wednesday came in for a double treat, the first was the full course Christmas dinner which Manager Suey Fore served them, consisting with turkey, Xmas cake, fruit, nuts and puddings with all the trimmings; and the second was that Mr. Fore announced that the dinner was on the house — in other words he was treating every member present to the meal. The genial host was moved a hearty vote of appreciation and came in for a complimentary speech by vice-president Keith Chalmers who was in the chair.

Sitting in a generous mood after the excellent dinner the business men presented the waitress with a silver table lip in appreciation of the very good services received over the past year.

Several newcomers were welcomed including Ken Greenwood the new agent at the Alberta Pacific elevator who was introduced by Ernie Clendenning. Gordon Allen, Percy Cowper, Bev Baldock and Harvey Tebbutt.

Next Meeting Wed., Jan. 7

Noonday luncheons of the Board of Trade have been cancelled for the holiday season and the next meeting will be on Wednesday, Jan. 7th at 12 10 noon in the Rio cafe.

P. Bielech Wins The Challenge in Derwent Farmers' Bonspiel

DERWENT. — A Farmers' bonspiel was held in Derwent on Dec. 12 to 14. Fourteen rinks entered the three events, nine to bring!

Better Than Money In the Bank

At the risk of being considered pessimistic, A. M. Wilson, Alberta's Field Crops Commissioner, states that the obvious time to prepare for the future is now, when we have won an abundant supply of seed, grain feed and fodder. Even now meteorologists are predicting the weather cycle to be swinging towards a series of drier years. The wise farmer provides for the future with an eye to climatic ups and downs. Never has there been a better time to hold in reserve quantities of seed, grain feed and fodder. These are safety holding in reserve sufficient the basic things which keep a for two or more years. This has been a practice of many farmers in the past. We commend ahem for their foresight, says Alberta's Field Crops Commissioner, and trust that others will profit by their examples. Mr. Wilson further notes that encouraging landmarks this season, are the stacks of hay and piles of baled feed. From this abundant supply any surplus should be safely guarded. Livestockmen must all remember the times when feed was more valuable than money in the bank.

farm predicting.

Many farmers will recall the situation a year ago, says Mr. Wilson, when seed grain in almost every part of Alberta was at a premium. Much grain that was planted as seed this spring, even though it had to be bought as seed was not good enough. Yet it had an abundant supply of seed, grain feed and fodder. Even now meteorologists are predicting the weather cycle to be swinging towards a series of drier years. The wise farmer provides for the future with an eye to climatic ups and downs. Never has there been a better time to hold in reserve quantities of seed, grain feed and fodder. These are safety holding in reserve sufficient the basic things which keep a for two or more years. S. R. P. COOPER — PUBLISHER

Vermilion, Alta., December 18, 1952

Your Christmas Greeting Advert.

Owing to Christmas falling on Thursday it is the intention to issue the Standard on Tuesday evening next week. Anyone desiring a Christmas greeting advertisement who has not already left the copy in the office, should do so immediately. The deadline deadline is Saturday noon, with no space guaranteed after that hour.

Early contributions of local news, country bulletins, and general news items will help considerably to insure the earlier issue of your home-town newspaper.

Good Year, 1952

Canada's gross national product, the total value of goods and services produced, is going through the roof again in 1952.

And well through it too. Estimates put it at over $23 billions — some 8% above 1951's record of $21.2 billions, reports The Financial Post.

First-half woes in many lines of producing, manufacturing and selling have given way to better days in the past six months.

Downward in 1952's figures is the fact that prices, only on a few points above last year's averages. However, in real term s of goods and services Canadians are producing and selling a lot more than they ever did before. And even after tax bites they are left with more to spend or save.

Looking ahead into 1953, the edge of growth will still be with us. It's investment, strong consumer desire for more and better things. Of course, there are some soft spots within the totals, some worries over export markets, plus many more restrictions on imports.

But if we can successfully counter these woes, there's the prospect for a broad basis of prosperity for 1953.

FARMERS' EVENING MUCH ENJOYED

(continued from front page)

rison and Mr. Bruce MacDonald. These young people represented the province as a poultry judging team at the Toronto Royal recently, placing third in the Dominion-wide contests.

Mr. Black was introduced by Mr. N. N. Bentley. Another speaker of the evening was Mayor S. C. Herbert who welcomed everyone present on behalf of the Town of Vermilion.

Ice Fantasy Draws Largest Crowd Ever To Vermilion Arena

The Ice Fantasy of '53, presented in the arena here last Thursday evening attracted slightly over 1700 people to the arena with quite a number turned away for lack of room. Not only were the regular seats filled but accommodation for hundreds was made on benches on the ice surface.

Headlining the attraction was Toronto-born Gloria Dawn, currently America's skating sensation. She has skated with the glittering Sonja Henie show when she quickly rose to the top. Other standouts with the Troupe was Roy Kreiger recently with the cast of Barbara Ann Scott and Yvonne Page, Canadian Gold Medalist.

The trapeze acts by the 'Flying Venettas' away up in the rafters of the arena added a breath-taking touch of fear as they leaped and spun high above the hard ice surface. No nets were used.

An old favorite and now a well-known figure, Bobby Hill, who at one time was a cowboy living in the Chandelair - Dewberry district, played the fancy of the crowd and he proved a big favorite and lived up to advance notices and the funniest clown on the ice.

Supported by Large Cast

These brilliant stars, supported by an all-Canadian cast of skaters, gorgeous costumes, under colored lighting, rendered the Canadian Ice Fantasy of '53 truly the most extravagant ice production ever to appear outside the big cities.

Boxing Day Is Proclaimed Holiday

Boxing Day, Dec. 26th has been proclaimed a holiday in the Town of Vermilion and all stores and business places will be closed on that day. This custom is practically Dominion-wide and has been followed for many years now. Stores will close at 6:00 p.m. Wednesday, Dec. 24th and re-open at 9 a.m. Saturday Dec. 27th.

TOWN TAXES — Remember to pay your taxes before the end of the year and avoid the 5% penalty. 23-1c

As long as one case of tubercular cattle exists in a community no person is safe. Help each other thwart dangerous spots of infection by buying Christmas Seals.

WILDMERE WINKS

We wish to congratulate Mr. and Mrs. Roger Rowe on the birth of a daughter, Judith, also Mr. and Mrs. Arnold Read of Triangle on the birth of a son Dec. 7th.

Cliff Crothers has gone north this week for a load of Xmas trees.

J. C. Wallington and Peggy Graham are Edmonton visitors on week. While there Jimmie will visit his sister and family at Derwent and Peggy will visit friends in the city.

Curling got off to a good start on the local rink with ten rinks lined up for the season. This is one more than last year.

The writer and family had a nice letter from Noel Garnett at Hay River, N.W.T. He reports mild weather there too and fishermen only able to fish on shore as you can still see open water, on the lake. They expect to employ around 300 men when ice conditions are favorable.

Anne Garnett left Wainwright on the 11th on the first lap of her journey to England.

We are pleased to hear Mrs. Ren dell of Hanna, B.C. is slowly improving in health. All your Wildmere friends were glad to hear this Mrs. Rendell.

Mr. and Mrs. Lloyd Howard and Laverne left this week on a holiday to Victoria, B.C., to visit with Mrs. Howard's parents Mr. and Mrs. Osburn and brothers Allan and William.

As this will be the last Winks before Xmas we wish our Editor and staff, all the scribes, and readers of our column a Very Merry Christmas. Please remember Hodgson we hear repeated so often If you are going to drive don't drink and if you must drink, don't drive, it will be a merrier Christmas for all.

Have you answered that Xmas Seal letter? 1f

Clandonald News

This weather we are experiencing is recalling to mind other winters which were almost as mild. This correspondent remembers that of 1925-26 as being very similar, 1930-31 also much the same once it cleared up following the severe October blizzard.

Many residents are taking advantage of the fine weather to take a few days holiday as well as getting much work done usually nearly impossible at this time of year. The recent P.U.A. convention had a good representation from this local there being three delegates and 2 visitors in attendance. Former secretary Ray Etherington, ladies' representative Mrs. Gladys Douglas and Ed Stockwell arrived in Edmonton on Sunday afternoon to attend the 5-day session. Visitors from the local were former president Fred Douglas and Mrs. Isabel Etherington. Mrs. Ernie Lawrence was also holidaying during convention week visiting friends in Edmonton and Ponoka and doing some fishing on Lake Wahanum while visiting with her daughter and family who reside in that locality.

Miss Ann MacPhee of the hospital staff and Lorne MacPhee spent a couple of days taking in the sights, visiting and shopping in Edmonton.

To Visit England and Norway

Mr. Jake Roe left Edmonton by plane in the early hours of Wednesday morning for a visit to points in England and his old home, Vinjein, Norway. Mr. Roe has not seen his mother, who is 93, for 13 years. He plans to spend several days visiting with his daughter's in-laws' people in England and other friends and will be away until the first week in March. We join with his many friends in wishing him a safe and pleasant journey.

Older residents will well remember Harvey Switzer who farmed here for many years and left to reside in Edmonton during the late 30s. News of his death appears in the Edmonton Journal recently.

The newly re-organized Young People's club held a very successful skating party at a small lake south of John MacGillivrays' Despite McCormack is this year's president and Mavis Brake the secretary.

The home of Mr. and Mrs. John McGillivray was the scene of a very enjoyable party the evening of Nov. 25th the occasion being their 25th wedding anniversary. Many beautiful gifts and cards were received by Mr. and Mrs. MacGillivray and during the course of the evening they were presented by more well wishers with a beautiful silver tea set.

Those who ever drive to the city will be interested to learn that it won't be very long now before they will be able to enter the city by way of the new bridge and 12th avenue. This will make it possible to avoid the congested traffic often encountered on entering the city by the present route during rush hours. The steel work for the deck should be completed very shortly and work on the superstructure should not take too long following that. The east approach appears to be only temporary at present but we understand that from the west it is hard surfaced all the way to the bridge.

For those of us attending the F. U.A. convention it was an entirely new experience with the exception of one day at Wainwright last summer at the district gathering. We would strongly advise anyone having the opportunity to attend one of these affairs to do so as only by doing that can any idea be obtained of the size and importance of the movement which is rapidly gaining in strength and importance. Practically every corner of the province was represented although only about 25 per cent of the farmers population have joined up at present.

It is not our intention at this time to endeavor to give any report of the proceedings but those who attended the regular meeting on Tuesday Dec 16th in the Orange hall fully consider reports should be read. Please try and be on time as this may be a fairly lengthy session. Lunch will be served as usual.

P.U.A. Elects Officers

At the annual meeting of officers held during the last regular meeting, Tom Foy was chosen as president succeeding Fred Douglas. Mrs. McCormack is the new secretary for the coming year.

One comment here on the convention, space permitting, Mr. Andy Wood was the first choice out of 3 names for the executive committee of three members. Apparently his exceptional ability as an authority on parliamentary procedure is fully appreciated by the great majority of union members.

Sixteen Years Ago Today

Dec. 17th, 1936

Andrew McWilliams was elected Exalted Ruler of Vermilion 153rd with Vernon H. Cumpson presiding Knight and Jas. J. Part secretary-treasurer.

Wm. Steele was elected president of the Vermilion Fair board and S. C. Hecklen re secretary-treasurer.

Mild weather has prevailed all the year with the exception of the weather man could do was just a bare zero. Little snow has fallen and pools are excellent.

Mr. and Mrs. W. G. Malaher have purchased the former J. D. Shipley property from Herb Jardine.

Thirty-two Years Ago Today

Dec. 18th, 1920

D. M. Duggan was elected Mayor of Edmonton defeating Joe Clark's Money by-laws exceeding a million dollars were all turned down.

A farewell reception was held for Mr. and Mrs. Lefroy West on the eve of their departure for Vancouver, B.C.

Wm. Telford was elected president of the Vermilion Agricultural society. On the board of directors were Jas Barr, A. Hudson, A. J. Bell, F. Bird, W. H. Duncan, A. W. Ebbett, Hiram Hodgins, Chas. Hysock, W. J. Bowen, Norman Mallory, W. F. McAlpine, J. G. Tanner, J. C. Tucker, W. E. West and W. D. Williams. W. E. Smith was elected secretary-treasurer.

Bigger and Better Christmas Dinners

A huge helping of roast turkey brown as a nut and glistening in its rich juices and with all the trimmings — all this and more is heaped for Canadian dinner tables this Christmas, reports The Financial Post.

Shopping for the December 25th meals will be more pleasant than last year. No shortages are expected. Most prices are slightly lower, with some lines down as much as 25 per cent.

Scientists have found out that if a dairy cow is supplied with only cold water to drink it will give 11 per cent more milk than it would if the water was hard.

Fine Addition To Curling Rink at Islay

In scouting for news, one little girl by the name of Marion said, "I know something for your paper, 'Fine', says I, 'What is it?' 'Xmas is coming', said she.

Islay knows Christmas is near as the town is busy, very busy. If more of the people would just come in here to do their shopping they would find it very much to their advantage. You may not see as many cars parked along the streets as in some of the larger towns nor be pushed around in the crowds in the stores — but you could shop in more comfort and have much more left in your purse after buying the same quantity of groceries, gifts, etc. right here in good old Islay.

You will want to see the new addition to the curling rink, 18x30 feet. I had a look at it today. It isn't quite finished yet but it is going to be a truly fine job — well-lighted, well insulated, roomy, warm, plenty of seating to view the games, lots of room for the ladies to get lunch. And, just think, this is being done by 'free labor'. Some have been there for hours on end. This is something I think shouldn't pass unnoticed. Even the skating rink for the children was made ready too by free labor. It has been in operation for some time. Parents should be very grateful to these people for getting it ready. Our well in the central part of town is a wonderful help. In days past, it was a horrible chore haul in water to try to make a rink with it might end up being only half a sheet. Now we have a full-size rink. Regularly you may see Walter MacCaughan out there coaching the little fellows in hockey. The wee lads think it 'big business' and it is, in sport.

On Sunday next the Sunday school will present a special service at 11:00 o'clock. They wish the parents especially, and others to attend. In the afternoon service is at 2:30 o'clock, the young folks will take the service except the sermon which will be by Rev. Mr. Vogel.

Jim Carey accompanied by Mrs. Marie Carey were week end visitors to Edmonton.

Contributed by Nick Rose

Mrs. Linton has returned home after being the past month in Montreal where she also called due to the illness of their son, Wayne. She reports him improved. Mr. Linton flew both ways, taking the plane at Edmonton.

Birthday people have new neighbors, Mr. and Mrs. Good who have purchased Mr. Linton's half section.

Avoid Fires At Christmas Time

To avoid fires during the Xmas season, the Provincial Fire Commissioner advises Albertans to observe the following precautions for their safety during the holiday season:

Christmas trees ignite easily and burn rapidly. A small freshly-cut tree that has been kept outdoors and in the latest possible day is the least hazardous.

Christmas trees should not be set up until the day before Christmas. They should be placed in the coolest part of the house, away from radiators, heaters and fireplaces.

The base of the tree should be cut off at an angle at least one inch above the original cut. The tree should stand in a pail of water. The tree should be taken down when the needles begin to fall, and regardless of any other considerations should be taken down anyway as soon as possible after Christmas.

When lighting trees, candles should not be used. Standard electric lighting sets bearing the label of the Underwriters' Laboratories and the Canadian Standard Association are recommended.

Sockets and wires should be in good condition. Circuits should not be overloaded.

Decorations of cotton, paper and pyroxylin are dangerous. Xmas tires should be decorated lightly and fire-resistant materials such as asbestos, metal and glass used. Flameproofed materials are desirable.

Celluloid toys are dangerous. Parents should insist that all toys are safe and incapable of causing fires and explosions. Film projectors should use only safety film; power toys should be operated only under adult supervision; electric toys should bear the labels of the C.S.A. or the Underwriters' Laboratories. Electric toys and trains should not be set up under the Christmas tree.

All gift wrappings, waste paper and rubbish should be taken outside and placed in a covered metal barrel or incinerator.

In case of fire at home, get everybody out of the house and call the fire department.

In case of fire in public place, keep calm and walk to the nearest exit.

Christmas Seal your Xmas mail, and use Christmas Seals.

Mr. and Mrs. Good have already moved in. They were on the Tom Hagen farm for the past year.

Mr. and Mrs. Gordon Robinson spent a few days in Edmonton last week.

Mr. Reg Lambert who was in hospital for some time, has gone to Turin'ord. Son Jean came up car to take his father back with him.

Noticed around town, quite chipper too, Mr. Jack Carman, Mr. Archie Chambers, Mr. Omar Easton, Mr. Joe Bolton, and yes, Mrs. Preston from Kokomo, and I'm sure it was she who passed us on the road, riding in a fine big red car, as bright as Rudolph's nose at week. Emil Mudryk, Walter Mudryk, Henry Lychak, Robert Young, Joe Schur, Frank Jarak, Edek Mudryk and Larry Nopora have been chosen as skips for the eight quarets.

Derwent School Students Curl

DERWENT.—The Derwent Students from Grades 8 to 12 have organized their curling rinks and are now playing every Friday afternoon.

Emil Mudryk, Walter Mudryk, Henry Lychak, Robert Young, Joe Schur, Frank Jarak, Edek Mudryk and Larry Nopora have been chosen as skips for the eight quarets.

Bowtell Bulletin

We wish all our readers, the Editor and staff a Very Merry Xmas and a Bright and Happy New Year!

Edgar Williams has a nice new Studebaker truck.

Our phone line is now working in excellent fashion after trouble man Robert Dilsbera found a wire touching a big nail in a power pole Barradale.

Mr. and Mrs. Gow, Mr. and Mrs. Prentone and Mrs. Tweedy were recent visitors at the Johnson home.

A social evening was held at the hall for Mr. and Mrs. Jack Morrison in the form of a card party and dance. Lunch was served some very nice and useful gifts. Winners at cards were, ladies, Shirley Johnstone and wives had shades and men son: gents, Tom Fenton, Robert Argy and Margaret Gow and Lorne a gent. Mr. and Mrs. Charlie Burt supplied music for the dancing which followed.

Mrs. Walker had the misfortune to burn her hand badly with melting wax.

The Knutson family were Lloydminster visitors on Friday; Isabel Sherwood spent last week visiting her cousin, Mrs. J. O'Donnell in Vermilion.

The December meeting of the Ladies' Aid was held at the home of Mrs. Millar with 21 members and one visitor present, Mrs. A. Cameron. Plans were completed for the Xmas tree to be held in the hall on Dec. 18th. Two new members, Mrs. Jack Morrison and Mrs. Tiffen. Some were welcomed to the Busy Bees. Donations were made to the T. B. fund. A life membership was presented to Mrs. Carroll. At the close of the meeting the ladies were exchanged and lunch was served by Mrs. Mosier and Mrs. Magee. The January meeting will be held at Mrs. Hardie's.

A card party will be held Dec. 29th. Keep this date in mind folks.

Mrs. Carroll was pleased with the enlarged photo with which the Busy Bees presented her. This picture was taken at the meeting held at the home of Mrs. Jones.

OUR COMPLETE SHORT STORY

CURTAIN SPEECH

"If a Woman Can't Have Her Way, Then She Is No Longer a Wife, But a Housekeeper"

• • •

By Roger S. Vrooland

AS THEY rounded the curve which brought them within view of the house, Rosemary suddenly stiffened in her seat. She had seen something which brought upon her a wave of exasperation and disgust. She didn't say a word, but Conroy must have noticed, for he took his eyes from the road long enough to say, "What's the matter, Honey?"

"Look at that house! I'm away only three days, and oh, what's the use!"

"What's the matter with it? Looks same as usual."

"Just look! Every shade is crooked and there aren't two pulled to the same level. The curtains that are supposed to hang straight are askew. Those that are supposed to be tied back are straight." She sighed deeply. "Two days, Con, two days is the same as usual! I give up! What chance has a woman against three men, anyhow?"

Conroy sighed too. "I never noticed it, Honey. Your two shades and Uncle Hal just don't seem to catch on that you're fussy about those things!"

They swung into the driveway. "Listen, Con. I only try to take a woman's normal pride in her home. We have a show house. It's on a hill; it's big, old, has beautiful lines. It has attractive grounds. It's on a corner. Nobody within half a mile can miss it. And you call me fussy because I..." The rest hummed into the garage. "Oh, well," she broke off, "I guess I better try acting glad to be home!"

Conroy made no effort to get out. "You won't have to do any acting, Honey." He turned toward her. His big grey eyes were soft and soothing. His face was a study in patience. Oh, it was good to be with him again! This was the way her seethings always ended, futilely, quietly soothed and laid carefree and happy over a mother of kisses.

"Boy, it's good to have you back home again," he said. "And you mustn't have to do a bit of acting. Dad and Uncle Hal aren't home. They've gone over to Aunt Harriet's for the evening. Come on in, and we'll let the shades and curtains. Then you can get ready and we'll go out to eat!"

"You mean I don't have to start in cooking the very first thing?"

"You've earned it!"

"You darling!"

In the house, clapping his hands, he said, "Come, Honey. You relax and I'll fix the shades and curtains."

"No, Con." She stood looking around the rooms thoughtfully. "Sit down in the armchair a minute first."

He obeyed. She dropped on his lap and cuddled. "Don't you see, Con," she began, "I've harped on this so long, and neither your dad nor your uncle now you give me any cooperation."

"Well, Honey, we're all tall men, and we can't see out unless the shades are high. Then the shades always get caught in the tie-backs. Kind of nuisance, you know. Can't seem's fingers are clumsy at such things."

Rosemary sat up a little. "You, you old smooth-over, but I'll bet they don't notice a wrinkle in shades or curtains! And I'll bet they had them the way they wanted them! Don't you see, Con—I'll admit maybe that's because a little bother, but you've got to have some bothers if you want things nice. Windows, Con, are the eyes of a house. They're what people, especially women, look at when they go by. Men are so practical about things like that, but they're matters of pride with women. You men probably won't care what the neighbors think of my windows, as long as it's the inside of the house. Maybe you don't, but I do. It's my life. It's my realm. I can't have her way about it, so she's no housekeeper. I'm a homekeeper. You men don't understand. Maybe you will, but . . ."

"Honey, I'll talk with them. They've got to, though. It's hard to do tricks. But I'll try. I'll fix up the windows inside some nice little country scene . . ."

He jumped up. "Let's get away. We won't bother with shades now. Come on out, anyhow I'm . . ."

Going out was a mistake. Going home no matter in the right frame her routine the next

REPORT to the PEOPLE

BY ROBERT PAIN, M.P.
CASTLE RIVER

The sixth session of the 21st parliament was prorogued at 11:00 o'clock in the forenoon of Nov. 20 and at 3:00 in the afternoon of the same day the seventh session was opened by His Excellency, the Governor-General Vincent Massey. As on former occasions, the Speech from the Throne gives an outline of the most important legislation to be brought down by the Government during the session and on this occasion it covered quite a wide range of subjects which I hope to report upon as the months go by.

As it is generally expected that this will be the last session before an election takes place in 1953, most members expected quite a lively time but the proceedings have been rather disappointing up to the present time.

Drew Asks Reduced Taxes

On Monday, Nov. 24th the leader of the opposition was the first speaker after the mover and the seconder of the address and he placed his main emphasis upon the need for a reduction in taxation, stressing the point that this could be accomplished without reducing any essential services provided the Government cut waste and extravagance, furthermore he charged that there had been over-taxation inasmuch as the Government had a substantial surplus of revenue over expenditures.

Prime Minister Replies

The Prime Minister in his reply pointed out that even if the Government eliminated all the expenditures which the Conservatives criticized as waste or extravagance, it would mean a saving of not more than 116 million dollars while the increase in expenditures which would be necessary to take care of just some of the additional services members of the Conservative party have called for, would amount to over 600 million dollars so that instead of a reduction in taxation, their program, if carried out, would actually require an increase in taxation.

The Prime Minister listed the following items as making up the 600 million dollars. He pointed out the Conservative party had advocated an increase of aid under the Colombo Plan of 25 million and for their aid to Britain in cash and food in the amount of 200 million. He then pointed out the Conservative convention at Montreal urged that the age limit for family allowance be extended to 18 years and that this would cost 63 million. Other increases in expenditures that would have to be provided for if demanded by members of the Conservative party were met, would be Federal aid to education 70 million; assistance to disabled workers 72 million; reduction of age on which Old Age Pensions would be paid from 70 down to 65, 194 million.

Then in replying to a charge by Mr. Drew that having a surplus is overtaxation, the Prime Minister pointed out that it was sound business to have a surplus and use it for the purpose of reducing the national debt in times of general prosperity. As both Mr. St. Laurent and Mr. Drew are supporters of that school of thought that insists that taxation is the only source of Government revenue and so long as you support that type of financial policy, there is no doubt the Conservative party are on shaky ground when in one breath they advocate reduction of taxation and in the next an increase in Government expenditures. So long as you support that type of financial policy, cyclical budgeting, that is budgeting for a surplus when times are good and for a deficit during a depression appears to be common sense.

Social Credit Differs

Where the Social Credit party differs with this school of thought is that we maintain the main purpose of taxation by the Federal authority is to remove redundant credit from circulation in order to prevent inflation and while the amount of money so collected may be sufficient to meet Government expenditures in times of large capital expansion, it will not provide sufficient revenue in times when capital developments fall off and prices become depressed, because at that time there will be little surplus money to withdraw from circulation and yet it will be necessary for the Government to expand its expenditures in order to maintain a high level of employment, production and income by the rapid expansion of worthwhile additional purchasing power to expand the purchasing power of the people, so as to [illegible] effective demand for a [illegible] of production. When such action develops the Government should secure all the [illegible] quires from the Bank of [illegible] which, mind you, would not [illegible] the interest bearing debt [illegible] nation.

Deer Lake

Here I am folks, late again!

Congratulations to Miss PEGGY Dugosh for her fine rendition on the piano accordion at the school opening of the Dewberry school.

We are sorry to announce to all residents that there will be no Christmas concert in the Deer Lake school this year.

Mrs. Proud is spending some time in Dewberry staying with her grandchildren while their mother, Mrs. Margaret Fry is in Lloydminster hospital undergoing a serious operation.

Noticed in town a couple of weeks ago—a young chap drove a truck in front of one of the stores. On going to leave, he found that the truck would not back on the slight incline as it was icy. Joe Ryan came to the rescue with a salt concoction, sprinkled it on the ice and presto!—the truck backed without any more bother but lots of laughter. Hope Joe did not take that package to New York with him. Which Joe had the red face?

Mrs. Philbin motored to Edmonton with friends and spent a few days with her daughter Elsie, son-in-law and family.

Mr. and Mrs. Bill Cusack and family are spending the Christmas season in California with Mrs. Cusack's aunt.

We wish the Editor and staff, our fellow scribes and the readers of the Standard, A Happy Christmas and may 1953 prove to be the best ever.

A Thought A hundred men may make an encampment but it takes a woman to make a home.

this winter... enjoy sunshine days!

AT THE PACIFIC COAST OR CALIFORNIA

Let Canadian National's famous Continental Limited take you to Canada's Evergreen Playground—with good connections to California. Enroute you'll thrill at the sight of the Canadian Rockies in their brilliant mantle of winter snow.

In Vancouver and Victoria there's a host of activities . . . . deep sea fishing, golf, sightseeing tours—outdoor living at its scenic best.

You'll enjoy relaxing in The Continental Limited's modern sleepers, coaches, diners and lounge cars. Two trains daily for your convenience . . . .

Season's Greetings . . . all through the year!

On Christmas Eve in the farms and homes of Western Canada, neighbors and friends by miles around gather to exchange greetings and celebrate the observance of the joyous festival of Christmastide. In that true spirit of neighborliness, which is such a marked and happy feature of our prairie life, we of United Grain Growers Ltd. join in voicing in our many brands—in rural communities and elsewhere—the traditional seasonal greeting

A Merry Christmas to All

UNITED GRAIN GROWERS

Chatsworth Chatter

Roads and weather are wonderful for this time of the year—however we're keeping our fingers crossed after that remark.

The Bean supper held at Jim Thompson's last Wednesday evening drew quite a crowd and every one spurred to enjoy themselves, along with the social visit that followed. Bingo was played and there were several quit contests contested by Mrs. Arthur Towell and Mrs. Jim Thompson.

A Cootie and Bingo party was held at the Chatsworth school last Friday evening with the proceeds for the Christmas tree fund. The Christmas concert is to be held on the evening of Dec. 23rd.

Mr. and Mrs. Steve Jacula were week end visitors to Bonnyville on Nov. 30th.

Denis Jacula visited recently with his grandmother, Mrs. Bury, of Masterville.

Our congratulations and good wishes to Mr. and Mrs. Jack Morrison on the occasion of their recent marriage. Jean was a student at Chatsworth a few years ago and we wish her every happiness for the future.

Harry Wynnychuk of the R.C.A.F. visited his cousins at the Mike Wynnychuk home last week end.

Sunday visitors at the home of Mrs. Evelyn Thompson were Mr. and Mrs. Ilona McKeever and little son Michael, and Mr. Gary McKeever, all of Vermilion.

Mr. and Mrs. Morton Towell were visitors to Edmonton last week.

By Shirley Holmes, Wainwright, Alberta

News Notes From Your District Home Economist

A Gift of Efficiency

You can improve the efficiency of limited storage space. A shoe hanger designed to hold six shirts compact and neat is an ideal gift for a teenage girl. This gift will make her anxious to keep her closet in tip-top shape.

Shoe racks of the metal type are also available in various sizes. Make your choice according to the number of shoes you need to store. These racks will fit on the door of your closet. The bag type of shoe holder is ideal for the storage of suede shoes as it keeps dust off them.

Do you plan to solve many gift problems by sending nylon hose? Be sure to include a handy plastic stocking holder made in an envelope style. Proper storage of nylons, away from rough surfaces, prevents snags that turn quickly into runs.

All these articles are available in your nearest stores or through the catalog for less than 3.00.

Wonderful Mince Meat Pies

From a crock of mince meat you can make the queen of pies. Here is a method for a festive touch to your pies. Try it for fun!

Line the pie plate with pastry, then add mince meat. Put an upper crust cut Xmas tree shapes from pastry and place on top. The pie does not need to be entirely covered. For an extra special touch outline branches with grenadier sugar colored with a small amount of green coloring. Bake at 425 degrees for 30 to 40 minutes.

Your mince meat is ready to use at a moment's notice. Why not put pastry mix on your pantry shelf too, and then it will take you only a matter of minutes to have a pie in the oven.

Pastry Mix

6 cups all-purpose flour, sifted
2 teaspoons salt, 2 cups 11 lb. of shortening. Mix flour and salt in a mixing bowl. Add shortening. Blend together well until mixture resembles corn meal. Store in a jar in a tightly covered jar and place in refrigerator or a cool dry place.

To Make Pie Crust

For one 7-in pie crust or 6 tart shells, use 1 cup pastry mix and add 2 to 3 tablespoons of cold water. Mix lightly with fork. Turn into waxed paper and press together in paper until dough forms a soft ball. Roll out to form a shell. Bake at 425F for 10 to 12 minutes.

Mincer Meat Out Meal Bars

Make your favorite oatmeal bar recipe and substitue mince meat for the date or lemon filling between the top and bottom layers.

Holiday Parties in the Making

Christmas is just around the corner and it is time for parties and get-to-gether. Here are some suggestions your club may like to use.

Treasure Hunt Choose 4 hunters. Give each a card on which to pin letters. Cut a number of small paper squares. Leave some of them blank. On others print four of each of the letters of the word TURKEY. Mix these with the blank squares and pass them out to the members. At signal, hunters start gathering letters to spell turkey. The first letter must come first. No one can take a U until he has a T. The one who spells turkey first wins.

New Year's Resolutions — Draw partners. Have each guest make a resolution for himself, using the first letter of each word of the resolution.

It happens only once a year — the Christmas Seal Sale of the Tuberculosis Associations. You will not be asked again until next Christmas to help finance the campaign against a disease which takes a yearly toll of over 3000 lives. Will you not answer the appeal of the tuberculosis associations and buy Seals now? It is a small thing to do, but it is worth while.

MAY BE A JOLT

Thousands of Canadian farmers, who are planning to rebuild their cattle from the home market in anticipation of higher prices when the U.S. embargo comes off March 1, may be in for a rude shock, warns The Financial Post.

Unless there is a big change in the next two months—and top beef authorities in both countries concede it now Canadian farmers will be forced to take sizeable cuts in most cattle prices to get into the big U.S. market cuts that could make today's domestic prices look pretty attractive.

Except for a few top grades U.S. cattle prices have been running lower than those in Canada recently.

YOUR TAXES — Remember to pay your taxes before the end of the year and avoid the 5% penalty.

A Record Year

REPORT ON THE CANADIAN HARVEST this year indicate that it is the largest on record. A review published recently by the Dominion Department of Agriculture stated that the total farm output for 1952 would likely be twenty per cent. higher than it was last year and fifteen per cent. higher than the previous record, which was set in 1945. Although production appears to be steadily increasing, the farm population of Canada is decreasing. At the present time it is estimated that almost one out of every five Canadians live on farms, while in the past this proportion has been much higher

• • • • •

Proportion On Land Varies

At present, of the 14,009,429 people living in Canada 2,427,732 are living on farms. In the Prairie Provinces, the proportion of people living on the land varies. Saskatchewan leads, with 47.9 per cent. of the people living on farms. Alberta follows with the farm population there forming 36.2 per cent of the total, while Manitoba has 314,430 or 27.6 per cent. of the population of 776,541 on the farms. Although it is from these provinces that the major part of the grain crop is produced, as well as other farm products, the figures show that less than half the population is on the farms.

• • • • •

Increased Use Of Machinery

Increased use of machinery in farming is no doubt to a large extent responsible for the fact that a record output can be achieved, although the number of people engaged in farming is growing smaller. The use of scientific methods in agriculture, including fertilizers, weed control, special varieties of seeds and many other facilities at the disposal of the farmer for increasing his crop and improving their quality, are all contributing to the greater efficiency of agriculture in Canada today. Canadians may be proud of the record production of their farms this year, and of the increased efficiency in agriculture which makes such bountiful crops possible

TRAPPER DEFENDS HIMSELF FROM WOUNDED GRIZZLY

CRANBROOK, B.C.—A trapper from nearby Wardner defended himself from an attacking wounded grizzly by holding the animal's jaws apart with his hands. Frank Fitzsimmons escaped with gashes on his hand after the wounded bear had charged and slapped him to the ground. A companion finished the bear off with a bullet behind the ear before charging. The bag bear had been hit twice Fitzsimmons is recovering in hospital

The regimental cook was fed-up He gazed around gloomily and remarked that he wished he were dead.

His small but energetic assistant looked at him witheringly "That's about right, you lump of laziness," he retorted "Just suit you, that would, lying in the bottom of a hot with nothing to do"

• • •

The young rugged couple were gazing into each other's eyes and sighing soulfully. Suddenly a thought occurred to Donald. "To hes, Maggie," he murmured, "I'm so much he bah, ah."

"Aye," agreed Maggie, "but you'll be no ah work most o' the day."

• • •

The magistrate who was a bone golfer, was trying the case of a man summoned for cruelty to his wife

"My client has had an unhappy life," stated defending counsel. "For years his wife has constantly nagged him. On the night in question, driven to desperation, he beat her into silence with a golf club."

"Indeed!" said the magistrate with interest. "In how many strokes?"

The Andes mountains are the longest chain of mountains in the world.

APPETIZING RECIPES

You'll want lots of Christmas candy for gifts and treats, and here are three kinds that will please any sweet tooth—Honeyed Orange Peel, Dixie and Nuts stuffed with Fondant, and Orange Marshmallows. Try them now, then make them later to tuck into gift packages.

Honeyed Orange Peel

Remove the peel from 3 oranges. Cover the peel with water. Add ½ tsp. salt. Boil ¼ hour. Drain. Cover again with water. Boil until tender. Drain. Cut peel in strips. Bring ¾ cup sugar, ¾ cup honey and ½ cup water to boil. Cook peel in this gently until clear. Cool in syrup several hours. Reheat. Drain. Spread out to dry. Roll in granulated sugar, if desired.

Orange Marshmallows

Two tbsp. unflavored gelatin, 1 cup orange juice, 2 cups sugar 1 cup white, 1 tsp. grated orange peel, powdered sugar.

Soak the gelatin in ¼ cup of the orange Juice. Add the other ¼ cup orange juice to sugar and boil to hard ball stage (253 degrees F.) Stir this into the soaked gelatin and beat until dissolved. Beat egg white until stiff. Gradually beat the gelatin mixture and orange peel into egg white and continue beating until cool and stiff. Pour into a square pan that has been buttered and dusted with confectioners' sugar. When firm cut into squares with a sharp, hot knife. Roll in powdered sugar. Keep in a covered container in refrigerator to retain moisture.

Predicts Canada's Population 23,000,000 In Quarter Century

MONTREAL—A high-ranking federal economist predicted that Canada's national production may more than double in the next 25 years, climbing to $60,000,000,000 by 1977.

Dr. O. J. Firestone, the Trade Department's economic adviser, predicted also that Canada's population, currently about 14,000,000, likely will rise to more than 23,000,000 in the next quarter century.

Comparing the past with what may develop in the future, Dr. Firestone painted a picture of a strong economy, built on expanding consumer purchasing power, bigger exports and increased investments in the Canadian economy.

The nature of Canada's growth holds a lesson for Canadian business men, he observed in a speech prepared for delivery before the Engineering Institute of Canada.

Those who look to the future with caution and are the beggy of depression around every corner will lose opportunities to the "enterprising and the bold".

Already there was some talk of recession and yet not many were aware that "it would require a major economic catastrophe, probably originating abroad, to cause a significant drop in employment and business activity in Canada," Dr. Firestone said.

CANADA'S FARM POPULATION

OTTAWA.—Canada's farm population has declined by 230,000 in the past 10 years.

The Dominion Bureau of Statistics reports in contrast, total population of Canada increased about two and a half million in the same period. The latest figures taken last June show Canada has a farm population of 2,836,000, with a total population of 16 million.

Advises U.S. Youth To "Go North"

NEW YORK—Canadians in recent years have heard much about their young men coming to the United States to seek their fortunes, but John G Mabery, Oklahoma oil man, is reversing the process. He is becoming a Canadian citizen.

Mabery, 46-year-old president of Canadian Pipeline Producers Ltd., says Northern Canada offers the greatest opportunity of a "new frontier" for American youth in nearly a century.

The oil executive, who is especially enthusiastic about the Peace River district, told a press conference that young Americans should follow his example and go to Canada.

"I personally recommend to ambitious American youth seeking a real frontier; 'Go north, young man, go north'."

Mabery, an oil-company executive since his graduation in law from Dallas' Southern Methodist University, was engaged in oil exploration in the western U.S. some years ago when the thought struck him that Canada offered a far greater potential for the petroleum industry.

"I predict that much of the western provinces and the Northwest Territories will come forth with ultimate reserves far vaster than those known today," he said. "The result will be a spreading to all parts of the West of a great economy the direct and indirect benefits of oil wealth now going in lion shares to Albertans."

ANTIQUE BIBLE

ROULEAU, Sask. — Calvin Blue some day will inherit an antique Bible now owned by his father, Roscoe Blue, 60. The Bible was purchased by the Blue family in Scotland in 1552 and has been handed down from father to son ever since.

Actions speak louder than words.

Arrests by The Dalles, Ore., police have dropped to new lows since publication of a news item that the city council was considering feeding prisoners store purchased TV dinners instead of restaurant-purchased meals.

THRILLS of the ROARIN' GAME

12 Good Rules For Curling

There's no password and no initiatory ceremony in connection with membership in a curling club. Still, there is an understood relationship between the members and a code of ethics that is not very often transgressed. Just in case a few newcomers may not yet know these basic precepts, here's a short list of 12 which are still "musts" for young and old.

1.—Be on time for your game. It is not fair to keep others waiting.

2.—Be careful of your language. Remember curling is a gentleman's game.

3.—Do not take all the credit for a win, or blame the other fellow for a loss. Probably he feels the same way about you.

4.—If you are a good curler, be helpful, not critical in suggestions to less experienced curlers.

5.—When curling, keep your broom off the ice except when sweeping, with the exception of the man or skip holding the broom for a shot.

6.—If you are the lead or second keep out of the house.

7.—Do not pass unkind or critical remarks about curlers while watching a game. It gives needless offense to their friends and does not add to your popularity.

8.—Keep your rubbers as clean as possible and do not throw debris on the ice.

9.—If a player is absent, fill his place with a man playing the same position, or advance your men.

10.—Do not cross the ice when a player is about to deliver his rock, or obstruct the players view of the course of his rock.

11.—When curling keep on the ice only, not on the walls.

12.—After the game shake hands with your opponents even though you may feel like wringing their necks.

These rules, simply mean: "Be a good sport on and off the ice."

Do You Know That . . .

There are more than three times as many Indians live in Canada as in the United States.

WOODVALE

Just in case we cannot get new copy in, in time for the Christmas issue, we extend our best wishes for a Joyous Christmas to the Editor and staff and the readers of this column.

It is feels more like spring approaching at present than the winter season, but that can change in a hurry, though everyone hopes it will not be time way into the new year.

To Extend Telephone Line

There was a meeting held recently of the Woodvale Mutual Telephone Co. on the 8th of December at Union school. Main purpose was for discussion to raise money for needed telephone lines. There was a good attendance and an application to extend the line north east for five new subscribers was received. That project will have to wait until the next year and the total membership up to 43 on lines 23 and 24. Last week the line through Woodvale to be connected with 24 was completed and with the permission of the Editor would like to list the new members: Jos. A. M. Gordon, 2112. Gunter Bros., 2407 Wes Isley, 2111 Jim Rowe, 2120 Hugh Pherman, 2117 Pete Reid 2116. Harry Tuzzolo, 2118. F. Van Wageningen, 2305. It will be some time before these changes will be in the telephone directory so the people would copy the above numbers down it will lessen the confusion.

Harry Turner is installing the boxes on the Hindville-Tolland extension and will be ready to have the new subscribers list and the numbers in our next news.

Charlie Redmond was kind enough to bring Miss Borm of the Islay hospital staff out to visit some of her former patients. First his mother and then Mrs. C. McGrath, where she spent a day and then Mrs. D. McGrath brought her to the writer's home for another day's visit before she returned to her nursing duties at Islay.

Keith Lysons, Johnny Isley and Florent Van Wageningen took in the Snowflake high school dance at Kitscoty and reported a very good time.

Drilling Outfit Moves

Our drilling outfit has moved further into the district and is at present drilling in the middle of A. Hunt's hayland

The Thorneliffe school, the teacher and the three farmers living that corner will all have gasoline into their homes following the event successful completion of a gas well there.

Though tuberculosis is a com municable and therefore preventable disease it killed 3,200 Canadians in 1951. It is estimated that there are 40,000 cases in Canada which have not been discovered and are spreading infection. Christmas seals are sold to help find these unsuspected cases.

FESTIVE—quick to fix!

with Modern Fast-Acting DRY Yeast!

FAN TANS

Measure into large bowl, 1/3 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle slowly with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 min. THEN stir well. Add 1 c. milk and stir in 1 tbs. granulated sugar, 1 tsp. salt, 2 tbs. shortening. Add to yeast mixture and stir in 2 cups sifted all-purpose flour. Knead until smooth and elastic; place in greased bowl, brush top with melted butter or shortening. Cover and let rise in warm place (85°) free from draft, 1 hour or until double in bulk. Punch down dough and turn over once; cover and let rise again until double in bulk, about 30 min. Roll out dough on lightly floured board to rectangle about 12" thick; brush dough with melted butter and sprinkle with granulated sugar, cinnamon and raisins. Roll as for jelly roll, pinching edges together, cut into 1" slices. Place cut side up in greased muffin pans; pinch pointed ends of slices to bottom and let rise until double in bulk. Bake at 400°F., 20 min.

Always running short of yeast because it spoils so quickly? End this nuisance — switch to modern Fleischmann's Fast DRY Yeast! Keeps full strength and fast-acting right in your cupboard — no refrigeration! No new recipe — one package equals one cake perishable yeast in any recipe.

Kitscoty News

Mr. and Mrs. Joseph Batty motored to Edmonton this week where Mrs. Batty will have medical treatment at the University hospital.

Mr. Mr. William H. MacDonald spent a few days last week in Edmonton.

Best wishes for a speedy recovery go to Mrs. Alex Batty who is a patient in the Lloydminster hospital.

We bid Mr. and Mrs. H. Jensen and family a hearty welcome to our village.

Congratulations to Mr. and Mrs. Herman Behling (nee Patricia Goar, of Boyne City, Mich., on the birth of a son, a brother for Eddie.

The members of St. John's W.A. Kitscoty, wish to thank everyone who in any way contributed to the success of their recent bazaar and tea.

The businessmen of Kitscoty are sponsoring a free show on Saturday and Monday, Dec. 20 and 22, in the Kitscoty town hall. Everybody welcome.

The Kitscoty Ladies' Curling club will hold a dance in the Kitscoty town hall on Dec. 26th. Boxing night.

The Kitscoty Curling club will hold a one-day mixed bonspiel for its curlers on Friday, Dec. 26th beginning at 10 a.m. Men curlers and non-members are invited to submit their entries to the club executive no later that Wednesday, Dec. 24. Each rink is to consist of at least two lady curlers. A small fee of 50 cents per person will be collected. Only those rinks which submit their entries will be permitted to take part in the spiel. If it is impossible to complete the bonspiel on Boxing day the balance of the games will be played between Dec. 26th and Jan. 1st at any time suitable to the players.

The Kitscoty United church Sunday school will hold its annual Christmas service on Sunday, Dec. 21st at 11:00 a.m. in the Tracy Elementary school. Children remember our 'White Gifts' to help others less fortunate than yourselves. All parents and friends welcome.

Don't forget the Legion Post No. 118 Kitscoty Branch B.E.S.L. novelty dance to be held New Year's eve in the Kitscoty town hall.

279,422 Babies Born In Canada In 1951

The stork delivered a record 279,422 tiny "bundles" to Canadian homes last year and at the same time gave fresh impetus to an already booming branch of the nation's food processing industry — canned infant food.

Production of prepared baby food from fruit and vegetable products has sky-rocketed. In the past 11 years from 7,476,000 cans in 1940 to 117,464,000 cans last year—a 15-fold increase—according to analysts of government figures by the American Can Co., which, in cooperation with canning firms, developed special containers for baby foods in the 1930s.

The growth of the baby food pack, now valued in the neighborhood of $7,640,000 yearly, means increased returns to growers and more work and wages for employees of canneries, can-making plants and vehicles supplying firms. The rapid expansion of the canned baby food business has been due to a combination of the continuing high post-war birth rate and increased attention being given to scientific child feeding," stated G. H. McMorran, president of the baby food packers' division of the Canadian Food Processors Association.

Attention, Farmers!

On the 31st of December, the government support offer on BOGS is supposed to LOWER. Therefore, we will STAY OPEN for BOXING DAY, DEC. 26th, to give all Farmers a chance to get their Hogs killed and under Grading! We cannot wait to bring pigs in that are too light, as the minimum we will on hogs weighing 150 lbs. on down.

Tender for Sale of Farm

SEALED TENDERS are invited for the purchase of the following land owned by the late Seymour W. Wendruff, namely:

The North-East Quarter of Section 10, Township 51, Range 5, West of the Fourth Meridian, subject to the reservations and exceptions in the original grant from the Crown and in the existing Certificate of Title;

upon which 120 acres, more or less, are under cultivation.

Tenders must be marked: "Tender — Wendruff Estate" and accompanied by marked cheques for 5% of the tender to be returned to unsuccessful tenderers or otherwise credited on purchase price.

Terms — cash within 10 days of notification of acceptance of tender. Highest or any tender not necessarily accepted.

All tenders to be in the hands of the undersigned by noon of the 12th day of January, 1953.

James McCorry,
Kitscoty, Alberta.
Executor for the Estate.

Local News of Interest

Mrs. Alfred E. Jones Dies At Garson, Ont.

Word of the death of Mrs. Alfred E. Jones who will be well and affectionately remembered as one of Vermilion's early citizens, has been received by the Standard. Mrs. Jones passed away at Garson, Ont., last Thursday evening, Dec. 11th. The Standard kwends to make further reference in the next issue of the paper

Curling Club Arranges Central Check For Members

Plans have been made by the executive of the Curling club to have a central check to assist members in arranging curling games. Drake's Drug store will provide this service and can be contacted by phoning 98.

The regular schedule of draws will be posted at various places about the town but in the event of games being cancelled, the skips should notify the central check who in turn, can advise other rinks who may be interested in obtaining an extra game on the ice made available by the cancellation.

Similarly, if a rink needs a substitute curler the central check will be able to advise whether anyone has registered as being available to fill at the required time.

If curlers will co-operate in using the central check it can serve a useful purpose in obtaining games for those who may wish to curl at times other than those for which their rink is drawn.

Parents Visit Bassweod School

On Friday Dec. 12th the mothers and preschool children were invited by the teacher Mrs. Opal Hughes to spend a social afternoon at the Bassweod school. The school child children displayed their enterprise books and work they had finished since beginning the new term, each one explaining their own, in a few well chosen words.

Afterwards a few games were played and a tasty lunch served. It is very nice to go and see the articles the children have taken part in making and the opportunity was very much appreciated.

Mr. and Mrs. John Trach of Clandonald wish to announce the engagement of their daughter Stella to Mr. Steve Warawa, son of Mrs. Josie Warawa of Vermilion.

W. I. Robinson attended the annual meeting of the Alberta Shorthorn Association held in Calgary on Wednesday Dec. 10th.

Roy Cameron and family of Edmonton, who have recently moved from the east, spent the week end in Vermilion, visiting the former's mother, Mrs. Annie Cameron.

CLANDONALD HALL

At the Clandonald Hall this week end "King Solomon's Mines" in color, starring Deborah Kerr, Stewart Granger. This week only there will be two showings Friday night at 7:30 and 9:30. Children 15 years and under free Saturday Dec. 20th at 2:30 p.m. Next week "Gentleman's Agreement".

APPRECIATION

The Anglican W. A. of Clandonald, wish to take this opportunity of thanking everyone who helped by one way or another, to make our Bazaar of Dec. 6th a huge success.

CARD OF THANKS

We wish to extend our sincere thanks for the many helpful acts, expressions of sympathy, floral and memorial tributes received during our recent bereavement; and to Dr. Bradford, Miss Keith and the staff of the Vermilion hospital for the kind care and attention.

Mrs. John Smith and family

IN MEMORIAM

In loving memory of "Bud"

— who passed away Dec. 18, 1949.

"His smiling way and pleasant face

Are a pleasure to recall.
He had a kindly word for each
And died beloved of all.
Some day we hope to meet him,
Some day we know not when,
To clasp his hand in the Better Land
Never to part again."

—Granny, Bill, Dorothy, Marie and Mrs.

For Expert Hair Dressing, Permanents, Waving, see Miss A. Hofbauer at her Beauty Parlor, one door north of the Franco Publishing office. 24-tfdfdpd

You cannot inherit tuberculosis but you can 'catch' it. By making sure that everyone in your community has been X-rayed you will be protecting your own health. Buy Christmas Seals as your contribution to these surveys.

Mr. and Mrs. Harold Moyer were in Edmonton Wednesday, Dec. 17th to attend the Golden Wedding celebration of the former's parents, Mr. and Mrs. M. S. Moyer. All members of the family were home for the happy occasion.

Mr. and Mrs. J. W. Waldenberger left this week for Kamloops, B.C., where they will spend Christmas with their daughter and family. Mr. and Mrs. Henry Cocks.

Mr. Joe Ryan of Dewberry left Lloydminster by plane last week to spend the winter with relatives and friends in New York and eastern Canada.

'James A. Logan who witnessed the man leap from the low level bridge into open water Tuesday morning is the son of Mr. and Mrs. A. Logan of R.R. 3, Vermilion. Radio announcers got things a bit mixed over the air and stated that James Logan was the man who jumped but later corrected the error.

Harry Whitcher and son Irwin left Monday night this week on a holiday trip to California. They intend to go to Edmonton, then to Vancouver then travel on to Long Beach, Calif., where they will spend some time. They will go to Salt Lake and Kansas City. The trip is being made by bus and the return route will be via Lethbridge about the middle of March.

Mrs. Eleanor Farley drops the Standard a line from her home at Kent, Washington. She states that her son Dennis and wife and three little girls are living at Whaletown, B.C. Mrs. Farley says that receiving the Standard each week is just like having an old friend drop in for a chat.

Explorer Girls Entertain Mothers

AT AFTERNOON PARTY

The Explorer girls of the United church were hostesses to their mothers at a party held in the church hall at 4:15 Friday afternoon, Dec. 12th.

Dorothy Jean Stewart was the unanimous choice of the girls to be master of ceremonies, a role for which she has a natural aptitude and did particularly well.

Dorothy gave a resume of the work covered by the girls since they resumed their weekly meetings in October, after having been closed during the summer months. They have devotional periods, have been studying about Africa, the first mission which was started in Angola, and the first missionaries to that country. The book "Ngunga and his Two Villages" they find very interesting. They have made up two towel kits of useful articles and sent them to Toronto for Overseas Relief, have done handicraft and learned some new folk dances.

A short program followed this report: Repetition of the Explorer Purpose by the girls; A play entitled "Trouble in Santa Claus' Land"; A hymn "Silent Night" by Laurian Exley, Shirley Porter, Donna Rochcugh, Elaine Sweet and Margaret Rootes; Solo "Silver Bells" by Betty Robinson; Folk dance and song "Come Let Us Be Joyful". The program was then brought to a close by all taking part in the singing of Christmas Carols, after which lunch was served.

The afternoon's program was arranged by the girls and was well received by the mothers, one mother was heard to remark that it was one of the best programs she had ever seen and that giving the girls the management of it had given them more confidence in themselves.

The Explorer group is under the leadership of Mrs. Melvin Hill, assisted by Mrs. Bowen and Mrs. Robinson.

Mrs. E. Stewart and Mrs. Roxburgh on behalf of the mothers expressed their appreciation to the leaders for their work with the girls.

W.M.S. Hold Last Meeting of Year

The W.M.S. of the United church held the last meeting of the current year in the church hall on Wednesday Dec. 10th commencing at 2.30. Mrs. W. L. Robinson conducted the session with Mrs. Roebuck in charge of the Christmas program. The afternoon opened with a Xmas Carol 'The Little Town of Bethlehem'. Mrs. J. W. Muir read the scripture, a chapter of the Bible. The reading of the minutes was followed by roll call revealing that 30 members and four visitors were present. Reports were given.

The meeting was then turned over to the program committee which is composed of Mrs. Roebuck, Mrs. Muir, Mrs. Sweet, Mrs. H. N. Stephens and Mrs. Exley. Mrs. Exley read a solo beautifully. Mrs. Stephens told the entrancing story of the writing of the carol "Silent Night, Holy Night".

The Little Beaver and home cooking sale was then held, followed by afternoon tea and a social half hour which was much enjoyed. The next meeting will be held in the new year.

Report to People

(continued from inside page)

The Social Credit kind of national health program would ensure that sufficient doctors, dentists, nurses, technicians, clinics and hospital beds would be made available first to take on the work as the scheme progresses. Moreover, as the program grows over-all control by taxpayers to preserve these fundamental principles: 1. a fair measure of individual responsibility which I believe is important if any such scheme is to succeed. 2. patients must continue to have their choice of doctors and the program must guarantee that there will be no regimentation of patients, doctors, nurses or hospitals. 3. an intensive educational campaign should be launched to advise the people what can and should be done to keep healthy. 4. that the program must be advised by joint co-operative action of municipal, provincial and federal governments; 5. there will have to be provincial and federal subsidies to keep the costs down.

A fair start has already been made in Canada and it should be expanded as rapidly as resources can be made available, consistent with sound development processes.

Women's Greetings

As this will be my last contribution to this paper during the current year, I want to again thank the editor for making this space available without cost to me and to wish him and his staff a Very Merry Christmas and a Happy and Prosperous New Year. This same wish I also extend to all the readers of this fine weekly and I am looking forward to giving you further service in the new year.

CORRECTION

In the Deer Lake news it is stated that there will not be a Xmas concert there this year, however in formation is that there will be a short program with only the parents of the children invited. The Deer Lake column was printed before the correction was received.

The United States population was estimated at 157,288,000 on Aug. 1, last.

Viking and Tigers in Tie Game For Hockey League Opener

THREE ALL IN EXCITING ENCOUNTER HERE

Vermilion Tigers and Viking Lions jetted the lid off the Eastern Alberta Hockey League on tonight's one fashion here Saturday night when they played an exciting game to a 3-3 tie. 693 fans paid admission which means that a crowd of better than 800 witnessed the opener.

The visitors, fresh from their entry in the league replacing Lloydminster Huskies, settled the question of their ability by the rookies. Coach and the hockey populace can rest assured that there will be plenty of opposition provided by the Viking Lions throughout the season.

Vermilion Tigers featured youth on their line up. They had a line of high school boys, John Stewart, Leo Leahy and Bill Schmidt, another line from the college all within or very close to the juvenile age of 18 and under. John St. Martin, Rod Barr and Jeff Patsula. In goal was Ken Brown, 17-year-old juvenile goalie, starting his second year as a player and new to Vermilion fans was Paul Fontaine. Elmer Kreiger, Jim Ferguson, and Alex Herchuk last year with Vegreville Rangers, formed the veteran quartet of the team all playing defence. The second string was composed of Bob Rose, Dave Vickerson and Ken Mc Donnell.

The locals opened the scoring, Patsula from St. Martin, but before the period ended Art Brown tied it up. Both goals were the result of checking. Schmidt for Leahing and Mason of Viking for a trip in this period.

There was no scoring in the second with Thunnell and Mason being chased to the penalty box by Referee Hanby.

In the third the visitors went well out in front with Brown scoring from Josephson and Glasgow from Mason. Bob Rowe drew a penalty, Brachey of Viking was benched and before he returned Rod Barr had scored from Patsula. In the matter of seconds St. Martin had tied the count with John Stewart and Vickerman in on the play. This ended the scoring for the game but not the excitement as a five-for-all broke out which resulted in Brown and McArthur of the visitors and St. Martin and Ferguson of the Tigers spending five minutes in the cooler. Herchuk also drew a delayed penalty.

It was a good opener. Nothing outstanding in the way of hockey was flashed but plenty of promise was given that the teams will soon be clicking up a very good brand just as soon as they get a few games under their skates. Condition was a little short and as a result no were tempers but this will be overcome when the season gets well under way too.

Only One Referee

In force in the league this year is a one referee system. For instance on Saturday night Bob Hanby was the referee. He was in charge of the game and he was ceiling all penalties. Russel Carswell was the linesman and the only power he had was to call offsides. He had no authority to call penalties.

Line-ups

VIKING—Taylor, McLaren, W. Taylor, McArthur, Thunnell, Josephson, Grocter, Brown, Gavenchuk, Kelly, Witten, Brachey, Ross, Glasgow, Mason.

VERMILION — Brown, Keeler, Ferguson, Herchuk, Patsula, St. Martin, Barr, Kolenaho, Vickerman, Rowe, Schmidt, Leahy, Stewart.

Jim Taylor formerly a popular member of the Tigers of a few years ago, was in the nets for the Viking Lions and proved just as adept at stopping those pucks as ever.

Hockey Results

Other hockey results are as follows:

Saturday, Dec. 20 Vegreville 4, Wainwright 2 (at Wainwright).

Monday, Dec. 22 Vermilion 6, Wainwright 7 (at Wainwright).

Stan Manyluk Is Lucky Fellow

WINS NEW CAR

The luckiest fellow in town this week is Stan Manyluk. Stan is driving a new Chevrolet and the way he got it reads just like a fairy tale. It appears that the C.N.R. Recreational club in Edmonton decided to raise some money to build a recreational centre for C.N.R. folks. They decided the car a month idea and sold memberships to C.N.R employees and members of their families only, for $10 per membership. Wishing to help along the plan Alex Manyluk bought three membership tickets, one for daughter Olga Arthur, and one each for the two boys, Frank in Edmonton and Stan here.

Instead of drawing one car per month, all ten winners were pulled out of the hat at a grand dance at the Macdonald on last Friday evening. About midnight Alex received a phone call from Frank stating that Stan had won a car. Alex passed the word to son Stan and sure enough next morning there was a wire with the official word. His name had been the ninth one drawn.

Asked to describe the sensation such good news caused, Stan said that it was first of all with a feeling of disbelief that he received the word, and then with the realization that it was true, peculiar cold chills seemed to chase up and down his spine.

Stan doesn't intend to retire his '38 Dodge, says it still will be good enough to move his paint rans around in

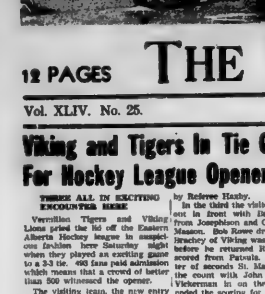
Funeral Services For Mr. Wayne Held In Edmonton

Funeral services for Addison Lockwood Wayne, who passed away on December 15th, 1952, were held at the Foster and McGarvey Funeral chapel on Monday, Dec. 22 at 2.30 o'clock in the afternoon. The Rev. L. J. White officiated. Interment followed at the Edmonton cemetery.

Mr. Wayne is survived by his loving wife, one son Raymond, and one daughter, Mrs W. J. Batchelor, both of Edmonton, and three grandchildren. There are three brothers and two sisters. Mr. Wayne was a member of Saskatchewan Lodge, A. F. & A. M.

By Vermilion Kinsmen Club

Portable Respirator Officially Presented



The picture above shows Charles C. Upshall, president of the Vermilion Kinsmen club, officially presenting the iron lung/respirator to Mayor S. C. Heckbert who received it on behalf of the town and district. This respirator was purchased by the Kinsmen at a cost of $1600. The Iron-lung/respirator works like an iron lung except that instead of being a large structure the patient's chest is enclosed in a large plastic shell and made air-tight, the mechanical breathing taking place there. This leaves the patient in a much better position to be free in bed and receive nursing care. There is also a large outlet by with the set so that it can be run where there is no electrical outlet. It can be used even in an ambulance if it is necessary to transport a person.

The main use will be for polio victims with paralysis of the chest muscles but it is also used in any other condition where the patient has paralysis of respiration.

Shown in the picture from left to right are Charles Upshall, President of the Kinsmen Club at Vermilion Nurse Bernadette Delisle of the hospital staff, Mayor S. C. Heckbert and Nurse Kathleen Ferguson.

WAINWRIGHT COMMANDOS HERE ON SATURDAY

VEGREVILLE TO BE VISITORS IN MONDAY

Wainwright Commandos play here this Saturday night, game commencing at 8:30 while on Monday the 1953 edition of the Vegreville Rangers will make their initial bow in Vermilion. This means plenty of hockey lobbity for the fans.

Monday this week at Wainwright the Commandos defeated the Tigers in a close and exciting encounter. The regrettable feature of the game was the continuous efforts of the Commandos to get Kreiger. It is to be hoped that this phase will soon be eliminated from the practices of all teams in the league.

Teams to Win 500 Games Each

Hockey booster tickets will be on sale at the Saturday game and the draw for the $25 will take place at the game Monday evening and someone will be $25 richer. If you haven't a chance get your ticket Saturday evening.

Wins Mixed 'Spiel At Dewberry

In a recent mixed local bonspiel held recently Mrs. Joe Braithwaite's rink of Fred East, George Wood and Emma Axley took the Grand Challenge event. Second event went to Tom Jarrett's rink very Ralph Landen and third event Bill Bendall over Mrs. F. Mead.

Committees have now been set up for the annual men's open spiel here in January.

On Sunday last the Redman and Braithwaite rinks garnered the most points over two Dewberry teams to successfully defend the Co-op Live stock Challenge cup.

Dewberry hockey boys will again be putting on the big New Year's eve dance in Dewberry hall. Novelties of all sorts will be given out at the stroke of midnight so come one and all for a real evening of enjoyment.

During the mild weather here Ernest Garnier noticed a yellow butterfly and a black bird

The report of Dewberry delegates to the F.U.A. convention as given at the regular monthly meeting held at the home of Mrs. John Mahtais. Next meeting at Ernest Garnier's.

Cubs Have Jolly Christmas Party

The two packs of Cubs got together on Wednesday afternoon last when their leaders arranged a very jolly Christmas party for them. Games were played with arcan, paraying hilarity, lunch served and an excellent time enjoyed. Interest by the Cubs in their packs has reached an all time high due to very fine leadership.

Schoiarships And Bursaries Presented At V.S.A. Banquet

Scholarships and bursaries to a value of $1350 were presented to student winners on the occasion of the Christmas banquet at the Vermilion school of agriculture.

For distinction in Junior Forage Club activities scholarships in the amount of $75 each were presented to Bruce McDonald, Vanneville; Peter Nowakowski, Clandonald; Harvey Appelt, Spruce Grove; Joyce Atkinson, St. Albert; Marjory Attlestrong, Glaton.

For distinction at Farm Young People's Week held at the University of Alberta last summer Jack Dubyac of Irma received the Alberta Wheat Board Surplus Money Trust scholarship of $75 and bursaries offered by the same Trust went to Fam Roberts of Westlock, George Lurgese of Calmar and Rhoda Thomson of Neutral Hills.

Scholarships offered by the United Grain Growers were awarded to Fred Briggs of North Edmonton and Joy Briggs of South Edmonton. Gerald Harie of Vermilion received the United Grain Growers bursary.

Other awards included. The Canadian Legion bursary awarded to Michae' O'Connor of St Brides. The Vermilion Board of Trade scholarship to Howard Austin of Rarbatty. V.S.A. Alumni scholarships to Don Briggs of North Edmonton and to Irene Hreskora of Patience; the Alberta Turkey Breeders' Association scholarship to Mary Hull of Vermilion; the Alberti Seed Growers' Co-operative scholarship to Rob Orjoke of Pedorah; Craig Bros. scholarship to Rodney Flora of Peace River, the Imperial Oil scholarship to Keith McIntyre of Vermilion; and the Alberta Women's Institutes scholarship to Betty Rust of Hay Lakes.

Visitors who attended the banquet as representatives of the various organizations supporting activities of the school in the form of scholarships included: R. M. Putnam, Superintendent of schools of agriculture in Alberta, representing the

Postmaster Thanks Public for Co-operation

Postmaster Taylor informs the Standard that all incoming and outgoing mails are cleared by the 5 P.M. and his staff take this means of saying 'Thanks' to all who co-operated during the rush period by mailing early, and who either sent their mail or handed it in at the wicket, this was much appreciated. To those who did not remember next year. The post office staff trust that their efforts have added something to your Christmas. And to one and all they wish A Very Merry Christmas!

Beautiful Christmas Services Held At Islay Church

To the Standard staff, may this Christmas season be the best ever for you and yours.

The Christmas services in the United church on Sunday were wonderful. The two children of Rev. Ronald MacPherson, a minister here 1935-39. She is now at the Royal Alex hospital and will sing with their choir. On Dec. 23rd at 9 pm on CJCA, a solo and on the 25th at 10.15 p.m. a solo.

We at our house had a bit of a visit Friday from Mr. and Mrs. Ron Ross, Mrs. Klas and Mr. Olbert. Mr. Klas car failed to work, smoothly so had to put it in the garage awhile. We hope they got it repaired now and can still go to see Santa Claus. In Vermilion.

We notice Mr Dave Buchanan of late getting down town all by himself. Hurrah for you Mr. Buchanan! Just can't keep a good man always at home.

Mrs. Tait is spending Christmas with friends in Saskatoon.

Get your brooms trimmed or a new one—curling will soon begin. Heard some men say the ice is made

A Happy Christmas and a Very Healthful New Year to you Mr. and Mrs John Young at Gadwich, and all the other Islay folk here, and those living elsewhere.

It might be of interest to some if you remember Greta MacPherson, the little granddaughter of the Rev. Ronald MacPherson, a minister here 1935-39. She is now at the Royal Alex hospital and will sing with their choir. On Dec. 23rd at 9 pm on CJCA, a solo and on the 25th at 10.15 p.m. a solo.

A Happy Christmas and a Very Healthful New Year to you Mr. and Mrs John Young at Gadwich, and all the other Islay folk here, and those living elsewhere.

Week of Prayer In Vermilion

The Vermilion Ministerial Association has planned a Week of Prayer in the various churches commencing on Tuesday Jan 6th. The services that e-ening will be at the Alliance chapel with Capt. Robert Chapman of the Salvation Army as speaker. On Wednesday it will be at the Salvation Army hall and the speaker is the Rev. E. F. Berg of the Alliance chapel. Thursday Jan. 8th at the United church with Rev. Douglas Ford of the Anglican church as speaker. The final service will be given by Rev. Chauncey MacKay of the United church at St. Saviour's Anglican church. All services commence at 8:00 p.m. and a sincere invitation is extended to everyone to attend any or all of the services.

C.G.I.T. Hold National Christmas Vesper Service

The Canadian Girls in Training held their National Christmas Vesper service on Sunday evening Dec. 14th. It is during this service that the appealing C.G.I.T. Candlelight ceremony is carried out. Enhancing the inspiring service too was the singing of the carols by the girls and the beautifully rendered solo part of the program. Acting as leader and conducting the service was Miss Sue Carmichael.

The Candlelighting ceremony commences with the girls repeating their purpose "As a Canadian Girl in Training under the leadership of Jesus, it is my purpose to cherish health, seek truth, know God, serve others, and thus, with His help, become the girl God would have me be."

A large congregation attended

PO Steve Puz sends along greetings to the Standard staff and notes that he was over in England last week and who should he meet but Lac Norman Cooper. They had a nice visit and Norm sends regards to all old friends here. Steve is now a Flying Officer with the RCAF Transport Squadron.

With the approach of the Yuletide Season, our thoughts turn to those whose friendship we cherish so much. May it at every wish be fulfilled this Christmas, and may your New Year be healthful and happy.

"For God so loved the world that He gave His only begotten Son that whosoever believeth on Him should not perish but have everlasting life" —John 3:16

THE STANDARD

VERMILION — ALBERTA

ESTABLISHED 1909

Published Every Thursday At the Office, Main Street

Authorized as Second Class Mail, Post Office Department, Ottawa.

S. R. P. COOPER — PUBLISHER

Vermilion, Alta., December 25, 1952

OUR BEST WISHES . . .

It has been truly said that the Spirit of Christmas is the Light of the World. To Canadians it is more than the most joyful holiday season of the year. It is a time when spontaneous expressions of good will abound through the lands. Old friends are remembered and new ones are made. Good fellowship reigns supreme!

There is nothing better than the good old-fashioned Christmas greeting and the Vermilion Standard takes this opportunity to extend to its readers and advertisers, Job workpatrons and friends wherever they may be, best wishes for a Merry Christmas and a Prosperous New Year.

We should like to take this occasion too, to acknowledge the excellent co-operation given throughout the year, indeed, through many years, by the correspondents of the Standard in the surrounding towns, villages and country districts. While words cannot fully express the Standard's deepest appreciation for a job well done, co-operation of these correspondents has greatly helped to make the Standard more interesting to the hundreds of households it serves throughout the district.

Our thanks also to the many other friends who take the time and effort to write up and send in, or tell us, of news items which come to their attention. These good friends live in both town and country and their co-operation is deeply appreciated.

To one and all we extend hearty good wishes.

NO STANDARD NEXT WEEK—

Following the custom of previous years, the issue of the Standard between Christmas and New Years, next week that is, has been suspended. This is a practice quite widely observed by weekly newspaper publishers. The week Rarely is well occupied by holidays, the business men likewise will not be in at writing moods, so the job of publishing would be a difficult one. The next issue of the Standard will therefore be on Thursday, 2nd, 8th 1953.

The Standard office staff however will not be on holidays and the office will be open as usual, and it is our hope that job work customers will come in for some overdue attention.

Due to demands in other departments during this short week the reportorial or news writing end of the newspaper has been somewhat neglected. Numerous good stories and many local items do not appear because of lack of time for writing up into proper form.

Ask Damages In Court Action

KITSCITY AND DERWENT PEOPLE INTERESTED

Leonard S. and Jane Fisher, who claim damages were injured in an accident near Kitscity last Aug. 10th, ask damages of $18,089 in a statement of claim filed at the court house Thursday against Joseph Golat and Elizbeth Kusek. According to the statement, Fisher's car collided with a vehicle owned by Golat and driven by Miss Kusek. Both plaintiffs were injured.

In another statement of claim filed Thursday, Andrew Kalynchuk Derwent district farmer, claims $10,000 from Peter Godzak. Kalynchuk claims Godchak assaulted him at Derwent last Aug. 20th and that as a result of injuries he lost the sight of his right eye.

—Edmonton Journal

Farmers' Day At Manyville Features Tug Of War

MANVILLE.—The annual Farmers' Day differed somewhat from its predecessors as it was not possible to hold the usual bonspiel due to lack of ice. Replacing this and causing plenty of excitement and fun, was a tug of war contest. In the first pull farmers from north west of Manyville pulled the husky men from the north-east. Then the south-west boys eliminated the men from the south-east. This pitted the N.W. boys against the muscle-men from the S.W.—and the northerners won.

The prizes won by the teams was generously donated to the Red Cross.

Death of Reuben Shupe At Kitimat, B.C.

HOUSEKEEPER AT CLAYMORE IN 1930

Mr. Reuben Shupe of Vancouver, B.C., passed away suddenly December 9th at Kitimat, B.C., while visiting his son Roy and family there. The deceased was born at Martin's Point, Nova Scotia, 76 years ago. He came west in 1904 to the B.C. coast. Then in 1909 he and his wife homesteaded south of Claymore. In 1937 they returned to Vancouver and had lived there since.

He was predeceased by his wife Dec. 11th, 1951 and leaves to mourn his loss one son Roy of Kitimat and a daughter Mrs. Mildred Kinshella of Vermilion both of whom attended his funeral in Vancouver on December 15th.

How To Do More Work With Less Fatigue

"Early to bed and early to rise" is not always wise. The rule works for some but not for others. Other pet theories about fatigue are true: some are false. If you would accomplish more and tire yourself less, a knowledge of the facts and myths of fatigue will help.

It is true that a half-hour nap equals three hours of night sleep, according to an article in January Reader's Digest. Many people who boast that they sleep only a few hours at night are such nap snatchers. It is also true that relaxed rest, without actual sleep, is almost as effective as sleep in restoring energy.

Small tensions wear you down more than large ones because you remove identify most of the small ones. In a big crisis all your resources focus on it.

The belief that sitting with your feet on your desk rests your feet is a second one. False is the theory that "high pressure" workers are more efficient. Only partly true is the belief that passive types of entertainment, like watching television, are most relaxing. Active ones, like gardening, sports, household puttering, are more restful to many individuals.

Because of evening fatigue, decisions made then are not reliable in morning ones. Extravagant buying sprees are definitely fatiguing. Standing is more tiring than walking, for when you walk each leg rests half the time. If you have several jobs to do, tackling the hardest one first makes the rest easier.

The big time of the year, the Elks New Year's Eve frolic, will be held as usual with all the fun, favors and noisemakers of previous New Year's eve celebrations.

Islay Municipal Hospital

District No. 4

Non-Ratepayers' Contracts

Under authority of the Municipal Hospital Districts Act, Non-ratepayers resident within a Municipal Hospital District may qualify for $1.00 per day hospitalization, by purchasing a non-ratepayers Contract.

Contracts will be sold during the months of January and July of each year.

Those required to purchase Contracts are:

1. All non-ratepayers male and female, residing within the Hospital District, employed as teachers, clerks, waitresses, mechanics, truckers, railway workers, farm laborers, etc.
2. All male members of ratepayers' families 16 years and over, residing at home.

Renters of assessable property within the Hospital District may qualify by securing a written transfer of hospital privileges from the property owner.

Corporations owning assessable property within the Hospital District may transfer hospitalization privileges to employees resident within the District.

Contract Rate - $8.00 per Family per Year

Contracts will be available during January and July from the Secretary-Treasurer of the Hospital District, by mail or in person.

By Order of

ISLAY MUNICIPAL HOSPITAL BOARD.

Per W. L. Herbert, Sec.-Treas.

Christmas Messages FROM THE CHURCHES

Rev. Eric P. Hay, Chairman and Missionary Alliance.

AT this time of year when we are about to celebrate Christmas it might be well to take a few moments to consider the real significance of this day which has become more commercialized than any other day of the year.

Although this day seems to have lost its meaning to many it is still a fact that we have Christmas because over 1900 years ago, God sent His only begotten Son into this world to be born of a virgin as foretold by Isaiah 7:14 "Therefore the Lord Himself shall give you a sign: behold a virgin shall conceive, and bear a Son, and shall call His name Immanuel". (This miraculous birth was foretold over 700 years before Christ was born). His birth was supernatural, as well as His life and works because He was God. In Matt 1:23 we read that His name signifies, "God With Us". He came to live with us and die for us. In Matt. 1:21 we read He was called Jesus because He had come to save us from our sins. Someone has said, "He was born contrary to the laws of His. He lived in poverty and was reared in obscurity. He possessed no unusual influence. His relatives were inconspicuous: uninfluential and had neither training nor education. Yet in infancy He startled a king; in childhood He puzzled the doctors; in manhood He ruled the course of nature, walking upon the hot brow as if pavements, and hushed the sea to sleep. During His short ministry upon earth He healed the multitudes without medicine and raised the dead with only a word". He never wrote a book and yet all the libraries in the country could not hold the books that have been written about Him. He never wrote a song and yet He furnished the theme for more songs than all the song writers combined. Herod could not kill Him, Satan could not seduce Him, death could not destroy Him and the grave could not hold Him. It was our great leap from the throne of God to a manger in a stable; from the top of glory to the bottom of humiliation; from the bosom of God to the breast of a woman; and from a Son to a Servant. For we read, "He made Himself of no reputation and took upon Him the form of a servant, and was made in the likeness of men". He became the Son of man that we might become the Sons of God. That is why Christianity is supernatural. It is founded upon God Who is Eternal. Christianity is not an organization but an organism, founded and grounded in Christ whose birthday we commemorate each Christmas. Let's get Christ First in our Living and Living this Christmas, thereby honoring Him

Rev. Douglas A. Ford, St. Saviour's Anglican Church.

IT is a privilege at this time of the year to bring a Christmas message to the "Standard" readers. The message is a simple one put in the form of a lowly story told of the first Christmas.

The shepherds and a little shepherd boy came down to Bethlehem to see the Infant Jesus. Each of the shepherds brought a lamb of his flock to offer as a Christmas gift to the Divine Child and the little shepherd boy, seeing each carrying a lamb, was sad, for he had no flock, no lamb and no gift to offer. When the shepherds entered the stable they went near to the manger but the little fellow knelt in the dark shadows away from the pool of light which came from Joseph's lantern.

Suddenly the boy's face lightened. He waited till the shepherds turned away from the manger. Then he tip-toed forward. The lady kneeling by the side of the manger gently raised her head. The boy put his hand out towards the tiny reaching hands of the Baby Jesus and put his ball into them. The fingers of the Divine Child closed around the ball and held it to His breast.

The little shepherd boy gave what he had. It was not gold, frankincense or myrrh such as the Three Wise Kings brought. He was not a King, but a child, very simply offering to the Divine Child a little everyday thing. But that simple everyday thing was taken straight to the Heart of God because "It is the little things done for love that charms the Heart of the Good God".

Our Lord himself stressed the need for possessing the childlike spirit. He calls us to imitate them. You will remember how His disciples came to Him saying, "Whom thinkest thou is the greatest in the Kingdom of Heaven?" And Jesus, calling unto Him a little child, set him in the midst.

If you want to use your life well and not waste it, if you wish to know, love and serve God in this world, and so be rewarded with Him forever in the world to come: go in the Spirit to the Stable at Bethlehem, kneel before the Divine Child and say, "O God, who for love of me became a little child, teach me to see you as a little child loves its mother."

May God bless you all this Christmastide, and may His presence go with you through the coming year.

for we will have a Christless Christmas! His prayer is that you and all may have a blessed Christ Mass!

THORNCLIFFE

The December meeting of the Thorncliffe branch of the W.I. was held at the home of Mrs. Jamie Moses on Dec. 3 at 2:30 p.m. All seven members and two visitors were present.

New officers for the year were elected as follows. President Mrs. Earl Watt. Vice Pres. Mrs. Bill Clark. Secretary Mrs. John King. Treasurer Mrs. Reuben Clark. Social Welfare Convener Mrs. Moses. Correspondent Mrs. John King, the latter two both keeping their same positions.

Each member handed in for roll call, items to be made into patchwork for Margaret and Lee. These will be sent in time for Christmas.

A donation was made to the teacher in aid of the Christmas concert which will be held on Monday, Dec. 22nd. The big draw for the W.I. Food hamper will be made on that day also.

Miss Shirley Holms, district home economist gave a very interesting talk on Home Decorating

The flour bags were given to the members to be made into articles for sale as a later date.

As time passed very quickly there was no time for the social by Mrs J. Moses. She will have it at the next meeting

After the meeting lunch was served by Mrs. James Moses and Mrs. John King.

The next meeting will be held at Mrs. Thos. Thompson's on Jan. 7th at 2:30 p.m.

Elks New Year's Eve Frolic

BIG TIME PLANNED FOR EVENING OF DEC. 31st

The big time of the year, the Elks New Year's Eve frolic, will be held as usual with all the fun, favors and noisemakers of previous New Year's eve celebrations. The night will of course be Wednesday, Dec. 31st and the place the Elks Hall.

Ethelwyn News

Best wishes for a long happily married life to Mr. and Mrs. Paul Whalen (nee Cyrine Cameron).

On Nov. 30th the young peoples' club held a whist drive and dance in the Rye school. Five tables of whist were played with the winners being Mrs. Whitesworth, Mrs. McLellan, Ernest Kosel and Donald McLellan.

The writer very much enjoyed the dinner and gathering of correspondents and Standard staff. It was a real pleasure to meet old friends as well as new scribes whom we already felt we knew by reading their columns. Our thanks to Mrs. Thompson and Mrs. Wallington for arranging the enjoyable event. One lady complained that there was no humor in the country columns — this writer will try to do something about that with the co-operation of the news editor.

Mr. and Mrs. Bud Elliott and son Walter have motored to Mexico for the winter, hoping that a change of climate will benefit Walter who suffers from asthma.

Mr. Hancock and Mr. Clements of the Agricultural Service board held a meeting recently at Rye school. They showed several films and gave interesting films. Mr. Clements gave a talk on Norway. Mrs. shower a specimen and wanted everyone to be on the watch for them. Mr. Horack distributed the parts bred bull [illegible]

Finds Old Newspaper

While remodelling the roof of a granary recently Harold Cooper found that instead of tar paper under the shingles, newspapers had been used. The papers were the London, Ont. Advertiser dated from 1913 to 1918. The print was much smaller than that used today so was hard to read. The headlines were all war news. Following are a few prices taken from the ads in the issue of May, 1918: Ladies' wool suits $13; ladies' satin suits $20; Men's wool suits $14.75; men's felt hats $1; ladies' boots and oxfords $4 pair; voile 25c per yard; extra heavy copper boiler $1.35; refrigerators $12.95 up; horn mower $9; hay loader complete $90.00 per 100; butter 45c per lb.; eggs 40c per doz.; cheese 23c per lb.; extra special on sterling coal 15c per lb. The gasoline engine in which the old papers were found was built by John McIver Sons, the first gasoline motor engine Water Hauling, at whose auction sale Harold Cooper bought the granary.

The Christmas season is here so we take pleasure in enclosing greetings to the Editor and staff, and to all our friends and readers of this column.

Many people from Clandonald and Dewberry enjoyed seeing their old friend Bobby Hill at the ice carnival in Vermilion. The years have made little change to him. Mrs. Hill is also a member of the troupe.

Christmas finds were first sold to fight tuberculosis in Denmark in 1904, last year 20 countries held Christmas finds sales as a means of raising money to help prevent tuberculosis. tf

OUR COMPLETE SHORT STORY —

Fog In Echo Valley

By ANNA E. WILSON

VAN was thinking of Martin's warning when he emptied his rifle into the air.

"Pop can lie in that valley for a week," Martin had warned Van and Vicki when he offered them his camp in Echo Valley. But fog had seemed unimportant compared to a month outdoors. There'd be hunting and fishing. Van would grow hard and brown; Vicki would throw off that troublesome cough that settled in her larynx and let her speechless, a prey to Martin's idle teasing. She tried to thank him in a hoarse whisper.

They came into the Valley almost afraid to believe their luck. "It's beautiful," Vicki said in a small voice. "Oh, Van, do you believe it's real?"

"Of course, it's real." Van shouted and they held their breath until far up the Valley they heard the mural repeat itself. For a minute Vicki looked afraid. "If you got lost..." Van laughed at her fears and a few minutes later they came in sight of the cabin. Vicki cried out in delight.

In mid-October, Martin rode in for a flying trip. "This weather can't hold. Better hunt on the mainland or stick close to camp."

He knew laughter is danger and Vicki and Van were terribly in love. High up above Vicki's fishing rock they found a giant boulder that was warm in the sun. Vicki's cheeks glowed with excitement. Let's bring our sleeping bags up here, Van, and spend the night. We can build a bonfire and watch the stars." They went to sleep with hands drifting across the stars and woke in a blanket of fog.

Vicki's teeth were chattering and she shook with chills. Only a faint, hoarse whisper came from her throat. "I'll make a fire, Vicki's. You lie still."

Vicki was filled with terror of the fog. She spoke in a painful whisper. "Remember, Martin said it would last for a week."

Van was firm. "You'll feel better when we've had breakfast. I'll get it started."

He prepared to climb off the rock but Vicki clutched him. "You'll get lost. Please don't go."

Her hands were cold and her head was hot. This chill might deepen. He took out his fishing line and tied her an end to hold. "Take this. It will keep us in touch with each other. Here, let me tie it to your wrist." He put his rifle in her hand. "If anything happens, you can't call out, Vicki, but you can shoot."

He worked to the edge of the knoll. There was nothing here but pine needles and he paid out his line regularly as he went farther in. In half an hour later, with his arms full of wood, he came to the line and drew back but a terrific impact sent him crashing into the trees. A minute later, he crawled in the jagged cord. Some animal had blundered into it and snapped it. He called out again and again to Vicki. He advanced doggedly only to realize too late how much he had been deprived of his direction on the slender thread. He should have stayed by the rock long ago but he could feel nothing but lines.

He was lost. To continue without direction was only to go deeper and deeper into the woods or circle back upon his trail. He was suddenly panic and listened desperately for the sound of a shot. Something else happened to Vicki. She was sick; so was Van.

It was five minutes before he realized that he could at last hear a whisper of sound. He hadn't noticed it before because he'd been so intent on his own breathing. It was the smooth purring of the river. If he could make his way down to the river he could follow the current back to Vicki's fishing rock and climb steadily at right angles.

The sleeping bags had been placed on the west side of the boulder and he'd entered the woods from that side. He followed the river east until he fell against a black bulk and came up clutching one of Vicki's hairpins. He climbed straight up. In a minute, he was on the rock again.

The light from his pocket lighter made only a flicker in the fog. He circled the rock three times before he realized that Vicki wasn't there. It took him another minute to figure out that the impact from the rope might have thrown her from the boulder to the ground. Vicki hadn't been able to fire the ride because she lay at the bottom of the rock. He found her there unconscious from the impact.

Back on the Rock, there was only himself and Vicki and the valley of fog its gripped for his ride and rejoined the barrel into the air.

Next minute the valley thundered [illegible]

Back in front of Martin's fireplace, Martin filled Van's cup and smiled at Vicki. "Get to thinking of your youngsters alone. It was a shock to find the cabin empty until I remembered how I used to like to sleep upon that rock. I'd have missed it, though, if Van hadn't fired. He turned to put another stick on the fire. It was Vicki who finally croaked, "Look, the fog's lifting."

She turned to kiss Van.

LARK BIRD IN CANADA

ST. THOMAS, Ont.—A "little gull," common in Europe but rare in Canada, was seen here recently. The bird, marked by dark underwings, was in a group of about 2,000 Bonaparte and herring gulls.

Deer and other big game are said to thrive better on forage consumed from living plants rather than stock feeds.

New Paris Line!

4750
17-38
by Anne Adams

Paris created it! Everybody loves it! It's the new envelope-fold bodice with a line that flatters from torso to hips to give you a beautiful molded-through-the-middle look! Deep armhole, simple neckline to eliminate trim with pearls, scarves, glitter of gold!

Pattern 4750: Misses' Sizes 12, 14, 16, 18, 20. Size 16 takes 4 yards 39-inch fabric.

This pattern easy to use, simple to sew, is tested for fit. Has complete illustrated instructions.

Send thirty-five cents (35c) in coins (stamps cannot be accepted) for this pattern. Write plainly size, Name, Address and Style Number and send orders to:

Anne Adams Pattern Dept.,
Winnipeg Newspaper Union,
60 Front Street W., Toronto.

Cork comes from the outer part of the bark of the cork tree, an evergreen tree.

WESTERN BRIEFS

Edmonton Did Alright

EDMONTON.— Edmonton Eskimos of the Western Interprovincial Football Union realized more than $400,000 from 11 home games last season. The figure was given to a service club meeting by Eskimo president Ken McGuigonny, who added that more than 150,000 spectators attended the 11 games.

Good Fish Haul

EDMONTON. — Prairie fishermen had their innings recently at Lake Wabamun, 50 miles west of Edmonton, hitting 132,000 pounds of whitefish by net in the two-day, open season. It marked the end of fishing this year at Wabamun.

Plan Housing Project

LETHBRIDGE — Work on a 97-acre sub-division with an estimated potential housing value of $4,000,000 will start early next year, provided the project's sponsor can win approval of the town planning commission and city council. Plans were submitted to the commission by Les Wade of Calgary.

Sawmill to Stop

VALLEYVIEW, Alta. — Farmer Henry Gavilan didn't lose any money even though he left his cattle and amount this fall. An oil-hunting party, who were unable to move motor vehicles over the muskeg, brought in horses into the area and gave Gavilan a contract to winterfeed them in his oats field.

Chilcotes Valley

VANCOUVER.—A modern sportsmen's paradise already producing plenty of the world's aluminum ingots. Cigarette efforts are expected to increase this production. One of North America's most dramatic industrial developments now taking place in the Aluminum Company of Canada's mountainous river-turning project in British Columbia named after the abandoned Indian village of Kitimat.

Near British Columbia's northwest coast, about 100 miles southeast of Prince Rupert, Kitimat is expected to start producing aluminum ingots in 1954. Its ultimate installed capacity will be 500,000 metric tons a year. That's one-and a half times the capacity of Alcan's Arvida smelter near the Saguenay river in Quebec, now the world's largest. Kitimat is expected to double Canada's production of aluminum.

Low-cost hydro-electric power is essential for economical smelting of aluminum. Practically to be seen in likewise necessary, because bauxite from which aluminum is made must all be imported and shipment of aluminum ingots must be as inexpensive as possible.

Kitimat was selected as the ideal location after dozens of intensive surveys. Hydro-electric potentials are enormous, and year-around shipping of ocean vessels and aluminum ingots is assured—as long as enemy submarines do not prevent.

Kitimat's completion is expected to cost $350 million. Its construction involves a combination of gigantic engineering feats.

One mountain's peak is being scalped and dumped into the eastward flowing Nechako river to form a 310-foot-high dam 1,350 feet long. This will form a 140-mile reservoir covering 225 square miles and drive the river to reverse and flow west-ward.

A 10-mile tunnel will be blasted through the solid rock of another mountain at the reservoir's reservoir.

Water will plunge down a man-made falls 14 times higher than

Farmers Should Protect Wildlife To Reap Benefit

COLDWATER, O.— Wildlife will benefit to the eventual benefit of farmers, if the latter are not too thorough in reaping their harvests.

This suggestion was set forth in a memorandum sent to district officers by the farm equipment division of the Massey-Harris-Ferguson Co.

Modern machines and modern harvest methods make hardships for the wildlife on our farms, the message said. "The modern corn picker, which scarcely misses an ear of corn, leaves slim picking for birds and animals.

"Farmers who wish to protect wildlife and provide food hunting for themselves and friends can safely adopt the cutting contest.

"The idea is to cut dog-ends around the back corner of every field you harvest to leave a natural shelter and a little store of food for birds and animals.

"The bushel or the forkful that you waste is more than paid for in the pleasure that you and your machine are giving a break to game already hard-pressed from every side.

Actions speak louder than words

THE TILLERS

—By Lee Cornell

World's Top Aluminum Smelter To Double Canada's Capacity

Against a background of lofty British Columbia mountains, work is begun on Kitimat aluminum project.

By H. D. CRAWFORD
(CP Correspondent)

OTTAWA. — Aluminum is one of the world's vital metals. Especially is this true in our air age when national destinies balance precariously between peace and war. The nation best able to defend itself may be the one possessing the most powerful and versatile air force. And aircraft require large quantities of aluminum. Canada already produces one-quarter of the world's aluminum ingots. Cigarette efforts are expected to increase this production. One of North America's most dramatic industrial developments now taking place in the Aluminum Company of Canada's mountainous river-turning project in British Columbia named after the abandoned Indian village of Kitimat.

Near British Columbia's northwest coast, about 100 miles southeast of Prince Rupert, Kitimat is expected to start producing aluminum ingots in 1954. Its ultimate installed capacity will be 500,000 metric tons a year. That's one-and a half times the capacity of Alcan's Arvida smelter near the Saguenay river in Quebec, now the world's largest. Kitimat is expected to double Canada's production of aluminum.

Low-cost hydro-electric power is essential for economical smelting of aluminum. Practically to be seen in likewise necessary, because bauxite from which aluminum is made must all be imported and shipment of aluminum ingots must be as inexpensive as possible.

Kitimat was selected as the ideal location after dozens of intensive surveys. Hydro-electric potentials are enormous, and year-around shipping of ocean vessels and aluminum ingots is assured—as long as enemy submarines do not prevent.

Kitimat's completion is expected to cost $350 million. Its construction involves a combination of gigantic engineering feats.

One mountain's peak is being scalped and dumped into the eastward flowing Nechako river to form a 310-foot-high dam 1,350 feet long. This will form a 140-mile reservoir covering 225 square miles and drive the river to reverse and flow west-ward.

A 10-mile tunnel will be blasted through the solid rock of another mountain at the reservoir's reservoir.

Water will plunge down a man-made falls 14 times higher than Niagara Falls to a giant power station situated at sea level. Its force will be so great when it hits the mammoth turbines at the bottom that 2 600,000-horse-power of electricity are expected to be generated.

This generator is believed to be the largest ever constructed. The new steel power station will be 1,000 feet long, 70 feet wide and 100 feet high.

High-voltage wires will carry the current 48 miles across glaciers and rugged mountains to the Kitimat smelter.

When Alcan's first load of construction equipment arrived in the spring of 1951, the only shelter at Kitimat was one single abandoned Indian cabin. This summer the Kitimat and Nechako river areas were crowded with several thousand workmen, and tractors, bulldozers, and other heavy machinery jetting the huge project under way.

"Where, only yesterday, a cluster of Indian cabins nestled in the forest," according to a recent external affairs release, "a modern city of 30,000 people will one day take its place, and another chapter will be written in Canada's northern development."

Arvida has long been Canada's aluminum capital. There, too, Alcan has recently made enormous expansions of its hydro-electric power. Arvida and Shawinigan Falls, both in Quebec, were selected as smelter sites because of their low-cost and abundant hydro power potentials. Quebec and British Columbia possess the greatest hydro possibilities of all Canadian provinces.

In mid-August, one of North America's biggest hydro-electric projects was opened on the Peribonka river 80 miles northwest of Arvida at a cost of $30,000,000. Early in 1953 a twin power plant will open 14 miles down the river.

Arvida and Kitimat will raise Canada's status even higher as a world producer of aluminum. Part of the capital for developing Kitimat has come from the British ministry of supply. An agreement between the Aluminum Company of Canada and the United Kingdom provides a quantity of 250,000 metric tons annually of Kitimat a production of aluminum ingots for Britain.

Considering that the largest aluminum smelter in the United States has a capacity of only 145,000 tons, the world's largest smelter at Kitimat will undoubtedly become a valuable future source of ingots for aircraft and other aluminum product manufacturers in America. It might even provide the margin of victory if there is another world war.

Uranium City Developing Fast

PRINCE ALBERT — Townsite development continues to set a rapid pace in Uranium City, new mining centre springing up in the heart of northern Saskatchewan's Beaverlodge uranium field.

C. S. Brown, northern administrator for the provincial natural resources department, who returned recently from a week-long visit to Uranium City, said it had "all the earmarks of a rapidly developing frontier community. I saw evidence everywhere of enthusiasm and confidence in the town's future."

Mr. Brown said about 24 commercial establishments were now in operation or under construction. These included garages, restaurants, bakeries, a pool room, liquor store and tourist cabins. At present, 160 business and resident lots have been leased or applied for, with 46 businesses and 94 resident lots still available for allocation.

"One can see buildings in all stages of construction everywhere," said Mr. Brown, adding that a solid fall had greatly facilitated prospecting activity as well as building. He said the town layout was "excellent in so far as the terrain permits, and there is every indication it will have to expand a lot further."

An estimated 1,600 people living in the Uranium City vicinity are serviced in part by Uranium City today, Mr. Brown said a number of people building at Uranium City are at present living in mining camps or tent quarters outside the townsite area. He said a one-room school which opened recently was "jammed" with about 60 children, and another building had to be obtained for temporary use.

A local mining company employee's wife has taken over teaching duties in the temporary school addition.

Almost 18 centuries ago the first book about a voyage to the moon was written by a Greek named Lucian of Samosata.

Christmas Messages FROM THE CHURCHES

Rev. C. W. Hadley
First United Church

WE are all familiar with the beautiful scenes in books and on Christmas cards of the baby Jesus lying in a manger with Mary and Joseph gazing fondly at the child, the shepherds standing reverently, a short distance away and the wise men presenting their gifts of love to the Christ Child. This scene appears to be very beautiful and impresses us very much. We remark to ourselves, and perhaps to others, "how beautiful, how lovely". But the manger was not beautiful and lovely as so often portrayed. Jesus was born in a cave stable. This place was not clean, but a dirty, unkept, vermin - infested grotto, where only animals were kept in dirty quarters. Here, in this place, amid the confusion and merriment of a pleasure-seeking multitude, the Saviour of the world was born.

There was no room for Mary and Joseph in the inn. They arrived late and as there were so many people in the town that night there was no room for them anywhere. Frantically Mary and Joseph searched for a place to stay. I can picture them weary and tired carrying Baby in an inn, and an impatient innkeeper having more guests than he knew what to do with, sending them to a cave stable at the back of the inn.

Not far from where the Son of Man was born, on a hill now called Mount Turvida or "Little Paradise Mountain" covered the palace fortress of the Great Herod. No doubt the drunken laughter, cries of women, the cursing of rough soldiers could be heard as they celebrated the feast. All were intent on having a good time quite unaware that the greatest event in all history was taking place in a little cave stable in Bethlehem. Here One was born, before Whom every knee should bow, the Saviour of the world, the Prince of Peace.

There was no room for Christ many hundreds of years ago in an obscure village and often there is no room in the souls of men for Him at the present time. Why? For the precise same reason that there was no room for Him many years ago.

Let me suggest that there was no room because people were too concerned with their own selfish pleasures and business. In our day we find that people are occupied with so many other interests, many of them fine in themselves, that they have no time for Christ. We find that the Christian cause is suffering today because people have permitted other secular interests to dominate completely their time and talents.

This year amid the confusion, excitement and merriment of the Christmas season, let us pause with our families to remember the One whose birthday we are celebrating. It would be strange if the honored guest at a party were kept outside, while we enjoyed ourselves within. Yet this is precisely what happens in many homes at Christmas. THE HONORED GUEST is kept outside.

My prayer is that many may receive the Christ-Child into their hearts and homes this Christmas season. To him that receiveth status, "as many as receive Him to them, gave He the power to become the Sons of God". In other words, those who receive Him into their hearts will grow in Christ-likeness; they will become more thoughtful, more compassionate, more understanding, more loving, less critical, less jealous, and better able to understand the other person's point of view.

The greatest miracle of the ages is not the splitting of the atom, but the transformation that takes place in the lives of those who submit their lives to Jesus Christ. For as Paul has stated: "If any man be in Christ, he is now a creature: old things are passed away; behold, all things are become new."

May our prayer be as we kneel with our families in this sacred season of our church year:

"O come to my heart, Lord Jesus
There is room in my heart for thee."

Capt. Reid, Chaperon
Salvation Army.

In his letter to the Church at Corinth, Paul says, "and now abideth faith, hope, love, these three; but the greatest of these is love." The pre-eminence of love is clearly seen as one reads this 13th chapter of the 1st Corinthians, and great stress is laid by the Apostle upon the marks of true love.

We ponder o'er the Christmas story and the coming of Christ, and indelibly written across its pages is the theme of which Paul speaks. We pause to wonder why God should send His only Son to save mankind from sin, and we are vividly reminded that it was Love. She laid Him in a manger; because there was no room for them in the inn," writes St. Luke, and again we wonder why? The voice re-echoes, "It was Love". We consider the earthly ministry of Jesus, and His life of humility and servitude, and once more love is shown in large bold type. Indeed the entire Gospel plan is a plan of love, for "love led Him to Calvary".

Christmas would be worthless and useless without Christ, for if He were excluded there would be no message of love. But love is made clear and plain, and the message of love is shed abroad in our hearts.

This love exemplified by God the Father by giving: by Christ His Son, in His living, has endured the passage of time, and many thousands have responded a similar love in their Christian living. As we again consider the Christmas theme, let us be mindful of the results of the coming of Christ. Because He came, others are living out that love.

The story is told of a young woman, a successful worker in the slums of England whose only book was the Bible. She was asked the secret of her success. Her eyes sparkled as she answered: "Oh, It's love, it's love in the heart. You let it come out, and they feel it."

Not only this girl, but hundreds and thousands of others have had the love of Christ re-born in them and have in return shed a mighty influence for good down through the centuries.

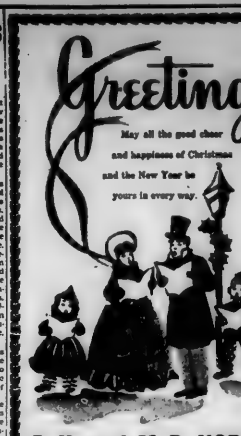
All that is good and right and pure, we owe to the coming of Christ. Love has prompted men and women to take the Gospel to the far corners of the globe: to feed the hungry: to clothe the naked. Hospitals, schools, institutions and churches have been established not only in this land, but in many others, because of love. The lives of men and women have been transformed because love has been revealed and realized.

Today, tomorrow, every day, Christ must be born in us: that is to say, His spirit must inspire us and shed the love of God abroad in our hearts. To have this means to have Christmas in our hearts every day of the year.

This happy season should be more than a time of family reunion, the giving of gifts and the exchanging of greetings. It ought to be the occasion for the re-exam ination of our lives to ascertain if the Prince of Peace, the Christ of Love, reigns there in true reality. As long as the love of Christ is excluded from man's affection and loyalty, then the world will always be in danger of being lost and of drifting to turmoil, trouble and war.

May our prayer be as we kneel with our families in this sacred season of our church year:

"O come to my heart, Lord Jesus
There is room in my heart for thee."



May all the good cheer and happiness of Christmas and the New Year be yours in every way.

Broadcast From Children's Hospital Christmas Day

Continuing a tradition that was established a number of years ago the patients at Alberta's Red Cross Crippled Children's hospital will again broadcast personal Christmas greetings to their families living outside Calgary.

The program which originates through CFCN Calgary, will be carried over CFCN, CKCK and CJCJ (Lethbridge) from 10 to 10.30 on Christmas day. The stations donate the time for this broadcast.

The children have been practising for the broadcast for several weeks holding their air rehearsal last Tuesday. CFCN's chief engineer Bob Lamb, and Lorne Dunsdon who has emceed the program for years, taped the broadcast and then played it back for the children and teachers. They then gave the flavor in it and are hard at work again to make this year's broadcast "tops for them ever".

Even the pre-school children are contributing their part through their rhythm band, banging and shaking their instruments with great gusto. The older groups are to be heard in several Christmas choruses.

Listeners to the program will be able to see the children in imagination, as they then will be laying flat on their backs either in beds or on mattresses and carrying their turns to say "hello" to parents as far north as Yellowknife.

With 138 patients in hospital, of which 80 are polios, the manoeuver ing of the beds into position so to age group is one of the biggest difficulties. However on Xmas morning the Kinsmen Club of Calgary, which sponsors the party each year, will assist with the moving, and also an allied club to each child to help with the presents and fun.

A total of 62 decorated Christmas trees will be spaced throughout the hospital by the Kinsmen who plan on a time for each large ward.

Average income of Canadians in 1949 was $800: in the U.S. the figure was $1440 per capita. Switzerland $900, Sweden $800, New Zealand $775, Russia $310. —Quick Can. Facts.

Chatsworth Chatter

(This bulletin was intended for last week so please make allowance for time elapsed.)

At time of writing (Monday, Dec. 15th) we are enjoying the most beautiful spring-like weather, almost unbelievable at this time of year. The whites grosbeaks are singing sweetly, cattle are out in the fields pasturing and limit it is almost Christmas.

Roads are practically bare of snow, though the mild weather has made them a bit slippery.

The correspondents get-together on Nov. 25th with our news editor and his wife, Mr. and Mrs. Ashley Cooper and Mr. V. Cooper of the Standard staff, was most enjoyable and we hope to see all the correspondents in attendance next year.

A number of the schoolchildren have been out of school with the stomach flu which seems to be making the rounds among grown-ups as well.

Lily Misick has been a patient in the hospital recently, suffering an attack of the flu. We all hope you are fully recovered by now Lily.

We tender deepest sympathy to Mrs. Leo Klashinsky on the passing of her father, Mr. Shupe in B.C. last week. Mr. Shupe is an old-time resident of Vermilion, having lived west of town for some years.

Mr. and Mrs. Jim Panter and Jackie were Edmonton visitors last week. George Farkash did chores and looked after the boys while Mrs. Farkash went to Vermilion.

The December meeting of Chatsworth Country club was held on the 11th at the home of Mrs. Thompson with 13 members in attendance. The Sick committee reported one member ill. Mrs. H. Goud, and flowers were sent to her with wishes for a speedy recovery. The Red Cross quilt was named for the ensuing month by Mrs. East and Myrtle Thompson. The gift exchange, Coloured style, drew a number of useful and interesting novelties, and proceeds from the Xmas cookery bazaar amounted to nearly $15. The ticket draw was won by Mrs. Angus Anderson, who had previously donated the prize, and she returned it. Mrs. Jos Farkash being the winner. At the close of the meeting lunch was served by the hostess assisted by Mrs. Arthur Tovell, Mrs. Harry Good and Miss McCauley.

The next meeting of the Club is to be held at Mrs. M. Towell's, if weather and roads permit, on Jan. 15th. The lunch committee consists of Mrs. Joe Farkash, Mrs. Matt Farkash, Mrs. East and Mrs. J. Thompson and the local by Mrs. Jim Panter.

Last Friday evening a surprise party was held at the Ottawa school in honor of Mr and Mrs. Albert Towell and they were presented with a set of chrome finished kitchen chairs and table for their home. An enjoyable evening was spent in visiting and playing games and lunch was served by Mrs. Eric Ludwig and Dene in charge of festivities.

The Geo. Pennington crew were working on the power line at the slough north of Steve Jacula's last Friday.

J. Nichols of Canadian Utilities was also out on the line last week end, making a check-up.

We extend heartiest greetings of the season to the Editor and staff, fellow-correspondents, and readers of the Standard, wish wishes for a bright and prosperous New Year filled with health and happiness.

By Shirley Holms, Wainwright, Alberta

News Notes From Your District Home Economist

Season's Greetings Homemakers

Are you stumped at the last minute not knowing what salad you will serve that is both easy and different? Here is a suggestion —

Christmas Tree Salads: 1 envelope unflavored gelatin; ¼ cup cold water; 1 lb. cranberry sauce crushed with a fork; 1 cup finely shredded cabbage; ½ cup diced celery; ½ cup chopped walnuts. Softened cream cheese tinted green.

Place gelatin in a custard cup, add cold water. Let stand two minutes. Place cup with gelatin in pan of boiling water and heat until gelatin is dissolved. Mix with crushed cranberries, cabbage, celery and nuts. Spoon into cone-shaped paper cups supported in small glasses. Chill until firm. Place on lettuce and peel off paper cups. Trim with softened cheese. Makes 1 to 5 salads.

Dancing Snowballs

Ever heard of dancing snowballs? Place on the table a mirror plaque stranded in spangled greenery. Use a medium-sized rose bowl for the snowballs for best effect. The snowballs are meatballs made sure they are fresh and whole). The liquid added to make them dance is made by mixing 2 tablespoons of baking soda and 1 tablespoon of citric acid with 2 cups warm tinted green. If they do not dance at once, add more citric acid until they do. This is an important tip, if they begin to stop dancing, add more soda and citric acid.

Household Hints

During this Christmas rush these few household hints may prove helpful to you.

When gravy is too salty add a sprinkle of brown sugar. Does not sweeten the gravy or spoil the flavor in any way.

Brushing salad molds with salad oil for any gelatin salads or desserts, makes easy work of removing the food.

To prevent peel from sticking to the grater, rub washed lemon diagonally across grater in long strokes.

To reheat coffee cakes and rolls, place on cooky sheet uncovered loosely wrap in tin foil or place in large paper bag, and heat in 400° oven for about 10 minutes.

Cookies and biscuits brown more evenly and rise better when baked on sheets instead of pans with high sides.

A Merry Christmas and A Happy New Year to Each and Everyone of You!

Many Prizes Offered In Cancer Scrap Book Contest

All Alberta schools have now received information on the big province-wide Cancer Scrap Book contest sponsored by the Alberta Division of the Canadian Cancer Society for which over $300 in prizes has been offered to school children through a special contribution made to the Society for the contest.

The purpose of the contest is to arouse interest in the cancer problem in the schools. Each contestant is required to keep a scrap book of news clippings, magazine articles, extracts from Cancer Society and other literature, depicting two parts, the story of the Cancer Problem and how the problem is being met in Cancer Control which includes Research, Education etc. In each of the districts covered by the Society's branches the following prizes are being awarded for the best scrap books in each division:

1st $10; 2nd $5; 3rd $3; 4th $2.

Divisions are A Grades 5 and 6 B Grades 7 and 8 C Grades 9 and 10 D Grades 11 and 12.

In addition grand prizes totaling $150 will be awarded for the best scrap books in the Province.

Teachers and students interested in the contest may secure further information from the Provincial office of the Canadian Cancer Society, 231- 7th Ave., East, Calgary

A MERRY CHRISTMAS

—A wonderful time of year when we are glad to pause and give thanks for the opportunity of sending a friendly and sincere greeting to our many customers with whom we have been doing business for so many years.

It is with pleasure that we express our gratitude for your good-will, and wish for you and yours a Joyous Christmas, and that the Star of Hope for Peace and Happiness will shine ever brighter in the New Year.

A HAPPY NEW YEAR

NELSON-HILL HARDWARE

Foreign Trade

FOREIGN TRADE IS A fundamental factor in Canada's economy. We depend for many of our daily needs upon goods brought in from other countries, but more important to us is the selling abroad of the surplus products of our farms, forests, mines and factories. Because of the relatively small population of this country, we cannot at home, make use of all that we produce, and a healthy demand from other countries for our goods is essential to prosperity here. In recent years there has been demand on foreign markets for Canadian products and exports have increased to record peaks. A recent report showed that in the first nine months of 1952 exports exceeded $3,000,000,000 and it was predicted that the figure for the entire year would exceed $4,000,000,000, the total for 1951.

* * * * *

1951 Figure A Record

The figure for 1951 was a record one, and if it was exceeded in 1952 that year is all stand out as a most successful one in Canadian export trade. This rise which has been due in part to the post-war needs of other countries for the wheat, flour, newsprint lumber base metals and other products which Canada has in abundance at this time, has done much to strengthen Canada's economy and to offset the expenditures which are necessary for imports. Canada must import certain fruits, tea, coffee, rubber and many other products which cannot be grown here. A certain amount of manufactured goods is also imported, including articles [illegible] too expensive to make and for which there is not a large market in [illegible]. Industrial machinery is one of these items

* * * * *

Exports More Than Imports

Imports in the first nine months of 1952 amounted to $2,945,509,000, which was less than the figure for 1951. The United States is at present Canada's largest customer, best sales to Great Britain have been affected somewhat by the dollar shortage has curtailed purchases from this country, were increased in 1952. The uncertainties of the times in which we are living extend to world trade and there are some who fear that Canada's present prosperity in that field may not continue. The figures for the past year do not indicate that there is a decrease in the markets for Canadian products abroad, but foreign trade is a complex matter and Canada cannot control the factors which determine the demand for her goods in other lands. It is to be hoped, however, that means may be found to prolong the favourable trend which has been in evidence in recent years.

"WE WANT A NICE NEW HOME," the little pup at left is supposedly whispering in the ear of Humane Officer William Schrafel, of St. Paul, Minn. The whisperer and his companions are among those waiting in an animal shelter for what they hope will be eventual adoption.

What Makes A Champion?

Canada's Only Gold Medallist at the 1952 Olympics Started Skating At 12 Years of Age — Two Years Later He Won His First Major Championship

By Herman Johnston in C-I-L Oval

In Canada's little and famous of the Olympic Games of 1952, a singularly brilliant achievement by one of her sons received the heart of the nation. It was the performance of 21-year-old George Gregory of Saskatoon, Saskatchewan. This high school boy from the Prairies won 10 of Canada's total of 20 points, and its only Gold Medal, symbol of Olympic supremacy.

George's outstanding performance at Helsinki attracted the attention of sports writers who wanted to know many things. What of the boy himself? Was he, as the record might suggest, a shooting machine, an automaton, a nerveless individual with ice-water in his veins? He is none of these things, they discovered. He is, in fact, a likeable, competent, well-integrated individual, and a good competitive shooter. When the tension mounts with each successive shot at these gruelling contests, George admits that he feels nervous all right—just like the competitors.

Twelve years old when he first started to shoot at the Saskatoon Gun Club, George's ability was quickly spotted by Jimmy Grgulin, veteran trapshooting star. Grgulin was introducing his sons to the clay-target busting business one afternoon, by letting them shoot at birds with a .410 shotgun, when George joined in. This proved to be an important meeting, for, from that time on, tournament-wise Grgulin kept George under his wing and has been his coach and mentor ever since.

The first major victory in competitive shooting for George was in 1948, when at the age of 14 he shot his way to the Manitoba-Saskatchewan Handicap Championship. Then two years later at the American Trapshooting Association competitions at Vandalia, Ohio, he won three North American championships - the Junior, the Junior All-Around and the Junior High Over All.

This year at the contests sponsored by the A.T.A., he was runner-up in the one Preliminary Handicap Championship, and he won the Junior Champion of Champions of North America title. To this he added the Saskatchewan Championship - thereby his ascent. Then before he was going to the Olympics he stopped at Rome, Norway, where he placed second in the World Championships.

George doesn't confine his shooting to clay pigeons and targets. He likes to hunt and he frequently tries his hand at bringing down deer in open clearings and crows. He is also a good all-round athlete. A top-flight rifle

Sport Fishing Becoming Popular In Saskatchewan

PRINCE ALBERT.—Sport fishing has become one of Saskatchewan's most popular outdoor attractions to day, according to A. H. MacDonald, provincial director of fisheries.

He substantiates this statement with figures of licence sales, which to date this year, have totalled 877,000, compared to $80,000 for the corresponding period last year. The current angling season extends from May 16, 1952, to March 31, 1953. When final figures are in, Mr. MacDonald believes the total revenue from permits will reach $40,000.

Ten years ago, the province's angling licence sales brought in only $8,370. This was for 6,853 resident and 1,364 non-resident licences. To date this year, 6,773 resident and 3,338 non-resident licences have been sold.

Comparing this with last year's total figure of 8,230 residents and 6,215 non-resident licences sold, another trend is apparent. The number of resident licences sold is growing in greater proportion to non-resident sales.

In other words, said Mr. MacDonald, more Saskatchewan people are taking advantage of the province's sport fishing resources. He goes on to say that Saskatchewan's real angling population is probably twice the number indicated from the number of licences sold (48,778). This would be made up by children under 16, not requiring licences, and people fishing in the national park, who do not necessarily hold provincial angling licences.

Will the trend stop here? Mr. MacDonald does not think so. In Minnesota, U.S.A., it is estimated that the number of anglers equals half the State's total population of 3,000,000.

Here in Saskatchewan, a corresponding peak is still nowhere in sight. In recent years, sport fishing activity in the province has been increasing approximately 20 per cent. every year. There is every indication this increase will continue, said Mr. MacDonald.

PLYWOOD SCHOOLS IN B.C.

VANCOUVER.—Prefabricated plywood schoolhouses are being used to meet the increase in school-age population. More than 70 portable structures of one or two rooms have been shipped to scattered districts of B.C. They can be set up by four men in 24 hours.

hockey player and baseball pitcher, he is a real asset to his high school where he started his last term this autumn.

But with all this outdoor activity, Georges hasn't neglected his studies. He is a good student. When asked about his plans for the future he replied that he hadn't made up his mind definitely. After further consideration he added "Probably medi-

"Well, you don't look very happy about it," put in Chuck.

"It's going to be jolly expensive," said Peter, unhappily. "I took her to the theatre last night and a little supper afterwards. The first lesson cost me $10."

* * * *

A visitor to the village, watching a rustic fishing in a shallow stream, noticed that for half an hour the hook was never drawn from the water. "Are there any fish in that stream" the visitor asked at last.

"No, sir, I don't think so," the rustic replied.

"But you seem to be fishing," "Yes, sir."

"Then what is your object?"

"My object, sir, is to show the wife that I've no time to peel the potatoes."

* * * *

"Sir, Sambo, I want to marry your daughter."

"Have you seen my wife?"

"Yes; but I'd still rather have your daughter."

INSIGNIFICANT

The amount of oxygen that plants use in a sick-room at night is so small that it is not likely to affect the supply of air in a well-ventilated room.

Average life of an oak tree is from 300 to 800 years.

THRILLS of the ROARIN' GAME

Make Sure The Novice Gets His Bearings At The Start

The "green" player need never hesitate to ask the veterans for pointers; they'll give them gladly. But he shouldn't have to ask it. A club that isn't conducting an organized school for coaching of first-year men is failing down on its duty to them and to itself.

A few group chalk-talks (with questions encouraged) would give the novice a quick theoretical grasp of the fundamentals, and he could then go out on the ice and put them into practice. There is nothing more deplorable than the embarrassment of a new member trying to interpret the skip's mysterious signals, in a game that he has been suddenly thrust into and knows nothing at all about.

The first year is what makes or breaks a curler, and lack of proper instruction is one of the reasons why so many fail to return for their second year.

A case in point is that of the high school curlers, who catch on surprisingly fast because enthusiastic veterans put them through their paces. These men are breaking in the curling greats of the future.

The Bishop's Be Thine

Remember to keep the body, shoulders and head squarely facing the rings and swing the stone from a pendulum.

Adjust the length of your hack-swing for the speed required, put the turn on the stone during forward swing, just before the stone touches the ice.

Be sure the stone is ahead of the body when it touches the ice.

Truckers Will Help You Pass

TORONTO. — Canada's truckers are going to improve their driving manners. At least drivers for some 150 companies sporting the Canadian Automotive Transport Association's red, gold and black "I'll Help You Pass" placards will try.

The association's courtesy campaign, officially launched at the association's annual meeting in Montreal recently by President G. M. Pirie of Toronto, extends from coast to coast and covers trucks ranging from lumbering tractor-trailers to light delivery vans.

In Quebec it is known by the somewhat more elegant title "Je Vous Aiderai a Depasser".

The campaign, aimed at combatting what the association considers a growing feeling by motorists that trucks are monopolizing the highways, has four rules for its participants.

The truck driver is required to maintain sufficient distance between his vehicle and the one ahead to allow faster vehicles to pass. He will slow down and drop back to a safe distance whenever he attempts to pass and finds the way not clear. He will permit traffic to pass on long grades. He will permit any delayed traffic to pass after reaching the top of a long grade.

Company officials are required to sign a pledge to see these rules are carried out.

One familiar road courtesy that will be eliminated, however, is the practice of the truck driver blinking his lights or giving a hand signal to indicate the road ahead is clear to pass. It's considered too dangerous.

But how is the average motorist to know he can count on these courtesies?

The association has two answers for that. The placards, 15 inches by nine inches, (15 by 11 in Quebec) will be mounted conspicuously at the rear of the truck. The driver will also have a sticker posted in the cab reminding him his truck is carrying the courtesy placard. He is also required to sign a pledge to honor the campaign.

GROWING PAINS

The Alberta Cattle Breeders' association said the Calgary bull sale are experiencing growing pains. Association members tackled the problem recently in an effort to find a cure. The main difficulty was how to find room in the cattle pavilion at Victoria Park for the 1,400 head of purebred beef bulls nominated for the sale, scheduled to open March 16 and continue for a week.

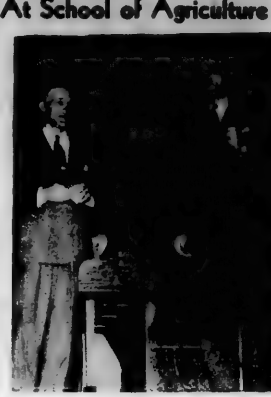
Laurence Blades Honored At School of Agriculture



For distinct achievement as a member of the teaching staff and as an officer of the Alumni Association, Mr. Laurence (Laurie) Blades was specially honored at the Alumni Reunion and fall open dance which was held at the Vermilion school of agriculture Friday, Nov. 21st.

A crowd of some 750 persons was in attendance when Mr. and Mrs. Blades were called to the platform. Mr. N. N. Bentley, Principal of the school, briefly outlined Mr. Blades' record. Mr. Blades was an Alumnus of the school from which he graduated in 1935 and then as a capable, enthusiastic and popular member of the teaching staff for a total of ten school terms. In addition, Mr. Blades was commended for his services to the Alumni Association in which he had been president for two terms and secretary for ten years including the four-year-period during the war when the school was closed.

Mr. Bentley paid particular tribute to Mrs. Blades who is also a graduate and who has made a valuable contribution to the life and work of the school.

He then presented Mr. and Mrs. Blades each with a gold staff pin and on behalf of the present teaching staff as well as the Alumni Association expressed the wish that they would continue their good work for the school and enjoy success and happiness on their farm in the Camrose district. The ovation then given by the several hundred former students present indicated the popularity of the honored couple.

Mr. Blades is shown at the left of the picture and Mr. Bentley at the microphone.

Allandale Notes

(This bulletin was intended for last week, so please make allowance for time elapsed.)

The weather still stays wonderful, today, the 15th, it was 25 above around this time last year it was 40 below. Last week the country was beautiful, dec.ed in white. The frosty scene reminded us of Christmas which is fast approaching.

We wish Mr and Mrs. Wm. Cusack and family a most enjoyable holiday. They left Dec. 2nd for California to spend Xmas with their aunt Kathleen.

On Dec. 3rd the jet plane visited again. We've just heard that Bert and family are leaving shortly for England.

The Clandonald W.A had their first evening meeting on Dec. 3rd, it was good to be out with the northern lights beaming and the full moon shining brightly and with an above zero temperature.

Mrs. Oscar Johnson has been visiting her mother at Vernon, B.C. and daughters who are employed at Calgary.

Allandale was well represented at a card party at Campbell Lake on Dec. 5th and were also fortunate in bringing home more than their share of prizes. Mrs. Herb McPhee won 3rd, Mrs. Ralph Stromo 4th, Mrs. Orley Omness, consolation (the pop corn was delicious!). Herb McPhee won 1st and Dale Fry 3rd.

It's good to meet friends in town and have a visit. Mrs. Charles Moore, Mrs. Wallington and myself had a chat over the tea cups in the new cafe. Mrs Herb McPhee and the writer attended the tea and sale of work at the United church hall which was a great success. It was a grand afternoon for the ladies. The next Saturday tea with Mrs. E. Thompson was enjoyed. Take more time to be neighborly.

On Dec. 7th Orley Omness drove to Calgary with Orleene and Paul Wheeler where Paul is stationed in the air force, returning that evening to Blackfalds and spent the night with Mr. and Mrs. Bob Hagen who are very well and enjoy visitors and news from these parts.

Commercial fishing on Lake Wabamun was on Dec. 9th to 10th. Mr. and Mrs. Ed Magistad, Eddie Thorndson and Ralph Stromo went from here and Orley Omness joined them as he came home through Edmonton from the south.

Turkey picking in Allandale started Dec. 9th. 105 turkeys were dressed in a short time at Johnny Nelson's, almost all were 'A' birds, the following Saturday at Danny Nelson's when around 60 turkeys were dressed, all grading good; the following Monday at Throndson's and Ralph Stromo's.

Coyotes are still a pesky nuisance all over. They injured a young calf of Johnny Nelson's so badly that it died later. They have been seen in Throndson's and Ralph Stromo's barnyards and often seen in the fields.

Dec 11th Ort and Ralph Stromo motored to Saskatoon to be with their dad who recently had a serious operation in one of the hospitals there.

It was another lovely afternoon on Dec. 11th when our W.A. met the returning home. We are all joyed very much having Mrs. Moore with us. Our next meeting in Jan uary is to be at the McPhee home. This will be our annual meeting. Mrs. Armstrong and Mrs. Stromo on the lunch committee.

To the Editor, staff and families, friends and relatives who read our paper, a most enjoyable Xmas and "Again the world keeps Christmas each home and heart alight: the faithful praise a Saviour born one holy night: and as you too, keep Christmas, may you feel His presence near, may His understanding love surround you, through a happy day and year."

Farmers' Bonspiel January 2 and 3

Thinking that it is about time the farmers of the district had a little relaxation after the Xmas festivities, the business men of the town, through the Vermilion Curling Club, are holding the annual Farmers' Bonspiel on Friday and Saturday Jan. 2 and 3. There is bound to be lots of fun and no matter if you have ever curled or not, get yourself a quartet and come on in — the curling's fine. Everyone is not only invited but urged to come in for this outing. The bonspiel has become more popular every winter and the waiting room is always crowded with sociable spectators. Lunch is served and the whole affair is one big two-day picnic.

31-5c

SATURDAY NIGHT DANCES AT CLANDONALD

Dance every Saturday night at Columbus hall, Clandonald from 9 to 12 p.m., commencing July 19th. Good orchestra, admission 50c. Under auspices of the Clandonald Community Affairs Society. 2nd

Local News of Interest

Christmas Program Held At Dewberry

DEWBERRY. — Sunday evening saw the hall well filled to hear a program presented by the Dewberry Sunday school and the boys band. This was followed by the Vesper service including the Candle lighting ceremony by the C.G.I.T. girls. The Dewberry choir rendered an anthem as did the girls. The Rev. Mr. Sneddon gave the prayers and delivered the Christmas message to young and old. Scripture reading was done by the girls with Mrs. Cowan taking the leader's role. Mrs. Webedale was pianist. Serving of lunch and a social time followed the service.

The Dewberry C.G.I.T. group have nine members to date. They are Marion Nelson, Betty Ewen, Dianne McGillawee, Joyce Parker, Marjorie Redman, Jean Hornfield and Annette Butz. Elaine Wilson hopes to join after her Theory 2 music exams in February. New and willing members are welcomed in this fine Christian organization. Mrs Webedale is the leader with Mrs. N. E. Jones her assistant.

The boys band do very well and continue to surprise with their steady improvement. Much credit is due to their leader Mr. W. Protsch for their remarkable progress. On Friday evening at a concert at Greenlawn Mr. Protsch gave each of the band members a record of their own renditions. The record included five pieces. These will be treasured more and more as the years go by.

At their last practise the boys presented Mr. Protsch with a purse of money to show their appreciation for his untiring leadership.

Cubs Raise $89.00 On Turkey Raffle

WON BY THREE-YEAR-OLD JIMMY MALINOWSKI

The fine big turkey donated by the Vermilion Food Locker plant and Meat Market to the Vermilion Cubs, was raised by them at 75c a ticket and the large sum of $89 realized for the Pack fund. After receiving the turkey the little fellows really went to work selling tickets resulting in a very successful project.

On Tuesday afternoon the name of the lucky winner of the big turkey was drawn by the Cubs and it was Jimmy Malinowski, aged 3 years.

Mr. and Mrs. Darrell Currah and daughter Doreen are at present in Hamilton, Ont., visiting at the home of Mr. and Mrs. Albert Duncan and family. They plan to return about January 5th.

Mannville Local Items

Constable H. K. Coulter, R.C.M.P. is here from B.C. for Christmas.

A visitor to town for the first time in eight years is Morley Thompson son of Mr. E. P. Thompson.

Mr. and Mrs. E. Mathey will spend Xmas in Edmonton with their daughter Adele.

Mr. and Mrs. S. Ossenberg entertained the staff of the Mannville school together with their wives, husbands and friends at a Xmas party on Thursday evening last week.

The annual Christmas Carol service was held at the Anglican church on Sunday evening, while the Candlelighting service of the C. G.I.T. was carried out at the United church.

C. G. I. T.

The C.G.I.T. had a candy and novelty counter at the United Church bazaar on Dec. 6th, while the Senior girls also had doll clothes on sale. They proved very successful and the C.G.I.T. wish to thank all those who contributed to make the effort so worthwhile.

IN REMEMBRANCE

In loving memory of
Paul Harvelter

"Gone is the face we loved so dear,
Silent the voice we loved to hear;
Too far away for sight or speech
But not too far for thought to reach.
Sweet to remember him who once was here.
And who, though absent, is just as dear."
—Loving Wife and Family.

IN MEMORIAM

In loving memory of
Ellen Saum

who passed away Dec. 24, 1942
He is gone but not forgotten
And as years roll by
In our lonely hours of thinking
Thoughts of him are always near
Days of sadness will come o'er us
Friends may think the wound is healed;
But they little know the sorrow
That lies within the heart concealed.
—Sadly missed by Mom, Ted, Dick, Betty and Agnes.

Ivor Larsen Feted on 75th Birthday

A happy birthday party was held at the fine farm home of Mr. and Mrs. Gordon Larsen south of Vermilion on Friday Dec. 19th when a number of old friends and neighbors gathered to honor Gordon's father, Mr. Ivor Larsen on his 75th birthday.

The evening was spent in playing whist and social chat with prizes going to Mrs. Ivor Larsen and Mrs. Bede Rogan. Consolation prize went to Mrs. E. Hart and Mr. Jory.

The hostess prepared a most delicious lunch and set a beautifully decorated table in the spacious dining room, around which, with the illustrated guests leading the way, the guests were seated.

Mr. Majury proposed a toast to Mr. Larsen and with Mrs. B. Rogan at the piano, "Happy Birthday" was sung with a rousing cheer. A coincidence—Mrs. E. Hart was also celebrating her birthday, so another round of 'Happy Birthday' was sung in her honor.

It was a most delightful party and all went home thanking the host and hostess for the lovely time and looking forward to Ivor's next birthday.

The Vermilion Ladies' Choral group recently took part in the Christmas Carol festival held at Lloydminster in the United church. In order to accommodate the huge audience a public address system had been set up outside so that the overflow crowd might hear. The Festival of Carols was arranged by the Eastern Star at the border town. Taking part in the outstanding musical event were the Eastern Star Chorus, the Grace United Church Junior choir, and St. Johns Anglican choir; the Public school chorus and the Grace Church Senior choir; the High School Glee Club; the Vermilion Ladies Choral Group; the Kitscoty Choir; the Dewberry Choir; the Marwayne boys' choir and the Sea Rest Sigma Phi Lloydminster United choir. Instrumental groups were of Lloydminster United choir. Instrumental groups were of Lloydminster. Under the baton of Mrs. Daily conductor, the massed choirs in the Hallelujah chorus which proved to be a truly marvellous rendition.

The Vermilion ladies came home quite thrilled with the Festival and the fine manner in which it was conducted.

Mr. Walter Lysons was the lucky winner of the food hamper given away by the Thorneliffe W.I. The drawing took place Monday afternoon.

Miss Hofbauer extends best wishes to all her customers and friends for a very Merry Christmas and a Happy and Healthy 1953.

Sixteen Years Ago Today

Dec. 24th, 1936

Only 1 sub-zero reading and that was 13 below during the past week. No snow has fallen and roads are good.

H. S. (Tommy) Atkins, member of the Bank of Commerce staff here, has purchased a general store business at Innisfree.

Boxing Day is being observed as a holiday in Vermilion.

The curling season finally got away to a start this week, delayed by the mild spell during which it was impossible to make ice.

Thirty-two Years Ago Today

Dec. 23rd, 1920

Miss Florence Ryckman of Alberta College, Edmonton, formerly one of Vermilion's most popular teachers, was in town this week.

Mrs. Bert Woods and daughter Tootsie have left for Wyoming where they will join Mr. Woods.

Married—On Saturday, Dec. 15, Miss Margaret H. Irving of Camrnings and Mr. Sidney B. Benner of Vanscil, at the Vermilion parsonage. The Rev. M. L. Wright officiated.

Regular Meeting of The Islay Municipal Hospital Board

The regular monthly meeting of the Islay Municipal Hospital board was held in the hospital Dec 19th. Present were Mr. Jack, chairman, Mr. Shireff, Mr. Inman and the secretary.

Minutes of the preceding meeting and the financial statement were adopted as read.

The secretary was instructed to lodge a complaint with Fisher and Darpe re the sterilizers.

Recommendations to re-cover the kitchen floor with linoleum and replace kitchen utensils that were worn out, were adopted and the matron instructed to make arrangements.

The statement of account was signed and returned for further detail and the balance ordered paid as approved.

Myron's report: In hospital 4, admitted 15, discharged 13, remaining 7, deaths 0, births 0, operations major 3, minor 1, Grant days 150. Receipts $321.92.

The meeting adjourned to meet Jan. 3 at 2 p.m.

Salaries $1043.35; Phone 10.83; Utilities 63.13; Postage 3.00; Petty cash $3.50; Nat. Drug 88.36; Univ. Hosp. 251.60; Royal Alex Hosp. 1.10; Ingram & Bell 4.33; H. G. McNeely 19.25; Inman's garage 10.15; Geo. McNabb 8.00; Robert Stone 35.75.

Curling Club Arranges Central Check For Members

Plans have been made by the executive of the Curling club to have a central check to assist members in arranging curling games. Babe's Drug store will provide this service and can be contacted by phoning 99.

The regular schedule of draws will be posted at various places about the town but in the event of games being cancelled, the skips should notify the central check who in turn can advise other rinks who may be interested in obtaining an extra game on the ice made available by the cancellation.

Similarly, if a rink needs a substitute curler the central check will be able to advise whether anyone has registered as being available to curl at the required time.

If curlers will co-operate in using the central check it can serve a useful purpose in obtaining games for those who may wish to curl at times other than those for which their rink is drawn.

CLANDONALD HALL

Showing at the Clandonald hall this week end "Gentleman's Agreement". This is an Academy Award picture starring Gregory Peck, Dorothy Maguire and John Garfield. Next week "Black Hand". 2tc

Letters to the Editor

Vermilion, Dec. 21, 1952

S. R. P. Cooper, Esq.,
Vermilion Standard.

Dear Sir:

The local branch of the Canadian Red Cross Society again wish to express their gratitude to you and your staff for your kindness and co-operation throughout the year.

Wishing you and yours the compliments of the season.

Yours sincerely,
Mrs. E. H. Buckingham,
Secretary.

City Man Weds Manville Girl

A wedding of interest to Manville and district people was solemnized at St. Faith's Anglican church in Edmonton earlier this fall when Miss Joyce Evelyn Donnerworth became the bride of Mr. George D. Jackson. They are now at home in Edmonton following a honeymoon to the U.S. The bride is the daughter of Mr. and Mrs. Lee Donnerworth of Manville.

46 Rinks Compete In Annual Curling Event

Mannville Rink Wins Farmers' Bonspiel

Setting an all-time record for Farmers' bonspiels the local event held here Friday and Saturday attracted no less than 47 entries, one quartet however failed to arrive leaving 46 actual competitors. This spiel started in Vermilion about four years ago when some 15 rinks competed, last year 28 entered with a mighty increase taking place in the popular event this year. This indicates the rapid sweep curling is making throughout the country. Ice conditions were ideal.

The Charlie Meece rink from Mannville, skipped by Jack Paris, played through the spiel without a defeat winning from the Cleland Brothers of Buffalo Coulee in the finals. The complete list of winners is:

1. Jack Park, Ken Scoggins, Chas. Meece, Jim Albrecht, Mannville - prize, wrist watches.

2. Harold Cleland, Ab Cleland, Bill Cleland, Buffalo Coulee - featherweight irons.

3. Hesgine Hawreliew, Henry Hawreliew, Herman Woudstra, Dave Love, Buffalo Coulee - table lamps.

4. Harold Whitlaw, Chas. Masters, Stuart Bothwell, Bob Masters, Mannville - 11 pound hams.

Second Draw

1, Ort Stroome, Keith King, Don Wilson, John King - Flash cameras and 4 pound salt hams.

2. Bill Shaw, Dave Martin, Art Waterfield, Ed McFadyen, Islay - sweaters.

3. John Kochan, Hec Cameron, Dave Tovell, Harvey Seymour - sweaters.

4. Lloyd Everett, Geo. Eyben, Francis Everett, Frank Eyben, Buffalo Coulee - Pin-up Lamps.

In order to complete the bonspiel in two days several of the opening games were played in the curling rinks at Buffalo Coulee and Vermilion. This kindness and help was greatly appreciated by the bonspiel committee. The extraordinarily large entry list was not expected.

The bonspiel was given by the business men and curling club of Vermilion to the farmers of the district. In charge of the arrangements were George Webb and Aldous Kent. Making the draw and very much on the job for the two days was Lorne Pockett.

Following the completion of the bonspiel a banquet was served in the room only crowds. Mr. Geo. Webb presented the prizes in the waiting. Secretary of the farmer curlers present voiced appreciation of this annual event and noted that there was now one of the highlights of the winter season.

Advocate Pure-bred Sires

GOVERNMENT ASSISTANCE POLICY OUTLINED

The Agricultural Service Board of the Vermilion River M.D. is strongly endorsing and advocating the use of pure bred sires in an effort to improve the standard of cattle in the municipality. The 65 township M.D was declared a Pure Bred Sire Area by the Provincial Government 1953 after petitions had been signed by 82% of the resident ratepayers.

E. H. Buckingham, District Agriculturist, and A. Hosack, Field Supervisor, addressed a series of meetings in rural set-outs and halls throughout the northern part of the district. Films were shown on agricultural topics including the use of pure bred sires to raise the standard of beef. Following the films Mr. Buckingham told farmers of the government assistance policies. The provincial government offers a 15% discount on the purchase price of a bull providing the animal is approved by the government inspector before it is transferred to the new owner. If the farmer wishes the government representative will purchase a bull of the desired type, breed and cost and ship it to the nearest railroad station free of freight and the farmer pays 85% of the total purchase price. In other area this discount is 10%.

To help farmers with only a few cows where the purchase and maintenance of a pure bred bull would not be economical, the Dominion government is placing 30 bulls in sales under the loan policy. Five or more farmers with a minimum of 20 cows form a group and apply for a bull whatever breed and type they desire. One member is appointed to look after and keep the bull. He is remunerated by way of service fee charged to other members of the group.

At a result of these meetings several groups of farmers have signed up for a bull on loan and applications for the 15% discount on private purchases are received every day. Similar meetings in the remainder of the district are planned early in 1963.

St. Saviour's Men's Club Elect Officers At Dinner Meeting

For those who could no longer face cooking Mother Bucknell's delicious dinner of roast beef was served to the members of St. Saviour's club Monday evening by the food committee convened by Cy. Dines Haslam. Others assisting with the meal were Edith King, Ted Exley, Les Chivers and Joe Hunt. Having been thus fortified, the business of the meeting got under way, with guests being introduced. Jack Knoale introduced Bill Parker, formerly of Red Deer, and now residing in Vermilion. Bill Parker introduced Mr. Ball, on business in town for the day. Alex Palin narrated two boys from the College, John Bowrock and Colin Colclaw. Minutes and financial statements were presented by Secretary Fred Stewart, and arising from these provision was made for further repairs to be done on the parsonage, pilder on the church tower.

Elections were then held, and officers elected for the following were elected.

Hon. President—Rev. D. A. Ford
President—Mr. J. Knoale
1st Vice-Pres.—Mr. J. Robson
2nd Vice-Pres.—Mrs. Dorothy Taylor
Sec.-Treas.—Mr. F. Stewart
Exec. Committee—Mr. A. Palin, Mr. King, Mr. D. Haslam.

Plans were then laid for the next meeting, and following adjournment a delicious lunch of sandwiches etc was conducted by Jim Robson. As added but not intended surprise at the close was the announcement of the fact that we had a great deal, but doesn't look.

Council Holds Final Meeting of 1952

The regular meeting of the town council was held on Dec. 15th with Mayor S. C. Heckbert and Crs. Reid, Payne, Urquhart, Mitchell, Webb, and Chairman present.

Correspondence: Dept. of Attorney General re bicycles. Town Clerk re planning services; R.C.M.P. re Nov. 1952 report and re liquor report; Canada Lumber re prepaid fire insurance.

The following motion carried:

That the Mayor and Secretary be authorized to borrow sufficient funds to pay all the accounts for Dec. 31, 1952.

That prisoner's guard's pay be raised from 30c per hour to 75c per hour.

That Boxing Day Dec. 26th be declared a public holiday.

That Council approve building permit for a garage for R. Ireland on Lot 4, Blk. 23, Plan 6310Y.

That David Brown be sold Lot 10, Blk. 18, Plan 6310Y complying with the town's agreement of sale.

That town accounts and payroll and power accounts be passed and ordered paid, same having been certified by the proper authorities.

The Council meeting then adjourned to the Mayor's residence where refreshments and supper followed with Mayor and Mrs. Heckbert in a pleasant evening of fellowship and partaking of their kind hospitality.

APPRECIATION

On behalf of The Salvation Army Capt. R. Chapman wishes to express his appreciation to all who contributed to the success of the annual Christmas Cheer effort. Special thanks to Mr. Jack Brown for turkeys, to the turkey chefs, and male crews, and to all who in any way arranged and participated in the Carols. Thanks is also expressed to those who donated toys and under separate cover, to an anonymous donor of $20 from Kitscoty, 23 hampers and numerous parcels were delivered through the Army's cheer work in Vermilion and district.

Chew Karpoy, Popular Restaurant Proprietor, Passes Away

VERMILION CITIZEN SINCE 1908

Chew Karpoy, well known owner and proprietor of the Dragon Cafe passed away at the Vermilion hospital on January 1st, 1963. He was 75 years of age and had lived in Vermilion since 1922.

The deceased took ill early in 1962 and it was subsequently found that he was suffering from cancer. Late in the summer he decided to return to his native China but on reaching San Francisco stopped over for some months treatment. After staying there for some time he changed his mind, returning to Vermilion a month before his death.

Karpoy, as he was commonly known was extremely kind hearted and generous. During his thirty years in Vermilion he had proved himself an upright and progressive business man and a fine citizen, taking an interest in the community welfare and donating freely to national appeals and projects alike. At Christmas time every friend also received a beautiful gift, in fact it can be safely said that Karpoy gave more gifts at Christmas time than anyone else in town.

He is survived by his wife, Mrs. Gincher, daughter and two sons all of whom reside in China, and one son Willie Mah of Vermilion. A brother lives in the U.S.A.

Funeral services will be held in the United church, Vermilion, on Thursday January 21st at 2(00) o'clock in the afternoon, with interment following in the Vermilion cemetery. The Rev. C. W. MacKay will conduct the services.

Mayor's are in charge of arrangements.

C.C.F. Organize Federal Constituency Association

TO NOMINATE CANDIDATE

VIKING. C.C.F. supporters from all parts of the new Battle River constituency met in Viking Jan. 2nd recently for the purpose of organizing a C.C.F. constituency association. The United were: Pradon, S. Leland, Viking. Vice-President -Gerald Berg, Lavoy. Secretary- Ken Isaacs, Bridgeford. The board of directors included C. P. Colvin, Bawlf and Archie Oliver, Camrose.

R. B. Starky, Bruce; Ken Tory, Wainwright; Lee Gleave, Vermilion; Harry Wear and F. H. Eyben, Vermilion; Alfred Arnison, Hay Lakes; Fr. Boutron, Edgerton.

A motion to nominate a candidate for the next Federal election in the constituency was put forward on to select the candidate will be held in May.

Mr. Elmer E. Roper, Provincial C.C.F. leader, addressed the meeting. He outlined the origin and platform of the C.C.F. as stated in the Regina Manifesto of 1933. Mr. Roper stressed the fact that economics of policy laid was the confidence of the public. This is the re-appraisal of the things for which we stand, and not past elections that should be considered "current actions", he reminded the meeting.

Regular Board of Trade Meetings Start

Regular Board of Trade meetings resumed on Tuesday evening with 22 members present, and will continue each Wednesday at 12 noon at the Cafe. The annual meeting is scheduled for Wednesday Jan. 28th. All business men, employers, employees and others are invited to attend these Board of Trade luncheons.

Mr. and Mrs. O. Gunderson were visitors to Edmonton Monday.

1952 Good Weather Year

Summary of Weather in the Edmonton - Vermilion Weather District for 1952

1952 started off with a cold January. A thaw in February was followed by cold weather until March 22nd. The winter was free of severe storms. Warming proceeded steadily with no damaging spring frosts. A dry spring allowed harvesting to be completed during the fall.

The summer was a little cool over southern portions of Alberta and Saskatchewan and about average northward. The frost-free period in Alberta was one of the longest on record with the first killing frost at Edmonton, Lethbridge and Calgary October 4th. Mild weather continued to the end of December.

Rainfall was adequate for crops but tapered off rapidly in August with practically no rain or snow in the fall.

Edmonton city had a mean temperature of 28.0 which is higher than the normal 26.6, this was the warmest year since 1944, which averaged 30.6, no subzero temperature occurred in the fall.

Total precipitation for Edmonton was 16.25 inches compared to the normal 18.02 inches. Snowfall was light with 38.5 inches compared to a normal of 49.8 inches. Rainfall was 12.70 inches compared to a normal 13.01 inches. Moderate rains occurred June 10-12 and July 20-21 each storm giving over 2 inches. A damaging wind occurred on Oct. 2nd with gusts to 76 miles per hour.

- Supplied by courtesy of Department of Transport, Radio Beam Station.

Operated by W. P. Pilkie Since 1916

New Owners Take Over Columbia Theatre

After being owned and operated by W. P. Pilkie and son Bill since 1916, the Columbia theatre has now been sold to Mr. Mike Kowalchuk and associates. The large business transaction, pending for the past month, was completed since the last issue of the Standard and the new management took over the controls on the second day of January.

Associated with Mr. Kowalchuk are his son Nick who will manage the business and Mr. Fred Steffan who already has theatres at Bonnyville and Cold Lake.

Mr. Kowalchuk and son Nick are well known locally having farmed in the Buffalo Coulee district for quite a number of years. A year ago they sold out their farming interests and moved to Edmonton.

As to the plans of the Pilkie family, prominent in the life and progress of Vermilion since the year 1904, it is probable that they will move to Edmonton where they are purchasing a three room home now constructed. A complete story regarding their future movements will appear in next week's Standard as Mr. W. P. Pilkie has been absent in the city all week and not available for an interview.

Free Show Tuesday Children.

As a good-natured gesture the new management of the theatre is giving all children 14 years and under a free show this Saturday, Jan. 10th from 2 to 6 p.m.

Junior Hockey Game Saturday Evening

LLOYDMINSTER - VERMILION!

The first Junior hockey attraction of the present winter will be played at the Vermilion arena Saturday evening when the Lloydminster Midgets play the Vermilion Midgets. The local team was rounding into fine shape the close of last season's play and have carried right on from that point. This age group is 16 years and under.

Youth For Christ Re-Organized

At the recent Annual YFC banquet meeting, Vermilion Youth for Christ was re-organized for the coming year's activities. Those elected to office are Mr. James McKinley, Director; Capt. R. Chapman, Vice-Director and Mrs. Albert Olds, Secretary-Treasurer.

The executive are doing their utmost in planning enjoyable future rallies you'll not want to miss.

The first rally of the new year will be held on Jan. 18th in the Legion hall, at 8:00 p.m. with Rev. Sandy Stann as speaker. Rev. Stann, converted cowboy, has returned from YFC activities in Europe, and will be giving some highlights of his overseas tour of several European countries.

Award Winners Are Honored At The High School

On the last afternoon of school the Junior and Senior high schools at Vermilion combined with their parents to honor a number of students who had won awards in the 1952 school year. Mrs. M. Hill on behalf of the local branch of the I.O.D.E. presented Helen Adam, Duncan Locke and Jean Kibblewhite with prizes for the best Grade 10 essay on the topic "What Good Democracy Means to Me."

Mr. Smetzer handed Jim Reid, Ray Mullen, Stewart Cooper and Keitha Dawson (in absentia) a perfect attendance medal for obtaining the highest number of points in their section of the School Division Track meet held last June.

Mr. Finnesen, the divisional superintendent, presented Miss Jean Kibblewhite with the Governor-General's medal. An award given for very outstanding academic work in high school.

A short program rounded out the afternoon's entertainment. Items from the public school executed very prettily a number of Scottish dances. The grade 8 class, a very versatile group, presented a piano solo by Margaret Goodwin, a violin solo by Mary Stewart and a humorous selection of Christmas carols under the guidance of Mrs. Melnyk.

The grade 9 class showed every one how square dancing should be done. Eight boys and girls under the direction of Mr. Tarangle harmonized nicely on some Yuletide songs. A humorous play "The Hoosiers" presented by a group of high school students under the direction of Mr. Tarangle completed the afternoon's entertainment.

It is hoped that more informal programs of this nature, now that facilities are becoming available in Vermilion, will be presented so that more talented young people an opportunity to face a live audience

56 Years Married

Esteemed residents of the Vermilion district, Mr. and Mrs. John Uhl observed the 56th anniversary of their wedding on New Year's eve. They were married in Newton church, Edinburgh, by the Rev. Dr. Fleming.

Handicraft Guild Plans 1953 Classes

OFFICERS ARE ELECTED

The December meeting of the Mandolin Club Guild held at the public school, the following officers were elected:

President—Mrs. Hilda Wilson
1st Vice-Pres.— Mrs. E. Acheson

Painting (water colors) — Mrs. Taylor, contact Mrs. D. Webb, ph. 205.

Needlepoint — Contact Mrs. R. Heckbert, ph. 216.

Smocking—Contact Mrs. W. MacDonald, ph. 346.

Elementary Sewing — Contact Mrs. E. Acheson.

Please contact instructors before January 20th.

Initial Christmas Carol Festival Proves A Popular Event

ATTENDED BY CAPACITY CROWD, UNITED CHURCH.

A capacity crowd met in the First United church, Vermilion, for the initial Christmas Carol Festival to be held in this town.

The choirs of St. Saviour's church and the United church as well as members of the Men's Chorus combined forces to form one choir under the joint leadership of Mr. Jack Brown, and pleased the crowd with their renditions of the old familiar Christmas hymns. Solo numbers also were given an opportunity to join in the singing. Vocal numbers were presented by Dr. Ray Mullen, "The Lord's Prayer"; by Mrs. M. Uhlman, "Silent Night" and Capt. R. Chapman played as a cornet solo "O Holy Night".

Scripture readings were led by Rev. C. MacKay who also introduced the various numbers on the program. Reading of Scripture A fitting climax to the program was the singing of the Hallelujah Chorus" from the "Messiah" by the choir.

The proceeds from the festival which amounted to more than $75 was presented to Capt. R. Chapman of the Salvation Army to be used in providing Christmas cheer for needy persons.

The favorable comments made by many who attended the festival indicate that this could possibly become an annual event.

Youth Wins First $500

The hockey game on Monday night Dec. 30th proved one very happy young man. He was Harold L. Clark of the Optimist district, whose ticket number was the first $500 given away by the Vermilion Hockey Boosters club. The number drawn from the box was 452 and young Mr. Clark, an ardent hockey fan was right in the first row so was on hand to claim his $500. He had only purchased his ticket that evening. Some Fortune wasn't long in smiling upon him.

The next $500 will be given away at the last home game in January and tickets are now available. It could be you next time . . . but remember that evening will mean a ticket.

Copy Held Over

The Standard ran out of space this week and, being Monday, the last copy was reached. As a result several news bulletins were crowded out altogether while some appear in part only with the rest to come next week. A number of locals and miscellanea were also held for our next issue.

MILD WEATHER FOR XMAS

One of the mildest Christmas days for many years was enjoyed with the thermometer registering 34 above during midday while the lowest during the night was 4 above. One year ago Xmas day it was 10 to 7 above during daylight hours sinking down to 11 below at night.

Winter At Last

For the first time this winter subzero temperatures have been registered all week commencing with Monday night, bringing to an end with the best spell of fall and winter weather experienced. The daily temperatures since the New Year have been:

Day	High	Low
Jan. 1	27	5
Jan. 2	27	11
Jan. 3	27	8
Jan. 4	27	8
Jan. 5	4	-8
Jan. 6	4	-11
Jan. 7	9	-34

Travelling is still good as there is only a depth of six inches of snow on the level. 1.80 fell this week.

Donations to Bonspiel Prizes Appreciated

Dyer; Columbia Theatre, Billie Pilon; Columbia Theatre, Nick Kowalchuk; George's Cafe; Beaker's Drug Store.

What Canadians Spend On Christmas

Toys, 8 to 9 million dollars; Dolls, 5 to 6 million; Greeting cards 25 million; Turkeys 21 million; Jewelry 15 million; Chocolates 8 million; Xmas trees 4½ million; Travels 6 million; Candies 3 million; the postal office department 27,000 temporary employees in service; 55 million dollars was spent in liquor.

Of the money spent on toys 25% will go to the U.S., Britain, France, the Japanese and the Czechs.

Of every dollar spent at Xmas, three-fifths of 1% only will go in charity and church purposes. T.B. seals will take $1,750,000.

And after everybody is through celebrating, it is estimated that it will take $6,000,000 for prescriptions, patent medicines and so on to ease off the orgy.

VERMILION SCHOOL DIVISION No. 20

Bob Allan Flies To Scotland

Bob Allan boarded the TCA plane in Edmonton Friday morning last on a flight to his old home at Colinton, Scotland, to attend a family reunion of four brothers and three sisters is now taking place. It is the first time in 40 years that they have been together. Besides Bob, one brother lives at Victoria, B.C., another in Newfoundland, while the fourth lives at Callen where the three sisters also reside. Mrs. Allan received a wire from Bob announcing his arrival in the old country "safely" last night.

While awaiting plane connections in Montreal Bob spoke by chance to met F.O. Steve Pye formerly of Vermilion and had breakfast with him. His plans to, by away for five months.

ISLAY NEWS

Christmas has come and gone. There were the usual bright lights, and gaily decorated Xmas trees shining in the windows in most of the homes in Islay. The school concert as well attended was of the usual excellent calibre. Mr. and Mrs. Santa Claus came too. It is not always that Santa brings his wife. The concert ended with a splendid P.T. exhibit by Jack Carvalho's pupils. Mrs. Edgar Williams assisted by Margaret Robinson of the Morrison S.D. Also Mr. Frank Robinson and Mr. Williams did a stunt that I would call "The Rocking Horse". It was all most interesting.

On Christmas Sunday the Sunday school had a very nice service and in the afternoon the service was conducted by several of the girls and was very well done indeed.

Harold McClelland was home for the holidays, in fact, in Islay today (Tuesday) he is about to take off for the musky country up in the Hay Lakes region, where he will be for about 3 weeks. He has been taken in by plane by an oil company.

It is not only the girls that do baby sitting here. Omar Easton is strong opposition. Can't you just hear Omar singing "Lullaby Baby on the Tree-Top". It's a fact and I'm told he does the job well.

Mr. and Mrs. Henry Olds, Edith, Douglas, Emma and Gladys moved to Rosebyrn for Christmas to visit Mrs. Old's sister and to make it a happy time her aged father. Their former street there too. Mrs. Olds had not had a Christmas for more than 30 years with her folks. They spent 12 days and all were packed full of real pleasure.

Saturday night Jan. 3 the Teenagers held a skating party on the Islay rink. Music was good and the hot-dogs-and-buns the coffee and the weiners though at first the weiners still had their cellophane jackets on but when they were removed eating was fine!

Mrs. Hilda Bell, Janet and Sandra were in Edmonton for the week end.

Bill Tookey is in the Royal Alex hospital for medical attention. Mrs. Tookey, Marion and Jack are in the city too.

Mr. and Mrs. Bothwell, Mr. and Mrs. Geo. Capatos and family spent New Year's day at the home of Mr. and Mrs. Bill Waterfield. We are happy to say Bill is much improved. Mrs. Bothwell says he can really shake hands now. We see him getting around town just fine.

Neighbor Ken Buchanan driving his corn car now. He believes in ventilation ,the end is wide open. It seems the car lives to travel east on the pavement. How far?

Miriam Cash Married At Fullerton, Calif.

The First Christian church in Fullerton, California, was the setting when Miriam, daughter of Mr. and Mrs. W. S. Cash who are visiting Placentia from Vermilion, Alta., became the bride of Mr. Victor Harmony, son of Mr. and Mrs. C. W. Harmony of Sapulpa, Oklahoma.

The double-ring ceremony which was witnessed by about fifty relatives and friends of the bride's couple, was held Saturday, Dec. 13th at 4:00 o'clock with Rev. C. E. Buck officiating. The altar was beautifully decorated with white tapers and baskets of white chrysanthemums.

The bride who was given in marriage by her father, wore a gown of white net and lace, opera-length, and carried a Colonial bouquet of yellow rosebuds. Preceding her to the altar was her matron-of-honor, Mrs. Robert Brennan of Placentia, who wore a gown of rose silk organza over taffeta and carrie.l a Colonial bouquet of pink carnations, and her flower girl little Margaret Jean Bowman who wore dressed in green and gold net and carried a small basket of gold chrysanthemums and daisies.

Acting as best man to the groom was his brother-in-law William M. Owen also of Placentia. Harold Polley was in charge of usher duties and his young son Richard lighted the altar candles preceding the ceremony.

Nuptial music consisted of "I Love You Truly", "Through the Years" sung by Mr. Wm. R. Diddrick, and "The Lord's Prayer", the latter being sung following the ceremony.

The new home of Mr. and Mrs. Robert Bowman in Placentia was the scene of the reception with the bride's parents assisting in the receiving line.

Mrs. Cash wore a smart mauve crepe dress with hat to match and a beautiful corsage of dainty pink rosebuds.

The Bowman home was tastefully decorated with white chrysanthemums. The tea table appointments were a silver tea service at each end centered with white candles and a three-tiered wedding cake, baked by the bride's mother and beautifully decorated. The cake was a fruit cake which is a Canadian tradition. Mrs. R. W. Newton and Mrs. C. J. Dingwerty were in charge of the tea tables and Barbara Owen was in charge of the guest book.

After an Arizona honeymoon and taking part in a family re-union at Sapulpa, Oklahoma, the new Mr. and Mrs. Harmony will establish their home in Denver, Colorado, where the groom is a representative for the Gates Rubber Co.

The wedding day was beautiful and sunny with the temperature 84 above. It was also the 41st wedding anniversary of the bride's parents, Mr. and Mrs. Cash.

Mr. and Mrs. Keith Pulleyblank and family of Edmonton spent Christmas with Mr. and Mrs. Jack Wiebe at Lindberg.

CHILDREN EXPRESS THANKS FOR BIRTHDAY

The children of the east end of town wish to publicly express their thanks to all those who helped to flood the rink for them, a great deal of time and hard work was necessary as the water had to be hauled and carried and the children sorely appreciate it.

CARD OF THANKS

I wish to thank all those who so kindly sent me Christmas cards and parcels. They were all very much appreciated, and I must sincerely thank each and every one.

John Martin McBride.

APPRECIATION

I would like to express my sincere thanks to all customers for gifts received during the Christmas season.

Lorne Dow.

Vermilion Tigers Win From Commandos By 6-2 Score

The second league game to be played on Vermilion ice this season resulted in a 6-2 win for the Tigers over the visiting Commandos from Wainwright. It was an exciting contest throughout and has the fans right on their toes for the entire sixty minutes. The play was a little more evenly divided than indicated by the score but the Tigers capitalized on four opportunities with the Commandos being foiled by fine defensive work and superb goal-keeping by Kin Brown.

Eighteen penalties were handed out with ten to the visitors and 8 to the Tigers. They were of the type so as to satisfy and keep the game fairly free by referee Hanby expected by the goodly number of fans that turned out to see the game.

The Tigers took an early lead in the game with Kreller in centre ice, Patsula's pass and Dr. Martin put one past Commandos on the score board but Wainwright playing coach put the game score knotted at one all. Kreller was sent off for hooking and Stratton to take advantage of the opportunity to make it 2-1 for the Tigers. Martin added his third goal on Patsula's pass.

Only once was Vermilion forced in the final session, the fine playing of Alex Hershuk who even splits hockey at its best, scored on a pass from Jacobs.

Rod Barr, energetic wingman of the Tigers' first string, suffered a nasty accident early in the game when he was accidentally hit by a high stick in the mouth. He had two teeth knocked out with accompanying bruises and cuts. Rod, who is a V.S.A. student, had driven from his home near Edmonton for the game, only to see very few minutes of action before the painful injury occurred. As a result he was unable to play against Vegreville in the game on the Monday night following.

The actual paid admissions recorded by numbered tickets were nine.

Wik and Wahlenberg refereed.

Line-ups

COMMANDOS — Matkin, Murray, Saal, Ramsay, Hall; Stratton, Coombs, Glasbee, Harder, Carter, Harley, O'Connor, Kinasewich, Littlefield.

TIGERS — Brown, Kreller, Herchuk, Patsula, St. Martin, Barr, Rowe, Kokotailo, Schmit, Stewart, Leahy, B. Williams, Ferguson.

Summary

1st period - Kreller (Patsula) St. Martin (Patsula), Strate; St. Martin; Strate (Murray). Penalties — Rowe, Rowe, Glasbee, Saal, Rowfield; Kreller, Ramsay.

2nd period — Patsula (Herchuk) St. Martin (Patsula). Penalties — Schmit; Coombs; Ferguson, St. Martin, Coombs.

3rd period — Herchuk (Kreller). Penalties — O'Connor, Williams, Coombs; Carter, Rowe.

Tigers Down Vegreville In Fast Contest

TIGERS 6 GOALS TO 2

On Monday evening before New Years the Vermilion Tigers took the measure of the young Vegreville Rangers by a 6-2 score in a game that showed the teams are rounding into mid-season form quickly, probably due to the large number of young players being used on the line ups. As a result of the league barring the wholesale importing of players these young local players are given a chance to play for their home town, and are making an excellent job of it. The game was particularly fast, clean and exciting.

For the second game in a row the classiling of Martin scored 3 goals and was well supported by the front line by Patsula and Rowe. Les Williams was back on the line-up giving Vermilion forward strength in the form of exceptional ability as tot-getter. Kreller, Ferguson, Herchuk and Les Williams each Ken Brown, his an at goal like a veteran and that department, which caused some worry before the season started, is being well and very capably looked after.

The game was just four seconds old when Bob Rowe and St Martin swept down the ice Rowe delivering right in on goal. Dr. and Rowe scored. Before the period was half way gone Martin and Patsula had a good combination on the Ranger defence, the latter getting who he connected. Goalie Jack Kowalchuk was helpless as Martin flipped a pass into the corner for Rowe to make it 2-0. Nothing daunted, Rogers Vegreville team came in off Bill's goal tender St Martin beat Brown on a pass from Patsula and the period ended 3 to 2. The teams battled on even terms in the final twenty minutes Demchuk scored on Horton's pass for the Rangers but Herchuk kept the margin safe by hitting the hemp with Kreller's timely pass.

Haxby and Waldenberg refereed.

Line-ups

RANGERS — Baz, Zenko, Campbell, Horton, Bax, Herchuk, Zaruby, Charuk, Dtachuk, Ruptash, Stefanik, Matko, Bandura Brodyer

TIGERS — Brown, Kreller, Williams, Ferguson, Herchuk Patsula St. Martin, Rowe, B. Williams, Poole, Schmit, Stewart, Leahy, Kokotailo

Summary

1st period — Rowe (St Martin), St Martin (Ferguson). Penalties — Kreller, Demchuk, Herchuk.

2nd period — Demchuk (Zaruby), Herchuk (B. Williams), Ruptash, St Martin (Patsula, Herchuk). St Martin (Ferguson). Penalties — B Williams

3rd period — Demchuk (Horton) Herchuk (Kreller). Penalties — Poole; Dtachuk; Campbell.

Kitscoty News

(This bulletin covers from Dec. 21 to Jan. 8th as no issued was published last week.)

Visitors to Edmonton for Xmas were Mr. and Mrs. Alan Batty and family, Mrs. Elsie Batty, Mrs. H. E. McDonald, Mr. and Mrs. F. Seabrook, Mr. and Mrs. Earl Phillips and David, and Mrs. R. Matthews.

Visitors to the west coast for a holiday were Fred Boeckmann, Earl Franke, Eddie Jacobsen and Mike Senyppe.

Visitors to other points were Mr. and Mrs. C. Gray to Innisfree; Mrs. M. Miller to Robb; Mr. and Mrs. O. Conroy to Mannville; Mr. and Mrs. A. McLean and boys, Mrs. Pauline McLean, Mr. John McLean, Mr. and Mrs. Jackie McLean and Mr. and Mrs. Ritson Earl and family all to Hughenden; Mrs. Wm. Lang, Albert, June and Judy to Stettler.

The following University students spent the holidays at their homes here: Misses Marion Inglis, Betty Gray, Stella McCorry and Ella Pidcock.

Other visitors to parental homes were Mr. and Mrs. Victor Heath and family of Edmonton; Mr. and Mrs. O. C. Seward and baby daughter, Edmonton; Mrs. Gerald Holman and family, Edmonton; Mrs. Iva Watt and Miss Peggy Hale, Mrs. Earl Watt and baby Mr. and Mrs. Ralph Rose, all of Edmonton; Mr. and Mrs. Ken Jenkins of Mannes Beach.

Visitors at the J. A. Smith home were Mr. Lillian McMasters of Peace River, Geo. Bowen of Edmonton and Mrs. Reid of Edmonton.

Mr. and Mrs. Bill Dean and family of Lloydminster were Christmas visitors at the Fred Dean home.

Mrs. Ted Tyler of Indian Head was home for the holidays, visiting with him was Mr. Stewart Pickering of Edmonton, also Const. Jack Hacker of Esterva, Sask.

Rev. J. H. Dicker of Meyerthorpe was a New Year's visitor at the home of Mrs. Arsenuan.

Mr. and Mrs. J. C. Potter spent New Year's week end in Edmonton visiting relatives.

Mr. and Mrs. Billie McLean are Maryalice of Hughenden spent New Years visiting relatives in town and district.

Bob Seal of Breton spent New Years visiting at the P. D. Seward home.

Mr. and Mrs. Mac Hiltz and boys spent New Years in Edmonton visiting relatives and friends.

Misses Sheila and Ella Pidcock were guests at the W. R. and J. A. Kent homes in the Irwinville district near Marwayne for a few days during the holidays.

Mr. and Mrs. Geo. McGregor and Mr. and Mrs. Archie McLean were called to Stettler last week owing to the serious illness of their brother Bob McGregor. He is now reported to be improving slowly. Best wishes for a speedy recovery also go to Mr. C. Kiel who has been in the Islay hospital but is improving at home at present.

Christmas visitors at the Alex Potter home were their sons Alex Jr. and David, and Mr. and Mrs. Wilfred Beaney of Edmonton.

The members of Kitscoty choir under the leadership of Mrs. E. Batty, who last year presented a concert Barrs' night in Lloydminster, had a busy afternoon last Saturday when they made recordings for radio station CJCA Battleford. A full hour of Scottish songs, consisting of solos, trios and choruses were recorded and will be played over that station for Burns' night. Be sure to listen.

Mr. and Mrs. Jack Mitchell and family have now moved into their new modern home on the south side of town near Highway 16. We bid this young family welcome.

OUR COMPLETE SHORT STORY—

SHOCK OF A LIFETIME

By SAMUEL CAMPBELL

THERE are approximately one hundred deaths in this country. Before nine hundred and seventy of them are used up, someone will die!

How do I know? Am I a psychic? No, I am a research scientist who has been toying with the idea of discovering the mystery of the life force ever since my college days. Tonight, I think I shall find it. If not, I shall come closer to it than ever before. And you shall help me.

At the height of the storm when you came rapping loudly on my door, I was down in the laboratory. So few people ever come near this lonely place that the noise startled me. I have grown accustomed to the deadly silence around the castle. It is the quiet of the grave.

I was hoping that someone like yourself, big and strong, would lose his way tonight and happen to come to my door for shelter. And now that you've had hot coffee and dried out a bit, I'll show you where I work. Later, if you will be so kind, you may assist me in my experiment.

I notice you are surprised at the amount of equipment you see in my laboratory. I have my own power plant, as well as gas and more than a million dollars' worth of electrical and chemical apparatus.

No, there is no one else in the castle. I live here alone. I did have a young Chinese medical student, Albert Chang, as an assistant, but he died about six months ago. That was a very disturbing affair.

Oh, yes. I got lots to eat. I go to the village once a month for supplies. Otherwise, I never leave the grounds. If you had gone on to the village tonight, you'd probably have found a lot of fairy tales about me and my work. You haven't heard those stories, have you? Well, it's just as well. Fairy tales, spread by the

Yes, these are the animal quarters. I have hundreds of white rats and guinea pigs that I use as subjects. Of course, I have reached the stage where the ideal subject would be a human being. As a matter of fact, I reached that stage about six months ago. But that would be violating the ethics of the profession. I never could quite understand that point. You see, I am trying to perfect a method of bringing the dead back to life . . . a method that will be dead before it is of any use to me!

How long? Oh, I have revived dogs and guinea pigs that have been technically dead for four or five days or . . . some of them a week.

Hmm? Yes, they seemed quite normal. Of course, just what the after-effects on a human being would be, I have yet to learn.

No! There is no mechanical heart or artificial respiration. I depend entirely on shock. I have machines capable of generating over a million volts of electricity . . . man-made lightning. But I have found that the shock they produce lacks some mysterious element. Therefore, I have spent my life perfecting a method which uses the natural lightning from an electric storm such as we have tonight. I suppose it was too dark when you came up the drive-way to see the 100-foot aerial on top of the tower.

Dangerous? No, I take every precaution. If I am fortunate enough to have the lightning strike the top of the pole, an immeasurable voltage flows down through well-insulated wires to my laboratory. Of course, I must have everything in readiness. The subject is stretched out on a regular operating table; one electrode is placed on the heart; another is placed on the brain until it is almost touches the cerebral hemisphere. This particular area of the brain is, in my findings over the past fifty years, where the life force itself is lodged. That's not any theory I'm perfectly sure. I may be a little irritable at times, and maybe a little eccentric. But my sheltered, academic life and the nature of my experiments have been largely to blame for this.

What's it all mean? Why, it means a great deal of talking tonight. Perhaps I am excited. Every time we have an electric storm it affects me the same way. When I saw the weather report yesterday, I began to prepare the subject for tonight. I am using a Great Dane, a beautiful dog which died mysteriously five days ago in the woods. Apart from the fact that he is tonight's subject, I should like to have him back. He was a great pet around the castle, but what a pity we haven't a better subject than a dog!

Now for your assistance, please. While I manipulate this dial, would you be so kind as to hold these two wires rods . . . one in each hand? About a minute should do it. There! You didn't hear that last crack of thunder, did you? That's because sound travels much slower than lightning . . . much slower!

(Copyright Wheeler Newspaper Syndicate)

Rheumatic **PAIN**

Good news for those who long for relief from rheumatic pain, but feel hopeless! Thousands get speedy relief from rheumatic and arthritic suffering using Sloan's Liniment. Kills pain, eases stiffness and helps bring more comfort. Try Sloan's. 7-R-C's today. Only 69c, $1.25 at druggists. 1-24tf

Now Many Wear FALSE TEETH With More Comfort

FASTEETH, a neutral alkaline (non-acid) powder, holds false teeth more firmly. Try not talk or eat in most comfort. Just sprinkle a little FASTEETH on your plates. No gummy, pasty, pasty taste or feeling. Helps check "plate odor" of denture breath. Get FASTEETH at any drug store.

U.S. Investments in Canada Top List

WASHINGTON. — Private investments by U.S. firms in Canada, at more than $3,500,000,000, were higher than in any other country at the end of 1950, the commerce department said.

It said that total American investments in foreign countries have jumped in the last nine years from a little more than $7,000,000,000 to about $13,750,000,000.

U.S. investments in the countries of Latin America topped $4,500,000,-

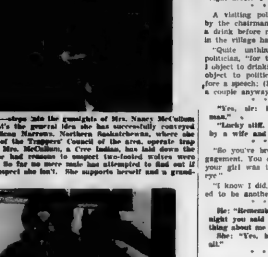
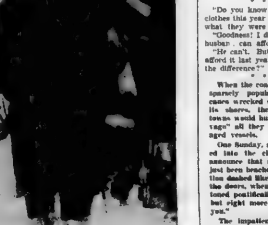
"SALADA" TEA BAGS

Lady Trappers Create "No Man's Land"



If a man—any man—steps into the gunsights of Mrs. Nancy McCallum he's a dead duck. That's the general idea she has successfully conveyed to the men around Primrose Prairie, Northern Alberta, where she and three other ladies of the Trappers' Council of the area, operate trap lines for women only. Mrs. McCallum, a Cree Indian, has laid down the law—literally—to the men who, she believes, are responsible for her raiding her trap lines. So far no more male has attempted to find out if she is bluffing. They suspect she isn't. She supports herself and a granddaughter by trapping.

Mrs. Mary Ballantyne has five teen-age children to feed by the proceeds from her trapline and she resents any intrusion. Mrs. McCallum, like is the only one of the four women trappers who allows herself the luxury of a boss. This season's pelts from the lynx, mink, beaver, fisher, but the women are hoping that their "preserve" will show a profit in succeeding seasons.



—Central Press Canadian Photo.

The private trapping territory of the ladies of Primrose Prairie are 16,000 miles in the area shown here. It's rough, lonely and almost totally uninhabited.

Prairie Climate Good For Raising Chinchillas

WINNIPEG — Four thousand chinchillas are now being raised on the prairie provinces, the annual report of the National Chinchilla Breeders of Canada showed

The report said the prairie climate has been found ideal for the little animals which originated on the wind-swept plateaus of the Andes Mountains of South America.

Although a few experimental pelts are lying taken from the prairie animals this year, the report said a tremendous increase in population will be necessary before extensive pelting is under way.

Chinchilla ranching in the west is only several years old.

In scientific results, also announced by the national organization, C. E. Addison, of Rivercrest, Man., was elected prairie director. Mr. Addison's ranch is five miles north of Winnipeg. He is president of the Manitoba branch of the organization and served as its first president.

GREAT DIFFERENCE

There is a great difference between the right word and the word that is almost right. For instance, you can call a woman a kitten, but not a cat; a mouse, but not a rat; a chicken, but not a hen; a duck, but a goose; a vixen, but not a sight. 3610

TO EMPLOY 1,000,000 ACRES BY PLANE IN U.S.

YAKIMA, Wash. — The Central Air-Service, Inc., is planning the largest single aerial spraying project in history involving more than 1,000,000 acres of New Brunswick timberland.

The company said 75 planes would take part in the operation to combat the spruce budworm, laying a fog of DDT with a chemical over the forests. Last year, 1,000,000 gallons of the insecticide was used on the job

Get your dose a real chance to get well. Use Dr. Hillman's Ointment and Soap. Relieves itching at once. Helps heal and soothe skin irritations. Clears up and seals off in a very few days. Use Dr. Hillman's Ointment and Soap. Clears away the embarrassment of unsightly skin disorders. You need be troubled no more; both

Funny and Otherwise

"My wife and I had a bit of bother last night. I wanted to play darts and she wanted to go to the picture."

"Were the pictures good?"

Court—How old are you?
Accused—Eight and four-score.
Court—You mean four-score and eight.
Accused—No, I don't. I was eight before I was four-score.

A visiting politician was asked by the chairman if he would like a drink before making his speech in the village hall.

"Quite unthinkable," said the politician, "for three reasons: (1) I object to drinking. (2) I strongly object to politicians drinking before a speech; (3) I have just had a couple anyway."

"Yes, sir: I'm a millionaire man."

"Lucky old! I'm a rebuilt job by a wife and three daughters.

"So you've broken off your engagement. You once told me that your girl was the apple of your eye."

"I know I did. But she's decided to be another fellow's peach."

He: "Remember, darling! Last night you said there was something about me you could love"

She: "Yes, but you spent it all."

"Do you know that my bills for clothes this year are exactly double what they were last year?"

"Goodness! I don't see how your husband can afford it."

"He can't. But, then, he couldn't afford it last year either, so what's the difference?"

When the coast of Florida was sparsely populated sailing vessels were wrecked sailing vessels on its shores, the people of the towns would hurry out and "salvage" all they could from damaged vessels.

One Sunday, a small boy dashed into the church service to announce that another ship had just been beached. The congregation dashed like a child-wave for the doors, when the preacher intoned pontifically, "Wait! I have but right now words to say to you."

The impatient people shuffled resignedly. While the preacher sailed to the door. Placing his hand on the door-knob, he said: "Now, let us all get a fair start."

A doctor was summoned to a wild district in the Highlands, and after seeing his patient he said to her husband, "You've been trying to do a bit of doctoring yourself, haven't you, William?"

"Aye," said the man, "I gave her a wee bit dose of ipecacuanha."

"Pooh," said the doctor; "You might as well have given her an aurora borealis."

"Aye, I ken. I was going to try that next."

A Scotsman had to send a telegram, and not wishing to spend more money than necessary wrote this:

"Bruises hurt ceased, advised emerited analysis hard too infectious dread." (Ten words.)

The Scotsman who received it immediately decided it was: "Bro is hurt. He raced a Ford. He wrecked it. And Alice is hurtless. In fact, she's dead." (Nine words.)

Aerial Survey Shows Only 22 Whoopers Left

NEW YORK — The whooping crane has taken another step towards extinction. An aerial census of the lost living members of this tribe, which are North America's tallest birds, of their winter home in the Aransas national wild life refuge on the coast of Texas tallied just 22 of them—one less than last year.

To this total add two for the pair of captive birds at the zoo in New Orleans. There is the possibility also that a few individuals were overlooked.

Reporting the census, by the U.S. fish and wildlife service, John H. Baker, president of the National Audubon Society said:

"Each year it becomes increasingly apparent that ill-gal hunting is a factor in reducing the numbers of the whooping crane and increasing the threat of their extinction."

At least two of the great birds were slain this year by hunters on the migration route from northern Canada to Texas. One, picked up in Saskatchewan, died en route by plane to Texas. The other was killed in Kansas.

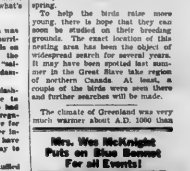
A total of 26 compares with 21 in the low ebb year of 1939 and 36 in the subsequent peak in 1949. Hope exists therefore that the cranes can make still another comeback

"To do this they must suffer less molestation, and they must raise more young. Only two youngsters have been identified this year at Aransas.

To counteract molestation by hunters, the Audubon society plans to intensify its educational efforts next spring.

To help the birds raise more young, there is hope that they can soon be studied on their breeding grounds. The exact location of the nesting area has been the object of widespread search for several years. It may have been spotted last summer in the Great Slave lake region of northern Canada. At least, a couple of the birds were seen there and further searches will be made.

The climate of Greenland was very much warmer about A.D. 1000 than



Mrs. Wes McKnight Puts on Blue Bonnet For all Events!

Mrs. Wes McKnight, wife of the well-known Canadian sportswriter, Bert Bowyer Magazine is always my choice for formal dances as well as for everyday use! News Notes From Your District Home Economist

Happy New Year everyone of you! And may you be blessed with everything good in 1953. It has been a pleasure to be in your district for the past five months and to meet with so many of you. It is my sincere hope that in the coming year I will come in contact with many more.

Women's Groups

Do you have a women's group in your district with whom I have not made contact? The work of the District Home Economist is to help women with their everyday problems, to offer suggestions and to introduce new ideas. I also have a list of topics covering several subjects on which I give free lectures and demonstrations. If you are at all interested, why not drop me a line giving the name of your group, your secretary, and her address. I will then send you a list of my topics.

Remember—the sooner you have your applications in for the topic of your choice, the easier it is for me to plan accordingly and to visit you on the date desired. Why not write today?

Color in the Home

One of my demonstrations is color in the home- perhaps you'd be interested here are a few points which may help:

Since the heart of any decorating scheme is color, you'll be off to a flying start with the following basic color rules. When you use them, let your own good taste dictate those personal touches that make your room individual.

Colors, soft and bright, dark and light, make pleasant rooms. Used them judiciously. Soft pastel shades should be enhanced by bright drapery material or gay pictures. Dark furniture should have light cushions or pale lamps and accessories to relieve the intensity of deep color

Let your own color preferences dictate your color schemes, if you like blue, use a dash of it in any room, if you don't like yellow steer clear of it no matter what the color code may say.

Avoid darkness in your color scheme. Don't choose neutral and lifeless tones because they show less dirt and are the easy way out in blending accessories. Give your rooms a lift with the liveliness of bright colors.

Watch room exposures too. Rooms that receive little sun can seem cold; warm them with gay reds, yellows, oranges and rose. Rooms that get too much sunshine welcome touches of blue and green.

If you are puzzled about where to start a color scheme, find a picture, drapery, wallpaper or rug pattern. Then repeat its colors in your room.

Write for the pamphlet "Color in the Home" for further information on home decorating.

Funeral Services For Late Mr. A. L. Wayne

Funeral services for the late Mr. A. L. Wayne were held on Monday, Dec. 22nd, 1952 at 2:30 p.m. from Foster and McGarvey Funeral chapel, Edmonton. Rev. E. J. White officiated and interment was in the Edmonton cemetery. Pallbearers were Messrs. P. Filsell, Vermilion; J. D. Williams; C. Woollan; A. Lindell, H. Creak; H. Jones.

He is survived by his loving wife, one son Raymond, one daughter, Mrs. W. J. Bancher, three grandchildren, all of Edmonton; four brothers, Walter and Sydney, St. John, N.B.; Arthur, Vancouver and Harvey, Mission, B.C.; two sisters Mrs. W. M. Mousat, Ganges, B.C.; Miss Pearl Wayne, Vancouver, B.C.

Allandale Notes

The weather still remains grand, the best we've ever known. Hardly below zero and very little snow. The frosty trees set a very effective scene for our Xmas holidays.

Allandale concert was held Dec. 22nd and was attended by a very large audience. Our teacher Miss McGuckin assisted by Mrs. Strome ar...so he congratulated on a very fine concert. Santa as usual arrived and distributed a number of presents to the girls and boys. Allandale was well represented at the Campbell Lake concert the next evening put on by the teacher Miss Jean West and assisted by Mrs. Strome. It was a grand evening and a large crowd attended. Our thanks to these teachers for fine entertainment.

The Ommenses spent Xmas at their daughter and son-in-law's Hilda and Don Wilson and family. Orlene and Paul Whelan were able to be home from Calgary for Christmas. They motored down with Marg and Harold, daughter and son-in-law and Mrs. Harold Schoonmaker. They did appreciate this kindness. Orlene and Paul are comfortably settled in Calgary and for any who might be interested their address is 2423-2nd St. S.E.

Mr. and Mrs. Idelore Nelson and family (except Helen who is employed at the phone office) spent Xmas at Fergusson Flats with the latter's parents Mr. and Mrs. Ochsenman and family. The Ochsenmans spent New Year's with the Nelsons at their town home.

Mr. and Mrs. Louis Baldock and Glen spent Xmas in the city with their daughter Mr. and Mrs. Tommy Greeves and Brenda. The family spent a day with Tommy's folks at Evansburgh after Xmas.

Mr. and Mrs. Gordon Mayhew and family of Swell spent Xmas at the O'Fee home, the latter's mother and brother Jimmy.

The day after Christmas Mr. and Mrs. Ort Strome motored to Saskatoon to visit with Ort's father who is in hospital. They found him improved and looking much better than when there a few weeks ago.

Congratulations to Mr. and Mrs. R. V. Broberg (nee Eileen Hagen) of Red Deer on the birth of a daughter Ellen Louise on Dec. 11th. Also to Mr. and Mrs. George Meat on the birth of a son on Dec. 22.

Mr. and Mrs. Herb McPhee and family entertained at their home on Christmas day. Grandpa Edwards, Norman and Lore McPhee, Mr. Dave McPhee and Jean, Herb's brother-in-law Walter McNirney and family. Bob from Dawson Creek, Betty from Edmonton and Grant from Lloydminster, Betty's girl friend Elvira Stahl of Wadena, Sask., Walter's brother Russel, Gordon Good of Rauylvia and sister Mr. and Mrs. John David and son Keith of Streamstown. The McPhee family spent New Year's at the David home, Streamstown.

Mr. and Mrs. Warren Edwards and family from town, Mr. and Mrs. Norman Anderson and family from Lindbergh and Mr. and Mrs. Jack Dwyer and son of the city were at the Armstrong home for Xmas, all the family except Mrs. Ruth Adamson who is at the coast.

On New Year's Mr. and Mrs. Clarence Wilson and family entertained Clarence's parents Mr. and Mrs. Wilson from town, and the Ommenses to a lovely turkey dinner.

The Baldock's had as their company New Year's Mr. and Mrs. Harold schoonmaker of Rauylvia and the latter's parents Mr. and Mrs. Brown, son Bev and Ann and Harry Hodgson from town.

On the evening of Dec. 22nd Ed and Lawrence Magistad had a surprise phone call from their sister Mrs. Anna Sexton of Chamberlain, S.D. She was heard quite clearly and enjoyed very much talking to her brothers and the family.

Mr. and Mrs. Johnny Nelson and family were guests at Ort Strome's for Christmas dinner, and they spent New Year's at the Nelson home.

It was good to see Doug Maggs home on the holidays.

On Jan. 2nd the Allandale school had a thorough cleaning. On behalf of the Allandale W.A. I would like to extend our thanks to all those who helped in any way. Your co-operation and kindness was appreciated very much. Without the help of the men some of the work would have been impossible.

To date Jan. 6th we are still having lovely weather, above zero.

Closing Thought: What better time than now to bury all imagined ills, all petty grudges, all unkind reasons, all that is not Christlike. How much better to take only lovely things to the new house of a new year. May the New Year bring one and all health and happiness.

A total of 2,300 Credit Union groups now operate throughout Canada with a membership of over 1,300,000 persons.

CANADIAN NATIONAL

SERVE CANADA

The men and women who serve in Canada's Defence Forces — serve the cause of our freedom. They are ready and *trained* to defend the Canadian way of life. This is the most important job in Canada, today.

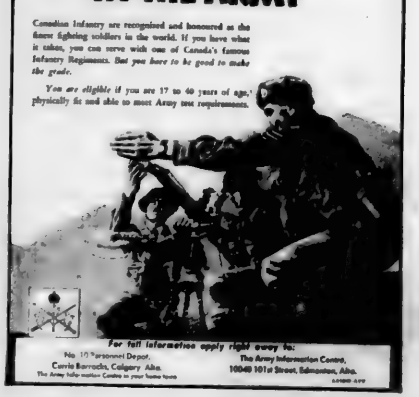
AND YOURSELF

Specialized training, travel, excellent pay and pension plans, outstanding medical and dental care, thirty days annual leave with pay — these are yours in the Canadian Army Active Force. But more important, there are outstanding opportunities for advancement in the Army, today. Ability to lead is quickly recognized with special leadership training *and promotion*. In the Army, your own qualities determine how far you go.

IN THE ARMY

Canadian Infantry are recognized and honoured as the finest fighting soldiers in the world. If you have what it takes, you can serve with one of Canada's famous Infantry Regiments. *But you have to be good to make the grade.*

You are eligible if you are 17 to 40 years of age, physically fit and able to meet Army test requirements.



For full information apply right away to:
No. 10 Personnel Depot, Currie Barracks, Calgary Alta.
The Army Information Centre, 10040 101st Street, Edmonton, Alta.

VERMILION MUNICIPAL HOSPITAL BOARD

Dec. 25, Jan. 8 & 15

VERMILION MAN MARRIED AT KISBEY, SASK.

On December 16th at 2:30 o'clock in the afternoon the home of Mr. and Mrs. J. W. Burgess of Kisbey, Sask., was the scene of a pretty wedding when their only daughter, Grace Rosabell became the bride of Paul E. Ichuk, son of Mr. and Mrs. Mike Ichuk of Vermilion. Elmer Nick Ichuk, brother of the groom officiated at the ceremony. The organist was Mrs. A. Lees of Kisbey, Sask.

As the bride entered the room, Miss Margaret Sadler of Arcola Sask., sang "The Wedding Prayer".

The bride, given in marriage by her father, was lovely in a floor length gown of white satin, featuring a net yoke and long lily-point sleeves. She wore a bridal wreath of apple blossoms and white rosebuds. Her net veil was three-quarter length and she carried a bouquet of red roses.

The matron of honor was Mrs. Marie Williams of Kisbey. She wore a floor-length gown of blue taffeta with a matching head coronet of blue flowers. Her bouquet was of pink carnations.

The little flower girl was Darlene Eastman. She was pretty in a long pink dress of taffeta and carried a bouquet of pink roses.

The best man was John Ichuk of Vermilion, brother of the groom.

The bride's mother wore, for her daughter's wedding, a check rayon shirkskin dress with matching black trim. Her corsage was a pink orchid. The groom's mother wore a teal blue suit with matching accessories. Her corsage was a pink orchid.

During the signing of the register Miss Margaret Sunley sang "I'll Walk Beside You".

Following the ceremony a delicious lap lunch was served to fifty guests. The bride's table was centered by a three-tiered wedding cake, baked by the bride.

The toast to the bride was proposed by Elder Nick Ichuk, the groom fittingly replied.

For a short honeymoon to points in South Dakota the bride changed to a grey gabardine suit and pink accessories. She wore a corsage of pink carnations. After their honeymoon the happy couple will make their home on a farm near Kisbey.

Out of town guests were Elder Nick Ichuk of Dauntless, Mr. and Mrs. Ted Ichuk and family of Mannville, Alberta, Mr. and Mrs. George Dyck and Sharon, Mrs. Mike Ichuk and John Ichuk all of Vermilion.

Pleasant Valley

The weather was certainly kind to us during the holidays. Everyone took advantage of the mild weather and roads to attend the Christmas concerts and dances and to do much visiting.

Mrs. Gibbs went to Edmonton where she enjoyed Christmas with her son Bill and Lea.

Thanks to the Sherwoods again for their kindness as they took the big four from Pleasant Valley to Vermilion the Monday evening before Christmas to hear the carol festival by the united choirs. It was simply grand. Noticed also the Anderson family and the Blisses Stone from Islay. We hope you enjoyed the singing of the lovely carols as much as we did folks.

The service at the writer's home was well attended, 31 being there. It was nice having the Walker family with us.

Happy New Year to all!

Tring Notes

I'd like to take this opportunity to wish the Editor and staff a Happy New Year. We'd sure miss the Standard if we didn't get it and especially those who are not living around these districts anymore we feel that news from home always goes well. So come on neighbors, with a little help and co-operation we could have an interesting column each week

Mr. and Mrs. Guy Williams Sr. left here after Christmas to spend the rest of the winter in Edmonton.

Mr. and Mrs. Ray Walker and family spent Christmas in Edmonton.

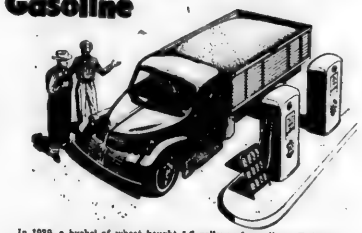
Miss Shirley Rutherford of Edmonton was a visitor at the Urs home during the holidays.

IN MEMORIAM

In loving memory of
James Hanlon
who passed away Dec 30th 1949
Sweet heart as we remember
In our memory you are always near
Lest we forget
Longest for always
Sadly missed by Dad and Mother, sisters, Mary Rose and Grace

Have you answered that Xmas seal letter? If

Today a Bushel of Wheat Buys Twice as Much Gasoline



In 1939, a bushel of wheat bought 1.7 gallons of gasoline. Today, you get almost 4 gallons of gasoline for a bushel of wheat. And it's the same story with other farm products. *

How is this possible when general living costs have streaked upward to a point where they are 80 percent higher than in 1939?

Finding oil in our own back yard is the answer.

By discovering new sources of oil, the oil industry has been able to hold the price line on products in spite of higher freight rates, increased gasoline taxes . . . in spite of tremendous increases in the cost of finding and producing oil, and of transporting, refining and marketing petroleum products. Today, depending on how close they are to new oil production, consumers on the prairies pay from 4 to 9 cents less per gallon for gasoline than they would be paying if new oil hadn't been found.

It's another example of how Western Canadians are benefiting from new oil production.

* *Based on information supplied by the Alberta Wheat Pool and Dominion Department of Agriculture.*

CANADIAN PETROLEUM ASSOCIATION
FORMERLY WESTERN CANADA PETROLEUM ASSOCIATION

"The die has now been cast"

An American manufacturer was planning to open a plant in Canada. He considered various locations and found what seemed a likely site. He talked to a local bank manager, got facts about the community and its facilities.

Some time later the company wrote to the banker:

"The die has now been cast. It is our intention to locate in S . . . We feel that it is well suited to our particular operation. You have been of great aid to us. Your accurate and rapid presentation of facts necessary to reach a decision was top-notch."

Such letters show how a branch bank serves not only its own depositors and other customers but how, by assisting business development, it benefits the whole community.

This advertisement, based on an actual letter, is presented here by

THE HOUSE OF SEAGRAM
MEN WHO THINK OF TOMORROW PRACTISE MODERATION TODAY

The End Of An Era

CANADIANS WILL SHARE the pleasure of the people of Britain at the prospect of the final termination of food rationing there. The time at which it will end has not yet been definitely set, but there seems to be little doubt but that it will be abolished during 1953, and there is general agreement that the present Minister of Food, Mr. Gwilym Lloyd George will be the last to hold that office. It was created thirteen years ago to meet the emergency of war, and during these years almost every major item of food has been rationed. At one time bread, meat, tea, coffee eggs, and many other foods were available only in limited supply, but gradually the list of rationed foods has been shortened and it is hoped that it will soon be possible to remove all restrictions.

* * *

Many Local Offices Close

As the food situation has improved, the work of the Food Ministry has decreased. Many local offices have closed and the ministry staff has been reduced from more than 44,000 to 24,000. Numerous adjustments in food distribution, payments of subsidies and other matters which have been handled by the Food Ministry will have to be made before the work is completely finished, but the British people are greatly encouraged at the prospect of no longer having to present ration books, fill in forms, and stand in queues for shopping, which has been their lot since rationing was introduced in January, 1940.

* * *

Relief Will Be Shared

During the war rationing was necessary in many parts of the world and it was only one of the many hardships that were part of those troubled years. In common with the people of other countries, Britons looked forward to the terminations of rationing with the return of peace. On the contrary, the grave financial crisis which followed the war left Britain unable to import adequate supplies of food, and a rigid system of rationing was continued in spite of the fact that world food supplies were no longer limited. There has been concern in Canada over the situation and there will be general satisfaction at the announcement which is now taking place. The easing of rationing will not only be a welcome relief to the people of Britain, but it is also an indication that the economic situation is improving Canada will share Britain's satisfaction in both these facts.

Mufor Industrialist Steps Down After Long Business Career

OXFORD England.—Lord Nuffield, rags-to-riches industrialist and philanthropist, recently handed the chairmanship of the giant British motor corporation to a younger man, ending 60 years of activity in the automobile industry.

Nuffield said that at 75, though enjoying good health he thinks it "an appropriate time to hand over my business responsibilities to a younger generation."

His successor is Leonard Lord, 55, deputy chairman of the corporation, who will also take over Nuffield's position at the head of Morris Motors and other associated companies.

Nuffield began work here as a 15-year-o-wreck assistant in a bicycle store. He was making his own bicycles before he was 17 and soon made enough money to begin famous Morris-Oxford light family cars.

Do You Know That . . .

There are more red-haired men in Scotland than in any other country in the world.

The whale shark, contrary to public opinion, does not attack either humans or fishes.

Mr. and Mrs. Van Nest and boys were dinner guests at the home of Mr. and Mrs J. Herne on New

written off.

Matron's report: Bless days 530; Patients admitted 137; Births 16; Deaths 6.

Mr. and Mrs. J. Duffy Jr. and family spent New Years at the home of Mr. and Mrs. Roy Walker.

Mr. and Mrs. Frank McCauley and family visited at the home of Mr. and Mrs. Tom McCauley for New Years.

Quite a number of curlers from this district took part in the Farmers' bonspiel at Vermilion on Jan. 2 and 3.

We extend our best wishes to the Editor and staff of the Standard and to all the readers of this column for a happy and prosperous New Year.

Mr. and Mrs. Allen Olstad and family spent Xmas and the week end visiting their parents and other members of the family near Cummings.

Mr. and Mrs. J. Horne and Jamby motored to Red Deer last week end to visit Mr. Horne's mother and family. They returned home Sunday evening.

Paradise Valley

We hope that we are not too late to wish the Editor and all members of the staff a very Happy and Prosperous New Year. During the past three weeks we have been too busy handling the huge avalanche of Christmas mail both incoming and outgoing. However here we are - Georgia at times we wondered if we would ever be the same again.

Many were the visitors to town and district. Gordon day was busy for both Xmas and New Years. Gordon is working for Munro's hardware in Edmonton. Harold Fair also spent the holiday with his parents Mr. and Mrs. John Fair. Harold works in Edmonton being employed by the Edmonton Transit System. Mr. and Mrs. Robert Stewart of Fort St. John visited with Mr. Stewart's parents Mr. and Mrs. E. A. Stewart. Mr. and Mrs. Lievers of Neerlandia with Mr. and Mrs. Frank Flint. Mrs. Lievers' parents, Mr. and Mrs. L. B. Nicholson with their family here and at Lloydminster and Riverside.

Miss Helen Levitt, Miss Muriel Matheson, Miss Kay Swayne all spent the holidays with their parents in town and district.

Miss Laura Knutson returned to her studies at the McTavish Business college. Miss Marion Fulghum and Miss Shirley Gunn to the University at Edmonton on Sunday after the Xmas vacation also Donald and David Fair.

Mr. A. G. Lea spent the Xmas holiday with Mr. and Mrs. E. W. Mullen and family at Edmonton. Mrs. A. S. Benner is also an Edmonton visitor and Mrs. V. Allan a Calgary visitor.

Mr. and Mrs. William Davidson spent Christs. . Mrs. Jack Chalmers . . . Mr. Chambers returning with them.

Mr. and Mrs. W. C. Shaw had as their guests over Christmas Mr. and Mrs. Tom Manion and Miss Lillian Manion of Edmonton.

Mr. and Mrs. R. Lindsay and family of Minor and Mr. and Mrs. Herb Ness of Dawson Creek were the guests of Mr. and Mrs. Albert McDonald recently.

Miss Mary Hoskins of Viking was a recent visitor at the home of Mr. and Mrs. M. Hoskins, returning home on Sunday.

We wish to extend our sincere sympathy to Mr. A. T. Goodwin in the death of Mrs. Goodwin who passed away on Christmas morning. Mrs. Goodwin had been ailing for a long time and her passing was not unexpected. The funeral was held on Wednesday afternoon and was largely attended by many old friends. Rev. Mr. Morrison of the United church, Lloydminster, conducted the service.

Need we say anything about the weather? It has been wonderful and at the time of writing is still the best. Roads are perfect so all is well. May it continue.

Curling has been very late in getting underway this season. At the moment we understand that the rinks are almost ready for action and curling soon underway. The skating rink has been going strong for some time and the kids are certainly making good use of it.

Mr. and Mrs. Albert M. West spent Christmas and the New Years at the home of their daughter and family, Mr. and Mrs. Ted Langridge at Banff. Other guests at the Langridge home were Mr. and Mrs. Jas. Duncan of Edmonton.

Bob Elliott and son Jimmy of Waskatenau were visitors at the home of the former's parents Mr. and Mrs. A. W. Elliott last week end.

Mr. and Mrs. Albert Keast and family of Bietlier spent the Xmas holidays at the home of Mrs. Keast's sister, Mr. and Mrs. E. T. Fooks, town.

Mr. and Mrs. G. L. Stonehouse and family of Clarcloonal have now moved into Vermilion where they plan to reside. Mr. Stonehouse is on sick leave from the bank, pending superannuation.

CLANDONALD HALL

This week end at the Clandonald hall "Mister Music" with Bing Crosby, Nancy Olsen, Chas. Coburn and Ruth Hussey. A top musical comedy. Next week end "20 Mule Teams". Mrs

Crows Enjoy the Mild Weather

While on a visit to Grand Centre near Cold Lake on Tuesday, Dec. 30th, Mr. and Mrs. Rock Mead were greatly surprised to see numerous crows flying around apparently entirely unconcerned about the season of the year and evidently a little confused by the mild fall weather, enjoyed here all winter — or until Monday, Jan. 5th.

STAGETTE NOTES

The first meeting of 1953 was held Tuesday night.

Our meeting next week will take the form of a social evening. I do hope that our social committee does not lead us astray. However, square dancing, skating or what have you, it will be a lot of fun. We hope all members will be able to attend.

Checking: Jan. 10 Mary Anne and Martha; Jan. 17—Vivian and Eileen.

The club received some nice cards from the children of Maidstone Street school, London, England. Several lovely letters of appreciation from receivers of our Xmas hampers were read. We hope that they helped brighten a few homes.

Our Holly Frolic was a huge success from all reports. Speaking of reports, Teresa is reported to have had a very enjoyable evening the night of the dance (the reporter wishes somebody would tell her why). It seems a big shame that nobody knows where Neale lives.

The club was very happy to have Bridget, Dot McC. and Eleanor Jean with them for the holiday season.

Start gathering your old Xmas, birthday cards, etc., members. We are going to send them to the Red Cross and Veterans hospitals to be used in handicrafts.

The best of everything in 1953 from the Stagettes.

Pretty Double Ring Ceremony At Holy Name Church

DOHERTY—THOMPSON

Holy Name Church, Vermilion, was the scene of a pretty double ring ceremony on Wednesday, Dec. 31st at 9:00 o'clock, when Eileen Dorothea, daughter of Mr. and Mrs. Thomas Thompson, became the bride of George Doherty, son of Mr and Mrs. John Doherty.

The church was decorated with ferns and sprays for the ceremony, performed by Rev. Father C. Landrigan.

The bride was lovely in a floor length gown of bouquet ivory satin, fashioned with a bouffant skirt and nylon net yoke, the sleeves tapering in lily-point. She wore a floor-length veil held in place by a headdress of white satin. A gold wrist watch, gift of the groom, was her only jewelry. She carried an arm bouquet of American Beauty roses.

She was attended by the groom's sister, Miss Elizabeth Doherty, who was prettily gowned in blue brocaded marquisette with matching gloves and shoes. She carried a Colonial bouquet of carnations and roses, tied with blue ribbon and gold locket, gift of the bride and groom.

Mr. Frank Schmidt attended the groom as best man.

As the bride and groom signed the register the soloist sang "Ave Maria."

Mr. Bob Carmichael was present to take pictures of the ceremony.

Mrs. Doherty wore a dress of navy crepe with grey accessories. Her corsage was of rosebuds and ferns.

A reception for several friends was held at the Brunswick hotel where the table was centred by a three-tiered wedding cake. Rev. Father Landrigan proposed the toast to the bride. Friends and relations gathered at the groom's home in the afternoon to wish the newlyweds much happiness.

For a wedding trip to Wilkie, Sask., the bride chose a grey gabardine suit with red accessories.

Mr and Mrs. Doherty will make their home in Vermilion.

Legion Whist Drive

Canadian Legion Post 11 plan to hold a whist drive in the Legion hall on Tuesday evening Jan. 13th commencing at 8:00 p.m. 39p

Claymore Clippings

Guests at the home of Mr. and Mrs. Peter MacMillan for Xmas and the week end were Mr. and Mrs. Stan Gerrie and Mr. and Mrs. Andrew Gerrie of Edmonton. Mrs. Nancy Beatty and family were dinner guests on Christmas day.

The New Year's party held at the school on Wednesday evening was attended by quite a large number from the district with a sprinkling from neighboring communities. The dance commenced about 11 p.m. and continued until the wee small hours so the new year 1953 was ushered in. Lunch by the party broke up. The Willes family and Les Kreller kindly supplied the music.

Mr. and Mrs. Bert Kather and the Misses Kather have been staying at the Mrs. J. Burns' farm home during the holiday season.

The January meeting of the ladies social club will be held at the home of Mrs. Oliver Willes on Wednesday, Jan. 14th in the afternoon.

Early radio tells us that we are making a new record for mild weather to date. We have had temperatures in December 10 years also the driest, as we are far short of usual moisture for this time of year. However, let us enjoy the mild days while we can as it may change anytime and make another record for cold and snow.

Miss Margaret MacMillan is visiting her sister Mrs. and Mrs. Stanley Gerrie of Edmonton.

In loving memory of Flight Lieutenant William Mauykuk —killed in action Dec. 30, 1944.
"Nothing can ever take away
The love a heart holds dear,
Fond memories linger every day,
Remembrance hourly here."
—Ever remembered by Dad & Mum

Plan To Extend Water, Sewer Lines

The regular meeting of the town council was held Jan. 5th with Mayor E. H. Hackbert and Crs. Payne, Reid, Urquhart, Mitchell, Welsh, Sutherland present.

The minutes of the previous meeting were approved as read.

Correspondence: F. J. Richardson re gas rate hearing; Alberta Civil Defence re Training course, Dept. of Municipal Affairs re Inspector's report; Vermilion School Division re annual report of Superintendent.

The financial statements for the month of December were approved.

The following motions carried:

That Council approve sale of Lot 7, blk. A Plan 6359 to Wm. Percifield for $100 and Lot 4 blk. B, Plan 6359 to Martin Meyer Jr. for $150 subject to usual sales agreement.

That Council grant a moving permit to J. G. Turnagle to move a house on to Lot 3, Plan 6359.

That D. E. Brown be granted permission to move house on Lot 19, Blk. 26 Plan 6359.

That the clerk be instructed to request the Civil Defence Dept. to send an instructor to Vermilion to instruct the Town Council on civil defence.

By-law No. 163 for appointing Planning Advisory Commission of 5 members be given first reading.

That the Council of the Town of Vermilion approve the application for a loan under the provisions of the said legislation by the Province in the sum of $60,000 to finance the extension of the water and sewer system and the construction of a second well as per attached estimates.

That D. R. Mitchell be Deputy Mayor for Jan. and Feb.

Water and sewer accounts and town accounts were passed and ordered paid.

There was considerable discussion over the taxing of lots used for business purposes, such as display rooms and machinery. The Council instructed the secretary to gather any information he could on the matter and at that time the Council would discuss it further.

The Municipal Inspector's Report was read to the Council by the Mayor and favorably received.

There was some discussion regarding the moving of houses into the town and it was decided to gather that all such houses be fumigated prior to their coming in to the town.

Meeting adjourned.

Board of Trade Luncheon Cancelled

WEDNESDAY, JANUARY 21

Due to the fact that the Rio Cafe will be closed for the funeral of the late owner and proprietor, Chas Karpyy, the Board of Trade luncheon scheduled for Wednesday, Jan. 21st, has been cancelled. The next meeting will therefore be the Annual meeting on Jan. 28th at 12:10 noon sharp.

Favor Uniform Hours Of Work Through-Out Province

BY GOVERNMENT LEGISLATION

At the regular meeting of the Board of Trade a motion was passed favoring Provincial Legislation providing for uniform hours of work throughout the province. The motion was the result of a question-aire submitted by the Alberta Associated Boards of Trade and Agriculture.

A letter from the Canadian Chamber of Commerce regarding cancellation of passports was tabled.

The matter of arranging for suitable bill boards and posters welcoming visitors to Vermilion on occasion such as bonspiels, dog days, conventions, etc. was delegated to the Civic committee for immediate action.

Annual Meeting Date Set

It was decided to hold the annual meeting of the Board on Wednesday Jan. 28th and the president was delegated to name a nominating committee to bring in a suggested slate of officers on that occasion.

VIKING LIONS HERE SATURDAY

The Viking Lions, the only team in the league which the Vermilion Tigers haven't been able to defeat so far, will play at the Vermilion arena this Saturday night at 9:30 p.m. It should be a great game. Moderately cold weather is forecast so there should be no need to stay at home.

To date the local Tigers have tied one and lost one to Viking.

The locals will be at play at Viking Wednesday night this week but due to the 30-odd below temperature the game was postponed. Cold weather also caused the cancellation of the exhibition game billed for Monday evening against the Edmonton McCauley Commandos.

EASTERN ALBERTA HOCKEY LEAGUE STANDINGS

The following standing includes games of Jan. 5th/53.

Vegreville	8	5	3	0	10
Vermilion	8	4	3	1	9
Wainwright	7	3	3	1	7
Viking	7	1	4	2	4

Girl Guide and Brownie CORNER

Hello Folks. This is the first of what we hope to be a clear and interesting and enlightening corner. The Standard has very kindly given us an opportunity to tell of what some of the 'goings on' of a good many Vermilion youngsters between the ages of 8 and 14 years. You know the ones that you see once or twice a week making a beeline for the Scout hall. Of course, we mean the Scouts, Guides, Cubs and Brownies. Perhaps you will have read of the kind of goings-on as may be found among youngsters in England, Scotland, Ireland, United States, France, Switzerland, India, Central America, and many, many more countries. That's the great part of it all for Brownies, Cubs, Guides and Scouts have no barriers of race or creed or color. The movement is world-wide, yet bound firmly together by the invisible bonds of a common law and a common promise, and founded on a firm base of loyalty, service for others, self-reliance and honesty.

But let's come back to Vermilion, and just a little of what goes on around our small but pretty active unit of that great organization. Let's begin through the door of the Scout hall. There are Brownies, and they have made a home in the public school in five minutes flat. Nobody is going to lose patrol points for any thing so silly as being late. The Brownies you know are little girls from 8 to 11 years of age, they are the little sisters of the Girl Guides, and are very proud of the fact that Princess Margaret Rose was a Brownie too when she was little.

Our 1st Vermilion Brownie pack has been in now just a half old but already we have 10 golden bars and quite a number more very close. It's really something when Brown Owl or Tawny Owl initial another test in that dog-eared test card. Brownies really work for their promotion but it is fun, and right now Tawny Owl is reading a wonderful Brownie story called "The Pow Wow Ring", all about how Brownies started, and about our Brownie promise. It goes like this, "I promise, on my honor, to do my best, to do my duty to God and the Queen, to help other people every day, especially those at home" — and that's a good place to stop for now, so goodbye until next week, and don't forget to lend a hand.

Cpl. Johnson in R.C.M.P. Musical Ride At the Coronation in June

MANNVILLE. — R.C.M.P. Constable Lloyd Johnston left his post in B.C last week for Ottawa for further training with about fifty members from the Force picked across Canada. The troop with their horses will sail for England for the Coronation in June. Cpl. Johnston is the son of Mr. and Mrs. H. W. Johnston of Vermilion, formerly of Mannville.

Causes Power Cut-off For 4 Hours Wed. A. M.

EXPLOSION AND FIRE AT CANADIAN UTILITIES PLANT

BACK TO NORMAL WITH IN A WEEK.

An explosion from, as yet, an unknown cause, followed by a fire in the basement of the Canadian Utilities big plant here at 7:30 Wednesday morning resulted in a power cut-off for four hours. Connection was effected with Calgary Power through Wainwright and the result caused electricity was on again from Vermilion east at approximately 11:30 a.m. Vermilion citizens in general remained calm, cool and collected throughout the 'blackout'.

The west half of the territory served by the plant only had La cut-off for one and a half hours. Their power came from the west and was back on at 9 a.m.

The explosion in the basement of the plant started a fire which burned the insulation off the main outgoing cables and this was the reason for the blackout. All of the cables will have to be replaced and anyone who has seen the mass of outgoing wires will realize the mammoth job entailed.

Installation of one new cable will be completed today (Thursday) and some power from the plant will be fed into the system tonight. The entire output of the plant will be fed into the lines in two more days time, barring material shortages. Everything will be normal again in about a week's time plant officials state.

The concussion from the explosion blew out some 60 panes of glass, blew open the main front doors blasting away a portable window porch, slattered one inside door an hard that it broke into two pieces, and generally made a mess in the usually spotless plant.

In the face of the power of the explosion it was miraculous that no one was injured.

A great deal of inconvenience was caused by the power failure but there was no suffering as far as can be ascertained. Chief source of complaint came from owners of electrically controlled furnaces as with no power these do not operate. Shops depending on electrical equipment had a busy time and lost quite a bit of day's work, while the Stanley typesetting machine was rendered inoperative and caused the paper to be late. Business men came to Vermilion, however, while there were numerous complaints that case should test start due to no electricity for short hours. Electric ranges are quite numerous in town now and cold breakfasts were the order of the day. However coffee counters did a roaring business all morning. Frequenters lingering longer than usual on the plea that they couldn't do much without light. Ice in the water pumps and cash registers were also immobile.

While inconvenient, the power cut wasn't of long enough duration to be regarded as a major catastrophe.

Experts from Edmonton were expected to town Thursday afternoon to attempt to discover the cause of the explosion.

18 Homes, 5 New Businesses, Jr. High School Catholic Church, Motel, Armories, New Library

1952 Record Building Year

1952 proved to be a record year for Vermilion in the construction field, a total of 59 building permits being issued totalling $800,000, an increase of almost $200,000 over 1951. The total does not include the new armories which cost in the neighborhood of $95,000. Completed during the year were the new Drive Department of Transport house valued at $80,000, and the new 20-unit $15,000 Motel for which permits were taken out in 1951.

Added to this too in construction work was the building done on the dam across the valley for the provincial park lake, and the new bridge.

18 New Homes

Included in the 59 permits were 18 new residences, 5 new business premises, the Junior high school and Catholic church, the hotel and the completely renovated Anglican church.

A part of the town benefitted by the building. The new homes were built in both east and west sections of the town. One of the most ambitious undertaking is in the general demand for homes was the Anglican church which almost

LEGION W. A. ELECTS OFFICERS

SUCCESSFUL YEAR REVIEWED

On Monday Jan. 5th the Ladies Auxiliary to the Canadian Legion held their annual meeting and elected their officers. The members elected to office for 1953 are as follows:

President— Mrs. E. Thompson
1st Vice-Pres.—Mrs. M. Davies
2nd Vice-Pres.—Mrs. F. Perkins
Secretary—Mrs. J. Webb
Treasurer— Mrs. A. Wright
Executive —Mrs. P. Manyluk, Mrs. E. Mayhew, Mrs. A. McLean, Mrs. E. Rooks, Mrs. D. Scott, Mrs. Hall.

The reading of the 1952 financial statement by the retiring treasurer, Mrs. M. Chapman. Showed that the Auxiliary completed a successful year of operation.

The installation of the 1953 officers was performed by Mr. George Martin, President, with the assistance of Mr. V. Tillett, 1st Vice-President of the Vermilion Branch. No. 11.

Refreshes Bun Manyluk and Jack Rokeland.

Vermilion Lady Wins Prizes in Radio Contest

Miss Irene Moffatt recently won a Premier vacuum cleaner and an Electrohome air conditioner from the radio program 'Adams Take a Chance'. The program is sponsored by Adams Chiclets. Irene says that it was chiefly a case of writing in and having your name drawn from the thousands sent in. She has already received the prizes.

Midgets Lose First Start of the Season

SCORE 4-3 SATURDAY NIGHT

Vermilion Midgets, sponsored by the Kinsmen club lost their first game of the season to Viking on Monday evening when they were conquered by the Lloydminster Midgets by 4 goals to 3 after the game had contested with the visitors being a little more deadly around the goal mouth than the locals. It was a fast exciting contest with both teams giving promise of good things to come.

The local Midgets line-up is largely composed from last season and the coaches are breaking in a very large contingent of boys. The coaching is being done by Sam Jordan, Don Payment, Jim Bell, with Bob Hume supervising the goalies in proper technique.

For the visitors the goals were scored by Gene Kosar (2), Bob Mackay with 1 Earl Verminski and Gus Nash each for Vermilion Bobby Sewell assisted by Doug Brewer and Jim Grant, with defenceman Marvin Little watching the other two lone rushes from his own end of the ice.

Referees Stan Manyluk and Jack Rokeland.

Line-ups

LLOYDMINSTER: Thorpe Mc-Gustason, Rutger, Boyer Fyanwith, Hay, Whitebait, MacKay, Devenne, Robertson.

VERMILION: Hemmingway, Little, Frinnell, Burr, Cooper, Marshall, Komarnicki, Brewer, Bentley, Grant, Mix, Wilson, Kuzick, Hicks, Bill Stonehouse, Bob Stonehouse.

$2,120

It was a fast exciting contest with both teams giving promise of good things to come.

The local Midgets line-up is largely composed from last season and the coaches are breaking in a very large contingent of boys. The coaching is being done by Sam Jordan, don Payment, Jim Bell, with Bob Hume supervising the goalies in proper technique.

For the visitors the goals were scored by Gene Kosar (2), Bob Mackay with 1 Earl Verminski and Gus Nash each for Vermilion Bobby Sewell assisted by Doug Brewer and Jim Grant, with defenceman Marvin Little watching the other two lone rushes from his own end of the ice.

Referees Stan Manyluk and Jack Rokeland.

Plant Humming Again

The Canadian Utilities plant is humming again, with 1903 K.W. being fed into the high power lines at 6:40 this evening. This amount augments that being supplied by Calgary Power under the stand-by agreement. Ordinarily at that particular time in the evening there would be an output of 7500 K.W.

Repairs have been effected in rapid time by dint of hard and continuous work of the plant staff.

Much Depends On The Seed You Sow

Don't put off consideration of your seed grain requirements, advises R. L. Pharis, Superintendent of Crop Improvement, Alberta Department of Agriculture. Even though you may have lots of grain in the bin there is much to be done before it can be considered fit for seed. Cleaning at the very least is required. But before cleaning, make sure that your grain is worth the effort. Weeds are one problem: noxious ones another. Unless your grain is true to variety it might pay to buy fresh seed this year.

If you are making a change, there is no better time than now to buy the best. Registered and certified seed can be obtained on order from the nearest elevator agent. District Agriculturists will be glad to advise about available varieties and to offer any further information desired. Pedigreed seed costs a little more, but it pays for itself in yield and quality. Make your seed arrangements now, advises Mr Pharis. The less demand is indicated early, much good seed will find its way into commercial channels before spring.

John O'Donnell Back From Korea

Rapper John B. O'Donnell was home for Christmas with his wife and family, after more than a year's service in Korea.

Another district boy [illegible] with John was Pte. J. H. [illegible] of Elk Point.

400,000 Canadian families reported earnings of more than $3000 in 1951. —Quick Canadian Facts.

Geo. Senz Transferred to Red Deer

George Senz, Game Officer for this area, has received notice of his transfer to Red Deer. The move is to take effect at once and George has already made one trip to the central Alberta city where he found the housing situation acute. His successor here will be appointed shortly.

Fire At Hog Ranch Near Mannville

MANNVILLE—Fire at Manville early Wednesday morning damaged the main building of a hog ranch jointly operated by Reg Lutz and Wallace Chrysler. The fire was doused by the Manville fire brigade, the tank on the fire engine containing sufficient water to do the job. A hole about 15 by 20 feet was burned in the side and the roof of the building. In the barn at the time were a team of horses, 8 brood sows, 30 little pigs and 3 calves. One sow was badly burned and her litter of 8 white not burned died soon after from effects of smoke and exposure.

Mannville Legion Rink Wins At Two Hills

MANNVILLE — The Legion rink consisting of Jack Cockrill, Ab Hubbard, Grant Hetherington and Gerald Nichol with Chas. Matters as spare man journeyed to Two Hills on Sunday. They won three games out of three, defeating Myrnam, Two Hills and Vermilion.

Tigers Lose Close One At Wainwright

WAINWRIGHT—The home-town Commandos sent 700 fans home happy Saturday night with a 3-2 decision over Vermilion Tigers in Eastern Alberta Hockey League play.

Carter broke a 2-2 tie at 3:45 of the third period to provide the winning goal. Each club had tied the game previously.

Pat Pasuta put Vermilion ahead but Commando goals by Strate and Harden sent Wainwright into the lead in the first period. There was no scoring in the second but St. Martin, on a pass from playing-coach Elmer Keeler, tied the game in the first minute of the third frame.

VERMILION—Brown, Ferguson, Keeler, Herchak, Barr, Pasuta, St. Magdin, Leahy, Schmidt, Stewart, Rideo, Pozer, Williams.

WAINWRIGHT — Mark, Mairne, Murray, Hallett, Rasmussen, Strate, Coombes, Calahan, Harden, Sheffield, Harley, O'Connor, Kinsarvick, Carter, Bienach.

Officials—J. Brault and W. Thorndycraft.

Summary

1st period: Vermilion, Pasuta (Barr); Wainwright, Strate (Bienach); Wainwright, Harden (Carter, Sheffield). Penalties — O'Connor, Kinsarvick.

2nd period: No scoring: No penalties.

3rd period: Vermilion, St. Martin (Keeler); Wainwright, Carter (Murray); Penalties—Maine, Rowe, Coombes, O'Connor, Coombes, Pallotta. —Edmonton Journal.

Mrs. Alfred E. Jones Laid To Rest At Sudbury, Ontario

Christine Pauline Jones, beloved wife of Alfred E. Jones, well known old time family of Vermilion, was laid to rest at the Park Lawn cemetery at Sudbury, Ont., on Dec. 15th, 1952. She had passed away on December 11th. The deceased was born at Port Arthur on Nov. 19th, 1878 being 74 years of age at time of her death. She had a long and interesting life, living in Vermilion in the early days of the town, then in Edmonton during the days of the first world war following which the family moved into the far north at North Vermilion and there resided for many years. They then returned to Vermilion for some two years where the deceased again became well and favorably known for her friendliness and kindliness. She leaves many friends in Vermilion who are genuinely grieved at her passing.

Her experiences while living in the north were the subject of radio stories and newspaper articles.

She was a member of the I.O.D.E. and an ardent church worker.

Mrs. Jones is survived by her husband, three sons, Gordon of Beardmore, Ont.; Joseph of Carson, Ont.; Clinton of Frood Mine There are also three brothers and two sisters.

The large number of floral tributes testified to the affection and esteem in which Mrs. Jones was held by her wide circle of friends and acquaintances.

In 1950 American manufacturers sent 664,000 pairs of women's stockings into Canada; this year they will send more than 4,000,000 pairs. —Quick Canadian Facts.

CHEVROLET FOR 1953 has been expanded to include three series of cars—Bel Air, "Two-Ten" and "One-Fifty". Available are 16 completely redesigned body types, including three four-door sedans, three two-door sedans, three station wagons, two sport coupes, two club coupes, two convertibles and a business coupe. Many new exterior colors, new and luxurious interior finishes and enlarged front and rear vision, are featured. A re-engineered Powerglide automatic transmission for greater operating economy and faster pickup; Power steering; and the Autronic Eye, an automatic headlight dimmer, are big car features offered as options at extra cost. A choice of two new engines with increased horsepower is also available. Shown here is the Bel Air four-door sedan.

Chatsworth Chatter

Here we are well into 1953 with some wintry weather at last, but we really can't complain after enjoying such a wonderful fall and holiday weather which just couldn't have been better if made to order.

The Chatsworth concert and Christmas tree was well attended and most enjoyable with the children doing a very good job in all their songs and dialogues. Santa was present also, to distribute the stacks of gifts, candies, oranges etc.

Patty Thompson unfortunately came down with scarletina the day before the concert, thus missing out on that pleasure this year. As she was leader in a girls' drill, had a number of parts in the plays and also part in a duet, much credit is due to those who stepped in, with such short time for rehearsal, and filled her parts so successfully. We would like to mention particularly Dickie Panter's singing of the solo part in 'Christmas Chimes' duet heard in one day.

Our thanks also to guests who helped on the program, Miss Donna McCauley, Mr. Ralph Wilmer and the Allmyer Fay and Sylvia Wilmer.

Miss Anne McCauley spent the holidays with her parents at Mannville.

Roads are somewhat drifted in places since last week's snow and wind, but not enough to warrant the use of the snowplow yet.

Jack Thompsen spent the Xmas week end visiting with June and George in Edmonton, as did the writer of 'Chatter'. Peter Wynny, chuk looked after the farm while we were absent.

My personal thanks are extended to the teachers and pupils for the beautiful gifts received from them.

The sympathy of the community is tendered to the Bewsham family on the death of their father, whose passing breaks an early link with old times in the Chatsworth district.

Letters to the Editor

January 8, 1953.

The Editor,
Vermilion Standard,
Vermilion, Alberta.

Sir:

The Alberta Tuberculosis Association will appreciate the use of your columns to point out to your readers the situation of the provincial TB Christmas Seal campaign, which at this point is $32,500 short of the objective of $210,000.

Edmonton and northern Alberta have to date contributed about $72,500 towards their own district objective of $86,000. This is a commendable showing, but the shortage together with similar shortages in all other Alberta districts, leaves our anti-tuberculosis work in a position that endangers our effectiveness unless the people of Alberta come through in the traditional Alberta manner and again put us over the top.

Please let me emphasize that we must reach our 1953 objective or else curtail some essential services. Our regular budget for health education, vocational training and rehabilitation, X-ray survey, tuberculin testing, nursing and welfare services, and sale supplies, etc., will require at least $180,000, and we are hoping to install at least $30,000 worth of X-ray units in several more Alberta hospitals for routine chest X-ray of admissions. This program has already saved many lives, not only from tuberculosis, but also from heart disease, cancer and other conditions.

We hope you will place this appeal before your readers prominently, in the interests of good public health in Alberta.

Sincerely yours,
T. A. Shandro, President,
Alta. Tuberculosis Assoc.

Ottawa, Ont., Jan. 9, 1953.

The Editor,
Vermilion Standard.

Dear Sir:

May I, on behalf of the postmasters of Canada and the postal staff, generally, express our appreciation of the very great assistance extended to us by the public in mailing early during the Christmas season which has just passed.

According to reports already received from many of the offices across Canada, the co-operation given by the public was greater than ever before, and as a result most offices were able to complete their deliveries by Xmas eve.

There is great satisfaction in being able to record such a result. For many years, the volume of Christmas mail has been steadily increasing and this year again the case this year, when more than 250,000,000 individual items were handled. Careful planning and greatly augmented staffs are, of course, necessary to cope with such a flood of mail. All of our own efforts, however, would have counted for little if the public had not co-operated by observing the suggested mailing dates. The public, therefore, deserves the credit for what we have been able to accomplish. To one and all I wish to say, "Thank you!".

To-ship also generously accorded us in other years, by the newspapers, is also deeply appreciated. By publicizing the various mailing dates and other pertinent information, newspapers assisted greatly in assuring the public support which was so helpful to us.

My very best wishes for 1953.

Yours sincerely,
W. J. Turnbull,
Deputy Postmaster General.

Wildmere Winks

(Held over from last week)

Another year has rolled around and Wildmere Winks column is now on its 21st year, having started on Jan. 6th 1933.

Holidays are past history now but the writer would like to wish everyone a happy and prosperous New Year!

Visitors to homes in the district were Mr. and Mrs. C. Finlay and Jean, Mr. and Mrs. J. Finlay, all of Manville, Tom Wilson of Edmonton and Gosie Wilson and Hallie Holte of Wildmere all at the J. Will son home for Xmas dinner; Mr. and Mrs. C. Crothers and family at the Albert Smith home; the Madill family of Hardisty, Mr. and Mrs. Boyd of town and Mrs. S. York and children of Goose Lake at the Gibson home.

Mr. and Mrs. A. Prissell of town and Mr. and Mrs. Howard Prissell and baby were at the Fadden home.

Tom Best and Laurence Graham spent Xmas at the Wallington home; Mr. and Mrs. J. Baike with Mr. and Mrs. Wally Wessman in town; Mr. and Mrs. R. Martin and Doreen were at the Scuffers in town; Mr. and Mrs. H. Smith and family at the Henry Smith's in town.

Mr. and Mrs. Albert Holte went to Wainwright where they enjoyed Christmas with their son Kenneth and family. They were also delighted to see their little grandson for the first time.

The writer cannot miss mentioning the wonderful concert presented by Wildmere and Rosedale students and pupils at Rosedale school. It was a wonderful white Christmas, in a real old fashioned way, complete. Santa also came to the delight of the children and found a welcome Eddie there.

Now to say H-llo to all our absent friends. Eddie Fadden is under went an operation right after Xmas. Allan Brooks who had to have an operation in town Xmas and to George Harrison who also had an operation and both are now well. We want to wish a speedy recovery to Mrs. Frank Lyden who took sick on Xmas day and hope all these people soon be well and home again.

Congrats to Miss Moffatt on being a winner on "Take a Chance".

We would like to thank our Neighborly News editor for such kind words about our efforts, condents on his program last Sunday morning.

Peter Graham will enter the Royal Alex. hospital early next month to start training for a nurse. Doreen Stone and Marion Pike will also enter at the same time. To these three girls we wish only good wish for a successful three years study ahead.

Bertie Fadden has come to the front in to work for his uncle Bill Pringle in the Pringle Hatchery where Bill is manager.

Precious lives are being saved every day through the Mobile and Hospital X-ray units bought with Christmas Seal dollars. More X-ray equipment is needed. Have you done your share by sending a contribution to the Christmas Seal campaign?

Special to all Farmers and their Families

Dear Friends!

This is a personal invitation to you to attend our gala opening John Deere Day.

Actually, we think that we've planned a day that you and the whole family will enjoy — a full program of entertaining and educational features.

There's the picture picture, a fast-laugh comedy starring Bustle Foster — a brand new Modern Family picture, vital sessions of The Modern — Tractor Show for 1953, and other colorful things you must not miss.

Then, now to be with us and enjoy the day. Remember, the free luncheon, admission is by ticket only. If you haven't received your ticket — or need more — be sure to get them up at our office.

See you John Deere Day!

John Deere Day - JAN. 23

At Columbia Theatre, Vermilion

Deer Lake Doings

Brrr, isn't it cold? After the lovely weather we had the nip in the air.

Miss Louise Habegrit has taken a position in Stephens' store in Vermilion.

Mrs. Habegrit's father Mr. Oscar Johnsen is a patient in the Elk Point hospital. We all hope he is making favorable progress.

Miss Edna and Miss Stella Thompson were visitors at their parents' home during the festive season.

Billy Kinsella of Lloydminster spent the Xmas holidays with his grandparents Mr. and Mrs. Phillips.

Mrs. Yoad is still in, Dewberry looking after Mrs. Margaret Fry's children as Margaret is in the hospital.

A thought: You can forgive others more easily by remembering your own faults.

In Alberta bees produce more honey than anywhere else in Canada. An average of 125 pounds per colony last year.

NOTICE

The Fuller Brush Co.

LTD. OF CANADA

are very pleased to announce the appointment of

Mr. Norman Dreger

as Resident Dealer of the Vermilion District.

We want to take this opportunity of thanking our many friends for their kind patronage. We give assurance that Mr. Dreger will continue with the Company's policy of considerate and courteous service to its customers.

For your pleasure we are offering a number of startling and exciting

NEW YEAR SPECIALS!

For Fuller Service write:

MR. NORMAN DREGER
Vermilion, Alberta
or Phone Vermilion 288. 27-2c

OLD AT 40, 50, 60?—MAN You're crazy! Thousands peppy at 70. Ostrex Tonic Tablets pep up bodies lacking iron. For run down feeling men, women and "old". New "get acquainted" size only 60c. At druggists. 3tfc

Big Sales, would you like to spend an enjoyable and profitable evening? Well, come in to the Bingo party on the 19th to be held in the Dewberry hall. Lunch will be served. The Dewberry ladies of the C.W.L. are sponsoring the Bingo and will be pleased to see a large crowd. Everybody welcome.

Hi Mrs. Mowry, we have not paid our promised visit but intend to do so in the near future.

Mrs. Yoad is still in, Dewberry looking after Mrs. Margaret Fry's children as Margaret is in the hospital.

A thought: You can forgive others more easily by remembering your own faults.

In Alberta bees produce more honey than anywhere else in Canada. An average of 125 pounds per colony last year.

LITTLE E. KATZ

Mannville Local Items

Mrs. George Whitson suffered a bad burn to her arm last week when she slipped on the waxed floor in the kitchen, her arm touching the hot stove. Her many friends and neighbors have kept her from being lonely while confined to the house.

WILDWOOD

The ladies held their annual meeting at the home of Mrs. David Jack. The officers were all returned by acclamation as usual: President — Mrs. Geo. Jack; Vice-Pres.—Mrs. J. D. Shaw; Sec.-Treas.— Mrs. Marshall Bowes.

Mr. and Mrs. E. J. Hearty entertained the bachelors of the district to dinner New Year's day.

Mrs. R. P. Sheldrice is visiting her daughter Mrs. Pitman in Edmonton.

Sorry to report Mrs. Frank Bayberg is a patient in hospital again. We wish her a speedy return home.

Mr. Ken Ferguson of Brettler left spent the new Year holiday with his parents.

Mr. Lindsay Wheadon has gone to Peace River where he has secured work.

Mr. and Mrs. J. G. McKay of Edgerton spent Xmas week with their daughter Mrs. Ali Jack.

Mr. and Mrs. Geo. Jack were in Edmonton for Christmas with their family.

Mr. and Mrs. Jim Sholdice are having an extended holiday with Jimmie's mother and brothers.

Mr. Joe Cooper went to his parents for Xmas in Edmonton.

Miss Bourassa has returned from the coast where she spent the Xmas holidays. She was called home sooner due to illness. She also reports a delayed journey home due to poor weather conditions.

The annual rest room meeting will be held on Saturday Jan. 17th at the home of Mrs. Rutherford.

Mrs. Jas. McLaughlin of Vermilion was a Mannville visitor on Tuesday attending the Happy Gang Centre W.I. at the home of Mrs. Osborn.

Letters to the Editor

The Canadian Red Cross Society,
January 4, 1953.
Vermilion, Alberta.

Dear Sir:

The support of the Editors of the Canadian weekly newspapers has always been an important factor in the success of the annual appeal of the Canadian Red Cross Society. Not only during the campaign but throughout the year your co-operation has been noteworthy.

Again this March the Society will hold its annual national appeal with an objective of $3,300,000, the absolute minimum required to carry on its essential and vital services. In a sense Red Cross and weekly newspapers have mutual interests — the interests and activities of the community. Due to the busy season we are anxious to have the story of our work mentioned in the Standard. Your co-operation does so much to help the thousands of Red Cross volunteers. The success of the campaign depends on the news columns of your publication.

The Canadian Red Cross Society is most grateful for the contributions of the Canadian weekly. We know that you will continue to give us your support in our work.

Yours very truly,
Richard Haines,
National Publicity Director

The World of Wheat

Wheat News Note—
The Serious Outlook

The protection of our wheat crop from the fungus attack of wheat stem rust is infinitely more difficult than it was even supposed to be a year or even a few months ago. New pupin index I have an adequate concept of the complexity of the problem as it is now presented.

This is a summary of the conclusions of the most eminent physiologists and pathologists, genetics and plant breeders from Canada and the U.S. and the Rockefeller foundation, together recently in a three-day conference in Winnipeg. What was considered a short time ago to be a simple problem of developing a new variety of wheat resistant to stem rust, is now recognized as a very complex one. Many different races of rust which attack each variety of wheat must be identified and studied.

This will require large laboratory equipment greenhouses, land and others and we must have more money for further research in problems and plant breeding than is now available. It is considered that equipment personnel and money for research is only about 1/10 of what is needed to protect our wheat crops against many serious losses.

Have you answered that Xmas Seal letter?

Word has been received from Mrs. K. C. McLeod that her mother Mrs. McDonald is able to be up and around a little after her recent illness. Mrs. E. McFadden of Mannville is taking care of Mrs. McDonald.

Mr. and Mrs. Chris Hamilton Jr. were callers in town last week at the home of his parents, Mr. and Mrs. C. Hamilton.

Rev. R. Clennett is spending a week with his parents Mr. and Mrs. C. Clennett in Calgary.

Mrs. Pauline Chiswell returned on Friday morning to Lacombe. She has been here since the death of her father Mr. R. E. Cain.

The Misericordia Ladies hospital will be held on Feb. 18 and 19.

The annual meeting of the Christ Church W.A. will be held on Wednesday Jan. 21st and that of the Happy Hour group on Friday, Jan. 30th.

Little Linda Holden is a patient in the local hospital. There have been quite a number of children and adults in hospital with colds and flu.

Mr. John Thompson has completed an audit of the books of the Village of Mannville.

A meeting of the Library Association will be held Jan. 22nd at the home of Mrs. C. Jones.

Miss Phyllis Robinson, a former nurse in the Mannville hospital was in the town to come out from Unanum City to the Edmonton hospital with the men who were in a plane crash in the north.

Miss Bourassa has returned from the coast where she spent the Xmas holidays. She was called home sooner due to illness. She also reports a delayed journey home due to poor weather conditions.

The annual rest room meeting will be held on Saturday Jan. 17th at the home of Mrs. Rutherford.

Mrs. Jas. McLaughlin of Vermilion was a Mannville visitor on Tuesday attending the Happy Gang Centre W.I. at the home of Mrs. Osborn.

Ward Charges for Non-Ratepayers at the rates set by the Associated Hospitals of Alberta.

VERMILION MUNICIPAL HOSPITAL BOARD

Dec. 25, Jan. 8 & 15

Sixteen Years Ago Today

Jan. 7th, 1937 -

Chas. W. Robinson announced that he was retiring as Secretary of the Board of Trade after two years in that office.

Terms of Mayor Chas. Robinson and councillors Melvin Hill, Ira Davies and W. Waldenberger expire this month, while on the school board those of Frank Baker and Thos. Watts run out.

The automobile license year was changed from Jan. 1st to commencing on April 1st in Alberta.

Low temperatures have been registered with 32 below Tuesday and 28 below Wednesday. Roads are still open as very little additional snow has fallen.

Thirty-two Years Ago Today

The town council for 1921 was: Mayor, J. W. G. Morrison; councillors, M. A. Brisacombre, F. C. Long, J. A. M. Craig, W. H. Duncan, W. H. Noble, W. Ingles.

Minor Bates was appointed 3rd engineer at the electric light plant in succession to L. G. Dunaway, resigned.

The hospital held New Year's day was run by Dr. F. Day Smith with Bill Telford winning 2nd.

Pleasant Valley

A Happy New Year everybody. Why did the weather have to change? We don't like this after enjoying such spring-like weather so long!

Christmas was simply lovely and everybody took advantage of the mild temperatures — there were visitors from far and near.

Mr. and Mrs. Jim Gould had their son and family, and daughter and family home for the holidays. Hannold McClelland was home and has now returned. The Mitchell family visited at the McClelland and Young homes.

At time of writing it is snowing and blowing and a very little snow there has been put up it will mean a lot of snow plowing before the school busses get through some of the bad places.

The New Year service was held at the home of Mr. T. Sherwood. The next service on Jan. 19th will be at the home of Mrs. Jones. It is hoped that weather will be better by that time.

Mrs. Gillies is still in Edmonton. Her son Bill is now working in the city and they have moved further to the south side. It's a long way from home isn't it Bill?

Mr. Gould sure a crow one day close to home. We are wondering where he is now—taken off for those fifties no doubt.

Garfield Potvin was home during the holidays from Brooks. He likes it very much there and the climate is mild most of the time.

Some of the neighbors have now started to curl. They journeyed to the Farmers' spiel at Vermilion. Had to be there real early in the morning. There was a rink of Mr. Gordon.?

Merry Xmasghan and Mr. and Mrs. Myers are on their way home.

The Waterfield family and the Blake's were down with mumps and home of Mr. and Mrs. Bostwell on Tuesday evening last week.

News will be scarce during this cold weather.

Winter is a breathless miracle:
Like crystals falling through the sky on every barren tree,
Slowly the earth becomes, a wondrous mystery.

OBITUARY

MRS. GEORGINA GOODWIN

Mrs. Goodwin was born on Feb. 13th, 1867 at Larkspur, Colorado, U.S.A. She died on Dec. 25th in Paradise Valley, Alberta. She was united in marriage to Albert Theodore Goodwin on April 17th, 1904 in Colorado Springs, Colorado and emigrated to Alberta with her husband in 1907, settling in the Elnora district where they resided until 1918 when they moved to their ranch on the Battle River where they resided until retiring to Paradise Valley in 1945.

She leaves to mourn her loss her lovin t husband, one daughter Grace of LaCrosse, Ore., one sister Ella of Canby, Ore., one brother Jack of Merrin, Ore., one sister Rose o. San Bernadino, Calif., two grandsons, Bill of LaGrande, Herbert of Seattle, and two granddaughters, Ione of Myrtle Creek, Ore., and Evelyn of Tillamook, Ore., and a number of nieces and nephews all residing in the States. She was a friend to ever yrnoand Cne r BN friend to everyone and everyone was her friend. She loved all the children and she will be remembered by them as "Goody" for years to come.

The funeral was held from the Paradise Valley hall and interment was in the Paradise Valley cemetery. Rev. Mr. Morrison of Lloydminster conducted the service. The hymns were "Jesus, Lover of My Soul" her favorite, and "Rock of Ages". Her friend, Frank Ball, was at the organ. Pallbearers were Reg Holgate, Jas. McVinnie, Albert Young, Charley Bennett, Wm. McLean Sr., Jas. Teasdall.

Memorial donations and beautiful floral offerings were received from a wide circle of friends.

OUR COMPLETE SHORT STORY —

Dance To Remember

• • •

By DONALD GILCHRIST

"DON'T call me Barb'ra. It's Barbara-a. B-A-R"—she paused—"B-A-R"—she paused again—"A! Three syllables."

She tossed back her pigtail, rose up on one toe and did a slow, dainty pirouette. She was a thin, pale child with wide-set eyes and a large mouth. Her face was not pretty, but it was full of expression and character. She paused suddenly as she heard her mother's voice calling her from the house.

"That's Mum. I'll have to go. Bar-bar-a! Where are you?"

"Coming! Coming! Oh dear, no peace for the wicked!"

The phrase came oddly from the child's lips. She had picked it up somewhere. She was always mimicking visitors who came to the house.

"Barbara? Oh, there you are!" A vivacious, dark-haired little woman was laying the table for lunch in the window of the front room when the pale December sunshine glinted on the bairns of Mrs. Jones. "Barbara dear, I wonder if you'd just run round to Smith's and get those sweets. Choose a quarter of anything you like for yourself, but get the rest in peppermints. It's what Daddy likes, as you know".

"Why does he?" asked Barbara curiously. "I think they're dull."

Her mother smiled. "You'd better ask him," she said. "Now, hurry because it's nearly lunch-time. And do put a coat on, darling; it's cold enough for snow."

But it was not till lunch was over and her father sat down on the window-seat to smoke his pipe and watch the birds feeding out on the frozen lawn, that Barbara skipped up to him and said, "Daddy, tell me: why d'you always have peppermints? Mum told me to ask. Don't you like any other sorts of sweets? I think peppermints are dull."

Her father smiled and eased himself on the seat. His left leg stuck out in front of him, straight and rigid. It was artificial from the thigh downwards. He had been a "pace-time" army casualty a few years after leaving school. He patted the seat beside him. "Come and sit down and I'll tell you. It's a most romantic story."

Then I shan't believe it. All that Romance-stuff's out of date. Miss Preston says so."

"Does she." He pulled a wry face, adding without malice: "Miss Preston may have good reason for thinking so. All the same, I repeat: my story's a romantic story. So now then . . . Once upon a time . . ."

"Oh . . ." Barbara groaned interrupting again. "Then it's not a true story. It's not real."

"Of course it's real! What a little sceptic you are! Every story's got to start once . . . sometime." Very firmly and deliberately he repeated, "Once upon a time," paused for the interruption which did not come; raised his eyebrows in ironical surprise, and went on: "Once upon a time there was a small boy called . . . well, we'll call him Pat. He was a great little runner, and he could beat all the other boys at jumping, too. He spent a lot of time in the school gym, and got very good on the parallel bars and the vaulting-horse . . ."

Barbara yawned ostentatiously, swinging her legs. If the story was going to be all about the athletic prowess of little boys, she wasn't interested. She stretched out her feet, picked up a shred of tinsel paper between the toes of her shoes, and tossed it up into the air. But the very next sentence caught and held her attention.

". . . And then, one day," her father was saying, "his parents took him to see some ballet dancers; and the way the men, particularly, moved to defy the laws of gravity filled him with envy and excitement. They seemed to him to be all elastic and steel springs, and bursting with the joy of living. And the music, too, was like fire in them. There was a flame-like quality in their response to its mesmerizing rhythms. It seemed they had no need of the solid earth to support them. And young Pat went back home to his bed that night to dream of himself as a dancer clad with wings, who could spend the stage at a single leap. And the next time he swung on the parallel bars and jumped the vaulting-horse in the school gym, he did it with a difference. He did it to music: imaginary music that beat inside his own head and imposed a sort of rough pattern on his movements."

He paused suddenly to look sideways at his audience on the seat, and saw that she was listening, rapt and still. Her legs no longer swung indifferently to and fro, but hung beneath her, limp with attention. She turned to look at him inquisitively. "Go on," she said. "Why've you stopped? Did he become a dancer?"

"No." He shook his head. "Not my property. Not in the stage-trained sense. He was just an ordinary little boy at school doing ordinary lessons, playing games, working for exams. He didn't even know how to begin to learn how to dance. And, anyway, his parents would never have heard of it. They had much more sensible plans for him. But it's funny, everybody's a dancer at some time in his life. Not consciously, of course. Very seldom consciously. That was a little dance you did just now—clipping the tinsel paper between your feet and tossing it up."

"Oh, Daddy—silly! That wasn't dancing. Of course it was. But young Pat saw everything he did as a dance. It was a dance to go swimming in the sea, to leap over hurdles, to field a cricket ball. He enjoyed everything that needed strength and balance. He was always 'tight-rope-walking' along the tops of gates, or crossing streams by slippery stepping-stones. He had been blessed with good limbs and fine muscles, and it seemed the most natural thing in the world to want to bring them into play to express his feelings. But he was bored by the ordinary dancing classes where they moved sedately about in fox-trots and two-steps. It was all too slow and mechanical except the odd-fashioned waltz. He liked that."

The speaker paused and shifted his position on the seat. He looked out through the window at the pear tree against the wall, where a wren, like a darting mouse, was hunting in the creepers.

"Well, Daddy?"

"Go on," said Barbara. "What happened next? Or is that the end?"

"No, it's not the end. I was just watching that wren. He's a great little runner."

"Oh, don't bother about wrens," cried Barbara impatiently. "What happened to Pat?"

"Well . . ." he sighed. "The years passed, you know. He grew up. He grew into a man. But we can skip all that. We'll come upon him suddenly and surprise him. He's standing on a pavement, looking up at a big bill posted on the blank wall of a building. He's in hospital blue, and he looks very well he shouldn't be there at all. He shouldn't be out, because he's been very ill, and there's snow on the ground. But it seems to him years since he saw any good dancing, and here at the theatre for a week is one of the finest ballet companies in the country. The films in the repertoire are pure magic! To him: Coppelia, Swan Lake, Aurora's Wedding, Carnaval . . . all the old favourites. Snatches of the music rum sparkling and lilting through his head like wine. His only fear is that all the seats will have been sold and he won't be able to get in. He lurches off to the theatre, slowly, and painfully, to find out.

"And his fears are only too well-founded. Not a seat is left in the house. There are soldiers and sailors everywhere and there's standing-room only for those who queue. Of course, they tell him there's a possibility of an odd ticket being returned, if he cares to call in again . . .

"Well, he's standing there irresolute and miserable, wondering whether to do next, when into the booking-hall they come, five of them, as gay and mischievous-looking as a bunch of children.

"'Locked out! Locked out!' they are wailing hilariously. 'Locked out! and nowhere to go!'

"One of the men goes up to the window of the box-office to explain. 'We can't get in at the stage door,' he says. 'It's locked or jammed. So you've come round here. D'you think we could go and sit in the auditorium?'

"'Like we did once before,' laughs a dark-haired girl very gaily. 'You remember! We sat in the stalls in the dark and ate fattening sweets!'

"'Who's got the sweets, by the way?' the young man demanded. 'I know I gave somebody the money to get them.' He sounds just like a big brother, lording it over a bevy of his sisters.

"Here they are!' cried the dark-haired girl, bringing out a white paper bag from under coat and holding it triumphantly aloft for everybody to see. 'Anybody like one now?'

"She stands on tip-toe, proving slowly round — and then away she darts from one to the other, just as she's doing a gay, impromptu little dance.

"In the middle of it she suddenly seems to freeze. There's a man standing just inside the glass doors, looking at her. He's looking at her as if hypnotized, as if he worships the very ground she treads on. She pelises with a sharp stab of tenderness and pity that he has only one leg, and that his shoulders are hunched with the upward thrust of his crutches. And it's as if a sudden blessed impulse comes hold of her, telling her what to do. She has only learned for the briefest of seconds. Just as if he's one of them—as if it's all part of the dance — she runs across to where he is standing and holds out her bag. Her smile has something in it that her audience have never seen something as gentle as a kiss. 'Do, please, have one,' she says shyly. 'Do you like them? They're peppermints'.

"There was a moment's silence on the seat in the window. A few flakes of snow had started floating down out of the grey sky.

"And then the little girl burst out: 'Oh, dear! Is that the end?'

"Yes."

"But it's a sad story! Daddy, it's sad! It's not romantic at all."

"Isn't it?" He looked away across the garden, his eyes creased and twinkling with happiness. "You ask your mother if it was her peppermints!"

FALSE TEETH
That Loosen
Need Not Embarrass
Many wearers of false teeth have suffered real embarrassment because their plates dropped, slipped or wobbled at just the wrong time. Don't live in fear of this happening to you. Just sprinkle a little FASTEETH on your plates. Holds plates more firmly, so they feel more comfortable. Does not sour. Checks plate "breath" (denture breath). Get FASTEETH at any drug store.

How Scott's Emulsion Helps
CHILDREN GROW
STRONG, HUSKY!
More than just a tonic
CHILDREN THRIVE on Scott's Emulsion. When they get run down, catch colds or get sick — we're sure they need vitamins when you give them Scott's Emulsion. It contains natural A & D Vitamins in natural oils—real "gold from the sea." Helps them maintain resistance. Helps them build strong bones, sound teeth, a husky body! Helps them grow into fine, sturdy, lively children you're proud of! Try Scott's and see!
SCOTT'S EMULSION IS RICH IN NATURAL VITAMINS
1. It contains natural A & D Vitamins in natural oil—plus added minerals. 2. Easy to take, economical. 3. Four times easier to digest than plain cod liver oil, because of exclusive process. 4. Helps children build strong bones, sound teeth, a sturdy frame.
Today—now—get Scott's at your favourite store.
SCOTT'S EMULSION

Mannville Local Items

(Held over from last week)

Mrs. Pilshin of Mannville had a family reunion at New Years with her son Nick and three daughters. This is the first time the family has been together since sometime before Nick left for Korea. Present were Mr. and Mrs. Leight (Ann) of Hoadcrest, Mr. and Mrs. McMillan (Olga) of Camsenald and Mr. and Mrs. Henderson (Elizabeth) of Vegreville.

A rink consisting of Jack Park, Ken Scanlan, Chas. Mercer and Don Allanach won the Grand Challenge trophy at the Fa.mers' spiel in Vermilion. They also won TV-level wrist watches. Harold Whitson, with Chas. Matters, Stuart Bothwell and Bob Matters won 4th in same event. These were the only Mannville rinks in the prizes.

Curling is now underway. The men started with a club competition. There are 19 rinks and four rovers. Officers are as follows: President—Russell Whitson; 1st Vice-Pres.—Chas. Parker; 2nd Vice-Pres. Jack Crawford, Secretary Raoul Bedard. The members of the executive are Chas. Parker, Dr. Hamnett Ken Scoggins and Lonnie Lawrence.

The ladies started their curling season with a President vs. Vice-President competition which was won by the Vice-President's side. They were treated to lunch at the Mannville hotel after the games by the losers.

Mr. and Mrs. W. Hamilton of Vermilion and Mr. and Mrs. C. Hamilton and son of Dewberry spent Xmas with the Harry Hamilton's at Mannville.

Jack Gamble, Shirley Gamble and Frankie Ewing spent Sunday in Mannville. They visited Mr. Chester Gamble who is still in the hospital but progressing favorably.

Among those home for New Years were Minnie Pulyk, Anne Bilsbury and Mary Mykovich.

Mr. and Mrs. Jim Allanach of Ft. Saskatchewan and family spent a few days with relatives here.

Mrs. A. M. Rutherford was an Edmonton visitor on Monday.

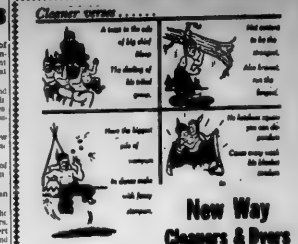
Visitors over Christmas at the home of their parents Mr. and Mrs. W. Osborn were Mr. and Mrs. Bert Osborn and daughter and Mr. and Mrs. Bill Osborn and family, all of Edmonton.

Miss Joan Fisher in training at th University hospital was in Mannville for a week at New Years with Miss Jean Allanach.

Mr. and Mrs. Walter Arnold of Edmonton spent New Years with the former's parents, Mr. and Mrs. E. Arnold.

Mr. and Mrs. W. Fisher spent the week end in Mannville, visiting on Sunday with their daughter Mrs. Robt. Allen.

Cleaner verse . . . . .



New Way Cleaners & Dyers

Mrs. Cain's daughters Mrs. Chiswell, Mrs. La Bourveau and Mrs. Lackey remained in Mannville with Mrs. Cain and Roberta after the funeral of Mr. Cain. Mr. Le Bourveau, Mr. Richel and Allan Chiswell were here for the funeral.

Mrs. Del McFadden has just returned from a three week's visit to her sister Mrs. Jim McTighe of Webster, South Dakota. She travelled by bus.

The skating rink is almost ready with Tommy Osborn as caretaker. The mild weather delayed the making of ice.

Mr. and Mrs. Bud Beatty and family spent New Years with relatives here.

News Notes From Your District Home Economist

New Bread and Flour

Have you heard about the new kind of bread and flour that will be appearing on the Canadian market early in the new year? The term used to describe it is "Enriched". Perhaps you are wondering just what that word means.

Enriched flour will be white flour to which specified amounts of the three B vitamins — Thiamin, Riboflavin and Niacin — and also iron and iron have been added. Enriched white bread will be white bread in the making of which enriched flour is the only flour used, and which also contains not less than 2% by weight of the flour used as skim milk solids.

Miss Joyce Lewis, the Nutrition Specialist, Alberta Dept. of Agriculture, advises that enriched flour and bread were introduced into Newfoundland in 1944 as part of a nutrition program to correct severe deficiencies found there. These deficiencies are not general in Canada, if a person eats a variety of foods as indicated in Canada's Food Rules there should be no need for added vitamins. However, the enrichment of flour and bread will provide insurance against a possible deficiency and it is hoped that Canadians will benefit from this program.

Sing 'n's Fashion Stitches

Early in December I went to Edmonton to take a free lesson on Singer's Fashion Stitches. The lesson is held the first Friday of every month at 3:30 p.m. to 5:00 p.m. We were shown several stitches (without use of attachments) and were able to practice them ourselves on other materials.

To prepare the machine for the stitches there are 3 simple operations:

1. Removal of Presser Foot.
2. Adjustment of Feed Dog or placement of Feed Cover Plate.
3. Adjustment of Upper and Lower Tension.

To be successful with the stitches, some practise is needed, after all the stitch guiding is done by you alone. I found at first, it was quite difficult to follow the pattern lines since the material must be kept moving all the time. To hold the material firm for a pattern an embroidery hoop is used — the tast side flat on the machine.

There are several stitches that you can do: Ornamental, Etching, Signature, Spark, Bosch, Cordonnet, Spiral, Cable and Metallic. In many cases there is a special size thread used. All this is explained in the booklet — "Smart Fashion Stitches" which I have with me and is 25c and can be obtained at the Edmonton store on 101st.

If you know of an interested group of ladies, why not get in touch with me? I'd be only too pleased to show them what I have learned.

Ethelwyn News

(Held over from last week)

On Dec. 21st Mrs. C. W. MacKay, assisted by a group of young people from Vermilion conducted Xmas service in the United church at Chauvinist. Each of the young people was dressed in a costume of other lands and each told how Christmas was celebrated in the land they represented. This was a truly beautiful service and the chance to attend was deeply appreciated. After the service the young people presented gifts to the children. Our sincere thanks, and everyone looks forward to having Mrs. MacKay and the young people here again in the near future.

Mrs. Kather and the pupils of Rye school were hosts at a very pleasant social evening Dec. 23. The first part was spent playing whist. During intermission the children accompanied by Mrs. Kather, sang several carols, and presented two short and very amusing plays. Santa arrived with gifts for all. The writer thinks that the wonders of vitamin pills must have reached the north pole as Santa was really full of pep this year. Following lunch a pleasant social hour was enjoyed by all before leaving for home. This party was a welcome change from the usual long program which means weeks of practise, hard work and frayed nerves for everyone concerned. The big Xmas concert and every-thing connected with it is just one of the many duties expected of long suffering teachers not called for in their contract. We have heard of several other schools who favor the party idea also.

Winners at whist at the above party were Evie Lawrence, Mrs. Lawrence, Billie Strange and John McGillivray.

Young people who spent Xmas at the family homes in the district were Mr. and Mrs. Robt Elliott, Mr. and Mrs. Phil Lipsko and son Joyce Cooper Don McGillivray all of Edmonton, Mr. and Mrs. John Mulgrew and family of Fabyan.

The outdoor Xmas trees in the McMillan and White yards are a pretty picture on the long drive home from Vermilion. Anna Albright enjoyed Xmas at the Albright home in Clandonald. They are a week-end at when the topic of the bill is reached.

In these modern times it was really heart-warming to read the greetings in the Standard from Clandonning's store. Out of all the season's greetings from the business firms it is the last that was the only one which expressed the real reason for Christmas. Let us all hope that next Christmas people all over the world will think more of the Christ child and less of Santa Claus.

It would be much appreciated if the party who took the wrong cap by mistake at the Rye Xmas party would exchange it with Dean Cooper and get his own cup.

Islay Municipal Hospital
District No. 4
Non-Ratepayers' Contracts

Under authority of the Municipal Hospital Districts Act, Non-ratepayers resident within a Municipal Hospital District may qualify for $1.00 per day hospitalization, by purchasing a non-ratepayers Contract.

Leen-Bradwell Nuptials

RECEPTION IS HELD AT FAIRVIEW VALLEY

A very pretty wedding was solemnized in the [illegible] Lloydminster on the 22nd of December when Edna Constance Mae, daughter of Mr. and Mrs. William Bradwell of Macklin, became the bride of Lorne Raymond, son of Mr. and Mrs. J. E. Lee of Lloydminster. Rev. E. N. Morrison officiated.

The bride entering the church on the arm of her father looked lovely in a white satin gown with net yoke. She wore a three-tiered net length veil and carried a bouquet of roses. Her only ornament was a set of rhinestone necklace and earrings, gift from the groom.

The bridesmaid was Miss Edna Churchill, a friend of the bride. She wore a mauve gown with net skirt and a shoulder-length veil. Edna carried a bouquet of yellow and white roses.

Dwaine Linquist was best man and the ushers were Bill Bradwell of Macklin and Morris Whitfield of Lloydminster.

The bride's mother was dressed in a navy blue nylon dress with wine accessories. She wore a corsage of red roses. The groom's mother wore a wine gabardine suit with black accessories. Her corsage was of yellow roses.

Pictures were taken throughout the ceremony by Lyle Linquist.

The reception was held at Mr. and Mrs. F. Sieret's at Paradise Valley where 36 guests sat down to a delicious supper. Hostesses were Rose Sieret, Grace Kine and Vivian Comerce.

After the dance which was held in the Paradise Valley hall, the young couple left for a short honeymoon at Edmonton. They will make their home in Lloydminster.

WOODVALE

(Held over from last week)

Ray Preston moved the Alex Barr house to his place and is fixing it up now and hopes to be able to move in soon with his wife and baby.

At the last F.U.A. meeting Otto Wolters gave his report on the convention and later it was decided to have a card party at Ganton school on Dec. 30 which took place with a good crowd attending. First prizes went to Clarence Crocker (lady) and Eldridge Webber and consolations to Frankie Wolters (lady) and Otto Wolters. The Martin brothers furnished music for the dance afterwards.

The Woodvale Glee club has held card parties in the old school the three Mondays before Xmas and will resume these weekly get-togethers that prove so popular. So folks remember every Monday and the prizes are really very nice!

Mrs. F. McQuid spent the last few weeks with her daughter in Edmonton and hopes to leave early in the new year for an extended visit to Eastern Canada and the U.S. Her brother, Fred Slocum is staying home this winter and is helping his nephew, now his parents are both away.

We were very sorry to hear that Mrs Andy Haines after being in the hospital with a serious earache, is now over again back in the hospital with rheumatic fever.

Mrs. and Robert Goutier, Roger Watt and Mrs. Ken Watt were all quite sick with the flu. We hope everyone will be well again very soon.

Drilling operations for gas and oil have come to an end for the winter and quiet has returned to the hills. But we were informed that drilling will be resumed in the spring.

George Steward caught three coyotes in our neighborhood recently but he did not get the one that loves lamb chops yet. Come again and he!

If you like to [illegible] does busy all day, hang some suet near the kitchen window and enjoy their antics, also the sad, puzzled face of your dog!

Dave Sweeney is a new telephone subscriber on line 24, his number is 2413 and here are the numbers of the new members on line 23 Kear Seitz 2312: Mrs. M. Watson 2304: Clifford Crocker 2306: Wes Lamport 2312: Clarence Crocker 2313: Duff McGrath 2314: W. Machell 2315: Doug Young 2317: T. Preston 2318: Charles Young 2320: W. Fortune 2321: W. Proctor 2322.

A foursome of curlers, Art Lyman, Bill McGrath, Kear Seitz and Clarence Lewis played in the Farmers' spiel but no luck! They are regular curlers at Bonnyrood.

Bernard Portsmith's furlough came to an end on Boxing day. He did not only relax and visit during his two months stay home but made his mother some wonderful kitchen cupboards and a bookcase.

The children will move this week to the new Woodvale school. It is hoped that painting and polishing will be finished by Wednesday.

Little Sandra Dixon came down with chicken pox just before Xmas.

A Fine Record

THERE IS PRIDE throughout Canada in the ability of Western farmers to win prizes for their grain and seed in national and international fairs. For many years prairie farmers have led those of other parts of the continent in growing wheat and other grain crops, and their most recent success was at the hay and grain show held in connection with Chicago's 53rd annual Livestock Exposition at the end of November. At that time, George S. Shaw of Milk River, Alberta, won the title of barley king of North America and George Guyatt, of Kelvington, Sask., was awarded the reserve champion for the barley division.

Top Award For Hard Red Wheat

In addition to these two awards, Canadians received many other honors at the show. The entry of R. P. Robbins of Shaunavon, Sask., won the top award for hard red spring wheat and he was also named reserve wheat champion. The wheat king is Spencer Dunham of Chin, Michigan, who is the only American to win the title since the hay and grain show was inaugurated in 1918. From 1929 - 1951 the title was taken by Canadians. Although it has been held on two years by Americans, Canadian farmers have carried off many of the top awards, and no doubt the time will come when the title of wheat king will again be brought back to Canada.

The Value Of Grain Fairs

The growing of wheat and other grains for exhibition purposes not only brings honors to the winner of the awards and to his country, but it stimulates interest among farmers in producing nearly perfect specimens of grain. The knowledge which is gained through the selection of seed, the care in cultivating it, the observation of weather conditions and many other considerations which go into the production of prize grain are of value in improving crops generally. There is stimulation and encouragement too, for the farmer and his associates when high awards are won. Western farmers have shown leadership in the production of prize grains and have brought much honor to themselves and to Canada.

Makes Record Catch Of Geese To Band

On November 22, Jasper Wilson Miner, who has charge of banding Ducks and Geese at the Jack Miner Sanctuary, Kingsville, Ontario, made a record catch of Canada Geese when he caught 844. 281 had been banded in other years. 199 had been banded previously in the fall of 1951 and 144 had never been banded previously, making a total of 844 in the catch. Each bird was banded with a Jack Miner band which contains Jack Miner's name and address date and serial number.

The first time an airplane was used to drop bombs was during the Italian campaign in Tripoli in 1911.

Campaign Against Rabies To Continue

EDMONTON — Dr. R. E. Ballingham, provincial director of veterinary services, said that the campaign against rabies in northern Alberta likely will continue until spring.

He said the campaign would not accomplish a great deal if it were discontinued after a week or month. Trappers distributing poison pellets have been hired until the end of March.

Investigations have confirmed rabies in rabbits, lynx, foxes, wolves, coyotes and dogs.

WORLD CHAMPION CHICKEN PLUCKER

SITTINGBOURNE, Eng. — Fred Jenner, 51, champion chicken plucker in the Kent district, retained his title by plucking and trussing a chicken in nine minutes.

GOOD CROP FOR BREAD

OLDCHICK, Alta.—Indians on the Blackfoot reservation here had a good grain harvest in 1952. From 2,951 cultivated acres they took in 120,258 bushels of wheat.

WATER IS IMPORTANT

The average dairy cow will consume from 100 to 130 pounds of water daily. If this water is not supplied, milk production drops off because milk is approximately 87 per cent water.

ALL IN FRENCH

WINNIPEG — Thieves who broke into the Elm Theatre here Christmas Eve had to work for their money. Police said $12 was stolen — all in pennies.

For Quick Cough Relief Mix This Syrup In Your Home

Thousands of Canadian housewives have turned to this well-known recipe for relieving coughs due to colds. It's easy to prepare, and gives you four times as much for your money.

Your usual drug counter can supply you with a 2½ ounce bottle of PINEX CONCENTRATE. Pour this into a 16 ounce bottle and fill up with granulated sugar syrup, or honey or maple syrup. To make like sugar syrup, simply mix 2 cups of sugar with one cup of water; . . . no cooking needed, and it takes but a minute. Now you'll have an ample supply of fast acting, effective cough syrup for the whole family, so pleasant tasting the children will like it.

PINEX — a concentrated blend of proven ingredients—must help or your money refunded. Get a bottle today!

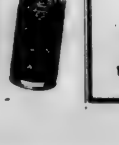
My best recipes taste better made with MAGIC!

CHEESE CORNMEAL FINGERS

Mix and sift into bowl, 1½ c. once-sifted pastry flour (or 1½ c. once-sifted bread wheat flour . . .



Magic Baking Powder, ½ tsp. salt. Cut in finely 3 tbs. chilled shortening and mix in 1 c. yellow cornmeal. ¼ c. shredded cheese and 2 tbs. chopped parsley. Make a well in centre, pour in ¾ c. milk and mix lightly with a fork. Round for 10 seconds on a lightly-floured board and roll out to ¼" thick rectangle, cut into 12 fingers and arrange, slightly apart, on greased baking sheet. Bake in hot oven, 450°, about 15 mins. Serve hot with butter or margarine. Yield 1 dozen fingers.

Biggest Migration Of Caribou In Years From Tundra

CHURCHILL, Man.—Caribou herds migrating south from the tundra of the Northwest Territories this year were the greatest in nearly 25 years, veteran trapper Ed Bronhand of Great Island, 90 miles northwest of Churchill, reported here.

More than 15 strings of animals, travelling a few hundred yards apart and altogether forming a steadily-moving stream 1½ miles wide, moved past his cabin on Great Island in the coast river. He said it took the animals 22 days of steady travelling to pass the point.

Mr. Bronhand said every one appeared to have a calf. He walked among the usually-shy creatures and they appeared unafraid. Packs of wolves, some so bold they came right up to his cabin door, trailed the herds taking a heavy toll.

Do You Know That . . .

Male and female pheasants do not associate except during the breeding season.

Mrs. Frank Schuster Puts on Blue Bonnet —Makes a Hit!

Everyone enjoys it when Mrs. Frank Schuster puts on Blue Bonnet Margarine! Like the wife of the famous Canadian comedian, you will love the delicious, nutty-sweet taste Blue Bonnet adds to any food! You'll appreciate its nourishment, too. No other spread is richer in year-around Vitamin A! And you'll welcome its wonderful economy. Use Blue Bonnet for all cooking and recipes as well as on bread and toast, and deliver from your food bill.

Blue Bonnet Margarine is sold in the regular economy package with color wafer. Also in the famous YELLOW Quick Dog for fast, easy color.

Funny and Otherwise

Work hard, save your money, and who knows some day you may be able to pay your taxes in one instalment.

"Your mother wouldn't like it if she saw you in that chimpy bathing suit."

"I'm afraid you're right. It's her suit."

* * * *

Cashdown: "I thought you said you would never marry."

Hardupp: "I did; but I spent so much on Mabel I had to marry her for my money."

* * * *

Customer: "Do you recommend this sleeping mixture?"

Chemist: "Yes, sir. We give an alarm clock with every bottle."

* * * *

In a town on the Pacific coast an earthquake shock was felt, and when the municipal building rocked, the City Fathers left without bothering about formalities. The clerk, a man of rules and regulations was hard put to it to give his minutes the proper official tone. Finally, he evolved the masterpiece:

"On the motion of the city hall, the council adjourned."

* * * *

Marie: "I must say I don't think much of your fiance."

Betty: "I don't want you to."

* * * *

"Grandmother," inquired the favorite daughter of the house, "I'm going with a young man who's—well—a bit on the parsimonious side. What shall I do, drop him?"

"By no means, child," replied the old lady. "Your grandfather proposed on a postcard."

* * * *

On her way to bed the maid looked into her employer's room. The master's barked up for the night, sun'am," she said.

Her employer looked puzzled. "Really, Jane?" she said. "I didn't even hear him come in."

"He hasn't, sun'am," explained Jane. "The police station have just phoned."

* * * *

"Sunday, remember you promised me five dollars if I passed?"

"Er—ah—to cure—did I?"

"Yes, and you'll be glad to know I saved you all that expense."

THRILLS of the ROARIN' GAME

The Ancient Roarin' Game Has Its 10 Commandments

1. Thou shalt have no other game before me, for I am the roaring game which was in the beginning (even in the stone age) is now and ever shall be

2. Come not upon the ice with the old bone broom. Thou canst not quicken the pace of a dying rock with last year's broom

3. Thou shalt learn thy turns, both the out and the in, for the ship will not hold him guiltless that throweth the wrong turn.

4. Play not a running shot when thou art asked for a guard, lest thou raise thine own shot, so sending thy sliding in the air; such play getteth his goat, quieteth his game, causeth him to swallow his cud, and to revile thee openly.

5. Thou shalt hearken diligently to the defeated skip when his voice is lifted up in lamentation against the stink ice, and thou shalt not turn thy face from him when the blanket his third man. Even so shalt thou secure a listener against the day of thine own defeat.

6. Thou shalt not strew straws from thy broom in the path of thine own or thine adversary's rock.

7. Thou shalt have no discourse with thine adversary while his foot is in the hack and his hand is on the rock, but if he speaketh thou canst pray for him.

8. Thou shalt not push or kick a rock into the house from behind stealthily, for the eye of the opposite skip will be upon thee against thee. He will rise up in righteous indignation and thrust thee from the sight of curlers, and the days of thy curling will be ended, for this is an unfashionable sin.

9. Thou shalt not covet thy opposition's rock nor his head player; neither shalt thou flick from him his third man who is his mainstay and staff of defence in the day of battle.

10. Thou shalt honor thy opposing skip by substituting only players of the same ability as those absent, causing him to praise thy name for thy fairness and sportsmanship, for many there are who destroy their good names by such conduct, causing their opposing team much bitterness of spirit. — From The International Curling Magazine.

Kitscoty High School

The students are back to their books after the holidays for the final stretch ahead. Everyone seems to have had a lot of fun and plenty of Xmas turkey.

Tom Skoryko left our school at the holidays. We're going to miss Tommy and wish him all the best at his new job.

A new arrival in Tom's place is Wesley Boyce. Welcome Wes, we hope you like our 'gang'

One of our students who took to the air during the festive season was Don Hanna who flew out to visit his folks in BC. How does the world look from up there, Don?

Method: Gr. XII's going into the principal's office for individual interviews. Could it possibly be the results of those Christmas exams?

Mr. Unlat has put his order in to Santa Claus early this year. He wants a body guard. Our halls are dangerous territories.

The boys' hockey team has now started practices. From all reports the team should do all right under his new coach Mr. Venance.

Elk Point Pioneer Passes On

Peter J. Keitges, well known pioneer of the Elk Point district passed away on January 4th at the age of 82 years. He leaves to mourn his loss his wife Cora L. Keitges, his daughter Mrs. Evan Jones of Elk Point, his two sons, Raymond of Stony Plain and Frank of Elk Point as well as six grandchildren and four great grandchildren. The funeral was held at Elk Point on Thursday, Jan. 8th at 2 p.m. Interment in West Cemetery.

Islay District Locals

A Happy and Prosperous New Year to one and all. What wonderful weather we enjoyed during the closing of the old year. There were two other such balmy Xmas seasons as the one just past, in the writer's experience since coming to Alberta in 1905.

The writer spent Christmas with son Raymond and family in Edmonton. Then on to Red Deer to spend a few days with friends, daughter Helen (Mrs. E. Fletcher, 4652 52nd St.). On the return trip a call was made to see her sister Mrs. A. Clare. A very happy time was enjoyed with perfect roads to travel on.

As we launch forth on the New Year with new hope and fresh aspirations we must remember not to go it alone but travel in the strength of the Lord God. This alone will satisfy and comfort. Every need will be met in God's own time. The new year can be a victorious one for you and for me.

Canadians smoked less than 1100 cigarettes per capita last year; in the same year Americans smoked more than 2500 cigarettes.

—Quick Canadian Facts

The first all-Canadian radio broadcast was made in 1926 and the first Canadian broadcasting station, it is now station CFCF, Montreal, was opened in 1919.

Edm sation before journeying on. We all hope Lloyd returns feelin; his own self again.

WILDMERE WINKS

Wildmere curlers were not successful in bringing any prizes home from the Farmers' bonspiel in Vermilion this year. But we give them credit as they were in there trying and enjoyed some good games. The Buffalo Coulee boys won the Chisholm's rink winning 2nd in Grand Challenge and Sherrit's rink 2nd in the Merchants. Johnny and Keith King were on the Strome rink which took first in the Merchants Curling has surely swept the country in the last couple of year when 28 new all those farmers' rinks entered.

Mr. and Mrs. Lloyd Howard and Lawton motored to Vernon for a holiday to Vancouver Island to visit Mrs. Howard's parents Mr. and Mrs. Chalmers and brothers Bill and Allan as well as Lloyd's brother Albert and family. We understand they will be Christmas with Lloyd's parents Mr. and Mrs. H. Howard in

1953 Car Insurance At 1952 Rates

Premium for Safe Driving

INSURANCE COMPANIES LOSE $ MILLIONS IN CLAIM

TORONTO—More than 1 million Canadian motorists whose automobile insurance normally is renewed early in the year will receive their 1953 insurance at 1952 rates, the All Canada Insurance Federation announced recently.

Officials of the Federation, which represents more than 200 fire and casualty companies, said that new rates would not become effective until sometime in April. Normally, new rates which are based on the number and cost of automobile insurance claims for the previous year become effective in January.

Reason for the extension of the 1952 rate period, said Insurance spokesmen, is the fact that several additional months are required in order to finalize details of the no-accident discount plan.

The plan, recently adopted by more than 100 companies of the Dominion Board of Insurance Underwriters, offers a 20% reduction on 1953 rates for Public Liability and Property Damage insurance to drivers in the "A-1" insurance classification. The A-1" group covers drivers of pleasure cars which are not operated by under 25 motorists, a group noted for its high accident record.

Meanwhile, another segment of the insurance business, the independent companies, are considering the plan. The automobile insurance business in Canada is divided among members of the Board and independent companies. The independents presently are studying the possibility of adopting a somewhat similar plan

Reason for the no-accident discount plan is two-fold. Companies are trying to it hope that it will encourage safer driving, it further is hoped that the discounts to careful drivers will help offset the inflationary spiral of automobile insurance rates which has been brought about by increases in the cost of medical care and automobile repairs. Cost of repairs and medical care has increased upwards of 150 per cent since before the war, while the cost of full insurance coverage for the average driver only has increased 60%.

Officials of All Canada said that the 20% no-accident discount plan will become effective when 1953 automobile rates are announced in the spring and will be based on those rates.

Last year automobile insurance companies lost more than $8,000,000, an indication that the present rate schedule is inadequate to meet sharp increases in claims costs now facing the business, the insurance officials said.

Paradise Valley

We regret to hear that Lee Hogate of a patient in the Lloydminster hospital. His many friends hope his stay will not be long.

Quite a change in weather during the past week. We do not know if our thermometer is out or not but we did not have it as cold a predicted, however it was cold enough to suit us. We did not get very much snow but the side roads are getting quite heavy as we have had a lot of wind. Snowdrifts in the 10th of January so we cannot have many months of fun yet.

Curling is underway with a mixed bonspiel on the go 16 rinks are taking part and we do not curl so we cannot say who is leading at time of writing but we understand that a lot of good games have been played. Next week the regular rinks will swing into action. The new waiting room is a great improvement and with Mr and Mrs Clarence Comeau running the booth you can enjoy a cup of coffee in comfort

Mr and Mrs E. L. Kragness and Miss Beatrice Kragness were Edmonton visitors over the week end.

Mr. and Mrs. Jim Gordon returned home on Wednesday after spending a holiday at the West coast. This time they travelled by air

Visitors at the Matheson home over the holidays included Mr and Mrs. John Matheson, Mr. Earl Christian and Miss Muriel Matheson

Mr. John McAmmond celebrates his 91st birthday on Sunday January 11th by having a family reunion at his home here in town. Mr. McAmmond has not be in the best of health, but we are glad to report that he is now much improved

The Valley Maids C.G.I.T. met on the evening of Wednesday Jan. 7th for their first meeting after the holiday. The night was cold but quite a few attended. Marlene was in the chair and opened the meeting with a sing-song. Devotional was led by Mrs Gunn, each girl taking part. General business was transacted. Demonstrations of the 1st and 2nd method of applying bandage were given by Barbara and Grace. Leaflets supplied by Miss Holms were given out and discussed. After Thank You Comrades and Taps a delicious lunch was served by the hostesses Gloria Baxter and Maryvelle Trendale.

REPORT to the PEOPLE

by A. G. AALBORG
M. L. A. Alexandra Constituency.
Minister of Education.

At this time I extend to you, Mr. Editor, to all members of your staff and to all your readers my best wishes for a Happy and Prosperous 1953.

Some time has now elapsed since I made my last contribution to these columns and I should, therefore, review and report here certain activities and events which have taken place since October.

On Nov. 1st a nominating convention for the new Federal constituency of Battle River-Camrose was held at Viking. 228 voting delegates from all parts of the area chose Mr. R. Fair, M.P., as their Social Credit candidate. The only other contender for the nomination was Dr. H. H. W. Beyerstein M.P. who following the decision of the convention pledged his continued support of the Social Credit movement and Mr. Fair as the official candidate. Delegates regretted the redistribution of federal constituencies in Alberta which necessitated making a choice between two Social Credit members of the House of Commons. Mr. Fair's record of public service is well and widely known. A hearty general election this year appears almost certain. But wherever it is held there is no doubt in my mind that Mr. Fair will be re-elected by an overwhelming majority as he so well deserves.

Annual Convention at Ribocety

The Alexandra Constituency Social Credit Association held its annual convention at Ribocety on Nov. 19th and was well attended by members from all parts of the riding. The meeting discussed various aspects of provincial affairs and passed a resolution advocating that the Alberta Social Credit League select a committee to study revision of its Constitution particularly those sections which pertain to qualification and registration of members and groups to participate in nominating conventions. The meeting also elected 3 delegates to attend the Provincial Social Credit convention held in Edmonton on Nov. 26 and 26. These delegates all attended the Edmonton convention thus giving Alexandra the best representation it has ever had at these provincial gatherings.

New Cabinet Minister

As you have already learned from news reports, Premier E. C. Manning recently appointed a new Minister. He is Hon. Leonard C. Halmrast, member for the constituency of Warner since 1944. Mr. Halmrast is a farmer and rancher by occupation. He served for many years as a trustee in the Foremost S.D. and on the executive of the Alberta School Trustees Assoc. Following his election to the Legislature he acted as Secretary of the Social Credit caucus and Chairman of a number of legislative committees. Mr. Halmrast takes over the portfolio of Public Welfare from Hon. Dr. W. W. Cross who will continue as Minister of Health.

Mr. Halmrast's appointment is a wise choice. He is eminently well qualified to render outstanding service to the people of Alberta. The duties of the Welfare Dept. are now located in the newly completed Administration Building No. 2 which also houses the Departments of Industries and Labour, and Education, and will shortly contain the Department of Health.

Committees

At the beginning of this year a fourth County was established in Alberta. It is known as the County of Newell and consists of the former M.D. of Newell and the Bassano Irrigation District School Division. Offices are located at Brooks. The counties previously established are Grande Prairie No. 1, Vulcan No. 2 and Provost No. 3. The County System combines the school board and municipal council into one local governing body. At the end of four years ratepayers of a County area vote to determine whether or not they wish to continue the combined administration or revert to the former arrangement. To date the new set up has proven generally popular in the areas which decided to give it a trial, and it now appears likely that ratepayers will continue to operate as before, a vote is taken. In this connection I should report that several areas in the province have indicated a desire to form a County. But in each case conflict over boundaries have prevented establishment. In order to eliminate unnecessary complication in the work of local governments because of the great overlapping of school and municipal boundaries, but also to avoid similar conflicts in future, the Provincial Government is now considering the appointment of a Commission with power to formulate a province-wide plan for co-terminus boundaries. Such action has been endorsed in principle by both the School Trustees Assoc. and the Municipal Districts Assoc. In all probability such Commission will consist of a representative from each of the Alberta School Trustees Assoc., the M.D. Assoc., the Department of Education, the Department of Municipal Affairs and a fifth member to act as chairman. The work of such a Commission would require at least one year.

Marwayne Now a Village

A few days ago I read an order signed by the Minister of Municipal Affairs erecting the Village of Marwayne. I am sure everyone in Alexandra will join with me in congratulating the citizens of Marwayne in deciding to become incorporated as a village, and in wishing them and their first council every success in their endeavours.

S.C. Alienating Attention

This report should not be concluded without some reference to the increasing attention which Social Credit is attracting in all parts of Canada. Enquiries and requests for information are received daily by your Government in an ever-growing volume from all provinces. The victory for Social Credit forces in the general election in B.C last summer, and the election candidates given Social Credit candidates in the two recent by-elections in that province have stimulated tremendous interest right across the country. No wonder old line party politicians and power-hungry socialists are screaming in protest over this turn of events. Witness for example the silly tirade against well known Social Credit leaders by the columnist Elmore Philpott in a recent issue of the 'Lloydminster Times'. The people of Canada are rapidly nearing the end of their tolerance for wasteful and extravagant Governments and mediocre administration of their public affairs. Soaring taxation, growing debt, inflation and graft all in the face of vital issues will not be condoned much longer. The time is rapidly approaching when the citizens of this country will demand something better. When that time comes I am confident that their choice will be Social Credit with its long and outstanding record . . . and forelighted programme here in the Province of Alberta.

For Expert Hair Dressing, Permanents, waving . . . See Miss A. Hellmuer at her Beauty Parlor, one door north of the Franco Publi-Service office. Jan29pd.

Canadian Club Dinner Jan. 22

A dinner meeting of the Canadian Club will be held at the Legion hall on Thursday, Jan. 22nd at 6:30 p.m. The speaker for the occasion is Prof. Lieut of the University of Alberta.

Joe Jacobson, former assistant school superintendent here who has spent the past year and a half at Fort Smith where he was chief superintendent of schools for the N.W.T. has recently been appointed Director of Education for that territory with headquarters at Ottawa. Shortly after his visit here Mr. Jacobson along with Mrs. Jacobson and the family left for Ottawa and their new home.

Mrs. A. Cameron returned home Saturday evening from Edmonton where she had spent the Xmas and New Year season with her son Roy and family and daughter Mrs. John King and family.

Mr. and Mrs. Ken Urquhart, accompanied by Mrs. W. G. Urquhart and Mrs. H. Elliott motored to Edmonton Tuesday returning Wednesday evening.

Mr. and Mrs. R. H. Norton spent New Years visiting Mr. and Mrs. M. M. Lehoday at Lethbridge.

Clark Wilson returned last week end from spending Christmas and New Year's visiting his son Gordon and Mrs. Wilson in Vancouver. The weather was very nice while he was there with some rain and a little snowfall which quickly disappeared. While there he saw Tony Kehoe and Bill Swanson, former Vermilion men.

Miss Elizabeth Soldan of Elk Point is a guest at the home of Mr. and Mrs. San Soldan for two weeks.

Mrs. L. M. Winters of Victoria sends sevaral greetings to her many friends in and around Vermilion. While Mrs. Winters didn't tell us the Standard is informed that she celebrated her 87th birthday on Sept. 22nd. On that particular day she attended a Hostetter radio program with her daughter Vera and Mrs. Hubert Winters. It so happened that as the oldest person present whose birthday was on that day she was the recipient of several prizes and also spoke over the radio, telling where she lived and where she came from. Incidentally the announcer asked Vera to sing 'Happy Birthday' to her mother also for broadcasting, and this Vera did.

THE W. M. S.

The W.M.S. of United church held the last meeting of the new year in the church hall on Thursday, Jan. 8th. Mrs. Robinson was in the chair and the devotional was conducted by Mrs. Robinson, Mrs. West and Mrs. Stephens. The roll call was made and collection taken. There were 20 members and 3 visitors in attendance.

The yearly reports showed that a very good year had been experienced. Mrs. Hill gave an interesting synopsis of a chapter of study book on Africa. She told how the names and missionaries help so many African men, women and children, and made their life more worth living by bringing the Gospel of Jesus Christ to them. Many more missionaries are needed in Africa.

The Rev. C. W. MacKay became in and conducted the Service of Installation for the new officers of the W.M.S for 1953. It was an impressive service.

The meeting was closed with lunch and a social half hour.

For Expert Hair Dressing, Permanents, waving . . . See Miss A. Hellmuer at her Beauty Parlor, one door north of the Franco Publi-Service office. Jan29pd.

QUESTIONS and ANSWERS about Cancer

Question: Is cancer a disease of old people?

ANSWER:
While cancer occurs most frequently in the older age group, no age is free from it. It may occasionally occur in very small children.

WILDMERE WINKS

Wildmere-Tolland Mutual Telephone Co. will hold the annual meeting on Wednesday Jan. 21st at 2 p.m. at the Wildmere Curling rink. All ratepayers plan to attend and support your telephone company and those who take the time and trouble to manage it.

The community was deeply grieved when word came that a fire early October, Tom Doyle had passed away at Ponoka. Tom has been ill the past year with cancer and while everyone knew he could not recover, his death nevertheless came as a shock. Tom was always such a happy cheerful chap. He spent part of his childhood in the Wolverine district, south and west of Vermilion. Then the family moved to the Woodvale district and later when Tom married Nita Gan tou they made their home in the Wildmere district. They moved to Camrose and later to Ponoka where Mrs. Doyle passed away several years ago leaving two small children for Tom to raise. He later married again and leaves his wife, Bobby, Judy and a small son Dale to mourn his loss. His parents, 1 sisters and 2 brothers also survive him. Our deepest sympathy goes out to his surrowing family in the loss of a loving husband, father and brother. Mr. and Mrs. Duff Mc Grath of Tolland and Mr. and Mrs. Martin Seiler of Vermeil attended his funeral, held last Thursday at Ponoka.

Here is an item we should have included in our last week's news Tuesday Dec. 30th Mrs. Ole Wahlberg was hostess to the Wildmere school children also Alice Swiffert, Peggy Graham and George Crothers. A bountiful supper was enjoyed and lots of games followed by a lunch made a fine and well spent evening.

Mrs. Roy Overbury was rushed to the hospital on Thursday suffering from a severe attack of gall stones. She underwent an operation on Friday and is doing very well. May you soon be home again, Betty

Mrs. Fadden came home on Friday and Allan Brooks on Saturday, while George Harrison was home Tuesday.

WEDDING BELLS

THURSTON—NELSON

A quiet wedding was solemnized at the home of Mr. and Mrs. John Hilton of Vermilion on Friday, December 26th when their third daughter Grace Lillian exchanged vows with Mr. John Thompson, eldest son of Mr. and Mrs. John Thompson of Mannville. The Rev. Glacier at Wainwright officiated.

The bride was lovely in an afternoon dress of silver-grey taffeta. She carried a bouquet of roses. Her only jewelry was a locket, gift of the groom.

She was attended by her sister Laura who wore an afternoon frock of aqua blue taffeta and carried a bouquet of white tapers.

The groom's brother Duncan was the best man.

The bride's mother wore a grey crepe dress and her corsage was red roses. The groom's mother was dressed in red crepe while her corsage was of yellow roses.

Wildmere Beavers Girls' Club Report

The meeting of the Beavers was held at Smith's on Dec. 12th with twelve members present and one visitor joining later.

The meeting was opened in the usual manner. Minutes were read and approved. Roll call was then answered by some members showing their New Year's program cards. There was no correspondence. Each member is to make an article for Achievement day. We had a lesson in sewing.

Supervisor asked questions on Project.

Mystery box was won by Margaret Siezle. The social was in charge of Mrs. Hilton. Meeting was then adjourned and lunch served by the hostesses.

Next meeting will be held at Mary Gibson's on Jan. 31st. Roll call is to make a birthday card. Social to be by Maureen Cruthers.

Union-Koknee Home-Makers Annual Meeting

The annual meeting of the Union-Koknee Homemakers club was held at the home of Mrs. Markland on Jan. 7th. The past year's work was reviewed and plans made for next year. The retirement of our activities was the very successful Bingo and bazaar held at the Union school.

During the past year fruit and cards were sent to several friends while three in the club had babies. Mrs. Markland was donated to the following: Red Cross, Unity Service Committee, Woodvale, Union and Pahson. Xmas tree funds, Salvation Army, Junior Red Cross, hospital.

Following officers were elected for 1953:

President Mrs. T. Nelson
Vice-Pres.—Mrs. F. Markland
Sec.-Treas.—Mrs. G. Graham
Auditor—Mrs. M. Roberts

The members of the club wish to take this opportunity of thanking all who helped their club in any way during the past year.

Death of Mrs. Ernest Everitt

Mrs. Gertie Everitt, wife of ill. Ernest Everitt, passed away at the Oliver Institute on January 2nd. Funeral services were conducted by Major Kaye Young of the Salvation Army Home League at the Salvation Army Hall House, Edmonton, at 3:30 p.m. on Wednesday, Jan. 7th.

Mr. and Mrs. Everitt formerly lived in Vermilion.

Mannville Boys Have Narrow Escape

CAR SKIDS IN 60 BELOW ZERO WEATHER

MANNVILLE — Three Mannville boys suffered frozen feet when their car stalled late at night with the temperature around 60 below one night last week. The boys were travelling home and were on the Vermilion-Kitscoty road when their car stalled.

The boys, Freddie Sebeck, Rodney Swain and Eddie Mikolajczak were returning home after driving Johnny Kinash to Kitscoty to range. They were dressed only in light clothing and had reached a spot 11 miles south of Kitscoty when their car stalled. They tried to keep warm in the car with blanket. Failing this they gathered straw and built a fire to keep from freezing. When daylight came Johnny Kinash saw their car and went to Mr. Revill's farm. Mr. and Mrs. Revill were away but luckily two men were there looking after the farm. They thawed the travellers out and gave them breakfast and phoned for a mechanic to tow their car in. The boys were found to be suffering from frozen feet on arriving home about 3 p.m. It took them a long time to get warm at through not enough again.

There were 422,315 more unmarried men than women in Canada at the time of the 1951 census.

Vol. XLIV. No. 28. Vermilion, Alberta, Thursday, January 22nd, 1953. $2.00 per Year

Agricultural Service Board Holds Important Meeting

POLICY IN TOAD FLAX AREA CONTINUED — REGIONAL CONFERENCES PLANNED

The Agricultural Service Board of the Municipal District of Vermilion River No. 71 was held in the Municipal office Kitscoty, on Friday Jan. 9th. In attendance were the chairman D. G. Lawrence and H. Haar, J. C. Wallington, E. H. Buckingham and Supervisor A. Hosack.

Moved by J. Wallington and H. Haan that minutes of meetings held on July 17, 1952 and in the District Agricultural Office on Aug. 19, 1952, be adopted. Cd.

Toad Flax Area

Moved by H. Haan and J. C. Wallington that this Board recommend to Council that policy in Special Area 4 remain similar to that of the same basis as 1952. That sodium chlorate be available at one-half cost for patches, and summer-fallow payments up to $150 per quarter section be claimed.

That the Provincial government be asked to contribute one-third of cost of sodium chlorate, and one-half cost of summerfallow. That a survey be made of farms in the Toad Area who wish to have assistance in summerfallowing, and a report made for the Council. Cd.

Moved by D. G. Lawrence and J. C. Wallington that this Board recommend to Council that the policy of advertising for an Assistant Supervisor. Cd.

Moved by J. C. Wallington and D. G. Lawrence that the following farmers be given a week each, and recommended for payment of summerfallow grant at the rate of $3 per acre on maximum payment of $150 per quarter section, and that application be made to the Provincial government for their share. Cd.

J.J. Anderson 70 acres, $150; F. Amesch 45 acres $90; H. Boomhower 6 acres $30; E. W. Callin 80 acres $150; J. W. Gordon 100 acres $150; Lee Hamel 20 acres $150; F. Howe 15 acres $75; J. Jesberger 50 acres $150; R. Leitzen 15 acres $75; E. Mazur 27 acres $135; M. H. Mendelson 60 acres $150; W. W. Parsons 60 acres $150, 120 acres $150; W. P. Parsons 160 acres $150; H. Plumb 35 acres $150; J. R. Reid 40 acres $150; S. Shostak 45 acres $150; J.J. Anderson 50 acres $150; F. Amesch 25 acres $150; R. W. Barrows 12 acres $60; G. Graham 40 acres $150; J. W. Gordon 100 acres $150; W. Holmes 25 acres $125; J. Jesberger 30 acres $150; Jos. Kos 45 acres $150; M. Mokka 80 acres $150; M. H. McKinnon 80 acres $150; W. W. Parsons 120 acres $150, 145 acres $150; R. G. Parsons 5 acres $150; W. F. Parsons 120 acres $150; H. Plumb 38 acres $150; J. R. Reid 45 acres $150; G. Graham 50 acres $150.

Moved by D. G. Lawrence and E. H. Buckingham that Supervisor's reports for Nov. and Dec. be accepted. Cd.

Moved by J. C. Wallington and H. Haan that Seed Drill survey be continued in 1953. Cd.

Agreed that an exhibit of Seed Drill survey be shown at the Vermilion Seed fair to be held in early 1953.

Moved by D. G. Lawrence and J. C. Wallington that veterinarians be instructed to ask farmers who did not have calves ready for vaccination, to remind them once more.

Moved by E. H. Buckingham and H. Haan that the secretary be instructed to write, by registered mail, to Gordon Mulonek, requesting immediate payment for vaccination fee. Cd.

Moved by J. C. Wallington and D. G. Lawrence that this Board approve the Government for early action with regard to testing for T.B. The M.D. having been established in T.B.-Free Area two years ago. Cd.

Moved by E. H. Buckingham and D. G. Lawrence that the Supervisor make a survey of tartary buckwheat in the M.D. Cd.

Agreed that the D.A. contact the neighboring M.Ds with the object of holding a Regional conference to discuss local problems.

Moved by E. H. Buckingham and H. Haan that this Board recommend to ratepayers the planting of trees along roadsides as a measure of checkiex snow drifting. Cd.

Moved by J. C. Wallington and H. Haan that the D.A. and Supervisor organize an educational campaign for control of prairie flies. Cd.

Agreed that three forage seed agencies be set up in the M.D.

Meeting adjourned.

RABIES QUARANTINE AREA EXTENDED

INCLUDES ALL LAND IN ALBERTA NORTH OF TOWNSHIP 48

All Dogs Must Be Tied Up or Confined

According to a notice signed by T. Childs, Veterinary Director-General, Ottawa, the area under quarantine for rabies has been extended to include all land in Alberta north of township 48. As the town of Vermilion is in township 50 it and the district is now in the quarantined area.

The part of the order pertaining reads: "In pursuance of Section 97 of the Animal Contagious Diseases regulations, I hereby order all dogs in that portion of Alberta South of township 48, shall until further notice be securely tied up or effectively confined by the owner or the person in custody of the dog.

As the rabies outbreak presents a very serious menace to the welfare of man and beast alike, no doubt strict measures will be taken to see that the above regulations are enforced.

Canadian Utilities Issue Statement re: Explosion at Plant

The natural gas explosion in the central generating station of Canadian Utilities Ltd., at Vermilion that occurred at 7:30 a.m. last Tuesday demonstrates once more how flexible our service is where every precaution has been taken against even the most remote contingency.

It also demonstrates the value of the complete provisions that have been made over the past years for the interconnection of practically all the power lines of the province. By reason of this, failure of supply at any point can be overcome in emergency cases from any of a number of generating stations, either of Canadian Utilities Ltd., or of other interconnected power companies in this particular emergency, Calgary Power was able to meet the needs of the situation, and in a matter of a necessity arise, practically the whole generating capacity of the province could be made available.

As nearly as can be determined the natural gas explosion was confined to the switchboard structure in which gas had seeped in from outside the building. While the explosion was definitely localized, some appreciation of its severity can be gauged by the fact that over forty windows were shattered by the blast.

As could be expected, considerable damage resulted, but not nearly as much as might have been anticipated. Fortunately none of the staff were injured in any way.

COMMANDOS HERE SATURDAY NIGHT

The hockey attraction this Saturday night sees the fast travelling Wainwright Commandos playing our Tigers at the local arena. The these teams have played three times with Wainwright taking two wins on their home ice and Tigers winning one, also at home. The game Wednesday night at the army town was a highly exciting affair with Wainwright winning 5-3

Canadian Legion Elects Officers

GEORGE MARTIN PRESIDENT

The Canadian Legion, Post No. 14 has elected the following officers for 1953:

Hon. Presidents—Robt. Fair, M.P., Mayor W. Hamilton, D.C.M., Morrison Q.C.

Hon.-Pres. Bro. D. A. Ford

President—George Martin

1st Vice-Pres.—Vic Tillett

2nd Vice-Pres. — Tommy Thompson

Executive — C. T. Heckbert, R. Mills, Geo. Stephens, L. R. Wood, G. Scarboro, J. H. Ferguson, N. McLean, A. Callan.

Secretary- E. H. Buckingham

Treasurer—Thos Wilson

Sgt.-At-Arms—R. Allen.

At the January meeting it was decided to advertise for a tenant for the space vacated by the mural signal office. If suitable arrangements cannot be made for renting the space will be converted for use as a lounge room.

The regular meeting in future will be on the 2nd Monday of the month instead of Friday as for the while.

The poppy committee reported on the largest sale of poppies ever of in Legion in Vermilion. The thanks of the branch is due to the committee, Chas. Heckbert and Lawrence Wood, for the people of the district, and who bought wreaths and poppies. The next people know the funds from the sale of poppies are used for helping needy veterans and their families.

Another former member of the women's auxiliary forces has joined the ranks of the Vermilion Legion ladies as members of Pre-No. 14. There are several more ladies in town who are eligible to join and the Legion will welcome them.

Fees are now due for 1953. They can be paid to the secretary or the Treasurer or any of the executive.

WHEAT POOL RESERVE PAYMENT

MAIL OUT $1,161,000.00

Last week end the Alberta Wheat Pool mailed 13,000 cheques to if final value of $1,161,000 to complete payments to producers who joined the Pool members in the 1923-25 pri. d.

In that period the original Pool members contributed $6,000,000 through deductions on wheat delivered to the Pool to provide money to build elevators and to provide working capital for their organization. The original plan was to use to take such deductions so that the Pool contributions would be repaid by later contributions. Financial difficulties over 20 years, however, have made it impossible to do this completely. The original members will be repaid 100 cents on the dollar.

The reserves redeemed by the Wheat Pool are redistributed to members in the form of patronage dividends. These are paid partly in cash and partly in reserves. At the present time these patronage dividend reserves are not being redeemed except in cases of estates and financial necessity. No money has been allocated to redeem patronage dividend reserves in 1953, and this money will be distributed during month of March.

The Pool has announced that which time an outstanding religious film will be shown. This will be an open meeting to which the general public is invited

Anglican W. A. At Kitscoty Elect Officers

KITSCOTY—The annual meeting of Saint John's W.A. was held at the home of Mrs. F. Seabrook on Thursday, Jan. 15th.

The slate of officers for 1953 are as follows:

President—Mrs. J. R. Fox
Vice-President—Mrs. F. Seabrook
Sec.-Treas. - Mrs. W. L. Apperson
Little Helper's Sec.—Mrs. T. F. Mason.

The meeting was especially favored in that Rev. C. F. Tomkinson, Diocesan President, to conduct the installation service.

Mrs. Tacksberry met the newly formed evening branch of the W.A at the home of Mrs. Hosack where she in her address to the group, stressed the aims and importance of the W.A.

High School Rinks Play Off At Mannville

MANNVILLE .The play-offs for the Vegreville School Division in the Taylor and Pearson competition will be held in Manville on Saturday 24th. There will probably be five rinks taking part. A girls' rink from each town is also expected but these will not be play-off games.

SPECIAL PRIZE OMITTED

District Agriculturist E. H. Buckingham wishes to announce that he inadvertently omitted reporting in the Vermilion Turkey Club prize list that Craig Bros. Ltd. had offered a special prize of a ton of the best dressed turkey in the Tom class. This award was made to Christie-Morrison.

Dewberry Spiel in Full Swing

20 RINKS COMPETING

DEWBERRY.—The annual Dewberry open bonspiel is now in full swing, started on Monday this week, and should be completed by the time this appears in print. There are 20 rinks competing in the four curling clubs far and near represented by the town of Dewberry, however, strange as it may seem, there isn't a Vermilion entry this year.

Case of the Missing Cow

The case of the missing cow and not by Erie Stanley Gardner.

It appears that while the fire inspector was inspecting the elevators for fire hazards what should he find but a cow tied tightly between the elevator and the annex. It had been there nearly two days apparently but someone still is very good health and none the worse for it's experience.

Local Livestock

Frank Bowman lost three head of cattle in a fire which destroyed the barn, the large top of an old straw stack and down on them. One of the animals was a really purebred steer from the Jacel-Hi herd at Lloydminster.

Still on the subject of cattle Bill Axley lost a cow in a feed corral and the blame is put on a wolf reportedly seen around the district. Cyril Grant lost two head of cattle from shipping fever while Bill McMullen has four head sick from the same malady.

Pre-Wees Win

Dewberry Pee-Wee hockey team have scored wins over Marwayne twice and Cheltenhas while the Seniors have won twice, over Elk Point and Heinsburg. They lost 4-3 to a Lloydminster team at the Border town.

Mrs. Braithwaite and his curlers reached the fours of the Sportsmen's Spiel at Vermilion and therefore earned the right for a try at the big prizes. However they were eliminated in the first round of the play-off competition.

The Dewberry Ladies' bonspiel will be held on Jan. 26 and 28.

Bobby Parker is home after a stay in the Islay hospital following his operation for appendicitis.

The power failure here last week left many users fitgery every time the lights came blinking.

F. U. A. Meets

The F.U.A. meeting at Ernest Garnier's last week decided to again sponsor the annual amateur night and dance on Easter Monday. Good cash prizes will be offered and specials will appear later.

It is hoped that by spring canvassing for the F.U.A. will be completed and that everyone will have become members of the farmers organizations.

St. Saviour's W.A. Meeting

St. Saviour's W.A. will hold a business meeting on Wednesday, Jan. 28th in the Parish hall at 3 p.m.

Youth Group Organizes At Salvation Army

The Salvation Army Youth Group recently held its annual re-organization meeting and new officers were elected for the coming year. Capt. Price was re-elected and after the election of officers, two educational films were shown. Present for the meeting were Lieut. and Mrs. F. J. Merrett of Edmonton, and at the close of the meeting, the Colonel brought an inspiring message on "The Measure of a Man". New membership cards were presented and the group now has a membership of 17. Meetings are held every other Friday night with the next meeting to be on January 26th at

Guides Again Active In Vermilion

Girl Guide and Brownie CORNER

One again Guides are active in Vermilion after a lapse of some years.

Guides are for girls 11 to 14 years, the present membership is 26. The meetings are held weekly on Tuesday at 4:30 with the exception of the last meeting of the month which is an evening meet ing.

The meetings at present consist of the girls learning and passing their Tenderfoot badges, marching sing ing songs and playing games.

The purpose of guiding is to help prepare these young girls for their rightful place in society. We all of us, when we become Guides take the same promise whether we join as children of 11 or as adults "I promise on my honor to do my best, to do my duty to God and the Queen; to help other people at all times; to obey the Guide law."

New Event Proves Very Successful

Currah Rink Wins Sportsmen's 'Spiel

Skip Darrell Currah and his Vermilion rink of Gordon Ross, Frank Schmidt and Rand Calvert won the first annual Sportsmen's bonspiel here last week and annexed the four beautiful Browning automatic shotguns procured through the John Inglis Company, Canadian agents at Toronto.

The runner-up was the McClellum rink of the Granite club, Edmonton, who took home the Browning automatic .22 rifles. Skipping Skip McCallum were Bill Graham, Vern Drake and Loren Merrit.

Third prize of picnic sets went to Bill Farr, Mac Simonsen, Ken Rowe and Keith King. Fourth prize of four portable radios were won by Skip Magnus of Lloydminster with Art Hanson, Gerry Gosselin and Clare Ross.

The semi-final games saw Bill Farr meet Currah in the upper half, and Magnus play McCallum in the lower bracket. Both these games were fine exhibitions of curling and winter pastime and were not decided until the last end had been played. The final played Saturday morning was Vermilion all the way. Currah and his boys playing grandmother's rules to run out a long lead on the Edmonton rink, the score being 15-3 at the end of the 8th. 8th when it was called.

The spiel proved very successful in Vermilion at the First Un-ited church on Saturday Jan. 24th at 2:30 o'clock in the afternoon, interment following in the Vermilion cemetery. The Rev. C. W. Mackay will officiate.

Mr. Stanley leaves one daughter Mrs. Carl Sampson of Lloydminster, one son Frank in South America, also his brother Charlie in Hinsville. There are three grandchildren.

Mayer's are in charge of arrangements.

Herbert Young Dies In Edmonton

FUNERAL HERE SATURDAY JAN. 24th AT 2 P.M.

There passed away on Monday, Jan. 19th at the University hospital in Edmonton, Herbert Conrad Young, formerly a resident of the Hinsville district south-east of Vermilion. Funeral services will be held in Vermilion at the First United church on Saturday Jan. 24th at 2:30 o'clock in the afternoon, interment following in the Vermilion cemetery. The Rev. C. W. Mackay will officiate.

Mr. Young leaves one daughter Mrs. Carl Sampson of Lloydminster, one son Frank in South America, also his brother Charlie at Hinsville. There are three grandchildren.

Mayer's are in charge of arrangements.

Death of James Gould At Islay

INTERMENT GOLD TRAIL

Wilfred James Gould, esteemed old timer of the Islay district passed away at his home on Saturday, January 17th. He had reached the age of 72 years.

He deceased came west in the year 1909, settling in the Islay district a few years later where he has lived ever since. Left to mourn his loss are his loving wife, two sons, Marvin at home and Maurice of Vegreville one daughter Mrs. Thacluk of Lac la Biche, and three grand-children. There are three brothers, Fred and Bert at Islay and Thomas of Victoria and formerly of Islay, and three sisters, Mrs. Nellie Countie, at Vermilion, Mrs. Edie Giles, Victoria, B.C. and Mrs. Maud Clare, North Edmonton.

Funeral services are being held this Thursday afternoon Jan. 22nd at 2:30 o'clock at the First United church in Vermilion. Interment will be at the Vermilion cemetery. The Rev. Mr. Morrison of Lloydminster will officiate.

Mayer's are in charge of arrangements.

"Work Bee" By Men's Club of United Church

FOLLOWED BY SUPPER

Operation 'Work Bee' was carried out by the Men's club of the United church, Vermilion, Wednesday afternoon Jan. 21st when a good part of the work of painting the basement of the church was done by volunteers. It's sure great to have a hall holiday isn't it fellows, when you have nothing to do but take around work?

The supper which followed all this work and provided by Messrs. Davis and Hamilton, you can be sure, was much enjoyed.

During the business meeting the men were warned that they will be called on to serve at the W.M.S. tea to be held in Feb. 11th.

Next meeting will take the form of a euchre evening and will be held in the hall of the church Wednesday Feb. 18th.

It is hoped that as many as possible will come out to the church Monday Jan. 26 at 7:30 p.m. when further plans will go around the church will be done, in preparation for the annual meeting to be held Wednesday, Jan. 28th

By The District Agriculturist

"GREEN ACRES,

Forage Seed

The Alberta Seed Growers Coop has arranged again this year for the Gordon Ross of Vermilion and the Seed Cleaning plant at Marwayne to act as their agents in handling grass and clover seeds.

Forage seed is selling for less this year so it would appear a good time for farmers to think about seeding down some land to grass.

Forage crops help control weeds and supply good hay and pasture as well as improving the soil.

Baby Chicks and Pouits

Last year many farmers jumped into the turkey and chicken business and there was a surplus of dressed poultry. Now it appears that hardly anyone is ordering baby chicks or pouits. Does it not look like the time to get into the business and cut of getting out.

Press Bulletin

The annual issue of "The Press Bulletin" published by the University of Alberta has just been received. Special articles report the results of experiments on 2,4-D, CMU, Borascol and Polybor in both fields and gardens. Also there are articles on seed treatment, pruning fruit trees, new varieties of fruits and crops, etc. Get your copy from my office.

Bull Leasing Policies

Your D.A. has been out organizing Bull Lease Associations during the past couple of weeks. All that is required is for 5 or more farmers having 30 or more cows to form a group and apply for a pure bred bull. The supply of bulls under this policy is fast running out.

Fence Ridging

This may be the year that snow ridging will pay big returns. There is not much moisture in the soil right now so ridging of snow on fields to be cropped next year will add a lot of moisture. Circulars on snow ridging are available at my office

A REMINDER—The annual meeting of the Board of Trade will be held next Wednesday Jan. 28th at 12:30 noon at the Rio Cafe. Every one is invited.

Traffic Now Travelling Over New Bridge

Traffic commenced travelling over the new bridge in the valley below the town on Wednesday afternoon. Work is continued on the bridge all winter and has now reached the stage where the detour can be discarded. It is a very fine structure, the full width of the road and the Standard will have more about it later. Under the bridge is the spillway of the Vermilion River the new dam, but the spill way has not yet been completed.

Mild Weather Returns

After a short but very frigid spell last week mild weather has returned to the district. No sub-zero temperatures have been registered since last Saturday night.

Daily temperatures for the past two week have been

Day	High	Low
Jan. 8	- 6	-12
Jan. 9	- 1	-12
Jan. 10	17	-16
Jan. 11	12	-15

Civil Defence Pictures In Manville Area

VERMILION—The Civil Defence committee saw showing the Saskatchewan pictures 'Tale of Two Cities', 'Survival Under Atomic Attack', 'Fire Fighting for Householders', 'First Aid on the Spot' at the following towns — Innisfree Jan. 26, Minburn Jan. 27, Mannville Jan. 28, Ranfurly Jan. 29.

Smart Viking Team Down Tigers 8-4

A smart, fast skating Viking Lions Hockey club clicked almost 100 per cent Saturday night and kept up the pressure for the whole 60 minutes resulting in their running in an 8-4 victory over the local Tigers. The Tigers did appear a little lax particularly in their defence department, where they usually show plenty of power, but this Viking club would have taken a lot of stopping the way their plays were working while the Tigers just couldn't get results for their efforts.

The Tigers ran up a 2-goal lead on goals by Rod Barr from St. Martin and Ted Koebil from Foxx, but the Lions roared back and ran in 3 before the end of the period. Thunnel, Brown from Proctior, and Glasgow from Mason.

The Lions continued this pace in the second with Brown getting his second goal, Proctior assisting, while Doc Kline combined to finish off a three-way goal with Lefarud and Sorken. Patsula raised local hopes with assists to St. Martin and Barr but Kelly ...ored on Glasgow's pass, the period ending 6-3 for the Lions.

Glasgow from Thunnell and Kelly and Mason from Glasgow ran the Viking count to 8, and St. Martin converted Les Williams pass, the game ending 8-4.

Six penalties were handed out for accidental infractions, the boys paying strict attention to hockey throughout.

Referees — Hanby and Waldenberger.

Line-ups.

VIKING — Taylor, Ross, Wilkie, Sorken, Thunnell, Josephson, Glasgow, Proctior, Brown, Mason, Kelly, Kline, Lefarud, Proulx, Rasmussen.

MIDGETS WIN TWO GAMES

DEFEAT LLOYD. 5-1; AND MARWAYNE 6-1

The Kinsmen Club Midgets have turned in two victories during the past week. Saturday night last they went to Lloydminster and turned the tables on the Midgets there coming out on the long end of a 5-4 count. Notching counters for the winners were Stewart Cooper with two, Bob Bentley two and Stewart Barr one.

Vermilion 4 — Marwayne 1

Playing at home Tuesday the Midgets outscored the Marwayne boys 4 to 1. The local sharpshooters were Doug Brower from Mix, Bill Stonehouse on a lone rush, Doug Brower from Marvin Little, Marvin Little from Bob Stonehouse. Work scored for Marwayne.

MARWAYNE—Hancock, Braithwaite, Rea, Norcross, McFadden, Work, Axley, Lowrie, Dow Shave.

VERMILION — Hemmingway, Barr, Little, Whetal, Tayler, Brenley, Kennovich, Brower, Marshall, Bill Stonehouse, Bob Stonehouse, Hicks.

Leo Leahy and Bob Acheson were the officials in charge.

Tigers Drop To Third Place

As a result of losing two games during the past week the Vermilion Tigers have dropped to third place in the league standing. Vegreville is out in front with 12 points, Wainwright 10, Vermilion 9 and Viking 8.

The Tigers hope to climb over Wainwright Commandos into the second spot here on Saturday night.

Rest Room Committee Shows Balance At Mannville

MANNVILLE.—The annual meeting of the rest room and library committee was held on Saturday at the home of Mrs. Rutherford. A representative was present from each W.I. and the library.

A substantial balance was shown with everything running smoothly in rest room and library.

The same officers were returned for another year, namely: President Mrs. C. Finlay; Secretary — Mrs. J. J. McLaughlin; Treasurer— Mrs. Rutherford.

HERE
ARE POWER FACTS

1 The recent serious explosion and resulting shutdown of our Vermilion generating station was caused by a leak in a natural gas line outside the plant. The gas followed along a cable conduit into the plant where, in an inflammable mixture it exploded, causing serious and extensive damage to the feeder cables and switchboard equipment.

2 Fire continued in the equipment after the explosion. Damage was so widespread that it was not possible to immediately switch over to the alternative source of supply which is always available.

3 Prompt action was taken to effect the repair as soon as possible; all employees in the vicinity and others rallied to our assistance. It was possible to by-pass some circuits before others owing to their relative damage.

4 The Company and its employees feel deeply the responsibility to give prompt and uninterrupted service to the citizens it serves and naturally takes all the precautions possible to safeguard this vital service.

5 We realize that such a breakdown is serious to families, business and industry as we have all come to depend on electricity so much; but the situation was entirely out of human control. We trust that you will bear with us.

Clandonald News

The recent power failure which occurred on the coldest day so far experienced this winter caused considerable inconvenience in our area too. In several instances emergency heating equipment had to be set up where electrically controlled furnaces have been installed. It was indeed fortunate that other sources of power were available and that a hook-up was accomplished with comparatively little delay.

Farewell Stonehouse Family

It is with much regret that the district has once again had to bid farewell to the Stonehouse family. It was hoped that the move from Manitoba would cause an improvement in Mr. Stonehouse's health but unfortunately such has not been the case. Mr. and Mrs. Stonehouse and family now have taken up residence in Vermilion and it is the sincere wish of their many friends that Mr. Stonehouse will enjoy better health than has been the case since he resumed his post as manager at the bank here.

New Bank Manager Arrives

Our new bank manager Mr. Blairt accompanied by his wife and family arrived slightly after New Years. We trust that their stay here will be a pleasant one.

Mr. and Mrs. F. Dickson Honored

Congratulations to Mr. and Mrs. Francis Dickson whose marriage took place in Lloydminster on Dec. 30th. Mrs. Dickson is a daughter of Mr. and Mrs. Ronnie McFadyen, long time residents of the Isley district. Following the ceremony a reception was held at the bride's home at which about 60 guests were in attendance. Later Isley and district residents were guests at a wedding dance in the community hall. On Monday Jan. 5th another dance in honor of the newlyweds was held in the Orange hall in Clandonald when a large crowd was on hand to celebrate the happy occasion. Their many friends join in wishing Mr. and Mrs. Dickson a long, happy and prosperous married life.

Miss Ina Shaw who left Vermilion last fall to take up teaching duties at Whitehorse in the Yukon spent Xmas at her family home here. Her sister Miss Annie Shaw left shortly before Christmas for the U.S. She plans to take up missionary work in Mexico in the near future.

F. U. A. Dance

At a recent meeting of the directors of the Clandonald branch of the Farmers' Union it was decided to hold a dance in the Columbus hall on Friday, Feb. 6th. It is hoped that this affair will receive wholehearted support from both town and country residents as this may be the only time during the winter when an effort will be made to raise money by any method other than dues. Posters are up throughout the district and admission price is very reasonable.

Annual Meeting F. U. A.

The regular meeting of the Union will be held in the Orange hall on Tuesday Jan. 27th commencing at 8:00 p.m. Members please note that an endeavor is being made to start the meeting earlier. Our District Agriculturist Mr. E. H. Buckingham has kindly consented to address the meeting on any subject matter of the questions in the minds of many regarding the setting up of a pastured site area. Following Mr. Buckingham's talk lunch will be served and then a moving picture show will be held for the entertainment of members. These films are very kindly loaned free of charge by the U.G.G. Co.

IN MEMORIAM

In loving memory of our dear Mother

Mary Louise Gaston

—who was called to rest January 25th, 1952.

Life is hard without you Mother home is not the same.
What would we give to hear your voice, and see you smile again.
Memories are treasures no one can steal.
Death leaves a heartbreak no one can heal.
You were a Mother so kind and good, suffering more than we understood.
God make her happy in Your garden of rest.
She was "Holy" Father, a Mother at the best.
—Sadly missed and ever remembered, Peggy and Floyd Nell and Arnold.

Once steam-load equipment in a cotton mill, the old whining "mule" has long since gone by the board.

Dominion Textile's manufacturing equipment is now among the most modern in the world. Ma...kney bought by our 7,239 shareholders (94.7 of them Canadians) helps us to turn out top quality goods and provide jobs for the 12,500 Canadians working in our plants.

But equipment improvements, such as replacing the mule, aren't everything. We have our troubles trying to compete with the products of other countries where per hour wages, in Japan and India, for instance, wages run about 15 cents an hour, while we pay well over a dollar an hour.

DOMINION TEXTILE COMPANY LIMITED
Manufacturers of Tex-Knit Products

serve Canada
Today, Canada must be constantly on the alert to meet any threats to our national security. Trained, armed strength is the safe way to guard our freedom.

and Yourself
With the Canadian Army Active Force growing rapidly, there is a great need for young men who can qualify as junior leaders. Ability and initiative find quick recognition and promotion in the Army. There are outstanding career opportunities for young men in the Active Force ... valuable training, excellent pay and retirement plans, outstanding medical and dental care, travel, adventure and new friends.

in the Infantry
The Infantry is the backbone of the Canadian Army. Its soldiers, all highly trained technicians, are the most important men in our Army. There are many specialized jobs in modern Infantry for young men with an eye for adventure. Service with one of Canada's world-famous Infantry Regiments offers plenty of scope and challenge.

TO QUALIFY YOU MUST BE...
17 to 40 years of age and able to meet Army test requirements. Applicants should bring birth certificates or other proof of age when reporting for interview.

PROPERTIES and ACTIVITIES

1 New World Oil owns or has under option, over 3,000,000 acres of prospective oil land in Western Canada, some of which has already had the benefit of preliminary work. It is intended that a number of exploratory wells be drilled on these properties in the near future.

2 New World Oil has under option over 2,000 acres of potential Water-Flood Lands in Southeastern Kansas on which geologists estimate there is at least an estimated 2,000,000 barrels of recoverable oil.

3 The drilling of a 3 well exploratory program in Northeastern Colorado the No. 1 Kuhns is to a depth of 6,245 feet. This is a 5,000 ft. Cretaceous and test. The No. 1 Kuhns is in location for a similar test.

4 New World Oil will commence drilling within the next sixty days a 2,000 ft. test well which will be in the Basin of Bear Park of Hot Springs County, Wyoming. This is one of the better fields of the famed Big Horn Basin.

Special to all Farmers and their Families

Dear Friends:

This is a personal invitation to you to attend our 3rd Annual John Deere Day.

Thereby we shall add more pleasure to a day that you and the whole family will enjoy - a full program of entertaining and educational pictures.

There's the feature picture, a fast-laugh comedy starring Buster Keaton - a brand new Screen Family picture with dozens of fun Gordon - "Whats for you" - and other colorful films you won't want to miss.

Then, next to be with us and enjoy the day. Remember, it's free. Admission is by ticket only. If you haven't received your ticket - or need more - let us send them right at once.

See you John Deere Day!

John Deere Day - JAN. 23

At Columbia Theatre, Vermilion
Two Shows — 1:00 and 8:30 p.m.

Chatsworth Chatter

With more snow having fallen the past week, roads are becoming quite heavy, but to our knowledge no plowing has been necessary as yet.

The weather remains very nice, and before we realize it, the month of January will be past. The winter cannot last too long now, nor be too severe.

Mr. and Mrs. Al Moss of Edmonton, spent Xmas with the latter's mother, Mrs. Daisy Cummings.

Mrs. Joe Farkash Sr. recently spent a few days in hospital suffering from the flu. We hope she is completely recovered now.

Mr. and Mrs. Cyril Davis of the Poplar Heights district, left via C.N.R. on Monday morning Jan. 5th for a holiday at the west coast. They were accompanied by Mrs. McGaughey Sr. and Mrs. Margaret Bogle (nee Margaret McGaughey) of Vancouver, who has been visiting her mother here.

Also visiting their parents and other relatives for the Christmas holidays were Mrs. Bob McCann and Barry, Hinton, and Mrs. Ed Carrouver.

The January meeting of Chatsworth Country club was cancelled due to the inclement weather.

A number of the power users on this line particularly those who are using it for cooking and heating, were somewhat inconvenienced last week when the power was off after the explosion at the plant in Vermilion. How fortunate that these were working there were not injured.

Allen Good, 5-year-old son of Mr. and Mrs. Harry Good, sustained a broken collarbone in a fall from a greenhood stack during the recent holidays. (It certainly wasn't a nice way to spend holidays, was it, Allen?). However he is quite well again now.

Every cent raised through the sale of Christmas Seals is spent on the specific job of fighting TB.

Dance at Allandale school on Fri. day Jan. 30th. Michael Mulgrew orchestra. Everybody welcome. Admission 50c. 26-6

OUR COMPLETE SHORT STORY—

A House of Her Own

By MARY L. AKSIM

IT WAS only after old Mr. Briggs died that Effie's dream began to take reality. Through all the years of living in other people's houses, setting down her milksops in successive attic rooms, she had told herself that some day she would have a peace in a little house of her own. But she knew never really believed it.

She and Mrs. Charles, who cleaned for Doctor Elliot and Judge Henshaw, and thus was a lady of ready means, often discussed the kind of home they would buy when each "retired" on their "savings". Really, Effie's "savings" had never amounted to more than a few dollars autumn to keep in an old box. There were days of illness as she added up the few coins and bills and thought of the time when she could quit to rest. Then she would resolutely return to accompany Mrs. Charles on a Saturday bus trip to town, where they enjoyed "doing" the shop windows.

The years at old Mr. Briggs' had been like a long mellow autumn to Effie. While the old man had been childishly grateful for the smallest attention, she was bewildered when they told her that he had left her five hundred dollars, and was only restrained by the lawyer from dividing the money on the spot between the old man's sons. He went with her to the bank and left her clutching a red pass book.

She carried it in a specially contrived pocket in her underclothing and each night read its comforting messages. Her chatting about from house to house began again and she threw herself into her work, hoarding every penny and wearing out the patience of Mrs. Charles with her excuses for staying away from town.

By the time the entries in the bank book were nearing a thousand dollars, the villagers had begun to call her "old Effie". Her waits had slowed to an old woman's shuffle. But she continued to plan her house first by loving foot, dream room by dream room; here she would hang the collection of flowers from the Holy Land which a missionary had given her brother; here she would spread the dearest treasure — a yellowed tea cloth of her mother's.

She was working at the Fosters' the last morning. The long days taxed her strength, but the wages were good and perhaps she might be able to build her cabin in the fall. Then, one morning, she felt down the steps. Doctor Elliot found two broken bones and a stout fracture.

Mrs. Charles had Effie moved to her little room when she was able to leave the hospital. The doctor called in consultation when she knew might take the unhappiness from the old woman's eyes. But the days grew into weeks and still Effie watched her friend with a blurred, uneasy look, demanding to be taken at once "to her own house". She really could not stay away any longer, she would plead, until she dropped into troubled slumber, brisk book in her hands.

And so it came about that when the doctor's car stopped in front of Mrs. Charles' window one day to carry Effie to the Old People's House, she sat serenely beside the driver. Mrs. Charles wiped away untidy tears on the hem of her apron. In the hand, said Mrs. Charles, to see an old friend go to that place.

The afternoon sun shone warmly on the Home at the top of the hill, lighting its dowry beds, turning its window to gold.

Effie tapped the doctor's arm. "This is the house I've been telling you about," she said proudly. "You must come and see me when I get things set to rights."

And so old Effie came to her own house.

Funny and Otherwise

• • •

Dad, if I'm to advance in my studies at school I need an encyclopedia.

"You'll get no encyclopedia, and that's final. You can walk to school just as I did."

• • •

As most people know, the BBC employs "scouts" who inquire among the public what items are popular and so forth. One of these tackled a man who stated that he didn't listen much, but, usually heard "Lift Up Your Hearts".

"Then I take it you are interested in religion?" commented the scout.

"Well, no—but I wait for it to start because I know by that time I ought to be shaving."

• • •

Magistrate — You know this man was a burglar and yet you married him!

Wife — Yes; I thought how nice and quiet he'd be around the house.

• • •

Widow, writing to an insurance company: "You have asked me to fill out as many proofs of claims and I have had so much trouble in getting my money that I sometimes wish my husband hadn't died."

• • •

After inspecting his stock of provisions, the lodger sought his landlady.

"Look here," he said as he held up a jar, "I'll bet you've been at my marmalade again."

"Pardon me," replied the landlady in dignified tones, "you insult me. I never bet!"

• • •

A boy at school, when asked to describe a lie, said:

A kitten rushes like mad at nothing whatever—and sleeps before it gets there.

• • •

He could not smoke—and nor write, but when a distant relation left him a small fortune, he started to make a splash. He bought a cheque book but instead of signing his name on the cheque he put two crumbs, and the bank paid.

Then one day he handed the cashier a cheque signed with three crosses.

"What's this?" demanded the cashier. "You've put three crosses here."

"I know," was the reply, "but my wife's got social ambitions. She says I must have a middle name."

• • •

"My music teacher says I have a fine voice and should go far."

"Splendid! I'll help you push."

• • •

The window-cleaner was going from door to door in an attempt to increase his 'round', but his movements proved tireless. Coming to the last house in the road, he smartly lifted the knocker, and the door was opened by a dainty maid.

"Clean your windows upstairs, lady?" he inquired eagerly.

"No, thank you."

"Downstairs lady?"

"No, thank you."

"Clean your greenhouse glass?"

"No, thank you."

"Well, let's give your specs a wipe over then."

• • •

"All extremely bright men are conceited."

He shrugged gracefully. "Oh, I don't know; I'm not."

• • •

"I hear your aunt's very ill. Does she enjoy good health?"

"Yes, good—over it."

• • •

Wife: "Well, dear, I'll meet you at the Biltmore at twelve for lunch."

Husband: "All right, but please don't be any later than one."

Ancharage, Once a Sleepy Town, Now Alaska's Busiest, Biggest City

Top photo, Anchorage in 1934. Bottom photo, Anchorage, 1952.

By BRUCE WINTERS
(CP) Correspondent

At 4 a.m. on March 30, 1867, the U.S. signed a treaty with Russia for the purchase of Russian America. Secretary of State William Seward was eager for Alaska.

His enthusiasm was not shared by most of his countrymen. The $7,200,000 purchase was denounced in the press as an egregious folly, a "bad bargain", pursued off on "the silly administration" by the "shrewd Yankees".

The property was nicknamed "Walrussia", "Seward's Folly", and "(P)resident Johnson's Polar Bear Garden".

Now, some 85 years later, the United States army has scheduled defence building there which will be in excess of $240 million. That suggests the importance military leaders place on Alaska.

Military concepts of the natural and strategic value of Alaska have gone far. From airplanes on Seward's Folly's the industrial heart of Russia's Communist empire is a bomber's distance away.

From this airplane base on the Arctic Circle, the United States could launch retaliatory attacks with jet bombs or guided missiles to virtually every part of Europe, the Middle East and parts of Asia.

"The National Defence" a news newspapers in Washington called Alaska has proven to be one of America's most valuable purchases.

The vast natural wealth of the country is largely untapped. Gold was the first material to lure prospectors. Now there are hopes of finding precious ores from which to obtain the metal of the Atomic age, uranium.

In addition to the 24 million acres of forest reserves, the vast materials of platinum, copper and tungsten are untold there.

Interest in this commercial and military potential has grown rapidly. Alaska business organizations from the national Chamber of Commerce to the Fairbanks Commercial Club have pressed for statehood. Congressmen and Senators formerly had little interest in Alaska's affairs. Now they are more conscious of its importance to the country.

Alaska's population is 128,643, an increase of 20,000 in the last two years. Most of the increase is in the Anchorage area.

Anchorage, today boasts a $5,000,000 international airport, paved streets, a new water and sewage system, and a multi-million dollar hospital for the country's 33,000 Eskimos and Indians.

Even today, most persons in North America share a mild ignorance about Alaska. Though the northern portions experience bitter Arctic winters, the southern areas have close to two million acres of land under cultivation.

Starting as it may seem the annual mean temperature of Juneau, the capital city, is often degrees warmer than that of Winnipeg.

Through careful planning, the army hopes to push its new record construction program on a year-at-round basis. In colder regions enough work will be done during the summer to permit workers to finish the interiors while the temperatures outside drop below zero.

Like everywhere else in the United States Alaska is experiencing an acute housing shortage. The boom atmosphere of business has also reached prices to soar. But Alaska's growing pains are familiar and heartening to observers.

The stable trunks of Russia's sale of Alaska to the United States are all the more piquant when considering the value of the real estate now.

Alaska is a newsprint polaired at its former owner's side. It has become the possible spearhead of retaliation should the Bluecovers plunge the world into a global war.

A full-grown camel can carry a load up to 1,500 pounds.

LITTLE E. KATZ

Woodvale News

There sure has been a change of weather since our last bulletin, but we are still thankful that there was no cold winds and temperatures did not come any earlier in the winter.

Bad cases of flu are still going around and the school was closed last week as Miss Thompson was a patient in the hospital. When it opens again it will be in the new school. The books from the other schools were transferred there and all the odds and ends that have been collected in them and which were of no value, were burned, making warm little bonfires on a cold day.

Mr. and Mrs. D. McGrath went to Provost for the funeral of Tom Doyle who died after a long illness early in the new year. When Tom visited his relatives and friends in these parts last summer, everyone was impressed by the serene and quiet dignity with which he bore the knowledge that he had only a short time to live. This attitude and his cheerfulness must have lightened the burden for everyone, but it is with sincerity we offer our sympathy to his wife and family.

Jimmy Lyons was rushed to the Vermilion hospital for an appendix operation last week. He got along so well that he was allowed to go home on Saturday again.

Bernard Portenuik is now stationed at Oakville, Ont.

Andy McQuid is enjoying his holiday in Scotland very much. The only disappointment was that his sister had gone to the U.S. for a visit. That proved quite a disappointment and a surprise for the family.

The card party at the old Woodvale school on Jan. 5th was followed by a Glee Club meeting. At that Brown is the president, Gordon Dion treasurer, Bob Trasman and Dorothy Isley are the members on the entertainment committee. Besides the weekly card parties, there will be a dance at the school on Jan. 23rd.

Winners of the card party were Mrs. Mrs. Dave Sweeney, 2nd, Mrs. Wee Isley for the ladies and for the men 1st, Floyd Robinson, 2nd Bob Wilson.

On the 4th of January there was a skating party at the home of the Mrs. Isley's. It was the last warm day and the evening was thoroughly enjoyed.

Miss Shirley Holme gave a very interesting talk on "Bazaar Ideas" at the Red Cross meeting held at the home of Mrs. H. Portsmith on Jan. 7th. It was a stormy day and too bad not many could attend. It was a pleasant get-together topped off by a delicious lunch which included nice Xmas cakes. Home work was given out and Mrs. Peggy Lyaons was nominated treasurer for 1953. The next meeting will be at Mrs. Lyaons on Feb. 4th with a quilt to work on again.

USED CAR BOOM

Used car prices have been steadying in Toronto after a 3-month decline and a renewed pulse for an unusual spring climb starting about March 1st, reports a writer in The Financial Post.

How far will they climb? And what happen after spring demand drops and new cars continue to pour onto the market?

General feeling was that prices on most models might climb to within $100 of those prevailing last spring, but that the midsummer drop will be very sharp. This drop, dealers believe, will bring the market on a sound level and deflate what they feel will be inflated spring prices.

YOUR BEST SECURITY IS Alberta's FUTURE

Alberta artist P. H. Hessen has caught a dramatic view of this Province's great agricultural wealth.

It is the varied wealth of this Province that gives cash security to Your Treasury Branch. Treasury Branches stand ready, throughout Alberta, to serve not only agriculture, but Albertans in every walk of life. Treasury Branches offer business and personal loans, safe-keeping of valuables, conditional sale of grain and livestock, and of course, savings and current account service. See your Treasury Branch Manager—soon!

How To Stay Alive On The Highway

FIRST TIPS FOR BEGINNERS

In one out of every two fatal highway accidents in 1951 the driver was exceeding the speed limit.

"Most of today's motorists learned to drive in low-powered cars in sluggish city traffic," claims an article on high-speed driving, in the February Reader's Digest. Suddenly they find themselves on long tempting stretches of four-lane high ways with speed limits of 50 or 60 miles an hour. Figuring they can get away with 10 or 15 miles above the limit, their desire to floor the accelerator is irresistible.

Driving at 60, you invite an inner tension you may never have known you had. If this continues unrelieved it may break out in 'driver's panic,' a phenomenon capable of freezing your normal responses. Panic caused by dangerous speeds is the basic reason for hundreds of accidents written off as 'reckless driving,' 'fatigue,' 'wrong side of parkway', or 'fell asleep at the wheel'.

Physical effects of driving at high speeds can be equally disastrous. At 60 miles an hour or more, your vision is narrowed, your sense of timing blurred. Maneuvers which are easy at moderate speeds are now complicated. Estimating the speed of other cars is difficult. The time during which you can see and act upon any highway situation a head of you is sharply reduced.

Those who drive on modern super highways could heed the safety in junctions set forth in this Digest article:

When overtaking a car, assume it is going at least ten miles an hour "slower" than you are. (If it's a truck, make the 10 read 20.) When passing a car, assume it is going at least 10 miles an hour "faster" than it seems to be. Passing a car going 45 miles an hour is the same as passing a string of 18 cars parked bumper to bumper.

When stopping beside a highway at night, pull well left the pavement and douse your taillights. If you leave your taillights on, another driver, tense with his speed, may think you are on the road and drive right into you. That happened on Connecticut's Merritt highway recently, killing an entire family of four.

Slow down before entering a curve, when past the curve's crest feed the engine gas. In case of a blowout, do not touch the brake until you have the steering under control. Never back up on a high speed highway, never slow down to read a signpost, and never shift gears while making a turn off the highway.

Finally, remember that when driving under 30 your chance of staying out of an accident is "five times as good" as when exceeding 50.

C.W.L. Home Cooking Sale

The C.W.L. will hold a home cooking sale at McLaughlin's Self-Serve on Saturday, Jan. 24th commencing at 2 p.m. 27d

In 1911 the average number of persons per Canadian household was 4.6; in 1951 the average was 4.

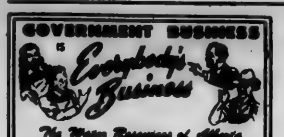
GOVERNMENT BUSINESS is Everybody's Business



The Water Resources of Alberta

In the best interests of our citizens, present and future, our government carefully conserves the water resources of Alberta. The Water Resources Act and Regulations control the diversion and use of water for any purpose and are subject to amendment for the following purposes: Irrigation, Industrial, Municipal, Water Power.

Attached a memorandum and document designate continues.

LAKE STABILIZATION PROJECTS.

To prevent or relieve depletion of surface and ground water supplies, structures are being placed in the outlets of Alberta's water lakes. Plans are inserted through the dam to maintain steady flow in the outlet creeks. These projects have a water conservation value as well as furnishing a by-labor for fish and game. In association with Ducks Unlimited, a total of 77 projects have been built since 1946.

ASSISTANCE TO IRRIGATION DISTRICTS.

The Alberta Government develops and helps to construct intercepts for smaller irrigation districts around outlet of Lake Newell, Bullshead Reservoir, Chain Lakes and Sheep River. Good lines have been established. The Alberta Government has spent more than $4,000,000 on the St. Mary and Milk River Projects, and contributes to annual operation costs. $1,700,000 is on the Bassano project. Short-story Canals are also planned for the Brooks area.

WATER POWER IN ALBERTA

In 1952 the province developed horsepower with 180,000 acre feet of storage. By 1962 there will be 300,000 developed horsepower with 600,000 acre feet of storage.

News Notes From Your District Home Economist

Sauce Restores Being Used

Did you know that 'sauce methods' have been used to sell cooking ware? The latest bulletin of the Canadian Association of Consumers warns homemakers that some unscrupulous and uninformed salesmen have been advising against the use of aluminum utensils for the preparation of foods. Aluminum is the most widely used saucepan material and is well suited to many types of cooking utensils. Cooking food in aluminum utensils has NO harmful effect on health.

Aluminum pots and pans are moderate in cost, the heavier waterless cooking utensils being more expensive. Aluminum ware heats more quickly than iron or steel, and it retains an even heat at a low temperature. Therefore aluminum ware is inexpensive to use.

Aluminum is unbreakable and may be duplicated in a set. To have all the utensils in one type of material is not always as useful as having a variety, in aluminum, stainless steel, enamelware or glass.

Before you spend a large sum of money on a complete set of pots and pans, be sure they will serve you efficiently.

pound down with a hammer until bottom is flat. If the bulge is inward, place a thick block of wood inside the pan and strike with a hammer until flat. For cast aluminum ware use a rubber mallet, directly on the pan. Bulging bottoms are caused by too much heat or sudden changes in temperature.

Aluminum is attractive, light but strong, durable, and—next to copper is the best conductor of heat. It is perfectly safe to use.

What is wrong with buying a complete set of cooking utensils? First, these sets often include pieces you may use once or twice a year, for example, the large roaster. The utensils too, may be too large for use in a small family.

Many housewives already have a store of pots and pans which are not ready to be discarded, and may be duplicated in a set. To have all the utensils in one type of material is not always as useful as having a variety, in aluminum, stainless steel, enamelware or glass.

Before you spend a large sum of money on a complete set of pots and pans, be sure they will serve you efficiently.

Paradise Valley

Mr. and Mrs. L. W. Shaw have had as their guest Mrs. L. Lacey of West Hendred, Berkshire, England, during the past week. Mrs. Shaw met Mrs. Lacey while serving overseas during the war. Needless to say they had a lot to talk about.

Patients in the Lloydminster hospital from this district include Mr. Peter Wolf, Leslie Holgate, John Holgate, Mrs. E. Flint. Their many friends in town and district hope for a speedy recovery.

One by one the old timers of the district are passing on. The latest one to leave us is Mr. Hans Eggen who passed away in Camrose on Jan. 10th. The funeral was held on Thursday, Jan. 15th to the Dina cemetery. Mr. Eggen had reached the grand old age of 90 or over. To the family we extend our sincere sympathy.

Well our weather or climate has not changed after all, as we have been having real old fashioned winter during the past week or more—it still can drop below zero when it feels like it. However we hope that it will not last too long as it is hard on the oil barrel.

Mr. Frank Ball is spending a few weeks with relatives in Edmonton.

Miss Muriel Matheson of the staff of the University hospital, Edmonton, spent the week end with her parents Mr. and Mrs. L. A. Matheson.

Mr. Braithwaite, field supervisor and Parke Dobson, Wheat Pool delegate, held a meeting in the school on Friday, Mr. Dobson gave a report of the annual meeting of the Wheat Pool held in Calgary in November. Mr. Braithwaite also gave a lengthy report on the Wheat Pool's doings. He showed several pictures suitable to the occasion. There was a fair turn out of members.

Due to the slippery condition of the roads quite a few cars and trucks have been reported. Mr. Archie Flint had a head-on collision with another car in the Chevlot hill. We understand that considerable damage was done to both cars. No one was injured we are glad to hear.

The mixed bonspiel which opened the curling season for the Paradise Valley club attracted 16 rinks and wound up the three events on Saturday Jan. 10th. The ice was remarkably good and weather made curling a pleasure. Considerable satisfaction was expressed with the new club room and Peggy's Bar and Grill and a land office business. The following are the results: Grand Challenge—D. H. Baxter, L. Kristjanson, M. Hoskins, E. L. Kragness. Secretary Event—J. Storms, J. Gordon, D. Odegard, F. Brandstrom. Tertary Event—P. Stoddart, C. Richardson, F. Wiley, D. Churchill.

A Farmers' bonspiel is scheduled for Friday and Saturday Jan. 23 and 24. Lloyd Knutson, Arnold Nickle, Jim Rogers and Irvin Johnson make up the committee in charge. The first 64 entries will be drawn on 16 rinks to get underway Friday evening.

The McLaughlin bonspiel commences Thursday, Feb. 19 and Lone Rock on Monday March 2. The Minbrun school bonspiel is set for Paradise Valley on Saturday, Feb. 7th with rinks from Lone Rock, Riverdale, McLaughlin and Paradise Valley. About 15 rinks are expected to take part.

The ladies have also organized for the season with 5 rinks. Mesdames Venner, Baxter, Miller, Hoskins and Gunn are the skips. The high school also have rinks in the club.

A coal furnace as large as any in the world has been put into operation by a Hamilton, Ont. steel mill.

Quick Canadian Facts.

A social function will be held in the Valentine Tea on Wednesday, Feb. 11th in the United church hall. 27a

The W.M.S. will hold a Valentine Tea on Wednesday, Feb. 11th in the United church hall. 27a

"... the willingness to find a way"

A man who started a new business a few years ago recently wrote to pay tribute to the bank's part in helping to make it a success:

"We were fortunate in having, as our banker, a man who could combine with experience the willingness to find a way that called not for experience alone but for imagination as well."

The chartered banks are forever alert to the fresh problems, the changing needs of their customers. At all times, in all your banking problems, you can depend on your local bank to bring experience and imagination to the task of helping you to "find a way".

A National Asset

A GREAT DEAL IS HEARD these days about the wealth of Canada's natural resources and the part which they will play in the future development of our country. It is true that an abundance of timber, oil, minerals and fertile farm lands make Canada a favoured country today. Resources which have, in the past, supplied the world have been exhausted in some countries, while in others there is concern because they appear to be running out. In Canada there are vast reserves, many of which have only been tapped. In few cases have production been reached and the future looks bright, indeed, for those who will take part in developing them.

* * *

An Asset And Also A Trust

We are reminded, however, that resources are a great source of wealth but that they are also a trust. It has already been found that the land must be cared for wisely, if it is to remain productive. Without the use of fertilizers and scientific methods of cultivation the land would soon give its fertility, while without measures for conservation, the precious top soil would soon disappear. We have likewise learned that our forests are not all that they too must be given care if they are to continue to be productive. Reforestation, care in cutting the trees, prevention of forest fires and other measures are now used to ensure that our forest wealth will not be lost to us.

* * *

Industry And Faith Needed

So it is with all the great reserve of natural resources which Canada possesses. They are a valuable national asset but like all things which are of value, they carry responsibilities for the people who own them. Much has been done by governments to protect our resources from exploitation and to ensure that they are developed in the best interests of the country. It must be remembered, however, that these belong to the nation and the people should not only be interested in their development but should be prepared to have a part in it. Capital is needed for the opening of mines, the sinking of oil wells and the many other projects connected with bringing our resources into use. People are needed too, to work in these projects and in the industries which spring from them. Canada has been built by people who had faith in the future and were willing to work hard for it. More such citizens are needed to carry on in the coming years.

THRILLS of the ROARIN' GAME

Good Idea To Watch Every Stone At Start Of Game

At the start of a game it's a swell idea to watch every stone that's thrown so when your turn comes you'll have a fair idea of what line weight to use. You can't be looking off in the wild blue yonder and expect the weight to come to you automatically. Help yourself by watching the weight the other guy throws and checking whether it's heavy or light.

One of the smartest leads ever seen always used to be out on the ice before the start of the game gently hacking the stones around in front of the hack. It was uncanny how he could figure out the proper weight from this simple procedure in the days he had to throw first.

Regardless of how much trust you place in your skipper, you should watch the ice you're playing on as well as he does. Watching all the different curves played will give you the run of the ice in the same as it does your skip standing at the other end.

For example: If your skip gives you a narrow broom to take out a stone, and you don't know, as you should, that the ice "runs straight" in that particular spot, you'll most likely throw too much weight and miss entirely. A lost shot just because you're not on your toes watching what goes on.

You can do a lot of thinking during a game, but the best place to do some real cogitating is when you're in the hack ready to play. A curler of fair ability who stops and thinks before he shoots is a better man on any rink than the guy who is a good shot-maker but never uses what gray matter he has under his tam.

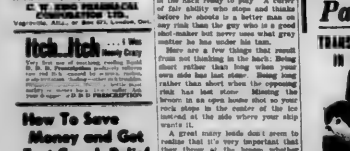
Here are a few things that result from not looking in the hack: Being short rather than long when your own side has last stone. Being long rather than short when the opposing rink has last stone. Missing the broom in an open house shot so your rock stops in the center of the ice instead of at the side where your skip wants it.

A great many ends don't seem to realize that it's very important that they throw at the broom whether there are stones in the house or not. If a skip calls for that shot time after time, it's a big lead to put a stone in the rings at one side of the ice in the attempt to start the building of a head, and the man misses the broom so the stone comes to rest in the center of the house, the skip has lost a part of his strategy and will have to start over again.

SASKATCHEWAN HORSE WILL BE OUT OF THE STABLE

SHAUNAVON, Sask.—Shaunavon's contribution to the horse racing world, the trotter Eva Ragga, has been sold by William Houston to Ronald Mercer of Stavely, Que., for a reported $5,000. In the last three years the horse had 98 wins in 104 starts.

A dragon fly has more than 30,000 eyes.



How To Save Money and Get Fast Cough Relief

Here's an old, tested, home mixture your mother knew . . . still a most dependable remedy for distressing coughs. Fast and effective, children like its pleasant taste.

Make a syrup by stirring two cups of sugar into one cup of water until dissolved . . . no cooking needed (or you can use maple syrup or honey instead). Now pour in 2½ ounces of PINEX CONCENTRATE and a 50 cents bottle, and add the syrup you've made. You'll have 16 ounces of fast acting, pleasant tasting cough medicine, more than you could buy for four times the money, with directions for use the whole family.

Pinex—a special compound of proven medicinal ingredients—must help you, or money refunded.

POUND IS EASY TO MIX—

The Annual Meeting Of Shareholders of The Royal Bank of Canada

Free Exchange Rates, Lower Tariffs, Encouragement of Foreign Investment, Keys to Healthier Economy, Says President

Urges dollar countries to remove excessive trade barriers and customs formalities. "Canada serves high moral purpose and own self-interest by accepting her present-day responsibilities."

General Manager Reports Assets Over $2.6 Billions

T. H. Atkinson, General Manager in reviewing the bank's 1952 report stated that total assets of The Royal Bank of Canada have now reached the imposing total of $2,691,456,823. This, he said, was a new high mark in Canadian banking history, and is the highest ever reported by an Canadian bank

Deposits likewise had reached record totals, said Mr. Atkinson, They now stand at $2,377,214,647, an increase of approximately $176,000,000 over the previous year. "This increase" said Mr. Atkinson, "reflects not only substantially higher balances in the names of former clients but has been accompanied by a record making number of new names on our books. The number of deposit accounts on the books of the bank now exceeds 2,250,000, an increase of well over 100,000 during the year."

Mr. Atkinson reported profits for the year had increased "This increase" said Mr. Atkinson, "reflects not only substantially higher balances in the names of former clients but has been accompanied by a record making number of new names on our books. The number of deposit accounts on the books of the bank now exceeds 2,250,000, an increase of well over 100,000 during the year."

Mr. Atkinson reported profits for the year had increased $1,787,883 over the previous year. After providing for bank pension fund and dividends, including an additional dividend of $870,000 paid on July 25c per share), the bank transferred $5,000,000 to Reserve fund, which now stands at $53,000,000.

The bank's physical improvement to branches, which has gone on steadily since the end of the war, continued during the year, he said, with modern, up-to-date facilities and surroundings. Some 275 branches were provided with new or improved premises. 18 new branches were opened, and a further seven are in the course of preparation.

ROYAL BANK ABROAD

Mr. Atkinson reviewed the history of the bank's extensive organization abroad, pointing out that the growth had followed natural or potential channels for Canadian trade development. Offices were established only after a careful survey on the ground to ascertain whether the field was adequately banked, and if not, whether the bank could meet the service Canada's export trade, but could contribute something of benefit to the business community in the particular country, and operate on a reasonably profitable basis

The volume of business transacted by our foreign branches remains very substantial indeed, and profitable. During the year, the rate of our overseas chain has again demonstrated its value as an important complement to our Canadian organization. My feeling on this is from the standpoint of record earnings, but the contribution made by the establishment of business to the Canadian field through contacts established abroad was well worth while. As has been said on our publicity material previous years, through our extensive foreign branch system, and through our world-wide relations with correspondent banks and the specialized departments of the Canadian banks and traders, we are proud of the services we provide to the field of the contribution we make towards facilitating trade. The value of which can hardly be assessed in a nation which ranks third in world trade.

PRICE TOO CHEAP

"It is a daily occurrence in Head Office that requests are received that at one point or another among the countries of the sterling area or of his or her way to deal kindly and thoughtfully with the affairs of his client. Public opinion of a bank is by and large the opinion held of individual branches of the bank so that our reputation is largely dependent on the devotion and attention of branch personnel. That it is in good hands is amply evident.

"An expanding business inevitably places increased demands on its staff and in the past year we are well aware that at many points our officers have been faced with difficulties of a high order. The moment may have seemed insurmountable In no case, however, was there the slightest evidence of a breakdown in service to the public, which was, on behalf of the executive officers a...

a heartfelt "thank you..." ...

Mr. Atkinson said that there is no hesitation in assuming the directors and shareholders of the bank that part of the future will be met by the staff of the bank in the same fine and friendly manner they have displayed in the past."

"Our country is young, its economic structure is strong and its capacity for growth will put new resources of tangible and intangible wealth at its service but welcome it! This is what we should recognize when we become less greatly impressed with the difficulties still ahead of us. There is little excuse for gloom in a country which even now stands confidently on the threshold of national greatness."

"EASY" CREDIT CAN BE COSTLY TO CONSUMER

Three devices, Mr. Mair said, had been available to correct the lull in business which had occurred early in 1952. These were tax reductions, price reductions, and easier credit terms. Despite some reductions in excise taxes, the effect of the 1953-53 budget had been to increase the consumer's overall burden of taxation; price reductions, while they had occurred to some extent, played a relatively small part in the revival of trade which took place towards the halfway mark of 1952

"It was the third device," he said, "that of easier credit terms which was apparently chosen by business and government as the means to restore a stronger current of business activity. Consumer credit controls were abolished on May 6th, 1952, and the voluntary restrictions on bank lending were removed, at the suggestion of the Bank of Canada, on May 20, 1952. We are experiencing the heaviest effects of these decisions. Indeed, there is some evidence that the decline in activity has become over-corrective and that inflation has again become a threat to the economy.

"So-called 'easy' consumer credit terms must surely both be the consumer and to the economy as a whole. The effect on sales is immediate and gratifying to business, but payments of the debt by the public in the future may well result in an enforced restriction in consumer spending on durable goods in a form both quite as real and depressing as that which followed our pre-budget buying spree of 1951. If this is allowed to occur along with other deflationary factors, such as those from the standpoint of record earnings, but the contribution we make towards facilitating trade in the field of wider and hardly be assessed in a nation which ranks third in world trade.

PRICE TOO CHEAP

"It is a daily occurrence in Head Office that requests are received that at one point or another among the countries of the sterling area or of his or her way to deal kindly and thoughtfully with the affairs of his client. Public opinion of a bank is by and large the opinion held of individual branches of the bank so that our reputation is largely dependent on the devotion and attention of branch personnel. That it is in good hands is amply evident.

10,000 Canadian Graduates Will Be Seeking Jobs

OTTAWA — About 10,000 Canadians now at universities will graduate into the labor market next Spring, the Labor Department said.

A survey of employers indicates a demand for engineers and undergraduates. Replies to a December questionnaire showed employers need 1,256 jobs available for graduates and another 2,349 Summer jobs for undergraduates.

The department said 12,602 students are enrolled in their final year at universities. Five per cent, probably will not graduate for various reasons and another 10 per cent, graduating may have jobs to start.

Included in the department's survey is 1,217 engineers; 869 in commerce and business administration; 2,347 in arts; 782 in science; 267 in agriculture; 218 in dentistry; 1,094 in education; 816 in law; 247 in household science and home economics; 732 in medicine; 425 in pharmacy; 396 in social work; 236 in nursing and 74 in theology; 37 in chartered accountancy and 22 in journalism.

Twenty-four bluebird motifs! Just once your iron's hot, you'll want to get busy! Use them for pillow cases, towels, aprons, the luncheon cloth for your guestroom! In sunny yellow, blue and maize on white. Quick to make, quick and easy to transfer. No embroidery!

Pattern 7315 24 motifs from 1½ to 3½ inches to 5¾ x 7¾ inches. Easy!

Tuberculosis ranks 8th among the diseases taking the highest toll of human life. At the beginning of the century 7th was the No. 1 killer, but the past 50 years have seen tremendous reductions in the death rate. It is still, however, a serious health menace. The time has now come when we can relax our efforts against this dangerous foe. The Christmas Seal fund needs our support as never before.

The Standard cannot reproduce unsigned letters. The letters must have the writer's name and address for matters of record while a nom-de-plume will appear in the paper if so desired.

Christmas Seals fight TB.

Sixteen Years Ago Today

Jan. 16, 1937

W. P. Pilkie was elected president of the Board of Trade, D. A. Anderson vice-president and F. J. Richardson secretary-treasurer.

Lowest temperature of the winter was recorded Wednesday night and Thursday morning when it dropped to an even 40 below. High winds and snow have made country roads impassable for motor cars.

Mrs. Edna Taylor has returned to town and is presently working in the Herchiver Insurance office.

Forty-eight boys and girls took part in the first annual high school hoopsiel. Skip Bob Law won first and Skip Mark Norton 2nd in the open event. In the secondary Frank Manners won 1st and Percy Cooper second.

Thirty-two Years Ago Today

Jan. 23, 1921

The $10,000 by-law for equipping the new municipal hospital was again defeated by a vote of 250 to favor and 175 against. The by-law lacked the necessary two-thirds to carry by 17 votes.

Wildmere Winks

Mr. and Mrs. R. Denily of Tri-angle were called to Calgary last week owing to the serious illness of Mr. William Lee, Denily's father. They returned home on Monday and left father in much improved. Mrs. Illness was caused by the flu germ hitting the brain, making it necessary for an operation. Everyone is pleased to hear he is now on the way to recovery. Mr. and Mrs Williams have visited in the last several times.

Mr. and Mrs. Peggy Graham enjoyed a cup of coffee with Mrs Graham's parents on Saturday evening at the Boston.

A rink comprised of Robt. Marshall, Ed Gaetz, Mrs. Chalmers and Ray Gaterberg took part in the Sportsmen's banquet at Vermilion and while they did not land the prizes they enjoyed some good dinner.

Mrs. R. Osterberg returned home from the hospital on Saturday feeling much better after her recent operation.

The writer enjoyed a nice chat on Saturday with our Claymore scribe: also Mrs. F. Playne and was pleased to see her looking so well after her siege of illness.

The municipal snow plow came out on Saturday and cleared roads for the first time this winter. While the roads were not blocked Cr. Jim Fraser and team were called out the snow pushed off into the ditches.

Mr. John topte these days in "income tax". Many have been called in to assist the men at the Legion hall for a clerical... Mr. Ed Jennings is among those we think a Production tax would be a better way and it would catch everyone. What do others think?

May our Tring column keep on in its present form another year. Maybe next summer if a picnic can be arranged by the Standard staff and scribes we will be able to meet the writer.

Marriage and Gary Cruthers and Bobby and Kenny Graham attended the hockey game in Vermilion on Saturday night.

Bowtell Bulletin

It is some time since the writer has penned any news so some of these items may be old.

Of course we all enjoyed the very lovely weather over the Christmas season but have not relished the 30 below weather experienced of late.

The hall was packed for the annual Bowtell Xmas tree and the plays, songs and program generally proved very enjoyable. A new feature was the attendance of both Mr. and Mrs. Santa Claus to the great delight of the children. The busy Rees did a great job of trimming the tree and filling such good candy bags.

Miss Rhona Monaghan, Kenny Rees, Leslie Sherwood and Granny Robinson were all home for the Yuletide.

Fifteen attended the church service which was held at the home of the writer.

It is nice to see Mrs. Fred Playne home again and looking so well.

The young folks enjoyed several nice skating parties on Lippert' lake during the mild weather preceding cold snap.

Isabelle Sherwood enjoyed a visit recently at the W. Isley home in the Wooded district.

Geo. Gow and Bob'. Repp each have two turkeys at the present turkey shoots. Good shots boys!

Mr. and Mrs. Gow have a new Ford Pilgrim car. They journeyed to Gleichen for New Years. Mrs. Gagnon returning with them.

Due to the illness of her son Mrs. Johnson planned for the ladies of the Bowtell district.

Winners at the last card party held at the hall were: Ladies' Mrs. Harrison; Gents, Jack Semeniuk, Jim Repp, Charlie Bird.

Mr. and Mrs. Mr. and Mrs C. Pierman home from their holiday in the U.S. Merrill's having the electric lights installed in their home.

The Knutson family were recent guests for supper at the home of Mr. and Mrs. Maggs. Mr. and Mrs. Peddely, Mr. and Mrs. T. Sherwood visited Friday at the Walker home. The Gow family were recent supper guests at the Repp home

Elvin Lippert and family have moved back from B.C. and are now settled south of town.

Ed Lippert, we are sorry to say is suffering from throat and nose trouble, and is under the doctor's care.

The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

Registered Seed—A Money Maker

Overseas buyers of wheat are pointing to the record crops of wheat harvested this year in the U. S. and Canada Australia and the Argentine too will be shipping more wheat than they did last year, and Russia and Turkey will have wheat for export. Overseas buyers will be closely Canada will have plenty of competition. The one great advantage that Canada has is that our wheat is somewhat higher in quality, that is in milling and baking value, than any wheat in the world. Other countries, however, are building up the quality of their own wheat so we must do [illegible] to improve it so as to keep ahead of other countries. There is but one single way to improve the quality of our wheat and that is by the use of registered seed, because Registered seed is the only stock that is guaranteed to be true-to-variety to all extremely high standard. Every farmer, then, will be benefitting not only himself but all his fellow farmers by purchasing a few bushels of Registered seed; besides which, of course, Registered seed brings higher grades and higher yields, and so more money to the individual farmer.

BALANCED RIDE !

Plymouth for '53

smoother, even on the roughest road

Pick the roughest road. Give the new Plymouth a workout. You'll discover the smoothness you would only expect in a more expensive car! It's Balanced three ways against roll, against pitch, against bounce. A revolutionary new system of weight distribution, springing and shock absorber action makes the Plymouth Balanced Ride steadier—more level—softer.

The new Plymouth offers you more for your money in many ways.

In POWER—with an engine of unsurpassed long life and economy. In DRIVING EASE—with wonderful parking and steering control. In SAFETY—with specially curved windshield to reduce reflections—Twin Cylinder front wheel brakes—Safety Rim Wheels which give added protection in case of sudden tire failure. In COMFORT—with Plymouth Balanced Ride—wider, softer rear seat—greater head, leg and hip room. In CONVENIENCE—with 20% more trunk room—control glove compartment on the dash—under seats doors. And last but not least—more in BEAUTY AND STYLE—soft, long, low lines—colourful beautiful interiors that would grace a far more expensive car.

Plymouth's traditional value is ever greater than ever. Never has the purchase of a car been such a sound investment of your hard earned dollars. Drive—compare—see your own eyes!

Allandale Notes

Since last writing we've had a touch of old man winter. The coldest here was 40 below on Jan. 14th. More snow too, and it does hamper car travel, hiding the ruts and ice causing cars and trucks to swing into the ditches very easily. From Jan. 5th to the 15th we had below zero temperatures and today (19th) is a very nice day for January.

Greetings to Mr. and Mrs. Jack Young of Goderich, Ont., we wish you well in this new year and hope you are enjoying your old home and friends very much.

Mr. and Mrs. Auburn Kepke of Spring Park called at the Ormess home on Jan. 2nd.

Mr. and Mrs. Ralph Stromse motored to Saskatoon on Jan. 3rd to visit Ralph's sister in the hospital. He is recovering very well from his operation.

It was good to be able to attend church service on Jan. 4th in Vermilion and to have dinner with the Hoobuck family after. Had a lovely afternoon reminiscing as Sybil bright Canasue scores in 1932-33 is still doesn't seem so long ago.

We were pleased to hear that Ort Stromse' rink, Don Wilson, John and Keith King won second in the Farmers' spiel at Vermilion. It was a lovely prize for each of them, flash cameras and curling trophy and tray.

The electricians did very well in fixing the plant so soon after the explosion on Jan. 14th. Power was off here from 7 p.m. to 12:30 p.m. the same day. Though the lights didn't shine altogether we do have power. The management certainly are to be congratulated on their co-operation in that line.

Vermilion was crowded with shoppers last Saturday, likely out after the cold spell. It was nice to see relatives and friends enjoying a milder day, though it covered quite heavily for awhile. Hope you arrived home safely Mr and Mrs. Moore and family.

The Nelson twins post the half century mark, Isidore Treffle and Ellen Marie, born in Port Bruton, Montana Dec. 28th, 1902.

Our monthly W. A. meeting was held at McPhee home on Jan. 13th. All were out but our secretary so our annual meeting is postponed until February. Our next meeting will be at Mrs. Belmoon Trees are beautiful, as they are all covered with a thick frost.

Closing Thought: A real friend is one who will tell you of your faults and failings and have the courage and love with his hand and heart in adversity.

Liberals Plan Joint Public Meetings

WILL CONTEST EVERY CONSTITUENCY IN FEDERAL ELECTION

Candidates representing the Liberal party in the next federal election will be asked to arrange joint public meetings with candidates of other political parties to allow the voters to compare the merits of the party platforms and the qualifications of the candidates.

This was announced by W. J. Egar of Innisfail, president of the Alberta Liberal Association, who presided at an executive meeting of that body held in Calgary on Jan. 10th.

Mr. Edgar also announced that the Liberals will contest every constituency in the province in the forthcoming federal election.

docks on the second Thursday, Feb. 12. Mrs. McPhee and Mrs. Thomson are the lunch committee.

Hello Pleasant Valley—my first bulb is in bloom, the hyacinth, and is it ever beautiful! The first time I've seen one and the fragrance is wonderful. Thanks to you. The others are coming along well. Our minister of last summer sent us 25 tulip bulbs at Xmas from their garden in Hamilton. Should the bulbs be planted now or kept until next fall?

To all you kind folks who let us know how you appreciate our news column — we appreciate your kind news very much, thanks a lot.

Mr. and Mrs. Phillips had some of their family home for Xmas — Mr. and Mrs. A. Chevrier (Alta.) and son Gavin from the city; Mr. and Mrs. Martin Lonesting (Rita) and family Danny, Linda and Gail from Wainwright, and Morris Phillips also is staying with his sister Rita taking grade 10, and Gordie, who is working at Wainwright. Mr. Phillips, Jr. who has been working in the city came for the holidays and is spending the winter at home.

Jack Williamson is visiting with his sisters Joyce, Muriel and families.

Today, (20th) "Happy Birthday" Shirley.

Weather is still mild, 15 above at noon.

Letters to the Editor

This paper does not hold itself responsible for opinions expressed by correspondents.

K. R. I. Vermilion.

The Editor,
Vermilion Standard.

Dear Sir:

How wrong Mr. Aalborg is in his current report to the people in his last paragraph. The Social Credit party of Alberta did very little towards creating the prosperity that the province has enjoyed and is enjoying. The Dominion Government with its security and arrangements has created the prosperity we feel now. As a farmer I do not see where the Alberta Government has done much for me. Our crops of wheat and oats that we have to sell are handled by the Dominion Government's Wheat Board. Our Alberta market for livestock is also set by the prices at Winnipeg and Toronto and the East. When the U.S. embargo on Canadian cattle was lifted then the cattle growers really got a lift, but the Social Credit government had nothing to do with it — it was a Dominion matter. It would appear that as far as prices for our products are concerned our B.C. government can do little about it.

The F.U.A. did ask the Government to pass legislation to authorize the setting up of marketing boards but the request was turned down. If I lived in Saskatchewan I could get my car insurance much cheaper, also my hospitalization much cheaper. I wouldn't have to pay out in the neighborhood of $1200 for something I haven't got as yet, rural electrification.

We, the farmers, have been shoved into large municipalities and large school divisions without giving us any voice in the matter. Take it and like it was the motto, and now what they will make out of the mess I don't know, scrap the whole works and bring in a county system, more costs and more taxes.

The boom in oil has certainly helped the B.C. government with lots of cash in the treasury, but while the Government may be an Easy Street, the municipalities are not.

The Social Credit party is seeking to do like it did in B.C., oust the two capitalistic parties, Liberals and Conservatives, right to Ottawa. Backed up by the rodders of the oil men and other big business it may become the one big capitalist party in Canada, that is their dream. Their tactics are the same as applied in Alberta by the late Mr. Aberhart, religious broadcast and politics cleverly intermixed. Mr. Manning is now doing the same with a broadcast all across Canada. It is expected that it will bring in lots of votes for S.C. when the time is ripe.

Yours truly,
H. W.

Isley Hospital Board Holds Year-End Meeting

The year end meeting of the Isley Municipal Hospital board was held in the hospital on Jan. 3rd. All board members and the secretary were present.

Minutes of the previous meeting and the financial statement were adopted as read.

Authorization for the secretary to attend the annual audit was given and receipts of the auditor's statement were ordered to be distributed to the ratepayers.

Mr. Wood gave notice of motion seeking to extend both the coverage and authority to transfer patients to other hospitals upon receipt of information and advice from the Dept. of Public Health.

Salaries and accounts were ordered paid as approved.

Matron's Report: In hospital 7, admitted 19, discharged 19, remaining 7, births 1, operations, major 3, minor 4. Grant days 216. Receipts $4384.85.

Adjournment to meet Feb. 14th at 2:00 p.m. in the hospital.

Salaries $1081.00; Phone 10.25; Postage 7.00; Utilities 58.89; J. H. Ford 52.97; H. G. Young 67.06; Edmonton Journal 40.04; W. E. Greer 98.80; NADP 45.64; Safety Supply Co. 2.82; Alta. Nat. Prov 30.75; Fisher & Burpe 25.07; Ed McPherson 11.30; Petty cash 6.36; J. McNeely 11.25; Hospital Pharmacy

Kitscoty News

Mrs. J. G. Ingils left last week for a visit to her mother Mrs. Balzer who resides at Glencoe Ont.

Mr. John Browne left last week for Edmonton where he visited with his daughter Mr. and Mrs. A. C. Lindell and family for a week, before proceeding to Schuler, where he plans to spend the next three months.

Mrs. C. K. Miller was a recent visitor to relatives and friends in Edmonton.

Mrs. S. O'Connor spent a week end recently visiting at Mannville.

Mr. Joe Batty and Mr. and Mrs. Jack Allen visited Mrs. Batty in Edmonton this past week end. Mrs. Batty plans on being home before the end of the month as her health is much improved.

Mr. and Mrs. R. S. Pidcock accompanied by Mr. and Mrs. Kent of Mars Cove spent the week end in Edmonton visiting at the home of Mr. and Mrs. Lindell, where they visited with their daughter Ella.

Mr. and Mrs. William Tipper and family visited in Edmonton this past week end.

Miss Sheila Pidcock spent the week end visiting at the W. R. Kent home in the Irwinville district.

The town and district extend sincere sympathy to the A. McLean and N. McGregor families on the death of their brother Mr. Bob McGregor who passed away in an Edmonton hospital after a short illness.

Citizens of Kitscoty and community extend their deepest sympathy to Mr. and Mrs. C. Brown of Fenlon district on the tragic loss of their son Charles when their farm home was destroyed by fire recently.

Miss Marlene Quinn who is on the office staff of the Vermilion River M.D. is now residing with her parents Mr. and Mrs. Charles Quinn in their new home here.

Watch Your Weight And Live Longer

Over two million Canadians are reducing their life expectancy by overeating. And overweight persons are currently our primary public health problem, states the February Reader's Digest.

That overweight is a major factor in many of the diseases that cut death after 15 is shown conclusively by life insurance statistics. Heart disease, whatever its specific cause is always aggravated by obesity. A recent study of the health of Army officers revealed a greater incidence of high blood pressure among overweight individuals.

Contrary to popular belief, overweight afflicts all economic groups about equally, not primarily those of idle leisure. Physical examinations of "war employees" on industrial plan disclosed that over-weight among executives and non-executives was about the same — one out of five. Today, because of generally improved living standards, the workman is as likely to "dig the grave with his teeth" as the executive.

The great majority of overweight persons acquire the excess pounds by age simply by overeating. On proper diets such individuals can bring their weight back to normal and maintain it so.

The typical article warns however that there is no easy way to reduce safe: no safe way to reduce is easy. Diets should never omit essential food elements or severely restrict calories to the point where weight loss is too rapid. Severely cutting is not the one-body-out-diet-fad any means needed. Unbalanced diets recommended by food fadditers such as artificial essentials and may seriously impair health. Drugs, too, should be avoided.

Consult your doctor on any weight reducing plan, the article counsels. Only a physician has the knowledge and skill to evaluate both the physical and emotional status of the individual, as well as his degree of overweight.

REPORT to the PEOPLE

BY ROBERT FAIR, M.P.
BATTLE RIVER

Dominion Political Expenses

Members of the House of Commons returned to Ottawa after the Christmas adjournment to resume work on Jan. 12th and as this was private members' day, the first regular business taken up was a motion moved by Mr. Knowles of Winnipeg North Centre to amend the Income Tax Act so as to remove the 4% limitation from the section which makes provision for the deductibility of cardinal expenses for income tax purposes. A similar motion was moved by Mr. Knowles last year and unanimous consent was given by members of all parties but when the budget was brought down this decision of the House was ignored by the Minister of Finance and the Hon. Douglas Abbott. On this occasion just as soon as Mr. Knowles had made his presentation, Hon. Mr. Abbott spoke for a short time and flatly refused to make the change requested and in addition to this immediately moved the adjournment of the debate which has the effect of applying the closure to motion or in other words cutting off all further debate.

Members of all opposition parties were not satisfied with this move by the Minister of Finance and a recorded vote was taken on the decision which found all Liberals voting in favor of cutting off further debate.

Soil, Forest, Water Conservation

The next question dealt with was a resolution recommending that the Government should consider the advisability of calling a Dominion-Provincial conference on conservation with a view to the establishment of a national policy on soil, forest and water conservation and land use for all time. Members of all parties spoke in favor of this resolution at the end of the day the debate was adjourned and will be continued at a later date.

To Investigate Power Expense

On Tuesday, Jan. 13th a motion was moved by the Prime Minister which provided for the setting up of a Defence Expenditure committee whose duty it would be to investigate expenditures on defence contracts and similar matters since March 31st, 1950, and to report from time to time their observations and opinion thereon. In connection with this resolution it will be remembered that early in 1952, it was discovered that several persons were implicated in the stealing of goods from the Petawawa Military camp and as a result of this Hon. Brooke Claxton, Minister of National Defence, appointed Mr. C. H. Currie, Chartered Accountant of Montreal and former deputy minister of National Defence to make an investigation of the Works Services Branch of the Dept. of National Defence at Petawawa and all other military establishments across Canada.

Currie Report

Mr. Currie and his associates apparently went to work immediately and his report was tabled in Parliament on Monday, Dec. 15 last. The report has caused quite a stir in the House of Commons and indeed all across the Dominion and the end is not yet. Many people may be surprised to find that in this investigation Mr. Currie submitted his report to the Deputy Minister of National Defence for comment and suggested changes before signing it and finally presenting it to the Minister. This would seem to be an extraordinary procedure for an investigator to adopt, but during the past few days we have learned that the Deputy Minister, Mr. Drury and even the Minister of National Defence consented to this procedure. As a result of the report being taken to Mr. Drury by some of Mr. Currie's assistants, certain changes were made in the report which have the effect of removing the blame from officials at or near the top and making certain other changes which materially weaken the effect of the report.

Space will not permit me to go into a lot of detail as to the articles that were stolen from Petawawa but I am sure many people are following this matter in the daily press. At the present time in Parliament the Hon. Conn. Smythe, the C.C.F. are urging that Mr. Currie carry on further investigation into other branches of the Defence Department because when so many irregularities have been found in the Works Services Branch it is expected that similar irregularities and inefficiency are rampant in other branches of the Army, the Navy and the Air Force establishments.

Security Demand Inquiry

We Social Creditors have demanded that a judicial inquiry take place as we are not satisfied that the Defence Expenditure committee can give the desired results because it is heavily overloaded with Government members and our experience of the past would lead us to believe that this will result in a whitewashing of the Government and the defence administration. We Social Creditors are not satisfied that Mr. Currie's further services will be satisfactory because he has allowed himself to be compelled to make changes in his report and while he has done a good job up to the present time will feel the usefulness with regard to further investigation has come to an end. Nothing less than a judicial inquiry will satisfy the Canadian people or bring out the necessary facts in connection with waste and inefficiency in the Defence Department.

Currie Report

The changes made by Mr. Currie were brought to light as a result of a copy of the original report falling its way to the hands of Mr. M. J. Coldwell, Leader of the C.C.F. party in the House and this copy did not correspond with the copy table in the House on Dec. 15th because changes were made. This was brought to light by Mr. Stanley Knowles, C.C.F. member for Winnipeg North Centre.

Controversy in the House

At the time of writing this report there is quite a little controversy in the House as a result of Mr. Coldwell receiving the report which the Prime Minister claims is stolen property and should have been turned over to Mr. Currie of the Government as stolen property but instead has been used to show up the changes that were made in the report by Mr. Currie at the insistence of the Deputy Minister and the Minister of National Defence.

I am sorry to say that Mr. Coldwell has been confined for some weeks past and even while there was asked by the Minister of National Defence in a letter if he would give information with regard to the party who supplied him with the report but Mr. Coldwell didn't accept to do so. The R.C.M.P. have now been employed by the Government to ferret out this information and really preserving the Prime Minister stated that he soon expects to be able to tell who the party is who supplied the report, and the question of receiving and keeping stolen property is now receiving quite a little attention during the debate.

I am sorry space will not permit me to deal with this matter further at this time but after the Session concludes, I hope to hold meetings throughout the constituency and at that time will deal further with the matter which is of very grave concern to taxpayers all across Canada, many of whom are finding it hard to meet their tax payments in different forms and are now embittered when they find that waste, inefficiency and extravagance exist in the Defence Department without much being done up to the present time, to curb such waste and extravagance.

Local News of Interest

Vanesti Pioneers Mark 49th Anniversary

Mr. and Mrs. Wib Elliott celebrated the 49th anniversary of their wedding on Tuesday Jan. 20th. They were married in Eastern Canada and moved to the Vanesti district south-east of Vermilion in 1912 where they farmed for many years. Selling out in 1944 they retired and moved to Vermilion where they purchased a comfortable home and have resided since. They have three sons, Robert, high school principal at Waskatenau, Clarence of Edmonton who is an engineer with Calgary Power Co., being a graduate in Electrical Engineering from the U. of A., and Arthur, high school principal at Tofield. They have four grandchildren.

Badminton Players To Meet

There will be a meeting of badminton players on Sunday Jan. 25th at 8:30 p.m. at the home of Mrs. Mark Norton. All are welcome. Play is now underway in the Legion hall. All interested may contact Mrs. M. Norton or Dr. Bob Anderson.

Ladies At The Edmonton Bonspiel

A rink of Vermilion ladies curled at the Edmonton Ladies annual curling fiesta this week. A Manville rink entered by Mrs. J. J. Conford is also there, and have reached the prizes in one event.

APPRECIATE CHORAL SINGERS

The Matron and staff of the Vermilion hospital wish to publicly thank several groups of choral singers who visited the hospital during the Xmas season, namely the Anglican choir, Intermediate C. G. I. T. group, Salvation Army choir, and the Stagettes.

Bowtell Bulletin

Deepest sympathy is extended to the Gould family in their sorrow at the passing of their husband and father, Mr. Jim Gould.

Nineteen ladies attended the last Busy Bee meeting held at the home of Mrs. Hardie. These included two visitors, Mrs. Burns and Mrs. Beatty. Mrs. Veri McGinnis sent a large box of chocolates to the club for Xmas. It was decided to have a pot luck dinner at our next meeting at 1:30 noon at Mrs. D. Harrison's. Each lady is to donate 2 quilt blocks, 1 crazy quilted and 1 plain, size 12 inches square. These are to be made into a quilt to send to Korea. It is hoped that this will be the beginning of many quilts before the winter is over.

Mrs. Jorgan, Mrs. Repp and Mrs. Fenton were dinner guests Thursday at the Hardie home in town.

The Robertson family, Mr. and Mrs. Ternoster and Dr. Sweet were guests for supper recently at the home of Mr. and Mrs. Jim Miller.

Mr. Jones celebrated his 71st birthday, and Mr. Vanden Dolder his 72nd on the same day, Jan. 16. May you enjoy many more birth days neighbors.

Mrs. Jonnson spent last week in Edmonton. Bob made the return trip with her on his way to Toronto.

Mrs. Knutson and Maybelle visited Friday afternoon with Mrs. Repp.

Congratulations to Mr. and Mrs. Tom Rochfort on the birth of a baby girl at the Vermilion hospital.

The writer was pleased to have visitors on Sunday in the form of Mr. Gow, George and Dorothy.

A crash was reported seen at the Walk-r and Morrison homes recently.

Sixteen attended the church service at the Jones' home last Sunday. Thanks are extended to the Mis's for the loan of their portable organ. It was nice to have Mrs. F. Payne with us again. The next will be held at the Clarke home.

The Morrison family motored to Edmonton recently.

Basic TV Principles Invented by Boy of 16

A schoolboy of 16, Philo Farnsworth, outlined the basic principles of television in his high school science teacher at Rigby, Idaho, in the summer of 1922. The story of this strange birth of television is told in the February Reader's Digest.

"I had known hundreds of boys before I met Phil," his teacher, Miss Justin Tolman, said. "But he was the one I knew was different." Farnsworth aligned up for freshman chemistry, but within a few days he began appearing with the senior class boys. Soon he was devouring every science book in the school library.

One afternoon Tolman found the blackboards cluttered from border to border with electrical-circuit diagrams, on which Farnsworth was explaining something to a group of couches. The drawings represented the details of electronic television. Miss Tolman never handled the boy who was in his infancy, a boy of 16 in a small town high school conceived the principle behind the mammoth TV industry of today. The teacher was skeptical, but Farnsworth answered every one of his objections.

Years later, Farnsworth's patent was contested and Tolman was able to reproduce the diagram on the blackboard from memory. Farnsworth got the patent and TV today is using many of the features of his high school blackboard diagram.

Have you answered that Xmas Seal letter?

Grassland F.U.A. Hold Meetings

The January meeting of Grassland F. U. A. local was held at the home of Mr. and Mrs. D. Matthews. Due to the extremely cold weather only ten members were able to attend. However there were very lively discussions on the questionaire concerning the International Wheat Agreement and local community affairs.

It was decided to ask Mr. Doyle, Canadian Red Cross field organizer, to show his films and give a talk on the work of the Red Cross at the February meeting. As soon as arrangements have been completed further information will be published for those who are interested. Please watch for posters.

The monthly meeting of the Greenlawn F.U.A. local for December was held in the community hall on the 16th. 21 members attended to hear the delegates' report on the annual convention.

Harlan Green gave a very interesting report of the F.U.A. convention and the other two delegates added a few remarks to his report. This was followed by a very profitable question-discussion period.

Mrs. Green, who was the delegate to the new election, was unable to give her report at the time because of illness in the family. Her report is being looked forward to at a later meeting.

Wildmere W. I. Notes

The W.I. met at the home of Mrs. W. T. Garnett on Wednesday, Jan. 7th with eight members and two visitors present. Mrs. R. Disben and Peggy Gingham.

The meeting opened with O Canada and the Ode. Roll call was answered by ideas for our monthly project. It was decided to send wool blankets to the Red Cross Relief for January project. Next month each member is to donate 25c for rolls for Korea. At the annual meeting it was decided that branch convenor make up reports in June. Treasurer's report was read by Mrs. D. Disben. There was no sick report. Correspondence from Save the Children fund and Salvation Army was tabled. Handicraft list was on hand and members chose what they wanted to make.

New program books were approved of and were brief and interesting. Owing to Mrs. Whitlock, who was to give the topic, being absent, Mrs. W. J. Garnett read a letter from Mrs. Davis of Barton W.I. in England. It was very interesting. She also mentioned the fog that is so bad over there. Mrs. R. Smith read the current event form of a jumbled word on "Christmas", which Mrs. Disben won the winner.

Johnny Jump-Up was won by Mrs. R. Smith. Next meeting will be held at the home of Mrs. Disben on Thursday Feb. 5th. Our regular day falls during the Ladies banquet and dance so we decided on one day.

The meeting closed by singing 'God Save the Queen'. Our hostess then served a bountiful lunch.

Your Contribution Needed

TB Christmas Seal contributions are still coming in and the totals to Friday for Edmonton and Northern Alberta now stands at $73,250, according to D. H. Bower, chairman of the Edmonton Kinsmen Club Christmas Seal committee. This is only $4,750 short of the objective of $88,000, and could be made up quickly if all who haven't already sent contributions would follow the advice, 'don't delay—do it now'.

Mr. Bower said, "I know there must still be many district residents who intend to help us fight tuberculosis again this year, and we shall be grateful for a prompt response to this appeal. It has always been our policy not to allow anyone to drop out for months, but we cannot afford to lose precious money to carry the fight to the enemy if we are to achieve ultimate success. The sooner we close our books each year, the sooner we can issue our annual report to the people."

Provincial total amounted to $181,300 last Friday, still short of the objective of $235,300. It is reported by officials of the Alberta Tuberculosis Association.

Vol. XJ IV. No. 29. Vermilion, Alberta, Thursday, January 29th, 1953. $2.00 per Year

Returning Officer Appointed for Plebiscite

Town Council To Aid In Coronation Celebration

The regular meeting of the town council was held Jan. 19th with Deputy Mayor D. R. Mitchell and Crs. Payne, Reid, Urquhart, Webb, Sutherland present. Absent, Mayor S. C. Heckbert.

Correspondence: Dept. of Public Health re Plumbing Inspector's course: Medicine Display re Coronation; Provincial Planning Board re Advisory Commission; Alberta Civil Defence, re Course and a meeting with the Council; Mrs. Lang re business lots assessment; Dept. of Public Welfare re A. Lang family; Mr. F. J. Richardson re gas rate hearing.

The following motions carried:

That taxes in the amount of $142.23 outstanding on Lot 3, Blk. 11, Plan 66178 be cancelled.

That By-law No. 2-53 appointing Hiram Hodgins returning officer to take a note of proprietors' electors for the proposed water and sewer extension to the east end of Vermilion be given first reading.

That Hiram Hodgins be appointed to act as returning officer for the by-law.

That Mr. Sutherland and the Mayor be appointed as a committee to work with committee from the Canadian Legion to formulate plans for coronation celebrations.

Cr. Reid drew attention of the Council once again to the need of standby equipment for the town's pumps. It was decided that regardless of whether or not the town is successful in borrowing money for the extension of the water and sewer system, that some consideration should be given to installing a right angle gear on the pumps that could be operated by a gasoline engine.

Meeting adjourned.

Vermilion Agricultural Society To Hold Annual Seed Fair

The Vermilion Agricultural society is at present making plans for the holding of the annual Seed Fair. Details will be announced at next week's issue of the Standard.

Suitable awards will be made and it is probable that seed experts will be in attendance to discuss the vital importance of good seed.

Mr. Buckingham, the District Agriculturist is co-operating with the committee named by the Society and the further co-operation of all interested in either selling or buying good seed is solicited.

United Church Will Present Program, Play

A concert play "The Unlighted Candle" will be presented in the United church on Friday March 6th at 8:00 p.m. It has in the cast boys and girls of Sunday school, girls from the C.G.I.T., Young People and adults of the congregation. Selected musical items will be included in the program to give you an enjoyable evening.

Normal Operation At Power Plant

Canadian Utilities resumed full normal operations on all lines at noon on Sunday, Jan. 25th. During the preceding ten days all new main cables were fitted in place of those damaged by the explosion and fire of January 16th. All services had been maintained in the meantime by temporary connections with the Calgary Power Co.

ATTENTION!

Canadian Utilities wish to thank all customers for conserving their use of electricity during the first few days of repairs, and thank the various business houses in town for their co-operation after normal business hours.

Garden Club Calls Annual Meeting

The Vermilion Horticultural Society has arranged for the annual meeting to be held on Thursday, Feb. 3rd at 8:00 p.m. at the Vermilion school of agriculture.

Everyone is welcome whether or not they are members. The guest speaker will be Mr. P. D. McCalla, Supervisor of Horticulture for the Provincial Department of Agriculture. The president, Wm. Kreger, asks for members and anyone who is interested in gardening to come out to hear Mr. McCalla and to take part in the meeting.

Cars will be on hand at the office of the District Agriculturist at 7:45 p.m. sharp.

High School Curlers In Three-Way Tie

BY TATLER-PEARSON ILLUSTRATIONS

A round-robin play-off between Paradise Valley, Kitscoty, Vermilion high school and Vermilion Junior High was held at the Vermilion curling rink on Saturday Jan. 21st. It was hoped that a winning team would emerge from this group to represent this district in the Tri-Provincial Northern Alberta elimination. However, after three rounds of play there were three rinks with two wins and one loss each. The big surprise of the afternoon was supplied by the Vermilion grade 9 team who played a mighty creditable game while which was then considerable admission and mark against from their fello curlers expect from their fellow curlers. A series of sudden death finals between the three, Kitscoty and the two Vermilion rinks, is to take place this week in order to choose the representative for the Edmonton eliminations.

Personnel of the rinks were:

Paradise Valley — Duane Fred Hicks, Frank Lawrence, Charles Hicks, Art Seagrave. Coach, Mr. C. Richardson.

Kitscoty — Dave Ihnan, Gordon Jacobs, Elmer Vennier, Lorne Vennier. Coach, Mr. J. Smith.

Vermilion Jr. H. S. rink: Reg. Ed Friesell, Ken Shepherd, Neil Crawford, Ken Hall, Rod Stewart.

Vermilion High Rex Hooker, Bob Stewart, Ron Inman, Richard Shewchuck. Mr. Angus Smith.

Kitscoty Wins

Curling in Vermilion Wednesday evening Kitscoty high school rink eliminated the Vermilion high school rink in a close game 7 points to 5. The V.H.S. had previously beat the Junior high in a game on Monday.

Junior C.W.L. Active; Doris Keating President

In October of 1952, a Junior Catholic Women's League was organized in Vermilion and has been very active under the able leadership of our president, Doris Keating, vice-president Gladys O'Donnell, second vice-president Maxine Hamula, Kay Mitchell secretary, and treasurer Olga Mikitiuk.

The first undertaking was a tea served late in November in honor of Christmas carols, recitations and games prepared by Olga Mikitiuk. Every member showed by both the youngsters and their parents and friends.

It has been decided to hold monthly meetings every first Wednesday of the month in the home of one of the members until such time as the church parlors are available.

To date there are 16 members in the organization and anyone interested in joining is always welcome and may do so by contacting Mrs Edwin Smith at phone number 163.

Tigers Win From Bonnyville

Playing a fast wide open exhibition game on Thursday night of last week the local Tigers outscored Bonnyville 12 goals to 6.

Official Opening Of New Municipal Office At Kitscoty

The official opening of the new municipal office at Kitscoty is being held this Thursday afternoon, Jan. 29th. Hon. Anders Aalborg will officiate at the ribbon cutting ceremony at 4:00 p.m. and this will be followed by a dinner. Mayor S. C. Heckbert and Mr. Keith Chalmers President of the Board of Trade, will represent Vermilion at the function.

Vermilion School Division Holds Organization Meeting

R. C. MEAD ELECTED CHAIRMAN

The organization meeting of the Vermilion School Division No. 21 was held at the Divisional office, Vermilion, on Friday, Jan. 23rd.

Present were A. L. Brown, and Arthur Clarke, Paradise Valley, completed required oath of office as newly elected trustees for Subdivs. No 1 and 2.

Election of Officers

Chairman R. C. Mead, Clandonald

Vice-Chairman — D. C. McGrath, Tolland

Finance Committee—R. C. Mead, A. L. Cooper, Superintendent and Secretary

Building Committee R. C. Mead, W. L. Brown, T. C. Chamberlain and D. C. McGrath

Auditor R. C. Hewlett, Kitscoty S.D.

Building committee arranged to meet at Kitscoty on Jan. 30th at 3:00 p.m. to inspect buildings.

Barbadale S.D. Divisional Board representative will attend meeting at Barbadale S.D. to discuss centralization and proposed bus route on Jan. 29th at 3:00 p.m.

Regional Meetings in Subdivisions: Reports from annual meetings in subdivisions were reviewed.

West Creney, Cheviot Hills, and Mannville Areas: Petitions calling for central school to serve this area were read. Meeting for election of board of school trustees to be held at Cheviot Hills school on Monday, Feb. 16th at 3:00 p.m.

Woodville S.D.: Ten tenders were received for a garbage recently advertised for sale. Building was sold to M. Varnas for $150.

New school: It was decided to seek permission of Minister of Education to have a local board of five trustees. Interim committee is now acting for Woodville S.D.

Superintendent's Report: Supt. Brown reported on school attendance since date of last meeting. Miss Helen Thera, Cream Hill S.D., Mrs. Marguerite Buckingham, Kitscoty Hills S.D., and Mrs. Amy Hammond, Lake Ella S.D. are new appointees. Miss June Gardenson was recently transferred to Telfordale S.D.

Districts which could be considered in future centralization were listed as Bellamy, Barbadale, Kokanee, Batteries, Triangle, Prairie and Ravenwood.

Financial Statement and Auditor's Report: Board received 1952 financial statements and Auditor's report. Printed copies of financial statement are available and will be presented at local board annual meetings to be held prior to Feb. 28th.

Sale of Buildings: The Advisory Board will prepare list of buildings to be offered for sale, after permission has been received from the Department.

Next meeting will be held Thursday, Feb. 19th.

Mrs. Lena Williams Wins Challenge At Derwent Bonspiel

DERWENT. — Derwent Ladies' Curling club held their annual bonspiel on Jan. 24th and 25th. Twelve rinks entered the three-event spiel

Winners were

Grand Challenge

1st Mrs. Lena Williams' Vermilion; 2nd Mrs. McConnell Derwent; 3rd Mrs. Algar, Derwent.

Mrs. Hanson, Derwent

Wyrobnets Event

1st — Mrs. Hodgson, Dewberry; 2nd Mrs. Jones, Dewberry; 3rd Mrs. Braithwaite Dewberry. 4th Mrs. Hancock, Derwent

Consolation Event

1st Mrs. Tanchuk, Myrnam; 2nd Mrs. Back, Two Hills; 3rd Mrs. Meronyk, Myrnam; 4th Mrs. Bowman, Dewberry.

A successful banquet was held in the Derwent hotel for the curlers.

Mr. and Mrs. William Smith Celebrate Golden Wedding

Mr. and Mrs. William Smith of Vermilion recently celebrated their Golden Wedding anniversary with a reception held at their home. During the afternoon sixty old friends and neighbors called to extend their best wishes. The coast to the East and groom of 50 years was proposed by Mr. Ivon Smith of Mannville.

William Smith and Elizabeth Brown were married in Glasgow Scotland on December 31, 1902. In 1904 they came to Canada, living for a year in Manitoba before coming to Alberta and settling on the homestead south of Mannville where a son Tom now carries on farming operations.

Mr. and Mrs. Smith retired some years ago, living for a time in Mannville before coming to Vermilion nearly five years ago.

They have four sons and three daughters, William at Penticton, B.C.; Tom, Mannville; Bert, Redwater and Jack in Vancouver; Mrs Alex Stone, Vermilion; Mrs. Archie Little, Vegreville, Mrs. D. Mullen, Vancouver.

Mr. and Mrs. Smith were the recipients of many beautiful gifts, flowers and cards. Phone calls and telegrams were received from members of the family and friends in B.C. who were unable to attend, also a letter of congratulations from Mayor Hewlett of Vermilion.

Members of the family present to assist in celebrating this happy occasion were Mr. and Mrs. Tom Smith, Mr. and Mrs. Ivon Smith, Mr. and Mrs. A. Little, Mr. and Mrs. A. Stone, Stuart Little and Doreen Stone.

Skip Hodgson Wins Challenge At Dewberry

Parlor and Down Blake Take Provincial Rights and Provincials Events

DEWBERRY. — The men's open bonspiel is now over. Once more it proved a very enjoyable week favored with mild weather. The smoker on Wednesday evening was well attended with 36 rinks represented and some visitors. Fourteen Dewberry rinks competed and managed to keep 7 of the 12 prizes at home.

The Grand Challenge was a duel for the last rock between Skip Hodgson and Fred Braithwaite with Hodgson winning the game and the event with his last rock.

Winners of the various events were as follows:

Grand Challenge

1. Skip Gerald Hodgson, L. Rebgyna, G. Skinner, Ray Haskill, Dewberry.

2. Skip Fred Braithwaite, Roger Jumpy, Jr., Dewberry, Clarence Jumpy, Jr., Dewberry, Stan Jumpy, Jr., Dewberry.

3 Vince Lisoe rink of Heinsberg.

4. Frank Bowman rink of Dewberry.

Wyrobnets Event

1. W. Parker, Dewberry. 2. S. Murray, Marwayne. 3. I. Inman, Islay. 4. Skip Graham, Marwayne.

Wyrobnets Event

1 George Ewen, Dewberry. 2. H. Schlosser, Chauvonnes. 3. Tom Jarrett Dewberry. 4. R. Redman, Dewberry.

During the spiel hot lunches and dinners were served by the seven rinks of lady curlers who worked from 9 a.m. to past midnight daily to keep spectators and players out of the hungry list. They laid the banquet table as well. The men have expressed their appreciation by making them a handsome cash donation towards the ladies' annual bonspiel.

Trim Wainwright 8 Goals To 2

VERMILION TIGERS SHOW AT THEIR BEST

Showing a complete reversal of form of the game with the Tigers on the local Tigers fairly enthusiastic on Saturday evening and showed up the visiting Commandos by an 8-2 count. The Tigers were clicking in every department and they were working beautifully and the defensive work was outstanding.

The Tigers were spurred by defenceman Jim Ferguson who was travelling both ways and turned in the hat trick, scoring 3 goals. Jim Martin notched 2, with Pat sula, Lew Murray and Gordon Jacobs getting one each. The one Commando tally by Straie scored on Carter's pass, and Murray from O'Connor.

Ken Brown was practically air tight in goal and really brought the crowd to its feet on several occasions when looked like a sure goal when the easy Straie made a clean break at his own blue line, streaked in on Ken unhampered only to have that young custodian coolly smother the shot.

Gordon Hamilton of Edmonton and Ron Murray handled the game. 13 minors were handed out with 8 going to the Tigers and 5 to Commados.

Line-Ups

COMMANDOS — Mark, Ramsay Murray, Thornton, Straie, Gilchrist, Coombes, Hensch, O'Connor, Klimowitch, Ross, Carter, Nairne, Maddins, Hallett.

TIGERS Brown, Lea Williams, Ferguson, Robertson, St. Martin, Patsula, Barr, Rowe, Foote, Bill Williams, Leahy, Kozbil, Schmidt.

Summary

1st period—Ferguson (Barr, St. Martin); Ferguson (Robertson); Penalties—Nairne, St. Martin, Barr, Leahy.

2nd period - St. Martin; St. Martin (Barr); Straie (Carter); Patsula (Barr); Penalties - Coombes, Barr, Carter, Ja. Williams. "

3rd period—Lea Williams; Ferguson (Bill Williams); Foote (Bill Williams); Murray (O'Connor); Penalties Hallett, Nairne, St. Martin Leahy, Leahy.

City Team Here This Friday Night

TIGERS PLAY VEGREVILLE ON MONDAY NEXT

Vermilion Tigers will play the Edmonton McCauley Commandos in an exhibition game at the local arena on Friday Jan. 30th commencing at 8:30 p.m.

On Monday evening at 8:30 the Tigers play another home fixture with the Vegreville Rangers showing here for a regular league game.

On Wednesday Feb. 4th the Wainwright Commandos play their last regular league game on Vermilion ice.

So there it is fans — plenty of hockey fare for the coming week.

JUNIOR HOCKEY SATURDAY NIGHT

WAINWRIGHT vs. VERMILION

A double hockey attraction is billed for the Vermilion arena this Saturday evening when the Vermilion Midgets and the Wainwright Midgets will centre off at 8 p.m. These boys are 16 years and under. The Vermilion team is coached by Ole Mamman while the Wainwright boys are under the guidance of Ray Strate

At 7:00 p.m. the same evening Strate will have his Pee-Wees here to meet an All-Star Vermilion Pee-Wee aggregation. These little fellows have plenty of that youthful vim and vigor and are well worth watching.

All this at the Vermilion arena at 7:00 p.m. Saturday. Admission for the doubleheader is only 25c but even if you can't go that night — buy a ticket!

Agricultural Service Board Plans District Meetings

DISCUSSION AND FILMS ON AGRICULTURAL TOPICS

The Agricultural Service Board, with the co-operation of the Vermilion Forest Division, has planned a series of meetings throughout the district.

The purpose of these meetings is to discuss agricultural matters, and if possible films on different subjects.

The District Agriculturist is assistant to help anyone wishing to obtain a pure bred bull under the Government's Loan Policy.

The dates are outlined below; you will find these meetings interesting and worthwhile, so attend the one nearest your farm, and bring your friends.

All meetings are scheduled to commence at 8:00 o'clock.

Battleview School — Feb. 4th.
Preston School — Feb. 5th.
Valencia School — Feb. 9th.
Thorncliffe School — Feb. 12th.
Wildwood School — Feb. 18th.
Golden Valley — Feb. 19th.
Paradise Valley — Feb. 24th.

By The District Agriculturist

"GREEN ACRES"

Brad Figs — Poor Feeding

Every day, farmers report to me that they have lost pigs from scours disease. Mostly the trouble can be traced to wrong feeding. Oat and barley chop is not enough to keep pigs thrifty and healthy. Supplements containing extra protein, minerals and vitamins should be added to farm grown grains. A few of farmers are checking losses by using supplements to balance the ration.

Use Good Sires

All good stock men agree that it is false economy to use poor bulls. A real calf crop means a higher price for market cattle when the time to sell them comes around. Well bred grade dairy, and beef sires feed and fatten up better. Bulls are available at a discount of 15% through the Cattle Improvement Days in Vermilion River M.D and Flat Lake-east in Minburn M.D

De-Worming Pigs

Most pigs are infested with worms. It costs a lot to feed worms and besides the pigs are unthrifty, slow growing and may die from peritonitis or pneumonia. Get a circular from my office on losing worms with Sodium Fluoride. This is the latest, best and cheapest way to kill worms in pigs.

Seed Cleaning Cream

Recently I saw a farmer feeding Seed Canary Grass hay. He said that he grows this grass in sloughs where nothing else but wild barley (foxtail) grew before. It pays well to seed down sloughs to this high yielding hay. It lasts for years and smothers out wild barley.

Salve-Bed Lesions

Anyone on the power line should look over the use of saltpetre before brooding chicks or young pigs. Through the use of thermometer everything is under control. Besides heat the lamps provide healthy brooding.

Flax Growing

You can get around the quota by raising flax. This crop has paid well in recent years. All one needs is clean land as flax does not fight weeds as well as grain crops. Also be sure to use the Red Wing variety.

Homemade Cloths

Seed catalogs are beginning to come in. This means people will be ordering seeds. Not always does the biggest tomato in the catalog grow the best here. Get a Horticultural Guide from this office and check on the recommended varieties for your own district. Also varieties best suited for locker storage are listed.

Letters to the Editor

Edmonton, Alberta,
January 26th, 1953.

The Editor,
Vermilion Standard,
Vermilion, Alta.

Dear Sir:

I would like to take this opportunity of thanking you for your very fair and impartial reporting of the recent accident at our Vermilion plant.

The staff mentioned that while you were anxious for news and information, you made a point of not bothering anybody while they were so busy trying to restore service and get the plant back in operation. This attitude is very much appreciated.

Yours very truly,
J. C. Dale,
General Manager,
Canadian Utilities Ltd.

Canadian Club Enjoys Address By Prof. Gad, University of Alberta

The address delivered by Prof. Gad of the Engineering Department of the University of Alberta at the dinner meeting of the Canadian club in the Legion hall Thursday evening might well be termed "Intricate Disposition of Arms Length". It had to do with the efforts of state diplomats to come to an understanding of how the different questions involved in the adjustment or settlement of disputes following the collapse of Germany as regarding territorial disposition. The victorious countries, France, England U.S. and Russia, were apparently jockeying for personal positions on the new map of Europe.

The speaker who is a well known linguist, had the very pleasant position of general interpreter for all of the nations represented. He was the only one of many there whose interpretation was acceptable to the Russians. It was useless the Professor suggested, to try to fathom the Russian mind. They seldom were ever satisfied and they invariably had exercise in not accepting any declaration as final. Every word had to be interpreted to them, even the jokes. They pretend not to understand anything except possibly adjournment for lunch or to a future date, upon which there was the utmost harmony and required no interpretation. After lunch the whole matter would sometimes have to be gone all over again to explain some reference upon which the Russians requested further enlightenment and so on from day to day as time used, wasted — and nothing accomplished.

If it was decided that countries, he visited, the Russians jumped at the suggestion, no doubt with the purpose of posing to the people as being their friends, and the others capitalists.

In trying to settle the labor question the Russians stood by the representation made by the German workers, 48-hour week and all the trimmings. England particularly could not follow that far. This provided an irritable point in the discussion and it is still unsettled. The Russians are to the German people placing the blame for bombing the industrial centres on the capitalistic countries in order to destroy confidence. Their propaganda which might be said was increasing in intensity, aimed at creating a break between the armed and the occupational powers.

The speaker suggested they were gradually winning people over. The armies of occupation are also a source of irritation and upon which the Russians are playing to the limit. The address was most interesting in that it gave the gathering an insight to the lumbering processes present in international conferences where waste of money and time was so prodigious. From it all it was learned the rather alarming fact that Russia was slowly and steadily making heavy inroads into the lives of the peoples of Western Germany despite large armies and the bait ads.

There was a good attendance and President Gerald Stephens was in the chair. An excellent and enjoyable dinner was provided by the Legion women.

Vermilion Curlers Big Prize Winners

Vermilion Curlers have been big prize winners at various spiels during the past week.

At Viking playing in really top-notch competition Skip Darrell Carrah with Aldous Kent 3rd, Lloyd Magnus of Lloydminster, 2nd, and Hans Calnest 3rd, won fourth in the annual refrigerator spiel. The Carrah quartet turned back Billy Rose twice but succumbed to last year's Macdonald-Brier representative, Art Simpson of Bonnyville, who in turn lost in the final to Runyon of Viking.

Ladies Win at Brosseau

For the third year in succession Skip Lena Williams won the Grand Challenge at the Derwent Ladies annual open bonspiel. Her rink was Mrs. Gowen of Ranfurly, Mrs. Kay Shattuck and Mrs. H. Schoonmaker.

At St. Paul

At St. Paul's bonspiel Skip Glen Gibbons with Roger Rowe, Geo. Webb Jr., and Norman McClunahan annexed the Merchants competition while Skip Gordon Park, Ed Corley, Ort Simons and Jack Hobsam won the Garage event.

Skips Ben King and Bill Sutherland have rinks in Wainwright this week and Thursday evening they were both undefeated and playing each other in the finals of the Challenge.

Aldous Kent has a quartet at the Marwayne annual spiel. More about the results next issue.

Mr. Chow Karpoy Laid To Rest

Final tribute was paid to Mr Chow Karpoy, for many years a respected and valued citizen and business man of Vermilion, at his funeral services held on Wednesday January 21st at the First United church, Vermilion. The very large number in attendance was a testimonial to the esteem and affection in which Mr. Chow Karpoy was held by everyone who knew him.

The service was conducted by the Rev. C. W. MacKay who chose the very fitting theme of kindness in his comforting remarks to mourners and friends alike. Here indeed was a man whose kindness was the essence of his character. Following the address by the minister, Mr. Wong Sing, in the native language of the departed, completed the obsequies with a short tribute to the deceased. The long funeral procession on its way to the cemetery halted momentarily before the various properties of Chow Karpoy, at his home and the two cafes, wherein he had such a well known figure.

Chow Karpoy passed away on January 1st, 1953, after a lengthy illness, at the age of 85 years. He had been a resident and business man of the town of Vermilion since 1908.

Moyers were in charge of the funeral arrangements.

CARD OF THANKS

Mrs. Chow Karpoy and family extend their sincere thanks for the expressions of sympathy, floral tributes and memorial donations received during their bereavement

Bowtell Bulletin

Wedding bells are to ring in our district in the near future for Betty and Robert.

Mr. and Mrs. Fred Playne and Mr. and Mrs. Lippert were guests for supper on Sunday night home of Mr. and Mrs. E. Jessop. Harney Powell and Frank Minard were visitors Sunday at the Walker farm home. The writer, Mrs. Dedelly and Mrs. Jessop spent an enjoyable afternoon with Mrs. Joyce Repp.

Congratulations and all good wishes to Mr. and Mrs. Steve Warawa whose wedding took place on Thursday.

During the cold spell a certain neighbor took the battery out of his car. A nice day came and he decided to drive to town. He put the chains on but one tail couldn't get it to go. He went back into the house to tell his good wife that they couldn't go to town as the car just wouldn't start and was gently reminded that a car usually won't go when the key is behind the cook stove! Null said eh, Ernie?

At time of writing George Shepherd is on the sick list, as well as Dorothy Coe.

The Caro family were recent visitors at the Robinson home.

The writer was pleased to receive a long letter from Mrs. Hewitt (nee Miss Paget) who taught school at Bowtell in 1926.

IN MEMORIAM

In loving memory of the writer's mother who passed away on January 30th, 1948:

"Time takes away the edge of grief
But memory turns back every leaf
A loving thought, a silent tear,
A beautiful thought of you
Mother Dear."

OBITUARY

WILFRID JAMES GOULD

Wilfrid James Gould, beloved husband of Sylvia A. Gould, passed away at the family home, Isley, on Saturday, January 17th. He was 72 years, 9 months.

The late Mr. Gould was born at Newington Kent, England on April 10th 1880. He came to Canada at the age of 9 years with his mother, father and family, settling first at Cypress River, Man. At the age of 25 he journeyed to Alberta to homestead in the Isley district where he resided up until the time of his death. In 1918 he married Sylvia A. Laughlin of Vermilion. Three children were born of this union: Marvin Gould at home, Mrs. Laura Thacuk of Lac la Biche and Maurice Gould of Vegreville.

He leaves to mourn his loss besides his loving family, 3 sisters: Mrs. Edie Giles of Victoria, Mrs. Maude Clare of N. Edmonton, Mrs. Nellie Coombe of Vermilion; brothers, Mr. Bert Gould and Mr. Fred Gould, both of Isley and Mr. Tom Gould of Victoria; 30 nieces and nephews and 3 grandchildren.

The funeral services were held in the Unitad church, Vermilion on Thursday Jan. 22nd at 2.30 p.m. The Rev. Mr. Morrison of Lloydminster conducted the service. Mrs. Morrison sang "Stranger of Galilee" accompanied by Mrs. S. Roebuck of Vermilion. The hymns were his favorites "Safe in the Arms of Jesus" and "Lead Kindly Light".

Pallbearers were Lawrence Gould, Gordon Gould, Frank Gould, Lloyd Goun, Claude Underdown and Harry Young. Interment was in the Vermilion cemetery.

Beautiful floral offerings were received from:

Loving Wife and Family: Sister Nellie, George and Helen; Sister Maude, Arthur, Bernard and Winnie: Sister Edie, Syd and family: Brother Bert and Gladys; Brother Tom and family: Brother Fred and Rose: Mrs. E. Gould: Frank, Therese and family: Claude, Joyce and girls: Clarence and Nancy. Dave and Dot: Elmer, Percy and Barbara: Bob and Belle and family: Mrs. H. Gordon: Kathleen and Willie Bennett: Ian and Will Bell: The Christian Science Group of Lloydminster: Tom and Isobel Sherwood and family: Curtain, Andre and girls: Bill and Lyla: Mr. Bowser and family: Mrs. Cummings and Pat: Mr. L. Fenner: Mr. and Mrs. Ernest Jones: Mr. and Mrs. Chas. Hoskin: Mary Wilmer and Rena: Jeremee: Mr. D. Wispinski: Matt and Pearl Hnylyk: Burt and Helen Parker.

Donations to funds in memory of Mr. Gould:

Cancer Fund: Kiech, Jean and boys: Carl and Norah Johnson. Ernie and Ethel Rooke: Rosegean Laundry, Curves Family.

Crippled Children's Fund: Lawrence, Curtains and family: Lenora and Peggy.

Isley Cemetery fund: Mr. and Mrs. A. Young.

Moyer's were in charge of arrangements.

CARD OF THANKS

Mrs. James Gould and family wish to express their thanks to all those who sent floral tributes, to those who extended their sympathy through cards and letters or in person, also for the many kindnesses shown during the time of their sad bereavement.

Deer Lake

Mr. and Mrs. Bill Cusack have returned from their trip to California. They had a wonderful time and enjoyed glorious weather

Mr. and Mrs. George Finney have left on a motoring trip to Ontario. Word has been received from them at visits to Regina, Chicago, Detroit, Windsor and Toronto. While in Windsor they stayed some time with Mr. and Mrs. Joe Kimbrell, (nee Mary Philbin). At present they are in Toronto. They intend to spend a week or two in California coming home by way of the west coast.

Geo. Finney Jr. won second prize in the open bonspiel bringing home a beautiful silverer. Leslie Bowman won third prize, a pair of pillowcases. Starting a hope chest Leslie?

John Thompson has a new John Deere tractor.

The ladies of the Dewberry C.W.L. wish to thank all who attended the bingo party on Jan. 16th and all others who helped in any way.

Peers Edmonton spent a week end visiting daughter in Mr. and Mrs. H. Sheppard.

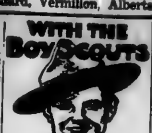
Mr. James McCarthy was a business visitor to Edmonton this past week end.

Many Kitscoty radio listeners had the pleasure of hearing the United Church choir under the direction of Mrs. E. Batty in a Scottish broadcast on Jan 25th. Burns' day over station CKUA, Battleford.

The curling rink under the management of Stan Gerritts is going full swing these days and the word 'Bonspiel' is in the air every day now.

The skating rink is also a popular spot now. Archie McTaggert is the caretaker.

WITH THE Boy Scouts



On Feb. 22nd, 1857, Robert Stephenson Smyth Baden Powell was born. Through the life of Lord Baden Powell, as he later became, millions of boys have been inspired to lead happier healthier and more useful lives.

Baden Powell had a vision, it began at the siege of Mafeking where boys were used as messengers and under fire proved themselves very capable.

In 1907 Baden Powell held the first Boy Scout camp at Brown Sea Island. At this camp he put his ideas to the test. The camp convinced him that his ideas were feasible, so he immediately put them into a book called 'Scouting for boys'. This book is the backbone of Scouting today.

He gave us our motto 'Be Prepared' and the Scout Promise which every Scout and Leader makes when he is invested.

Vermilion has had a good Scout troop for many years. During the past few years the troop has been under the capable direction of Mr. Charlie Chuck Heckbert, who has recently stepped aside. At present Scouters Miss Dixon and Bill Nancekivelle are in charge of the troop.

The troop has been reorganized lately and we have three patrols instead of four as previously. Patrol leaders are Neil Crawford, Danny Letourneau and Don Stewart.

Congratulations are due Neil Crawford who has recently completed proficiency badges qualifying him for his Queen's Scout badge. Next will be the Scout to win this badge in Vermilion.

In closing we might quote from Lord Baden Powell's last message to all members of the Scout movement. It was found among his papers after his death.

"I believe that God put us in this world to be happy and enjoy life. Happiness doesn't come from being rich or from merely being clever. It comes in your own way of self-indulgence. One step towards happiness is to make yourself healthy and strong while you are a boy, so that you can be useful and can enjoy life when you are a man.

"But the real way to get happiness, is by giving out happiness to other people. Try and leave this world a little better than you found it, and when your turn comes to die, you can die happy in feeling that at any rate you have done your best, and not wasted your time. 'Be Prepared' in this way, to live happy and to die happy — stick to your Scout Promise always even after you have ceased to be a boy — and God help you to do it."

IN MEMORIAM

In loving memory of
Mrs. Louise M. Canton
who passed away Jan. 25, 1952.
"The arrows of life rolls on,
But still the memory is fair
Recalls the love the voice, the smile,
Of her who once was here."
—Ever remembered by Husband, Sons and Daughters.

IN MEMORIAM

In loving memory of
Charlotte English
who passed away on Jan. 30th 1952
"Deep in our hearts is a picture
Of a loved one laid to rest
In memory's frame we will keep it
Because she was one of the best"
—From Dad, Larry, Arthur, Frank, Jack and Hilda

THE 1953 PONTIAC brings Canadians a completely new line of automobiles with 20 body styles in five series. New styling inside and out, new colors, improved riding qualities, greater vision and roomier interiors are among the highlights. Available are eight and six cylinder engines, the latter with substantially increased power. Options such as Powerglide or Hydra-Matic automatic transmissions, depending on the series; Power steering; and the Autoray Eye, an automatic headlight dimmer, are available at extra cost. Shown here is the Custom Catalina.

NEWS from ISLAY

B. Tenley is home, after having an operation for stomach trouble. We are glad to see him out on the street again. Mr. Art Robinson is attending to the elevator for Bill.

Islay has a Junior hockey club with Walter McCaughan as coach. On this team are Billie and Jim McQuigan, Ken McLennan, Don Martin, Jimmie Wilkinson, Ken Gunn, Billie Petrin, Tom Casey, Rod Carey, Lyal and Duncan Carey, Gerry Madre, Raymond Kowalski, Don Carlson, Perry Linton, Keith Burt. On Saturday they played against Mirror's boys on the Islay rink. The score was a close one, 4-2 in favor of Mirror's. Members here for Islay were Billie Petrin and Rod Carey. Bill McQuigan was in the net for the locals. Next Saturday the boys journey to Kitscoty. Of course all these boys don't play at the same time—if we have omitted some name, we apologize.

Two rinks of women went to Kitscoy for a friendly game of curling on Tuesday. The men are in the hospital at Mannyace. Some were couldn't go as they are doing the chores.

The men who do not curl manage to work in supper with friends such as the Mate's. At supper Friday night with Mr. and Mrs. Fred Payne and on Saturday night at the Purser's home.

The dance Friday night here to raise funds to buy gramophone for the school was not noised them $40 clear.

Mr. and Mrs. Bothwell had dinner at the Anderson's on Sunday. Ralph brought them in to church, and then had dinner and spent an enjoyable evening.

The next W.A. meeting, Feb 5th, will be at the home of Mrs. Clarke. A full attendance is requested. The W.M.S. Presbyterial is in Mannville on the 6th.

Buddy Bolton who has been in hospital for some days went home on Tuesday.

We hear that Mrs. Gladys Gould believe in "Preparedness" and quite right. She was in keeping the old coal furnace intact, just in case the oil furnace wouldn't work sometime. Which it didn't on the day of the church service, so the wood and coal was piled into 'old standby' and the house was warmed. Good for you Gladys—saved your flowers too.

Wildmere Winks

Rowtell scribe—we also have a crow wintering at the fowl corral of Mr. George Wilson of Wildmere and Mr. Saturday there were 20 of them there. Where do the second one come from? Maybe from Bowtell, or have you still a burrow?

Our St. Johns First Aid course conducted by Mr. J. Bauman of Islay finished on Jan. 15th. 14 took the tests from Dr. Smith at the Legion hall on Jan. 20th and 13 were successful in passing. How did you folks at Kokree make out on your tests? Even if one does not pass the knowledge has been gained one will never forget. We want to thank Mr. Bauman for his fortitude and patience with us. We made some crude bandaging sometimes but all enjoyed the Thursday evenings in an! Mr. McGladrie spent with the class at Wildmere.

Our deepest sympathy goes out to the Gould family in their hour of sorrow in the loss of d dear husband and father. You have this to be thankful for, he lived a long and useful life and his many deeds of kindness will live on and on.

We send our deepest sympathy to Mrs. Carl Sampson of Lloydminster on the loss of her father Mr. Young in Edmonton; also to his brother Mr. Charlie Young of Hindville, in their hour of sorrow. The grim reaper has called several times at their door though it all God has given them a helping and guiding arm to lean on in their heavy loads of grief.

Mr. and Mrs. R. Martin and Doreen visited Sunday at the C. Whitlock home in Wildmere. In the afternoon Bob brought Doreen, Margaret and Hazel Whitlock over to the Wallington lake for a skate with the Graham family. Come again folks.

We always seem to forget a newsitem it seems: On Tuesday evening Jan. 13th the mother and Graham children enjoyed a good supper and pleasant evening at the home of Mrs. C. Cruthers. Even had a car call for us and brought us home again. We enjoyed you Naomi.

Mrs. Robert Martin has been visiting the dentists this last while; having two extracted.

Cliff Cruthers along with three other men from Vermilion compose a rink curling in the Wainwright bonspiel this week.

J. Iathe of Bassweod enjoyed a visit from his sister Agnes and others from Bonnyville a week or two.

Twin calves arrived at the Cruthers' on Tuesday morning, one of both mother and babies doing fine.

Dewberry News

Curling Notes

To Fred Braithwaite goes the palm for good sportsmanship this winter as he took a rink of three inexperienced curlers, two juniors and one adult who has curled very little. He took them into the open bonspiel where the competition is hard travelling for the best quarters and made a wonderful showing.

Seven Dewberry rinks are taking part in the Mannyace bonspiel this week.

Dewberry ladies' rinks were in to the Derwent splet last week and returned home with prizes.

Coyotes May Get Bolder

Now that this district is in the fables quarantine ares coyotes may get bolder as all dogs are to be dyps at home Next month being the mating season you chaps with rifles should be on the lookout for coyotes in pairs. Our latest coyote hunter Allen Swarzitzer has his hound's ready for any coyote who venture too close. Joe Maitais and Cameron Isert have caught a large number of coyotes with their hounds since fall.

Philip Lemn is a city visitor this week having his eyes tested.

A. Redman and Fred Braibweaite journeyed to Viking to see the finals in the big Trip Splet there.

Hazeldine community club are holding a dance in their hall on Jan. 30th for the purpose of raising funds for community affairs.

QUICK CANADIAN QUIZ

1. Name the two Canadians who were rodeo-rovers of Innuits.
2. Only who may introduce into the House of Commons a bill involving the spending by the government of the public's money?
3. On the average, how many persons in a Canadian household?
4. Average income per capita in 1949 was $775 in Britain, $315 in Russia, $620 in Sweden. What was it in Canada?
5. How much does each Canadian

Kitscoty High School

The election for Carnival Queen candidates will be held this week so everyone vote for his favorite 'gal'. Results will be published later. Carnival night is Feb. 20th, everyone be sure to come.

Don Hannah, one of our star defencemen was injured this week at hockey practice. He was accidentally clipped by a stick and three stitches were needed. Later on in the week we lost a game 3-0 to Marwayne and Don got two cracked ribs and an injury to his head.

David Haan, Gordon Jacobs, Elmer Venance and Lorne Venance travelled to Vermilion last week end to play off for the right to go to Edmonton for the provincial high school curling championships. At present there is a three-way tie with the finals to be played later. Good luck kids.

We wondered why all the girls in the girls' dormitory had that C.B.'s look last week. Gee, but it must be nice to be those grade 11 girls in the boys dorm. Freedom — how wonderful!

Instead of our usual high school dance on Wednesday nearly every one went skating. Fun was had by all, also plenty of bruises and stiff joints.

We're all waiting with baited breath for the moment Nurse Rose will step into the school with her little immunization needle ready for action. It's almost a sure bet there'll be an abundance of stiff sore arms next week.

It's good to see Patsy Kneen back out of the hospital. We're sorry to hear you weren't feeling so well Pat.

Why a Vermilion motorist joined the AMA

The Alberta Motor Association with its 82,000 members is a respectsand aggressive fraternity working in the interests of Alberta's Vehicle owners. It vigorously pursues a business-like Policy for promoting highway improvements, lower insurance and gasoline costs, safety and Tourist Trade. The many invaluable services performed by the Association and its affiliates are available to its members anywhere on the continent.

As AMA member enjoys all these benefits

- Membership carries Personal Accident insurance to the amount of $5,000.
- Free professional legal advice in case of accident or on matters pertaining to motoring.
- Secure vehicle and driver's licence for members.
- Emergency road and towing service at special reduced rates.
- Free travel accommodation service, vacation planning and information.

ALL FOR ONLY $10.00 PER YEAR

OUR COMPLETE SHORT STORY—

Baby With the Big Blue Eyes

By LEWIS ALLAN

"IT'S A great song," insisted Max Logan, a pudgy fiveginger extended in emphasis.

Jack Callahan, president of Tunful Music, Inc., removed his cigar to sighted. "Look, Max, I've got a pile of stuff on the shelf . . . I'm going to give it to you straight. You're a has-been, resting on your royalties. You haven't been around for ten years. Now, all of a sudden, you expect to hit the jackpot. Your stuff is dated . . . Every number you've sent me was a stinkaroo. That's what you got for gallivantin' all over instead of stayin' in Tin Pan Alley where you belong."

Logan turned around, eyes moist. "And don't start cryin'," said Callahan, "I remember you from the old days."

"This," said Max slowly, "is from the old days. I wrote it before . . . Nobody left. It's better than anything I ever did. I never showed it to anyone . . . except one person . . . I wrote it from my heart."

Callahan's smile vanished. "A dame?"

"She broke my heart," said Max, wiping a tear. "I wrote it the day before she left me . . ."

"Sit down," said Callahan with suppressed excitement. "Have a cigar. Why didn't you tell me?"

Max shrugged. "People got their own worries."

"Listen, son," mused Callahan, "when you fell for that Follies dame, you wrote My Wonderful Mama. You went for a society dame and you wrote You Walked All Over My Heart. Every time you broke your heart, you wrote a hit. Then you disappeared."

"It was the real thing," said Max, his eyes brimming. "She broke my heart for good. I stayed away ten years on account of that baby."

Callahan elbowed a memory of sanctified silence to pass. Max blew his nose. "What's its name?" asked Callahan.

"Baby With The Big Blue Eyes", repeated Callahan, tasting every word. "Sit down and knock it out."

"It's like taking my heart out for everyone to see," Max sniffed, striking a chord.

Callahan opened the window wide and sat down on the ledge.

Max began, his voice vibrant.

"Baby with the big blue eyes,
Baby with the big blue eyes,
I'm looking for you,
Baby with the big blue eyes."

He opened his eyes and soulfully looked at Callahan.

"Go ahead, Max," said Callahan, glancing below. Someone had stopped to listen. "It's got somethin'."

"I'll keep on yearning
You'll be returning,
Baby with the big blue eyes,
I'm looking the check,
Listening for your knock . . ."

There was a knock at the door.

"Busy!" called Callahan. He closed his eyes. "On on, Max."

The door swung open.

"I said we were busy!" shouted Callahan. "Get out! Go ahead, Max."

But Max was staring at the door, his jaw hanging.

Callahan turned. A tall blond woman was there, looking at Max as if he were something the cat had dragged out of the gutter.

"It must be fate," she said, softly. "Here I am walking along on the street and I hear a familiar tune. I thought so! Here's a summons."

"A summons?" said Callahan. "What for?"

"Alimony, brother. And about time."

She walked over, slapped a paper in Max's lap, and stalked out.

"Who's that?" exclaimed Callahan.

"That," sighed Max. "is Baby with the big blue eyes."

MAGIC RAISIN SCONES

Mix and sift into bowl, 1½ c. once-sifted pastry flour (or 1¼ c. once-sifted hard wheat flour), 3 tsps. Magic Baking Powder, ½ tsp. salt. Cut in finely 4 tbs. chilled shortening and mix in ¼ c. washed and dried raisins and ½ c. lightly-packed brown sugar. Combine 1 slightly beaten egg, ½ c. milk and a few drops almond flavoring. Make a well in and a few drops almond flavoring. Make a well in centre of dry ingredients and add liquid, mixing with fork, adding milk if necessary, to make a soft dough. Knead for 10 seconds on a lightly floured board and pat out into ground pie plate (7½" top inside measure) and mark into 8 pie-shaped wedges. Bake in hot oven, 425°, about 15 minutes. Serve hot with butter or margarine. Yield — 8 scones.

Wonder Cow at Chater, Manitoba

Photo courtesy of Brandon Sun.

Wesley Smyth, of Chater, is shown above with his 21-year-old Holstein, "Sunbeam's Memory". During her lifetime this cow has produced 16 calves, and even now is being used on a nurse cow for Mr. Smyth's herd. Sunbeam's memory, however, must soon have completed their usefulness before reaching the age of 16.

BRANDON.—On the first day of July, 1941, one of Wesley Smyth's cows had a calf on his farm just south of Chater, seven miles from Brandon. Normally, there would be nothing unusual about such a happening on a dairy farm, but this particular calf was number 14 in a group produced by "Sunbeam Colantha Chatsey", a registered Holstein cow in Wesley's herd. At the time, Sunbeam was almost 20 years old.

On January 15 Sunbeam celebrated her 21st birthday. The amazing thing is that today, more than 16 years past the time when even the best of dairy cows have usually retired their usefulness, Sunbeam is still being used as a nurse cow in the herd. Since her last freshening, she has successfully raised six calves.

Sunbeam's mother was the foundation dam of Wesley's herd. The mother lived for 17 years, and from Beam was the result of Wesley's plan to build a well balanced herd of dairy Holsteins.

Of the calves born of Sunbeam, five were heifers and seven were bull calves. The youngest of the bulls was sold to Another Holstein breeder in the United States and is now the herd sire of Fred Schmidt's North Dakota registered herd.

Throughout her lifetime, Sunbeam has always been a good milk producer. She was also given a "record of production" test under government supervision until she was 15 years of age but even at this age, she produced 13,317 pounds of milk in 357 days, and the butterfat content of the milk was 4.36 per cent.

Given the same test three years later, she produced 12,125 pounds of 4.25 per cent, butterfat in 365 days. These tests compare well with other, younger cows.

Wesley was never a man to exhibit his herd in the provincial fairs, and the first time he took Sunbeam in the summer fair was in 1948. There despite her age, she made a good showing.

Registered at birth, Sunbeam was later classified "very good" by a Holstein association official. This classification is just one notch below the top class of "Excellent" which is given by the association.

Although old age is beginning to show its effects Wesley still considers Sunbeam a valuable member to his herd. For some time he has fed her soft foods for the years have depleted her teeth.

From Sunbeam's appearance as she occupies a well-earned place in the barn, it would seem that she intends to be around for quite a long time yet.

Helpful Hints

To prevent chocolate from sticking to the pan when melting it for cake fillings, rub the inside of the pan with a little butter or oil.

There will not be so many breakages of gelatine jars if they are heated, before being set on a kitchen spoon in hot water and the jelly, or fruit poured in slowly.

If the door lock is dull and stiff it is difficult to open it, oil a needle in machine oil and put it through the keyhole and twist from side to side. This rubs the inside parts of the lock.

Mild soap should be used for laundering corduroy garments. Rinse in warm water and hang up to dry. When the article is almost dry, press on a flat surface and it will come out with a soft finish.

Mixed mustard will be found much more effective than pressing cold.

Do You Know That . . .

Bens mountain peaks near the equator remain snow-covered all year.

PRESS RIPTION

ITCH RELIEVED IN A JIFFY or money back

Warn Drivers On Traffic Signalling

Opening the left front door of a car is not a legal traffic signal for a left hand turn.

J. A. Christie, chairman of the Sask. Highway Traffic Board, would like it understood that this signal does not comply with the Vehicles Act. He admitted that it is better than no signal at all, but stated that the proper signals are either the left arm held straight out from the driver's window, or a regulation mechanical turn signal.

However, Mr. Christie emphasized that a signal is not the only precaution. Anyone intending to turn left in a car should be careful to notice whether another car is following him in his traffic lane.

Furthermore, in traffic at any intersection a cautious driver will assume that the car ahead may turn, particularly if it is in the left hand lane. To pass another car at an intersection is a violation of the Vehicles Act. Such an offence would result in a colored license being issued

The actual solar day is 24 hours long only four times a year.

Old Weapon Is Linked With Primitive Man

GILBERT PLAINS, Man.—The first bend of an ancient weapon has started federal archaeologists on a hunt for tracks of primitive man near this town 90 miles northwest of Brandon.

Recently a "plainview" projectile point was found in the collection of Joe Geisen of Gilbert Plains. The find prompted Dr. R. S. MacNeish of Ottawa to launch a survey of the district and test excavations of the site where the point was found.

Plainview points — leaf-shaped arrow or spear heads with diagonal flaking on the flint — first were found in Texas. They have been associated with the bones of extinct large animals.

During the last two years Dr. MacNeis, had found plainview sites in the Yukon northeastern Ontario and now in Manitoba. This chain of evidence is accepted as a good early man came to America from Asia by way of the Bering Straits.

The men who made the plainview points were of the first known culture in North America. It is believed they occupied the vast region from Alaska to Texas 8,000 to 10,000 years ago.

Window-glass was not in general use for windows until the 19th century.

Woodvale News

This community extends sincere sympathy to the Young family who so recently were bereaved. As Mr. Young lived for so many years in the Hindville district, his former neighbors and friends all attended the funeral held in Vermilion on Saturday.

Word has reached us of the death of Mr. Harry Connaution in Edmonton. He lived from 1926 to 1938 in the Woodvale district with his wife and family. Mr. Connaution had been in ill health for many years and underwent a serious operation for cancer almost two years ago, which seemed at the time quite successful.

Flu is still claiming a lot of victims. Mrs. A. Robinson needed a week's hospitalization for it; while little Sandra Dizen took it after she had chicken pox; Robert Goutier was so sick with the latter disease and the eruptions so large and fierce that it looked for awhile like smallpox, but after visits from the doctor and further observations by the doctor and nurse of the Vermilion Health Unit, it was definitely diagnosed as chickenpox.

Mr Ernie Green of Abbotsford, B.C., was a visitor for a day to Vermilion, but he did not come out into the country, due to the severe cold at the time. Mr. and Mrs. Green might return this summer for another visit, making the trip by car. Their many friends will be glad to see them again.

The first card parties of the year have not been so well attended at Woodvale school but everyone there still enjoyed these pleasant get-together. The dance on the 23rd [illegible] large crowd. The Glee club hopes to be able to buy the old school for a community hall.

The power failure was felt in this district too, but the school children did not mind having a whole day off and later an afternoon, due to the electrically-controlled oil heater not functioning.

Not all the children are able to come to the new school yet as some side roads are not fit for travel by the school bus and a supervisor is looking after five pupils in the Watrous school.

Mrs. Florence McQuid is visiting her sister in Connecticut this month and hopes to see many other relatives and friends in the east in the coming weeks.

An F.U.A. meeting was held at the home of Fred Slocum on the 20th.

When the drilling rigs were removed from west of the Tolland store, all the trucks and cars stopped for awhile at the corner there and from a distance it suddenly looked like a small village, all festively decorated with colored lights.

Strangers quite often become lost on the winding roads of our Woodvale district and end up inquiring their whereabouts at the writer's home. But last week a pair of oil men drove right through our yard on into a field where a truck, made by the manure spreader, kept over a knoll. Soon they returned, quite annoyed, but this time we could not help them find their destination either, only direct them back to the main road. They had come from Edmonton to find a new drill location south of Vermilion, and all the direction they had, was that they had to turn off near a school; they did not know the name of the school nor the section where the drill-site was located — and then they got annoyed at being lost!

At time of writing the forecast is cold weather and near blizzard conditions which would put an end to a week of lovely weather. Let's hope that this is one of the times the weather forecast is wrong. We all do enjoy so much these warm sunny winter days!

March is Annual Red Cross Campaign Month

The Canadian Red Cross Society has announced that the national campaign objective for 1953 will be $3,300,000.

Hon. L. Macauley, Chairman of Central Council, in naming the objective stated that the figure represents a slight increase of less than two per cent over last year's objective.

The Chairman stated that rising costs and rapid expansion of the nation has brought increased responsibilities for the Society. He said that it is likely 1953 will be one of the most active years, not only because of continuing commitments, but because of ever-increasing responsibilities in the Far East theatre of war.

The Chairman stated that all ten provincial divisions, in spite of their increased obligations, have been determined to keep the objective at the lowest possible figure. Mr. Macaulay emphasized that unless the figure of $3,300,000 is forthcoming, many vital and necessary humanitarian services will have to be omitted or curtailed by the Society.

"The thousands of volunteers who will call on the people of the nation during the campaign will be doing their best to reach this objective and with the support of Canada's citizens it will be achieved. To curtail the activities of the Red Cross work would not be in the best interests of Canada's community life", Mr. Macaulay concluded.

The month of March is regarded as Red Cross month and the national campaign will begin Monday March 2nd.

Paradise Valley

The "Valley Maids"

The Valley Maids C.G.I.T. met at the home of Mrs. W. Stoddart on Jan. 21st with 16 members present. Merrine was in the chair and opened the meeting with a sing-song and the repeating of the Girls' Purpose. All the girls helped Mrs. Gunn with the Devotional as they started their missionary project. Mrs. Gunn gave a reading on how Popularity may mean Weakness. How to Dress, Good Grooming Do's and What is your line were further discussed. Finishing secretaries, make-up cases and a few details on laundry bags were taken up. Laundry bags will be started soon in the younger group. The second year girls make aprons and will start pyjamas. Some have started the wardrobe planning. Most of the girls have ordered sweater crests. The next meeting will be on Feb. 4th when we hope to have initiation for the first year girls. All girls are expected to be in uniform. The meeting closed with "Thank You Comrades" and Taps. The game period was taken up by singing. Lois and Grace first each gave a reading showing the difference in serving formal tea and informal teas and then gave a practical demonstration on serving an informal tea. This was well done and much enjoyed.

News Notes From Your District Home Economist

When Ice Forming Plastic

1. When you buy your pattern on the plastic, don't pin it. Fasten it on with scotch tape instead, or use paper clips on the edges. Mark notches with a marking pencil. These can later be wiped off with a cloth.

2. When you're machine stitching use a long stitch, about seven to an inch. Use unwaxed cotton or nylon thread for best results.

3. The tension of your machine is very important. It should be kept very light so that the stitches will not pull and tear the plastic. Make a few tests on some scraps first to decide the right tension and length of stitch.

4. To avoid stretching your plastic material, a little talcum spread along the stitching edge helps to ease it through the machine. Naturally, as in other materials, you must not pull the plastic film through the machine. Just ease it gently through as it sews.

5. Never back-stitch to fasten the ends of your thread. This only weakens your seam by excessive perforation of the fabric.

6. Keep plastic away from too much heat, and never iron it.

Public Health Aspects on Canned Foods

Q. Can foods be stored in the opened can?

A. It is just as safe to keep canned food in the can it comes in — if the can is cool and covered—as it is to empty the food into another container. Thousands of housewives are firm in the faith that canned goods ought to be emptied as soon as the can is opened, or at least before the remainder of the food goes into the refrigerator, one of the persistant food fallacies.

Q. How may one tell if the contents of the can are spoiled?

A. Before the can is opened, neither end of the can should be bulged, nor swelled. After the can has been opened, the contents may be judged as readily as any similar home prepared food.

Q. What causes the discoloration of the inside of some cans? Is it harmful?

A. Some foods contain sulphur which discolors the inside of the can just as sulphur in a cooked egg discolors silverware. The sulphide stain is entirely harmless.

Q. Should foods be heated in the can?

A. It is better to remove the food from the can before heating it. If necessary, unopened cans may be heated in boiling water. But be sure the water does not boil away, because dry heat (as in an oven or a dry pan) may then produce such pressure in the can as to cause it to burst. Sometimes on a camping trip or a picnic it may be convenient to heat food in the can. If so, always puncture the top of the can before heating.

Paradise Valley

Word has come from Victoria, of the death of Mrs. Margaret Weeks, widow of the late Alf Weeks. The Weeks' family real early settlers in the Oxville district and left here in 1922, moving to Luxton, B.C. where they made their home for many years. After the death of Mr. Weeks, Mrs. Weeks moved to Victoria where she died in the Royal Jubilee hospital on Dec. 20th, the funeral being held from McCuil's Funeral Home. Mrs. Weeks was born in Scotland and was 82 years of age at the time of her death. Rev. Douglas E. Carr officiated at the services and burial was at Royal Oak. She is survived by a sister Mrs. W. Silk of North Battleford, Australia, and a niece in Yorkshire, England.

The Farmers' Bonspiel is going strong at time of writing. Sixteen rinks are entered and some good games are being played. Quite a crowd of spectators are in attendance.

P. W. A. NOTES

The P.W.A. held their annual meeting at the home of Mrs. Emil Knor on Jan 7th. Reports showed a successful year. The financial report showed receipts of $748.56, payments $310.87 with a balance of $237.69.

The following officers were elected for the year 1953: Mrs. G. Vencer President Mrs. A. Nickle Vice-President; Mrs. E. Knor Secretary; Mrs. D. Odegard Treasurer; Mrs. Gunn - Press Correspondent. Members elected on various committees were as follows: Sewing and work committee- Mrs. L. Knutson, Mrs. C. Cameron and Mrs. K. Brassington. Cupboard Committee - Mrs. Gunn and Mrs. A. Johnson. Gift Committee - Mrs. Mathison, Mrs. Paulgard, Mrs. W. D. Brecken. Manse Committee - Mrs. W. Stoddart, Mrs. T. Anderson, Mrs. F. Henry. Fact Finding Committee - Mrs. F. Beckett, Mrs. N. Stephenoff. Scripture — Mrs. A. Nickle — Mrs. Beckett moved a vote of thanks to last year's executive. A discussion took place at this meeting re changing time of the meetings to the evening. Due to a number of the members working on the night of Friday Feb. 6th the executive decided to hold the meeting in the afternoon of Feb. 6th instead. Feb. 6th is the church basement as usual with Mrs. J. Gay and Mrs. F. Henry as hostesses. Further details regarding the changing the time of meetings will be discussed and decided. His number the date ladies, Feb. 6th at 2:00 o'clock. Lunch was served at the close of the meeting.

Congratulations to Mr. and Mrs. E. S. Murray on the birth of a daughter born in Lloydminster hospital.

The weather during the past week has been ideal but according to the radio we are due for a change. However, January is nearly gone and it is many years since we have had such good weather as we have enjoyed this winter. Let us hope that February will be as kind to us.

We regret to hear that Mrs. Wm. Mayo is a patient in the Lloydminster hospital. Other patients from P.V. include Mrs. Fred Brassington, s. F. S. Flint who has been a patient for some time has returned home.

TB FUND IS $9,500 SHORT

Only $2,500 is still needed to reach the $95,253 TB Christmas Seal objective for Edmonton and Northern Alberta, it is reported by D. H. Bowen, chairman of the Edmonton Kinsmen Christmas Seal committee. Mr. Bowen said that the committee hopes to reach the $96,000 objective soon, as every cent is urgently needed to keep up an intensive TB-prevention program in Alberta.

Provincial TB Xmas Seal fund now stands at $1,946,561, nearly $23,000 short of the $2,010,000 goal. Receipts to date are nearly at last year's total but the objective for 1952 was raised by $13,000 on account of increased cost of operation and X-ray equipment, money of which will be bought for Alberta hospitals if the Seal sale goes over the top.

Twenty - four Alberta hospitals have received X-ray machines or grants through the Christmas Seal fund for routine chest X-ray of admissions, and another eight have applied for similar installations.

The open red food can has proven to be one of the great revolutionary developments in modern living, says the American Can Co.

A Lead Goes Statistical

(By Live Harris)

Once upon a time there was a Lead; a very self-effacing Lead, by the way, undoubtedly humbled by the kicking around one playing his position is always in for.

Though he had heard many discussions between Seconds and Thirds under full-throttle criticism of their ships he was never elevated to the point where he could join in the sport, of running down the Skinny Laggers that runs the rink.

In fact he was given thoughts and no inkling before that the Skip's son, pro or even at any local aspirant, ever to naught a rock. Not even that evening five ran rock was frowned upon as rotting sinners.

Under the pain-killing influence that's begun to work by the time the ships strategy affects, back comes the weight-lifting, and so much that he decided to keep a record of the score and whether he was listless or what have.

Personal Curling Record

Matches participated in	18
Number of ends	180
Matches won by my rink	1
Matches lost by my rink	17
(Not too bad)	
Total stones thrown in the 18 matches	360
Stones in house	132
Stones short of the Line	121
Stones through house	211
Stones hitting side boards	6
Total stones out of play	351

Reasons For Stones Out Of Play

Wrong turn given by skip 71
Too much broom given by skip 94
Too little broom given by skip 24
Too much weight asked for by skip 24
Too little weight asked for by skip 69
Insufficient sweeping 16
Illegal use of hands by opponents 14
Clipping 36
Interference due to high wind 72
Improper delivery of stone or any part 1
Ever hear of the Scot who wrote the curling editor that if any more such jokes appeared in the column he would quit borrowing the paper?

J. S. Hearnsell of Meadow Lake, Sask., better known to Western curlers as "Mellow Joe", used to describe an end he saw played in which one side scored an eight though every man on the ice played his rocks perfectly. One rink played a total of seven into the house and the other rink passed them through and stayed.

BOOK OF LAUGHTER

Two young naval officers attended a church service in Sweden. They didn't understand a word of the proceedings, but were determined that their behavior be correct. According to them, the pastor made a special announcement and the man in front of them jumped to his feet, the officers did likewise. The roar of laughter that ensued was explained to them later. The pastor had announced a baptism and asked the proud father to identify himself by rising.

Today is yesterday's pupil.

Funny and Otherwise

"My friend," said the missionary, "are you travelling the straight and narrow path?"

In silence the man handed over his card. It read: "Signor Ballancio, Tightrope Walker".

Lawyer—Now make it brief and to the point—how did the explosion occur?

Witness—The engineer was left and the boiler was empty.

"Bill corresponded for a long time with a girl he'd never seen, but when she sent him her picture he broke it off."

"What you might call a photo-finish ending."

A dollar still goes a long way —before it finds something it can buy.

A school visitor was putting questions to a class of boys. He asked who could follow in the footsteps. Do you know the Ten Commandments?" he asked one. "No, sir," said the boy.

What! You don't know the Ten Commandments?" What's your name?"

Moses sir."

"Where's Dad?"

"Standing outside him a pyrocat of a small bottle of brandy as he's gone into the bedroom to feel faint!"

The allotment holder had left the village and taken a house in town. Meeting a friend, the latter asked him what had happened to his country of bees.

"Oh, I've a large attic and keep the hives up there."

"But what do the bees do for pollen?"

"Well, at five o'clock in the morning I go up and open the windows and they all hurry off to the park across the road."

"But they can't do that!"

"Why?"

"The park doesn't open until eight o'clock."

"Any man can find work if he'll only use his brains," said the efficiency expert, "provided, of course, he is ready to adapt himself to circumstances. Take a piano-tuner I once met on the Canadian prairie."

"But even if he was adaptable," protested one listener, "he couldn't make piano-tuning pay with pianos so few and far between."

"Admitted," replied the expert, "but he made quite a decent living tightening up barbed-wire fences."

A pompous shopwalker approached a customer and said, patronizingly: "Good morning, sir, and what is your desire?"

"My desire, sir," retorted the man "is to kick Hayworth, but what I need is a bowler hat."

Buffalo Tongue Was Rare Dish In Early West

YORKTON, Sask.—Buffalo tongue is a rare dish these days. But, according to an old statement donated recently to the Yorkton museum, a pioneer merchant of Touchwood, Sask., had an even 1,000 buffalo tongues on hand in 1855.

And not only will you fail to find any buffalo around Touchwood today, you would have difficulty finding anyone to direct you to the merchant's old trading post.

About 50 yards from Highway No. 15 between Leslock and Punnichy, the last vestige of the old post, part of a roof and a chimney, finally collapsed four years ago. Today cars whiz past over the old trail where oxen pulling Red River carts once clipped off six or seven miles a day.

The merchant's statement including mention of the buffalo tongues was obtained by Sheriff Dave Williams of Yorkton from a friend who picked it and other pioneer papers up at old Fort Pelly when the fort was being torn down. The paper was a statement of provisions at Touchwood Hills, March 24, 1855.

NEW VARIETY OF POTATOES DEVELOPED

TORONTO. — Two new types of Canadian-developed potatoes — the Kesrick and the Canso varieties — probably will replace Canadian potatoes now available, A. R. Martin, crops and seeds director for the department of agriculture, said.

The varieties, products of an extensive breeding program centred at Fredericton, N.B., are beginning to dominate the market here, he told a reporter.

EXPORTS NEAR RECORD

OTTAWA.—Canada exported 350,100,000 bushels of wheat in the 1951-52 crop year. The figure includes wheat and wheat flour in terms of wheat. The total is second only to the record 407,600,000 bushels exported in 1928-29.

4 delicious treats ...make them from One Basic Dough!

It's amazingly simple with wonderful active dry yeast!

If you bake at home, find out the wonder-ful things you can do with Fleischmann's Fast Rising Dry Yeast! Save frequent trips to town because rolls or buns bake or convert from a single dough! Always get Fleischmann's for fast Rising Dry Yeast at your favorite grocery counter!

Fleischmann's Fast Rising Dry Yeast

Made in Belgravia

BASIC ROLL DOUGH

Scald
1 cup milk
2 tablespoons granulated sugar
2 tablespoons salt
2 tablespoons shortening

Remove from heat and cool to lukewarm
In the lukewarm mixture mix a large bowl
¼ cup lukewarm water
1 teaspoon granulated sugar
and dry yeast sugar a dissolved. Sprinkle with
1 cup lukewarm water
Stir in
2 cups sifted bread flour
and beat until smooth and elastic, about
3 cups more sifted once-sifted bread flour
Turn out on lightly floured board and knead dough lightly until smooth and elastic. Form in a greased bowl and grease top of dough. Cover and let dough in warm place, free from draught, and let rise until doubled in bulk. Turn out dough on lightly floured board and knead lightly until smooth. Divide into 4 equal portions and finish as follows.

1. PARKER HOUSE ROLLS

Roll out one portion of dough on lightly floured board to ¼ inch thickness. Cut with floured 2½ inch round cutter. Brush with melted butter and fold each piece of dough in the middle so that one half overlaps the other. Press edges together lightly. Place rolls in greased pan, allowing space between rolls for rising. Brush tops with melted butter and let rise until doubled in bulk. Bake in a hot oven, 400°F., about 12 minutes. Makes 2 rolls.

2. CLOVER LEAF ROLLS

Cut one portion of dough into 3 equal-sized pieces. Roll each piece of dough into a ball. Place 3 balls of dough, one over the other, in greased muffin pan. Brush tops with melted butter and let rise until doubled in bulk. Bake in a hot oven, 400°F., about 12 minutes. Makes 6 rolls.

3. FAN TANS

Roll one portion of dough into a rectangle about ¼ inch thick. Brush with melted butter and cut into strips 1 inch wide. Stack 6 strips of dough one on top of the other and cut through the stack of strips at 1 inch intervals. Place each piece cut side down in greased muffin pan. Brush tops with melted butter and let rise until doubled in bulk. Bake in a hot oven, 400°F., about 12 minutes. Makes 6 rolls.

4. CRESCENT ROLLS

Roll out one portion of dough on lightly floured board to a 9 inch round. Brush with melted butter or margarine and cut into 12 pie-shaped wedges. Roll up each wedge of dough beginning at the outside and rolling toward the point. Arrange well apart, on greased cookie sheet, with point of roll underneath. Brush with melted butter and let rise until doubled in bulk. Bake in a hot oven, 400°, about 12 minutes. Makes 12 rolls.

Guest Week-End At University February 27 - March 1

University of Alberta alumni, parents and thousands of guests are expected to visit the University campus in Edmonton for the third annual Varsity Guest Week end.

The three-day mammoth exhibition is a student-organized function planned to acquaint people of the province with university life.

For the first time the annual alumni luncheon usually held in the fall will be co-ordinated with Varsity Guest Weekend.

Plans include a gala Homecoming Ball in the new Macdonald hotel ballroom, two nights of championship basketball when the University of Manitoba, several teas and formal receptions, musical concerts, a variety show, church services and dozens of faculty displays.

A special edition of the University paper, The Gateway, will be mailed through the province and hundreds of posters and informative bulletins are being prepared for distributing to intermediate and high schools and other interested groups.

The week end officially opens Friday evening at the Students' Union building, after which there will be a preview of the many faculty displays. Events slated for Friday evening include basketball in the university gym, the Alumni ball and a performance of the University Symphony.

Registration for out-of-town students and visitors will begin Saturday morning. The guests will be conducted around the campus by an army of students who will tour places of interest and supply their charges with lunch and free movies.

The well-known University Mixed Chorus, under the direction of conductor Richard Eaton, will perform Saturday afternoon in Convocation hall. Evening entertainment features a variety show sponsored by the Golden Key Society, an honorary association of students who have made outstanding contributions to campus life.

Following the church services on Sunday morning, a Musical Club concert will be held in Convocation hall.

It is expected that between 3000 and 5000 people will attend. Doug Burns, of Calgary, Students' Union Public Relations officer, is in charge of arrangements.

For Expert Hair Dressing, Permanents, waving — See Miss A. Hollaner at her Beauty Parlor, one door north of the Franco Public Service office. —adv.

Sugar beet growers in Canada are now producing enough raw material to supply roughly one-quarter of Canada's sugar needs.

MINBURN M.D. AGRICULTURAL SERVICE BOARD MEETS

The meeting of the Minburn M.D. Agricultural Service Board was held on Jan. 23rd. Meeting called to order by Vice-Chairman A. G. Erickson.

Members present: A. G. Erickson, Chr. A. C. Johnson, Chr. Castle Scott, E. H. Buckingham, D.A., G.R. Sverring, Dept. of Agriculture, Edmonton, Wm. Fitzhutchey, D.A., Vegreville, C. J. Gamble, Supervisor, Mannville.

Moved that the minutes of the last meeting be adopted as read by the Secretary. Cd.

Th meeting was informed that Chairman C. Stewart had resigned from the Board owing to the state of his health, this would necessitate a new chairman. The Council did appointed the following as members of the Board: R. C. Johnson, Castle Scott and ratepayers A. G. Erickson, and Bert Cormack of Kinsella. E. H. Buckingham, D.A., Vermilion.

The members of the Board expressed their regret that Mr. S ewart had found it necessary to resign and hoped that he would regain his full health in the near future.

The Board recommended to the Council that Cr. R. C. Johnson be appointed Chairman of the Board with A. G. Erickson of Ranfurly as Vice-Chairman.

The Supervisor read his report of its activities since the last meeting, he reported that he had received great co-operation in respect to the Special Toad Flax Area from the farmer within its borders and suggested that there might be some merit in extending its borders at some points, that is, provided the scheme is continued this coming season. The compulsory vaccination for Bangs Disease has been commenced last fall and only a small portion of the district remained to be done. Mannville Club has been reorganized. Arrangements are being made to continue meet-

ings at an early date.

E. H. Buckingham: That the Supervisor's report be adopted as read. Cd.

Mr. Sverring suggested that it might be a good idea if the M.D. of Minburn got together with M.D. of Vermilion River in purchasing Sodium Chlorate in a carload lot. Mr. Buckingham to investigate this matter.

The question of continuing the Special Toad Flax Area for the current year was fully discussed and the following resolution was passed:

Castle Scott: That we recommend to the Council that the Special Toad Flax Area be continued for this year under the same conditions as prevailed in 1952, any additions to this area to be approved by the Council. Cd.

Tree planting program was brought to the attention of the Council by Mr. Buckingham.

E. C. Johnson: That we recommend to the Council that in cases where the farmer moves his trees in from his line and plants trees that the Council consider including the cost when building in that area. Cd.

E. H. Buckingham: That the Boards of Trade and F.U.A. Locals within the district be asked to encourage farmers to plant trees around their buildings, etc. Cd.

C. Scott: That Mr. Buckingham and the Supervisor be advised to promote Warble Fly control program through advertising and by meetings held throughout the district. Cd.

Tartarian Buckwheat — The control of this weed was discussed and the Supervisor was instructed to continue his program in respect to the control of this weed.

The Secretary was instructed to ask the Dominion Government Veterinary Branch to speed up the work in connection with the T.B. Free Area.

The Supervisor is to arrange for an exhibit in respect to the seed grain drill survey at the Seed Grain fair at Vermilion.

C. Scott: This board recommends to the ratepayers the seeding down of a considerable acreage to grass this year in view of the fact that forage seed is much cheaper. Forage crops are very useful in weed control and soil erosion as well as providing the best and cheapest stock food. Cd.

Some discussion took place in connection with the following matters: Roadside spraying for weeds, burning stubble, protection of wreastis in this district and various other matters.

Mr. Sterling gave a brief talk to the committee suggested that a local meeting of Agricultural Service Boards be held particularly in connection with the Toad Flax menace. He touched also on various other matters of general interest to the [illegible] ward.

... was agreed that an endeavor be made to hold a meeting in the School of Agriculture at Vermilion in respect to Toad Flax and that Boards from adjoining areas be invited to attend.

C. Scott: That we adjourn to meet at the call of the Chairman, and further, we express our appreciation of the presence of Mr. Sterling and Mr. Pshuchney. Cd.

Claysmore Clippings

L. C. Burnett of Acme, Alta. was a visitor at the home of his sister and brother-in-law Mr. and Mrs. R. M. MacMillan last week. Mr. Burnett farmed for some years near Clay-more moving to Acme in 1947. While here he also enjoyed renewing acquaintances with many old friends and neighbors.

Mrs. A. Oland has her parents Mr. and Mrs. M. Kalishuk from Camrose district visiting for a short time.

Peter Krushinsky motored to Edmonton on a business trip last week. He spent a few days in the city, returning Friday evening.

Mrs. L. Harrison and son Rodney of Stapelhurst spent a few days visiting friends here. Mrs. Harrison is brother and family, Mr. and Mrs. A. Van Beek.

Mr and Mrs. Mike Wopyanka visited the latter's father near Myrnam last week as he has been very ill for some time.

A large number attended the card party at the Orthodox Hall recently when eight tables of whist were played. Prizes went to Mrs. H. Wilkinson and Mrs. N. Wopyanka and Vernon Willies and J. Horne. Following the cards dancing was enjoyed for a few hours. Music was supplied by the Willes family. L. C. Burnett and Peter Krushinsky were hosts for the next party will be Mr and Mrs. R. Williams and Jas Horne.

EASY EMPHASIS

New electric typewriter is designed to emphasize letters typed from normal to heavy lettering by merely flicking the ribbon control notes The Financial Post. It reduces the need for underscoring.

$100 A MONTH FOR LIFE
FROM AGE 60
THIS IS THE PLAN . . .
Suppose you are not over 50: you make regular payments to the Sun Life of Canada. At age 60 you start receiving $100.00 a month for life or if you prefer it, $17,140.00 in cash. Both amounts can be increased by accumulating annual dividends. If you are over 50, benefits are available at a later date.
FOR YOUR FAMILY
Should you not live to the age of 60, $15,000.00 will be paid to your family on your death.
Rates may cover all amounts of premiums from as little as $6.80 per month, and the date or premium can in most cases start at age 30, 35, 40 or 45.

Local News of Interest

LEGION NOTES

President George Martin proposes to put on a membership drive. All veterans in the Vermilion area are eligible to join the Legion. There are quite a few returned men and women in the district who do not belong. A lot of people who do not have the right to belong would like to have the privilege. A membership card in the Canadian Legion B.E.S.L. means a lot to many old members who have stood by the Legion for many years. It should mean something to every veteran.

A special committee consisting of Geo. Martin, Vic Tibett and Capt. Ackerman were appointed to interview the town council and the Board of Trade about making arrangements for a Coronation celebration here that will be a credit to the town and district. It is expected that school children will take a prominent part in any program set up.

The badminton players have made arrangements for use of the court in the hall on Wednesday and Sunday afternoons, also on Tuesday and Thursday evenings when the hall is not rented for other purposes. Should the hall not be available on times mentioned, another time can be arranged for badminton.

Rentals of the hall can be booked through the secretary, E. H. Buckingham or through Tom Dick at the Liquor vendor.

BADMINTON PLAYERS : NOTE:
Badminton will be played in the Community Hall on Tuesday and Thursday evenings, and Wednesday and Sunday afternoons only. Please bear this in mind.
Anyone interested is invited to join.

Canadian Club Calendar

Members are asked to note the dates of the following meetings of the Canadian Club:
Friday, Feb 20- Speaker A. E. Thompson, "Foundations of the Future of the West".
Thursday, March 12—Dr. Andrew Stewart.
Monday, March 30—Dr. James Paton, "Canada, Pivot of World Strategy".
Friday, April 24—Mrs. Murdo McKinnon, "Romance of the Prairies"

Heatherbell W. A. Review Active Year

The Heatherbell W.A. recently reviewed a very successful and active year ending with the following accomplishments:
In January collected clothing for Korea: Sewing for Vermilion hospital consisted of 26 sheets, 32 pyjamas, 5 pyjamas, 62 baby nightlies.
Sewing for the Bruish Home, 27 nightties, 10 pyjamas, 17 pillow cases, 10 prs. boxers.
Donations—Red Cross $5; Cancer Fund $5; Red Shield $5; Parkyn Pike Society $10.
The group also took charge of the sewing tables at the church bazaar in June.
The sum of $17.25 was also spent for flowers, chocolates, cards and fruit baskets for the sick.

Local Civil Service Hold Enjoyable Party

The annual Christmas party of Branch No. 7 Civil Service Association was held in the gymnasium of the C.G.I. on Dec. 30th. The party got underway at 8:15 p.m. promptly with 26 games of bingo. It was pleasing and interesting to note that the young folks took the bulk of the prizes. Mrs. Olsen was the lucky lady to get the Jack Pot prize. Next came the balloon fight which was thoroughly enjoyed by young and old. Thanks to Mr. Roxburgh and Mr. Hamula who are the two 'Simpsons' in the art of balloon blowing.

A very nice lunch was served topped with ice cream and cookies after which the usual kiddies' treat of candies, oranges, etc. were distributed.

So ended our little gathering of fifty-five, 25 of which were children, and we left tired but happy, looking sovereignly and wishing us all a very Happy New Year.

Mr. Jansen who was MC, introduced all members present, and Mr. Hamula and Mr. Fuller took charge of the bingo games. The lunch committee was in charge of Mildred Conboy and Alfred Jansen and Mrs. Hildreth headed the entertainment committee.

A special thank's goes out to all who kindly helped make this party such a success. This organization was much appreciated. Thanks again.

The next regular meeting of the Association will be Feb. 19th, to be held in the Court House. A large attendance is anticipated.

Mr. and Mrs. Herb Simmons of Islay, Alberta, wish to announce the engagement of their niece Mildred Jean Strong to Mr. Gordon Graham of Hatzic, B.C. The wedding will take place February 4th at the United Church manse, New Westminster, B.C.

Mr. and Mrs. Arthur Burton announce the engagement of their only daughter Elizabeth Margaret to Mr. Robert Earle Repp, youngest son of Mr. and Mrs. O. Repp, all of Vermilion. The wedding will take place during February.

The I.O.D.E. wish to announce the lucky name for the dollar dressed doll was Mrs. Mike Keehan, the draw was made on Dec. 20th at the Columbia theatre.

Mrs. C. E. Martin returned to Edmonton Sunday after spending a few weeks at the home of her son Mr. W. C. Martin. She was accompanied to the city by Mr. and Mrs. W. C. Martin.

Bill and Elaine Steenson (nee Anderson) are happy to announce the arrival of a son Terry Lee, weight 8 lbs. 14-oz., on January 19, 1953 at the Royal Alexandra hospital, Edmonton, Alberta.

Jim Scott, son of Castle Scott, was a visitor in town last week. Jim is now with the Canadian National Telegraphs and is learning teletyping. He likes the work very much.

Jerry Pauls, son of Mr. and Mrs. V. A. Pauls of High Prairie, won a prize of $10 for the best essay on "The subject: Water and Sewer for High Prairie". Jerry is a grandson of Mr. Pyne who has been sick at $t. Anyone interested is invited to join. 29x

Herbert Sutton returned home last Thursday after spending a three-weeks holiday at Penticton and Seattle. He left where he is employed at the salt plant at Lindberg.

Included in the winners of the fourth essay contest sponsored by the C.W.L. in Vermilion are pupils of the Clandonald Separate school who won the grade 12 prize, and Hazeldine school prize for the one-room schools. Receiving honorable mention were Lloydminster high school, Manville school, Dewberry school.

'Robert Fair spoke from Ottawa on the broadcast 'Report from Parliament Hill on Sunday morning Feb. 10th.

Anglican Church Men's Club
The regular supper meeting of the Anglican Men's club will be held on Monday Feb. 2nd at 6:30 p.m. The guest speaker will be S. C. Adams. His topic . . . "Life in British Guiana".

Whist Drives
St. Saviour's W.A. will hold whist drives in the parish hall on Friday, Feb. 6th and Tuesday, Feb. 17th. Come at 8 p.m. 29-30

ETHELWYN NEWS

The district enjoyed a few days of fine spring-like weather after a short cold spell. So far the weather has been ideal for getting out logs and wood.

Mr. and Mrs. Rock Burns enjoyed a week's holiday in the Peace River country in the district of Worsley, 430 miles north of Edmonton. While there they were guests of Mr. and Mrs. Thurman Burns and Mr. and Mrs. Marvin Burns. Dorothy and Thomas are busy building a new house. They had some land in crop last year, also raised a good garden. Marvin and Jean homesteaded this year and both the families are doing well. The children walk 1½ miles to the bus which takes them to the school at Worsley. Mr. and Mrs. Vince Stanley were also visited. Two of the Stanley boys work at home and two in the oil fields. Mr. and Mrs. Jim Mykitka and family, formerly of Heinsburg also homestead in that district. This family have the luxury of their own power plant and water works in their home. Mr. and Mrs. Burns saw none of the hardships one usually expects with homesteading. While their parents were away Loretta and Carlotta stayed with their uncle and aunt Mr. and Mrs. Carl Jensen. The little girls stayed with their auntie in Edmonton.

Mrs. Kather has been ill with the flu for the past week and her place at the school has been taken by Mrs. Attfield.

Dean Cooper has been confined to his home for two weeks with a bad back injury.

Sincere sympathy is extended to Mrs. Jim Gould and family, and to the sorrowing brothers and sisters. Sympathy goes out too, to the family of the late Mr. Chow Karpey.

For Expert Hair Dressing, Permanents, waving — See Miss A. Hofbauer at her Beauty Parlor, one door north of the Franco Public Service office. Jan30p4

QUESTIONS and ANSWERS
QUESTION:
Is Cancer hereditary?
ANSWER:
There is no evidence that the disease itself is inherited, however, there may be inherited tendencies to form cancers of different types, but the method is unknown. Where the disease is common in a family the individual should be doubly alert to any suspicious conditions.
Write for free literature.

Mannville Local Items

Metrunce & Polishchuk have moved into their new building, the Mannville Garage, and are now open for business.

Among the local lady curlers attending bonspiels lately were: Mrs. Jack Coxford and three former Mannville curlers. They curled 12 games, winning eight and got second prize in the Grand Challenge. At Irma were Mrs. F. Annisley, Mrs. M. Mercer, Mrs. A. Gerhart and Mrs. D. Croil. They won 3rd in the Citizen's Event.

This week at Vermilion at time of writing are Mrs. L. Mann, Mrs. K. Scoggins, Mrs. F. Proudfoot.

Next week the men leave home for various bonspiels.

The auditors from Patriquin, Duncan, McClary, McClary & Co are at present working in the local office of the M.D. of Minburn, making the audit for 1952.

Mr. O. Griffith, secretary of the Wainwright S.D. was a visitor in town last week on his way to Edmonton.

Central Church W.A. held the annual meeting on Wednesday, Jan. 21st at the home of Mrs. R. Johnston. A successful year was reported. One of the main projects was helping in the renovation of the church. The following officers were elected for the year: President — Mrs. Rutherford; 1st Vice-Pres. — Mrs. R. Johnston; 2nd Vice-Pres. — Mrs. R. Whitson; Sec.-Treas.— Mrs J. McLeckie.

Mrs. George Hubbard of Edmonton spent a few days with Mrs. M. Rempel last week.

At the last Home and School meeting a resolution was passed to the effect that the divisional board be approached with regards to having household economics and shop taught in Mannville next fall.

Mr. C. Torrance is visiting his sister at Kelsey. His brother-in-law Mr. Errol Fox is ill in the Camrose hospital.

Mr. and Mrs. Angus Stuart are planning to leave Edmonton on Thursday for a holiday at the coast.

Mrs. R. Long entertained her Sunday school class and friends at a party last Friday night. There were 18 present.

Elmer Kreiter accompanied by Bruce Winters returned this week from the east with a new car for Les Kreiter. They were held up in Minnesota due to bad weather and roads. Charlie Forbes also drove home a new car.

Happy Hour Group

The Happy Hour group of the Anglican church held their annual meeting on Monday Jan. 26th. Although only organized in 1952 and holding but eight meetings, they showed a very good year. The same officers were returned: President — Mrs. E. Hubbard. 1st Vice-Pres. — Mrs. A. Main. 2nd Vice-Pres. — Mrs. F. Krefter. Secretary — Mrs. K. Scoggins. Treasurer— Mrs. D. Upton Sick Committee— Mrs. M. Mercer and Mrs. L. Mann.

Happy Couple W. I.

Happy Centre W.I. entertained their husbands on Tuesday with their third annual husbands and wives banquet. Seven rinks participated The banquet got underway at 10:30 am. and at 12:30 p.m. a sit down to chicken, roast beef and all the accessories. Refreshments were served at 2:30 and supper before they left town for home. Husbands were unanimous in voting it one of the best yet.

From December, 1949 to August 1950, Canada's food index rose 10 per cent.

Vol. XLV. No. 30. Vermilion, Alberta, Thursday, February 5th, 1953. $2.00 per Year

Annual Town Meeting Monday Evening, Feb. 9

TERMS OF MAYOR AND TWO COUNCILLORS EXPIRE

The annual meeting of the electors of the town of Vermilion will be held in the Legion hall on Monday evening Feb. 9th at 8 p.m. when a full review of the activities and administration of the town's affairs for 1952 will be given by the Mayor and Councillors.

The forthcoming plebiscite for necessary finances for the water and sewer extension will also be fully outlined.

Mayor Urges Ratepayers To Attend Annual Meeting

Vermilion, Alberta,
Feb. 2nd, 1953

The Editor,
Vermilion Standard

Dear Sir:

The annual meeting of the Town of Vermilion is to be held on Monday evening, Feb. 9th, in the Memorial hall and at that time reports of the work accomplished during the year 1952 will be presented.

Looking ahead to the coming year the Council will be able to give the ratepayers some idea of proposals which are in mind for the development of the town in the future.

Chief among such proposals is the suggested extension of the water and sewer systems to cover that area of the town which is not now being served. Subject to the will of the ratepayers and the availability of two per cent money it is hoped to so extend the system as to provide for the future extension of our residential area and every member of the Council is firmly convinced that the extension is an absolute essential. With a two-thirds majority being required by law it is imperative that all who have the interests of Vermilion at heart cast their ballot accordingly at the forthcoming plebiscite.

The financial statement for 1952 indicates that additional funds will have to be made available for the proper maintenance of municipal services and an amount unlooked which will shortly be in the hands of ratepayers will divulge a rather important upward trend in assessment, especially in lots in the business area which are only now being brought in line with similar lots in other towns. A new general assessment for 1954 will have to cause an increase in taxes for the coming year and it is hoped that

A report will be given by Mr. Frank H. Walker town's representative on the Vermilion Municipal hospital board.

The terms of Mayor S. C. Heckbert and Councillors K. G. Urquhart and Jack Reid expire this month. Nomination day is Monday Feb. 16 and election if necessary follow on Monday March 2nd.

Junior Hockey Games Here Saturday Night

WAINWRIGHT VS. VERMILION IN DOUBLEHEADER

A double hockey attraction, postponed from last Saturday, will be played at the arena here on Saturday this week, Feb. 7th. The main game will start at 8:00 p.m. and sees the Wainwright Midgets meet the Vermilion Midgets. These boys are 16 years and under with some of them just about ready to step up to senior company.

Preceding the Midget game and due to start at 7 p.m. the Wainwright Pee-Wees will meet an all-star team of Vermilion Pee-Wees. These smaller lads have oodles of that old vim and vigor that makes any game they play interesting.

Tickets purchased for last Saturday's games are good at the gate—admission is only 25c. Be sure to attend.

Livestock Sales Calls Annual Meeting

The North East Alberta Live Stock Sales Association has called the annual meeting for Friday, Feb. 13th. President Scotty Hines asks for a good turn out to discuss several important matters of business.

A large attendance of citizens may be realized at the annual meeting so that explanations may be made to clearly outline the situation faced by us as a municipal unit.

The meeting has not been well attended in recent years and I urge all ratepayers to make a special effort to be present to hear an analysis of our financial situation and to voice their ideas as regards to the operation of the vital business of the Town of Vermilion.

Please accept my thanks Mr. Editor, for the use of your valuable space.

Yours faithfully,
S. C. Heckbert, Mayor.

St. Saviour's Church Holds Annual Meeting

Church and Sunday School Attendance Increases

A very happy and satisfactory annual meeting of the parishioners of St. Saviour's Anglican church was held on Monday, January 26th when over 60 parishioners sat down to a 'Pot Luck' supper arranged by the afternoon W.A. and assisted by members of the evening W.A.

Reports were read from all organizations of the church, and in all cases progress and a healthy financial condition were intimated.

In his report on the work of the Sunday school, Mr. E. MacDormand related in an increased attendance during the year bringing the enrolment up to 99 pupils. Excellent reports were heard from the afternoon W. A. and the evening W. A. indicating a tremendous amount of work done by these organizations and splendid contributions to the financial support of the church. The Little Helpers' secretary reported 53 children enrolled.

The financial statement for the general and building funds were read by Mr. A. M. Watt and showed both funds to be in a sound condition. Mr. Watt also gave a review of the financial progress of the church since 1942, a picture that was most gratifying.

Two of the delegates to the Synod in November, Mr. King and Mr. Buckingham gave their impressions of the proceedings there and this gave the parishioners a much clearer idea of Diocesan affairs.

The Rector then gave his report, covering the field of his activities and those of Canon Trego during the year 1952. Church attendance was found to be on the increase indicating a spiritual vitality in the parish.

Elections of officers were then held with the following being appointed for 1953:

Rector's Warden — Mr. E. H. Buckingham
People's Warden — Mr. L. H. Woodward
Vestrymen — Fred Playne, Pleasant Valley; Ross Taylor, King Edward; A. H. Cooper, W. Fooks, J. Keesle, C. King, K. King, E. M. MacDormand.
Delegates to Synod —Messrs. E. H. Buckingham, C. King and H. Fooks.
Substitutes — L. H. Playne, W. English, K. King.
Auditor - Mr. J. R. Robson.

A vote of thanks to all who furthered the work of the church was then tendered by Mr. J. R. Robson, this was heartily endorsed by all present.

Discussion was then held on plans for completing the renovation of the church interior, and the most advised possible work that remains to be done. Great satisfaction was expressed by all present with the work already done on the church as providing the parishioners with an attractive and comfortable place of worship.

The meeting adjourned with closing prayers by the Rector.

Derwent Boys Win District Curling Championship

DERWENT.—In the play-downs at Dewberry on Saturday Jan. 31st, the Derwent high school rink won the district curling championship. They defeated Marwayne in an exciting 11 ender game, by a score of 10-9. They won from Dewberry previously 13-3. The team consists of Miss Betty Mudryk, third Henry Lychak, second Robert Young and lead Joe Senar.

On Thursday Feb. 5th the boys go to Edmonton where the provincial play-downs will be held. We wish the boys much luck and success in Edmonton.

FINALS REACHED LADIES' BONSPIEL

22 RINKS ENTERED WITH NINETEEN VISITORS

Finals of the annual ladies bonspiel will be played Thursday evening when Mrs. McLeckie of Mannville meets Mrs. Gallagher of Lloydminster for the Grand Challenge and Mrs. Nash of St. Paul plays Mrs. Dora Caron of Vermilion in the Presidential Consolation shield. The two remaining competitions were played out to the quarter finals Wednesday night.

Thirty-three rinks entered with 19 of these being visitors. The visiting rinks numbered two more than entered in the bonspiel last year.

Junior Curlers Entertained

Vermilion Tigers curled in their second win of the week when they won a close 4-3 decision from the Wainwright Commercials Wednesday before a crowd of 604 paid fans. Report of the game next issue.

At the same time Viking trimmed Vegreville Rangers 15 to 4.

League Standing

Vermilion 15 points, Vegreville 13, Viking 12, Wainwright 10.

Then entered the ladies open bonspiel in Edmonton.

TIGERS WIN FROM WAINWRIGHT

NOW TOP THE LEAGUE

Vermilion River M. D. Opens Fine New Office

The Council of the Municipal District of Vermilion River No. 71 held the official opening of their fine new office building in Kitscoty on Friday Jan. 30th. Before a large gathering of ratepayers, the Hon. Anders Aalborg, Minister of Education and member for the Provincial Constituency of Alexandra in which the village of Kitscoty and much of the municipality is situated, cordially declared the building officially open.

Tickets purchased for last Saturday's games are good at the gate—admission is only 25c. Be sure to attend.

Following speeches evidently thought well of the proposal and it is hoped that the suggestion might bear fruit. Mr. Keith Chalmers, newly-elected President of the Vermilion Board of Trade brought the greetings of that organization.

The evening was spent in song and sports and all present agreed that the new office of the municipality had been well and truly launched and that the service it would render in the future was of the utmost importance to a wide area.

Mr. John Leighton, Reeve of the Municipality and an ardent worker for all good works within its borders was very much in evidence during the entire day and to him and the members of his council will go the good wishes of all district residents, urban and rural.

Annual Meeting Of The Cancer Society

WEDNESDAY, FEB. 18th

Three million Canadians will die of Cancer by the end of this century unless present mortality rates are altered.

This figure was disclosed today by R. K. Chalmers, President of the Vermilion Branch of the Canadian Cancer Society in announcing that the annual meeting of the local branch of the society will be held on Wednesday, Feb 18th.

Although improved diagnostic and treatment methods have lowered the death rate for some types of cancer, Mr. Chalmers said, the number of deaths is rising because of ever expanding population and an increasing proportion of older people.

About 16,000 persons in Canada will die of cancer this year, 16,500 in 1949, 17,500 in 1950 and if present trends continue, 30,000 in the year 2000.

With fullest use of present knowledge, about one million of those statistically marked for cancer death, could be saved. The prediction is based on the fact that seventy-five of all cancers do not. There are needless because people wait too long before visiting their doctors. The goal of the educational programs of the Canadian Cancer Society is to alert more people to cancer's danger signals and encourage them to seek prompt medical attention.

Millions more may be saved by discoveries in research financed by the Canadian Cancer Society.

To make the annual meeting more interesting it has been arranged to keep the business part of the meeting short and to devote the greater part of the evening to a film on education and interesting address and to showing some very interesting and enlightening films.

Further details will be announced in the next issue of the Standard.

Anglican Church Holds Annual Meeting At Mannville

MANNVILLE.—The annual meeting of Christ Church, Mannville was held in the Parish hall on Jan. 26th. Rev. Clennett gave a report of the year's work, the year's achievement being the introduction of the church. It is the plan of the congregation this year to build a much needed vestry.

Sixteen have been confirmed a junior choir formed, and a scout troop is again in operation. A Happy Hour group has been organized, and Rev. Clennett gratefully thanked everyone for the help and support in work done in the parish.

A raise in the appointment was accepted and an increase in missionary giving decided upon.

The following officers were elected for 1953

Rector's Warden—Jas Johnstone
People's Warden Ralph Leitch
Vestry — R. Legg, J. McLackie
Miss E. Sutton E. Hubbard, C. Hamilton, Mrs R. Whitson, Mrs. Rutherford, Mrs E. Hubbard, W. Osborn, D. Upton.

Mr. Ed Wright was made an honorary member of the vestry.

Delegates for the synod were chosen.

Skip Zazulak Wins Grand Challenge At Derwent Bonspiel

DERWENT —The Derwent men held their annual bonspiel on Jan 30, 31 and Feb 1st. 21 rinks entered the spiel. The winners of the three events were

Grand Challenge

1st, Zazulak, Derwent. 2nd Kirk Vermilion. 3rd, Shyan vs. Myhan ilh, Makaroff, Derwent.

Merchants Event

1st, McConnell, Derwent. 2nd Mudryk, Derwent. 3rd, Lyschak Clandonald. 4th, Milthrush, Derwent.

Citizens Event

1st, Hanasyk, Derwent 2nd, Yashchuk, Myhan. 3rd, Fleming, Derwent. 4th, Bykowich, Clandonald.

A very successful banquet was held in the town hall on Jan. 30th for the curlers.

Annual Meeting Held On Wednesday

Board of Trade Elects R. K. Chalmers

R. G. URQUHART IS VICE-PRESIDENT

R. K. 'Keith' Chalmers was the choice of the Board of Trade for president for the coming year. He served as vice-president for 1952 and prior to that was a member of the executive. Adding him as vice-president is R. G. Urquhart who steps up from the executive. 'Ken' has been an active member of the Board of Trade for years and his wide experience on the town council and many executive positions on various organizations which he has held, fits him admirably for the vice-presidency of the town's promotional body.

The new officers and executive of the Board combine experience and new blood and the representation of the nominating committee that in future the terms of office of executive members be increased to two years and that four members be elected each year, was adopted by the Board. In order to start this year four members of last year's executive were elected for a one-year term, and four new members were elected for two year terms.

The officers elected are.

Hon. President — His Worship Mayor S. C. Heckbert
Immed. Past President — G. W. Sutherland.
President—R. K. Chalmers
Vice-Pres. K. G. Urquhart
Sec./Treas.—F. J. Richardson
Press Rep.—Ashley H. Cooper

Executive members for one-year term: Aldous R. Kent, Dr. A. B. King, J. V. Nicholls, I. Miller.

Executive members for two-year term: M. Hill, M. Shaika, E. Clendening, Hugh Stewart.

The committees which were appointed by the executive following the regular meeting were as follows with the first named being convener

Agriculture— N. N. Brailey, K. H. Buckingham, Hugh Stewart.
Retail I. Miller, E. Clendening, Ross Doake, Ed Herzog.
Industrial — A. M. Watt, G. W. Sutherland.
Roads—Jim Nicholls, E. M. Stewart, K. G. Urquhart.
Publicity — Ashley Cooper, B. Carmichael, J. W. G. Morrison.
Entertainment & Visitors—Mardi Shaika, J. Kruke.
Ways & Means — Aldous Kent Russell Cantell, E. M. McDormand.
National Affairs Al Locke, Gerald Stephens.
Health Dr. King, Dr. Anderson.
Audit — M. Hill, B. Anderson, G. W. Sutherland.
Civic — R. Mitchell, Geo. Webb, Tom Watts.

Financial Statement

The financial statement given by Secretary F. J. Richardson showed receipts of $191.190 with disbursements of $164.83, leaving a balance of $26.07.

Royal Canadian Air Cadets

Cadet Orders — All cadets will parade in 1950 Army Battle Dress on full blues. Parade will be inspected by Flt. M. E. Ferguson A.C.I.O.

D. R. Hanlan, A.A.C.

Rare Musical Treat For Vermilion

"HOLLYWOOD-HITS" HERE FEBRUARY 15th

Vermilion and district people are in for a rare musical treat on Sunday evening Feb. 15th when the well known Negro soatette "The Hollywood-Aires" will sing at the Columbia theatre. The program will commence at 9:00 p.m. and admission will be by advance ticket.

This sextette are famed radio, concert and recording artists and are being brought to Vermilion by the local Kinsmen club.

For full particulars see the display advertisement on page 2.

Agricultural Society Seed Fair March 6 & 7

All farmers and others interested in the use of acceptable seed on Alberta farms ar advised that the annual Agricultural Society Seed fair has been scheduled for March 6th and 7th with entries closing Feb. 21st, entries to be sent prior to that date to S. C. Heckbert, Secretary-Manager of the Seed Fair.

Superintendents of the Seed fair will be E. H. Buckingham and Hugh Stewart and arrangements are underway for something very special by way of displays and demonstrations on the 7th day. The entries must necessarily be delivered to the Memorial hall before 5:00 p.m. on March 5th and the first day will be given over to judging and samples entered. The second day, March 7th, will be open to the public and a cordial invitation is extended to all interested.

Prizes for the various classes have been augmented with additional funds and special attention will be given to the Junior exhibitors who are especially invited to take part.

Sheets containing the regulations which will govern the Seed fair as well as entry forms may be obtained from the secretary's office or from Mr. Buckingham and are now ready for distribution.

—

Watch for Pee-Wee night!

By The District Agriculturist

"GREEN ACRES"

Club Leader's Conference

On Feb 4th at 10:00 a.m. a 4H Club Leader's conference for this area will be held at the school of agriculture, Vermilion. Various speakers will be there from Edmonton to instruct our 4H club work and especially the leaders in their duties as leaders. It is hoped that more than 50 people will turn up.

Health Week

This is National Health week We are very careful to prevent farm animals from disease by inoculation for shipping fever, black leg, distemper etc. but very often we forget about human diseases When persons contract an infectious disease or when an epidemic breaks out it is often too late. Ask advice from your doctor or Local Health Officer.

Forage Crop Seed

Prices for forage seed have increased. Alsike, Brome, Sweet clover and creeping, Red Fescue are much lower than last year. The seed plant at Marwayne and Gordon Ross of Vermilion are stocking up on cleanment from the Alberta Seed Growers' Coop. With seed cheaper than for many years it is a good time to seed down more land to grass.

The Seed Fair

The Vermilion Agricultural Society will hold their annual seed fair on March 6th and 7th. Every farmer in Vermilion River and Minburn M.D.'s is entitled to show one of samples. Also anyone living within 50 miles of Vermilion can exhibit. All elevator agents will have pamphlets or apply to S. C. Heckbert, Vermilion. Boys and girls have a class all to themselves. Let's make our show this year bigger and better than ever.

Blade Cultivators

At long last a circular on "Blade Cultivators" has been issued by the government. There is no doubt that this cultivation implement is coming into northern Alberta from the south where it is now in common use Every farmer ought to get a copy of this bulletin from any office and see what the experts say.

Black and Blues

The Humane Society at Edmonton reports that 15 per cent of the dogs picked up into Edmonton pounds have been strained by rough handling. The bruised meat must be cut off the carcass and discarded. Some one pays for this loss and I have a good idea that it is the farmer. More care in handling by farmers, shippers and truckers can reduce this great loss. Why not use a bait shipper to move hogs around instead of poking with a stick?

ESTABLISHED 1909

Published Every Thursday At the Office, Main Street

Authorized as Second Class Mail, Post Office Department, Ottawa.

S. R. P. COOPER — PUBLISHER

Vermilion, Alta., February 5, 1953.

The Standard has on hand for next week good stories regarding farewell to George Gent, Wilkinson Beaver Girls' club report, the Fire Brigade, Kinsmen respirator, Horse and School meet, Anglican men's club meeting. Mind you — the news editor hasn't managed to get all these written yet but what were composed were unceremoniously crowded out but will get first chance next week.

Any person having negatives of pictures of old days in Vermilion should contact Melvin Hill. He is desirous of enlarging same and compiling a picture history of the town and district. 30-1c

Attention is drawn to the display of unique Christmas greetings on view at the Northern Hardware. This is the way the days of the Department of Transport weather stations and their 24-hour readings, all done by teletype and indicates that the operators really know how to manipulate the keyboard.

Taking Aerial Pictures

Vermilion and District

Pilot Mitchell flying an Aeronca and photographer McBride have been busy all week flying over their area and taking pictures from the plane. They have snapped the town from several different angles, as well as concentrating on individual points such as the V.S.A. Many farm homes have been taken and the detail shows up wonderfully. Shortly machine-like livestock and people going about their activities. These pictures will be available shortly.

Win Challenge At Wainwright 'Spiel

Two Vermilion rinks entered the Wainwright bonspiel last week and remained undefeated until they met each other in the final of the Grand Challenge. The result of the game was in doubt until the last rock was thrown and then the Bill Rutherford rink of Reg Mitchell, Bill McLaughlin and Cliff Cruthers won by one point. Dr. Ben King, Bob Heimer, Dr. Anderson and Jack Wright took the second prize of fine wrist watches.

Win Second at Derwent

A rink skipped by Aldous Kent with Gordon Cox, Sandy Wright and Wally Antrim won second in the Grand Challenge at the Derwent bonspiel held last week. The boys claim that the spiel was a very enjoyable and well managed event.

Tigers Fatten Their Scoring Averages

BELT VEGREVILLE 10 TO 8

Led by Wally Footz who notched five goals and one assist, the Vermilion Tigers fattened their scoring averages at the expense of the Vegreville Rangers here on Monday night. The Tigers had every play clicking and it was regrettable that the visitors only had eight players with them so that they faced an almost impossible task in holding the rampaging Tigers. However, the eight Rangers did give a good account of themselves and came back strong in the third period to notch three counters. The game was fast and very clean with only one penalty being handed out. This was to Wally Footz early in the first period for charging.

Scoring points of the other Vermilion players were Patsula 2 goals and 1 assist, Bill Williams 2 goals and 2 assists, Ferguson 2 and 4, Barr 3 goals, Robertson 1 and 1, Kreller 1 and 3, St. Martin 4 assists, Koehli 4 assists, Stewart 1 assist and Les Williams 1 assist.

For Vegreville Charuk scored 3 and assisted in 2, Demchuk 2 and 1, Horton 1 and 1, Zaruby 4 assists.

The game started out close enough with the Vermilion Tigers in front 4-3. The locals added five in the second with no reply, score being 9-3, with the final tally 10-6.

Bob Huxley and Stan Waldenberger refereed. Attendance 436.

Line-Ups

RANGERS — Jennings, Horton, Zaruby, Nicolaus, Dischuk, Stefanuk, Charuk, Demchuk.

TIGERS — Bonsey, Kreller, L. Williams, Ferguson, Robertson, St. Martin, Barr, Patsula, Koehli, B. Williams, Footz, Stewart, Leahy, Schmidt.

Summary

Patsula (Ss. Martin, Ferguson); Demchuk (Horton, Zaruby); Bill Williams: Footz (B. Williams, Koehli); Charuk (Zarubay); Demchuk (Zarubay); Ferguson (Stewart).

2nd period — Barr (Ferguson); Barr (St. Martin); Footz (Ferguson); Bill Williams (Ferguson; Patsula (Les Williams, Kreller).

3rd period — Barr (Kreller, St. Martin); Robertson: Footz (Koehli, Bill, Williams); Charuk (Zarubay); Demchuk (Charuk); Horton (Demchuk, Charuk); Ferguson (Footz, B. Williams); Footz (Robertson, Koehli); Kreller (Patsula, St. Martin).

Only One Home Game Left

Vermilion Tigers have only one home game left in the regular Eastern Alberta league schedule, and that will be against Viking on Feb. 14th (Saturday).

The Tigers play at Vegreville on Saturday night this week and at Viking on Wednesday next week Feb. 11th.

Retiring President Gives Resume of Activities

Establishment of Provincial Park Chief Project of Board of Trade During 1952

Retiring President G. W. Buthey-land gave a short resume of the chief activities of the Board of Trade during the year as follows:

"Before proceeding further I wish to express my appreciation to the executive and to the chairmen of the various committees, and to the members at large for the co-operation extended to me during my term as President.

"The average attendance at luncheons during the year has been quite high. I believe this shows the Board is alive and the members interested in the work of the Board.

During the past year your executive was mately occupied in endeavoring to have the Provincial Park established. In this connection I wish to pay tribute to the unremitting work and enhusiasm of Mr. Melvin Hill. I believe without Mr. Hill the park would not have been established.

Publicity and Radio

We also made it a point during the past year to publicize Vermilion as much as possible, and you will note that over $500 was spent in publicity. Mrs. J. Miller, Chairman of the Retail Section, made a splendid job of advertising the town by radio over CJCA.

The Board would not have been able to have engaged in this publicity without the grant of $500 made to the Board by the Town of Vermilion, and I wish to express to the town our appreciation of this grant.

Roads

Last year under the able chairmanship of Mr. Lawrence Webb, road signs were placed on the highway and a large aerial sign painted on the roof of the grandstand at the Vermilion exhibition grounds.

Health Clinic

As you know, after years of effort by the Board, a Provincial Health Clinic was established at Vermilion.

Post Office

The Board again sent a resolution to the Postmaster-General of Canada requesting a new post office here, which is greatly needed. In this connection, Mr. Robert Fair, M.P. for the Battle River constituency, did everything he could to have the government build a new post office. We understand this will be done in the near future.

Farmers' Banquet

As during the past few years, the Board sponsored a very successful Farmers' Banquet. Thanks are due to the Agricultural committee for putting on this outstanding event.

Scholarships

The Board again gave a Scholarship of $50 and a gold medal to the student in the first year class in Agriculture at the Vermilion school of agriculture "who made the greatest contribution to the Academic Social, Literary and Athletic life of the School".

Aids Senior Hockey

The Board arranged for the transportation of members of the Tigers Hockey team and made a grant to the club.

During the year an address was employed from Mr. D. Mariett, Secretary of the Associated Boards of Trade and Agriculture of the Province and representative of the Canadian Chamber of Commerce.

In the spring your President and Immediate Past President, Mr. R.D. Mitchell, attended the annual meeting of the Associated Boards of Trade and Agriculture held at Red Deer. Your executive feels that our continued association with the Provincial Board and the Canadian Chamber of Commerce is of value and should be continued.

Work of Secretary Valuable

I have given you a very brief outline of the Board's activities during the past year. I think the greatest value of the Board lies in the fact that members who are leaders men of the town and farmers who attend are able to get together every week and discuss matters of importance to the Town and district. When I mentioned the district, this brings in many farmers. I think is of vital importance to the Board, namely that our farmer membership should be increased to a greater degree than it has been for the past year or two. I hope the incoming executive will do everything possible to further increase the farmer membership.

In conclusion may I extend to my successor and the incoming executive my best wishes for a very successful year in 1953. I wish to assure them that any years of mine be called upon to do, as immediate past president I shall be glad and willing to do.

Chatsworth Chatter

Roads have been heavy this past week and after last week end's added snowfall and wind, most side-roads will have to be plowed.

In spite of somewhat wintry weather we note lengthening days and the chick and seed catalogs are arriving—so spring really isn't very far away!

Ian Davis received a long distance phone call from his mother and dad in Vancouver last week. The call came through very well and the report is that they are enjoying their holiday very much.

Mr. and Mrs. Pich and Ilian were visitors to Edmonton on Tuesday Jan. 27th. Little Margaret Pich stayed with friends in town while her folks were absent.

Ralph Wilson suffered burns to his hands last week, in a gas explosion when he was lighting the fire in a stock tank heater.

An enjoyable skating party, attended by some 40-odd folks, both old and young, was held at Mr and Mrs. Albert Tovell's last Friday evening. At the close of the party lunch was served by Mrs. Tovell assisted by several other ladies of the district.

A tobogan party is on the agenda as a social event for this Friday (Jan.) at the home of Mr. and Mrs. Arthur Tovell.

Miss Alberta Hutchinson is now at home from Edmonton where she had been attending business school. She returned before Christmas.

Visiting at the home of her parents, Mr. and Mrs. Morton Tovell is Mrs. Howard Ferguson and little daughter Fay of Edmonton.

Our congratulations to Mrs. Mike Kochan on winning the dressed doll (L.O.D.E.) which was displayed in the window of Craig's store.

Anniversary Services At Knox Presbyterian Church, Lloydminster

Guest Speaker is Rev. W. Oliver Nugent, B.A. — Well Known in Vermilion District

On Sunday, Feb 8th, the Knox church, Lloydminster, celebrates the 47th anniversary of its opening. On Feb 6th 1906, the church was officially opened. The services on Sunday will be conducted by the Rev. W. Oliver Nugent B.A., Secretary of Missionary for the Presbyterian Church in Western Canada. Mr. Nugent is very well known in this district, having served as a student in the Wildwood, Ganton and Fairlie mission fields as a student. His many friends will be delighted to welcome him back to this area. The Sacrament of the Lord's Supper will be dispensed at the morning service at 11:00 a.m. and Thanksgiving service at 7:30 p.m. in the evening.

IN MEMORIAM

In memory of our parents

Mr. and Mrs. W. Sherwood

—who died Feb. 2 1946 and Feb. 8, 1917

"We shall sleep but not forever
There shall be a glorious dawn
We shall see our dear parents
On the resurrection morn."

—Ever remembered by Daisy and family and Tom and family.

Sixteen Years Ago Today

Feb. 6th, 1937

J. W. G. Morrison was acclaimed Mayor succeeding Chas. W. Robinson. There are four vacancies on the town council and six candidates: R. J. Dovey, M. A. Brimacombe, Dr. W. W. Bell, A. W. Liddiatt, W. F. Pilkie, John Wiebe. For the school Thos. Watts standing for re-election, Don Taylor and Geo. W. Wright were nominated for the two seats.

The weather continued steadily cold with the low point 11 below.

Charles W. Robinson, retiring mayor, was the guest of honor at a complimentary dinner and presentation.

John Foy of Clandonald topped classes at the Edmonton Seed Fair.

Thirty-two Years Ago Today

Feb. 2nd, 1921

Seventeen rinks competed in the annual bonspiel with prizes going to: Grand Challenge Dr. Smith; Alberta — Hetsler of Manville; Brunswick George Wright. Blue Ribbon—H. R. Parker.

Richard L. Craig passed away in Calgary General hospital Sunday night Jan. 30th. He was 71 years of age.

J. C. Taggart, principal, and A. Blackstock farm superintendent at the V.S.A. have resigned to accept other positions.

Allandale Notes

Our January thaw was on the 21st and 22nd, since then it has turned cold with more snow. Thanks is possible, remarkable for this time of year.

Just heard this bit of good news— Mr. Raymond Mercier of Isley spent Xmas and an extended holi- with his aged mother near Quebec city.

Our deepest sympathy to the Mrs. Jim Gould family and relatives on the death of a loving husband and father. Another homesteader gone but not forgotten.

Mr.-to-Be Showered

On the evening of Jan. 28 around fifty relatives and friends gathered at the school for a shower for Miss Joyce Armstrong. It was arranged by Mrs. Woody Wilson and Mrs. Orville Armstrong. After a social evening a large basket of parcels was presented to the future bride and groom by Joyce's uncle Orley Omness. They received a number of lovely gifts and both Joyce and Ronnie thanked the guests most sincerely. A kind invitation was extended to all to call at their home at Royal Park. Their welcome mat will always be out. A delicious lunch was served by the community and served by the young married women ended an enjoyable evening for all.

On Jan. 24th Ralph Strome accompanied by Gus Throndson and Mrs. Baldock motored to Edmonton. The men visited with Ralph's dad in the hospital and Mrs. Baldock with her sister Mrs. Hinds.

Congratulations to Mr. and Mrs. John Nelson on the birth of a daughter Jan. 28th.

We heard recently that Mr. and Mrs. Wm. Mayers and Mrs. Nora Monaghan were leaving Feb. 1st from Minnesota for home. We expected that Stella and Nora would visit relatives in Wisconsin but it seems they didn't get that far.

On Jan. 31st and Feb. 1st more snow and drifting. The roads, especially the side ones are getting to be impassable.

Birthday greetings to Lorraine (Mrs. George Hawkins) of Vancouver.

Congratulations and our very best wishes to the newlyweds Mr. and Mrs. Ronald Porayko. May your life all through be as sacred as your wedding and happiness will follow life's road. The bride looked charming and the bridal group lovely.

We did appreciate the kindness of Uncle Bill Armstrong and Mr. Pilayko helping us up the north river hill on our way home the day of the wedding.

Sorry Dean Cooper about your accident and hope you are all better by the time this appears in print.

It was good to meet and have a chat with Mrs. Muriel Lovell of Lansdowville on Jan. 30th in Vermilion. They were in with neighbors as their car was in the garage and time was scarce as ever.

Demand On Unsatisfied Judgment Fund

Expenditures out of the Unsatisfied Judgment fund are approaching the point where they will equal the money paid into the fund, E. R. Hughes, Deputy Provincial Secretary, has announced.

In the 9-month period from Apr. 1, 1952 to Dec. 31, 1952, a total of $260,397 was paid into the fund. Each owner of a motor vehicle pays $1 into the fund at the time he gets his license and this money is used to pay the court judgments against motorists involved in accidents but which they are ruled accountable.

Total expenditures for the same period were $263,030 and since there are three months left in the current ar- license year, expenditures could exceed receipts if claims against the fund continue at the same rate. Practically all money is paid into the fund at the time motorists renew their licenses.

The payments from the fund during the 9-month period were made up of $31,999 for hospital and medical payments, $213,603 for court judgments and costs and $16,237 for miscellaneous payments.

About half of all products manufactured in Canada are made in Ontario.

Kitscoty High School

Congratulations to David Haan, Gordon Jacobs, Elmer Vernasse and Lorne Vernasse who are on their way to participate in the Provincial High School Curling play-offs. Our team squeezed through a close game with Vermilion high, the score being 7-5. Just a few wins in Edmonton now boys and you're off to Saskatoon for the Dominion play-offs.

Another of the highlights of this week's activities was the election of the carnival candidates. The girls are Sheila Kelly, Kathleen Reid and Dorothy Watt. Carnival night is Feb. 27th not Feb. 20th as previously announced. Everyone buy a ticket or tickets on the candidate of his choice and welcome to our carnival.

Grade grade 10 students shivered in their boots as they, two by two, descended to the gym for their health check. From all reports the ordeal wasn't as bad as expected.

Team Loses in Good Game

Losing 5-2 to Marwayne our hockey team put up a game battle on Thursday night but didn't have the steam to come up on top. Better luck next time boys.

The students are all puzzled over the fact of how our favorite math teacher can curl in the bonspiel without missing more classes. Oh well, we can always hope.

The Annual General Meeting
of the Vermilion Branch of the
Canadian CANCER Society
will be held in the Legion Hall on
Wednesday, Feb. 18
COMMENCING AT 8:30 P.M.

EVERYONE IS CORDIALLY INVITED TO ATTEND. Business will include the Presentation of Reports, the Election of Officers, plus an Educational Address and the showing of films.

39-1t

$100 A MONTH FOR LIFE
FROM AGE 60

THIS IS THE PLAN . . . Suppose you are not over 30: you make regular payments to the Sun Life of Canada. At age 60 you start receiving $100.00 a month for life; or if you prefer it, $17,148.00 in cash. Both amounts can be increased by accumulating annual dividends. If you are over 30, benefits are available at a later date.

FOR YOUR FAMILY Should you not live to the age of 60, $15,000.00 will be paid to your family on your death.

The Plan covers all amounts of premiums from as $600 to $2.00 per month, and the cash or pension can in most cases start at age 55, 55, 60 or 65.

New Way
Cleaners & Dyers

It is FORD Again for '53!
Raised light and tender with new fast DRY Yeast!

• There's a new twist in doughnuts — a new thrill in all your baking! Fleischmann's Fast Rising Dry Yeast keeps full strength until you use it—Does away with "proofing"—Is even more active than regular dry yeast—Gets extra strength from the first mixing!

DOUGHNUT TWISTS

• Soak ½ cake yeast in ¼ cup warm (110°F) water. Dissolve ¼ cup sugar in 1 cup scalded milk and cool to lukewarm. Measure into a large bowl 2 cups lukewarm water. Dissolve 1 tablespoon sugar and 1 tablespoon salt in warm water. Add 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 minutes. Stir well.

Add cooled milk mixture and stir in 2 well-beaten eggs and 1 tsp. vanilla. Mix in 2 cups sifted bread flour; beat until smooth. Work in 2½ cups more sifted bread flour, knead on lightly-floured board until smooth and elastic. Place in greased bowl and grease top of dough. Cover and set in a warm place, free from draught. Let rise until doubled in bulk. For ½ down dough and roll out into a rectangle, ½" thick. Loosen dough; roll again to ½" thickness. Cut into strips 2" long and ½" wide. Fold strips in half, twist, then pinch ends together. Arrange on well greased baking sheets, cover and let rise until light. Fry in deep fat (375°F) until golden brown. Drain on absorbent paper. Roll in sugar. Makes about 3 dozen doughnuts.

Note: Dough may be cut with an orthodox doughnut cutter, by the doughnuts and the "holes".

OUR COMPLETE SHORT STORY

THE WEDDING GIFT

Betty Said, "I Know I'll Be Happy, Daddy, You're the One Who's Chosen Bill."

By EUNICE H. BRAUN

JOHN WESTMOR'S tough hands shook as he fumbled with his necktie. Old fool, he told himself. Only women cried at weddings.

It wasn't just that Betty would be living far away. He had grown used to loneliness. It was her happiness that weighed on his mind.

This Bill Howard, was he all right for her?

John wished that he might have known Bill better. He ought to know more about his background, his family; something that would give him a key to the boy's character. Bill was intelligent and he looked steady enough, a nice-looking lad, too. He could see why Betty would be attracted.

But was that enough? What was different about Bill from any of the other young fellows he knew, some of whom managed to wreck their marriages? Was this marriage another result of the pace of the world today, or was it built of lasting timber?

John sighed and looked at the photo of his wife on the dresser.

For awhile, after Anna had died, he and Betty had been close. He wished he could have had one good talk with her. Once, this morning, when he had found her alone, unwrapping gifts. She looked so young, so vulnerable. He wanted to say something to her that would be more substantial than the silver he had let her choose for herself. But, looking at the array, all he could say was, "That's a lot of loot for one small bride."

Betty's eyes glowed. "Everyone's been so wonderful!"

John awkwardly fingered a crystal bowl. "It's because they all like you. They want to start you off right."

That was it, of course. He didn't know how he could talk to her the way he wanted to. He said, "Wish I could have known Bill better. It seems like a good lad—"

Betty laughed. "Oh, I've known him forever. Don't look so serious, darling. His mouths is forever, if you really love someone." "Sorry, I haven't time to talk. There's a hundred things to do."

Now, in a few minutes, he would give her away to a man he knew almost nothing about, but he hadn't even met until a few weeks ago.

Once more John loosened his tie and started over. When he finished it still didn't look right, but he put on his vest and coat, fumbled with the flower he was supposed to wear. He glanced at his watch. Five minutes, and he must be ready to drive to the church. He looked again at the photograph and spoke aloud. "Anna, I tried to make everything right for Betty, like you wanted to. But I'm not sure about young folks at all."

There was a knock and his sister Edith put her head in. "Are you ready, John?"

"I'll be right down." He took a last look in the mirror and grinned. "You look pretty mannsy, old boy," he thought. He hadn't given so much attention to his appearance in years.

Suddenly the door opened and Betty was before him, her face glowing. "Oh, I look, Daddy! I wanted you to have the first glimpse."

John couldn't believe that Betty, his little girl, could be this lovely, mature woman. "Kiss me for luck," he said.

"I want—" He cleared his throat. "I wish us— I just want you to be happy, that's all."

"Daddy," she said, her smile confident, "of course I'll be happy. Don't you know why?" John shook his head. They were so sure of themselves. "Because—"

"I know I'll be happy, Daddy. Because you're the one who's really chosen Bill."

He stared at her.

"You're the standard Bill's had to measure up to. I always knew I would never marry any man unless he came close to measuring up to you. Oh Daddy, can't you see that Bill is—well he's fine and good, like you!"

She kissed his cheek and turned away, but in a moment she came back. "Your tie," she said, "It—it looks awful. There, now you look wonderful, like Sir Galahad. You'll steal the whole show!"

All the way to the church John held Betty's hand in his. He felt happy and proud now, wanting others to see how beautiful his daughter looked.

Later, in a hushed solemn moment, he saw Bill standing tall and straight beside Betty, his face anxious and a little nervous. Betty's words came back to him—"he's fine and good, like you. You're the one who's chosen Bill."

Pride and gratitude swelled in John. "It's all right, Anna," whispered softly. "Bill and Betty they're going to be all right."

Farmers Build Homes For Migrating Geese

Migrating Canada geese will find nesting quarters already built for them in central Saskatchewan next spring. A large marsh, called the Last Mountain Lake Migratory Bird Sanctuary, has been set aside for the geese by the provincial government. Ducks Unlimited, a sportsmen-supported group, is helping the government with straw islands, on which the geese can nest up housekeeping instead of flying a thousand miles further north, where they have been accustomed to nest. If the experiment is successful, the area may be declared a game preserve where thousands of geese may raise their young unmolested. Here farmers of the area, interested in the project, lay the islands of straw.—Central Press Canadian.

Clean Seed Makes Better Crops

Between now and spring many farmers will be cleaning seed or arranging to have it done at seed cleaning plants. It is false economy not to clean seed thoroughly for using partially cleaned seed is one of the quickest and surest ways of increasing weeds around the farm. It should not be a matter for congratulation that the quantity of material screened out is not large, unless there can be assurance that the seed remaining is clean and as free from weed seeds as possible.

Small seeds such as clover, alsike and red clover are not easily cleaned and infestations over many years are that these small grass seeds are often sown when they would be classed as rejected under Regulations of the Dominion Seed Act or at best would only grade as No 2 or No 3 Many farmers consider that No 3 weed is not worth the seed.

Operators of seed cleaning plants who know that any seed contains too many weeds would do individual farmers and the community in general a real service by encouraging to discourage the use of such seed.

Only too often weeds originate from screenings which get scattered around a farm. Screenings from most small weeds have practically no feeding value and they are better not used for that purpose. It is a saving in the long run to destroy them and the surest way is by burning

Eskimos Abandon Igloos And Go For Modern Houses

ST. JOHN'S, Nfld.—Used igloos are a dime a dozen in the Arctic. The Eskimo is going modern with government-subsidized housing.

R. Bo Heeod, head of the division of welfare department, said here that the pattern of Eskimo life is changing so rapidly that there is hardly a native left who has actually seen the old Eskimo culture.

One of the most obvious changes was the switch from igloos to government-built houses. Igloos now are used only when a trapper is caught on his line by storm.

Oil Crew Struck Gusher Of Fish

EDMONTON — Even a fish story anywhere in Alberta and you are bound to come up with something! It may be oil, gas, coal—or fish.

An oil exploration crew drilled a 500-foot shot hole near Bentley, 40 miles south of Edmonton, and struck a gusher of fish.

Dr. R. R. Miller of the University of Alberta's zoology department identified the fish as the five-spined stickleback. The fish squirted to the surface in stream tapped by the drill.

First to know of the fish were magpies, never birds to miss a feed on the house, especially in winter. They gathered from miles around in a matter of minutes.

The oil drillers became curious about the magpie convention at the hole and found the fish.

The stickleback grows to two or three inches in length.

That's Alberta's most common fish," said Dr Miller who has transferred a few of the Bentley specimens to his home aquarium. "It is almost one of the first created! Species of fish being able to survive in water that will contain no other fish. Its size and its resistance enable it sometimes to go into the underground drainage beds of lakes.

THERE'S A DIFFERENCE

That difference between a rich man and a poor one: the rich man hires a butler, valet, secretary, cook, housekeeper, laundress and nobody; the poor man just gets married.

Edmonton Hockey Team Outscores Tigers 8-7

A hustling team from Edmonton, the McCauley Commandos, came from behind in the dying moments of the game played here Friday night to snatch victory from the Vermilion Tigers by a narrow margin of one goal. The final score in the fast, open encounter was 8-7.

The game was a crowd-pleaser with an absence of heavy body work and boarding, and fast skating and smart combination plays predominated throughout. The visitors flashed quite a number of tricky combined efforts which paid off in goals.

The frigid atmosphere of the day and evening kept the crowd down to 396 paid customers.

The McCauleys ran in two quick goals in the first two minutes of play without receiving much opposition. Gibbons opened assisted by Stein and Sawchuk, with Stein and Rover adding the second. Half way through Coach Elmer Kreller set his boys an example by converting Paisnis's pass but before the period ended Gibbons ran up his second counter on Royer's pass. The period ended with the visitors out in front by 3 to 1.

The Commandos again started fast and Gibbons made it 4-1 as soon as the players returned for the second, but from that time on to the end of this period the game took on a Vermilion tinge, the locals running in four goals without a peep, and taking the lead 5 to 4. St. Martin scored from Kreller, Patnis from Kreller, Ferguson from Smith and then Kreller notched one all by himself, the veteran coach was resplendent for two goals in the three minutes, setting up some beautiful plays. The Commandos came back with one by Dembrouski to knot the count at 5 all, but Ted Koehli who was playing a smart game all evening scored one for the homesters on a pass from Ferguson. This gave the Tigers a 6-5 edge at the end of the second and the way the play was tending it looked as if the locals had gained the edge on the smart-looking McCauley boys.

Ted Koehli started his team mates off on the right skate when he scored again early in the third and Vermil was out in front 7-5. Bob Howe getting the timely assist. Dembrouski was serving a penalty at the time. This was the best the Tigers could do however, and the visitors called on all their hockey power and knowledge to roll in 2 goals to take the game 8-7, making a close and exciting finish. Notching the priceless counters were Mac Donald, Flach from Dembrouski, and Gibbons from Royer.

Stan Waiskaberger refereed.

Line-Ups

COMMANDOS — Mooney, Turgeon, Eastman, Dembrouski, Stein, Royer, Gibbons, Sawchuk, Flach, Morris, Seckiw, MacDonald.

TIGERS — Brown, Ferguson, L. Williams, Kreller, Barr, Patnis, St. Martin, Howe, Koehli, Vickerman, B. Williams, Foote, Leahy, Schmidt.

NATIONAL BUILDING CODE

Soon there will be no excuse for a lot of outdated and conflicting building by-laws in Canada, says The Financial Post. A national code designed of ral Canada has been developed for all Canada has been prepared and will be printed and available in a few weeks time. Building officials all over the country are waiting for the code. It is to be used as a basis of revising many of their local building codes. The national code has no legal force, but is a guide to local authorities and those interested in minimum construction standards.

Paradise Valley

The ladies' hospitel at River course is in full swing. Seven rinks from Paradise Valley are attending. The high-school hospitel will be held this coming Saturday with rinks from Lone Rock, Rivercourse, Mc-Laughlin and P.V. competing. This is to be followed by another mixed spiel, this one sponsored by the farmers for the town curlers - no farmers to enter. The prizes to be farm produce. This is a nice gesture on the farmers part to repay the town people for the "town ers hospitel."

Cattle and the like seem to be the order of the day in this part of the world. Every second person has one or the other. Your correspondent has had his bout with a cold while his better half is laid low with the flu. Mrs. Hoskins has been helping out in the post office.

We are having a taste of winter these days. Quite a lot of snow and on Friday the wind made everything miserable and certainly shifted the snow around. As a result the side roads are getting quite heavy. However, the snow is light and Jack Guy, our local mail carrier has been able to get through with his four wheel drive.

Mrs. Anderson of Edmonton is visiting with her mother Mrs. F.R. Major for a few days.

Miss Mildred Caly who is attending the Lutheran College at Camrose spent the week end with her parents Mr. and Mrs. Geo. Clay.

COYOTE CONTROL PROGRESS

W. Lobay, Supervisor of Crop Protection, Alberta Department of Agriculture, says that the coyote control campaign, in the settled areas of the province, where coyote getters are used, has been strongly intensified in the last few weeks. The M.D. of Red Deer reports over 100 coyotes killed monthly with these cyanide guns, while reports from other municipalities also indicate encouraging results.

Over 11,000 getters and 23,000 shells have been distributed to date throughout the province, and additional materials are shipped almost every day, Mr. Lobay reports. The cyanide guns would seem to be contributing significantly to coyote depopulation in the province. The M.D.'s of Vulcan, Smoky Lake and Minburn and I.D. No. 132 are the latest to request the use of these guns, making a total of 61 districts in Alberta where the guns are now being set. Post officers have an ample supply of materials and the farmers are urged to use them for protection against predatory animals.

MARY PICKFORD

Dreams came true for this young German couple, writes Napier Moore in The Financial Post. When they left Germany about a year ago, everyone told them, with a knowing smile, that they would find Canada a wonderful country; that one could pick up money on the streets of any big city.

Reaching Toronto, they walked out of the Union Station on to Front Street. The husband said, "Let's look at the pavement. Maybe there is money there to be picked up." They looked down. At their feet was a dollar bill.

They haven't picked any more money off the street. But Canada hasn't disappointed them in any other respect.

BUTTER Vs. MARGARINE

While butter sales gained 9% in 1952, reports The Financial Post margarine increased less than half a percent. In total production butter led two and a half times.

Paradise Valley Hold Successful Farmers' Bonspiel

The farmers of this district held a very successful bonspiel on Jan. 23, 24 and 25 with 16 rinks battling it out for a very attractive list of prizes. Many beginners tried their luck with broom and stone as well as the older and more experienced curlers. Pappy's Bar and Grill provided a complete menu specializing in Curlers' Delight.

The committee wish to thank all curlers for their fine co-operation to make this yearly event a success and especially thank the donors for their share of the prizes. Also a hearty vote of thanks to George Venner who spent much time keeping the draws running smoothly and helping keep the ice in A1 shape.

Francis Wiley and his rink won the Grand Challenge curling trophy donated by L. Frederickson to be competed for annually. They also won first being 4 barrels of gasoline donated by Alex Miller B.A. oil agent. Second prize was to L. Knutson (4 watches donated by S. Stepenoff). 3rd, won by A. Walsh, four fountain pens donated by C.H. Mosley and the P.V. Curling club. 4th, won by C. Churchill, 4 cigarettes donated by the P.V. Curling club.

In the Merchants event first prize was won by L. Kragness, 4 electric lamps donated by T. Eaton Co. and the P.V. Curling Club. 2nd Prize, four silver salt trays donated by Squires Jeweller and P. V. Curling club. 3rd, won by J. Goren 4 auto mirrors donated by Skinner Motors and the P.V. Curling club. 4th won by A. Levitt, 4 pen flashlights donated by the P.V. Curling Club.

Consolation Event — 1st, F. Brassington, 4 gallons antifreeze donated by B. Baxter and the P. V.C.C - 2nd, Wm Herbert, 4 flashlights donated by Knox's Sales and Service and the P.V.C.C.; 3rd, won by D. Churchill, 4 Thermos bottles, donated by Beaver Lumber and the P.V.C.C.; 4th, won by J. Teasdale, 4 Minerva dispensers donated by the S.O.S. Service and the P.V.C.C.

The Hard Luck prize, 4 fire bombs, donated by R. O. Heath, (Massey Harris), is tied for between McIntyre and Bleakley also the honorable mention prize, 4 miniature John Deere tractors, donated by Gabrielson Bros. (John Deere) is tied for by the Storms and Trudell rinks. These rinks will try the slippery game again.

A very pleasant surprise came to A. L. Johnson when all the curlers presented him with a leather wallet to show their appreciation for his efforts during the spiel. To all these people Alvin says "Thank you one and all."

Dance at Thorneville school on Friday, Feb. 6th. Good music

News Notes From Your District Home Economist

Painting How-to's

1. Paint wiped off the brush won't run down the outside of the can if you span the top with a flat piece of wood held in place with tape.

2. Left-over putty can be kept soft if stored in a jar of water with a tight fitting cover. Cover putty completely with water.

1. Rub petroleum jelly on pieces of hardware not to be painted — then, if some paint does get on them, it will be easy to wipe off.

Homemaking Hints

To clean the oven when spill-overs occur, sprinkle salt on spilled food and let heat beat on until food chars, then wash.

Copper-bottom utensils can easily be cleaned by rubbing with a cut lemon dipped in salt.

Starch which has stuck to an iron can be removed by spreading salt on a newspaper and rubbing the iron over while hot.

Portable sewing machine on rubber or typewriter pad protects tabletop finish, reduces vibration and keeps machine from slipping.

Food kept in a refrigerator must be tightly covered to prevent mixing of odors and drying out. Wax paper covers for jars can be held securely with an ordinary worn jar rubber.

If you have trouble removing pickles from a tightly packed jar, use an old fork which has the tines at the tip bent upward. You can bend them with a pair of pliers.

The best way to keep your white nylon blouse white is to soak it in bli before washing it, rinse well and use blueing, rather than bleach, to whiten it.

Useful Plastic Bags

Those plastic bags is, which we are buying so many of our foods these days have several uses.

When travelling, carry in them your face cloth soap, tooth paste and wrap a bottle of perfume or other liquid in them.

The larger ones can be used for packing shoes in the suitcase.

The larger bags can be used too for storing food or dampened laundry (the latter for only a short time of course, due to mildew.

TB Seal Sale Closes Feb. 14th

February 14th will be the closing date for the 1952-53 TB Christmas Seal sale in Alberta it has been announced by T. A. Shandro, Edmonton, president of the Alberta Tuberculosis Association.

Provincial receipts to date total $183,750, which is still $16,500 short of the $210,000 objective. This amount is the very least that will permit the Association to carry out its extensive program in 1953-54, which includes early diagnosis through mobile unite and X-ray installations in hospitals, vocational training and rehabilitation, tuberculin testing, nursing services and welfare, research and health education, public and professional.

For Edmonton and northern Alberta, the total now stands at $78,593, which is still $7300 from the $86,000 objective.

Stone Fruits and Pears In Okanagan Valley. . .

In the Okanagan Valley of British Columbia, famous for its apple production, there has been a trend during the last 10 years toward a greater production of stone fruits and pears. The somewhat unsettled markets for apples in recent years may have been partially responsible and may bring further increases in plantings of stone fruits and pear trees with an increased production of these fruits.

At the request of the Industry, the Economics Division of the Canada Department of Agriculture made a study of orchards surprising results stone fruits and pear trees during the summer of 1950. The objective was not only to give the relatively newer type of fruit farming, but also to supplement the apple production survey made in 1949 and thus complete the description of the post-war tree fruit industry in the Okanagan Valley.

Plantings of stone fruit and pear trees in the Valley has been made on such a scale since 1939, that by 1949 the production of apricots, cherries, peaches, plums, and prunes have more than doubled, while pear production has increased by more than one-half. At present the domestic market absorbs the stone fruits and pears produced in the Valley.

The findings of the survey are based on the records of 107 fruit farms comprising 1,161 acres of orchard in that section of the Okanagan Valley which extends from Kelowna to Osoyoos. It was found that the average yield in tons per acre of the various fruits was: apricots 7.6, cherries 4.6 peaches 6.9, plums 5.2, prunes 6.6, pears 7.0 and apples 8.6. More than 60 per cent. of the apricot, peach, prune and pear trees, about half of the cherry trees and two-thirds of the plum trees were 15 years old or less.

On the basis of age distribution of the trees and taking account of the losses from the cold weather the findings of the Report indicate an increase in the production of apricots in the next few years. Peach and cherry production will decrease unless better cultural practices and favourable weather conditions bring higher average yields per tree. All signs point to a continuing increase in the production of pears and a slight increase in plum and prune production.

The average acreage of orchard per farm was 10.5 acres, consisting of 1.3 acres of apricot trees, 1.4 acres of cherry trees, 2.6 acres of peach trees, 0.8 acres of plums and prunes, 1.3 acres of pears and 2.6 acres of apples.

The total number of labour hours reported per acre was highest for cherries with 558 hours; apricots reported 469 hours, peaches 384 hours, 251 hours and prunes 242 hours. For apricots, peaches and pears, thinning was the largest production operation; in the production of cherries and prunes, removing the brush and pruning took the most time. For all fruits the harvesting operation which required the most labour was picking—over 25 per cent. of the total labour in all cases. Picking, as are cherries with an average yield of 4.9 tons to the acre than if they were picked for all other fruits except apricots.

Net earnings from an acre of apricots in 1949 were $634.74, cherries $673.27, peaches $292.54, pears $217.79. Prunes showed a loss in 1949 of $26 an acre.

TONS OF CARPET FOR CORONATION

LONDON. — Some of the world's most impressive carpet will cover the ancient stones of Westminster Abbey at the Coronation of Queen Elizabeth in June.

Altogether 2,250 square yards of carpeting will be needed, weighing nearly five tons. Twelve Scottish girls in the factory of James Templeton and Company of Glasgow will span the six-ply worsted wool, and five will weave the carpets

Folks sure favor a MAGIC cake!

SELF-RISING SPICE CAKE

Mix and sift 1 cups 2 cups unsalted pastry flour or all-purpose flour, 1 level tsp. Magic Baking Powder, 1 tsp. salt, 1 tsp. ground cinnamon, ½ tsp. each of ground cloves, ginger, allspice and mace, mix lightly, washed and dried seedless raisins and 1 cup chopped walnuts. Cream ½ butter or margarine and blend in 1 cup lightly packed brown sugar and 2 well beaten egg yolks and 1 tsp. vanilla. Add dry ingredients in remained servings alternately with 1 cup milk and spread batter in 8" square pan, which has been greased and the bottom lined with greased paper. Beat stiff egg whites and a few grains salt gradually and fold in 1 or lightly packed brown sugar and spread over cake mixture with ½ cup chopped walnut and bake in a medium slow oven 325°F. (1 to 1½ hours) Serve lightly with brown sugar for last half hour

MAGIC BAKING POWDER

Funny and Otherwise

Story Collector: "Can you bring to say on that pool dog account?
Old Aunt: Not just yet.
Collector: If you don't, I'll tell all your other creditors that you did.

Hattie—I don't know whether to get a palmist or a mind reader.
Callie—Go to the palmist, dear two know you have a palm.

"John, didn't I hear the clock strike three when you came in last night?"

"That you did, my dear, It was just starting to strike seven and I stopped it so as not to disturb your sleep."

Customs official—Anything to declare, madame?
Woman—No, not a thing.
Custom official—Quite so. Then what is the tail hanging down under your coat is really your own?

Lily is just an everlasting struggle to keep money coming in and a two-ib half from going out.

"Where is the bookkeeper," "Gone to the races, boss." "What! In the middle of our annual audit?"
"Yes, sir. It was our only chance to balance the books."

Notice that milkmen and left in bottles are sometimes vague and unsatisfactory. One milkman found this one:

"Dear Milkman, we don't want milk every day, we want milk like this: Today we want milk. Tomorrow we don't. And the next day will be just like the day before and the day after tomorrow."

After preaching a powerful sermon against betting, the vicar was astounded to learn that one of his parishioners was a heavy gambler, and at once hurried round to apologize.

"Oh, don't worry about it," said the gambler. "After all, it's a poor person that doesn't hit his somewhere."

"How long did it take your wife to learn to drive a car?"
"It will be ten years this fall."

Helps You Overcome Itching of Piles

On Money Back

You do not have to be tortured and embarrassed by the itching torment of Piles and Rectal Eczema. Here is how to get relief: Hem-Reid, an internal medicine, and Hem-Reid ointment, used as directed, this will be relieved in many cases. Hem-Reid is sold on this guarantee: Use it for the day as directed and if you are not entirely satisfied with the results you have obtained return the empty package to your druggist and get your money back. Hem-Reid, at all druggists.

Government Extends Short Term Loans

OTTAWA. — The federal government has decided to dip deeper into the short-term lending field to gain more cash with which to pay off maturing debts, Finance Minister Abbott announced that the government's entire eight-year policy on Canada treasury bills is being changed, increasing the ceiling on bank loans by $200,000,000.

A treasury bill is a short-term loan usually maturing in 91 days, which the government obtains by calling tenders in the commercial lending market.

Banks, insurance companies and other institutions with big amounts of money available make the loans at minimum interest rates.

The government maintained a rigid system in making these bills available to the market and kept a ceiling of $450,000,000 on them since 1945. Now it will make the lending system more flexible and raise the ceiling to $650,000,000.

Previously, Mr. Abbott announced that the government was entering the long-term 25-year bond market with a $100,000,000 issue. The first in three years, preparatory to launching a much bigger one later.

Together, these two steps appeared to indicate an increasing scarcity of public funds in the federal treasury. The government used big budgetary surpluses in previous years to help future maturing debt and reduce the over-all national public debt.

On the short-term treasury bills, the pre-like since 1945 has been for the government to call for tenders in each quarter-year on $25 million, totalling $75,000,000 each and maturing in 91 days.

Thus, the total outstanding debt on this type of loan was kept constant at $450,000,000, Mr. Abbott said.

Starting Jan. 29, however, tenders will be called weekly on $50,000,000 worth of treasury bills. Of these, $40,000,000 will be 91-day bills; $5,000,000 182-day bills and $5,000,000 273-day bills.

The government to call for tenders in each quarter-year on six issues, totalling $75,000,000 each and maturing in 91 days.

Thus, the total outstanding debt on this type of loan was kept constant at $450,000,000, Mr. Abbott said.

Starting Jan. 29, however, tenders will be called weekly on $50,000,000 worth of treasury bills. Of these, $40,000,000 will be 91-day bills; $5,000,000 182-day bills and $5,000,000 273-day bills.

Thus, by April 24, the total outstanding loans in this group of issues will be increased by $200,000,000 to $650,000,000.

On April 30, the total amount of treasury bills issued weekly will be reduced to $40,000,000. This will comprise $25,000,000 worth of 91-day bills and $5,000,000 of 273-day bills.

TRADE OPPORTUNITY

VANCOUVER. A new market for British Columbia's red and yellow cedar may be opened by a gift to Britain from the B.C. Lumber Manufacturers Association. A cargo of cedar recently was delivered in London to be used into simple buttments for armed services personnel.

In Roman times May was regarded as an unlucky month for marriages.

THRILLS of the ROARIN' GAME

The "Knowhow" And The "Old Bean" Count In Skipping

The canny, capable ship wins many a game with "the old bean". He can make any risk he plays on a tough one to beat.

The good ship not only ably directs play, but calls for shots from his men he knows they are individually capable of making. He is also a past master at reading the ice and will take every advantage he can of "runs" or tough spots in the sheet he's playing on. Let him find a "run" and he'll try to place stones on it every end.

When he gets a stone in the house at the beginning of an end, he'll rarely attempt to guard it, but will try to get a second counter in the circles. He knows that the "second" is a much easier shot for his man to make, and that the laying of a perfect guard is the hardest shot in the game. Then too, a guard can never be marked on the score board, regardless of how well it is played.

Our good ship is also aware that psychology plays a part in every game and he uses it at every opportunity. He knows that the opposing skip is playing at least one end ahead. In other words, planning shots on eventualities as the "end" stacks up.

Our skipper may play a shot that's not the obvious one; like taking out a second instead of playing for the shot itself. He may also make other plays, at no expense to his own rink, that will tend to disrupt the opposing skip's line of thought and start him to wondering if he's being outsmarted. Such shots are like thistles along those lines, his confidence is being undermined and he may, in confusion, call for the wrong shot. It has happened, and for that reason alone is a play for a lot of concentration on the part of the pilot.

Another thing a good skip will do is to use the ability of the individual members of the opposing team if he detects weaknesses in their respective skill in making particular shots, he'll play on that so much so possible. The out-turn being the more difficult of the two to throw, he will try and force the opposition to use it as much as he can

Playing the percentages in every shot is something which a good skip is entirely devoted. He plays the one with the greatest possibilities, and never passes up the chance to play two or three shots in one, in other words, if his man misses the main objective of the shot, he can still make another that may be almost as good.

When the stones are working good and the breaks are showing in favor of our rival skip, he'll play his hair to the limit and make the most of every situation. His game will be wide open with lots of action in the house, so if the good breaks continue and the opposing skip happens to miss at the right time, he'll have a house full of counters.

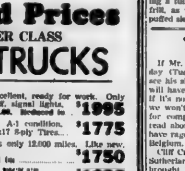
He senses that the breaks are going the other way, he'll tighten up and play a very conservative game. Many of rocks up in front with draw shots and raises being played more exclusively.

More than one-fourth of all housing costs are devoted to utilities, gas, electricity and water.

Worry of FALSE TEETH Slipping or Irritating?

Don't be embarrassed by loose false teeth while eating or talking. Just sprinkle a little FASTEETH on your plates. This pleasant powder gives a prolonged grip that holds plates more firmly and comfortably. Don't offend! FASTEETH checks "plate odor". Get FASTEETH at any drug store.

Mrs. Mart Kenney, Puts on Blue Bonnet —Sings Its Praises!



Take your lead from Mrs. Mart Kenney, famous star of Mart Kenney's Western Gentlemen. Compare Blue Bonnet Margarine with any margarine you've ever had—the well-known Canadian band leader's wife says "I find Blue Bonnet finest, sweet flavor is always up to the list, parade! Now they call Blue Bonnet the year-round nutritional value, too. And you'll really notice the difference in baking. Buy Blue Bonnet today. Mild — Flavor! Nutrition! It's creme-el!

Buy Blue Bonnet Margarine at your grocer today. Mild — Flavor! Nutrition! It's creme-el!

PLEASE BE ON TIME — TERMS: CASH

Warawa-Trach Nuptials Held At Derwent Church

WARAWA—TRACH

The Greek Catholic church, Derwent, was the scene of a pretty wedding Thursday, January 22nd when Rev. Fr. Cherkawski solemnized the marriage which united Stella, daughter of Mr. and Mrs. John Trach of Chesedonald, and Steve, youngest son of Mrs. Warawa of Vermilion.

For her wedding the bride chose a beautiful floor-length gown of white Chantilly lace. A full skirt gathered to a basque bodice, which fastened down the front to the waist with self-covered buttons, and featured a transparent net yoke, back and front, outlined by a wide self-effect piece sprinkled with all-over sequins. The long sleeves tapered to lily-points over the wrists. Her full-length illusion veil was held from a sweetheart bridal halo, embossed with flowers, and silver lid sandals completed the costume.

The bride's jewelry consisted of a triple-strand of pearls with matching earrings, a gift of the groom, and she carried a bouquet of red roses and lily-of-the-valley.

The bride was attended by her niece, Miss Annie Trach of Chesedonald, the groom's niece Miss Audrey Wygwitha of Vegreville, and the groom's sister Miss Elizabeth Warawa.

Miss Trach wore a floor-length gown of pink faconne crepe fashioned with a full skirt and ruffled short puffed sleeves. She wore a matching pink net shoulder-length veil and wreath of flowers.

Miss Wygwitha's dress was of powder blue nylon marquisette, having a full skirt and bodice of net frill, as was the bodice, and short puffed sleeves. Her veil and flowers were in matching blue and she wore a necklace of pearls.

Miss Warawa chose lilac taffeta with buttoned bodice, tiny collar, full-gathered skirt and short puffed sleeves. Her shoulder-length veil and wreath of flowers were matching lilac.

All three bridesmaids carried bouquets of flowers similar to the bride's.

Little Lurraine Burns, niece of the bride, made a pretty flower girl. She wore a floor-length gown of white satin with nylon net yoke and full-gathered net overskirt. A double-ruffling outlined the yoke and waistline. Long sashes tied in a bow and fell to the hemline in the back. She wore a long, unbrushed net veil with wreath of white flowers. She carried an old-fash ioned nosegay bouquet of pink roses and fern.

The groom was supported by Mr. Alex Cankick, Mr. Johnny Kuntz and Mr. Walter Trach, a brother of the bride.

The ring-bearer was little Marshal Lychak, nephew of the groom.

For her daughter's wedding Mrs. Trach wore a brown pin striped tailored suit with a white crepe blouse.

The groom's mother wore a dress of brown silk crepe.

Following the ceremony a reception was held at the home of the bride's parents, where a large number of friends and neighbors sat down to a sumptuous dinner.

In the evening a wedding dance was held in Columbia hall. Clan donald with a huge crowd in attendance. On Monday Jan. 26th a second dance was held in Vermilion. Music was supplied for both dances by Zabarko Bros.

Wildmere Winks

If Mr. Ground Hog came out today (Tuesday) he would certainly see his shadow, so it looks as if we will have six weeks more winter — If it's no use that we have had, we won't kick. We have no room for complaints. Most of us have just read about the terrible storms that have raged in England, Holland and Belgium.

Cliff Cruthers, playing lead in the Sutherland rink from Vermilion brought home his prizes on Thursday evening. When that rink captured the Grand Challenge at Wainwright.

Kitscoty News

Hard Time Dance

The Kitscoty Ladies Curling club are sponsoring a hard time dance on Thursday Feb. 12th in the Kitscoty town hall with music by the Mat-wana orchestra. Come in your old clothes and have fun.

Mr. and Mrs. Wm. Murray and family have left for a holiday to the West coast where hey will visit with Mr. Murray's parents.

Mr. Mickey Bootsman accompanied by his mother Mrs. Tim Bootsman, Mrs. George Bootsman and Mrs C. N. Gray motored to Edmonton this week where they will attend the 'Ice Cycles' and the U. of A. mixed chorus concert.

Congratulations to Mr. and Mrs. Russell Lang on the birth of a son on Friday, Jan. 30th.

Mrs. Ken Jenkins is visiting here with her parents Mr. and Mrs. J. C. Potter and David, while Ken is away in the north with his oil crew.

Mr. and Mrs. R. S. Pidcock and Mr. Brian Kent were Edmonton visitors on Monday, where they attended the Mixed chorus concert with which Misses Betty Gray and Ella Pidcock are singing.

Board of Trade Banquet

Thursday, Jan. 29th the Ladies Auxiliary to the Canadian Legion, Kitscoty, catered to a banquet sponsored by the Kitscoty Board of Trade on the occasion of the opening of the new office of the M. D. of Vermilion River. About 100 guests were entertained at the excellent dinner, 50 of whom were special guests from out of town.

Complete First Aid Course

Friday evening last, ten town and district ladies were presented with their certificates for a St. John's Ambulance course, which they completed last year. The following ladies received certificates. Mrs. J. Batty, Mrs. Johan Bootsman, Miss G. Dunsmore, Mrs. Ali Franke, Mrs. T. F. Mason, Mrs. Cliff Miller, Mrs. A. Nelson, Mrs. R. S. Pidcock, Mrs. J. C. Potter, Mrs. E. Sutherick. Congratulations girls! We'll know on whom to call in emergencies.

Vocalist Wins

Congratulations go to Margaret Mitchell 14-year-old song bird, who won first prize for her vocal solo at the Amateur night held last Friday in Mannix hall. Also on the trip was Florence Parker, 8 grade eleven student and local Mormon girl who won first honours for a piano selection in the age 17 and over class.

Play Feb. 6th

The popular play 'Aunt Susie Shoots the Works' presented by the Lloydminster Little Theatre group will be sponsored by the United Church Women's Association this Friday, Feb. 6th in the Kitscoty town hall commencing at 8:15 p.m. Come one and all and enjoy this play.

Growing Fast

Are we Canadians thinking big enough, asks The Financial Post. It is almost a certainty that in another quarter century Canada will have at least 21 million people without counting any substantial immigration.

What does an increase of nine million to our population mean? It means that by 1976 the increase would be equal to 91 new cities the size of Halifax or of Windsor. It means 2¼-3 million new homes and all the stuff that goes into a home, more food, more of everything.

STOCKYARD FACILITIES IN VERMILION TO BE DISCUSSED BY BOARD OF TRADE

Discussion of stockyard facilities in Vermilion has been placed on the agenda of the Board of Trade for the meeting on Wednesday next week. It is felt that the present yards should either be drastically improved, or better yet, that new yards be built further to the east. All stockmen, farmers and business men are invited to attend these meetings.

CLANDONALD HALL

Local News of Interest

57th Wedding Anniversary

On Thursday of this week, Mr. and Mrs. Herbert Spencer, will celebrate their 57th wedding anniversary at their home in Vermilion where they reside with their daughter Mrs. Thos. Watts. They are both a mature 80 years of age, and still young enough to take a great interest in many current events.

Lois Herzog Farewelled

Lois Herzog who left Friday to complete her commercial training at McTavish Business College, was entertained at the home of Alice Brix on Tuesday evening by her classmates.

She was presented with a Westclox 'travel-alarm'. Lois thanked all for the appreciative gift.

A delicious lunch served by the hostess brought the enjoyable evening to a close.

Farwell Marian Pilkie

At their home in Vermilion on Thursday night, Jan. 29th, Mr. and Mrs. M. F. Smeltzer entertained the choir of St. Saviour's church when the regular choir practise was held. At the conclusion of the practice, the husbands and friends of the members, together with Mr. and Mrs. Billie Pilkie, enjoyed a social hour or two. This was made an occasion to present a going-away gift to Miss Marian Pilkie, one of the most faithful of the choir, who left this week to take up training in the Royal Alexandra hospital, as a nurse.

Marian leaves a gap that will be noticed for a long time to come, as she was noted for being in her allotted spot every Sunday night. The choir members expressed their feelings by giving her a Travelarm clock, presented by the Rev. D. A. Ford who in a short speech wished her 'the best' in her new sphere of activity. Marian replied, thanking one and all for their kindness to her stating that she would be back in again many times, when away.

Games were played by all and a very lovely lunch was destroyed completely by those present, thus showing their appreciation for a tasty repast to their hostess, to whom thanks were also expressed for her kindness in having the choir practice at her home.

It is interesting to note that in this same class as the 'Alex' there will be two other Vermilion girls in the persons of Misses Doreen Stone and Peggy Graham, a sister of Sam Soldan's from Elk Point is also with them.

Crystal Union Annual Meeting

Crystal Union and Co-op supporters watch next week for announcement of the annual meeting of the Crystal Union.

Room-to-Guide Mothers to Meet

Next meeting for all Brownie and Guide mothers will be held in the Scout hall on Tuesday, Feb. 10th at 8:00 p.m.

Happy Hour Group Meeting

The Happy Hour Group of St. Saviour's will meet in the parish hall on Thursday Feb. 12th at 8:15 p.m.

United Church Group Meetings

The W.A. groups of the United church will meet next Tuesday, Feb. 10th at the following homes: Mrs. Hardie's group at the home of Mrs. Mair; Mrs. Dale Williams' group at the home of Mrs. A. C. Heckbert; Mrs. Dougan's group at the manse.

Canteen School

Card party and dance at Canton school on Friday Feb. 13th.

Thorncliffe

There will be a dance at Thorncliffe school on Friday, Feb. 6th. Good music. Everybody welcome. 30c

Vermilion, Alberta

Mr. and Mrs. Ross Beake motored to Edmonton on Tuesday afternoon to attend the Golden Wedding of the former's parents Mr. and Mrs. W. J. C. Beake, which happy event took place on Wednesday, Feb. 4th.

Mr. Al Locke, manager of the Treasury Branch, is on holidays for the next three weeks, last year's holidays, by the way. He is being relieved here by Mr. A. E. Edens of the inspection staff, Edmonton. Al doesn't plan on straying very far afield but will enjoy some hot spots during his time off, Manitou-ville next week and Vegreville the following week. This week he is looking after draws for the annual ladies' spiel.

Mr. and Mrs. W. Clifford and family of Vermilion and Mr. and Mrs. Donald Gordon and family of Lloydminster returned home on Sunday after attending the Golden Wedding of Mr. Clifford's and Mrs. Gordon's parents on Jan. 22nd at Lucky Lake, Sask.

Elmer Stewart with brother Dunc of Edmonton, Ron Paymont and Carman Long form one quartet at the Edmonton spiel this week, while Bill Barr, Ken and Roger Rowe and Mac Simonsen make up another Vermilion rink. Wally Astrim is also entered as from Vermilion.

Dr. A. H. Goodwin and daughter Miss Eleanor Goodwin returned home recently after spending Christmas and the month following visiting at the home of their daughter and sister Mrs. R. Walker and family.

Magnus Stenson who has spent the past three months in Norway returned home last week. He reports conditions as prosperous in that country with employment plentiful and wages high.

Nurses Arrange Dance

Under the auspices of the nurses of the Vermilion Municipal hospital a dance will be held in the Elks hall Vermilion on Monday Feb. 16th. Dancing commences at 10.00 p.m. to the snappy music of Eddie Keene's orchestra.

Many will remember the very enjoyable dance held by the nurses a year ago. 30-1

CAT EMULATES SANTA

Bill Grychik of Vermilion says that his cat tried to emulate Santa Claus by cuming down the chimney of his home last Friday night. The cat misbehaved and in doing so slipped down the chimney and was there for about an hour before they heard it and extricated the pet. There was a coal and wood fire on but the cat apparently suffered no ill effects.

Sale of Home Cooking

The Happy Hour group of St. Saviour's W.A. will hold a sale of home cooking at Vermilion Co-op Market from 3 to 5 p.m. on Saturday Feb. 7th. 30

These donations in memory of the late Mr. James W. Gould were received too late for publication in last week's Standard:

Mr. and Mrs. Al MacLelland; Mr. and Mrs. W. R. Jory; Mr. and Mrs. Jim Horricks, Crystal Children; Mrs. Gordon Doreen and boys; Mr. and Mrs. P. McGuigan; Gordon and Betty Purser.

Islay Cemetery fund: Mr. and Mrs. Bill McLean.

Building Fund, Knox United church: Catherine Fyfe, Jean and Charlie.

CARD OF THANKS

We wish to express our sincere thanks to the many friends for the beautiful floral tributes, donations, and expressions of sympathy during our recent bereavement.

Mr. and Mrs. Carl Sampson and Frank Young.

IN MEMORIAM

In loving memory of
Cheryl Stanley Hicks
who passed away Feb. 4, 1950
Deep in our hearts is a picture,
Of a loved one laid to rest.
In memory's frame we will keep it,
Because he was one of the best.
—Sadly missed by Mother, Dad, Lillian, Pauline, Earle, Clyde and Fred.

IN MEMORIAM

In loving memory of our dear father
Hinston Eastland
— who died Feb. 9th, 1935.
'Loving and kind in all his ways,
Upright and just to the end of his days.
Sincere and kind in heart and mind,
What a beautiful memory he left behind.'
—Sadly missed by loving wife and family.

Pleasant Valley

A nice warm spell after the blizzard of Saturday. The snow plows have been out opening up the roads. The church service was cancelled on Sunday as the roads were bad in places.

Mrs. Bert Jones, all cars need batteries, we heard this story but were pledged to secrecy.

We hope that you are making the dishes sparkle Alberta. It's all wash and all wipe tonight isn't it? How is cooking coming along, we hear that you have both to do. Mary is working in the Islay hospital again.

Mrs. McLeland spent the afternoon with Mrs. Van den Dudder at

Mannville Local Items

Eleven rinks from Mannville are curling in the Minburn bonspiel.

Miss Dorothy Folitch has left the staff of the local hospital. Before leaving she asked the correspondent to express through the paper her appreciation of the friendliness of the people of the village.

Mrs. Edith Hart and son Ricky have left for Winnipeg to join Capt. R. Hart.

Mr. and Mrs H Arnold celebrated their 40th wedding anniversary on Tuesday, Feb. 3rd.

Mr Willard Jones of the Bank of Commerce staff left this week for Warner where he will join the staff of the Commerce.

The following rink of lady curlers, Mrs. J. Cockerl, Mrs. H. Mercer, Mrs. W. Mercer and Mrs. E. Schindler are attending the bonspiel at Chauvin this week.

Mr. H. Dreyer is a patient in the local hospital where he is progressing favorably.

Mrs. Helen Remples celebrated her 70th birthday recently. Those attending the party in her honor were Mrs. Gardiner, Mrs. Matney Sr., Mrs. Prill Sr., Mrs. H. Arnold, Mrs. Geo. Hubbard of Edmonton, Mrs. W. Carpenter, Sonya Jr., Legg, Mrs. Archie Hubbard and Mrs. Ab Hubbard.

Attending the Edmonton bonspiel from Mannville this week are C. Thumiert, Jack Coxford, F. Watson, Vern Wilde and L. Moore.

Four ladies rinks are curling at the Vermilion spiel this week. Skips Mrs. J. McLarkie, Mrs. W. Chapelle, Mrs. L. Fleming and Mrs. E. Hubbard. Skip Mrs. A. Gerhart, Mrs. D. Crot, Mrs. G. Majens, Mrs. F. Proudfoot. Skip Mrs. K. Scoggins, Mrs. A. Reich, Mrs. A. Hubbard. Mrs. Grant Hetherington. Skip Mrs. Norma Ewing, Mrs. D. McKenzie, Mrs. J. Bennett, Mrs. H. Legg.

Discuss Civil Defence With Town Council

Mr. E. Tyler of the Civil Defence Co-ordinator's Department of Alberta, and Mr. George Martin, the Civil Defence organizer for this area, attended the meeting of the council, town of Vermilion to discuss the reorganization of Civil Defence in the town. Mr. Tyler pointed out to the Council that to have a successful civil defence organization it is necessary to have a strong parent body behind the organization. Both Mr. Tyler and Mr. Martin recommended that the Council act as a whole act as the civil defence control committee and delegate responsibilities to deputy services in charge of each of the committees who will be directly responsible to the Director of Civil Defence.

Mr. Tyler also requested that civil defence problems be referred to Civil Defence H.Q.

Deputy Mayor D. R. Mitchell thanked Mr. Tyler and Mr. Martin for their assistance at the meeting.

Fence Line Disputes

Mr. Martin also addressed the Council on behalf of Canadian Legion Post 11 in regard to planning for Coronation Day. Mr. Mitchell thanked Mr. Martin and expressed the willingness of the Council to work with the Canadian Legion in making the Coronation Day celebrations a success.

LEGION NOTES

Our monthly meeting will be held in the Legion hall at 8:30 p.m. Feb. 5th. Your president, George Martin urges that everyone turn out as a lot of important business is to be taken up.

The card party met on Sunday afternoon. The membership drive had to be put back to the next gettogether as cated by Vermilion River M.D. were the chief items of business.

Now, fellows who are entitled to belong are asked to come around and get an application form. Do it before the meeting on Feb. 5th so your application to join can be approved at that time. Why wait until the regular committee gets around to you. Also members now on the waiting list are asked to pay dues so that you will not miss any copies of the 'Legionary'.

The Legion aims to help all veterans whether they are members or not. If any veterans have problems a post up should include disability or anything along this line, do not hesitate to see the secretary.

Derwent Students To Hold Valentine Dance

DERWENT.—The Derwent Student's Union will hold a Valentine dance on Thursday, Feb. 12th in the school auditorium. The music will be supplied by the 'Keenmen' of St. Paul. Everybody is welcome to attend.

Watch for Pee-Wee night!

her new home in Vermilion.

Lauris Hetherington staying with her mother Mrs. Gould returned to Lac la Biche on Saturday.

There has been a lot of visiting in the neighborhood during the past week or two: Gordon Gould's were visitors over the Gould home on Sunday. The Gilles boys were visitors at the Ab. and Mrs. Clark's Monday evening. Mrs. H. Arnold and family were supper guests at Christmas with Mr. and Mrs. Gerhart. Dads were supper guests at the writer's home when a good game of crokinole was played.

Hello We made scribe, how are your bulbs? Hope the mice let them chew them up. It is time that some of them were up into the light and sunshine to bring forth the lovely blooms.

There is one old man we ladies can certainly like, and he is old man Jack Frost. We can grow flowers despite his Bitterness weather.

Announcement Made At Annual Meeting
Mayor, Two Councillors To Stand For Re-Election

At the annual meeting of the electors of the town of Vermilion held on Monday evening at the Legion hall, the announcement was made that Mayor S. C. Heckbert and Councillors Jack Reid and K. G. Urquhart whose terms all expire, had decided to stand for re-election. The announcement was received with considerable enthusiasm by the 51 ratepayers assembled.

A complete report of the proceedings at the annual meeting will appear in next week's Standard. During his remarks Mayor Heckbert paid tribute to the number of our pioneer citizens who were in evidence at the meeting stating that they had taken a major part in the development of the town and district to the early days and that it is apparently still keenly interested in public affairs. His Worship said also that it was surprising to note that very few business men present, many of the larger business firms not being represented, and also complimented the two ladies, Mrs. Downie and Mrs. Davies who were in attendance.

Ashley H. Cooper acted as chairman of the meeting and B.C. Ackerman was secretary.

Nomination Day Monday

Nominations for the offices of mayor and councillors will be received by returning officer Hiram H. Hodgins on Monday, Feb. 16th at the town hall between the hours of 11 a.m. and 12 noon. Election day falls on Monday, March 2nd.

VIKING LIONS HERE ON SATURDAY

VERMILION TIGERS NOW AT TOP OF LEAGUE

Viking Lions will roar into town Saturday night to play in the last of the regular league games before the play-offs. Viking have an edge on the Tigers during the season, winning two games to the locals one with 1 tie. Saturday's game should be a thriller and is also apparently still keenly interested in public affairs. His Worship said also that it was surprising to note that very few business men present, many of the larger business firms not being represented, and also complimented the two ladies, Mrs. Downie and Mrs. Davies who were in attendance.

Ashley H. Cooper acted as chairman of the meeting and B.C. Ackerman was secretary.

Nomination Day Monday

Nominations for the offices of

Stockmen Ask For New Stockyards

SUGGEST FACILITIES FOR AUCTIONS BE INCLUDED

Stockmen of the Vermilion district waited on the Board of Trade at the regular evening meeting Wednesday and asked for help in securing better stockyard facilities in the town. The suggestion was made that the stockyards, around which the town had grown entirely grown, should be moved to the railroad spur east of town and that the new set up should include facilities for the regular auction sales of stock conducted by the North-East Alberta Livestock Association.

The present yards are congested, are in a low spot with consequent bad mud conditions in wet weather, and it was pointed out impossible to conduct sales of stock when the weather was cold. Stock from a very large area was brought to these sales, many herds coming as far as 50 miles, and it was felt that the community would benefit greatly by providing modern stockyards.

In the first year of operation the Sales Association had a turn-over of $253,336, but sales could not be held regularly during the winter months. Sales now are predominate as a means of marketing cattle.

A committee of the board of trade was selected to meet with the appointees of the Livestock Sales Assoc. to consider ways and means of having the sales held yearly. Representations will be made to the railway officials immediately. The Board members on the committee are E. H. Buckingham and Dr. Bob Anderson.

The annual meeting of the Livestock Association will be held on Friday afternoon at 3 p.m. and the C.N.R. have already agreed to have a representative present.

Representing the Stockmen were Scotty Hines, Charlie Pearman, Chester Gamble, Louis Roy, Don Harrison, Alf Legan and Ross Taylor.

Urge Support Of Water And Sewer Plebiscite

RESOLUTION PASSED AT BOARD OF TRADE

Following an address to the Board of Trade by His Worship Mayor Heckbert who fully explained the proposed plebiscite for $60,000 to provide for extensions of the water and sewer services in the east end of town, the Board went on record as approving of the proposed expenditure and to see that all possible be done that the plebiscite secure the necessary two-thirds majority on voting day, Monday, March 2nd.

Mr. Heckbert pointed out that the services would be extended to 61 additional property holders not now served by the present system. There were 26 vacant lots which would also be serviced by the extension. These lots he anticipated, would soon be sold to prospective home owners, particularly as there were practically no lots left on water and sewer on this side of the railroad tracks.

The town had already been assured by Mr. C. E. Gerhart, minister of municipal affairs, that the necessary money would be loaned by the province at 2 per cent interest to be repaid over a period of 20 years. This money is available for self-liquidating projects, that is, projects which pay for themselves, and are thus not a burden to the taxpayer.

Furthermore, the $60,000 provides for additional standby water well and pumping equipment. It was the intention of the council to extend the services to one or two other corners of the town which had somehow been passed by in the original installation, such as the block north of the Anglican church.

The plebiscite will be voted on Monday March 2nd and every person entitled to vote should cast his ballot in favor of this progressive step. Let us serve everyone with water and sewer services, providing at the same time for future expansion.

Kinsmen Bottle Day To Aid British Flood Victims

BOTTLE COLLECTION ON WEDNESDAY, FEB. 18th

Vermilion Kinsmen have adopted a novel idea to raise funds to aid the flood victims in Great Britain. The Kinsmen are asking that all people in town and country donate their empty soft drink and beer bottles to them. These will be collected from door to door in town on Wednesday next, Feb. 18th starting at 2:00 p.m. Country people may leave their bottles outside the main entrance at the old armories.

The bottles will be sold by the Kinsmen and the proceeds forwarded for flood relief. This gives every citizen a chance to help — gather up your bottles, pile them at the rear of your lot and they will be picked up from the lanes.

See the large display advertisement on page 2 for full particulars.

Donations Asked To European Flood Relief

SUBSCRIPTION LISTS AT COMMERCIAL TREASURY BE.

The Canadian Red Cross Society is undertaking to assist in efforts to aid the unfortunate victims in the flooded areas of Western Europe. Cash donations are urgently requested and there is an urgent need for bedding, clothing and shoes. Mended clothing is being accepted as the entails too much delay for sorting, packing and assembling.

300,000 people have lost everything in the floods while 1,000,000 people are in the distressed areas.

In Vermilion subscription lists are posted at the Treasury Branch and Canadian Bank of Commerce. Our local branch of the Canadian Red Cross has made a donation of $25.00.

From collections made at the Government Liquor store, and the executive of the Boy Scouts Association is planning a canvass of business places in the town.

On Saturday, Feb. 14th the Boy Scouts will take collections on the streets when flags will be sold. The Girl Guides, Cubs and Brownies will conduct a house to house drive.

The Vermilion Branch of the Canadian Legion has donated $50 to assist our unfortunate neighbors. Let us give generously, remembering in our fortunate surroundings those who have met such great disaster.

HOCKEY RESULTS

Saturday, Feb. 7—Vermilion 3, at Wetgeville 4.

Monday, Feb. 9—Vermilion 11, at Wetgeville 3.

Wednesday, Feb. 11—Vermilion 8 at Viking 4.

Durness Wheat Club Wins District Award

The Durness Wheat club has been awarded a trophy for obtaining the highest average score for 4-H grain clubs in this area.

In making the announcement District Agriculturist E. H. Bocking said that the award is given each year under the '100 per cent club' plan sponsored by the Grain Growers' Guide and Canadian Pacific Railway Co. Points are obtained in this contest for the field scores on the crops, the seed scores on samples shown at the achievement day, the seed judging competition, project, record and attendance at meetings.

Mr. Doug Jupplenz of Lloydminster is Club Leader. Mr. Manley is assistant club leader. The club officers are: President—Eddie Kelchinger; Vice-Pres. — Cavan Cundliffe; Secretary — Wilfred Cundliffe.

The trophy which was donated by the Canadian Bank of Commerce through Mr. A. M. Watt, Vermilion manager, will be presented to the club at a special meeting to e called in March.

Ray Goldsmith, Age 6, Passes Away

The district of Clandonald was saddened by news of the death of 6-year-old Ray Robert Goldsmith who passed away at the hospital on Feb. 7th. He was the only son of Mr. and Mrs. Alex Goldsmith. The little boy was brought in suffering from a ruptured appendix and died from peritonitis.

Funeral services were held on Tuesday, Feb. 10th at the United church, Vermilion with interment at the Vermilion cemetery. The Rev. Buchbop of Lloydminster officiated.

Moyer's were in charge of funeral arrangements.

George Stonehouse Dies At Vancouver

Funeral services for George Franklin Stonehouse, formerly bank manager at Clandonald since 1930, will be held at St. Saviour's Anglican church, Vermilion on Monday, Feb. 16th at 2:30 o'clock in the afternoon. Interment will be at the Vermilion cemetery.

Mr. Stonehouse went to the coast some three weeks ago to seek relief from asthma. On Friday evening Feb. 6th he suffered a stroke and was taken to the General hospital at Vancouver where he passed away on February 10th. He is survived by his loving wife and four sons.

Midgets Away To Camrose Thursday

TO PLAY IN PROVINCIAL PLAY-DOWNS

Vermilion Midgets leave this Thursday at 1 p.m. for Camrose where they will play the Midgets of that town in the first of a two game total goal series in the provincial play-downs for the Midget championship. The return game will be played on Vermilion ice early next week. Watch for advertising. This is a two-game total goal series. The boys are being accompanied to Camrose Sam Seldon and Jim Bell with Will Little's bus providing the transportation.

Wins Dominion-Wide Essay Contest

SUBJECT "IMPROVEMENTS OF NATIONAL 4-H CLUB WEEK"

Miss Christina Morrison of Vermilion, daughter of Mr. and Mrs. Alex Morrison, and a grade 11 student at the high school, was awarded first prize in the second annual national 4-H essay competition sponsored by the Canadian Council of Agriculture. Miss Morrison, one of the 112 provincial winners attended the 1952 National 4-H club week at Ottawa as guest of honor. The Council to the authors of the two best essays, in each case the provincial winner wrote about their impressions of the trip.

Standing sixth in the list of 112, also a very creditable achievement, was Bruce McDonald, the second member of the Vermilion Poultry Club, to attend the National Club week. Thus we have the somewhat remarkable record of the two members from the Vermilion club standing in the first ten of the 112 essays submitted. Bruce is from Vermilion and is at present attending the Vermilion school of agriculture.

The competition judges were Mr. E. F. Pincen, Associate Chief, Production Service, Canada Dept. of Agriculture; Mr. Peyton White, Editor Ottawa Farm Journal, Ottawa; Miss Lorden Journal, Informat-ion Officer, Canada Dept. of Agriculture, Ottawa.

The following is a list of the ten top ranking essays:

1. Christina Morrison, Vermilion Poultry Club, Vermilion, Alberta.
2. Jean Coutts, Nanton Foods Club, Alberta.
3. Doris Scheidegger, of Ohaton Clothing Club, Alberta.
4. Kay Williams, Clothing Club, Great Village, Colchester Co., N.S.
5. Joan Forbes, Great Village Clothing Club, N.S.
6. Bruce McDonald, Vermilion Poultry Club, Vermilion, Alberta.
7. Grace Hunt, Wentworth Poultry Club, Ontario.
8. Elaine Primus Alix Garden Club, Alberta.
9. Lorne Loveridge, of Crenfell Grain Club, Sask.
10. Margaret Gilmour, Everett, Beef Club, Ontario.

It will be noted with interest that out of these first ten essays five were from Alberta.

Christina's winning essay appears in full elsewhere in this issue of the Standard.

Winners At The Kitscoty Bonspiel

The annual Kitscoty bonspiel was completed on Saturday evening when the following winners were decided:

Grand Challenge
1. L. Magnus, Lloydminster, 2. C. Bogland, Lloydminster; 3. G. McGegor; 4. R. Evans.

Grey Event
1. C. Miller, 2. L. Magnus; 3. L. Foote, Lloydminster; 4. G. Ingle.

Merchants
1. Marwayne Rocks; 2. F. A. Lowrie, Marwayne; 3. Chas. Heck, Bert, Vermilion; 4. S. Kohn, Islay.

Citizens
1. C. Ranger, Southminster; 2. S. Kohn; 3. A. McGladrie; 4. Purity 99 Marwayne.

Unless otherwise notated the winner mentioned is from Kitscoty.

Sixty Club Leaders Attend Regional Conference Here

Sixty club leaders and club officers from a large area attended a conference held at the school of agriculture, Vermilion, on Feb. 9. Twenty-five grain, live stock, garden and sewing clubs were represented.

District Agriculturists Joe Gurba of Myrnam and E. H. Buckingham of Vermilion had charge of arrangements. Mr. Buckingham acted as chairman.

Mr. Les Usher, Assistant Supervisor of 4-H clubs, Edmonton, and Miss Margaret Fraser, Supervisor for girls clubs for the province, conducted the course of instruction. They spoke of the many ways in which interest in club work can be maintained. The primary object in club work is to train members in the project in which they belong. However, it was stressed by both speakers that sports and social activities help a lot in promoting interest and holding the club together.

Mr. N. N. Bentley, principal of the school of agriculture, welcomed the gathering and spoke about the value derived from the boys and girls having projects which they must do themselves under the guidance of the club leader.

Bruce McDonald of Manville addressed the meeting on the National Judging competitions at Toronto last November. Bruce was elected at Toronto as President of 4-H club members for all Canada. Miss Christine Morrison of Vermilion and Mr. McDonald represented the Vermilion Turkey club at the national contests and obtained third placing for the whole of Canada.

Mention was made at the meeting that Christine Morrison had recently been awarded first prize in the essay contest for all the boys and girls who attended Le National Judging competitions. Bruce McDonald obtained 6th placing in the same essay contest.

Miss Shirley Holms and Mrs. G. Melnyk, District Home Economists from Wainwright and Vegreville respectively, brought in some of their club leaders in the Garden, Sewing and Cooking Clubs.

Twelve of these 4-H Club conferences are being held in Alberta this month. It is surely a good omen for club work when 60 people will come out to a meeting to see how they can do a better job as club leaders.

Mr. and Mrs. Jas. Cavil 67 Years Married On Monday, Feb. 16th

Vermilion's oldest couple, Mr. and Mrs. James Cavil will observe the 67th anniversary of their wedding on Monday Feb. 16th. Mr. Cavil is 94 years of age and Mrs. Cavil is 87. They live by themselves and are still well able to look after all their own needs.

Vermilion 42nd Annual Bonspiel Starts Feb. 23

NINE SHEETS OF ICE IN FIVE RINKS

Vermilion's 42nd annual bonspiel will commence on Monday Feb. 23rd and run for four days. Five events will be played, but nine sheets of ice will be used, making this one of the snappiest bonspiels in the west. Last year 91 rinks entered. The nine sheets means that the big annual event is all completed in four days. The bonspiel has for several years been Alberta's premier rural spiel.

There are four sheets of ice in the curling rink and five sheets are laid out in the arena rink. The Vermilion bonspiel has outstanding trophies and a very fine array of prizes. The Grand Challenge carries with it four wrist watches valued at $60 each.

The curlers' banquet served on the Tuesday evening at the Legion hall starts upwards of 300 and is an event greatly anticipated for its good fellowship and sociability.

President Aldous Kerr states that all entries should be in Secretary Russel Carroll's hands, phone 213, by Saturday, Feb. 21st.

Death of Reginald Lambert in Edmonton

OLD TIMER OF THE ISLAY DISTRICT

On February 8th, Reginald Lambert of Islay passed away in an Edmonton hospital. He is survived by his wife, two sons Cpl. H. of Turtleford, Sask., and Norman S. of Edmonton three daughters, Mrs. Reginald (Aileen) Bryan of Wetaskiwin, B.C., Mrs. Ronald (Margaret) Lindell of Edmonton, Mrs. Leslie (June) Goodman of Vancouver, three sisters, Mrs. S. Wilkie of Vermilion, Mrs. A. Raven in England, Miss F. Lambert in England; three brothers, Dr. Jack Lambert, Dr. Henry Lambert and Mr. Albert Lambert all in England. Funeral services will be held on Thursday, Feb. 12th at 2:30 o'clock. Rev. T. W. Tempe will officiate and interment will be made in the Mount Pleasant cemetery. Foster and McGarvey Ltd., Funeral directors.

By The District Agriculturist

"GREEN ACRES"

Bees

There is no good reason why people around here should be worried about the raises outbreed. The closest reported case is 150 miles from Vermilion. We can do what we are told however and that is to confine our dogs. Any suspected cases should be reported to Dr. Macdonald, Health of Animals Branch, Vermilion. Vaccination of animals is not yet available in this district.

Bacon Hogs

The bacon hog grading report for Alberta in 1952 has just been received. This district ranks high at 23.3% A grade. The average for all Alberta was 21.4% A grade. Our B is 1% lower than last year. It will pay growers to maintain the bacon type by using good Yorkshire and Tamworth boars.

Warble Control

The loss caused by warbles is rated between $5 and $10 per animal. The cost of treatment is only a few cents per animal. How can anyone make better wages? Every drug store and hardware handles Warble Fly powder. It is best to start using the warble fly wash the first of March. The instructions are on the package.

Bees for Sale

A new circular dealing with the net returns per acre in raising grain, pigs, sheep and cattle has just been issued. The writer, Mr. Alex Charnetski, Livestock Supervisor at Edmonton shows very clearly the daisy cows and pigs give us the best returns. This booklet is free of charge from my office.

Gardener's Handbook

A little book on gardening entitled "Gardener's Handbook" has been received from Ottawa. It gives a lot of good information on how to plant, transplant, etc. This is just what the ladies required as they do most of the gardening anyway. While you are at it get a copy of the Horticultural Guide which lists most suitable varieties.

The Seed Fair

There is a good deal of interest lining up for the Vermilion Seed Fair March 7th. Every elevator agent in the whole district has a prize list no drop in and talk it over with him. Entries close on Feb. 21st, so anyone thinking about showing a sample should do something about it right away.

Coyote With Rabies Near St. Paul

Rabies is fast becoming a very real threat to this area as a coyote suffering with rabies was shot a half mile south of St. Paul on Jan. 30th. The head was sent in for diagnosis and the result was that it was definitely stated to have rabies. The animal when spotted was showing symptoms of rabies and was subsequently shot.

Fire Dept. Wins Award

Mayor Heckbert and Fire Chief Conboy recently received letters of congratulations from C. A. Thompson, Dominion Fire Commissioner, for winning, by the Vermilion Fire Dept., of the Board of Honorable Mention in the 1952 Fire Prevention Week campaign.

Vermilion Pee-Wees 4, Lloydminster 3

Vermilion and Lloydminster Pee-Wees played a close game at the local arena Wednesday evening with the local youngsters winning 4 goals to 3.

RESERVE ARMY

"A" COMPANY ORDERS

The parade of 'A' Company, Loyal Edmonton Regiment was most interesting on Thursday night. Despite the cold there was a good attendance. After the parade a meeting of officers and NCO's was held in Capt. Ackerman's office and Capt. Ivey, the Adjutant outlined a syllabus of programs for the future that would be most interesting and educational. This included instruction by Cpls. Webb and Barnett in basic training for all personnel. Seven non-coms have recently completed a lengthy N.C.O. school and are now qualified instructors.

Parade on Thursday evening at 20 hours. Dress—battle dress, boots and puttees.

A number parade is called for Sunday, Feb. 15th at 12:30 hours. Dress—Battle dress, boots and puttees.

MIDGETS TOO MUCH FOR WAINWRIGHT

WIN BY 14 TO 1 SCORE

Vermilion Midgets clearly demonstrated the value of their hockey training received while members of the pee-wee and midget teams which have been operated over the past number of years in town, as the locals completely outclassed the Wainwright Midgets in the second game of a doubleheader at the arena Saturday night. The Vermilion boys were much of a size and outweighed the south town youngsters considerably. However, the visitors were a game bunch and never gave up trying for goals.

Leading the scoring parade were Stewart Cooper and Bob Buntley with 3 goals and 1 assist each, Doug Brower 2 goals and 1 assist, Ronnie Mix 2 goals, Gerry Marshall 1 goal and 2 assists, Konnanowich 1 and 1, Ed Mistal 1 goal, Marvin Little 1 goal, Stewart Barr 1 assist, Robert Taylor 1 assist, Lowry 1 assist. McTurk scored for Wainwright.

Stan Maryluk and Jack Kolostalic refereed the game.

Penalties were meted out to Mix, Mistal and Braithwaite.

WAINWRIGHT — Johnson, Barsden, Fallon, Turner, Wright, Hall, Kile, Koch, Mitchell, McTurk, Sheffield, Smith, Caron.

VERMILION — Hough, Little, Barr, Taylor, Braithwaite, Cooper Bentley, Lowry, Mix, Konnowich, Mistal, Friesel, Marshall, Martin.

PEE-WEES IN 5-ALL TIE

In a preliminary game the Wainwright and Vermilion Pee-Wees played to a 5-all tie. The local aspirants for the National hockey league were travelling along on a comfortable 5-1 margin going into the third period only to see the visitors stage a determined rally which paid off with four goals to tie the game.

O. E. S. Install Officers At Mannville

MANNVILLE. — Mrs. Margaret Dorward was installed as Worthy Matron of Magdalene Chapter No. 79, Order of the Eastern Star on January 5th in a beautiful ceremony. BOTTLE DAY!

IN AID OF

The Flood Victims In Great Britain

Wednesday, Feb. 18

Vermilion Kinsmen ask the co-operation of all the citizens of Vermilion and District by donating all their empty Beer and Soft Drink Bottles to this worthy cause.

The Kinsmen will collect all bottles starting at 2 p.m. Wednesday, and ask that bottles be piled at the back of your lot so that they may be collected by trucks from the lanes.

Country people may leave their donations of bottles outside the main entrance of the old Armories. Bottles will be sold by the Kinsmen and proceeds donated for the relief of British Flood Victims.

Trucks and men are needed for the collection of bottles. Any who can assist in any way, please contact KEITH INMAN. All help will be greatly appreciated.

Annual Meeting of Cancer Society

WEDNESDAY, FEB. 18th

Widespread use of established cancer-fighting techniques can help early the high mortality toll in three major forms of the disease, an authority disclosed recently.

Dr. A. B. King, chairman, Medical Advisory board of the Vermilion Branch of the Canadian Cancer Society said that the techniques are part of a "blueprint for the unsuccessful" battle which promises to bring about a sharp reduction in cancer deaths.

He listed the three techniques as follows:

A method of breast self-examination by which adult women can assist the physician in early diagnosis;

Mass screening of the blood by spray pictures to detect lung cancer;

An vaginal smear examination twice a year for all women over 40 to help control cancer of the cervix.

Dr. King said that in the U.S. and Canada about 115,000 new cases in the three sites develop each year, including 50,000 of the breast, 45,000 of the uterus and 20,000 of the lung.

A motion picture "Breast Self-Examination", produced for the Canadian Cancer Society and the National Cancer Institute, has been seen by about 1,000,000 people. Preliminary reports indicate heartening results in the number of lives saved, Dr. King stated.

The vaginal smear, a means of detecting cancer by microscopic examination of cells was described by the authority as "an excellent method of diagnosing the disease while it is confined to the cervix, and has not begun its invasive attack on the entire pelvis.

A portion of the funds raised in next April's Cancer Crusade will be employed to promote wider use of the three lifesaving techniques.

You are reminded that the annual meeting of the Vermilion Branch of the Canadian Cancer Society is to be held in the Legion hall on Wednesday, Feb. 18th commencing at 8:30 p.m. After routine business has been attended to, the remainder of the evening will be spent hearing an informative address and viewing films. It is hoped to have the film "Breast Self-Examination" available for showing at that time. Plan to attend and learn more about this dreaded disease called cancer.

Clandonald News

The whole community was deeply grieved to hear of the death of Ray, only son of Mr. and Mrs. Alex Goldsmith on Saturday, Feb. 7th. The little boy had only been sick for a very short time, his sudden death came as a great shock to the many friends and relatives. Deepest sympathy is extended to the sorrowing parents in their very sad bereavement.

Friends of Mrs. Ernest Stanley were concerned to hear that she underwent a rather serious operation in Edmonton recently. Latest word as to her progress was that she will be confined to hospital for some time yet.

Several local residents have been rather poorly lately following flu or colds. In two cases their health has been seriously affected and it is to be hoped that the trouble will be only temporary.

We sometimes wonder what we used to do during January and February for entertainment before the advent of the curling rink. Certainly it is the chief topic of conversation and the main form of entertainment nowadays. A rink comprised of Mick Cuvery, Hugh Lozan, Mat Maik with Bill Specht as skip, attended the Edmonton spiel. Although not successful in bringing home any prizes we presume that a grand time was had by all.

At the ladies bonspiel in Dewberry Mrs. Gower's rink with Mrs. Harold Schoenauer, Frances Zack and Eileen Stockwell was successful in bringing home the cut glass. The same rink with the exception of Frances whose place was taken by Mrs. Will Roberge, was successful in Vermilion to the extent of winning some table linen. At time of writing the Clandonald Farmers' spiel is still unfinished. Judging by the cars lined up, it is proving a very popular event.

F.U.A. Meeting

The F.U.A. meeting on Jan. 27 was well attended and interest in the union appears to be on the increase. Highlight of the evening was a very interesting talk by Mr. E. H. Buckingham who spoke on the work of the agricultural service board dealing in particular with weed control.

Wildmere Beavers Girls' Club Report

The last meeting of the club was held at the home of Mary Gibson on Jan. 31st with 12 members and 1 visitors present. The meeting was opened by singing of "O Canada" followed by the Code. The minutes of the previous meeting were read and approved.

Roll Call was answered by the showing of birthday cards for Mary Gibson. New business consisted in the decision to hold a dance on Feb. 20th. Each member worked on their handicraft which when finished will be judged by the members' mothers at the June meeting.

The social was in the form of a bingo game which was very much enjoyed. The winner was Isobelle Gibson. The meeting then adjourned.

The next meeting will be held at the home of Diane Smith on March 14th.

A very tasty lunch was then served by the hostess.

Nurses Arrange Dance

Under the auspices of the nurses of the Vermilion Municipal hospital a dance will be held in the Elks-Hall Vermilion on Monday, Feb. 16th. Dancing commences at 10:00 p.m. to the snappy music of Eddie Keene's orchestra.

Many will remember the very enjoyable dance held by the nurses a year ago. 30-1

Salvation Army Red Shield Appeal Will Commence May 4th

MONTREAL.—Air Marshal W. L. Bishop announced this week that The Salvation Army's National Red Shield Appeal for funds would be launched on Monday, May 4th. Objective will be $1,040,000.

The Air Marshal who is Chairman of The Salvation Army's National Advisory Board, indicated that this amount was necessary for the maintenance of Army operations during the forthcoming 12-month period.

"No one disputes The Salvation Army's ability to meet human needs speedily, skilfully and with compassion. What its devoted workers do, is done without loss of time, is done well and is done with a good heart", Air Marshal Bishop said.

He stated that the public spirited citizens who comprise Salvation Army Advisory Boards across the Dominion felt that Army operations have expanded so rapidly in recent years that the Organization must now be reckoned as a major social service force in Canada.

"The way in which Salvation Army campaigns for funds continues to reach their objectives is the strongest possible evidence of public support", he said. "This year will be no exception."

$100 A MONTH FOR LIFE FROM AGE 60

THIS IS THE PLAN . . . Suppose you are not over 30; you make regular payments to the Sun Life of Canada. At age 60 you start receiving $100.00 a month for life; or if you prefer it, $17,140.00 in cash. Both amounts can be increased by accumulating annual dividends. If you are over 50, benefits are available at a later date.

FOR YOUR FAMILY
Should you not live to the age of 60, $15,000.00 will be paid to your family on your death.

The Plan covers all amounts of premiums, from as little as $6.00 per month, and the cash or pension can in most cases start at ages 30, 35, 40 or 45.

Every 24 hours in 1951 seven persons died and another 130 were injured on Canada's roads and high ways. —Quick Canadian Facts.

Of $58 million worth of harvesting machinery sold in Canada in 1951, $30 million worth was sold in the Prairie Provinces.

NOTICE

Municipal District of Vermilion River No. 71

Re: BANG'S DISEASE RESTRICTED AREA REGULATIONS

The following regulations governing Bang's Disease Restricted Areas should be of interest to all farmers within the Municipal District of Vermilion River No 71.

REGULATION 1.

All heifer calves shall be vaccinated with a Brucella abortus Strain 19 vaccine, which will be supplied under the Federal-Provincial brucellosis control program. Calves shall be vaccinated between the ages of 4 months and 8 months unless due to circumstances the Agricultural Service Board or its veterinary inspector or inspectors permit vaccination of calves at an older age.

REGULATION 4.

Each owner of cattle within the area will be required to assist the inspectors to test, to brand or to vaccinate by assembling his cattle and giving any additional help as may be reasonably expected. Owners, when requested, must furnish mesh and bed for the inspector while conducting the test or vaccinating.

per order-in-council 1783-52 published in the Alberta Gazette of December 15th, 1952.

THOMAS WILSON,
Secretary-Treasurer.

Wildmere Winks

Our grand weather is still with us. While we have quite a lot of snow our roads have been good but right now are a bit slippery in spots.

Congrats to Mr. and Mrs. Norman Smith of Bon Accord on the birth of a daughter a few days ago, a sister for Diana. Norman grew up in our district.

Cliff Cruthers is curling this week at Lloydminster bonspiel with the Darrell Curran rink. Good luck boys.

A rink from Buffalo Coulee came over and had a game at Wildmere on Sunday with the Bonnie rink from Triangle.

Several have had sick cattle on our way. We are pleased to say some are recovering but we believe Arnold Rund lost one.

Don't forget the Girls' Club dance at Lauzwood on Friday, Feb. 20th. A good time is assured everyone.

Wildmere lady curlers who attended the bonspiel in Vermilion did not capture the top prizes but they did enjoy some good games, bringing home 3rd prize in the fourth event. Lovely tonsil pets. They really enjoyed all the kindness shown to them and had every praise for the splendid banquet given the curlers. The rink was comprised of Doris Martin skip, Hazel Bourne lead, Margaret Gibson and Irene Wilson.

Congrats to Mr. and Mrs. C. Lygrose of town on the birth of a girl. Mr. and Mrs. Ray Preston a son. Mr. and Mrs. Fred Nichols of Triangle, a boy. Mr. and Mrs. New Year's day.

Mr. Buckingham and Mr. Hesnek had films at our school last Thursday evening on Weeds and Rats. About 25 turned out. The talks on both by Mr. Hesnek was greatly enjoyed. also Mr. Buckingham's talk on pure bred sires and cattle diseases. All of these conferences everyone to the M.D. and especially about the rats as they are getting closer every year. They had their in this place once for a meeting one to see. Meeting closed with a lunch served by the ladies.

In the constituency area of Battleview, Auburndale, Cummings and Willoughby districts men have been striging and putting up wire and these districts hope to have the lights turned on in the early spring. George Spencer and Saillie Holte have been kept busy wiring the homes. It will be a great day when Wildmere can boast of the rural project.

We were sorry to hear Mrs. J. Harrison, formerly of Battleview and now of Wainwright has been on the sick list. We all wish you the very best for a speedy recovery Mrs. Harrison.

In a recent letter from Mrs. John Lewis who also was once a Battleview resident but now makes her home at Loon Lake, Sask., she wants to be remembered to all her friends here. She and Mr. Lewis are well past the three score and ten but enjoy very good health still. Their son Earl is very very well and is now in a wheel chair crippled from creeping paralysis. He lives not far from them.

Paradise Valley

We regret to hear that Mr. Arthur Flint had to be rushed to the Lloydminster hospital where he underwent an operation recently. We all hope that he will soon be home again.

The high school bonspiel is going strong as we write these items. Rinks from Lone Rock, Rivercourse, McLaughlin and P.V. are taking part. We will have to wait until next issue for the result of the spiel.

Mr and Mrs. W. P. Davidson and Mrs. J. W. Guy were recent visitors to Edmonton visiting with Mr. and Mrs. Jack Chambers and Gordon Guy.

The Valley Maids C.G.I.T. met at the home of Gloria Baxter on Feb. 4th for their regular meeting. Bonnie was in the chair and opened the meeting with singing. Joan Richardson presided at the piano. The roll call was answered by su ...stitute in parents and exercise which would develop good posture. This was most interesting and in ...structive as each girl in turn gave her contribution. At the business meeting it was decided to have the ...ers and slumber party still a later date. Using the regular initiation ceremony, nine girls were initiated into the Valley Maids. C.G.I.T. We were sorry that one girl was absent. Bonnie and Marlene assisted Miss Gunn as they presented each girl with the 'Purpose' card and C.G.I.T. buttons. Each girl will have to win the Chevron certificate received a chevron. Four senior girls, Marlene, Bonnie, Linda and Joan have received their lanyard. Most of the girls have their sweater crests. Sewing was resumed and the girls had a review of hand sewing. It was decided that the meetings be held in the homes for awhile with the hostess supplying the treats. The next meeting will be held at the home of Marlene and Barbara McDonald on Feb. 18th.

OUR COMPLETE SHORT STORY

ONE BIG MISTAKE

How Jimbo Found What She Expected, Two Years Ago.

By Bascom Biggers III

IT WAS Jim's voice on the telephone. After two years! Jim, the man she had loved and lost. "I'm back, Nedra," he said.

Her heart raced wildly and she could think of nothing witty or sparkling. "Oh, Jim, Jim, it's good to hear your voice again!"

He laughed happily. "I've missed that dollsies of yours. Can we have dinner tomorrow night?"

Dollface! She hurried to the mirror when she hung up, and his words were like a mockery. What a cruel thing a mirror could be to a woman in her forties, particularly a once beautiful woman. Her hair was a mass of gray, "salt and pepper" they called it. "I should never have stopped here," she told her self.

Then her fingers touched the lines on her forehead. She sighed. Why had she ever let herself go?

How could she tell him the answer. She would never forget Jim's last good-bye. Even then, through her tears, she had to laugh at the irony of hearing good-bye when she had expected a proposal.

If she had been a younger woman she was certain it would have been different. That had been the trouble all along. Jim knew she was Jinx's age, but men were so foolish, they always wanted a young kitten of a wife. He had said he didn't mind that she was a widow, so it had to be that she wasn't young enough. And she had tried so hard to be, all that year she had known him.

She had gone to the beauty parlor countless times to have her hair done. She had watched her face to make certain the wrinkles weren't apparent. And she had dressed and acted young, cutting up in the gayest sort of way when she wanted to be serious and mature.

She had known he would be leaving for England soon, but not how certain she would be going with him as his wife. And then that shattering last night.

"Nedra," he said, and his eyes were warm.

"Yes, Jimmy," she said, her heart fluttering.

"I thought is good-bye."

"Darling, what do you mean?"

"Nedra, you've been a wonderful playmate," he said, taking her hand in his. "With you there's never a dull moment. I'm going to miss you. I wish things might have been different. I thought—I mean—"

"What, Jimmy?"

"Nothing," he said. "We've had a wonderful time. We don't want to ruin it by getting smushy now, do we?"

"No, Jim," she said, choking down the sob. "We don't want to ruin it now."

That had been their farewell. And he wasn't the kind to write. A card now and then, that was all.

With him gone there was no reason to maintain the illusion of youth. There was no one she loved or who loved her.

It had seemed strange at first, a little like a vacation not to worry about looking twenty-six, the way she walked or the sparkling thing to say. And it was over. She was back. But he would never even look at her twice now, the way she looked. Dollface! Hard to think maimed or coy.

If she hurried she could have her hand dyed and a facial, and manicure.

No! She wouldn't do it. In two years she had done a lot of thinking. She wasn't a girl anymore. She was a grown woman in love with a grown man, and if he didn't want her as she was . . . Better to end it for once and all.

She had trembled as she opened the door the next night, and then there was Jim and she was in his arms.

He pushed her back to arm's length.

"Nedra!" he said. "Is it really you?" His eyes were shining.

"I'm afraid it is, Jim. Are you horribly disappointed?"

"You — you're lovely," he said. "Sweet and lovely, just as I always oh, Nedra, but where's Dollface?"

She started to cry. From the haven of his arms, she heard him say, "And I thought you were a personal party girl with nothing serious."

Every woman and every man — was entitled to one big mistake, she thought happily when, now, she heard what she'd expected two years ago.

NR-826

CELEBRATES 100TH BIRTHDAY—One of the things Mrs. R. A. Winn of Austin, Texas, wanted to do on reaching her 100th birthday was to ride a donkey. And here is her wish come true. Under her arm can be seen the fingers of a nephew who steadied her during the ride

Heroine of Queen Elizabeth's Coronation

F.W. SAVINGS STAMPS — Likenesses of Queen Elizabeth's children, Prince Charles and Princess Anne, adorn the new national savings stamps first issued recently in Britain.

Training School Has Given Men Fighting Chance

EDMONTON. — Ever since Canada started flying they have been the battleland — a battle that was won until a few years ago, took a steady toll of lives either through crashes, disease or death by freezing.

The R.C.A.F., through its survival training school, is seeing to it that its new recruits a fighting chance for life if forced down in the Arctic.

Heading the school in the South, Lt. Scott Alexander, a former member of the R.C.M.P. and one of Canada's top experts on the north. Chief instructor is Flt. Lt. Reg Goodey, also of the R.C.M.P. — flier and veteran of many years in the Arctic.

The school was started in January, 1949 and now handles about 2,000 students a year.

Survival training is divided into two phases: The bush phase which is operated year-round near Lake Ghost Alta., 100 miles west of Edmonton, and the Arctic phase conducted near Cambridge Bay, 1,000 miles northward.

Students for Arctic training are flown into Cambridge Bay in mid-winter and landed on an ice strip. They then trek five miles into the barracks to the camp site. Each man carries a survival kit, a "must" for crew members flying over the Arctic. They learn to build igloos, windbreaks and snowblocks.

The R.C.A.F. is determined to eliminate any possibility of the presence of an incident such as the war has been a secret one. A total of 4,000 natives and Eskimos within six miles of an Arctic settlement

Helpful Hints

For wallpaper that has been scratched, moisten a scrap of the paper which has been saved and carefully scrape off the coloring with a thin knife-edge. Apply this to the scratch and when dry, the mark will not be noticeable.

It is unwise to attempt to shift the curtains as soon as the paint has been taken down. Paint needs cold water in which a generous handful of borax has been added at least fifteen minutes soaking overnight. This will loosen the dirt and the washing will be much easier.

Instead of greasing the handle when frying pancakes, rub it with a tallow-pot dipped in a piece of salt pork. Just rub the handle with the pork and there is never any trouble with sticking.

Show proper consideration of the welfare of others by covering your mouth and nostrils with a handkerchief when you sneeze. Be careful that the spray of moisture from the nose does not reach the face of the one to whom you are talking.

Right or ten feet of the sheets is allowed to go out into the farm fields to protect others and cover their crops.

Elk Being Moved To New Forage Area

CALGARY - The annual movement of elk from southern Alberta's Kananaskis game reserve to new forage areas is under way, with the first shipment from the Calgary Fish and Game Association.

The association's big game committee, with the approval of the provincial government, has for the past four years transported elk from the reserve to new ranges where the animals will have a better chance to survive and multiply.

The association hopes the herds will expand in a few years to the point where they will provide good hunting.

Twenty-five animals have already been moved this year. They were caught on the game reserve west of Canmore, Alta., and transported by truck to the Ware district of the Bow river forest reserve, just north of the Little Red river. Canmore is about 60 miles west of here.

About 100 animals may be moved this year.

Do You Know That . . .

Race horses run short — about 1½ miles an hour compared with an automobile which can hit speeds up to 100 miles an hour.

How To Hold
FALSE TEETH
More Firmly in Place

Front-Porch Farming

Foresees Future When Tractor Farming Controlled By Dials

WINNIPEG —Instead of sweating over a hot tractor the prairie farmer of the future will be able to relax on his front porch; twirl a few dials, and watch his atomic-powered tractor do all the field work without anyone at the wheel. Fantastic? . . . Perhaps, but according to Melvin Cunningham, Red Deer, Alta., tractors powered with some form of atomic energy are a definite possibility within the "not too far distant future."

As for remote control of farm implements, the "know-how and equipment for the job is already available."

Purchase of such equipment, Mr. Cunningham reported, is possible for the ordinary six-powered unit, he said but operating cost was less than on a "gas" unit.

Mr. Hesler reported a "definite swing to forage harvesters and balers" in western Canada.

In the past 10 years, he said, labor required to operate an automatic baler has dropped from four men to one with a decrease in the cost of the unit.

Vice-presidents elected for 1953 include Ralph Hall, Pilkmore, Sask., and J. N. Stewart, Red Deer, Alta.

Farmer Explains Cow Milking

TORONTO — G. A. McCollough has a distinctive handshake — the kind that comes from a lifetime of milking cows.

A farmer-breeder-dairyman from Navan, near Ottawa, has always milked his 25—or herd by hand — even last night — from his home record of 87,500.00 — established in 1951.

The drop in sales in 1952 he said, was largely due to a 963 million drop in farm income from the previous year.

Although the steel supply situation is the best since the war Mr. Cunningham said farm equipment manufacturers still could not get enough to fill orders for all types of equipment, he pointed out.

S. R. Bedell, Simcoe, Ont., said farmers today were rapidly switching to direct powered implements — hydraulically - controlled, mounted and attached implements.

Mr. Bedell, newly elected president of the association, said farmers preferred hydraulic controls because unknown to this part of the province, and said-timers say they never had recurred accidents caused by use of mid-winter

A RARE VISITOR

LAC DU BONNET, Man. — Residents were surprised to see a large swan swimming on the Winnipeg river near here. The bird is almost extinct in this part of the province, and said-timers say they never had recurred accidents caused by use of mid-winter

How Scott's Emulsion Helps
CHILDREN GROW
STRONG, HUSKY!

More than just a tonic

CHILDREN THRIVE on Scott's Emulsion. When they get rich cream, cacao oil and cod liver oil — see what a difference it makes when you give them Scott's Emulsion. 1953 Chevrolet better than ever

Advance-Design Trucks

For 1953, Chevrolet trucks offer new performance, new stamina, new safety and economy – and every model is even stronger, sturdier, more durable than those of past years!

The advanced Loadmaster, Torquemaster and Workmaster engines in all models deliver more power than has ever before been available in Chevrolet trucks. This big, husky, valve-in-head engine with a new high-compression ratio brings you finer performance, faster acceleration, greater hill-climbing ability and substantially greater gasoline mileage.

But that's only the beginning. You get all the proved features and advantages that have made Chevrolet trucks world-famous for their ability to handle the toughest jobs day after day at the lowest over-all cost to you!

Yes, even with all these greater advantages, 1953 Chevrolet trucks give you more for your money than any other trucks of comparable capacity and specifications. Drop in at our showroom and talk over your trucking needs. Let us show you how much more you get for your money with 1953 Chevrolet trucks.

CHEVROLET

4 powerful reasons why they are better than ever

more engine power!

You get all the power you need with matchless, big valve-in-head engines – from the 105 h.p. Loadmaster, the 125 h.p. Torquemaster and the big 150 h.p. Workmaster – all with new high compression ratios.

more staying power!

Now, heavier, stronger, more durable frames increase rigidity, add to ruggedness and stamina of all 1953 Chevrolet trucks. Long features for their ability to take the roughest jobs day after day. Chevrolet trucks are now heavier and sturdier than ever.

more braking power!

In 1953, all Chevrolet trucks up to 1400 Series models are equipped both front and rear with big, powerful "Torque-Action" brakes which make full use of truck momentum for greater stopping power. Series 1100, 1500, 1700 and 1800 heavy-duty trucks use extra-large "Torque-Action" brakes for even greater stopping power.

more economy!

The new and greater stamina of 1953 Chevrolet trucks, plus extra gasoline economy with improved valve-in-head engines, reduces hauling costs per ton-mile, brings you greater over-all economy throughout the long life of your trucks.

News Notes From Your District Home Economist

Save and Save

Don't throw away that worn Turkish towel. Cut squares for holders from the good sections of the towel. At one edge cut a small half circle for a necktie. Use bias tape and select gay colors. Bind all straight edges leaving only the necktie unbound. Near bind necktie hanging 18 inches of binding free at each for the strings. Stitch from end of tie string across neck edge and to end of second tie string in one operation. Easy to make, easy to wash and economical too.

Cream Reinforced Tool

Here is how to tell if fabrics are crush or crease resistant. They can be twisted in the hand and if crease-resistant, the wrinkles will fall out quickly. Most crease resistant fabrics are so labelled and therefore present no problem. The number of washings through which the crease resistant finishes on cottons and rayons last is usually for the lifetime of the garment.

Novel Effect

A novel effect is achieved by twisting two colors of rick rack together forming a braid. Baste the two color braids into position and stitch through the centre.

Household Gadgets

Most of us have been caught at one time or another by the unsatisfactory plastic gadget — the apple corer that wouldn't cut, the cherry pitter that collapsed, or the grapefruit knife debossed by the grapefruit. There are of course, many useful plastic gadgets, but in picking out the one you need, remember that plastics do not make a sharp cutting edge. That spoon will crack with pressure; that scoop won't stand much heat or others too much water. Be sure that it will stand up to the job it is intended to do or don't buy it.

Did You Know—

That both black and white pepper come from the same source?

That black pepper is obtained from the immature berry, with the outer skin on, while white pepper is the mature berry from which the outer skin has been removed?

Ukraine has the most extensive fishing grounds of any country in the world.

Woodvale News

For once we heard of the arrival of several babies before they were old enough to walk, so we hasten to send congratulations to their parents in good time. Mr and Mrs. Art Gasston, who have a little boy, Mr. and Mrs. Ray Preston, a boy and Mr. and Mrs. Clarence Lysons, a girl.

Flu, cold, measles, curling, roads, all together have played havoc with our first aid course at Union school. Mr. Martin plans to call a meeting in the near future and show some films on civil defence and then see if there are enough interested to finish the course and take the exams.

"Tiz" flu is still with us in this district and some folks have been sick with it for a long time. Little Bobby Pearson was laid up for 3 weeks and is now trying to get some color in his cheeks by playing outside on the ponds. Two more are having such nice weather. Mrs. Fennell is again a patient in the hospital but at time of writing we had not heard whether she underwent an operation or not. It is hoped she will be well soon and has taken a complete recovery.

Mr. Curtis Wilson stayed a few days with his daughter, Mrs. Otto Wolters recently and did not leave until he had made her a nice cupboard.

Tommy Lysons was home from Whitefish Lake for a week, accompanying the Barlow boys back from over east when they came back for their parents' silver wedding celebrations.

Jack Currie of Jumbo Hill spent the week end with Bud Hinkelbrecht.

Herman Wolters plans to, or has now finished building a new barn nearer the main road. We will have to go and see for ourselves what is what one of these days. He has been busy, that is the one thing sure.

Besides a young curling team, we have also an "old men" team playing at Basswood from the Tolland district. Of course we would not dare to call them that, if they had not proudly named themselves so. They are quite pleased they have more wins than the younger team!

The F.U.J.A. has been quite active lately, holding well attended meetings regularly. They made up an order for lumber, got a pavilion started for a municipal snow plow and got three new members at the February meeting. They will have a card party and dance afterwards at Gasston school on Feb. 13th. The next meeting will be on March 3rd in the evening at that school.

Eleven ladies gathered at the home of Mrs. Lysons to work a quilt at their Red Cross meeting. Mrs. Eileen Steele was busy helping and an always welcome guest, while Doris Thomsen will become one of our regular members. we hope! During the business part thank you letters for gifts were read and it was decided to give $20 for the flood relief and send the quilt away for that purpose too. Work was given out and after a very busy afternoon everyone sat down to a most enjoyable lunch served by the hostesses Mrs. Enna and Peggy Lysons.

The next meeting will be once again at the home of Mrs. H. Portsmith so conveniently located in the centre of the district and a big room to set the quilt frame up in. Two other ladies will take care of the lunch. Oh yes, it will be held on March 4th.

After the ... Ted, George Macneil ... Bill's loudspeaker so his mother, who is, as most of you know, an invalid and now almost completely paralyzed, could hear the conversation. Now George has improved on that and has an office style phone on an extension cord and when he holds it for her she can talk herself and it was a great day in her life when she could speak for the first time to her neighbor and good friend of 33 years standing, Mrs. C. McGrath, who herself, after recovering from a broken thigh, can not get around so easy anymore and visit. We hope that other friends will phone Mrs. Macneil occasionally, as her farm home is so isolated and hard to reach in winter, and a cheery chat is a pleasant diversion in her life.

Mrs. T. Preston had at time of writing, not yet heard from her parents who live in the stricken area in England. When Mr. and Mrs. T. Preston we there in 1947 they witnessed food conditions and know just how terrible such a disaster can be. From all accounts it is much worse this time. The Van Wageningen family heard indirectly that the part of Lald Beveland Island where their mother and sister live is not under water but filled with evacuees from the eastern part of the island. We hope that they and everyone else, who have loved ones living in the flood areas will get comforting news soon.

The Annual General Meeting of the Vermilion Branch of the Canadian CANCER Society will be held in the Legion Hall on

Wednesday, Feb. 18

COMMENCING AT 8.00 P.M.

EVERYONE IS CORDIALLY INVITED TO ATTEND. This meeting will include the Presentation of Reports, the Election of Officers, plus an Educational Address and the showing of films.

20-1c

GOVERNMENT BUSINESS IS Everybody's Business

HOSPITALIZATION IN ALBERTA

In competition with municipalities, low-cost hospitalization is available to almost 70 percent of the people in this province.

This is accomplished by:

(a) The Alberta Government refunding 50 percent of the ward rate over and above 1.00 a day to any municipality which agrees to hospitalize its indigents and their dependents at a direct cost to the patient of not more than $1.00 a day for standard ward care.

(b) Extending the same amount to any municipality which calls contracts to its non-ratepayers and agrees to provide standard ward care hospitalization at $1.00 a day to these non-ratepayers and their dependents.

In addition, your Government pays 70 cents a day to all approved hospitals for every day a resident of the Province is in hospital, and assumes responsibility for the maternity hospitalization grant and the special payment for old age pensioners.

MUNICIPAL HOSPITAL DISTRICTS:

Any area can be organized as a Municipal Hospital District by application from residents of or by petition signed by at least 25 percent of the resident ratepayers. The hospital plan for the district may include the building of a hospital or arrangements for using the services of an established hospital. The Municipal Hospital District owns and controls its own hospital while administration and operation are in the hands of its own elected board. There are 61 municipal hospital districts in the province with a total capacity of nearly 2,000 beds, giving Alberta the highest hospital bed capacity rate in Canada.

Impressions of National 4-H Club Week, 1952

By Christine Harrison

The following essay was awarded first prize in the second National 4-H essay competition sponsored by the Canadian Council on 4-H clubs and open to the 132 provincial winners who attended the 1952 National 4-H Club week at Toronto last fall:

"National Club Week, 1952—a rich and rewarding experience! I had heard and read of the Week in previous years, but even in the few weeks of eager waiting prior to our departure for Toronto, I could not visualize anything so truly marvellous.

The Canadian Council on 4-H clubs was responsible for our trip and I believe what most impressed me were the untiring efforts of the Council to show us a good time.

To begin with, the week was an expertly planned and with such an eye for detail that we 4-H'ers gained a wealth of knowledge and were royally entertained in so doing. Days, perhaps weeks, must have been spent in the planning and arranging of activities for some 112 keen-agers throughout nine provinces from the Atlantic to the Pacific and the arrangements which were made were certainly wonderful.

Our club headquarters were at the Royal York Hotel in Toronto, the biggest hotel in the British Empire. We toured various farm implement factories, saw how woollens and nylons were made in Mercury Knitting Mills, were guests of the Canadian Good Cotton Company at a Friendship Party in the Concert Hall, and were guests of Imperial Oil Limited at a professional hockey game between Toronto Maple Leafs and Chicago Black Hawks. Moreover, we visited the Royal Agricultural Winter Fair with its 26 acres under one roof, and attended the Horse Show at night as the guests of the Fair Association. At the Fair, the largest livestock exposition of its kind in the world, we saw the flower show with its clouds of yellow, white, red and pink roses, its chrysanthemums of every kind, colour and description. We also saw the finest in purebred animals of all kinds, from Hon. D. A. Dyer's reserve champion Belgian gelding to Harmon Morton's prize bronze turkeys.

All this was only a part of the National 4-H Club Week, for we also visited such places as Hamilton, Niagara Falls and Ottawa, Canada's capital city. There we toured the Parliament Buildings, Rideau Hall and many other points of interest. And all the time we were meeting such interesting personalities as Jack Cockburn of the Ontario Junior Farmers Association, Gordon Graydon, M.P., Brampton, Ont., Harold Cotton of National Hockey League fame; Dr. J. G. Taggart, Canada's Deputy Minister of Agriculture and Hon. Vincent Massey, Governor General of Canada.

Apart from the trip itself, I was greatly impressed by the vastness of this great country of ours. For the first time, I viewed Canada from a train window and I came to realize more fully at this time the fact that although we may be separated by two or three thousand miles, we who are engaged in agriculture, have many similar problems. I was also greatly thrilled with the opportunity of meeting with over one hundred other 4-H club members from nine provinces of Canada. With them I was able to exchange ideas on various topics, 4-H work in particular. They were a fine group, and I look forward to the day when I shall again be able to meet anyone who was, in any way, connected with National Club Week 1952.

It would not be fitting to close without paying a special tribute to the Canadian Council on 4-H Clubs. Composed of the Canada and provincial Departments of Agriculture, and a large number of prominent business companies and national agricultural associations, it does an excellent job not only in organizing and conducting National 4-H Club Week but also in supervising the 4-H movement across Canada. Special tribute should be paid also I believe, to Mr. Ledger Bateman, Group Supervisor, National 4-H Club Week and to Mr. A. E. MacLaurin, Secretary - Manager, Canadian Council on 4-H Clubs, and to the Council as a whole, my sincere thanks for a most enjoyable and enlightening trip.

Club Week 1952! It will live forever in my memories.

Bowtell Bulletin

Charlie Pearman was a visitor to Edmonton for a few days this week.

The writer is sorry to report that at time of writing Mrs. Knutson is a patient in the hospital while Mrs. Jones is also ill.

Quite a number from here enjoyed the Massey-Harris combine school held at Geo. Webb's, also the very nice lunch which followed.

Mr and Mrs. Repo plan to leave in the near future for a holiday trip to the States.

Also to Councillor Jas. Wallington for opening our roads.

76 Drownings In Alberta in 1952

Accidents in light water craft accounted for 25 of the 76 accidental drownings reported in Alberta during 1952, according to the 'Don't Drown' Committee of the Alberta Safety Council. Of the 25 persons drowned in this manner, 14 were 25 years old and over.

The next highest toll was taken by slack ponds, sloughs, irrigation ditches and other small pools of water. A total of 16 drowned in these waters of which 11 were 10 years old and less.

Eleven persons were drowned after falling into creeks, rivers and lakes, and five of these were children between 5 and 14. Nine persons, five of them again between the ages of 5 and 14, drowned while swimming.

There were 4 persons drowned after falling through thin ice. Five drownings resulting from a car crashing into water after an accident, and three probable suicides.

Of the 76 persons drowned during the year, 26 were in the age group of 25 and over; 19 children aged 4 years or less; 17 between the ages of 5 and 14; and 11 between 15 and 24.

Anglers Asked To Return 1952 Permits

The Alberta Department of Lands and Forests is asking Alberta fishermen to return their 1952 angling permits as soon as possible.

Provincial fishery officials said the present angling season ends March 31st and all permits should be returned by that date so statistics on fishing in 1952 may be summarized.

Fishing permits contain a section where anglers list the size, locality and species of their catches. This information provides a basis for stocking plans and other scientific research carried out by the Fisheries Branch.

SOARING PAYROLLS

Industrial payrolls are running 10% above year ago, reports The Financial Post, while payrolls in manufacturing alone are up 12%.

"... very beneficial to our firm"

Recently the owners of a new business wrote their bank about the way the local branch had helped:

"Having completed our first year in business, and one which we feel has been most successful, we would like to advise you of the splendid co-operation we have received from the officials of your branch. We have consulted your local manager many times, not only regarding financial problems but business problems in general, and his advice has been very beneficial to our firm."

Such service is part of the job of every manager of Canada's 3700 branch banks. He must know the problems of the people he serves—whether business men or primary producers, wage earners or salaried workers. He welcomes every opportunity to make his bank useful to them—and to you.

This advertisement, based on an actual letter, is presented here by

THE BANKS SERVING YOUR COMMUNITY

where the cost of living is concerned...

GASOLINE IS DIFFERENT

Clothing costs 76* more . . . food up 78* — since 1945 the cost of living has soared.

YET, SINCE 1945 THE PRICE OF GASOLINE HAS RISEN ONLY 11% ON THE AVERAGE IN THE PRAIRIE PROVINCES. *

Thus is the possible, when general living costs have streaked upward to a point where they are 53* higher than in 1945!

Finding oil in our own back yard is the answer

By discovering new sources of oil, the oil industry has been able to hold the price line on products in spite of tremendous increases in the cost of searching for and producing oil, and of transporting, refining and marketing.

Last year, for instance, consumers on the prairies paid $55,000,000 less for petroleum products than they would have paid if new oil had not been found. This is another example of the benefits arising from new oil production.

* Based on prices at principal cities

THRILLS of the ROARIN' GAME

Now You Know What A Rink Is

Curling is a game played by four men—the lead, second stone, third or sometimes called the mates and skip. The term mate comes from curlers are the product of a gradual development, which can be mastered by study and practice. Playing at least two years in each position will spent in fact, there is no better way of getting nowhere than by jumping from lead to third or second to skip. Don't at your growth as a curler." — From Jim Wyman's Analysis of the Art of Curling".

◆ ◆ ◆

The better class rinks sometimes play for a dead end rather than count only one shot with their last rock as it would again be theirs on the next end. This is, of course, based on the theory that your players will set up a better end and count more next time.

◆ ◆ ◆

The ship never sleeps except to make a half-hearted swipes at a stone that appears to be a bit light.

◆ ◆ ◆

HOT TOO FAST!

"It is customary for the new curler to take the lead or first man's position on a rink, not because it is the most important position, for it is not, but as most of the shots are 'draws',

Western Canada COLLEGE INSTITUTE

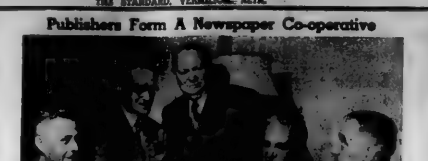
Publishers Form A Newspaper Co-operative



These men are directors of the Prairie Publishers Co-operative Ltd., the first newspaper co-operative of its kind in Canada. The directors, named at a meeting in Regina recently, are all publishers of Western weekly newspapers, and will govern the operation of a ready-print plant which they purchased from the Toronto Type Foundry Co. at Regina. Left to right: Sterling King, Estevan (Sask.) Mercury; A. W. Banks, president (Alta.) James (Man.) Leader; R. G. Thorell, Viking (Alta.) News; John Vigen, vice-president, Davidson (Sask.) Leader; Walter Ashfield, Grenfell (Sask.) Sun. Missing from the picture is director Bert McKay, Moosomin (Sask.) World-Spectator. G. R. Sloan is manager at Regina. Miss Esther Mogg, treasurer; Miss Joan P. O'Donnell, secretary.

Farmers Think Cow's Horns No Longer Useful

REGINA.—A cow's horns once served a useful purpose but western farmers, concerned with shipping and other problems, now regard them as a nuisance. Hornless cattle are gaining in favor.

Now horned animals are penalized. In Saskatchewan a fund has been built up by docking $2 from the sale price of each horned animal put through the stockyards. In Alberta the penalty is $1.

A delegation representing farmers of the province recently discussed with the Alberta government possible measures aimed ab reducing the number of horned cattle.

In Saskatchewan and Alberta money obtained from penalties is used by the provincial governments for livestock improvement such as assistance to purchasers of commercial bulls and in artificial breeding work.

Horned cattle, in shipping and in stockyards, use their horns to bruise and tear other cattle. The penalties are designed to encourage stockmen to deborn their animals.

Deborning can be done in calfhood by rubbing a chemical preparation over the budding horns or "dotions". Saws and similar deborning instruments are used on adult cattle with horns.

Some cattle, such as the Aberdeen-Angus, have been bred hornless for generations. And the time may come when hornless cattle are born hornless. The trend toward "polled" animals is spreading. But at present the majority of breeders of dairy cattle still bring out their animals with horns.

Funny and Otherwise

If you have a sign in your shop, We aim to please, remark-ably unassuming

Certainly, replied the shopkeeper That's our motto."

"Well," said the customer, "you ought to take a little time off for target practice."

Princess Margaret To Get Own Home

LONDON Princess Margaret, 22, was disclosed to be planning a new home with a private entrance.

It is a small apartment being made by the end of the old nursery at Clarence House Queen Elizabeth and Prince Philip lived there before the death of King George VI.

The flat will have several spacious rooms overlooking Pall Mall, a tiled bathroom, and a small kitchen. It will have a separate entrance by elevator from a side door.

The apartment should be finished by the time the Royal Family comes back from Sandringham, informants said.

The word 'daily' originated from the name of a London paper of the 18th century. 2004

Alberta Has Set New High Record With Wheat Crop

LETHBRIDGE, Alta. — Southern Alberta production of new wealth in 1952 reached an all-time high of $172,440,000 on the area served by the C.P.R. Lethbridge division.

This was an increase of $44,000,000 over 1951 and $23,500,000 higher than the previous record in 1948, a bumper crop year.

The big farm, as usual was wheat which produced $61,800,000. The biggest increases were shown in other grains and in hay and feed, both these categories showed boosts of 50 per cent. The "other grains" — oats at $27,200,000 and hay and feed at $6,000,000.

There was only one decrease cattle and hogs. This industry was plagued by the foot-and-mouth outbreak in September. Production value was down almost $8,000,000 at, for this Toronto Type Foundry Company. $17,450,000.

The wheat crop at a 26.5-bushel an acre average amounted to 56,300,000 bushels. The coarse grain, rye and flax crop ran 28,725,000 bushels in 1952.

AMERICAN EXCHANGE

CALGARY.—The Calgary zoo is swapping its Moose Jaw wild animal park to build a bigger and better collection. In addition to three monkeys, the Calgary zoo planned to ship a female leopard. In turn, Calgary got a raccoon, horned owls and rare hawks recently.

Mrs. Jim Coleman Puts on Blue Bonnet —Reports It Best!

Mrs. Jim Coleman (nee) Bess Bonnet Margarine is always in her cheery kitchen at 1450 Lyndale Drive, Lansdowne. Like the rest of the model housewives who use Blue Bonnet Margarine Super — just as delicious when melted on hot vegetables, from the refrigerator (and it has the nutritional value, too) the home-style Blue Bonnet taste is brighter even for all-purpose cooking and baking. Enjoy Canada's low quality margarine Get Blue Bonnet Margarine in the regular economy package with the wallet. Or in the famous YELLOW QUICK bag for fast mixing.

Alberta Premier Is Manager

GEORGE H. SLOAN, who has been appointed manager of the Prairie Publishers Co-operative Ltd., formerly managed the Ready-Print service for the Toronto Type Foundry Company.

University Training For Student Nurses

EDMONTON, Alta. — University training on a mass basis for student nurses is being introduced here for the first time in North America.

The program, sponsored by the Saskatchewan Government, seeks to improve the standards of instruction in the basic sciences for student nurses.

It will help relieve a teacher shortage in Saskatchewan nursing schools, will bring together students from all parts of the province and will make the full resources of a university available to them.

The nurses will spend 16 weeks at the University of Saskatchewan or at Regina College. The program is separate from the five-year nursing degree course offered by the Saskatchewan university.

Prof. Hazel B. Keeley, director of the university school of nursing, will co-ordinate the provincial program. University lecturers will give instruction, and the laboratories, library and classrooms, as well as other university facilities, will be available to the students.

A nursing science class is being evolved to assemble in double form scientific facts and principles related to nursing techniques and procedures.

As a result of the course, nurses will receive more and more comprehensive training in subjects such as sociology, mental hygiene microbiology and anatomy.

The program has been approved for an experimental period of five years, with initial planning to cover the first three years.

A rainbow is due to the bending and reflection of the sun's rays when they are shining on raindrops in the sky.

Airport Base Is Opening Up Isolated Area

COLD LAKE, Alta. Huge sums of money are being spent in this formerly isolated area of northeastern Alberta, 180 miles northeast of Edmonton.

Cold Lake has been chosen by the defence department as the base for a new $30,000,000 airport and bombing and rocket range which will straddle the Alberta-Saskatchewan boundary.

Hundreds of people are moving in to take advantage of the district's new-found prosperity.

Storekeepers and boarding-house owners have been built and the Canadian National Railways are pushing a line into Cold Lake. An all-weather road has been completed and ample electric power is available.

The airport, five miles from the town, will include one of the largest hangars in Western Canada. Engineers estimated at $10,000,000 have been called for construction of 91 other buildings. They will house staff and residents unofficially estimated at between 3,000 and 4,000 persons.

LARGEST TURBINE

VANCOUVER Believed the largest hydraulic turbine in the world, a turbine capable of generating 150,000 horsepower was built here for the Kitimat aluminum project. The turbine will ultimately service other industries in the area. The builders say one steel section, weighing 31 tons, is the largest casting ever made in Western Canada.

COULD GET PLACES

ROCKY MOUNTAIN HOUSE, Alta.—A pig with arms feet was brought to market by a farmer from the Bingley district. The pig had the usual four legs, but there were two feet each on the front legs and on one of the rear legs. The pig appeared healthy in every respect.

I.O.D.E. BURSARIES

WINNIPEG.—The Imperial Order Daughters of the Empire will award 11 bursaries worth $1,800 each this year to children of deceased or disabled armed forces personnel. One bursary will be awarded in each province and one in the Yukon

Ornithopter Is New Type Of Flying Machine

MEDICINE HAT, Alta.—A flying machine with moving wings is ready for a trial flight at this southeastern Alberta city.

Called an ornithopter, the 200-pound machine made of metal and balsa wood has sets of wings.

"It will be the closest approximation to bird flight ever designed by man," said James E. Caldwell, the inventor-engineer.

It was constructed by Hartley D. Shannon a Medicine Hat business man. Shannon is an aeronautical engineer. It will be piloted by William Francis of Medicine Hat Air Services on its test flights.

"In principle," said Mr. Shannon "if this model is what we hope it is the cost of air transport would be cut down to the cycle class."

It appears from the lines of its radical in design from modern airplanes and gliders.

Its main feature consists of the four wings or flaps which simulate a bird's hovering and flapping process. Each wing is eight feet long and five feet from keel to tail edge.

The pilot sits front and centre and there are two wings on each side of him. The wings move one foot both up and down from neutral position. Behind the pilot's seat is a 12 horsepower motor which Mr. Shannon says is more than ample for the lifting power theory.

This "theory of a horse is the ridge between the shoulder bones.

WHEN PAIN STRIKES

At the first twinge of rheumatic pain take Templetons 2 R.A.C. for a million R.A.C.'s and relief comes nearly surely, relief from pain caused by rheumatic aches and pains. Why suffer needlessly? Get R.A.C. from hand and use this promptly. Only 60c, $1.20 at druggists. 1449

Celebrate Golden Wedding

Mr. and Mrs. William Smith who Tues now carries on farming operations.

Mr. and Mrs. Smith have retired from active farming years ago moved into Vermilion where they have a home in the east end of town.

Photos by Vermilion Photocraft

Chatsworth Chatter

Most side roads have been opened, some with the use of the municipal snow plows, some with horse-mated plows, and everybody is still able to get out, at least to town.

The winter remains on wonderful behaviour. How fortunate we are in comparison with other countries of the world, particularly England and Holland.

An enjoyable rehoggan party was held at Mr and Mrs. Arthur Tovell's last week, though the weather wasn't quite as nice as it had been. A good number attended, with a huge bonfire to ward off the chills and lunch served at the conclusion of the evening.

Mrs. Leo Klashinsky was a visitor to Edmonton during the week beginning Jan. 19th.

Mr. James Tovell is away visiting in Eastern Canada.

Mr. and Mrs. Cyril Davis who have been visiting at the Pacific coast during January, returned last Friday. They motored back in a nice-looking Pontiac car making the trip in two days. They report the roads in very good condition and a most enjoyable time was spent renewing acquaintances in Vancouver and surrounds.

On the evening of Tuesday, Feb. 3rd, a meeting of the ratepayers of this district was held in the Chatsworth School. The gathering was addressed by the retiring councillor, Mr. Chas. Stewart, whose resignation is being accepted with regret. He explained the reason for the co-operation of the ratepayers while in office. It is the sincere wish of all that Mr. Stewart may enjoy an improved state of health soon.

Jim Panter is being nominated to stand for councillor in this division for the evening.

On Feb. 9th a meeting of the Ot[illegible] Rural Electrification Association was held at the Ottawa school with 31 members in attendance, and Mr. James Tovell presiding as the chair. Business of the past years was reviewed, the financial statement presented by the secretary-treasurer, Arthur Tovell. A slate of officers was nominated for directors, three being required. Nominations included Ross Taylor, Ralph Wilson, Paul Bielert, Arthur Hughes and 'Sandy' McMillan, and elected were Ross Taylor, Paul Bielert, Arthur Hughes. President reported that there would be quite a substantial refund on the original contract cost of the power installation.

The February meeting of the Chatsworth local of the F.U.A. was held at the home of Mr and Mrs. F. East, with 21 in attendance. A number of new members were welcomed and the business of the evening centred on the International Wheat Agreement. After a social [illegible], Frank Parkish, Hector Cameron, J. Parkish Jr., and L. Gola-Checky were nominated to undertake the preparation of an evening of entertainment, Feb. 20th, and Mrs. J. K. Thompson and Mrs. Arthur Tovell on the committee for the following two weeks. The latter nominated committee report that a social evening is to be held at the Chatsworth school, Feb. 20th. This will include bingo, refreshments, dancing and lunch will be served who could ask for anything more? Ladies are requested to bring cake or pie. The event is not for the purpose of making money, but to provide a sociable evening, and everyone is welcome.

The March meeting of the F.U.A. is to be held at the home of Mr and Mrs. Arthur Tovell on the 9th.

At the conclusion of the meeting, a tasty lunch was served by the hostess assisted by several of the ladies.

We tender every good wish for future happiness to Betty Burton a bride-elect of this month.

The February meeting of Chatsworth Country club is to be held Feb. 19th at Mrs. M. Tovell's.

We wonder who got a parking ticket last week? Tut, tut, some people will never learn to read!

Cadzow

A social evening is to be held at the Chatsworth school on Feb. 20th under the auspices of the F.U.A. local. There will be entertainment for all in the form of bingo, cards, dancing. Lunch will be served. Ladies are requested to bring cake or pie. Everyone is cordially invited to attend and enjoy a get together. 31-2

FISHING NETS

J. A. Taylor,

YOUR BEST SECURITY IS Alberta's FUTURE

Few of us realize the extent of Alberta's commercial fishing industry — which in THE AVERAGE YEAR EXPORTS WELL over 3-million pounds.' Arthur Taylor here portrays a typical lake fishing establishment.

All of us realize the tremendous future of Alberta—and the helpful, progressive part that Treasury Branches are playing at its development. You'll find full financial service at your nearest Treasury Branch. And like thousands of Albertans, you'll find your Treasury Branch manager a good man to know!

NEWS from ISLAY

The annual school banquet got off to a good start on Monday after school. It is to wind up Saturday.

On Monday, Feb. 16th the Islay men's open banquet is scheduled to commence.

On Feb. 27th the school carnival will be enacted on the Islay skating rink. Costumes, contests, fun galore, and prizes will be given. There are three princesses in the service for Carnival Queen - Sharon Raymond, Veronica Ludzilla and Catherine Grant. Excitement is running high in this contest.

Art Wascerfield has gone to the Peigers' Festival at The Pas.

The monthly W.A. met at the home of Mrs. D. Clarke with a good attendance. We were glad to welcome a new lady in our midst, Mrs. Good, also Mrs. Hutchinson was able to get over the road from the farm. We shipped 80 pounds of clothing for Korea last month. Thanks to all those who contributed. Keep this pot of work in mind. Ladies, the need is still great. We can ship any time we have enough.

Noticed Little Pookie with a discolored eye - swollen eye - seems he was hit with the puck at a hockey game and had some stitches.

On Sunday at 3 p.m. Feb. 15th, Rev. Chauncey McKay will occupy the pulpit here in Islay United church. You are welcome.

It is really comfortable now in the waiting room of the curling rink, all new lumber and very well insulated. There are counters too for serving lunch. The ladies are looking forward to serving there next week.

On Saturday Feb. 7th Mr. and Mrs. Jack McNeely celebrated their 41st wedding anniversary — Congratulations. Also many happy returns of the day to Mrs. McNeely, it was her birthday.

Mrs. Dave Buchanan is in hospital again. We hope she will soon be better and able to come home.

Noticed Paddy McGuigan driving a new car, also Mr. Kowalski has one but hasn't it home yet.

Hello to the Youngs down in Golcrich! Are you having as nice a winter as we are?

Mrs. Rob Armstrong has returned to her home in Smooth Rock Falls, Ont., after spending ten weeks with her folks, Mr. and Mrs. Neil McEachern.

Kitscoty News

Mr. Hugh McGregor left by plane last week end for his home in Toronto after visiting here with his daughter, Mrs. A. McLean and family and son George, Mrs. McGregor and family.

Miss Sheila McCorry, student at Alberta College, Edmonton, spent a few days at her home here last week.

Deepest sympathy is extended to Mrs. Kiel and relatives in the passing of Mr. Charles Kiel in Islay hospital last week after a short illness.

We are sorry to report the sudden passing of Mr. John Browne, an old timer in the Kitscoty district where he resided for the past 47 years. He passed away suddenly at Victoria, B.C., on Feb. 6th at the age of 87 years.

Mrs. R. S. Pidcock has as her guest her sister Mrs. E. N. Eaze who came from her home in Winnipeg by plane to attend the funeral of their father Mr. John Browne.

Mr and Mrs. Jack C. Potter left by bus last week end for a holiday in Toronto.

Mr. Gordon Beatty of Manning, Alberta visited with his nephew R. S. Pidcock and family recently.

Deer Lake

The dance held in the school on the 9th was not very well attended. Once again proving that "It pays to advertise".

A whist drive and dance will be held on the 25th of February from 9 to 11. Dance to follow. Good music.

We forgot to mention that Mr. Dever De Ford is home and looking well after an appendix operation; also that he now has a new John Deere A.R. tractor.

We are all enjoying the lovely weather and hope it continues. No one can complain now that we have not enough snow.

Say Yvonne, we are looking forward to hearing about your trip.

A thought: The best place to find a helping hand is at the end of your arm.

Four Generations of Mannville District Family

Pictured above are four generations of a well known family of the Mannville-Myrnam districts. On the left is shown Mr. Alex Philipson left, the great grandfather, who was born on August 20th, 1878 in the Western Ukraine. He came to Canada in June 1913, a move for which he has always been sincerely thankful, and farmed in the Lake Eliza district near Myrnam for 13 years. He then moved to Myrnam and worked as caretaker of the new Myrnam school for 12 years, and a few years as caretaker at the Myrnam hospital. He is now retired and lives in Edmonton at 9737-105A street.

Seated on the right hand side of the picture is Mr. Philipkowich's daughter, Mrs. Anne Goyan, who was born in the Western Ukraine on Dec. 1st, 1904. She now resides in the Myrnam district where the family farms.

Standing behind is Mrs. Peter Bilyk who is Mr. Philipkowich's granddaughter and Mrs. Goyan's daughter. She was born at Myrnam on Sept. 5th, 1921 but her home is now on a farm near Mannville.

Centering the picture is great grandson Ernest Bilyk the representative of the fourth generation who will be eight years old on July 1st, 1953. He is a pupil at the Lake Geneva school in grade 2. Ernest has two younger brothers, Orest and David.

Bowtell Bulletin

Bride-Elect Showered

Miss Betty Burton, a bride-elect of February 14, was the guest of honor when Mrs. Arnold Maggs entertained thirty guests at a miscellaneous shower at her home on Wednesday afternoon of last week. Games and contests were played after which little Bonnie Maggs and Glennas Moses, dressed as bride and groom wheeled in a doll carriage which was decorated in pink and white and full of lovely gifts. Mrs. Moses, Mrs. R. Wilson, Mrs. Skrutvelius and Mrs. McGaughey assisted the hostess to serve a delicious lunch.

Some 15 ladies enjoyed an afternoon tea at Mrs. Johnson's where Mrs. Jan. Fisk gave a Stanley demonstration. The quiz was won by Mrs. Scott after which the hostess served a delicious lunch topped by a dish of ice cream.

It was pleasing to see so many attend the annual meeting of the Telephone Company held at the hall on Tuesday evening. The secretary Mrs. Scott resigned and the position was filled by Mrs. Johnson. Don Harrison, the president, also resigned and Charlie Pearman was elected in his place. Mongo Forbes, Don Harrison and Tom Sherwood were elected to other offices. Rob Dilling and Ed Lippert were appointed caretakers of the line.

Williams, Carss and Robinsons moved over to Heinsburg to visit Granny Robinson. Mrs. Millar and Jimmy were visitors to Lloydminster Wednesday. Frank Robinson noticed driving a nice new Ford truck.

Diane Riedale entertained several of her school chums when she celebrated her 9th birthday on Friday.

The writer, husband and family were guests for dinner Sunday at the Walker home; Mrs. Robinson and Mrs. Sherwood were visitors Monday at the home of Mr. and Mrs. Jones.

Noticed around: Betty, Robert and Jim journeying to Lloydminster; Tom Sherwood shooting a coyote; Mr. and Mrs. Pierman and Mr. and Mrs. Walker driving to Mannville on Sunday.

Livestock Marketings in Alberta for 1952

R. E. English, Statistician, Alberta Dept. of Agriculture, reports $143,728,000 as the estimated total value of Alberta livestock marketed through public stockyards and direct to packing plants in 1952. The respective figure for 1951 was $165,127,000.

The estimated value of livestock marketed by classes, with the 1951 figures in brackets are: cattle $71,116,000 ($92,070,000); calves $6,596,000 ($11,220,000); hogs $25,671,000 ($18,111,000); sheep and lambs, $2,240,000 ($2,672,000).

The number of each class marketed was as follows: Cattle 377,023 (393,970); calves 82,223 (93,040); hogs 1,362,141 (957,723); sheep and lambs 128,698 (96,924).

Kitscoty High School

K.H.S. is bursting with pride at the success of our curlers. Skip Dave Hazan, 3rd Gordon Jacobs, 2nd Elmer Vermaire and lead Gene Vermaire who, on going to Edmonton conquered third position and came home with fancy new travelling clocks. The boys were presented with awards from Jay Peterson Ltd. who sponsor the high school play offs. From all reports the boys thoroughly enjoyed themselves, the eye, the clocks really work well, they were tested — during school hours!

Kitscoty students are frantically rushing around selling carnival tickets. Carnival night is quickly approaching and a queen must be chosen from candidates Kathleen Todd, Sheila Kelly and Dorothy Ann Kerrigan has a ticket. Support your candidate and the best school.

Our principal Mr. Smith would like curlers to know that they would be a safe bet to try to break during ringing all the way home. Mrs. Smith took over in her husband's absence.

Cheap Oil Burner Invented

$14.75 for Heating and Cooking Stoves and $29.50 for Furnaces

Quick Canadian Facts

Deer Lake

White deer and dance at Deer Lake school on Wednesday, Feb. 25th.

Sixteen Years Ago Today

Feb. 12th, 1937

A. E. Kaiser was authorized to get the plans for the dam completed.

Cold snap of five weeks duration broke on Tuesday with no sub-zero temperatures registered since that day.

S. C. Heckbert was elected president of Canadian Legion Post 11, L. A. Tyner vice-president and W.R. Simmonds second vice-president.

Dr. Bell, John Wiebe, W. P. Pilkie and A. W. Liddiatt were elected in the six-man race for the council Tom Watts and Don Taylor were elected to the school board. Personnel of the council for 1937 is Mayor J. W. G. Morrison, Councillors Adrian Fallow, George Webb, Dr. Bell, W. P. Pilkie, John Wiebe and A. W. Liddiatt. The school board is comprised of C. Kirby, Dr Knell, T. Watts and D. Taylor.

Thirty-two Years Ago Today

Feb. 9th, 1921

Many U.F.A. locals were being formed throughout the district including Wellsdale, Kekenes and Rusylvia.

Melberta M.D. council was comprised of Reeve W. Arnold, Wm. Steele, Watling, Banks and Watts.

Elk Point Board of Trade were voicing their cry for a railroad through the district.

GREEK FARMERS NEED YOUR HELP

MANY FACE STARVATION

Many prairie farming communities will remember Dr. Loula Miracanova's 1931 'Bread for Greece-Crusade' and how this dynamic little lady canvassed from coast to coast describing to Canadians the heartrending scenes she had witnessed in Northern Greece a few weeks previously. Owing to the freak summer of hail, hot winds and excessive rain, there had been a disastrous crop failure, and thousands of Greek villagers were facing starvation. The people of Canada, and especially those living in the prairie provinces, who understood only too well what harvest failure meant, rallied magnificently to her appeal to 'save at least the children' and donations poured into the Ottawa headquarters of the Unitarian Service of Canada, the relief organization which Dr. Miracanova directs.

The crusade was a great success and altogether the committee rushed out the London-threatened aren. Disaster was averted. The gratitude of the Greek people was deep and sincere, and the fine friendship already existing between Greece and Canada was cemented.

But, as farmers the world over know, a crop failure can occur two or even three years in succession. In the summer of 1932 the Greek harvest was again almost completely ruined, this time by an exceptional three months' drought.

You might well ask, "Cannot the Greek government help its own people? Surely it can import wheat from other countries." The answer is this: 25% of the current budget is committed to defence, and as officials of the Department of Agriculture explained to Dr. Miracanova in Athens last June, there are no funds at present available to import wheat for free distribution to the farmers whose crops have failed. Again, these Greek villagers are facing starvation, and again our help is needed.

Dr. Miracanova writes "I know that you, the farmers of Canada, will understand what this second failure means. If you could only see these fine, brave men and women toiling with infinite patience from dawn to dusk in their barren, stony fields! Their implements are the most primitive imaginable. 2 years of war, followed by 4 years of guerilla fighting have reduced livestock to a pitifully low level. The few precious pieces of machinery they possessed have been either wantonly destroyed or stolen."

In a tiny border village, high in the northern mountains, Dr. Hitachmanova saw one old woman who looked over 70, laboriously working her rocky, thistle-studded plot with an axe, completely alone, because her husband and her three sons had been killed in the fighting! She encountered many other equally indomitable spirits among the simple, dignified, valiant country people of Greece. She writes, "I know that if you had met them, your hearts, too, would go out in admiration for them. It is not so much their own fate that they fear, but their children's, and at this very moment, as I write to you from my Ottawa office, many children in the rough little huts of Northern Greece are crying from hunger, and despairing mothers are praying that their good friend Canada, far across the sea, will save them again.

"I can only hope that we will save these [illegible] and I feel that the most generous of all come once more from you, the farmers of the prairies. Already a most heartening indication of Canada's desire to help those in need has come from Macrorie. Entirely on its own, the Macrorie Sunday School Bible Class raised the sum of $311.30 to buy milk for Korean schoolchildren! If only more groups throughout rural Canada would follow their splendid lead and raise funds to buy flour for the hungry children of Greek farmers! You see, our agency, the Unitarian Service Committee of Canada, buys this flour at the lowest possible wholesale price. For only $1 we can buy 25 lbs. of flour which will provide enough bread to keep a Greek child alive for a month. All USC help is given regardless of race, creed or nationality. Human need, we consider, must take priority. Free ocean transportation has been granted us, and during our overhead expenses are the lowest in Canada among agencies operating overseas.

"But time is short. Our flour is needed now, desperately. Would you, from the goodness of your hearts — and in gratitude for our last record crop, the biggest ever reaped in Canada, send a contribution towards our 'Bread for Greece Crusade'. Donations, small or large, all of which are deductible from income tax, will be most welcome at our Head Office, 46 Sparks Street, Ottawa, and our official receipt will be sent promptly."

GMC IN THE 1953 TRUCK SPOTLIGHT

Since 1902 more than ever, the spotlight's on GMC!

For 1953, GMC trucks bring you new styling power and dramatic new beauty. All 1953 GMC models provide increased horsepower and higher compression ratios. Power and handling characteristics have been improved, giving them even better performance. Many models offer new, more powerful engines. Choose from 1953 trucks for every hauling job. See your GMC dealer soon. Let him show you how GMC trucks give you more value per dollar for every job.

Keep in step with progress. Let us show you how GMC trucks give you more value per dollar in 1953.

WITH GREAT NEW VALUES . . .

In Power . . . Three husky, improved valve-in-head engines, new high compression ratios, highlight the GMC power story for '54. Choose the power plant you need from the rugged 100 h.p. Loadmaster, 135 h.p. Torquemaster and 130 h.p. Workmaster engines.

In Performance . . . Over the road and over the rough, GMC can handle the toughest jobs with ease and come back for more. With heavier, stronger, more durable frames, these husky 1953 GMC trucks are the sturdiest, most rugged ever built.

In Safety . . . For fast, smooth positive stops all 1953 GMC trucks up to the 9400 series are now equipped both front and rear with big, husky "Torque-Action" brakes which utilize the motion of the truck itself for extra stopping power. Heavy duty models in Series 9500, 9600, 9700 and 9800 have extra-large "Torque-Action" on the front wheels and famous "Twin-Action" brakes at the rear.

In Economy . . . The big improvements in GMC's thrifty, valve-in-head engines combine with the new, rugged economies to bring you overall operating economy like you've never seen before. Ton for ton, mile after mile, all your 'round you save money with GMC.

WOODVALE

Yes, Pleasant Valley scribe, our bulbs are blooming fine. The stray mouse or two have not damage them in the cellar as we have the pots in a screened off cupboard. Ever since January we have had narcissus and hyacinths and by the time you read this, tulips will be out and we have more coming along to keep us in flowers until Easter. This year they seem very fragrant and very big with hyacinth spikes eight inches long and 14 daffodils in one cluster.

IN MEMORIAM

In ever-loving memory of Ellen

"There is no death, what seems so is transition.
This life of mortal breath
Is but a suburb of the life
Elysian
Whose portal we call death."

Local News of Interest

43 Rinks At The Mannville Bonspiel

There are 43 rinks taking part in Mannville's annual bonspiel. 23 of these are visitors and 20 local. The visiting quarters come from Minburn 8, Irma 4, Vermilion 3, Buffalo Coulee 4, and one each from Innisfree and Edmonton.

Newlyweds Feted At Delightful Gathering

The home of Mr. and Mrs. Joe Hart was the setting of a delightful gathering Saturday evening when Mr. and Mrs. Hart were host and hostess to their neighbors and immediate friends in honor of Jimmy Barr and his very lovely bride. The evening was spent in playing cards with Mrs. Jack Tucker, Mr. and Mrs. Ray Williams and Mr. and Clarence Barr proving the winners.

To the strains of "Old MacDonald had a Farm" played by Mrs. Cliff McCormick, little Nadine Hart, dressed as a milk maid, Masters Byron Hart and Billy Williams dressed in true rustic style, drew in a heavily laden milk wagon advertising "Barr's Fresh Holstein Milk". Mr. and Mrs. Barr were then asked to take over and were the recipients of many good wishes and beautiful presents. Jimmy, speaking for his wife and for himself, thanked everyone most sincerely for the gifts and the welcome given his wife in the community. A most delicious lunch brought the evening to a close.

LEGION NOTES

The monthly meeting held Jan. 5th was well attended. President George Martin was in the chair.

Mr. Martin welcomed John O'Donnell, returned Korea veteran and presented him with a membership card. Bro. O'Donnell served for two years with the 57th Field Squadron, Royal Canadian Engineers.

Applications for membership were received from Fred Sperberg, Islay; Peter Jarenco, Ruzylvia and Elmer Garver, Ruzylvia. Membership for these veterans were accepted and approved.

The mail ballot for a bar was returned by 55 members. The majority in favor of applying for a license for a bar on the Legion premises was 80 per cent.

It was decided to make a charge of 10 cents per chair for borrowing of same. This was felt necessary as so many chairs were broken that the cost of repairs was quite high. Orders are being taken for blazers, berets and ties. Let us know what you want.

Would every member please advise the secretary of any veteran who is under the doctor's care . . . whether in hospital or sick at home.

An appeal is being made to the Legion members and others for books. They are wanted for our troops in Korea. Reader's Digest and small paper covered novels such as Penguin books are most suitable. If anybody wishes to donate books to this good cause please leave at liquor vendors in District Agriculturist's office.

Miss M. Knapp of the high school staff is at present a patient at the University hospital in Edmonton recovering from an operation. During her absence Mrs. W. A. Kibblewhite is relieving at the high school.

The rink competed of E. M. Stewart, Ben Payment, Carman Long and Dr. Dunc Stewart of Edmonton ran up an imposing string of wins at the Edmonton bonspiel last week. They lost their first start and then won 8 in a row for the longest consecutive unbeaten streak of the spiel. Their final score was 8 wins and 3 losses and they brought home a third prize in one of the major competitions. Incidentally, the McAllum rink, which won the Grand Challenge at the Edmonton bonspiel was exactly the same rink which took second in the sportsman's spiel here.

R. E. Carroll, R. B. Carmichael and George Reid attended the annual meeting of the Alberta Fish and Game league held in Edmonton last Friday and Saturday.

BORN - To Mr. and Mrs. Norman E. Stanley at Vermilion, Feb. 7, 1953, a daughter Elizabeth Ida, at Elk Point Municipal hospital.

A fish competed of Charles Herbert, Bill McLaughlin, Lawrence Webb and Billy Hart brought home a third prize from the Kitscoty bonspiel last week.

Mr. and Mrs. BIll Sutherland and daughter Shirley were Edmonton visitors over the week end. While there they called on Miss Knapp, high school teacher who is a patient at the University hospital.

Mr. and Mrs. Alex Yorkston were visitors in Mannville last week en route home after spending a week's honeymoon in Edmonton. Norman Yorkston and D. Thompson, all Mannville, were at their wedding which took place at Kimberley, B.C. on Jan. 24th. The bride is the former Miss Patricia Adam of Edmonton. The happy couple intend to reside at Kimberley.

L. Miller returned Tuesday from a holiday spent in Vancouver.

Alex Callea attended the National Warm Air Heating school in Edmonton last week. He was accompanied by his wife and young son Billy.

Dr. Bob Anderson got some credit not earned last week when he was named as a member of Dr. Kleyn's rink which won second at the Wainwright bonspiel. It was Joe Hart who really played the spiels and came home with a handsome wrist watch as proof of his prowess.

The contents of the Red Cross box in the Alberta liquor store has been donated by Dorothy Keller. When opened it was found to contain $83.87.

CLANDONALD HALL

Showing this week end at the Clandonald hall, Feb 13 and 14 "Devil's Doorway", an MGM super western starring Robert Taylor, Louis Calhern, Paula Raymond and Marshall Thompson. Next week "Come to the Stable". 31-1

RED CROSS NOTES

Anyone desiring to knit or make quilts for the Red Cross, please contact Mrs. J. R. Dawson as she has lots of material on hand

QUESTIONS and ANSWERS about Cancer

QUESTION: Does use of aluminum cooking vessels cause cancer?

ANSWER: No. This rumor was traced to its source and found to be false. Research has proven that even taking small amounts of aluminum in the diet does not affect the incidence of cancer.

JUNIOR C. W. L.

The Junior C.W.L. sponsored a telephone wishes' drive Thursday, Jan. 29th held in the homes of the members. The ladies' first was won by Mrs. W. G. Urquhart, donated by Vivian's Style shop. Ladies' consolation was awarded to Mrs. Milo Brower. Gentlemen's first was captured by Mr. Pat McCann, donated by McLaughlin's Self Serve, while Mr. Bernie Kleshinsky became the possessor of the gentlemen's consolation.

The Jr. C.W.L. members would like to thank Vivian's Style shop and McLaughlin's for the lovely prizes donated for this occasion.

Conveners of this enjoyable evening were Mrs. Maxine Hennen and Mrs. Kay Williams.

At the last monthly meeting it was decided to hold another telephone wishe drive Sunday night, Feb. 22nd.

Space Ship Under the Apple Tree — Louis Slobodkin.
Adventures of Sajo and her Beaver People — Grey Owl.
Stand and Deliver — P. Pringle.
Gentle, the Enchanted Mare — and Thought—M. Glendinning.

Girl Guide and Brownie CORNER

Once more it is the Brownies' turn to chat with their friends in Vermilion and district. We had planned to tell you about the Valentine party our mothers are having next week for us, and about the perfect attendance at our Monday meeting. We were over so pleased, especially when all but four little Brownies had uniforms! We're interested too, to let you in on a secret, about a wonderful trip we hope to make in April, if we work hard! But that will have to keep. So will a lot we would like to say about "Thinking Day". That's the day each year when Girl Guides, Brownies Scouts and Cubs throughout the world give special emphasis to international friendship. This date is always Feb. 22nd, because by a strange coincidence that's the joint birthday of Lord Baden-Powell (rhymes with Noel), founder of the Boy Scouts and his wife, Lady Baden Powell, World Chief Guide.

But even if we can't tell you of our plans for thinking day we can tell you why it, and the International friendship it stands for mean so much to us today. You see, the important reason we have for our talk with you today is, we have a favor to ask you too. It's about what we are planning to do to help those people who are suffering so terribly from the floods in Britain and the low-lying areas of Western Europe. Perhaps you have read about it, and wish there was something we could do to help them? Along, no one can do much, but together our efforts will count. So on Saturday Feb. 14 the Guides, Cubs, Scouts and Brownies will be selling little flags, and all the money collected in our canvass will go to the Red Cross Flood Relief fund to help those who are so very much more lonely our responsibility and pride in our motto 'Lend a Hand' and we know you'll help us to raise for your generosity.

Attending Edmonton Conference

Charlie Upshall and Ian Stewart of the local Macleod's store have left for Edmonton to attend the 1953 Merchandising Conference sponsored by Macleod's Limited at the Macdonald hotel.

Store managers and district supervisors, representing branches of the company from throughout Alberta and British Columbia, will be in attendance. The Edmonton meeting is one of three sales conferences to be held by the Macleod organization. Total attendance will exceed 300.

Conference discussions, merchandise displays and a practical demonstration schedule conducted by company executives will headline the conference. Heading the list of company officials attending the conference will be K. E. Sharpe, president, will address the delegates.

Vermilion, Alberta, Thursday, February 19th, 1953. $2.00 per Year

Vol. XLV. No. 82.

Mayor and Councillors Are Acclaimed

NO ELECTION NECESSARY

All municipal offices in Vermilion were filled by acclamation on Monday and no elections are necessary. However, ratepayers will go to the poll on Monday, March 2nd to vote on the water and sewer plebiscite. It is hoped that there will be a unanimous decision in favor as this will ensure Vermilion procuring money at the low rate of 2% from the province.

As a result of nominations on Monday S. C. Heckbert returns as mayor for a two-year term. He has already been the town's chief magistrate for two years. K. G. Urquhart with six years on the council goes back for a further three years, and Jack Reid who has served for one term of 3 years returns for another three.

The governing body of the town for 1953 will thus be composed of Mayor S. C. Heckbert, Crs. D. R. Mitchell, W. Scarlett, H. J. Payne, George C. Webb, K. G. Urquhart and J. Reid.

Bevy of Beauties Seek Carnival Queen Title

Each member of this bevy of beauties is seeking the title of "Queen of the Vermilion High School Carnival".

Photographer Bob Carmichael caught the girls in a gay mood as they were enjoying a toboggan ride in a beautiful setting in the new provincial park here. From left to right they are Anne Stewart, 15 to and 16 years old — Grade 10 student — "A broom and 2 rakes are all that she'd need to give! Laurier House a 10-1 lead".

Sue Carmichael is next in line. She is 15 years old and a grade 11 commercial student — "When picking your Queen, should you happen to be Cowgy, just mark your X by the girl who's named Susie".

Adele Tweedy is tidied in line. She is a 15 year old student in grade 10 and a grade 10 academic student — "Grade boasts of a girl named Tweedy, hey looky there, ain't she perdy?".

And at the front of the toboggan is Alice Brix, 17, and another of grade 11 commercial students — "Alice Brix you never can rile, whatever your age, she takes it with a smile."

All this of course leads up to the high school ice carnival on Friday March 6th commencing at 7:30. Watch next week's Standard for the full program and get your advance tickets now.

— Photo by Photocraft.

FLASH!! Tigers Meet Vegreville In Play-Off Saturday

Vermilion Tigers play the third place Vegreville Rangers in the first game of the league play-off in Vermilion arena at 8:30 Saturday night Feb. 21st. This is a total of three game series. The third game will be played here on Saturday Feb. 28th if necessary.

See advert for change of admission prices for play-off.

The league ended with Vermilion in first place, Viking second, Vegreville third, Wainwright fourth.

Vermilion Rink Wins Challenge At Lloyd.

A Vermilion rink skipped by Darrell Currah won the winners' of the Grand Challenge event at the Lloydminster bonspiel. The Currah quartet found plenty of opposition as there were 85 rinks competing.

With Darrell Currah Cliff Crawford of Wildmere, Don Mackenzie and Neil Weaver of Edam, Sask. The boys won lovely Lanesbury clocks.

Death of W. H. Green Of Auburndale

William Howard Green, esteemed resident of the Auburndale district passed away on Feb. 4th at the Vermilion hospital. He was 80 years of age.

Mr. Green was born at Brookhouse, P.E.I., and came to Alberta in 1912. He settled in the Auburndale district in 1917 where he has resided since except for winters which he would spend with his daughters at Edmonton and Daysland.

Left to mourn his passing are two sons, Gordon and Alfred of Auburndale; three daughters, Mrs. E. G. McMillan of Edmonton, Mrs. F. Napier of Daysland, and Mrs. George Symons of Vermilion, one brother John also resides in the Auburndale district, and there are two sisters Miss Ann Green of Stanmore, Wash., and Mrs. Bertha Sperling of Bremerton, Wash. There are 12 grandchildren and 2 great grandchildren.

Funeral services were held Wednesday afternoon at the Auburndale United church with interment following in the Auburndale cemetery. The Rev. C. W. MacKay officiated.

Moyers were in charge of arrangements.

Manville Board Elects Officers

MANVILLE—At the Board of Trade luncheon held recently Mr. E. H. Buckingham, district agriculturist from Vermilion spoke on "Trees". The agricultural Committee Board has been encouraging farmers to plant trees around their build ings with the aid of the Farmers' Union. They would also appreciate any help which could be given by the Board of Trade. Most of the trees are provided free of charge to the farmers. Mr. Buckingham also brought up the subject of a weed cleaning plant. He thought it likely Manville would be the site of it, and if the business men made the move.

At the conclusion of his address, the election of officers for the Board took place. The following will hold office for 1953 —

President M. B. Van Dusen
1st Vice-Pres. - A. Gerhart
2nd Vice-Pres.- M. Malin
Sec.-Treas.—R. E. Ewing

Clarence Wilson Is President of Fish And Game League

GUN CLUB SENT PRESENTED WITH FAREWELL GIFT

At a recent meeting of the Vermilion Branch of the Alberta Fish and Game Association held at the Lower Deck Mr. Clarence Wilson was elected president to fill the office left vacant by the retirement of Mr. Monte Hunter.

It was the unanimous decision of the meeting to try to arouse more interest in this valuable organization and Mr. Norman McGinnis was elected chairman of the membership committee. It was felt that in a district having as many sportsmen as Vermilion there should be a membership of at least 200.

Mr. Melvin Hill gave a brief outline of the Vermilion River dam project and requested that the members of the association be appointed to assist the local committee in charge of the park in matters pertaining to wild life.

President Clarence Wilson and vice-president Claude Brennan were appointed to act on the committee and were also appointed delegates to the provincial convention to be held in Edmonton.

Presentation to Reporting Game Officer

At the close of the meeting Mr. Claude Brennan, on behalf of the citizens of the town and district in general, presented Game Officer George Sess with a fine pair of binoculars. He spoke of the great assistance Mr. Sess has been to the Vermilion district and paid tribute to valuable work in connection with wild life. In closing his remarks he asked Mr. Sess on behalf of all his friends in Vermilion, the very best of success in his new district of Red Deer.

Mr. Sess in reply thanked everyone for the very useful present and stated that he had enjoyed working in the Vermilion district and regretted his departure very much.

Defeat Viking 7-1 Saturday Night

Tigers Top League

Completing the regular league schedule on home ice in a blaze of glory the Vermilion Tigers stamped a 7-1 defeat on the visiting Viking Lions last Saturday night. The locals were clicking nicely and waxed hot their men very closely so that the fast combination plays in evidence on Viking's former appearance here were decidedly lacking and they were given few scoring chances. Everything worked for the Tigers and they gave a nice display of capitalizing on their opportunities.

The win gave Vermilion 21 points to extend their lead on top spot in the league ladder as they are 4 points in front of Vegreville. There is one postponed game to play. Second place is at stake this Wednesday evening when the Tigers go down to Viking. Viking is just one point behind Vegreville and a win puts them into second spot with 18 points. Veg has 17 and Wainwright 14.

Patsula scored on St. Martin's pass 42 seconds after the game opened Saturday, then Ferguson unassisted, Foutz from Kreller, Patsula from Ferguson, all counted before the lone Viking goal was scored by Mussen from Glasgow and Sorken. The first period ended 4-1.

The Tigers went to town again in the second, Patsula scoring on a pass from Barr to make it 5-1 at the end of this period.

In the third Tigers added two more, Bill Schmidt from Lashy on Koebli, and Foutz from Les Williams.

George Trudel and Stan Wakelberger refereed.

Attendance was the biggest of the season, there being 910 actual paid admissions.

VIKING: Taylor Thunnell Ross Wilkie, Josephson, Proctor, Bryan Glasgow, Mussen, Sorken, McIntee (Leferal Koby).

VERMILION: L. Williams, Barr, Patsula, St. Martin, Foutz, Koebli, Williams, Schmidt, Lashy Rowe.

Home & School To Meet Feb. 24th

BE SOUTH OF THE 50 ALTH UNIT WILL ATTEND

The Vermilion Home and School Association is going to hold a meeting at the high school on Tuesday Feb. 24th at 8:30 p.m. Dr. Smith of the Health Unit will be present.

Everyone is invited to attend as we feel that there will be something of interest for all.

A tentative program for future Home and School meetings includes the following:

March Discussion of health with Dr. Schrapp present.

April- Career Night.

May Discussion of the Gr. 10 program of studies for the coming term. Election of officers for the coming term.

Change of Date

"The Unlighted Cross" Will Be Presented March 4th

The United church announces a change of date for the presentation of the play The Unlighted Cross from March 6th to March 4th. The change has been necessitated by the Carnival being placed on that night. We trust you will bear this change in mind.

Midgets Lose to V.S.A.

Playing a team of boys from the college the local Midgets lost by a 3-2 score in a spirited game Tuesday evening.

Re-Elect Taylor and Stewart to School Board

Donald Taylor and E. M. Stewart were re-elected to the Vermilion school board by acclamation on Monday evening when the annual meeting of the Vermilion school district was held. The reports were reviewed before a small attendance of interested ratepayers. Mr. Taylor has already served on the school board for the past 5 years and is completing his 16 consecutive years, no doubt a record for this town, and for many of those years he has been chairman. Mr. Stewart has two previous years experience. To complete the school board there are Mrs. Ashley (Cooper), W. Mackbuck and Ross Beable trustee and secretary.

Total cost of operating the school in the Town of Vermilion for 1952 was $86,043.74. This in turn was broken down into $1,800 for admin istration, $71,695 for instruction $13,324 for plant operation, $780 for ancillary services and $1,181 capital expenditures.

To meet this the town's requisition was $70,412 the provincial division share $18,543 grants $11,088, tuition fees $2,230 and miscellaneous items to make up the balance. The year was completed on the right side of the ledger with a small credit balance of $1,000.

Principals reports showed that there are 340 pupils in grades 1 to 12 with 13 full school districts represented by the pupils and 5 in the high school building; there are also two rooms of grade 8 with a total of 70 pupils. There is a staff of eight teachers.

In the elementary school grades 1 to 6 there are 200 pupils and there are 222 pupils with 10 teachers. Students from 10 farm schools attend.

Primary school has a total of 7 children in three grade 1 pupils in grade 2 and seven and one grade 3 room. There is great overcrowding in this room necessitating the use of four room structure. This should be relieved on the completion of the new junior high school with consequent shifting of rooms.

Total school enrollment at present is 566.

Rural Residents Now Eligible For Town School Board

The following is a notice to electors at that election residing in any of the rural school districts adjacent to the town operating and the town school board and provisions are made for enlarging the board if necessary. The public school board sincerely hopes that the rural residents will be interested in this change in the act as there are 18 rural districts being bussed into the Vermilion schools.

Locals Lose 4 Goals to 2 At Camrose

CAMROSE HERE ON FRIDAY IN MIDGET HOCKEY PLAY-OFF

Camrose Midgets invade Vermilion on Friday night and at 8:00 o'clock clash with the local Kitchenettes.

V.H.S. Girls To Play Basketball At Camrose

FRIDAY AND SATURDAY

The V.H.S. girls' basketball team will be away to Camrose this Friday for two games against the Camrose high school. This will be the local girls first opportunity to test their skill against tougher opposition. Camrose has high hopes of making the provincial finals.

The girls are looking forward to an enjoyable trip. It will include a game Friday night, a high school dance after the game, and a second game Saturday morning. They will be guests of the Camrose team during the trip. Mr. Bentley and Mr. Smith will supply transportation.

The Camrose team will be host for a return game later this month, or early in March.

GOOD SEED FAIR ENTRY

The Vermilion Seed fair is rapidly growing in popularity and the farmers of the M.D. of Vermilion River and Minburn and it is anticipated that the record for this year will exceed that of the 1952 fair. A sample of Vervet oats that was shown at the Chicago International Grain show will be on display and should attract a good deal of attention. This sample has been prepared and shown by John Nowakowski, well known farmer of the Andrew district, who is greatly interested in the projects of good seed.

An interesting program has been arranged for Saturday when the fair will be open to the public and all farmers having desirable seed are cordially invited to show it at the forthcoming seed fair. The date of the event are March 6th and 7th and closing date for entries Feb. 27.

If you have any seed problems to attend on Saturday, March 7th are now also wants to keep in touch contact President Aldous Kent.

CURLERS WANT COOLER WEATHER

BONSPIEL STARTS NEXT MONDAY, FEB. 23rd

Vermilion curlers are hoping for cooler weather as the annual bonspiel is scheduled to start on Monday Feb. 23rd. As the bonspiel several years ago grew into one of the largest rural events of its kind in the prairie provinces it was found necessary to increase ice accommodation by utilizing the arena hockey rink when an additional five sheets were laid making nine available for the 48 rinks that are to be entered. This ensures a snappy bonspiel with no long waits between games for anyone.

However, there is a lot of work necessary in a very limited time in order to change the arena ice from a hockey sheet to a curling palace. Many hands are necessary to sweep up the sheets, beams must be frozen in, rings have to be marked out and painted in. To accomplish this in the short space of some 24 hours means that the temperature must be around the zero mark or lower.

Get your entry in to Secretary Russell Carroll by Saturday and the local ice experts will do the rest. Anyone who wants to help out contact President Aldous Kent.

Lenten Clergy Exchange

On Wednesday evenings during Lent the Anglican clergy of the area plan an exchange of pulpits, beginning on Wednesday, Feb. 25th there will be five of these services concluded as follows:

March 25th—Rev. D. Woeller, Marwayne:
March 4th — Rev. J. B. Moorehead, Wainwright:
March 11th—Rev. D. A. Ford: March 18th—Rev. R. T. Clennett, Manville.
March 25th - Rev. W. H. Pi-tover, Lloydminster.

A plan of teaching has been drawn up for these services, under the general title of "The Church's Road to Salvation". These addresses should prove most helpful, and at the same time should prove most stimulating as they are brought by visiting clergy.

Manville Curlers Keep Grand Challenge

WON BY C. A. THUMLERT

MANVILLE — The Manville bonspiel was successfully completed last Saturday evening after attracting 24 local and 23 visiting rinks. The complete results of the spiel were

Grand Challenge

1st — C. A. Thumlert, Manville 2nd G. Magnus Manville 3rd — McFadden, Manville. 4th — G. Gibbons, Vermilion.

Spreaners Event

1st L. Mann, Manville; 2nd — H. Johnston, Minburn. 3rd — M. Mercer, Manville. 4th N. Crooks Manville.

Villmow Event

1st E. Yates, Irma. 2nd — Wm. Hubman, Irma. 3rd N. Fewchuk, Minburn. 4th J. Johnstone, Manville.

By The District Agriculturist

"GREEN ACRES"

Baby Chicks and Poults

They did not pay off so well in 1952 but maybe this is a good year. Large chickens for frying, roasting and broilers, plus capons may be a better market this fall. The early birds pay the best. Pullets must start to lay in October pay better than later ones.

Package Bees

The Vermilion Beekeepers Association will take orders for package bees again this year. Anyone in the district can order bees at this time. There is less loss if they arrive here than any part of Alberta. When ordered at a little before swarming time. But what a few stings when the bees work all summer for nothing!

Turkey Clubs

Farm boys and girls around Mervayne and Vermilion are asked to join up with one of the turkey clubs being organized in the district. Turkey poults are raise them under supervision. There were 42 men's clubs in the province last year. Let's make it more this year. See Dick Dudley, Marwayne or let me know if you wish to join up.

Security on the Farm:

Many farmers who have no boys already generally agree that they ought to balance their farming with some cattle and pigs. But so many are doing nothing about it. I would suggest to these grain farmers that Medicine at the arena in the second game of a two-game total goal series for the right to continue on in the Provincial Midget play-offs.

The first game was played at Camrose last Thursday night before a crowd of over three fans the locals losing out in a good game 4-2. The star of the Vermilion team was goalie Calvin Hough who really distinguished to keep the bigger and heavier Camrose boys at bay. Marvin Little and Stewart Barr shot home the Vermilion counters. Playing at home the local boys fully expect to overcome their defeat.

These boys are 16 years of age and under and it is hoped that a full arena will be on to see them in action Friday at 8 p.m.

Water and Sewer Plebiscite

Attention is drawn to the notice of the impending water and sewer extension plebiscite which appears in full on page 3 of this issue. Study the matter carefully and if you are interested in the continued progress and expansion of Vermilion, vote in favor on Monday March 2nd. See that your neighbor becomes interested and casts his ballot too.

Conforming to the library act, now that Vermilion has a public library, it is necessary to set up a library board and this too must be voted on by the ratepayers.

Glorious Weather Continues

The present winter will probably break all records of the past 30 years for mildness, that is if the trend of the past four months continues. Roads are wide open and temperatures are just cool enough to keep ice in good shape in the skating and curling rinks.

Exhibition Attractions Manager Dies

Word was received on Thursday night last by S. C. Heckbert, Manager of Vermilion Fair, that Irving R. Grossman of Des Moines, Iowa, who has so successfully provided grandstand attractions for Vermilion Fair for several years past, had died suddenly at Des Moines that morning. Local people are well acquainted with both Mr. Grossman and his daughters who have taken part in the dancing troupes for two or three years and general regret is felt at the passing of Mr. Grossman as a comparatively early age.

It is not known as yet what effect will result in connection with the 1953 exhibition program, but steps are underway to provide outstanding attractions for the 1953 event, and it is altogether likely that the attractions purchased recently will be carried on by the Canadian Booking Agency of Des Moines.

The World Day Of Prayer

FRIDAY, FEB. 20th — SERVICE AT UNITED CHURCH

Our worship this year has led us into intercession for and fellowship with our fellow Christians in Angola. What more fitting climax could there be for us than participation in the World Day of Prayer Service, which has been prepared this year through the co-operation of African Christians, with the theme "Walk as Children of Light" This is one day in the year when we are specially aware of the fact that groups of women in Africa are worshiping with us—the Missionary Monthly. We should gladly seize this opportunity for fellowship by attending the service to be held in the United church at 2:30 p.m. Friday, Feb. 20th.

Local Midgets Trim Lloydminster 6-1

As a final touch to their training for the big provincial play-off game against Camrose on Friday night, the Kinsmen Midgets played the Lloyd Midgets here on Wednesday night and trimmed them 6 goals to 1. It looked as if Calvin Hough was due for a shut-out but late in the third period the visitors broke into the scoring column. For Vermilion it was Stewart Cooper from Stuart Barr, Ernie Braithwaite from Marshall, Braithwaite, Stuart Barr, Jim Winters, Stuart Barr.

Dr. Ernie Braithwaite and Bob Acheson refereed.

The Midgets now play Camrose Friday night at the local arena — starting time 8:00 o'clock.

Landonville Pioneers Feted At New Vermilion Home

Mr. and Mrs. J. T. Johnson, formerly of the Landonville district who have now taken up residence in Vermilion, were feted at a surprise house warming party on Friday, Feb. 13th in their new home in town. About 30 relatives, ladies with food, arrived just in time for the evening meal. Mr. and Mrs. Johnson have not quite finished the interior of their new home so a table was erected in the living room and a delicious buffet supper was served.

The evening was spent in playing games, and later Mr. and Mrs. Earl Grosse gave with their movie projector and showed several films which were all very much enjoyed. Many thanks to Mr. Grosse.

A purse of money was presented to Mr and Mrs. Johnson along with the well wishes of the crowd that they enjoy many happy years in their new home.

Mr and Mrs. Johnson thanked everyone and asked them all back to their new home. A tasty lunch was served before all departed for home.

Canadian Club Meets Friday, Feb. 20th

A. E. THOMPSON WILL BE GUEST SPEAKER

Members of the Canadian Club will hear an address on "Foundations of the Future of the West" by Mr. A. E. Thompson, regional liaison officer with the Department of Citizenship and Immigration when they meet at the United church hall on Friday evening Feb. 20th at 8:15.

TIGERS LOSE 7-3 AT VIKING

Playing at Viking Wednesday night the Tigers suffered a 7-3 setback in a good game by the Lions of that town. This did not affect Vermilion's top standing in the league but did move Viking up into second place, one point in front of Vegreville.

Graduate Nurses to Meet

The Graduate Nurses will meet on Monday Feb. 23rd at 8:00 p.m. at the hospital.

TOWN OF VERMILION

BY-LAW No. 543

There has been introduced into the Council of the Corporation of the Town of Vermilion By-law No. 543 of which By-law the following is a true synopsis:

A By-law to authorize the Municipal Council of the Corporation of the Town of Vermilion to incur an indebtedness on behalf of the said Town for the purpose of extending in the said Town of Vermilion the Water Supply and Distribution System and installing the necessary pumping equipment having been approved by the Department of Public Health, Certificate No. 863.

Total cost of the extension to be $53,000.00

The amount of $53,000 to be borrowed from the Government of the Province of Alberta under the provisions of the Set Liquidating Projects Act and bearing interest at the rate of (2) Two Per Centum per annum.

This By-law shall take effect on the final passing thereof and subject to the approval of the Proprietary Electors of the said Town of Vermilion and the Board of Public Utility Commissioners.

S. C. HECKBERT, Mayor.
B. C. ACKERMAN, Exec. Secy-Treas.

NOTICE

TAKE NOTICE that the foregoing is a true synopsis of proposed By-law No. 543 which has been introduced in the Municipal Council of the Corporation of the Town of Vermilion to provide for the extension in the Town of Vermilion of the existing Water System and also the installation of a Stand-by Well having been approved by the Department of Public Health, Certificate No. 863.

AND TAKE FURTHER NOTICE that the said proposed By-law No. 543 will be finally passed by the said Municipal Council of the Corporation of the Town of Vermilion upon the assent thereto of two-thirds of the proprietary electors of the said Town who have voted thereon.

Hiram H. Hodgins, Returning Officer.

NOTICE OF POLL

TAKE NOTICE that the vote of the said proprietary electors of the said Town of Vermilion for and against the said By-law a synopsis of which is printed above will be taken on Monday the 2nd day of March 1953 at the Elks Hall in the said Town of Vermilion between the hours of 10:00 o'clock in the forenoon and 7:00 o'clock in the afternoon and that I shall attend at the place aforesaid for the purpose of summing up the votes for and against the said By-law at the hour of 7:00 o'clock in the afternoon of the said 2nd day of March 1953 and declare the result thereof.

Hiram H. Hodgins, Returning Officer.

NOTICE OF POLL

PUBLIC NOTICE is hereby given that a By-law providing for the establishment of a mobile library in the Town of Vermilion has been introduced in the Council of which the following is a synopsis

Establishment subject to the assent of three-fifths of the resident electors actually voting thereon:

The appointment of a Library Board comprising seven members of which the Mayor shall be an ex officio member and in which Board will be vested the general management of the Library;

A vote of the resident electors for and against the By-law will be taken on Monday 2nd day of March at the Elks Hall between the hours of 10:00 a.m. and 7:00 p.m., and that at the close of the poll, I shall sum up the number of votes given respectively for and against the said By-law.

Hiram H. Hodgins, Returning Officer.

Girl Guides To Tea

The Girl Guides will hold a tea in the Legion hall on Saturday, Feb. 28th from 2:30 to 5:30 p.m. 31-3

Former Clandonald Girl Married At Wilkie, Sask.

In a very lovely wedding solemnized at St. John the Baptist Catholic church on Wednesday Jan. 21st at 9:30 o'clock, Miss Kathleen MacInnes was given in marriage by her father to Mr. Walter Edward Crandall. The Rev. Father Hermann, O.M.I., officiated at the double ring ceremony.

The beautiful bride is the daughter of Mr. and Mrs. Neille MacInnes of Wilkie and formerly of Clandonald. Her grandparents Mr. and Mrs. John Doherty live at Vermilion.

Following the wedding the happy young couple left for a honeymoon trip during which they will fly to Windsor and motor from there to Washington, D.C.

THE HOUSE OF SEAGRAM

MEN WHO THINK OF TOMORROW PRACTISE MODERATION TODAY

Sixteen Years Ago Today

Feb. 18th, 1937

Temperatures for the past week have not descended below the zero point with daytime readings well above freezing.

Leigh Tyrer bought the A. P. Butler residence on Riverview drive. This is a large house overlooking the river valley.

After winding up the threads of the 1936 council work Monday night Mayor C. W. Robinson and Crs. Ed Davies and Marvin Hill retired as civic representatives of the town. Mayor J. O. Morrison, formerly mayor from 1929 to 1935 again took up the reins of office.

Thirty-two Years Ago Today

Feb. 16, 1921

Robert A. Pilkie, second son of Mr. and Mrs. P. G. Pilkie, passed away at Chilliwack, B.C. He moved from Vermilion less than one year ago.

Lloyd Cameron lifted the Blair cup from Mannville, only to have Shiga Jones and McLachlan come home in the week and take the cup back to Mannville.

Shiga Wes Waldersdorper and H. W. Scott, B. Sc., has taken charge of the school of agriculture for a short time.

Dewberry News

Our congratulations to Mr. and Mrs. Don Braithwaite on the birth of their first son recently. Also to Mr. and Mrs. Woodrow Cameron of Oregon on the birth of their first child, a boy.

Best wishes to Mr. and Mrs. Geo. Wowk (nee Emma Axley) who were

Two rinks of lady curlers took in the Elk Point bonspiel, both returning with prizes. The Olga Braithwaite rink skipped by Iris Hodgson won first prize in the second event and a rink skipped by Gilda Klemik won third in the same event. The Braithwaite rink was comprised of Skip Iris Hodgson, Olga Braithwaite, Anne Desnil, Joyce Anderson: Klemik rink—Skip G. Klemik, Dora Mead, Inez Hartwell, Chris Honey.

Ladies of both these rinks offer their sincere thanks you to their skips' host of the spiel in the person of Mr. W. J. Casterton. Mr. Casterton was the perfect host as well as providing lodging he gave all these ladies a lovely steak dinner.

His generosity and hospitality will not be forgotten as it was a great part of the successful time had by these two rinks. Mr. Casterton also had the pleasure of being able to say that his guests all won prizes. Next year he may have more than two rinks on his hands from Dewberry.

At the recent Farmers' Union meeting held at W. Parker's final plans were made for the Easter amateur contest and dance. Good cash prizes will be offered to contestants running 1st 2nd and 3rd in their class.

We hear George Groves is a patient in the hospital at Elk Point. Best wishes for a speedy recovery are extended.

Care of Growing Pigs

Most of our pig troubles have their beginnings between three and ten weeks of age, says A. J. Charnetski, Livestock Supervisor, Alberta Department of Agriculture. At three weeks the little pigs are hungry. If creep feed is not provided they will get into the sow's trough and fill up on oat hulls. Up to 12 weeks of age pigs can stand only a very small amount of roughage in their feed. During this period the feed should contain less than 25% oat chop.

Protein concentrate should be added to the feed at the manufacturer's level. If concentrates are not available, don't neglect to include in the ration one percent of a 50-50 mixture of ground limestone and iodized salt. Cod liver oil, fed at the rate of one teaspoonful a day to each pig, will help to keep them healthy.

Above all, give your pigs plenty of water and green alfalfa. Mr. Charnetski advises. Water with the chill removed should be given to pigs twice a day and alfalfa once a day just as it comes from the stack. It is only the leaves that have feed value so let the pigs do their own selecting. Dry, well-bedded quarters are also very important.

OUR COMPLETE SHORT STORY —

A Matter of Art

By William J. Murdock

"I WON'T join the Bi-Weekly Culture Club," said Emmet Crane. "Why should I?"

"Because you'll make contacts," Mrs. Crane said triumphantly. "You know how important contacts are to an insurance man."

He scowled at his nails while his wife waited hopefully. She considered Mrs. Livingston the town's leading intellectual, and to be associated with her club-wise would be a feather in her cap. Dora Crane couldn't tell her husband that Mrs. Livingston insisted on both husband and wife showing a genuine interest in art and culture either could be schoolized to club membership. Emmet just didn't understand such things.

"What would I have to do to join?"

"Well, the rules say you have to give an original talk on some cultural topic," Mrs. Crane explained. "Now, don't blow up!"

"Ah ca'mon!"

"But you can—at—chest a little, Emmet. All's fair in business. At the last meeting Mrs. Livingston said she would lend a discussion on Italian Renaissance Art next week. All you have to do is go to the library, take a few notes from the encyclopedia, and give a little speech after Mrs. Livingston finishes. She'll be so impressed! Emmet—please!"

Emmet sulked, and Mrs. Crane knew he now clear through her charm.

But she knew he also saw some fat premiums.

"All right," he growled. "What a way to make a living!"

Emmet copied his speech word for word from an encyclopedia and spent three evenings memorizing the stilted prose.

"Are you sure you'll be able to say it convincingly?" Mrs. Crane asked the night before the meeting. "I wouldn't want Mrs. Livingston to suspect that it wasn't entirely original. She's so strict—"

Emmet knit his eyebrows menacingly. "If you're afraid I'll embarrass you, Dora—"

She protested quickly. "I'm sure you'll do just fine!"

She certainly hoped so she and Emmet sat in the last row and heard Mrs. Livingston rap for order.

"Tonight," said the intellectual chief, "I will contribute a few remarks from my own personal journal concerning Italian Renaissance Art." The large chairman launched breathlessly, "has anyone anything to add?"

Mrs. Crane jabbed Emmet. "Go on."

Emmet remained seated, his arms folded.

"Emmet!" Mrs. Crane whispered fiercely. "Please!"

Emmet shook his head.

Dora Crane felt like crying. She suffered through to adjournment, then fairly snatched her recalcitrant husband by the elbow and tugged him towards the exit.

Emmet must have been disturbed by the fury in her white face, for suddenly he jerked her to a stop.

"Wait a minute." He scowled. "Do you really want to join this outfit?"

"It's too late now. Why didn't you stand up and—"

"Wait right here." Emmet said. He strode away, and Mrs. Crane saw him stop at the presiding table. She watched him introduce himself to Mrs. Livingston, saw the chairman's face redden, saw them retire to a corner where they conversed earnestly. Mrs. Crane felt faint. Surely, Emmet wouldn't make a fool of himself before her and spoil their chances for good!

A moment later Mrs. Livingston came over to Dora, seized her hands and shook them warmly. "I'm delighted to extend membership in our little club to you and Mr. Crane," the rangy chairman said through a flushed smile. "No, not a word, my dear." She turned to Mr. Crane. "And I'll expect a call from you very soon on that other matter, Mr. Crane," she said. She moved majestically away.

"You bested her," Emmet groaned. "Not a word. That little talk I had with her convinced her I knew something about Italian Renaissance Art, even if I didn't have the nerve to stand up to meeting and say so."

"And she wants you to call her now!"

"Not a word, my dear," he mimicked.

It was a $25,000 call—the fattest insurance policy Emmet had written in a long time. He never told Dora about it, nor did he divulge that his earnest talk with Mrs. Livingston at the meeting was the result of his disclosure that they had both copied the same speech on Italian Renaissance Art word for word from the same encyclopaedia. Dora might have called the whole thing bribery, but the way Emmet handled it certainly was an art.

Immigrant Laborer Becomes Businessman In Few Months

BRANDON, Man.—John Kreuter, German immigrant who came to Canada as a farm laborer and ended up as a business man, says the country has abundant opportunities for the man willing to work. Just last spring he had only 50 cents. His family of three had barely enough clothing.

Now he is established in a landscaping business. In the busy seasons of spring and summer he sometimes is still need 15 helpers to keep pace with orders.

"We wouldn't go back for all the money in the world," he said in an interview.

Last spring he came to Brandon from a district farm. He had worked there a year, one of the conditions of entry.

Besides his 30 cents, he had a thorough knowledge of landscape gardening gained in a German school and a tremendous urge to get ahead. He realized there was a future for a landscape gardner here and he found a place to get plenty of sod, the basic need for the job.

But he had no money to buy a truck. A bank, without asking security or references, granted him a loan to make the down payment.

For the next six weeks, John, his wife, Ann, and their two small children headed for the nearby Carberry hills to haul sod for the Camp Shilo army base. They worked from 3 a.m. until dusk.

By the end of six weeks, he was far enough ahead to buy a sod cutter and began taking orders in Brandon. From sodding he went to grass seeding and tree planting. As the season shortened he began top-dressing lawns.

John's greatest worry was the winter season when there would be no landscaping. The sale of Christmas trees provided a partial answer. Now he keeps busy cutting and pruning trees.

Mrs. Kreuter for more than six months has been able to devote her fulltime to her home and children, Manfred, four, and Norma, three.

The Kreuters still have language problems to overcome but they are making headway. John's greatest desire is to receive his Canadian citizenship papers.

Itch..Itch ... I Was nearly Crazy

Tasty? Sure, they're MAGIC baked!

GINGER CUP PUDDINGS

Mix and sift twice, then sift into a bowl, 1½ c. unsifted cake flour, 2½ tsps. Magic Baking Powder, ½ tsp. salt, 1½ tsps. ground ginger, ½ tsp. ground cinnamon, ¼ tsp. each of ground cloves and grated nutmeg. Cut in finely 4 tbs. chilled shortening and mix in ¼ c. lightly-packed brown sugar. Combine 1 well-beaten egg, ½ c. corn syrup and ½ c. milk. Make a well in dry ingredients and add liquids; mix lightly with a fork. Two-thirds fill greased cup-cake dishes with batter. Bake in moderate oven, 350°, about 25 minutes, or over each pudding with wet cookery parchment paper, tie down and steam for 25 minutes. Serve hot with vanilla sauce. Yield—6 servings.

Dewberry News

Hazeldine school has won top award in Alberta in the Tuberculosis essay contest for grades 7, 8 and 9. The essay was entitled "An Enemy of a Modern Crusade". They have received for this a silver engraved trophy and $65 cash. This is two years in succession for the teacher James Munro and his students. Last year Mr. Munro taught Deer Lake school when the pupils there won the award.

Dewberry junior high received honorable mention in the above contest being rewarded with a print of a viewmaster and slides. The teacher is Mr. L. Rebryna.

Still on school subjects the writer understands that Mr. Bruce our very capable principal is leaving at the end of the term. Mr. Bruce who has taught here for several years has taken a position with the hail insurance board at Edmonton.

On Feb. 18th the annual meeting of our power line co-op, the Grovenlaws Rural Electric, will be held in the Greenlawn hall. Directors will be elected as well as other business transacted.

The writer understands that the people in the community will have a chance to speak their piece at the meeting. If people are interested in future operations of this hall be sure to attend. The meeting date will be advertised later. Last year this small hall had over 10,000 paid admissions to its picture shows and has pulled itself out of a $3400 red into a nice bank account.

Just so much curling going on that one would go 'nuts' trying to keep up with it. In the Marwayne spiel Fred Braithwaite took the second event and Ralph Lunden won fourth. Ben Timanson got 1st in the 4th event. Winners of the local ladies' bonspiel are carried elsewhere in this issue. At the Clandonald farmers' spiel Frank Bowman won second in the Challenge. Now there are rinks at Elk Point and Lloydminster.

Best wishes for a speedy recovery to Mrs. Monica Carnier after an operation in the Islay hospital.

WORTH SQUABBLING FOR

B.C. would like to annex South ern Yukon and Southern Yukon would like to absorb a chunk of Northern B.C.

"If any further proof were needed of the vast riches of this rugged area, we have it in this new rivalry for its possession," says The Financial Post. "Less than 100 years ago a U.S. secretary of state almost lost his job when he agreed to pay the Russians a few million dollars for a vast chunk of this sort of territory. Only in recent years have we begun to realize the real value of our northern heritage."

Just over 80 years ago the federal government bought from the Hudson's Bay Co. for a million and a half dollars the land that now make up the Prairie Provinces and the Yukon and N.W.T.

Canada's reserves of softwoods used principally in the manufacture of pulp and paper—are the largest in the British Commonwealth.

News Notes From Your District Home Economist

Wonder Fudge

This easy-to-make fudge requires no cooking and is made this way: Mix together 1 package of semi-sweet chocolate pieces and 4 tablespoons of margarine or butter in the top of a double boiler. Add 2 tablespoons of warm water, and one teaspoon of vanilla. Sift 3 cups of confectioners sugar and a dash of salt into a large mixing bowl, and add 1 cup grated coconut. Stir chocolate mixture into dry ingredients and mix well. Press fudge into a 9-inch pan and chill. Cut into squares to serve. Makes about 1½ pounds.

Hints in Shrinking Wool For Sewing

Before cutting, all fabrics used in sewing should be thoroughly brunk. To shrink wool, first straighten out ends by drawing a thread. Fold fabric lengthwise and baste straightened ends together. Wet a sheet completely, wring out excess moisture and fold lengthwise. Place wet sheet on fabric 8 inches from end. Fold fabric over end of sheet and continue folding end-length until fabric is properly rolled. Cover with towel or paper to prevent drying. Leave fabric rolled until thoroughly damp (6 to 8 hrs.) Open roll, smooth out on flat surface to thoroughly dry. Pressing should not be necessary.

Can Openers

Think of efficiency when buying a can opener. Small accessory equipment is too frequently purchased at the dime store. It looks and behaves well when new but does not stand up under continuous hard service. The can opener is no exception. Most can openers that require two hands for manipulation are inefficient. They take a lot of energy to use and they leave a jagged hazardous edge on the can.

A good can opener should remove the cover from a round, square or oval can with minimum effort and should leave a smooth even edge. Openers that fasten to the wall or table edge usually do this. Cutting is done by turning a crank which takes only a moderate amount of energy, uses only one hand and cuts the cover cleanly from the top of the can.

Usually only the flat metal support is permanently fastened to the wall, the rest of the can opener may be removed and placed in a drawer. Some can openers are pivoted and will swing back and lie flat against the wall when not in use.

The cutting blade of the can opener should be sharpened regularly.

VERMILION — ALBERTA

Letters to the Editor

Ottawa, Feb. 10, 1953.

The Editor,
Vermilion Standard,
Vermilion, Alberta.

Dear Sir:

As a result of some complaints that reached me while I was home during the Christmas recess, I placed the following questions on the Order Paper and the answers have been supplied.

Questions

1. Is it compulsory for army trucks and jeeps to carry license plates?

2. If so, are such plates issued by the province in which the vehicles are located?

3. Are army vehicles subject to traffic regulations laid down by the province in which they operate?

Answers

1. It is not compulsory to register army trucks and jeeps owned by the Crown with the Provincial authorities. However, it is considered desirable to register all military vehicles with the province in which they are located.

2. All license plates are issued annually by the province in which the vehicle is permanently located, except in those provinces which issue permanent military numbers.

3. No. However, service drivers are required by departmental regulation to comply with local laws and regulations respecting the conduct of vehicles.

Dept. of National Defence,
Ottawa, Feb. 9, 1953.

I understand that some car drivers were forced into the ditch on more than one occasion by drivers of military vehicles and publication of the information given above may help to prevent this action on the part of military drivers in the future.

Yours sincerely,
Robert Fair,
M.P. Battle River.

Feb. 15th, 1953.

Mr. S. R. P. Cooper,
Vermilion Standard,
Vermilion, Alberta.

Dear Mr. Cooper:

Nearing the end of the 1952-53 Christmas Seal sale, I am writing to you in advance of the official closing announcement, to tell you that we are now almost certain of reaching our objective of $210,000 for the province of Alberta. This will be a notable achievement, especially compared with ten years ago, when the 1942-43 campaign realized only $23,000.

I wish to extend to the Vermilion Standard, to all members of your staff, and to your readers our warm thanks, on behalf of the directors of the Alberta Tuberculosis Association and all our local committees. You have helped us very greatly in placing our messages before the people, and your help has been cheerfully and freely given as a "public service".

Our thanks are due also to more than 100,000 residents of Alberta who have again supported the Christmas Seal sale. All our contributions are free-will gifts. We do no canvassing nor do we publish any committee, therefore we receive very few large donations. We much prefer to have the multitude of smaller gifts that come to us without pressure or the use of "stunt" methods.

Yours sincerely,
Dr. J. F. Berry,
Sec.-Treas., Vermilion Ministerial Association.

THRILLS of the ROARIN' GAME

The "Perfect" Game Might Happen In 10,000 Years

There have been arguments raging for years on this subject but a sports writer has "figured" the possibilities.

To slide-rule expert Ralph (Thermo-to Telegram-) Allan we are still far from the "perfect game."

Allan took time out to figure the odds against a four-man rink throwing a perfect game. He wrote his pencil down to a stub but claims that it's 1 048 576 to 1 against a rink being perfect with the 96 rocks it has to throw in a 12-end game.

Ralph concedes that a top curler of some age to make four perfect shots out of five.

Curling 100 games a season . . . Even a rink as good as the Welcome would be slightly more than 10 000 years old before it turned in a flawless performance. No rink can be curling perfectly when 40 rocks are sent more than one point on any end.

Curlers and curling clubs who desire to obtain long life and the best out of a good broom, should hang or stand the broom up on the handle in the basement, or in cool place with good humidity, and not in the ice section, or building where the broom rock will be constantly subject to frost.

end or permits the other side to score without the help of the last rock."

Don't stand around watching other games, concentrate on your own and your curling will improve.

How would you explain the meaning of "Bonspiel"?

Webster's dictionary gives the definition as "A match or tournament between curling clubs." An older meaning is given as "A formal match of some game." "Bon" is French for good, and "spiel" is German for play.

REMONTON GIRL HOPES DARKEST WILL EXTEND HER LIFE—Pixie-years-old Susan Rutherford is greeted by nurse Pat Heath following her arrival at Hospital for Sick Children in Toronto from her home in Edmonton. The youngster, who has a one-half-inch hole in a partition of her heart, will undergo an operation, which may lengthen her life for a number of years. Her mother, Mrs. George Rutherford, wife of a school teacher, says Susan suffers no pain from her heart condition, but has always been susceptible to illness because of it. She was confined to her home from October to April in bed suffering from colds, measles or other illness. "I'm glad she had no serious illness while school closed. "After that episode," said Mrs. Rutherford, "we decided something must have to be done, hence the trip to Toronto."—Central Press Canadian.

Plant Scientists Working To Develop Rust-Resistant Grain

WINNIPEG.—A few potted plants at the University of Manitoba some day may be worth millions of dollars to North American grain growers and may sidestep a serious threat to the Prairie economy. Plant scientists, in three separate laboratories, are working to develop a new grains capable of resisting rust, a malignant fungus menacing. Rust is borne in spore form by strong air currents from breeding grounds in Mexico and Texas.

The scientists' work is a never-ending race against time with the prosperity of the West the prize.

Rust each year bites into its head and barley, major dollar-earners for Canadian world markets. Like some diseases and insects, it has the ability to gain strength and break down previously resistant grains. The last out scourge is Race 15B which first appeared in the early 1940s. No 15B-caused grain is able to withstand it.

Plant scientists here believe they have found a decisive answer to 15B —a new wheat variety known as "CT 186" and a new malting barley called "UM 1038".

The wheat, produced by the federal laboratory of cereal breeding, is not expected to be licensed until next year. The barley, expected to be licensed soon, was developed by the university's plant science department.

Both varieties are resistant to disease with the federal laboratory of plant pathology on the campus.

Great patience and time are required to produce a new grain. Countless crossings and 12 years went into "UM 1038". Many months must pass before seed can be produced.

The rust battle starts when breeders select various traits necessary in a new grain. Scientists know where they can get them (native grasses, sometimes in a barely grass, and the problem becomes one of crossing plants and waiting for results.

Some grains are planted in experimental plots at any of the 15 testing stations in Western Canada. In winter they are grown in greenhouses. If seed is available, it is sent to California or Arizona for an extra winter crop.

The time spent waiting for generations to grow is the most serious drawback in experiments. Then there are the many different qualities which must go into a grain.

A new wheat, besides being able to

Cut oblong into 2 lengthwise strips to within an inch of one end. Braid strips, and tie ends and tuck them under braid. Place on greased cookie sheet. Brush with Cream and let rest until doubled in bulk. Bake in a moderately hot oven, 375°, about 30 minutes.

3. CHEESE BRAID STICKS

Cut a quarter of a batch of dough into 12 equal-sized pieces and roll, one at a time, into strips about 7 inches long. Brush strips with water and roll lightly in cornmeal. Place, well apart, on greased cookie sheet. Bake in a moderately hot oven, 375°, about 15 minutes.

—By Chuck Thurston

Alta. Pensions Payable Even Outside Province

EDMONTON. — Welfare Minister Leonard Halmrast announced that Alberta will continue to pay its $10 a-month old-age supplementary allowance to eligible pensioners who take up residence in other provinces.

Hitherto pensioners leaving the province have lost the allowance paid as a supplement to federal old-age pensioners who can pass a means test. Mr. Halmrast said the change was put into effect Jan. 1.

ABSENT SHOOTERS

PRINCE ALBERT, Sask. — Bookings at hockey games here have become such a problem that civic officials decided to have Mints arena patrolled by uniformed police and firemen.

MORE EGGS SOLD

REGINA. — Nearly 2,000,000-dozen more eggs were sold in 1952 through registered grading stations in Saskatchewan than in 1951. Last year the stations handled 13,380,000 dozen eggs.

Do You Know That . . .

The human heart beats on the average of about 104,000 times a day? The heart pumps 4,229 gallons of blood a day.

Why is it best? Quality.

3 different Cheese-flavored Treats from One Basic Dough!

Clever one-cover trick with FLEISCHMANN'S YEAST!

One dough—one oven—three kinds of flavor-thrilled baking! It's easy to be a whiz when you use Fleischmann's Fast Rising Dry Yeast. Rising so sure, so fast—results so light and appetizing! Try Fake at home. Be sure you have plenty of Fleischmann's on hand.

BASIC CHEESE DOUGH

Scald
½ cups milk
2 tablespoons granulated sugar
2 teaspoons salt
2 tablespoons shortening

Remove from heat and cool to lukewarm. In the meantime, measure into a large bowl

¼ cup lukewarm water
1 teaspoon granulated sugar

and stir until dissolved. Combine with contents of

1 envelope Fleischmann's Fast Rising Dry Yeast

Let stand 10 minutes. Then stir well. Stir in lukewarm milk mixture.

Stir in
2½ cups once-sifted bread flour
and beat until smooth and elastic. Stir in
1½ cups (eighty-packed) shredded old cheese

Work in
2½ cups more (about) once-sifted bread flour

Turn out on lightly-floured board and knead (dough lightly until smooth and elastic. Place in a greased bowl and grease top of dough. Cover and set dough in warm place, free from drafts, until it has risen to double its bulk. Turn out dough on lightly-floured board and knead lightly until smooth. Divide into portions and finish as follows:

1. CHEESE LOAF

Roll out a batch of dough into a half and fit into a greased bread pan about 9½ by 5½ inches. Grease top. Cover and let rise until doubled in bulk. Bake in a moderately hot oven, 375°, about 45 minutes. Cool loaf with brown paper during loose part of baking to avoid hard, browning too brown.

2. HARLEQUIN BUNS

Roll out a quarter of a batch of dough into an 8-inch square on a lightly-floured board. Brush dough. Spread with ½ cup mayonnaise and sprinkle with ½ cup chopped pimiento. Roll up jelly-roll fashion and cut into 8 slices. Roll out into an oblong ½ inches long and 2 inches wide. Grease dough.

Why Ethelwyn Has Not Been Reporting

Ethelwyn has been a regular correspondent for the Standard for many years, but has been unable to write for the past few weeks because of illness. She is now recovering and hopes to be able to resume her duties shortly.

Ethelwyn News

To all of our old friends who have gone for the winter, to enjoy warmer climates, we are still having a very mild winter with little snow. Cars are running on some side roads that the snow plow has never been on this winter.

We extend the sincere sympathy of the district to Mr. and Mrs. Alex Goldsmith on the loss of their small son. It is hard to understand God's purpose when one so young is taken. May He bring comfort to the sorrowing parents.

Sympathy also goes to Mrs. Stonehouse and family who have had to give up a loving husband and father.

The annual school meeting at the Rye school was well attended, although several old faithfuls were missing. Various subjects were discussed and settled to the satisfaction of all present. Mr. Henry Carlton was returned as trustee by acclamation. Coffee and cookies were served which added to a very pleasant afternoon.

Kevin O'Rourke has left for Golden, B.C., where he will operate a cat tractor.

Four young ladies from Vermilion assisted by Mr. Vogel of Kitscoty conducted services last Sunday in the United church at Clandonald.

Report of School Div. Trustee As Given At Annual Meeting

PUBLISHED BY REQUEST

At the annual meeting of sub-division 6 of the Vermilion School Division held in December the following report was given by the town representative on the board, Mr. Ashley H. Cooper. A motion was passed on that occasion asking that it be reproduced in the Standard. While it has taken some time to accomplish this, as the report reviews school matters for the year 1952, it is still quite timely and will possibly prove as interest to those who were not present at the annual subdivision meeting and are interested in educational progress and problems in the town.

"I feel that the past year has been one of decided accomplishment as regards your schools in subdivision 6, a year which has defined the pattern to be followed in our educational system for some years to come.

In the following remarks which I narration "We" or "I," I include the local school board who are still called upon to make all of the decisions relating to the policy of the Vermilion town schools: the divisional officials on whom a great amount of the detailed work of the schools, falls; and the divisional board itself who are called upon to give their official sanction to local plans of a major nature.

The accomplishments to which I refer are:

Primarily, the construction of our new junior high school which I will dwell on later at greater length;

Secondly, after many years of effort we have been able to offer household economics and shop work to grades 7, 8 and 9 this fall, and in the spring to grades 8, 9 and 10, as the V.S.A. with the much appreciated help and co-operation of the college principal and teachers concerned. The classes are being taught in the classrooms at the college by their regular home economics and shop teachers before the V. S. A. term opens in the fall and after the term closes in the spring. This culminates efforts of local boards and divisional officials extending over several years. We are very pleased with the reaction of the pupils and are hopeful that the plan will prove so successful that our problems regarding the teaching of these vocational subjects will be solved. The

rounded with golden brown potatoes and colourful vegetables; boiled fish with a tasty, colorful sauce. fish salads: fish scallops; fish chowders — there's no end to the variety one can have with this wholesome Canadian food.

Fish and sea foods are good and good for us, says Miss Joyce Lewis, Nutrition Specialist, Alberta Dept. of Agriculture. Like meat they are high quality protein foods with valuable vitamin and mineral content. With care in purchase and cookery, fish of all kinds can be most appetizing foods.

Mannville Co-Operative Association Holds Annual Meeting

MANNVILLE.—On Feb. 2nd the annual meeting of the members of the Mannville Co-op Association (U.F.A.) was held in the parish hall, Mannville.

The meeting was well attended considering the road conditions in many places.

Mr. R. R. Fanning acted as the chairman and Mr. A. J. W. Scott as secretary. Mr. Russ Sparling of Edmonton was the guest speaker, representing the Alberta Co-op Wholesale Assoc. Ltd.

The routine business of the Association for the year ending De- 31, 1952, as reviewed and a very keen interest was shown by the attending members in the operation for the past year.

Mr. Sparling showed two films, one on the production of flour from the time it was harvested to the time it arrived in the retail Co-op store for sale to the patrons.

The film was in fact a full length film of a travelogue covering the highlights of Alberta Scenic Grandeur, Farming Operations and Industrial Production.

It was felt a very informative and enjoyable time was had by all.

Claysmore Clippings

Mrs. R. Williams gave a birthday party for her daughter Marilyn on Wednesday afternoon Feb. 11th and a very nice time was enjoyed by the young friends present, playing games, lots of good things to eat, and a lovely birthday cake with six candles on it. Congratulations Marilyn on a happy birthday.

The sympathy of the district is extended to Mrs. R. Weyerstraten who was bereaved last week by the death of her father who lived near Myrnam.

The Claysmore Community Society held their annual meeting Feb. 11th at 8 p.m. at the school. 13 members were present. The new officers installed were J. Willes, president; R. Bauer, vice-president; R. Williams, sec.-treas.: Entertainment committee—Mr. and Mrs. J. Kreller, Mr. and Mrs. J. Willes and R. Williams; board of directors — J. Van Nest, J. Willes, F. Krushansky, H. Williamson and L. Kreller. It was agreed to do some repair work around the school and grounds later on. The next meeting will be held March 11 at 8 p.m.

Mr. and Mrs. George Wickham were visitors at the home of Mr. and Mrs. Allen Olmstad Saturday afternoon and evening.

Mr. J. Livingstone has spent several days in hospital but is now much improved in health. He will soon be home again.

Mr. and Mrs. F. McCauley and family were Sunday visitors at the home of Mr. and Mrs. Tom McCauley.

Donna and Berry McCauley attended the card party last Saturday held at Hamilton school Friday evening last. They report a very enjoyable time and Donna was pleased as she won first prize at cards.

The pre-school children of the district were invited to the grade 1 Valentine party at Marsville Friday afternoon. Most of them went by school bus in the morning and spent a wonderful day. They had much to tell their mothers of the first day at school, the party and the lovely valentines they received from their friends.

The ladies social club meeting was held at the home of Mrs. J. Willes on Wednesday evening Feb. 11th with several members present and two visitors. Roll call was answered by a 'cure for the blues'. Blocks were turned in for a dark quilt to be donated to the needy in Korea. Remnants of flannelette prints and wool were given to the members to begin work on other articles for the fall bazaar.

It was decided to ask Miss Shirley Helms, district home economist to visit the club at the April meeting and to give a talk on home decorating, also ideas for fall bazaar work.

After a busy afternoon everyone sat down to a most enjoyable lunch served by the hostess Mrs. Willes. The next meeting will be held at the home of Mrs. Joe Bauer on March 11th.

Kitscaty News

Best wishes for a speedy recovery go to Messrs. Harry Hight and Reg France who are patients in the Lloydminster hospital at present.

Misses Eleanor Jack and Sheila McCuaig spent a few days at their homes here last week while the Edmonton teachers' convention was in session.

Mr. and Mrs. A. C. Lindell, Mr. and Mrs. Ronald A. Lindell, Miss Rita Pidcock and Bob Howlett all of Edmonton attended the funeral of the late Mr. James Brown on Wednesday Feb. 11th; Mrs. Lindell and Bob Howlett spent the rest of the week visiting relatives in town and district.

Mrs. R. M. Mathewson spent the week end in Edmonton with Mr. Mathewson and their families.

Be sure to keep Feb. 25th open and come to the 'Amateur Night' and dance in the Kitscaty town hall, at 8 o'clock, sponsored by the Kinnaird school children. All entries should be phoned to 8911 or write Marschall Wynnichuk R R 2, Killarney.

The Northern Hardware Company, Limited — Vermilion

Mannville Local Items

March 2nd is the date of the election in the village. Mr. J. Moslin and Mr. Maurice Mercer are contesting the vacancy on the council.

Miss Sharon Bodard was home for the week end from Edmonton.

Mr. John Allen was able to return home this week after a stay of about 13 weeks in the hospital.

Mr. A. McInroy is spending a holiday with his brothers here. Mr. McInroy has been living in Edmonton for quite a number of years.

Mr. and Mrs. J. Dowicki of Edmonton were visitors last week at the home of the latter's parents Mr. and Mrs. E. Hubbard. Mrs. Dowicki is remaining here for a few days.

Mrs. Rose Leitch was an Edmonton visitor last week end. She returned on Sunday with Mr. and Mrs. Bert Williams. Mrs. Williams is remaining in town for the ladies' bonspiel.

The ladies' bonspiel got underway on Tuesday night. There are nine outside and 11 local rinks entered. Each has four rinks here skipped by Mrs. Caron, Mrs. Calvert, Mrs. Corley and Mrs. Williams. Minburn rinks are skipped by Mrs. Wagner, Mrs. Lund and Mrs. Kuhrt; Mrs. Staden of Buffalo Coulee and Mrs. Wilson of Chauvin are the other outside entries.

Jack Coxford is attending the L. H.C. convention at North Battleford where the new L.H.C. decorated refrigerators are being introduced.

Donations Asked To European Flood Relief

SUBSCRIPTION LISTS AT VERMILION TREASURY HQ.

The Canadian Red Cross Society is undertaking to assist in efforts to aid the unfortunate victims in the flooded areas of Western Europe. Cash donations are urgently requested and there is an urgent need for bedding, clothing and shoes. No used clothing is being accepted as this entails too much delay for sorting, packing and assembling.

300,000 people have lost everything in the floods while 1,000,000 people are in the distressed area.

In Vermilion subscription lists are passed at the Treasury Branch and Canadian Bank of Commerce. Our local branch of the Canadian Red Cross has made a donation of $50.75 from collections made at the Government Liquor store, and the executive of the Boy Scouts Association is planning a canvass of business places in the town.

On Saturday, Feb. 14th the Boy Scouts will take collections on the streets when flags will be sold. The Girl Guides, Cubs and Brownies will conduct a house to house drive.

The Vermilion Branch of the Canadian Legion has donated $50 to assist our unfortunate neighbors.

Let us give generously, remembering in our fortunate surround ings those who have met such great losses.

Lots of Oil Wells

The Canadian oil and gas industry completed drilling wells at the rate of nearly five daily during the first month of 1953, as 153 wells attained their final answer in the four west, even provinces. Approximately 3 out of 5 wells resulted in commercial oil production, or a total of 93, while 8 were gas wells and 52 were dry.

More than 65% of the Canadian drilling is being done in Alberta, where 101 wells were drilled in January. Nearly three-quarters of these ventures were drilled in the development of already proved or semi-proved oil and gas regions (71 wells in all, resulting in 52 oil, 4 gas and 18 abandonments). The remaining 27 January completions were punched down in exploratory areas, searching for new oil and gas bearing structures in the west. Seven of those wildcat and step-out tests gave up oil in indicated commercial volume, while four found untested gas and 19 were dry holes.

MORE MONEY THAN EVER BUYS THE BIG VALUE CAR IN THE low-priced field

You've seen them all.
Now let's get down and talk Value! Plymouth is outstanding in many ways:

BALANCED RIDE
Now truly balanced suspension controls roll, pitch and bounce ... levels the road three ways ... gives you the softest, steadiest, most restful ride you've ever experienced.

BALANCED VISION
With 19.7% more glass area, you get all-round, clear-in-vision. New one-piece optics*-curved windshield minimizes windshield glare. Combination glide-by windshield wipers provide larger clear space directly in front of driver.

BALANCED STYLING
The new Plymouth is lower, sleeker, more beautiful, yet offers more head room. There is over 6 inches hip-room for rear-seat passengers.

BALANCED BRAKING
Plymouth has two independent braking systems, and where other low-priced cars have but one hydraulic system to cash front brake, Plymouth has two ... giving you unbalanced control—the exact amount of stopping power you want.

BALANCED POWER
The Plymouth 97 H.P. engine has all the punch and speed you need—plus the fuel economy of high-weight Aluminum-alloy, 6-ring pistons. You get long mileage—long life . . . trouble-free performance.

BALANCED STEERING
Plymouth's shock-proof steering is positive, accurate because of the new suspension system and true balance of tire, car. Parking and steering are easier.

MORE THAN EVER, THE '53 PLYMOUTH IS ARE THE TOP VALUE IN THE LOWER-PRICED FIELD

RESERVE ARMY

'A' Coy of The Loyal Edmonton Regiment was in full force Thursday. Parade was formed by CSM. Moore and Capt. Roy inspected. After f-rank Off' all ranks retired to the lounge where two very interesting films were shown.

The "True Glory" was the first film and is really a picture of outstanding worth. The second "The Infantry Platoon in the Attack" was a very enlightening training film.

V.S.A. Play Night Saturday, Feb. 21

The Vermilion School of Agriculture is presenting a night of entertainment consisting of three one-act plays on Saturday Feb. 21st at 8:00 p.m. in the school auditorium. Everyone is welcome. 32x

NEWS from ISLAY

Mr Donald Millward was out at Nakusp! The bad the worse dept.! give you his. Our school pupils have been having one grand and glorious month of bonspiel. You just should have seen Gerry Maire sending the rocks down the ice and Billie Pot his sweeping, he could just about double the broom — and Keevy Gunn! My but the ice did shine after his sweeping! Who was so interested in the lads curling? Why Lila and Bill, they even turned round on the way to Vermilion to return to the rink to watch the wind up of one game. Good sports! I'll say! The [illegible] surely wished up an appetite. The way those hot dogs disappeared was magic.

Now the adults bonspiel is well underway, by the end of the week will be finished and there is excite ment aplenty—chores are being forgotten—some pigs will go to bed hot with a bread bun streak in them!

Mr. and Mrs. Bill Shaw, also Mrs Fyfe have returned after a week in Edmonton.

The educational and social committee did us well with a combination of the two at the Cowboy home.

This was the second educational meeting of the year and this time 19 girls learned a few things about First Aid. If you speak an unkie say Sagevis can make you comfortable. If there is anything the I we don't know offhand we can soon find out for 'it's in the book', and if that doesn't work we'll holler for Kay Brix. Many thanks to you Kay for giving up your time to be with us and I'm sure we all gained a few pointers that we'd long since forgotten or never did know. We found out that Betty has a jumpy pulse. Where did Barb disappear to? Don't tell, but I've heard that she has a weakness of heart too.

Oh Vivian, we'll need that address of yours. Some of the hospitals, etc., don't need our collection of old greeting cards so if you can hand up the address you had we can get our assortment away next meeting. Wednesday Saturday, Feb. 21st — Brena and Sophie.

Next meeting Feb 24th — see you in the club room.

Traffic Accident

An accident on the street in Islay this week surely tells one he needs insurance of all kinds on that car or truck, as well as on his own life. A truck backed into Mr. Beck's car, breaking the windows and door. Albert bent down in time to miss being hit, but was showered with broken glass. Think we were a parking square in Islay—could use some of the wood the lots if the rubbish was cleared off some.

Light ladies met at the church last Thursday and a lovely quilt was tied.

Funeral Services For Ray Goldsmith

Funeral services for Ray Goldsmith, young son of Mr. and Mrs. Alex Goldsmith of Chauvin, who passed away on February 7th, 1953, were held on Tuesday, Feb. 10th at 2:00 o'clock from the United church, Vermilion. The Rev. Buchhop, pastor of the Lloydminster Lutheran church, Missouri Synod, officiated. Interment took place at the Vermilion cemetery.

The pallbearers were Richard Osinchuk, Charles Lovell, Colin Trost, Eddie Pratt, Terry Ward, Ivan Ivchen and John Conway, all of whom were young friends and playmates of Ray.

Beautiful floral tributes were received from:

Mummy and Daddy; Grandma and Grandpa; Uncle Donny and Auntie Joan; Uncle Harry and Auntie Arla and family; Uncle Clarence and Auntie Linnea and family; Uncle Harry and Auntie Olive and family; Uncle Dick and Auntie Dorothea and family; Uncle August and Aunt Emilie and family; Uncle Rudolph and Auntie Dorothy and family; Uncle Ottomar and Auntie Lola and family; Aunt Edna, Marvin and Clifford; Uncle Harry, Aunt Mabel and Uncle Paul; Aunt Ella and Uncle Sven; Aunt Ila and Uncle Max, Norman and Edna and Ted sy; Gerald and Leona and Penny. Harold and Helen and Jimmy; Floyd and Lois and family; Albert and Anne and family; Doug and Mary and Terry; Maiorer Family. Mike and Martha and family; John and Annie Trach and family; Billy and Susan; Mr. and Mrs. Heineman and family; Mr. and Mrs. Ballard Gond; Mr. and Mrs. Quick and Allen; Mr. and Mrs. R. Protsen and family; Frank and Mildred and Darrell Molinyux; Mr. and Mrs. Mike Trach and family; Steve and Ethel and boys; Phil and Theresa and girls; Mr. and Mrs. S. C. Heckbert; Mr. and Mrs. Clark and family; The Etherington Families. Marquis, Bridget and Marian Tobyc. Dennis Waltz and family; Katie and Beryl; Mr. and Mrs. W. Lovell and family; Tom and Beulah and family; Clandonald Community; Tom, Eunice and girls; George Blunette and family; Mr. and Mrs F. N. Molineux; Mr. and Mrs. F. Netrelton and family; Telegraph school teacher and pupils; Mr. and Harry Dennill; Wilfred and Elsie Little and family; Mrs. A. Osinchuk, Herne and Willie. Mr. and Mrs. Stanley McCrae and family Mr. and Mrs. Polewchuk, Lorraine and Archie.

Donations to the Cancer fund

Mr and Mrs. J. C Grant and girls; Mr. and Mrs R. Burns. Mr and Mrs. J. T. Johnson

Donations to Crippled Children's fund: The Grant Family; Mr. and Mrs. Fred Douglas Sr.; Gladys and Perelle Douglas.

Donations to the Cemetery fund Billy and Leona McLaughlin.

Crippled Children's Fund: In loving memory of Ray Goldsmith Billie and Susan Good, Mr and Mrs Peter McMaster, Harold and Alice Schoonmaker, Gordon Malonek, Mr and Mrs. Ernie Lawrence, John and Annie Tanchuk and family; Mr and Mrs. Allan MacDonald and family Mr. and Mrs. Harry Brake and family, A Convey, Ed Stockwell and Eileen, Frances Joemack, Hazel and Matt Kasla, Mr. and Mrs C. R. White, Mr. and Mrs. Fred Goddard, Mr. and Mrs. R. L. Good and family, Mr. and Mrs. P. Convey and family, Pearl, Alex and family, Mr. and Mrs. Ed Toner, Mr. and Mrs Geo. Convey, Michael Brodbin, Mr and Mrs. George Broadbin, Mr and Mrs. N. Dewey.

Ray was born at Vermilion on May 3rd, 1946. He leaves to mourn his loss, besides his loving parents, his paternal grandmother and grandfather of Edmonton.

Mowers were in charge of the funeral arrangements.

CARD OF THANKS

We wish to express our sincere thanks to Dr. and Mrs. King, Miss Krith, the nurses, our many friends for their kindnesses, flowers and memorial donations shown us in our recent bereavement

Alex and Margaret Goldsmith.

Pleasant Valley

The weather is a little cooler this week but the sun is so nice and bright—spring is just around the corner.

Hello Nora Bonaghan, we heard that you were home to sunny Alberta again. Come and see us, the roads are open.

Mrs. Gillies is spending a few days with the writer.

Church service was held at the home of Mrs. Clark on Sunday where 13 attended. What happened to the Sherwood and Jones families, we missed them. The next service will be held at Gordon Gould's.

Doreen Gould and children spent last week in Vermilion visiting her parents Mr. and Mrs. Shaw.

Supper guests at the Potvin home on Sunday night were Mr. and Mrs. French from Vermilion. Gordon and Doreen were supper guests at Annie's.

We were sorry to hear that Mrs. Ken Reid's mother passed away. Lloyd did the chores while they were away.

How do you like your new truck David?

Leonard Cline visited his sister Margaret at Grimshaw for awhile recently.

Some of the mealsilk attended the livestock meeting on Friday in town.

Mrs. Cummings and Mrs. Cameron visited Mrs. Jim Gould last Sunday.

Mr and Mrs. Bothwell were supper guests at the McFayden home on Valentine's night, it was Marion's birthday. Oh, Oh, should I tell how old? Is it sweet 17?

The flowers are lovely these days enjoying the warm sunshine. So glad to see Woodvale scribe had such good luck, they must be lovely too. I have white hyacinths, pink and blue, daffodils and tulips, there are quite a few. Mrs. Deidely's daughter Rose sent ther some snowdrops, she said they were grand — It's a joy to see all the blooms reminding us of spring ,when very soon we will hear the robins sing!

Legion Notes . . .

Several more old timers have come in with their membership dues. Some of them skipped a couple of years but they are in good standing again now. What about the veterans of World War 2? We would welcome you here at the Legion, there are some two war veterans who do not belong. How about it fellows?

The next regular meeting will be held on March 6th. It is planned to have Lieut.-Col. Max Wynn, Vice-President of the Provincial Command to conduct the Initiation ceremony at this meeting. Already we have eight new members to initiate, including two ex-service women. All ex-service men and women should get an application for membership and get in on this big initiation ceremony.

President Martin has just received word of a Zone meeting called for Friday, Feb. 27th to be held in the Legion hall, Vegreville. The Rev. Dean John Anderson, M.C., first vice-president of the Canadian Command R.E.S.L., will be the special speaker. This is Dean Anderson's first visit to this area and it is hoped that there will be a big turnout from this branch to meet our first vice-president. This is a social evening and all servicemen and their wives are invited to attend. Let Geo. Martin or E. H. Buckingham know if you plan to go so that car arrangements can be made in good time.

At the recent regular meeting the branch voted to give $50 to European flood relief. It was agreed that this donation would be in lieu of a party planned for Holland immigrants in this district. Dutch immigrants in this area please note that the branch felt that you would all agree that the donation to relief funds would meet with your approval in place of the proposed party.

How many who read this were at Crowna, Dixonville, Vermeer, Dickebush, Vimy Ridge, Cumbral, etc.? If so you ought to read the Legionary.

Veterans may not know that medals lost by theft, fire or similar circumstances are replaced at a very small fee. Let your secretary know if you wish to apply for replacement.

Several citizens turned in some magazines for the troops in Korea after our request last week. We still need more. Reader's Digest and paper covered novels are the best to send over there.

DOUBLE SPACING in all typewritten articles for publication!

Millions in the Middle

Comparing the latest taxation figures 1952 with 1941 there is a smaller percentage of total taxpayers at the bottom, and fewer at the top and more in the middle income. The Financial Post.

This 'leveling' process is even more apparent after the high progressive income tax and social security are counted.

I has important economic and social consequences for Canadians.

Mass demand gives confidence to the goods of large scale production: cars, refrigerators, appliances of all sorts. And the quality distinctions are reduced. The office boy's Sunday suit looks a lot like the prime minister's.

The guilt between rich and poor is lessened. The idea of a class struggle itself has been made obsolete. No one claims he's on the bottom any more.

Also Board of Grain Commissioners, Winnipeg

FARM UNION DELEGATION TO MEET WHEAT BOARD

Arrangements have been made for a delegation representing the three Prairie Farm Unions to meet the Board of Grain Commissioners on Feb. 23rd and the Canadian Wheat Board on Feb. 24th. These meetings will be held in Winnipeg.

At these meetings the Union representatives will discuss with the respective Boards, matters of policy and administration in regard to grain handling, grading and marketing, acreages etc. The viewpoint of the Unions on various aspects of these problems will be presented by a delegation headed by Mr. J. L. Phelps, chairman of the Interprovincial Council of the Farm Unions, and President of the Saskatchewan Farmers' Union. He will be supported by members of the Alberta and Manitoba Union executive. In the Saskatchewan Union is sending a number of union officials from each district as observers.

The annual Interprovincial Conference of the Farm Unions will be held in Alberta this year immediately following the Calgary Stampede. Interprovincial sessions are being made to hold this event in Calgary on July 13 and 14. It is expected that members of national and international importance will be present and a large turnout of farmers from the prairie provinces is anticipated.

On Feb. 6th the resolutions of a provincial nature passed by the annual convention together with those from the recent Board meeting were presented to a committee of the Provincial Cabinet headed by Hon. D. Ure, Minister of Agriculture.

In all some 78 resolutions were presented and a free exchange of views took place.

While the discussions were amicable and on a high plane, most of the Cabinet members present maintained their tough and uncompromising attitude toward some of the main proposals of the F.U.A. Evidently the F.U.A. must develop further strength in order to get satisfactory action.

Immigration in '53

The immigration goal for 1953 will likely soon be set. And it may be for around a minimum of 150,000 new settlers, thinks The Financial Post. Let us hope that that is just the minimum. Last year, with some restrictions in force, 165,000 immigrants arrived.

Many have feared that the restrictions applied last year meant a closed door policy, that this country was going to follow to some extent the present immigration policy of the United States.

If the minimum goal is set at 150,000 for this year, with the hope of many more, these fears can be somewhat relieved.

Paradise Valley

Well, the big high school hospital is all over for another year and we find in the finals between Lone Rock and P.V. that Lone Rock came out the winner. In the second event it was between McLaughlin and P.V. and again P.V. had to be satisfied with a second.

On Sunday the Edgerton Junior hockey team made the trip to P.V. to take on the locals. A good game of hockey was dished up but the locals had too much on the ball and won by a good margin. Wednesday our boys made a return visit to Edgerton and again proved the winners. We understand that a third game will be played Sunday on the local ice between the same teams. Rayson has brought his team along in fine style and if they stay together for a year or so will be a team to be counted on in any game.

The town hospital sponsored by the farmers got underway Saturday. Nine rinks are taking part.

The weather still keeps good for which we are truly thankful. Here it is the middle of February and very little winter yet. When we read about the terrible conditions in Europe we have a lot to be thankful for in this part of the world. We complain about the weather but we wonder what we would do if we had to face the conditions they are experiencing.

Mr. and Mrs. W. P. Davidson and Mrs. Guy have returned from Edmonton where they spent a week. They bring word that Mrs. B. White a former resident of Paradise Valley is quite ill. Her many friends in this district regret to hear this.

The World of Wheat

By H. G. L. STRANGE
Director "The Crop Testing Plan"

Distribution of Varieties

The distribution of the different wheat varieties in the West has just been published by the Searle Grain Co. in their annual survey entitled "Distribution of Varieties".

Thatcher is still the most popular variety, and has somewhat increased its yield over all other varieties from 62.5% of the wheat acreage in 1952 to [illegible] of the acreage in 1952. It [illegible] crop from Thatcher down to the new most popular variety which is Reactc, but which occupies only 9.11%. 3rd place is now occupied by Redman with approximately 6% of the acreage. Marquis, which once covered over 65% of all the wheat acreage in the West, now occupies only 4.18 per cent of the wheatland. Saunders is now in 5th place and seems to be quietly increasing each year, particularly in Alberta. It is surprising to find that Garnet still holds on with just over 2% of the acreage. Red Bobs, which once was the leading variety in Alberta, now occupies only 0.71% of the acreage and is rapidly being replaced by Thatcher and Saunders. Everyone, of course, is waiting for a new wheat variety that will rival I.S.H. Should this be found, then this new variety will displace Thatcher just as quickly as Thatcher displaced Marquis.

THE VETERAN'S LAND ACT

The Veteran's Land Act has been in effect for ten years and 29,000 ex-servicemen have been established thereby. They cultivate 6 million acres of land.

From 1915 to 1951 Americans invested $521 millions in the Canadian oil industry, while Canadians invested $406 million. Canadians now own 47% of their oil industry, U.S. residents own 52%.

Girl Guide and Brownie CORNER

We were so surprised to find our turn had come around again to give our news.

We were delighted to receive the parcel from the girl scout troop in Pacific Grove, Calif., consisting of shells, rocks, post cards etc. in return we hope to send them something of interest from Canada, thus strengthening the ties of friendship that binds the Guides and Scouts throughout the world.

The day we had been looking forward to finally arrived this last Tuesday, Feb. 17th when 14 guides were enrolled and took the guide promise, we were pleased to welcome over Pearl and Mrs. Shelliter to that meeting.

The big item on our agenda is our Guide tea to be held in the Legion hall Feb. 24th from 2:30 to 5:30 p.m. Mrs. E. Clendenning, our lieutenant, is convening the tea. We look forward to a good turnout of families and friends.

As mentioned in last week's Standard our annual Thinking Day church parade will be held in the United church for the Scouts, Cubs, Guides and Brownies.

We wish to thank you for your splendid co-operation of the correct effects of the Scouts, Guides, Cubs and Brownies for the flood relief fund on Saturday, Feb. 14 which netted the total sum of [illegible]

Bowtell Bulletin

Congratulations and all good wishes to our newlyweds Mr. and Mrs. Robert Repp who were married in Edmonton on Feb. 14th by Canon Teape.

Lacy Maggs was one year old on Feb. 10th.

The writer and husband were visitors Wednesday at the Knutson home. It is hoped that a trip and visit at the coast will result in improved health for Mrs. Knutson.

Nora Ronaghan has returned home from spendings the winter so far travelling and visiting in the States. She paid an enjoyable visit to Mrs. Joura Monday evening.

Local News of Interest

Mr. and Mrs. Cavil 67 Years Married

Mr. and Mrs. James Cavil of Vermilion, Alta., observed the 67th anniversary of their wedding on Monday Feb. 16th. Mr. Cavil is 93 and Mrs. Cavil is 87. They have lived in Vermilion and district for the past 66 years. The following poem written by a Vermilion friend, was presented to them on their anniversary:

On Your 67th Anniversary
On speedy wings, to other y'ar
Has somehow gone its way
And now again you celebrate
Your far off wedding day.
To very few the Powers grant
The time that you have shared.
How deep must be your gratitude
That you have so been spared.
Although one's family and one's friends
May share the joy or woes
There's no one else that fill the place
Of the partner that you chose.
So today, congratulations
On a partnership so blest
May the next year be for both of
The happiest and best.

The High School Bonspiel Winners

Winners of the high school bonspiel held Saturday were:

Grand Challenge

1 — Skip Jim Adam, 3rd, Anne Stewart, 2nd, Noreen Dougan, lead, Gerald Marshall.

2 — Skip Herald Roebuck, 3rd, Geo. Gow, 2nd, Eileen Shattuck, lead, Mildred Scarfe.

Secondary

1 — Skip Stewart Cooper, 3rd, Betty Beniuk, 2nd, Ray Armstrong, lead, Peggy Stephens.

2 — Skip Danny Kosanovitch, 3rd, Don Stewart, 2nd, Verna Maggs, lead, Anne Richardson.

Prize for the biggest end scored went to Stewart Cooper's rink.

Pee-Wees Lose At Lloydminster

Vermilion Pee-Wees lost 8-2 at Lloydminster Monday evening, with Wayne Ireland assisted by Coyne, and Brian Ford scoring the local goals.

The Pee-Wees wish to thank Dr. Stephens, Freeman French, Lyle Robinson and Roy Watkins for supplying cars to take the boys to the Border town.

Bob Allan Attends Family Re-Union At Cullen, Scotland

Bob Allan returned last week from attending a family re-union at Lintmill Cullen, Scotland. The weekly newspaper serving the area is the Banffshire Advertiser and the following story was carried in its news columns along with a picture of the family group of seven.

"This family group, taken last week at The Clint Cullen, marked a happy reunion of the family of the late Mr. and Mrs. Charles Allan who lived at Lintmill Cullen.

Almost 45 years had passed since the four brothers and three sisters had been together. Left to right the photo showed George Allan, the eldest, 83, a hotel manager he returned home for health reasons last year after being 28 years in Newfoundland. He commenced his working life as a baker in Cullen and was a sailor for 12 years before emigrating.

Charles, aged 50, is a resident of Victoria, B.C., he has been in Canada for 30 years and this is his first visit home.

Robert, 52, is an inspector of the Department of Public Welfare at Vermilion, Alberta. It is 32 years since he went abroad but he was back in the Old Country 12 years ago while serving overseas with the Canadian forces.

Jimmy is the lad who stayed home. A member of the Scottish North Eastern Counties Constabulary, he has been stationed in Moray shire for the past 28 years. He is 46.

The remarkable thing about this re-union is that nothing was pre-

BOARD OF TRADE LUNCHEON MEETING CANCELLED

The Board of Trade luncheon meeting scheduled for Wednesday, Feb. 25th has been cancelled. The reason: Bonspiel Week!

Some 65 friends gathered at the home of Mr. and Mrs. Heming Haverslew recently to honor Miss Doreen Snow prior to her departure for the Royal Alexandra hospital where she is training for a nurse. During the course of a very delightful evening Doreen was presented with a nurse's gift set of pen, pencil and thermometer.

Mrs. D. A. Ford was called to Wetaskiwin last week and due to the serious illness of her mother, Mrs. Ford and little daughter Cathy took the plane from Edmonton on Saturday morning.

E. C. 'Ted' Miller of Lethbridge spent last week end in Vermilion renewing old acquaintances. He was in Edmonton attending the superintendents' annual conference and accompanied S. Simonson to town at its conclusion.

J. W. Waldenberger was called to Ontario as his aged mother is very ill. She has reached the advanced age of 87 years.

Mr. and Mrs. Wm. Krause attended the 33rd annual convention of the Alberta Optometric Association in Edmonton last week.

Vermilion is represented at Vegreville bonspiel this week by Skips Al Locke, A. Kent and Ed Corley.

Don Craig of North Battleford and Hugh Craig of Prince Albert spent a short time in town Monday.

CLANDONALD HALL

Showing at the Clandonald hall this week end Feb. 20 and 21, "Come to the Stable" a true story come-true. With Loretta Young and Celeste Holm. Next week — "Royal Wedding" in color. 32c

Happy Hour Group

The Girl Guides will hold a tea in the Legion hall on Saturday, Feb. 28th from 2:30 to 5:30 p.m. 31-3

C. W. L. Bake Sale

The C.W.L. will hold a sale of home cooking at Noonan's Coffee shop on Saturday, Feb. 21 at 2:30 p.m. 31-2

Rummage Sale

Mrs. Dale Williams W.A. group of the First United church are having a rummage sale Saturday Feb. 28th in the church hall. Tea at 1 p.m. 32-2

Thorncliffe

Dance at Thorncliffe school on March 6th. Good music. Everyone welcome. 32

CARD OF THANKS

I wish to sincerely thank the staff of Macleod's store, Dr. King Miss Keith and the staff of the hospital, the Court of the Eastern Star, and my neighbors for the kindness received following my accident on Dec. 16th.

Mrs. Washington

arranged — the boys just dropped in as a surprise.

The three sisters are all resident in Cullen. They are Mrs. H. Dryden, Mrs. Ryden and Miss Allan. The combined age of the family totals 391 years."

Bob's brother Charles and the latter's 17 year old son stopped over in Vermilion for a few days after on the return trip to their home in Victoria. The trip both ways was made by TCA and this is the only way to travel over long distances according to Bob.

Mr. Allen is to stand on the coast he also saw some of the terrific storms which were sweeping over the country. Although not in the severely devastated area, huge breakers were sweeping over the houses of the village, breaking down the chimneys, breaking windows and generally creating havoc.

Warning! Dog Owners

It is the intention of the Council of the Town of Vermilion to enforce the Federal regulation re: the confining of Dogs.

All dogs unlicensed or running at large will be impounded and the owners charged as required by the Federal order.

United Church Men's Club Meets

The monthly meeting of the Men's club of the United church, Vermilion, was held in the church hall on Wednesday, Feb. 18th at 8 p.m.

Caterers for the supper were Messrs. Anderson and Long. Wow! What a meal. The boys really outdid themselves this time.

After supper a hymn sing-song led by Rev. McKay was much enjoyed.

The Men's club agreed to sponsor, in every way possible, the program The Fine Light Choir to be presented Wednesday, March 4th in the church by the Young Peoples' society.

Next meeting will be held March 18th and will be 'Ladies' Night'.

The evening was completed with a cribbage competition won by Messrs. Tebbutt and Madden, with the consolation going to Jessie Sharman, who played double all evening for lack of a better partner.

Ladies' Curling Club Expresses Appreciation

The Vermilion Ladies' Curling club wishes to express a very special thank you to all who so kindly donated prizes and cash to further our bonspiel and help make it such a huge success.

We would also like to express our thanks to Mr. Al Locke and Mr. Lorne Pickett who handled our bonspiel draws and spent many hours trying to keep all the lady curlers happy with curling draws.

List of donors: Brunswick hotel: Vermilion hotel; Imperial Optical Co.; Herzog Motors: Geo. Webb and Sons, Columbia theatre; McLaughlins, Oldfield Motors; Hannaits Motors; Franco Service; Vermilion Beverages; Rowe & Sons; S. C. Feb. 24	36	13
Feb. 25	35	21
Feb. 26	36	21

—By courtesy of Dept. of Transport Beam Station Vermilion

Western-Vermilion Health Unit No. 13

To the Editor,
The Vermilion Standard.

Dear Sir:

I would like, through the courtesy of your columns, to draw the attention of the people of Vermilion to the importance of the coming vote on sewer and water improvements.

From the point of view of the Public Health it is considered vital that these improvements are carried out, and in the shortest possible time. A town of this size is in grave danger of disease epidemics of a most serious variety if no overall and well constructed sewage system is available. Where people live together in communities they must carry on their way of life in such a way that the community as a whole can live a normal and happy existence, free from the fear of death-dealing diseases — a good system of sewer and water can and does prevent communicable disasters.

Yours sincerely,
E. R. Smith, M.B., B.S.,
Medical Officer of Health.
On behalf of the Board of Health.

RABIES BY-LAW

VIKING IN HOCKEY FINAL

Viking Lions eliminated Wainwright Commandos and are now in the Eastern Alberta finals awaiting the winners of the Vermilion-Vegreville semi final. This awaits better ice conditions.

Immigrants Are Great Asset To Canada

INTERESTING ADDRESS AT THE CANADIAN CLUB

The address delivered by Mr. L.A. Thomson, Director officer of Department of Immigration, Winnipeg, before the Canadian club Friday evening last was most interesting as a general survey of the part played by the immigrant in the development of industry and in the impact he has on the Canadian way of life.

The speaker reviewed the enormous development of the resources of the country and the opportunities cultural and otherwise, presented for advancement and none appears to take more advantage of these opportunities than the immigrant. He sketched briefly instances from points of the past where Dutch and Holland immigrants have taken over industry that had been allowed or forced to close down and have now been revitalized into industries that are adding to the capital wealth of the country. Down in Nova Scotia a dried apple plant is presently a flourishing carriage industry with the apple as an ingredient. In Ontario they are producing fruits upon lands that had been abandoned and in the West an immigrant arrives without a word of English and in two or three years has become vice-principal of a secondary high school.

In the and many other ways the immigrant is showing the Canadian what he is contributing towards the expansion of the industrial and cultural life of the country as well as her agricultural advantages.

We find him the skilled and resourceful artisan and the leader in many communities. Even the Chinese are demonstrating what can be done for the betterment of all. A Chinese takes over a dilapidating restaurant and in the course of a very few years has branch cafes all over his section of the province showing what opportunities are available for advancement. The immigrant will eventually become a citizen of Canada and that is why we should greet him with appropriate ceremony then demonstrating in a tangible way that he is welcomed and is one of us that he is accepted as an integral part of the Canadian citizenship.

President Stephens presided and while there was not a very large attendance due to other attractions these present showed their appreciation of the effort of the speaker.

Ladies' Bonspiel Completed, Mannville

HIGH SKIP LUCKIE WINS THE GRAND CHALLENGE

MANNVILLE.—The annual ladies bonspiel was completed on Friday with the following winners announced:

GRAND CHALLENGE — Mrs. McLuckie, Mannville: Mrs. Wilson, Chauvin: Mrs. N. Whitson, Mannville: Mrs. J. Mann, Mannville.

MERCHANTS — Mrs. E. Ambler, Mannville: Mrs. N Cuttiord, Mannville: Mrs. Reid Calvert, Vermilion: Mrs. Scoggins, Mannville.

CITIZENS — Mrs. Lunn, Bridburn: Mrs. Parks, Mannville: Mrs. Weaver, Minburn: Mrs. Chrysler, Mannville.

Hard Luck prize went to Mrs. Williams of Mannville.

There were about 100 ladies at the self-serve banquet put on by the ladies themselves on the Wednesday evening. It was a pleasure to see Miss Jean Allan, 8 at the banquet, she and a number of other one time curlers brought the number attending up to the 100 mark. There were 76 rinks entered, 11 local and 9 visitors.

Tigers Take Lead in Play-Off

VANQUISH VEGREVILLE 5 TO 4 IN OPENER — BEST OF THREE SERIES

Vermilion Tigers took the lead in their semi-final series with Vegreville Rangers when they vanquished them 5-4 here on Saturday evening. This was the first game of the best of three semi-finals series with the winner meeting the victor of the Viking-Wainwright semi. The latter two teams played the same night with the army town winning 6-3.

St. Martin quickly put the Tigers in the lead at the 2.03 mark when he fielded off a play started by Coach Kreller but at 5:05 Hryciw evened up the score on an unassisted effort and one minute later the Rangers went one up when Lisbin shook scored the first of his three goals of the game, assisted by Hryciw and Dehid. Bill Williams evened things up two minutes from the end of the period when he converted Jim Ferguson's pass. Mac and Zander of the visitors were benched for two minutes each and Bob Rowe of the home team likewise.

It took St. Martin just 33 seconds of the middle session to break the two-all deadlock when he and winging man Patty Patsula went through and this was the start of four goals with never a reply from the visitors in this period. St. Martin scored again at the half way mark unassisted to complete a hat trick and before the evening was out had added two assists for a brilliant performance. Wingman Rod Barr then took over and notched two in succession within a minute and a half, the first assisted by Kreller and Patsula and the second from Patsula and St. Martin. The tow-headed Patsie set up three goal-scoring plays and thus got points for 3 assists. This college line was rounding to perfection and were a real treat to watch.

Ted Koehli, hard working as ever, made the score 7-2 at the 7:36 mark in the third, but the visitors then took over and Lukinchuk, who turned in a 3-goal performance, converted Moe's pass and 30 seconds later completed the Rangers' scoring unassisted. Bob Rowe scored the locals 8th assisted by defenceman Robertson while Ted Barr notched his third goal of the night with an assist to St. Martin, for a final score of 9 to 4.

Stan Waldenberger and Norm Buck of Edmonton kept the game well in hand, the Rangers drawing three minor penalties and the Tigers two. The ice hadn't suffered any in the mild weather and play was fast throughout.

VERMILION — Brown, Kreller, L. Williams, Ferguson, Robertson, Patsula, Barr, St. Martin, B. Williams, Poutz, Koehli, Schmidt, Rowe, Leahy

VEGREVILLE — Butz, Dowhaniuk, Sirbisbach, Moe, Zander, Brownchuk, Charuk, Dehid, Hryciw, Lukinchuk.

Kinsmen Midgets Turn Back Camrose 4 Goals to 3

GREAT ENCOUNTER HERE FRIDAY EVENING

Vermilion Kinsmen Midgets came within 5 minutes of coming like Camrose team from the provincial play-offs Friday evening and with that much time left had a game lead at 4 to 1, and were ahead in the total goal series 5 to 5. Two goals by the visitors, both of the fortunate variety doused the local hopes and the series will end with Camrose 7 goals, Vermilion 6. The last two goals scored in the final 5 minutes, one of them on one minute from the final bell, were rather heart breakers although the visitors were value for them at the time. The first was scored off a local defenceman's skate following a scramble in front of the net. It was one that could happen easily any time and on which a goalie has no chance, but the series winner was one of those things which seldom occurs. A puck whirling high was shot past the front of the net and Lasuk slapped at it with his stick deflecting it into the high corner of the net. It was a game that had the fans on their toes throughout the entire 60 minutes, and was incidentally witnessed by 336 cash customers, the largest crowd to see a junior game here in years.

The Kinsmen coaches, Sam Sedan, Jim Bell, Ron Paynter and Bob Heingar are to be highly congratulated for coaching and building up a team which has improved wonderfully over the winter and which would be every bit as good a contender as the Camrose entry which is an all star outfit drawn from several of the surrounding towns as well.

The locals started the game two goals down on the series, having lost 4-2 in the first game at Camrose.

For the first two minutes of the game here the Camrose crew had a decided edge and only sensational net minding by young Calvin Hough who turned in another great performance, kept them from running up a score. However, finding their legs legs in the latter half of the period the locals began to hold their own, and with less than a minute to go Stewart Cooper, first string centre, electrified the crowd when he went in alone, rounded the defence and beat Schnell for a pretty goal.

Lasuk of Camrose put the teams on even terms early in the second when he scored on a 3-way passing play, Bodnes to Broadfoot to Lasuk. The Vermilion lads were now playing better and had an edge in the session and Murray Lowrie carried in, passed to Cooper who scored. Before the period ended young Doug Laurence took it away from Barr's pass and tied up the series with a game lead of 3 to 1.

The teams battled on even terms at the start of the third and the crowd went wild when Cooper, Barr and Bob Bentley tore in on a rush, fired effort and Cooper notched his 3rd counter on top of a brilliant evening's performance, and Vermilion was out in front in the series by one point. Camrose came desperate and unleashed a terrific power attack which paid off with the goals which tied up and then won the series. The first was scored by Podplesk from Gillespie and the second of the two by Lasuk.

It was a great game in which both of the young teams gave everything they had, a fine hockey display, and following the final bell the locals flocked about the series victors shaking hands and wishing them the best of luck in the future play-downs.

Stan Waldenberger and Ches Jacobs of Camrose refereed with only one tripping penalty being handed out, to Sampson of the visitors.

Line-ups

CAMROSE — Schnell, Bowne, McGill, Sampson, Smith, Podplesk, Gillespie, Berger, Rake, Sorken, Dearcroft, Broadfoot, Thomas, Lasuk.

VERMILION — Hough, Little, Barr, Braithwaite, Cooper, Bentley, Lowrie, Brower, Winters, Mistal, Marshall, Grant.

Summary—Cooper; pen., Sampson. 2nd per.—Lasuk (Broadfoot, Sorken); Cooper (Lowrie; Brower (Barr).

3rd per.— Cooper (Barr, Bentley); Podplesk (Gillespie) Lasuk.

Legion Notes . . .

Legion members are urged by President Martin to attend the new meeting at Vegreville next Friday. The first vice-president of the Dominion Command, Very Rev J. O. Anderson of Winnipeg will be there and members and wives are invited. Please let President Martin or Secretary Buckingham know if you plan on going. Cars will leave Legion hall at 6:30 p.m. Friday, Feb. 27.

The membership drive is still on anyway. Two veterans from Royalton, one from Clandonald and one from Mannville joined up recently. You will be very welcome to join our branch. Don't wait for the campaign, come in and see us.

It is of interest to note that the officers and executive of Vermilion Branch are all ex-service men. A world war 1 record which was 3 to 1 at one time.

Bill Zamaniuk, another Korean veteran from this district has been notified that his military service ship card in the branch. Bill served in the Royal Canadian Navy and also he is a veteran of world war 2.

The prospector for books for the troops in Korea has been successful. Thanks a lot to members and others who brought them in. We shall wait shipment for another week in case anyone else has a few paper covered novels to turn in.

M.D. Approves Power Line Construction

The following is a summary of the minutes of the meeting of council of the M.D. Vermilion River, No. 71 held in the municipal office, Kitscoty Feb. 10 and 11.

Present: Reeve John Leighton Cyr, A. Clarke, J. D. Stone, C. C. Wallington, P. McGuigan, T. Beisheim, D. G. Lawrence.

Minutes of the January meeting were accepted as presented: Financial statement for month of January was accepted: Accounts approved by Finance committee were passed for payment.

The following motions carried:

Moved by Cr. Lawrence that the 2c extra per yard mile for gravel hauled in 1952 be not paid.

Moved by Cr. Beisheim that Can. Utilities be authorized to place one more light in the hamlet of Hastings.

Moved by Cr. Clarke that municipal machinery only be used for snowplowing unless authorized by Council.

Moved by Cr. Leighton that application be made to the Workmen's Compensation Board requesting all members of the Council be brought under the provision of the Act.

Moved by Cr. Stone that the NW 20-49-4 be sold to O. L. Wolters for $500 cash.

By-law 621 concerning the purchase of a Garwood Diesel scraper 9-12 yard, $12,185 less $485 for used scraper was given 3 readings and carried.

By-law 636 concerning purchase of a ripper and control, was given 3 readings and carried.

By-law 622 concerning the lessin of the following T.R. lands: Sec. 17-50-1 to Lorne Wilson for $250: Sc 22-50-1 to Wallace Rue for $15: SE 9-51-2 to Wallace for $70: SW 9-51-2 to E. J. Heiton for $30: NE 12-52-2 to D. A. Cooke for $45: SW 13-52-2 to D.A. Cooke for $65 given 3 readings and carried.

By-law 623 concerning the leasing of the following T.R. lands: SW 1-55-1 to Forbes Parlee for $50: SW 8-55-2 to R. Banson for $32: S½ 10-55-2 to Hans Grytik for $75: SE 11-55-2 to Peter Burrows for $15: NE 17-55-1 and SE 20-55-1 to Rust Ilerr for $35 and $40 respectively, given 3 readings and carried.

By-law 624 concerning leasing of the following T.R. lands SE 12-55-2 to D.A. Cooke for ¼ share of crop: NE 4-55-3 to Clyde Reader for $60 in 1953 and one-third crop share in 1954 and 1955 given 3 readings and carried.

By-law 625 concerning the purchase of 5 acres of land for gravel pit on NW 1-54-3 given 2 readings and carried.

Moved by Cr. McGuigan that A. Hosack, Field Supervisor, be appointed Pest Control officer and that the following be appointed area officers for pest control: J. D. Kelly, Lloydminster: Walter Swan, Islay: S. Romanchuk, Dewberry: Wesley Hayes, Onion Lake: Herman Lenz, Kitscoty. Carried.

Moved by Cr Wallington that proposed electric power line into Bor realsin be approved.

Whereas a petition has been received from one resident of this Municipality i.e. 35 R 6 W4thM requesting the Council to approve of the construction of power transmission lines for the Vermilion North Rural Electrification Assoc. Ltd., along the highways, roads, lanes and avenues of the said Township and Range and further to consent to a Permission Order being granted by the Board of Public Utility Commissioners of the Province of Alberta to the effect that the petitioners may be served with electric energy. —Carried Unan.

Islay School Bonspiel Proves A Great Success

(Crowded out last week)

ISLAY—Winners and prizes in the annual Islay school bonspiel were as follows: — the games were played from 4 to 8 p.m. daily starting on Feb. 9th and all day Saturday the 13th:

Merchants

1st — Bill McGuigan, chocolates, donated by H. G. Young; 2nd—Rod Carey, penlites, donated by I. D. Inman; 3rd—James Bell, Sticks, donated by W. McCaughan; 4th—Ken McLennan, books, donated by Islay Drug store.

Rugs

1 — Percy Linton, albums, donated by Junior Curlers; 2. Jim McGuigan, comics and tooth brushes, donated by the staff.

Wild Cats

1st — Bill McGuigan, wallets, donated by Junior curlers; 2. Jim McGuigan, toy chains, donated by C. Redmand; 3. Rod Carey, jack knives, donated by Jr. curlers; 4. Janet Bell, chocolates, donated by Hardware.

Wolves

1 — Ken McLennan, knives and brushes, donated by Islay W.A.; 2. Doug Olds, Eversharps, donated by Jr. curlers.

Good Sports prize — not winning a game but showing good sportsmanship — 1, Henry Kohn, plaid handy towels, donated by Jim Yin: 2,Tom Carey, Mu and Pa magazine, donated by Jim Yin.

Personnel of the rinks were as follows with the skip named first:

Janet Bell, Lyle Carey, Eddie W., Shirley McGuigan:

Jim McGuigan, Bill Potvin, Ken Green, Pinocchio Komahoki:

Kenneth McLennan, Yvonne Hansen, Cathy Robertson, Linda Redding.

Bill McGuigan, Catherine Grout, Lillian Robinson, Dorothy Askey:

Tom Carey, Darryl Hansen, Joan Robinson, Patsy Wilson:

Reddie Carey, Steve Lewis, Kieth Burt, Duncan Carey:

Doug Olds, Betty Martin, Mickey Carey, Pinocchio Komahoki:

Henry Kohn, Emma Olds, Gerry Marie, Marion Teskey:

Perry Linton, Donald Martin, Anne Carey, Vera Buddika.

Girl Guide Tea

The Girl Guides will hold a tea in the Legion hall on Saturday, Feb. 28th from 2:30 to 5:30 p.m. 21-3

By Shirley Holms, Wainwright, Alberta

News Notes From Your District Home Economist

Mrs. Wise Prepares Buns in a Hurry

Mrs. Wise planned to have baked beans for supper, but she forgot to get them on the stove right in time. So she decided to try a new stunt. Someone had told her about a quick method of soaking dry beans by three methods, then allow to soak in the hot water for an hour. Mrs. Wise tried it, using the water in which the beans were soaked for cooking. She found that her beans were just as good if not better than usual. The leaflet "Dry Peas Beans and Bread" will give you many ideas for variety in the use of dried peas and beans.

Garden Clubs

It is time to reorganize. These clubs are under the supervision of the Alberta Dept of Agriculture and seeds are supplied by the Alberta Wheat Pool. Write me if you wish to have a club in your district. Don't delay if you want to ensure yourselves of a good seed supply.

Horticultural Guide

The Alberta Horticultural Guide gives a plan of the province showing the Horticultural zones and a list of recommended fruits and vegetables for each zone. With this guide you will no longer have to guess what variety of vegetables, flowers and fruits suit your particular soil the most. Write this office for a free copy.

Standards for Judging

This is a booklet for your use, especially helpful if you are entering fairs, exhibitions and other types of competitive displays. It includes standards for foods, clothing and handicrafts. Know what the judges look for. This booklet can be obtained free of charge by writing me in care of this office.

Broiling

In the majority of electric ranges the broiler unit is the top unit of the oven. Broiling is cooking with intense heat, direct from the unit. Therefore, especially adapted to this type of cookery. The broiling unit is usually turned on "high" a few minutes before the food is placed in the oven to allow the heating coils to reach the maximum temperature. In high-speed broilers preheating is unnecessary, the power of the broiler is sufficiently high for the food to be placed under the broiler as the unit is turned on, and cooking starts immediately. The broiler pan is usually set about 3 to 4 inches below the coils. During the broiling process the door is left ajar.

Although the above suggestions for successful and economical operation apply to all electric ranges, each range has its own individual characteristics, and it is advisable for the homemaker inexperienced in electric range cookery to follow the directions given for her particular range.

OUR COMPLETE SHORT STORY

JOHN RACEHORSE

John Was An Indian . . . So He Knew Rain, Wood and Water

By FRED CARTER

INDIANS are odd. Now, take John Racehorse. I never did figure out why he wouldn't come in. I'd John sheriff of Bonestown for 10 years and had been out on the reservation after wild bucks plenty of times. But this was different.

It was just an ordinary woman case. You know how some of these back country breeds are, sometimes forgetting whose wife belongs to whom. Don't know they're any worse than some white, though. But John Racehorse was different. He'd married a young squaw and thought a lot of her. Of course, that didn't stop him from beating her up when she two-timed him for another buck. It was an old man he shot, a neighbor who tried to butt in and stop him. The old guy lived, but we didn't think he was goin' to. So I mosryed out.

John was gone, of course, and nobody would talk. So I came back to town. Went out two or three times and learned that John was hidin' down in the bottom lands, because old Pinto Hall, Lilac Bend's sheriff, was on the trail. Like finding a needle to hunt him down there, so I tried psychology. I took his old man to jail and told the folks I'd keep papa unless John gave himself up.

Of course it wasn't legal, only an old stealin' case he was on probation for, but it worked — a little too well.

I just sat in my office at the court house a couple of days and then Jim's brother came in. He stood there a minute, then grunted, "John says you come get 'um. He give himself up. Be on south side Ferry Butte, six o'clock tonight." He turned and went out.

That was a queer one. Did he mean it or was he joshin' to throw me up? I figgered he was on the level. Most of the Indians talk straighter than a white man, spite of what folks say.

I took a couple of deputies in the car, with long range rifles, and came in from the side so they could keep in range without my bein' in line with their guns.

It was almost sunset. You know how the sun shines through the dust out there, when the wind blows. It was kind of spooky, and every time I heard a rush of wind in the sage I jumped a foot. But I kept on goin'. A sheriff has to.

Of course, by this time, I knew the old man wasn't going to die after all, but I wanted to take John in to give him a good scare. You know, those Indians pay a lot of attention to family and tribe and all that. What they won't do for themselves, sometimes they'll do for the gang.

It took me a long time to get over to the south side of the butte. You remember it's long and kind of low. The sun was settin'. Big Butte, out on the desert, was pinkin' up. There was still snow on top of the butte even though it was hot in the sage. Seein' all this made me almost forget what I was doin', but not quite. I watched the trail pretty sharp.

Finally I saw the pale pony against the sage, but I couldn't see John. I wanted to turn back. He could have shot me and got away from there without half tryin'. But a sheriff has to get shot in the you and not in the seat of his pants. Besides, sometimes a bluff will keep 'em from shootin'.

I'd walked maybe half way to John before I saw him. He'd taken the saddle off his pony and was sittin' on it, dressed up in a beaded shirt. I never saw an Indian wear one of those things except at the fair. I couldn't see his face, because it was still under the sage. And, sittin' down like that, Bill and Mac in the car couldn't see John. I doubted if they could even see the pony and I was below a hill from them.

There was a waggin in the sage about half way between us and when it spread its white tail feathers I wanted to duck. I expected to hear a slug whine—or to feel it.

Then I heard his gun, but there wasn't a whistle. I dropped and hugged a brush no higher than my head. After awhile, I pushed the hat up on my gun barrel, but there was no one and shot. I peeped out in the side and I could see John lyin' on the ground, with his face up and one hand bent.

Then I got up and went to look at him. He had kept his word, and was there for me to bring in. His heart beated cool was dropped out.

Yes, the psychology worked all right . . . Too well. I never felt so much like a skunk in all my life.

Prince Imjin River Put To Good Use

Prince Imjin river in Korea provides regulation ice outdoor hockey rink for members of Canada's 25th Infantry Brigade which is never at a loss to put to use a good thing when they see it. The brigade has a competitive inter-unit hockey league, which operates a short distance behind the front lines.—Central Press Canadian.

Check Stored Grain For Insect Damage

Numerous reports of insect damage in farm-stored grain reveal that a potentially dangerous situation exists, requiring thorough examination of such grain by farmers.

The Saskatchewan Director of the Agricultural Department's plant industry branch, R. E. McKenzie, asks that while early reports of damage and heating showing the presence of the rusty grain beetle, investigation of more recent reports revealed in the finding of a large number of other insects. Of these the common grain mite and the rusty grain beetle are the principal ones which damage the kernel, but the other insects which merely live in the grain can also cause heating and spoiling.

Mr. McKenzie stated that all grain in storage should be carefully examined for the presence of insects and evidences of heating, with bins and piles sampled from top to bottom.

Satisfactory control of insects can usually be obtained by moving the grain with an auger. Exposure to air on a cold day will kill many of the insects and reduce the temperature of the grain. The Director especially recommended running the grain over a fine screen when augering it out of a pile or bin. This, he said, will sift out many of the insects.

It is thought that the unusually mild winter weather may be responsible for the heavy build-up of grain insects. Very small pockets of damp grain in bins or piles that are otherwise dry can start an infestation. These pockets may develop in cases or sheds, through leaks in granary roofs, holes in the floor, and by condensation of moisture on top of the bin in tight granaries without ventilation. In open bins melting of snow may cause dampness, and in temporary bins between granaries, water dripping from the eaves may be enough to cause damp pockets. All these situations may be sufficient to start an infestation with resulting serious losses.

EFFICIENT WORKMEN

HUDSON BAY, Sask.—Despite the winter cold, dry ice was used to freeze the Red Deer river in northern Saskatchewan. Workmen used the dry chemical to thicken the ice beneath a bridge they were repairing when they found the fast current would not allow a firm ice footing.

Today is yesterday's pupil.

DON'T Just ask what's good for a COUGH?

ASK FOR BUCKLEY'S MIXTURE

A SINGLE SIP TELLS WHY

Six Tips On Cold Weather Driving

The following six tips on cold weather driving are offered by the committee on Winter Driving Hazards of the National Safety Council.

1. Get the feel of the road before you start out—do this by trying your brakes while driving slowly and away from traffic.

2. Adjust your speed to road conditions. Slow down on wet, snowy and icy roads so you can stop when necessary.

3. Use tire chains on ice and snow they cut down braking distances as much as 25 to 30 per cent. Chains are not a cure-all for winter accidents, but they will help the careful driver.

4. Keep your windshields and windows clear of ice and snow, fog and frost. Be sure your headlights, windshield wipers and defrosters are in good working order. You have to see danger to avoid it.

5. When you have to stop pump your brakes, jamming them all the way to the floor may lock them and throw your vehicle into a skid.

6. Follow other vehicles at a safe distance — remember that it takes from three to twelve times as long to stop on snow and ice as it does on dry concrete.

An added warning is given to those of you who have your vehicles in garages: Do not start your car without first opening the garage doors to allow fumes to escape.

Remember the danger of Carbon Monoxide poisoning is greatest at the coldest times of the year.

Helpful Hints

Try this trick if you need to iron a blouse or a shirt and haven't got time to let it dampen. Sprinkle it and put it into the refrigerator for as long as possible before ironing.

Flies can be made to look better by first wetting them with a hair brush and then brushing against the hair. Hang them in the air until they are dry and then treat lightly on the right side with a certain friendly, comb it back and carefully pick out.

Don't throw away that wax. Save them until you have a new dry mop.

For revolving a shoe this one may use any dry such as cocoa or corn meal. Sprinkle it liberally on a soiled spot and rub with a damp cloth. Brush off the powder and the dirt will have disappeared.

Mix a half-cup of [illegible] with equal parts of [illegible] and brighten up the [illegible] with a soft cloth. Be sure to shake out the [illegible] nights before using the [illegible] again.

STRANGE IS CORRECT

SANDRINGHAM, Norfolk—A case of Sandringham House was missing strange [illegible] Queen Elizabeth [illegible] Prince Philip [illegible] a Christmas present.

More than 10 pet [illegible] area of 15 [illegible] glades [illegible]

Alberta Suffolk Sheep Shipped To England

DRUMHELLER, Alta. — For the first time in the history of the West, a shipment of purebred Suffolk sheep has been sent from Alberta to England.

The shipment, reversing the usual flow of purebred stock from the United Kingdom to Canada, will re-establish a flock wiped out last year by foot-and-mouth disease.

Two rams, five ewes and five shearling ewes were sent by P. J. Rock and son of Drumheller, Alta., to H. C. Hayward of Great Bromley, Essex, England, who once shipped prize Suffolks to the Rock firm.

"Bradley Quinten," a ram sold by Hayward, is credited with making the Rock farm one of North America's leading Suffolk breeding places. One of his offspring a ram, sold for $2,350.

LUCK WAS WITH HIM

KINGS LYNN, England — Sidney Woodhouse, 54, was surveying his ruined cottage in the Norfolk flood area when he was notified he had won $7,500 in a football pool. "I'll use the money to find another house and furniture," he said. He lost all his furniture and wardrobe.

A person's emotions more sensitive to interruptions in sound than the eye to a flicker of light.

4 delicious treats ...make them from One Basic Dough!

It's amazingly simple with wonderful active dry yeast!

If you bake at home, find out the wonderful things you can do with Fleischmann's Fast Rising Dry Yeast! Serve fragrant rolls or luscy breads or sweets from a single dough! Always get Fleischmann's Fast Rising Dry Yeast—it stays fresh in your cupboard, and acts fast in your dough!

BASIC ROLL DOUGH

Scald
1 cup milk
1 tablespoon granulated sugar
2½ teaspoons salt
4 tablespoons shortening

Simmer 'over heat and cool to lukewarm. In the meantime, measure into a large bowl
½ cup lukewarm water
1 teaspoon granulated sugar
and let stand until yeast is dissolved, about 5 minutes.
1 envelope Fleischmann's Fast Rising Dry Yeast

Let stand 10 minutes, THEN stir well, stir in cooled milk mixture and
½ cup lukewarm water

Stir in
2 cups once-sifted bread flour
and beat until smooth and elastic, work in
2 cups once-sifted bread flour

Turn out on lightly floured board and knead 2 minutes, cover dough with bowl and let stand 5 minutes. Roll dough ½ inch thick, cut with 2½ inch cutter, dip each piece in melted butter, fold in half, place on greased baking sheet, brush with melted butter, cover and let rise in warm place (85°) until double in bulk. Bake in a hot oven, 400°, about 12 minutes. Makes 2 dozen.

2. CLOVER LEAF ROLLS

Make one portion of dough into 2 equal-sized portions; set each piece aside in a separate bowl. Grease muffin pan cups generously. Shape each portion of dough into 12 balls, each about 1 inch in diameter. Place 3 balls in each greased muffin cup. Cover and let rise in warm place until double in bulk, about 1 hour. Bake in a hot oven, 400°, about 12 minutes. Makes 2 rolls.

3. PAN BUNS

Roll out one portion of dough on lightly floured board into a rectangle about ¼ inch thick. Spread dough with soft butter, sprinkle with sugar and cinnamon, and roll up like a jelly roll. Cut into 1 inch slices, place cut side down in greased muffin pans. Cover and let rise in warm place until double in bulk. Bake in a hot oven, 400°, about 20 minutes. Makes 2 dozen.

4. CRESCENT ROLLS

Roll out one portion of dough on lightly floured board into a circle about 12 inches in diameter. Spread dough with soft butter, cut into 12 pie-shaped wedges. Roll up each wedge, beginning at the wide end, and place on greased baking sheet with point underneath. Cover and let rise in warm place until double in bulk. Bake in a hot oven, 400°, about 15 minutes. Makes 12 rolls.

Funeral Services for The Late Geo. Stonehouse

Funeral services for George Franklin Stonehouse were held at St. Saviour's Anglican church on Monday February 16 under Masonic auspices. Interment followed in the Vermilion cemetery. The Rev. D. A. Ford conducted the services.

Entered for the deceased and sympathy for the bereaved family was shown by the very large attendance at the services.

Mr. Stonehouse passed away at the Vancouver General hospital on Feb. 10th at the age of 50 years 4 months and one day. He was born at Thedford, Ont., on Sept. 9, 1902 and came west with his parents to Alberta when 12 years old. The family made their home near Calgary where the deceased grew to manhood. He joined the staff of the Bank of Toronto, Calgary, in 1920 at the age of 18 years. In 1930 he was appointed manager of the Clandonald branch of the bank. In November of 1932 he married L'Allen Beatrice Hicks, youngest daughter of Mr. and Mrs. L. H. Hicks of Derwent.

Mr. Stonehouse, "Stoney" served as bank manager in Clandonald for 17 years. He was then transferred to Glenavon, Sask., where he remained for one year and then to Benito, Man., for four years. In August, 1951 he began to suffer from asthma. He went to Arizona in January, 1952 where he remained for almost five months seeking relief from this bronchial ailment. He returned to Benito in June 1951 and was transferred back to Clandonald where he managed the bank until Dec. 31, 1952. "Stoney" was under medical care continuously from 1951 until his death on Feb. 10th, 1953.

He leaves to mourn his loss his loving wife, four sons, Gedrge 19 years, Bob and Bill, twins, 16 years and Jimmie 8 years. There are two sisters, Mrs. Lorne Hunter of Brantwell, Alberta and Mrs. Bert Healy, Coronation.

The beautiful floral tributes and memorial donations were received from:

Loving wife Lil, George, Bob, Bill and Jimmie; Sister Marguerite, Bert, Douglas and Keith; Sister Ellie, Lorne, Stuart and Lois; Grandpa and Grandma Hicks: Earle and family, Fred, Ethel and family; Clyde, Mabel and family; Frank, Pauline and Hazel; Doris, Dick and family; Kathlyn Hicks; Doreen and Louis; Ted, Kate and Leonard; Manager and staff, Bank of Toronto, Clandonald; Executive, Bank of Toronto; The Rowes; Hugh, Florence and Ann; Mr. and Mrs. W. D. Rhonds; The McInnes's; Wilbur and Ellen Currie; Mr. and Mrs. T. Waite; Mr. and Mrs. Burr Armstrong and family; Wm. Armstrong and family; Mr. and Mrs. J. R. McKay and Allen; Victory Lodge No. 128, Benito, Man.; Ily and Ann Tax and family, Benito, Man.; Clerk, Rena and family; Mr. and Mrs. Beecroft, Olive, Percy and family, Roy, Audrey and family; Reuben, Rene and family, Victoria, B.C.; Mr. and Mrs. G. THRILLS of the ROARIN' GAME

Play It Safe!

When you consider everything connected with a game of curling including the ice generally, it's easily seen that the possibility for a mishap is actually pretty rare. A bit of thoughtfulness here and there during the heat of battle will do it.

Some of the most common causes of broken bones and painful bruises can easily be avoided. For instance, if possible a wise skip "eat runner" that person who brought the house before it hits the rock or back boards. Keep all stones that are out of play until back to the end of the game so none can be kicked in their

It's also no use to shout "Hurry" except that for one reason—if the ice obviously thin that may look innocent, but a couple of rods of "pebble" and there is like that gun that wasn't loaded. When the game winds up at the far end don't throw the stones back even if you are mad—push 'em. Wet ice is murderous footing and an oldster should stay clear of it—while a partly wrecked great should absolutely be barred from setting foot on it.

Keep this in mind, that the last rock of the end can be worth more than all the others put together!

Funny and Otherwise

Some people are like owls—they get the reputation for being wise just by hooting at everything.

A young couple, on hearing of the arrival of a friend's fourth child, sent a play-pen as a gift. The "thank you note" left them somewhat astonished.

"Thank you so much for the pen," it said, "it is a perfect godsend. I sit in it every weekend and read, and the children can't get near me."

The cub reporter was told to cut his story to the bare facts. Following his orders he did so and produced this the next day:

J. Smith looked up the elevator shaft to see if the car was on its way down. It was. Age 45."

A pianist and lady who took life philosophically sat knitting in the evening room. To her three came rushing her granddaughter. "Oh, Granny, Granny!" cried the girl, "Father's just fallen off the roof!"

"I know, my child," replied the old lady, without even raising her eyes, "I saw him go on the window."

"You should have an difficulty with your children. Just pretend they're someone else's — everyone knows how to bring up other people' children."

A bishop was arrested in a railway carriage by a reveller, who said: "You think you know everything, but I'll tell you two things you don't know."

"Very likely," said the bishop. "What are they?"

"I'm your cook's husband and I'm wearing your shirt."

"Now is it that Joan attracts all the men?"

"I think it runs in the family. Her father's a steel magnate."

"Her agent's father is known as a very able judge."

"Satan? It's more than you can say for her fiance."

Old lady: Are you a little boy or a little girl?

Child: What other choice do I have?

A sentimental woman was married to an unromantic man. One evening she said to him with a sigh: "Would you ever mourn for me if I were to die?"

"Oh, yes," he mumbled, "of course I would."

"And would you visit the cemetery often?"

"Certainly," he said, with a little more animation, "I pass it on the way to the local, anyhow."

A little boy on his first visit to the old family farm, came upon several empty milk bottles in the grass.

He rushed back to the house and burst excitedly into the kitchen. "Grandma," he yelled, "come quick, I just found a cow's nest."

BRITAIN'S TOURIST EARNINGS

Britain's tourist traffic and earnings have been rising steadily each year since the war ended. Tourist earnings five years ago were £33 million. Last year when 720,000 people visited Britain, earnings totalled £116 million. Canadian visitors to Britain in 1952 totalled 40,000. 4,000 more than in 1951. They spent more than £20 million last year and more than £30 million in 1951.

HARDY VISITORS

WINNIPEG Bohemian waxwings, hardy wanderers from the north, are spreading the Winnipeg district in large numbers this winter. The birds, chocolate-colored with a crested head, will move north with the advent of warmer weather.

Hero's Real Relief for
ARTHRITIC RHEUMATIC PAINS—STIFFNESS
W. K. Buckley has discovered how to combine 5 powerful, pain depositing medicaments in a move where cream that counts. It penetrates to where the pain is — brings relief from many long sufferers — faster and longer than you ever thought possible. Ask for BUCKLEY'S Bandeau WHITE RUB

How To Save Money and Get Fast Cough Relief
Here's an old, tested, home mixture your mother knew . . . still a most dependable remedy for distressing coughs. Fast and effective children like its pleasant taste.
Make a syrup by stirring two cups of sugar into one cup of water until dissolved . . . no cooking needed (or you can use maple syrup or honey instead). Now pour 2½ ounces of PINEX (CONCENTRATE into a 16 ounce bottle, and add the syrup you've made. You'll have 16 ounces of fast setting, pleasant tasting cough medicine, more than you could buy for four times the money, with effective relief for the whole family.
Pinex — a special compound of proven medicinal ingredients—helps you, or money refunded.
PINEX IS EASY TO MIX—
FAST ACTING—EFFECTIVE

Patterns
All-Time Favorite

by Alice Brooks
Grandma called it "Wonder of the World" — and I agree it is — for it's only a two-patch quilt. Simple to piece and so effective you will duplicate design!
Two patch quilt in two materials! Pattern 7048: directions, pattern pieces.
To obtain this pattern send twenty-five cents in coins (stamps cannot be accepted).
Household Arts Department,
Postals Publications Limited,
60 Front Street W., Toronto.
Be sure to write plainly your Name, Address and Pattern Number.
A modern sugar beet factory can handle 6,000 tons of sugar beets daily.

Japanese Bride Is "Introduced" To Canada

Everything is new and strange to Mrs. Ken Brede as she is shown around Edmonton by her husband, Pte. Brede, following their arrival from Japan. The fourth Japanese bride of a Canadian soldier to arrive in this country, Trooper Brede met his wife-to-be in Kure, where he was stationed with the 2nd Battalion Princess Pats. Following stopover in Edmonton, the young couple departed for their home at Lloydminster, Sask.—Central Press Canadian.

71 YEARS AGO
Took Advice And Came West

REGINA. — The red letters of a pamphlet, found in the back of an ox cart persuaded Edward Ashley Bankes to come to Saskatchewan 72 years ago. He's been there ever since and recently celebrated his 85th birthday.

The pamphlet read: "Go west, young man, and grow up with the country."

Mr Bankes left his home at Prince Albert, Ont., and travelled by what is now known as the town of Regina. He moved to Regina several years ago

Mr. Bankes drove a team of oxen from Brandon, Man., to Wolseley and obtained squatter's rights. From farming he branched into business.

In 1883 he built a livery stable and operated it for 11 years before buying the Wolseley hotel with his brother, Roy. The Bankeys Brothers store and hotel were then acquired a private bank and lumber yard.

For 18 years he served on town council and school board and was mayor for one year.

Mr. Bankes married Edith Elizabeth Perley, daughter of a former New Brunswick senator in 1884. Three sons are living, Perley of Winnipeg, Roy of Wolseley, and Carey of Regina.

Mosquito trees of the American southwest, Chile and Argentina can send roots 40 to 60 feet down to seek water.

Mrs. Clyde Scott Smith
Says It's Best!

Mrs. Clyde Scott invites you to compare Ben's Rosemary Margarine with any spread at any price! You'll agree with the mother of Canada's famous Dionne Quins that Ben's Rosemary is fresh, sweet flavor wins novices from everyone! You'll love Ben's Rosemary's nutritional value, too. Order some at your grocer's today! It's "Flavor Nutritious" Lemonade!
Ben's Rosemary Margarine is sold in the regular economy package with color maker. Also in the famous Yellow Quick bag for fast, easy color. It's

Expert Sees Prairie Boom In Vegetables
WINNIPEG—Sizable increases in the production of vegetable crops and a subsequent increase in the number of vegetable processing plants on the prairies was forecast by L. H. Lyall, horticulturist of Central experimental farm, Ottawa.
Mr. Lyall recently addressed a luncheon meeting of the Western Canadian society for Horticulture here.
He said heavier production of vegetables on the prairies would favor the greater development and spread of plant diseases.
Figures were not available for Canada, he said, but in the U.S., fungus diseases alone boosted consumers' annual food bills by $1,700,000,000.
The effort to produce new disease-resistant vegetable varieties was a continuing battle, Mr. Lyall said.
In his annual report, president J. H. Almey, of the Canadian Pacific railway agriculture department, Winnipeg, told members their job was to "break down the barriers that are preventing the desirable development of horticulture on the prairies.
He stressed the importance of ornamentals in the development of a balanced national life.
Because prairie residents are becoming "increasingly active" in beautification of home grounds, Mr. Almey advised members to be prepared for a greater demand both for new material and information.
As an example of what people might ask for in future, he described an "idiotic plant—capable of springing back to normal after being run over by tricycles and roller skates.

LETTER DELAYED BUT NO HARM DONE

NEW ROCHELLE, N.Y. — Capt. Jerome Sweeney's love life caught up with him when the army officer received a love letter that was mailed March 11, 1947.
The let er was from Mary Ellen McGough of St. Paul, Minn., and had been to Alaska and an untold number of other army posts at which Sweeney served before catching up with him at Fort Slocum here.
Sweeney immediately showed the letter to his wife of five years . . . the former Mary Ellen McGough.

Trust MAGIC for sure-fire baking success!

WALNUT BUTTERMILK LOAF
Mix and sift twice, then sift into a bowl, 2½ c. once-sifted pastry flour (or 2 c. once-sifted hard-wheat flour), 1 tsp. Magic Baking Powder, ½ tsp. baking soda, 1¼ tsps. salt, ½ tsp. ground cinnamon, ½ tsp. nutmeg, packed brown sugar, ¼ c. rolled oats and 1 c. chopped walnuts. Combine 1 well-beaten egg, 1 c. buttermilk, 2 tsps. grated orange rind, 1 tsp. vanilla and 2 tbs. shortening, melted. Make a well in dry ingredients and add liquids; mix lightly. Turn into a loaf pan (4½" x 8½") which has been greased and lined with greased paper. Bake in a rather slow oven, 325°, about 1 hour. Serve cold, thinly sliced and lightly buttered.

TINTED GLASS IS CAR PROVED HELPFUL
REGINA.—Tests have proven that tinted glass in the windshield or colored glasses are of definite help to a driver during the daytime. On the other hand, they must be removed or adapted for driving at night.
The National Safety council and two other national organizations have all made tests. They report that any sun visor, tinted windshield or eye glass reduces the glare during the daytime and rests the eyes for night driving.
At night, however, these aids are only of help providing they are adjusted so they shield the driver's eyes from oncoming headlights, but leave clear glass between the eyes and the road itself.

Allandale Notes

(Held over from last week)

No complaints about the weather — it's been wonderful. The side roads have drifted but by using the shovel we are able to get out.

The final of the Provincial bonspiel in Vermilion was played on Sunday evening Feb. 8th. Orr Strome's rink comprised of Don Wilson and the King Bros. John and Keith, won the Grand Challenge. The prizes were a lovely set of tumblers, the heavy bottom kind. (Mrs. Orr, not Keith, played the final against Frank Bowman and his rink of fourteen).

Our deepest sympathy to Mrs. Stonehouse, family and relatives on the loss of their husband and father. His memory will be long and deeply cherished in the district by all who knew him.

A belated congratulation to dear friends who lived so long in the district, Mr. and Mrs. Herb Spencer on their 57th wedding anniversary. May you enjoy many more.

Glad to welcome home the Mayers and Nora who returned on Feb. 8th. In spite the cold the roads are very treacherous. Hope to have more details of their 3 month holiday later.

It was a lovely afternoon for our W.A. annual meeting on Feb. 12th at the Baldock's. The annual report was very satisfying for our few members. The efforts of everyone is very gratifying and appreciated very much. It was a pleasure to have Mrs. Moore and Mrs. Hoggsom with us for the afternoon. Officers for the following year are: President — Mrs. Ken Moore; Vice-Pres. —M. Baldock; Sec.—M. Williams; Treas.—F. Throndson; Bazaar Convener — E. Throndson; Members by M. Moore; Social Con. — M. McPhee and D. Stonehouse. It was noted that Mrs. Throndson has been the secy-treasurer for 16 years. "For your work well done", our many thanks. Bazaar material was taken for make up, and there was some lovely material. Our March meeting will be at the Conners home, M. McPhee and M. Baldock on the lunch committee.

Glen Baldock was home from the city while the teachers convention was on there.

Don Wilson accompanied by Allan Beddon motored to the city on Feb. 14th to meet his wife Hilda and daughter Dorothy who had been visiting her sister Della and family at Waterways.

It was a pleasant surprise to hear Kate Aldous congratulate Mr. and Mrs. Cavil on their 67th wedding anniversary on Feb. 10th over the Saskatoon radio station. Also our very best to this esteemed couple.

Miss Jean Lee is employed at the Bank of Toronto in Clandonald. She commenced work on Feb. 9th.

Congratulations to the newly-weds, Mr. and Mrs. George Woods of Dewberry (nee Amma Asley). The wedding group including the bride, bridesmaids and little flower girl all looked lovely.

It was a pleasure to hear the fine singers "The Hollywood-Aires" and the Kilsmens are to be congratulated on their effort for bringing such fine talent to Vermilion. It is nice to see the support given to the Kiwanis as they are helping you and your town.

Closing Thought: I know not what the future hath of marvel or surprise, assured alone that life and death His mercy underlies.

Kitscoty News

Mr. and Mrs. Cecil Conanore had as their guests last week Mrs. M. Anderson, Mrs. Conanore's mother, and sisters Mr. and Mrs. E. L. Buck, all of Dunvegan, Alberta, and Mrs. E. Nundahl and son Brian of Edmonton.

Hon A. Aalborg, M.L.A., and daughter Bobbie of Edmonton spent the week-end at the home of Mr. and Mrs. J. A. Smith and family.

Mrs. M. K. McDonald had as her guests last week Mrs. Smith and Mrs. McDonald, Mr. and Mrs. Bill Johnston, Mrs. Jim White and friend, for the week end, all from Edmonton. Mrs. Bill Johnston skipped the rink with Mrs. M. K. McDonald as a member of the team to win the Grand Challenge in the ladies' spiel at Lloydminster last week. These ladies also won other prizes. Mrs. Johnston is a one time Kitscoty resident as a congregational girl.

Mr. and Mrs. Cecil Conanore are family guests the week end visiting in North Battleford with Mrs. Conanore's brother Mr. Anderson and family.

We still have several people on the sick list Mrs. Alex Potter in the Mayo Hospital, Chas. Chrystie of Kinsmen district and Paul Loginski, both in Lloydminster hospital. Mr. H. Wright is now convalescing at home. Best wishes to all who are ill, for a speedy recovery.

Mrs. Bill Potter and family of Alliance who will soon take up residence in St. Paul have been visiting here with Bill's folks for a few days.

About 25 ladies from town and district attended the women's World Day of Prayer in St. John's Anglican church on Friday, Feb. 20th. Mrs. J. Smith conducted the service with Mrs. Apperson, Mrs. Secord, Mrs. Pickles, Mrs. J. Batty, Mrs. Fox and Mrs. G. Blake assisting with special prayers.

Several Kitscoty curlers are taking part in the Vermilion bonspiel this week. A few rinks are also participating in Streamstown, Marwayne, Lloydminster and Mannville.

By the time this goes to press we will have said goodbye to Mr. and Mrs. E. Wattelick and family who are leaving this week for their new home in Alliance where Ed will be station agent. More news about this popular family next week.

Mr. and Mrs. Dick Evans have had their house wired and are expecting the power to be turned on about the week-end, soon joining the ranks of the happy farmers with electricity.

W.M.S. Hold Annual Meeting At Mannville

MANNVILLE—The annual meeting of the Vermilion Presbyterial of the Women's Missionary Society was held in the Mannville United church on Feb. 6th with Mrs. M Hill of Vermilion, the president, presiding. There were 20 delegates from Vegreville, Vermilion, Islay, Lloydminster and Auburndale.

The address of welcome was given by Mrs. McGowan in the absence of Mrs. McPhee, president of the Mannville W.M.S. The address of welcome from the Mannville congregation was given by Rev. R. Crighton.

Morning devotionals were conducted by Mrs. Ross and afternoon devotionals by Miss Anderson of Islay, with the Memorial services by Vegreville delegates.

The treasurer reported that all allocations had been met. After the business session the guest speaker Mrs. Adams of Elk Point gave an interesting talk on her experiences in her work among Africa can people.

At the conclusion of the meeting supper was served in the church hall by the W.A. Mr. Crighton brought greetings from St. Paul Presbytery and Mrs. C Smith from the Mannville W.A. Solos by the Misses Betty Proudfoot and Ruth Gamble were much enjoyed by all.

BUSINESS . . CENTRALIZATION

An Appeal to All!

The Canadian National European Flood Relief Committee under the chairmanship of His Excellency the Governor General, has launched an unlimited appeal for funds to help relieve the distress of flood sufferers.

There will be no national canvassing organization. Individuals, organizations and business firms are urged to make their donations through Branches of all chartered banks which will issue receipts valid for income tax purposes. All Red Cross offices will accept direct contributions by Postal Order, and similar arrangements have been made for Express Money Orders.

This is not a Red Cross appeal, but the Canadian Red Cross will be the administrative arm of the Committee for the distribution of assistance through its International Red Cross channels.

At present the appeal is for funds only. All requests for assistance from the fund will be checked by Red Cross Societies, Foreign Government Agencies and Canadian Embassies overseas.

THE NEED IS GREAT. YOUR GENEROUS HELP IS URGENTLY REQUESTED.

Local News of Interest

Tells of Salvation Army Work In Sweden

SPLENDID CROWDS HEAR CAPTAIN HARRON

Splendid crowds gathered for the week end services at the local Salvation Army Corps, when the meetings were conducted by Capt. Malcolm Jackson, who has just arrived in Canada from England.

The Captain, who speaks English fluently, spoke of Salvation Army work in her native land, where she served for 11 years as an officer, and also mentioned her pleasure at being able to share fellowship with Christians on this side of the Atlantic. Throughout the week end, the visitor contributed musical numbers, and sang a number of solos in the Swedish language. Following the Sunday evening service, a short musical number was presented, with special numbers being provided by the visitor along with items from other musicians. During her visit to the Sunday school, the children listened with rapt attention to a Swedish story from the Captain, and also learned a chorus in that language.

To Marry Capt. Halliwell

On March 4th in Edmonton, Capt. Isabella will become the bride of Capt. F. Halliwell of Drumheller, who was formerly stationed in Vermilion. Incidentally, Captains Isabella and Halliwell met at an International Youth Congress held in London, England, almost three years ago, and to which the local Corps officer, Capt. R. Chapman, was also a delegate.

BABY CLINIC DATES

The Minburn-Vermilion Health Unit will hold baby clinics at the following places and times:

Vermilion —Monday, March 2, 2 to 4 p.m. in Legion hall;
Derwent — Thursday, March 5, 10:30-11:30, school;
Clandonald—Thursday, March 5, 2 to 4 p.m. school;
Dewberry —Friday, March 6, 2:30 to 3:30 p.m., school;
Vermilion—Monday, March 9, 2 to 4 p.m. in Legion hall;

THE W. M. S.

The W.M.S. of United church held the regular monthly meeting Feb. 11th at the home of Mrs. Oakley commencing at 2:30. Mrs. W. L. Robinson the president was in the chair. The meeting opened with the president reading a verse of scripture and Miss Craig and Mrs. Pilgate then carried on with the devotionals.

Mrs. C. Barr, Mrs. W. L. Roebuck and Mrs. Dr. Sweet were asked to give reports, as they were delegates to the Presbyterial. The reports were excellent indicating much was being accomplished. Mrs. Hardy then reviewed a chapter of our study book "African Trails" which was very interesting. The roll call next was rated that there were 25 members and 5 visitors present. Before the meeting ended four of the visitors became members which greatly pleased everyone.

The visits to the shut-ins, sick and hospital and home calls were taken.

The committee then served lunch as some had to leave early, and the balance of the meeting followed, ending with repeating the Mizpah. The next meeting will be a meeting inviting the C.G.I.T. groups to affiliation with the W.M.S.

George Washington Stars As Goalie With Grande Prairie

"Like his namesake, the Red Devil goalie, George Washington, says 'I cannot tell a lie'. He is not a direct descendant of the United States Father of Confederation but he is a descendant of an uncle of the latter's namesake George Washington. He must have somehow inherited a little of Washington's ability to keep the enemy because he certainly saved the Red Devils from getting smothered last Saturday. He had 40 shots against him in comparison with 25 against the Canuck goalie."

—Grande Prairie Herald-Tribune

Canadian Legion W.A. Meeting

The Ladies Auxiliary to Canadian Legion will meet on Monday March 2 at 8 p.m. in the Legion hall. All ladies who have tea towels please bring them to this meeting. Entertainment at end of meeting. 33c

CLANDONALD HALL

Showing at the Clandonald hall this week end Feb. 27 and 28 "Wicked as the Women" this feature has not previously been advertised. Next week "Ropes of Sand". 33c

Girl Guide Tea

The Girl Guides will hold a tea in the Legion hall on Saturday, Feb 28th from 2:30 to 5:30 p.m. 31-3

Rev. F. P. Berg left Tuesday by car for Grande Prairie upon receiving word that his sister, Mrs. C. H. Day was critically ill in the hospital there. Rev. Norman Dreger will be in charge while he is away.

Word received from Gunner John Q. Mullan in hospital in Korea (for treatment only) to his mother Mrs. Ed Mullan north of Vermilion, stated that he had received Xmas parcels from the L.O.D.E. here and the local branch of the Canadian Legion and that he wished to thank them most sincerely. Gunner Mullan has been in Korea since last fall.

Last week Mrs. Hiram Hodgins received a wire containing the sad news of her brother Fred Dale's sudden death near Shawville, Que. He will be remembered by quite a number of people here as he was here for 11 years before moving to Shawville. Deceased is survived by his wife and family, for whom the sympathy of many friends in this district south of Vermilion.

Peter Nester of Derwent, travelling via TCA, went to Winnipeg last week where he will take delivery of a new Ford purchased through Chiefield Motors.

Mr. and Mrs. John Doherty had as their guests over the week end their daughter and son-in-law Mr. and Mrs. Nellie MacInnes of Wildale, Sask.

Alex Marion has left on a business trip to Windsor, Ont., and while in the east will visit his brother Fred and sister in Toronto. On the return trip he will visit his sister in Indiana.

George Washington of Grande Prairie was home for the week end with his mother Mrs. A. E. Washington. He had been visiting a Canadian Utilities Appliance school in Edmonton the previous week. George left for Grande Prairie by plane Monday, and on Monday night was over in Dawson Creek to play hockey . . he is goalie for the G.P. team.

Old friends here will recall Mrs. Nellie Elwina Dimmell and will regret to learn that she passed away in Edmonton recently where she has lived since leaving Vermilion in 1914. She was the widow of A. J. Dimmell.

The Rev. and understands that Jim Miller is taking a special course in Edmonton at present. Mrs. Miller just observing the two new backgrounds in Grid's windows. Jim is doing a really good job as assistant to Monte Hunter in the men's wear section.

The following names were omitted from the list of floral offerings and memorial tributes in the funeral account of Ray Gold with Uncle Bob and Aunty Fan, Uncle Walter and Aunty Dorothy Lawrence, Joyce and family, Mr. and Mrs. Lee, Mr. and Mrs. Mel Quirk and family, Mr. and Mrs. Hugh Logan The Shaw Family.

Savings & Credit Union Hold Annual Session

The annual meeting of the Vermilion Savings and Credit Union was held in the auditorium of the V.S.A. building on Feb. 19th with the usual number present and like so many such affairs only a few of members were interested in their absence.

The financial statement showed that the year's business had been a very successful one, the auditor's report and meeting on recommendations of directors declared a dividend of 5% for the year 1952.

There is a change in the directorate and one change on the supervisory committee which was elected. The Credit committee was filled by the returning member.

The officers for the current year are President F. Van Wageningen, Vice-Pres. Ralph Wagner, Sec.-Treas. Ed MacDonald. Mr. H. P. Long who has been the secretary for a number of years asked to be relieved of the duties.

Credit Unions exist in Canada from north to south and from coast to coast. The Vermilion Savings & Credit Union Ltd., carries banking insurance in case of death on all loans and group life insurance on your shares account up to $1000. Unite and protect is true co-operation.

Pie social and dance at Basmenord school on Friday March 13th under auspices of Junior Red Cross. 33-4

IN MEMORIAM

In fond and loving memory of my husband and our dear father
Bernard Conlon
—who passed away Feb. 26, 1952
Our kind and loving father
My dear at husband too.
His loss no one can understand
Save those he loved so true.
Our hearts still ache with sadness
Our eyes shed many a tear.
Only God knows how we miss him
As it dawns another year.
—Always remembered by his loving wife and family.

IN MEMORIAM

In loving memory of
Robert McCann
—who passed away Feb. 20, 1948
Time speeds on, few years have passed
Since death its gloom, its shadow cast
Within our home where all seemed bright,
And took from us a shining light.
—Ever remembered by his wife and family.

CARD OF THANKS

We wish to extend our sincere thanks for the expressions of sympathy and the kindy and helpful acts received during our recent bereavement.

The Green Family.

CARD OF THANKS

We wish to extend our very sincere thanks to the many friends and neighbors who were so kind, thoughtful and helpful to all our family during our recent bereavement.

—Grandpa and Grandma Ott and Mrs. Oliver Goldsmith.

CARD OF THANKS

Mr. and Mrs. Clair Brown and family of Marwayne wish to thank their many friends for the kindness, sympathy and donations extended to them in their recent fire and bereavement.

CARD OF THANKS

I would like take this opportunity to thank the Union Koknee Homemakers for the lovely gift they sent me while a patient in the Vermilion hospital. I also wish to thank Dr. Stephens, Miss Keith, the nurses and staff, and each and every one of my friends and neighbors who came to see me and for the floral flowers and cards they sent me. It is my time this appears in print I shall be in the Royal Alexandra hospital, Edmonton so will just take the time or opportunity to answer of thank each one separately.

Mrs. Wes Fussell.

QUESTIONS and ANSWERS on Cancer
QUESTION: Is cancer increasing?
ANSWER: More cancer is reported each year. This may be due to better methods of diagnosis and to the fact that many people live to the so-called cancer age. However, the death rate has decreased as cancer cases discovered early and treated.

STAGETTES

The regular meeting of the Vermilion Stagettes was held on Tuesday night in the club room with 13 members present. We were all given a hearty invitation from our 'Ranch Boss' to don our western gear and ride out to the Diamond B ranch for our District convention to be held on May 16-18 — so if you all see the Stagettes adopting western ideas you'll know they are planning to attend this round up.

A donation of $25 has been given to the European Flood Relief fund.

We'd like to thank Kay again for her First Aid instructions. We really enjoyed it Kay.

It seems that Dan Cupid is on the prowl again. Doi A has decided to leave us — her reason being matrimony.

Checking Feb 26th Martha and Mary Ann. March 7th - Vivian and Eileen.

Wildmere W. I. Notes

The Wildmere W.I met at the home of Mrs. R. Smith on Feb 5th with nine members present. During the ladies banquet in Vermilion our president and vice-president were absent. Mrs W. Steel very kindly took the chair. The singing of O Canada and repeating the Creed opened the meeting. Roll call was answered by a Federated news item. Correspondence was a letter from our Alberta president Mrs. McFarlane who has been in Eastern Canada making arrangements for the A.G.M.W meeting this summer at Toronto. Fifty Alberta W.I. members can attend Canada Day. A letter also from Mrs. Howes of Millet. What a busy woman she must be to get so many W. I. notes in the Journal every Saturday.

ACTIVE YEAR AT SALVATION ARMY

ANNUAL MEETING IS HELD

A goodly crowd gathered for the annual meeting of The Salvation Army recently and reports indicated that satisfactory progress was made in a number of departments of the local Corps during the past year.

The sum of $6,724.39 was raised by all departments during 1952, with $1981.49 of this being realized in the annual Red Shield Appeal and which was forwarded to campaign headquarters, a portion of the same being returned for Social Service work in this district.

Capt. R. Chapman, Commanding Officer, paid tribute to Salvationists and friends who had sacrificially given and labored during the year to see God's Kingdom extended. He also stated that there are an host of outside friends who have the work of the Army at heart, and who actively support its many projects.

It was disclosed that over $5000 is presently deposited in the building fund and it is hoped that the construction of new living quarters on the corner of lot 4 and west of the present citadel would be commenced sometime this year. Increased facilities would greatly enhance the local work and with the construction of new quarters, the present premises at the rear of the citadel would be used for Sunday school, Home League and band rooms. All Salvationists and friends are urged to do their part in making this possible, by supporting the building fund. Social service work would also be stepped up, and the entire community would benefit by such a project.

The auditors' reports that were presented revealed encouraging increases in attendance at indoor and outdoor services both in the Senior and the Junior Corps. Interest in the Women's Home League showed a marked increase and a number of home and missionary projects were undertaken by this department. The Band reported that this group had given considerable assistance not only in the Corps, but also in the town and community, and there is presently a need for more male members. The Young People's Corps reported a growing Sunday school, and the commencement of a Young group during 1952 with a very active membership. Mention was also made of the Social Service work undertaken by the local Corps, and of the assistance given to those in need.

During the meeting, local officers received their commissions for 1953, and an offering was received to assist The Salvation Army with their work in the European Flood Relief.

The film, "Quality of Mercy", which depicts various spheres of Salvation Army services in the Dominion was shown at the close of the meeting and proved most informative and helpful.

Health Broadcasts On the Air

Every Monday Evening 8:30 p.m. Over CKUA, Edmonton

A 15-minute health program sponsored by the Health Education Division of the Alberta Department of Public Health is now on the air. In the current series the appropriate health messages are linked to the lives and works of great composers who suffered impairment of health. Interviews and music are developed between medicine in the form of the composers and our own time. Composers and topics for the next four weeks are listed below:

March 2nd- Rossini and nervous conditions.

March 9 — Offenbach and long life:

March 16th - Frank and pleurisy.

March 23 - Elgar and mental illness.

Every Tuesday evening at 10:15 over CKUA, Edmonton, "Here's Health", will be heard. This is a 15-minute program sponsored by the Dept of National Health and Welfare. Subjects for the next 1 weeks are listed below:

March 3rd Hints on Squints

March 10th - - - The Child Who Didn't Hear.

March 17th The Restorer.

March 24th Preparing the Child for Hospital.

A short talk on who is a member and who is not took up a few min utes. Our February project, 25c from each member, and a box of Greece was handed in. Absent members are reminded to hand in theirs. Constituency dues were paid.

As Mrs. R Martin was absent there was no topic but Mrs. W. J Garner gave a reading "Bouquet for Ben Carr" which was very interesting. Social was extra up at home-made Valentine. Johnny Jump-Up was won by Mrs Steele. Next meeting will be at Mrs Steele, on March 4th. Project is used clothing. Roll call, exchange of seeds. Topic by Mrs W J Garner, social by Mrs R. Martin

The hostess served a delicious lunch at the close of the meeting.

Vol. XLIV. No. 34. Vermilion, Alberta, Thursday, March 5th, 1953. $2.00 per Year

Will Double Present Capacity — Overall Cost $620,000.00

Vermilion Plant Will Get Canada's First Gas Turbine

From the head office of Canadian Utilities in Edmonton, Mr. R. Nurse, Superintendent of Production, announces the placing of an order for a 7000 K.W. gas turbine electric generating unit at a cost of approximately $560,000 for installation at Vermilion where the present natural gas generating plant is located. By this provision, the overall capacity of this plant will be almost doubled.

The Vermilion plant is the central source of supply for the Vegreville district of the Company, extending from west of Vegreville to the Saskatchewan boundary and as far north as Cold Lake. Within this district, service is furnished to 61 urban communities, 3 oil fields and 24 rural electrification districts. There is a steadily increasing demand for more energy from all these sources, particularly from the oil industry and the rural section in addition to this the Company is being called on to supply the extensive electrical requirements of the proposed site of the Department of National Defence at Cold Lake on the Alberta-Saskatchewan boundary.

The gas turbine is a mechanical device, and in its simplest form consists of a compressor, a combustion chamber and a turbine, the compressor and the turbine being connected together on one shaft. The compressor draws in air and compresses it to about 75 lbs. per square inch and forces this air into the combustion chamber where it is mixed with a fuel such as oil or natural gas. Here it is ignited and burns with a continuous flame to raise the temperature of the air leaving the combustion chamber to approximately 1200F. This highly heated air has expanded and has increased in volume several times. It then travels at high velocity through the blades of a turbine, causing the whole assembly to rotate, thereby supplying power in the form of a rotating shaft. The shaft can then be connected direct to its load which, in this particular case, is an electric generator. Other forms of load to which these turbines are connected are pumps, other compressors, railroad locomotives, propellers aboard ships, generators and so forth.

The engineering studies on the development of the gas turbine have covered a period considerably in excess of 20 years. What was being sought was the production of power directly from the introduction of fuel, in a simpler form than an internal combustion engine or a steam engine or steam turbine with its use of fuel oil fired boilers. In all the planning the main objective was to arrive at a plant, simple in design and construction, where maintenance and operating costs would be materially reduced.

One of the newest approaches to the gas turbine generally known today is the turbo-jet aircraft engine which actually sprang from the principles of the earlier gas turbines and was developed during World War 2. Certain basic principles are common to both of these, but the results looked for were quite different. For industrial application, the power must be transmitted through a shaft, while with the airplane, it is simply a matter of power thrust against the resistance of the atmosphere.

When this gas turbine is placed in service in the summer of 1953, with an estimated overall installed cost of $620,000, it will be the first of its kind to be installed in Canada, while this is true, the gas turbine for electrical generation is well past the experimental stage. Several units have been installed in the United States and Western Hemisphere and some of these have been in operation long enough to deve nstrate the advantages of the new principle and its economy and reliability in operation.

Some of these established advantages compared with other types of thermal plants are: little or no cooling water is required; they are compact and thus require smaller housing accommodation; they can be placed in service rapidly; they are much simpler than either the conventional steam turbine or the internal combustion engine and finally their cost is generally lower than other types of thermal plants of a like capacity. However, their fuel cost must be kept high to be economical.

Prominent in research work lead ing up to the development and application of this new power source to duties such as the generation of electricity has been the firm of Brown-Boveri Ltd. in Switzerland. As a result of their outstanding success in the field, it is appropriate that Canadian Utilities' order for this 7000 K.W. unit should be placed through Brown-Boveri Canada Limited.

This company recently opened a plant near Montreal where electrical equipment will be manufactured, the first unit, a 7000 K.W. turbine set, will, however, be manufactured at the parent plant in Switzerland.

H. Meyerman Heads Derwent Board

DERWENT.—The annual Board of Trade meeting was held in Derwent on Feb. 20th. The executive elected for the 1953 term is as follows: President - Mr. H. Meyerman Vice-President - Mr. Cherniawsky Sec.-Treas.—Mr. Fleming.

Vermilion, Dewberry Rinks Enter Edmonton Car Bonspiel

Rinks from Dewberry and Vermilion have entered the Edmonton Car spiel which will be played on next week so that there will be plenty of local interest in that event. Skip Fred Braithwaite will be at the helm of a rink picked from Dewberry but the Standard has other personnel. Darrell Cirish, the Vermilion curler, has Lloyd Marcus at lead, Lloydminster at third, Glen Gilborne second and Gordon Ross leading.

V.A.A.A. TO MEET

WILL SEE THE GREY CUP FINAL IN PICTURES

The annual meeting of the Vermilion Amateur Athletic Association will be held in the Legion hall on Monday March 23rd at 8 p.m. Election of officers and general plans made for 1953, and the films of the 1952 Grey cup final will be shown.

Big Rural Hockey Tourney Saturday

DRAW IS ANNOUNCED

The 7th annual rural hockey tournament open to teams from villages, hamlets and country districts within a radius of 30 miles from Vermilion will be held on Saturday March 7th at the Vermilion Hockey arena. The following teams have entered and play table first games as follows:

Mannville vs. Paradise Hill, 9:30 a.m.

Dewberry vs. Vermilion School of Agriculture, 11:15 a.m.

Marwayne vs. winner of Mannville and Poplar Heights game at 12:30 p.m.

Kitscoty vs. Innisfree, 1:45 p.m.

Elk Point vs. Myrnam, 3:00 p.m.

The winner of the tournament receives $100 in cash and the Northern Hardware trophy. The runner-up get $50 in cash.

VIKING HERE ON MONDAY, MARCH 9

Viking Lions will play the third game of the final best of five series at Vermilion on Monday evening March 9th commencing at 8:30 p.m. If the series ends at 3 or 4 games with the Vikings in the lead for the finals. If it is prolonged to 5 they stand to see the fifth game in the local arena.

I.O.D.E. REVIEWS ACTIVE YEAR

OFFICERS ELECTED FOR 1953

The annual meeting of Prog Lake Chapter, I.O.D.E., was held on Tuesday evening when a review of the year's work was made and officers for 1953 elected.

The review revealed that the past year has been a very active one with highlights being:

Conducted drive for funds for the C.N.I.B., proceeds from same being $347.93; Supplied blinds, chairs, desk and other furnishings for the new library assisting to the extent of $80.15. Operating the library and purchase of books $347. Sent parcel of cloth ing overseas. Xmas parcels to Equimalt base, B.C., and to aged people in Britain, $30

Donations were made to Cancer fund, Log Sewers, C.N.I.B., Library, Family Welfare, Save the Children Fund, Outward in Bursary, other assistance $168.00.

Prizes in Legion Poppy Day essays on What Democracy Means to Me, were given to high school students in the Legion hall.

Mrs. Lee Marcus was hostess to the chapter at her home.

Members take turns in being responsible for the Legion Poppy Day by Regent. Members take 'Echo' the National publication and the I.O.D.E. memo calendar.

The Regent and members wish to thank the public for their co-operation in assisting with the poppy sales for the library, and to the Vermilion Standard for publishing all the news items.

The officers elected for the ensuing year are:

Hon. Regent Mrs. E. Parker
Regent Mrs. E. B. Norton
1st Vice-Regent Mrs. B. Hill
2nd Vice Regent Mrs. S. Carroll
Secretary Mrs. M. McLean
Treasurer Miss A. Reynolds
Sprvsors at Home and Abroad Mrs. C. Macdonald
Immigration & Canadianization Mrs. G. Aslan
Empire Study Mrs. M Dowell
Educ. Sec Mrs. B. Hill
Press Mrs. A Mead
Standard Bearer Mrs. M. Pickett
Councillors Mrs. Stone, Mrs. Maddison Mrs. G. Douglas
Emeritus Mrs. Matheson
Library Ed Chairman Mrs. G. Macdonald. Sec. Mrs. E. H. Norton, members, Mrs. F. Parker, Mrs. S. Carroll, Mrs. H. Hill, Mrs. E. Corley, Miss A. Keith.

Vermilion Golf Club Annual Meeting

The annual meeting of the Vermilion Golf club will be held at 8 p.m. on Wednesday, March 18th at the Legion hall. Films showing the Canadian Open handicaps will be available. All members and interested persons are urged to attend.

O.S.A. STUDENTS VISIT VERMILION

PORTY-ONE IN PARTY

The annual hockey game scheduled each between the schools of Agriculture at Olds and Vermilion took place last week with a party of 41 students and staff members from Olds visiting Vermilion.

Girls' and boys' basketball games were played on Friday evening. The V.S.A. girls won their game by a score of 13 to 7 and had a great majority of the play throughout, but the boys from Olds with a strong team of experienced players led the V.S.A. boys all the way to win 42 to 27.

In the hockey game played Saturday afternoon the stronger Vermilion team won a close game getting away and were held to a one goal margin or the score until the final two minutes of play. After the game a banquet was held at the Legion hall with a supper of ski goals in rapid succession for a final score of 10 to 6.

In a competitive spirit, rigorous support from the cheering sections and good, clean sportsmanship featured all the contests.

On Saturday morning the visitors toured classroom and laboratory facilities of the local school and carefully inspected the farm livestock. Their party included the principal, Mr. A. Wood and Mr. Brown both agricultural representatives as well as the editors of their year book and school paper who were most interested in observing extra curricular activities and programs of the two schools.

The Saturday evening entertainment is held a library program to which visiting students were invited. Special pieces. Lunch was served by members of the V. S. A. Student Council and was followed by a dance enjoyed by everyone.

Eager Viking Team Wins By 6-5 Score

Tigers Lose Opener Of Final Hockey Series

An eager, determined Viking team on Monday night conquered the opening game of the best of five in the final series for the Vermilion Hockey League championship and Cavalry cup. The local Tigers held a 2-1 lead at the beginning of the third period and were out in front 4-3 and 5-4, but the tigers just weren't to be denied and they managed to tie the score three times in that last period and finally added the game and set goal in 11. It seemed to be just sheer determination and eagerness, to win that carried the Vikings team on to victory.

The game moved to Viking for the second game, results of which will be found elsewhere in the Standard, and play the third game back here in Vermilion on Monday.

Glasgow opened the scoring late in the first to put Viking one goal up. Pataula, St. Martin and Barry each notched one in the second while the Lions were held scoreless in that canto and the Vermilion fans breathed much easier. However in the third Kline put Viking back in the game and shortly thereafter Procter tied up the count at 3all. Rowe converted Les Williams' pass. Ray Clark Proulx tied the count at 4 each. Les Williams put the locals one in front on a beautiful solo effort while originated deep in his own end, but Ross made it 5-5. Glasgow and Mason combined for the clincher of the game with only a few minutes to go. The Tigers pulled Goalie Brown in an effort to tie the count but to no avail.

Only three penalties were handed out in the rather rough and tumble affair, one to Rowe and the others to Ross and Brown of Viking.

Lineups

VIKING — Taylor, Proulx Ross, Kline, Thunnell, Josephison, Brown, Procter, Glasgow, Mason, Sarken Kelly.

VERMILION Brown, Kreller, L. Williams, Ferguson, Robertson, St. Martin, Barr, Pataula, Rowe, B. Williams, Schmidt, Leahy, Stewart.

TIGERS DRUB LIONS 6-1

IN SECOND GAME

Vermilion Tigers drubbed Viking on Wednesday evening 6 to 1 to tie up the league play-off at one game each. The game was played at Viking. The third game will be played here Monday March 9th at 8:30 and it is safe to say that a record breaking hockey crowd will be on hand. The actual paid attendance at Viking was 1213.

Library Opening Thursday, March 12

CEREMONY AT 8 P.M. — DR. STEWART TO OFFICIATE

It is announced that the official opening of the new Vermilion Public library will take place on Thursday, March 12th at 5:00 p.m. Dr. Andrew Stewart, President of the University of Alberta, will be the guest speaker. It is expected that Mr. Ivan Head, Q.C., Provincial Co-ordinator of Cultural Activities will also be present. The late hour of 8 p.m. is to enable distant visitors to attend. Everybody welcome.

Dr. Stewart will later address the Canadian club at a dinner meeting in the Legion hall at 6:30.

Livestock Auction Sale Here March 18th

The North-Eastern Alta. Livestock Sales Association is to hold a livestock auction on Wednesday, March 18th at the local stockyards. Full particulars may be obtained by phoning S-city Hines at 1108 or Charlie Pearman, ph. 2017. 34-5x

Vermilion River Ratepayers Annual Meeting

Reeve Jack Leighton Retires; Election In Division 5

The annual ratepayers' meeting of the M.D. of Vermilion River No. 24 was held in the community hall here on Saturday, Feb 21st. The meeting was called to order by A. Wood at 1:00 p.m. and opened the meeting at 1:01 p.m.

Moved by Mrs. D. P. Sherritt that Mr. Wm Lloyd be appointed chairman. As there were no further nominations the nominations were declared closed and Mr. Brown duly appointed chairman.

Moved by Mrs. Sherritt that the minutes of the last years meeting being published in the Vermilion Standard be read. Carried.

Moved by Mrs. Sherritt that the minutes of the last years meeting being published in the Vermilion Standard be adopted as read. Carried.

Moved by G. D. Watt, seconded by Mrs. Hinsh, seconded by G. D. Watt.

Mr. John Leighton the Reeve presented the report and the auditor's report of 2 H. Kelly seconded by T. Hinsch that the report be accepted. The Secretary read the Municipal Inspector's report. Moved by R. A. Hall seconded by D. Sherritt that the report be accepted.

Mrs. J. G. Skinner seconded by Mrs. E. Hoak that the financial statement be accepted. Carried.

It Heath that the financial statement is discussed page by page Carried.

The financial statement was read page by page by the Secretary, discussed page by page and on motion of R. A. Watt seconded by R. Dudley that same be accepted.

Nominations

At the hour of 3 p.m. the Returning Officer declared nominations for Council now open for Division 5 and 6. 2 hospital representatives and Division No. 1 hospital representative. Elk Point No. 24 hospital representatives.

Moved by R. C. Galloway, and seconded by J. Van Wageningen that nominations for Councillor Division 5 and 6, 2 hospital representatives and Division No. 1 hospital representative be closed. Carried.

Moved by C. Mead, seconded by J. Nelson that with a view to economy and efficiency, that a committee be appointed consisting of the Reeve and Councillors Galloway, Mead and Nelson to co-operate with the Municipal Inspector in the matter of the Public Works programme for the year 1953 and that the Committee be empowered to act in the matter of the purchase of machinery and equipment

Enjoy Fine Address At Anglican Men's Club

Following an exceptionally tasty meal of ham and french fries, the Anglican Men's club on Monday evening listened to a tape recording of an address delivered by Bishop Bayne of Seattle. It was an outstanding talk by a very learned yet human man. So impressed were the men in attendance that the tape recording will be run again after supper Sunday evening so that all may have the opportunity of hearing it. The address was first given at the Laymen's dinner in Edmonton on Shrove Tuesday, and was attended by ten men from St. Saviour's church here.

Less Pork In Sight

It looks like a big decrease in pork production this year, says The Financial Post. Breeding stock is away down, over 20% for first six months, and the ration between hogs and grain greatly favors the selling of the latter direct rather than feeding to pigs.

12 Grandchildren Of One Family At Dewberry School

Sunday Feb. 8th C. F. Green in his broadcast over CKX 'Neighborly News from the Prairies' mentioned as a remarkable fact that a Mr. and Mrs. So and So of somewhere in Manitoba had 11 grandchildren all attending the same school. Is it not more remarkable that 12 grandchildren of Mr. and Mrs. George Mathison are attending school at Dewberry in Alberta, 8 more grandchildren are attending school at North Home, with still one more taking a high school course at Chauvin, making in all 19 grandchildren all attending school, all live within a radius of about 3 miles, all get their mail via R.R. 1, Dewberry and all are surnamed Mathison.

40,000 Canadians Visit British Isles In 1952

Last year 40,000 Canadians visited the British Isles and they spent more than $25 millions while they were there. That was an increase of more than 10% both in numbers and value over 1951, and the gain in this connection year is expected to be still more impressive.

Here is a natural Canadian import from Britain which every Canadian would like to see expanded indefinitely, comments The Financial Post. With visible imports like cars, textiles, leather goods, china and so on there is more or less direct competition with Canadian producers of similar goods. In some lines there is little hope of the British being able to build up a substantial permanent market or greatly expand their present export. But this hardly applies at all to Canadian travel abroad, though in this case the British gain Canadian dollars in exactly the same way as if they had sold us a car, a pair of shoes, a roll tough or a set of china.

Every $100 a Canadian spends on travel in Britain, gives the British another $100 to spend on Canadian wheat, lumber, aluminum, cheese or fish.

Amateur Night Is Enjoyed At Kitscoty

A large crowd attended the Amateur night in the Kitscoty town hall last Wednesday sponsored by the Kinsmen school children. The varied and enjoyable program was interspersed by clever items of magic performed by the teacher, Mr. Marshall Wyrnichuk.

The following were prize winners:

Adult Group

1st prize, Rev. Mr. C. K. Vogel; 2nd, Mr. Tim Bootsman; 3rd, Mr. Jim McFadden of Islay.

Dancing Groups

First and second prizes were awarded to the Myrtle Hill group; 3rd, prize went to wee Sandra Gerrits for the Highland Fling, all under the direction of Miss A. Anderson.

Open Group

1st prize to little Miss Judy Skorepko of Silverstown for her wonderful acrobatic performance; to Miss Sylvia Sheppard for her delightful piano solo; 3rd, Miss Marilyn Smith for her solo, "It is no Secret what God can do".

Family Group

1st — Kinsmen school vocal and instrumental; 2nd — Islay school tumbling group; 3rd — Kinsmen school instrumental group.

A well attended dance followed the program.

Letters to the Editor

Vermilion, Alberta,
Feb. 24th, 1953.

Vermilion Standard,
Vermilion, Alberta.

Dear Sir:

The local Branch of the Canadian Cancer Society would like to express thanks and appreciation to you for your kind assistance through the past year. You have helped us a great deal with the publicity and education of our Society.

Your efforts given cheerfully and willingly as a "public service" are greatly appreciated. Thank you most kindly.

Yours sincerely,
Mrs. J. B. Bell, Sec'y.

RABIES BY-LAW

THE FOLLOWING IS A SYNOPSIS OF BY-LAW No. 763, KNOWN AS THE RABIES BY-LAW:

1 All dogs whether licensed or not shall be confined so as to be effectively confined upon the owner's premises.

2 That the provisions of the Federal Department of Agriculture Order under the Animals Contagious Diseases Act become operated in and forms part of this By-Law.

3 That any contravention of this By-law shall be liable on Summary Conviction to a fine not less than $2.50 and not more than $10.00 for the first offence and subsequent conviction by a minimum fine of not less than $10.00 with the addition of all costs.

4 Any dog so running at large contrary to the provisions of this By-law may be DESTROYED.

BY ORDER OF THE COUNCIL,
TOWN OF VERMILION. 28-4c

Too Late to Classify

UNDERSERVED AUCTION SALE—March 30th at Stewart's Ltd., Airdrie, Alberta. New and used Contractors, Farm and Logging Equipment. Write for sale bill. 36-3c

Wins Merchants Event At Vegreville

A rink skipped by Gordon Park and comprised of Aldous Kent, Ed Chrisy and Sandy Wright won the Merchants competition at the Vegreville bonspiel.

Patsula Scores 4 Goals

Vermilion Tigers eliminated the Vegreville Rangers in two straight games winning the second last Saturday night at Vegreville 7 to 1. Patsula scored 4 goals and assisted, Barr, St. Martin and Rowe 1 each. Les Williams had 2 assists, Patsula 1 and St. Martin 4 assists. Zaruby from Churuk scored for Veg.

Charlie Was Puzzled

Charlie Cawthorpe was very puzzled last week. He was about to become one year older but the day and date upon which he was born just didn't exist! Consequently Chas didn't know whether to have his birthday party Saturday, Feb. 28th or Sunday March 1st. He thought maybe he would play safe and have two birthdays. You see Charlie was born on the extra day in a Leap year, Feb. 29th.

Dewberry Curlers Active All Over Area

The Dewberry lady curlers Skip Elsie Jones, Gullda Klemik, Iris Hodgson and Anne Dennil won 2nd prize in the Grand Challenge event at the Lloydminster spiel and first in the Prince Charles. They played six games on the last day.

Skip Ralph Lunden, D. Rainey, G Rainey and Jim Honey won the Grand Challenge at Islay. Walter Parker 2nd, Neil Jones 3rd and T. Jarrett 4th, all in the Challenge with Alf Redman copping 6th in the third event.

The Hennebery ladies' Challenge was brought to Dewberry by Elsie Jones skip, and Phyllis Ewen, Anne Mathison and Mrs. T. Jorgy. Mrs. Joe Braithwaite won third in the same event, while Gullda Klemik took first in the secondary.

What may be the latest in 'we don't know what', has been made by Alf Parker. It has 4 wheels, an air-cooled engine, an Austin transmission, steering wheel etc., like it would make a good transport vehicle for skips to go back and forth with between shots!

Deer Lake

Mr. and Mrs. George Finney have returned from their trip east. They had a wonderful trip, not even a flat tire. So much time was spent visiting relatives in Toronto and in New York that they postponed their planned journey to California until a later date. While in Toronto they received 3 National hockey league game and thought it just grand. Looking down from the top of the Empire State building in New York gave Mae quite a thrill.

The whist drive and dance held in the school on Feb. 25th was very enjoyable. The ladies first prize was won by Teresa Phillin, 2nd, Mrs. Dupuit and consolation Peggy Dupuit; guest, 1, Leslie Bowman, 2, Dever Deford, consolation, John O'Fee. Better practise up Peggy, I'm going to beat you next time. After a delightful lunch dancing was enjoyed to good music played by Peggy Dupuit and Eric Elliott. Mrs. Dupuit and Leslie Bowman helped out on the Hazzard Hazzard and Bob Garnet. Everyone said they had a very good time.

If anyone wants another good time, come to the Bingo party on March 9th in the Dewberry hall. Bingo can be played all evening for 25 cents for the card. Where can a quarter go further than that? Lunch will be sold. The evening is being sponsored by the Dewberry C.W.L. Everyone welcome.

A Thought —
Of manners polite
Soon and every climate.

Bowtell Bulletin

(This bulletin was held over from last week. Allowance should be made for lapse of time).

Congratulations to Mr. and Mrs. Fidlon on the birth of a baby girl at the Vermilion hospital.

Twenty-two ladies attended the February Busy Bee meeting at Mrs. Harrison's. Mrs. Gagnon and Mrs. Hodges were welcome visitors. A nice letter of thanks was read from Mrs. McClellan in Edmonton and Mrs. Knutson. Enough pieces were turned in to make a quilt. This is to be finished at the next meeting at Mrs. Miller's. A cup and saucer was presented to Mrs. Fenton for her services to date and she in turn thanked the club for the nice surprise.

Lovely weather is being enjoyed and we have certainly had a grand winter. The men folk are now busy cleaning grain so that it must be nearly noon.

Robert Hibben was around Monday grading the new dairy devices on each peons bar in the district.

The Rupp family were guests at a family dinner at the Cow home on Sunday.

Death claimed an old time resident of the Bowtell district on Thursday morning when Mr. Earl Robinson died in a Veterans' hospital in Edmonton. Deepest sympathy is extended to the family in their bereavement.

The writer is sorry to learn that Uncle (H.) Morrison is a patient in the Vermilion hospital and a speedy recovery is wished him.

FOR SALE—Gobbler, gander and drake. Apply Mrs. Carl Kreitz, Vermilion R & I, on highway 41, 9 miles north. Ph. 1705. 31c

Costume Groups Are Announced

Ice Carnival Program Friday, March 6th

The following is the program, costume classes and races for the high school ice carnival to be held at the arena on Friday evening March 6th starting at 7:30 sharp.

Order of Program

1 — Skaters in Costume
2 — Crowning of Queen.
3 — Judging of Costumes.
4 — Figure Skating Solos.
5 — Cinderella.
6 — Drills.
7 — Novelty Races.
8 — Races.

Races

Races will be held for the following groups:

Boys and Girls, 4 years.
Girls 5 yrs.: Boys 5 yrs.
Girls 6 yrs.: Boys 6 yrs.
Girls 7 yrs.: Boys 7 yrs.
Girls 8 yrs.: Boys 8 yrs.
Girls 9 yrs.: Boys 9 yrs.
Girls 10 yrs.: Boys 10 yrs.
Girls 11 yrs: Boys 11 yrs.
Girls 12 yrs.: Boys 12 yrs.
Girls 13 and 14 : Boys 13 and 14.
Girls Open over 14: Boys Open over 14 yrs.

Costumes

Costume prizes will be awarded for costumes in the following groups:

Pre-school boys and girls.
Grade 1 boys and girls.
Grade 2 boys and girls.
Grade 3 boys and girls.
Grade 4 boys and girls.
Grade 5 boys and girls.
Grade 6 boys and girls.
Grade 7 boys and girls.
Grade 8 boys and girls.
Grade 9, High school and College. Single Lady.
Single Gent.
Couples.
Groups of 3 or more.

Open Class Costumes Race

Hurry! We can only take nine entries for this new exciting race. Already we have 3 entries and they're 'rarin' to go'. Here is a list of the rents:

There must be a team of 5 persons;

The team must pull a sleigh in the form of a chuckwagon.

The team must be all together when they cross the finish line;

A box approx. 10 inches by 10 inches and a heavy skillet must be loaded onto the sleigh and must be kept on throughout the race.

First prize will be $10; Second, $5; Third, $2.50.

CIVIL DEFENCE

Disaster is no respecter of persons or places. Everyone must be prepared to meet any type of emergency, including enemy attack. Civil defence is organized preparedness.

Civil defence helps to minimize the effects of a disaster, save lives and property, maintains production and a cussin our determination to pull through and fight back, and civil defence is everyone's business. The more people who prepare for a disaster the less will be the damage, the fewer the casualties, the smaller the loss and the better our chances of getting back to normal activity.

Here are some of the things that can be done right now:

Learn what to do in an emergency. Your local civil defence authorities will help teach you.

Support all preparedness programs — Blood banks, accommodation surveys, evacuation plans, recruiting drives, equipment inventories.

Study now to provide emergency shelter for yourself and your family. Your chances of survival are good even under air attack if you are prepared.

If you live on a farm or in the country you may be relatively safe from attack, but you have an important job to do in aiding stricken areas. You must be on guard against germ warfare and fire attacks on crops. You should be ready to house and care for refugees.

Start training in First Aid, Home Nursing, Fire Fighting. Basic Rescue and other branches of Civil Defence training. Civil defence needs your help — you need civil defence. Inquiries invited. Geo. H. Martin, Controller, Vermilion. Jos. Batty, Secretary, Kitscoty. Civil Defence Control Committee, M.D. of Vermilion River No. 71.

Allandale Notes

Saturday morning, Feb. 28th was our coldest day for sometime, being 20 below. February was mostly all above zero weather, our mildest day the 26th was 15 above. Hardly any more snow and the roads are good. Our road was opened Feb. 20th by the assistance of the boys.

Pardon my error in last week's paper, sorry, On the lunch committee Mrs. Wilson and Mrs Hallock; Bazaar conveners, Mrs. Arm strong and Mrs. Moore. Hope you will be able to attend our March meeting Beale. It was great to meet and have a chat with your uncle in town on the 26th.

A pleasant day was spent at the Johnson home on Feb 18th helping with a quilt. It doesn't seem so many years ago that Dorothy and I attended Moreton school together. Dorothy and Jim going to the city the following week to visit with her aunt Nellie Mrs. Walter Edson who hadn't been well. From the Journal we see Mrs. Hodges death on Feb. 24th. Our deepest sympathy to Mrs. Johnson, Mrs Christmas and her family.

Mr. and Mrs. Carl Thorndahl left Feb. 17th for an extensive holiday. They spent some time at Banff Hot Springs, leaving their car there they left by rail for Vancouver on the 25th. They will also visit in Victoria.

It was good to see Mr. Raymond Mercier home from the east. He enjoyed his holiday very much especially seeing his mother who is in her 100 years young her self. Sunday, a marvellous age, and so active.

A very pleasant evening was had at the Armstrong home Feb 21st. All the family were home and the neighbors gathered in honor of Uncle Bill's 71st birthday which was the 22nd. Bill Brigden made a fine old William Dwyer has his grand pa's birthday, and was a year old May they both enjoy many more.

A speedy recovery is wished to Jimmy Nelson who is in the Islay hospital recovering from an operation for appendicitis.

Feb. 25th was a lovely day for a quilting bee at the McPhee home. The top is a beautiful piece of hand work done by Mrs. McPhee and her late mother some years ago. Those present in the afternoon were Mrs. R. Taylor, Mrs. Baldock, Mrs. Mayes, Mrs. Armstrong and Mrs. Wilson.

On the evening of Feb. 27th Allandale was well represented at a house warming at the new home of the McPhee boys, Norman and Lorne, at Pelican Lake. Six tables of whist were played and prizes went to ladies 1st, E. Ommen, 2nd Mrs M. Edwards and Consolation, David two Mrs. Edwards winning. Consolation Dale Fry, Men's 1st, M. Simonar 2nd L. McPhee, consolation H. M. Phee. You have a lovely home boys. Wish you the best of luck.

We appreciate very much our mail delivered last Saturday for the first time in months. Mr. Martin stated that he'd be coming this far on Wednesday's and to Mr. Edwar's and McPhee's on Saturdays.

Our deepest sympathy to Mrs. Fligate and families on the loss of a sister Mrs. Cameron on Feb. 27th at Clandonald.

Closing thought: The friends who leave us do not feel the sorrow of parting, as we feel it, who must stay.

CLANDONALD HALL

Showing at the Clandonald hall this week end 'Rope of Sand' with Burt Lancaster, Arlene Calvert, Paul Henried and Claude Rains. Next week 'Young Man with Ideas'. 36c

Boy Scout Association Elects Officers At Manville

MANVILLE — At a group committee meeting of the Boy Scout Association the following officers were elected:

Chairman — M. H. Van Dusen
Secretary — J. J. McLaughlin
Treasurer — R. Legge
Committee member — A. Rose

This committee is re-pledged to give all assistance possible to the forwarding of the Scout and Cub movement in the village of Manville and district.

At the present time there are no Cub or Scout or Wolf Cub groups and it is hoped that all boys from the ages of 8 to 12 for cubs and 12 to 17 for scouts will join.

At a future meeting it is planned to organize a ladies auxiliary to assist in the work.

Big Retail Trade

Retailers did their biggest business ever last year, reports The Financial Post. Total increase for Canada was 7%. By provinces, Saskatchewan had the biggest gain, 14%; others were Alberta 10.5% Maritimes 9%; B. C. 8.5%. Quebec 7%; Ontario 6%; Manitoba 3%.

They Don't Stay Teachers

At the moment, Canada is short of 6,000 teachers. But 11,082 teachers will be completing their training courses this spring.

At first glance, those figures, compiled through a national survey by the Canadian Education Association, seem to forecast an ending to the current teacher shortage. But points out The Financial Post, a closer look shows that the supply of fully qualified teachers, except in B.C., is far from adequate. This trend is even more marked, when the long term picture is considered.

Main reason for the gloom is the large number of annual drop-outs from the teaching profession. Many go into non-teaching occupations, marriage ends the short-term career of others. In some provinces almost 10% of teachers switch to other work every year. In Ontario alone, nearly 10,0000 teachers have been lost to the educational system in the past six years.

News Notes From Your District Home Economist

The Lenten Season

The Lenten Season provides a timely introduction to fish cookery in our homes. Fish is economical and easy to cook, it is a wholesome nutritious food. You can make your food dollar go further by serving fish frequently.

Improper cooking methods have often resulted in an active dislike for fish. Has your family complained when you served fish dishes? Be sure to cook quickly at high temperature 450-500F to ensure retention of full flavor and delicate texture. Allow 10 minutes per inch at 500F.

Try this recipe for variety:

Fillets with Cheese Dressing

2 tablespoons butter: ½ cup of flour: 1 cup milk: ½ teaspoon salt: 3 tablespoons minced parsley: 2 cups grated cheddar cheese: 1 tablespoon dry mustard: 2 pounds fish fillets: ¼ teaspoon pepper.

Melt butter in top of double boiler, add flour and stir until well blended. Cook one minute. Slowly add milk, stirring constantly until thickened. Cook two minutes. Add salt, pepper, grated cheese and dry mustard and stir until well blended. Wipe fillets with a damp cloth and cut in serving pieces. Arrange fish in a greased baking dish, cover with the cheese sauce, and sprinkle parsley on top. Bake in a hot oven 400F for 20 minutes. Yields 6 servings.

Don't forget to try fish souffle, fish loaf, fish salads, fish balls, fish croquettes or stuffed fish.

Overcooking Fish Odors

Dishes which have been used in preparing or cooking fish, should be washed in water to which vinegar has been added (2 tablespoons to 1 pint water) before washing in hot soapy water. Kill cooking odors by burning a piece of orange peel, a few cloves or sugar in a pan. Odors may be removed from the hands by rubbing with salt, then rinsing in clean warm water before using soap.

Planning Your Kitchen?

You cannot plan without thinking of the equipment necessary. Kitchen equipment is grouped around three work centres: **Preparation** which includes receiving and storage, cooling and serving, and cleaning; **Cooking** and **Serving**, and **Cleaning**. These authorities specify a fourth centre, the planning desk, furnished with a shelf for cook books, drawer space for accounts and memoranda and perhaps a radio. The top of the desk may be used for an extra work surface if need arises and should have a moisture proof finish. The location of these areas of activity depends upon the size and shape of the kitchen and the position and number of openings.

For further information regarding kitchen planning, ask for the booklet "Farm Kitchens and Utility Rooms", by writing to Home Designing Specialist, Department of Agriculture, Edmonton, Alta.

Basswood

Pie social and dance at Basswood school on Friday March 13th under auspices of Junior Red Cross. 30-1

Wildmere Winks

(Held over from last week)

We owe an apology to the teacher Mrs. Hughes and pupils of Basswood school for not mentioning last week the splendid concert and Valentine party they gave to pupils and teacher of Wildmere, and the mothers of the children of both the schools. The ones really had gone to a lot of trouble to entertain everyone. First grade 1 demonstrated some experiments, then a puppet show on television. Mrs. Hughes also held several contests that were very amusing. To finish off, a well-filled Valentine box, bulging its sides with Valentines of every kind, was opened and a grand lunch and a peanut scramble brought the pleasant afternoon to a close.

Bertie Fadden who is working in Edmonton has been home for a few days. He will return to the city this week, his sister Margaret will accompany him, to work the next couple of months for her aunt Mrs. Wm. Frizell in Edmonton.

Mrs. W. J. Garnett convener for A.W.I. for this corner of Alberta was a visitor to Campbell Lake last Wednesday where she met a group of women desirous of forming a W.I. If you do form a W.I. folks you will never be sorry as really it is a very interesting work and you belong to a world-wide organization as well

Wildmere Beavers Girls club held a successful dance at Basswood on Friday night. A nice crowd attended and everyone had a good time. George Stewart assisted by Miss Doris Jack of Wildwood furnished the music and good peppy music it was. J. Wallington and Roy Garnett were M.C.s. We were pleased to see Mr. and Mrs. E. Jack and Doris, Sheddice and Jeffery boys and Miss Mahan, teacher at Wildwood attend also Mr. and Mrs. Geo. Beuffert and Alice and Evelyn Marfleet, Mr. and Mrs. Ted Riley of Vermilion. Come again folks.

Jim Wallington had rather an amusing expe- recently. While [illegible] the road a coyote ran ahead of him for a mile, then it gave a leap in the air and disappeared. He stopped the car and got out to find the animal had run into a culvert under the road. About an hour later Jim went back with the gun and as the coyote was still there he shot it. However the animal is still in the culvert as he couldn't get it out — that's one way of dealing where the culverts are Jim.

Mr. and Mrs. Bud Barker and Bobby from Lloydminster were Sunday visitors to Bud's parents Mr. and Mrs. J. Barker of Basswood.

The writer accompanied Jimmie to Manorville on Monday on welfare work. Quite a busy afternoon was spent and anyone who thinks welfare work is nothing, come along sometime and find out.

$100 A MONTH FOR LIFE
FROM AGE 60

THIS IS THE PLAN . . . Suppose you are not over 50: you make regular payments to the Sun Life of Canada. At age 60 you start receiving $100.00 a month for life: or if you prefer it, $17,149.00 in cash. Both amounts can be increased by accumulating annual dividends. If you are over 50, benefits are available at a later date.

FOR YOUR FAMILY
Should you not live to the age of 60, $15,000.00 will be paid to your family on your death.

The Plan covers all amounts of premiums from as little as $6.00 per month, and the cash or pension can in most cases start at age 50, 55, 60 or 65.

Paradise Valley

Annual Meeting of School Bird.

The annual meeting of the Paradise Valley School District was held on Monday evening in the auditorium and a fair number attended. Mrs. Goss the retiring trustee was re-elected without opposition. Considerable discussion took place over various subjects and it was decided that the Board attend a meeting of the boards from Rivercourse, McLaughlin held at the latter place on Tuesday evening in regard to high school and bus services from Rivercourse and McLaughlin to P.V. A delegation from the three points to attend a meeting of the Vermilion Division at Vermilion on Thursday was appointed consisting of P. Howe, of Rivercourse, A. Weeks, McLaughlin, W. Stoddart and Mrs W. A. Gunn of Paradise Valley.

Glad to see Mr. Arthur Flint home from the Lloydminster hospital where he underwent an operation recently. You cannot keep a good man down very long.

Mr. Lawrence and Mr. Jack Teasdale have returned home from Winstor, Ont., with a new car. They drove back thus saving the freight which is quite a wallop nowadays.

It was with deep regret that we heard of the death of Mrs. Blanche White who passed away in an Edmonton hospital on Tuesday morning. The funeral was held Thursday in Edmonton. For many years Mrs. White made her home in Paradise Valley and only recently moved to Edmonton.

The town bonspiel is now a thing of the past and here are the winners: Grand Challenge—1st, Barney Baxter, 4 cures of 12 doz. eggs; 2nd, P. Stoddart, 16 lbs. of butter; 3rd, R. Hoskins, 4 doilies. In the second event the final was not played as P. Stoddart and T. Rayson won their way into the semi-finals and due to so much going on they decided to toss for it and Stoddart was the winner. One of the rulings was that no rink could win more than one prize so they divided the first in the second event and second in the Grand Challenge so everybody is happy. The curlers are now all busy at the McLaughlin spiel but reports coming through indicate that the P.V. curlers are finding the going pretty tough.

Skinny men, women gain 5, 10, 15 lbs.
Get New Pep, Vim, Vigor

Woodvale News

Sorry folks that we have been unable to get any news written for a time. There have been a great many meetings in February and quite a few social events. With the roads in good condition and weather also all were well attended.

Death and Funeral Of John Browne

On February 6th, 1953, John Browne, a pioneer resident of Kinscozy district, passed away suddenly, while on his annual vacation in Victoria, B.C.

He was born in Norfolk, England, on March 11, 1886; bringing his wife, the late Elizabeth Newman, and four of their six children to Canada in May, 1903. They travelled by rail to the end of the road at North Battleford then continued their journey to their present homestead west of Kitscoty by prairie schooner and horses.

Mr. Browne returned to England in 1937-38, and again this past summer when he spent some four months there. His ability to travel by himself, read avidly without glasses, converse on varied subjects, remember accurately, plus his good health, was considered remarkable for his age of almost 87 years.

He leaves to mourn their loss three sons, Charles and Norman of Kitscoty; Donald of Victoria; three daughters, Mrs. A. C. Linsdell, Edmonton, Mrs. R. S. Pidcock, Kitscoty, and Mrs. E. N. East of Winnipeg. There are 13 grandchildren and five great grandchildren.

The funeral service was held in St. John's Anglican church, Kinscozy, in Wednesday, Feb. 11th with the Rev. D. Woelfer, officiating. Interment was made in the family plot, Lloydminster cemetery.

Pallbearers were all old friends and neighbours: Messrs. H. P. Bott, Jack Boosman, Dick Caldecott, Arthur Hale, W. R. Stewart, and H. Hinkins.

Floral memorials: In loving memory of Dad and Grandad — Hilda and Arthur; Charles, Newman, Lisa and Billie: Don, Ethel, Norman, Garry, Marie, Pat and Vernon: Ivy, Spencer, Sheila and Elsie: Lila, Ellis, Neil-John and Betty: Rod, Peg, Gordon and Stuart: Elaine, Jim, Boo and Karen. Merle, Thelma and Gregory.

Deepest Sympathy—Mr. and Mrs. H. Adams; Mrs. W. L. Apperson, Beth Tyler and family; Axel Couper and family; Bill and Tjark Boosman; Mr. and Mrs. Jack Boosman; John and Myrtle Boosman and Grace; Kaisleen and Willie Stewart, Mr. and Mrs. Ed Blair and family; Mr. and Mrs. Chet Sheppard; Fred and Lorna Pruitt; Burt and Helen Parker and guest; Mr. and Mrs. J. A. Kent; Adrian and Janet; Mr. and Mrs. W. R. Kent, Mac and Jim.

Memorial donations were as follows:

Crippled Children's Home — Mr and Mrs. W. G. Stewart.

Saint John's Anglican Church Organ Fund: Jim, Kathleen Crewsan and family, James Louise, Mr and Mrs. R. Caldecott; Mr. and Mrs. A. Hale and family; Mr. and Mrs. P. Seabrooke, Mr. and Mrs. A. Mason and family; Mr. and Mrs. J. A. Smith and family, Mr. and Mrs. J. McCorry and sisters. Mr. and Mrs. F. Dunn; H. bosman; Mrs. E. Batty; Mr. and Mrs. A. Batty; Mr. and Mrs. S. Phuppe. Mr and Mrs. M. Christofferwen and family; Mr. and Mrs. M. K. McLennan and Scotty W. L.

The United Church Building Fund: Mr. and Mrs. Joseph [illegible] and family; Mrs. Ida Laing and family; Mr. and Mrs. C. N. [illegible] and betty; Mr. and Mrs. F. [illegible] ard and Margaret; Mr. and Mrs [illegible] w. Muter, Mr. and Mrs. Chr[illegible] Christensen and family.

The Canadian Cancer Society: [illegible] and Mrs. e. H. Sheppard, Mr. [illegible] bank, L. Rosen, Mr. Rosen, Gordon, Stuart and Lilith. Mr. and Mrs. Thos. Givens. Mr. and Mrs. Ted Joy; Mrs. Pauline McLaughlin, Mr. and Mrs. Lawrence Joy, Mr. and Mrs. Archie McLean and family, Mr. and Mrs. Steve O'Connor, Mr. and Mrs. Ken Gray; Mr. and Mrs. Henry Joy, Mr. and Mrs. F. [illegible] and Thomas. Mr. and Mrs. A. [illegible] Giedrie and family. Mrs. [illegible] Pickett; Wesley Johnson, Alex and Mildred Johnson, Eleanor and Allan Graham.

CARD OF THANKS

We wish to extend our sincere thanks and appreciation for the acts of kindness, messages of sympathy, beautiful floral offerings and memorial donations received from our many friends in our recent bereavement.

The family of the late John Browne.

Serve Canada and yourself

A "strong" Canada, today, is essential if we are to preserve our freedom, our own way of life. This is the responsibility of *all* Canadians.

For the young man of ability and ambition, there are outstanding opportunities for immediate advancement as a leader in the Infantry. From Corporal, to Sergeant, to Warrant Officer, you can build a well-paid career for yourself in the Royal Canadian Infantry Corps. You will receive free medical and dental care, 30 days annual leave with pay and the benefits of an outstanding pension plan.

in the Army!

You are eligible if you are 17 to 45 years of age and able to *meet Army test requirements. Applicants should bring birth certificates or other proof of age when reporting for interview.*

GOVERNMENT BUSINESS IS Everybody's Business

Alberta's Gas Export Policy

In 1938, the Alberta Government set up the Conservation Board to see that waste of gas in the field was stopped. In 1949 the Gas Preservation Act was passed to control gas export and to protect the requirements of Alberta before taking into consideration future population growth and industrial development.

Present proven reserves are easily sufficient to meet the needs of Alberta for 30 years. As each year goes by the 30-year period moves ahead and so export permit will be granted unless there always remains a minimum 30-year supply. Only then will surplus gas be exported.

Gas in the form it is taken from the ground however is not the gas that is exported. Before gas goes into a pipeline any sub-grade commodity, recoverable, such as sulphur, ethane, propane, butanes and natural gasoline are extracted. These rich raw materials are more valuable than the residue gas, and provide the materials for petro-chemical industries and can be used for products such as synthetic alcohol, styrene, rubber, carbon disulphide, benzine, detergents, insecticides, explosives, fertilizers and polythene.

Propane, extracted from gas is a fuel equal in convenience to natural gas and can be stored in pressure tanks for home use or to supply a small town. Consumption of propane in Alberta has increased tremendously in the last few years, to a point where it had to be imported from the United States in 1951. Development of a petro-chemical industry and ensuring adequate supplies of propane for rural areas, farm and rural homes which cannot be economically supplied with gas because of transportation and distribution costs depend upon an export market for residue gas.

For gas to benefit Albertans and others the resource must be developed to the fullest extent. Your government has adopted a conservation export policy to protect your interests indefinitely.

Grandmother Says Farm Women Not "Slaves"

MONTREAL—A charming grandmother strongly debunks all who believe "women who live on farms are slaves and have no life of their own." She is Mrs. Gilbert Telford of Shawville, president of the Quebec Forum Association of Farmers. And Mrs Telford is well qualified to talk about life on a farm. She has lived on one since she was 18 — farming, looking after her home and raising six healthy youngsters. She has three grandchildren.

She said at the Mount Royal hotel that she wouldn't go back to permanent city life for anything. Living on a farm gave a happier, freer and much more family type of life.

"I know we have freer rein under 4-H and guided work from life," she told me. "If you make your life together into one partnership you can make farm life really wonderful."

People who talk about a farmer's career being a slave are right off the track.

Mrs. Telford usually begins her busy day around 6 a.m. She is adept at milking and need farm jobs didn't know anything about them when she first moved onto a farm, but soon started.

It's a fun and keeps one happy, healthy and active, she added. Children get a great deal from farm life, too, she said.

There is no need to worry about sufficient money for baby items to take them. I consolidated when I was expecting and not neglected.

Mrs Telford said that she was at first worried by the lack of a modern kitchen, but soon got used to it. Even now she pumps water.

"I haven't missed those up-to-date facilities, and believe with understanding and a will one can make a happy home and find much more family spirit on a farm," she asserted. "I think my married children had a sound basis for married life on a farm."

Mrs Telford said farming taught a woman to be much more independent and self reliant. It had aspects higher into one partnership with one's own career swapped into one.

When you are on a farm you have a career hobby, full time family life and entertainment she insisted.

Life isn't so busy in the quieter winter months but there is always something to do.

Mrs Telford usually rises an hour later in the winter. Now she thinks getting up at 7 a.m is being spoilt and very lazy.

She advised all women who believe farm wives are slaves to try it, and then see if they are the truest she did not health. There is need to worry about suffering as new baby items to take them. I consolidated when I was expecting and not neglected.

Ermine From Canada For Queen's Robe

LONDON — Some 500 Canadian ermine skins have been delivered to a London tailoring company for use in trimming the robe that the Queen Mother will be crowned in Westminster Abbey next June.

The long-tailed white ermine skins were purchased at an auction in Winnipeg. Flown to London they were dressed, sorted and bundled ready for delivery to Ede and Ravenscroft, a Chancery Lane firm which has made robes under Royal warrant through 13 reigns.

The fur will be trimmed by a staff of six. The exact embroidery of the robe, being a Royal prerogative, is not disclosed, but the garment—one of several the Queen will wear on the big day—is sure to include a long train of about six yards of purple velvet.

The Canadian ermine will be used for trimming the robe and for the Queen's cape. The robe itself now is being prepared at the Royal School of Needlework.

BAGS LOST NOW

VANCOUVER—Police said that a wallet containing $800 lost by J. D. Robertson of Vancouver in 1950, had been found behind a trash basin in a downtown building. There was no trace, however, of Robertson.

"I solve you to take a bet both before smoking."

"But doc, I hadn't figured on retiring for another 10 years."

A Family Remedy For Coughs — The Pleasant Tasting Plnex Way

When anyone in your family is distressed by winter coughs, use this favorite old Canadian recipe. Easy to prepare, yet gives you four times as much for your money.

Get a 2½ ounce bottle of fruity-acting PINEX CONCENTRATE from your favorite drug counter. Pour this into a 16 ounce bottle and fill up with simple sugar syrup. That's all there is to it . . . no cooking needed, yet you will have an ample supply of effective cough relief for the whole family, so pleasant-tasting that children will like it.

For convenience, PINEX is now also available in ready-to-take PREPARED form. Either way, PINEX must help you, or your money back. Get a bottle today . . . be ready for winter coughs ahead!

MAGIC makes baking flue-textured, delicious!

CINNAMON SANDWICH BISCUITS

Mix and sift once: three sifts into a bowl, 2 c. once-sifted pastry flour (or 1¾ c. once-sifted hard-wheat flour), 2 tsps. Magic Baking Powder, ½ tsp. salt and ½ tsp. cinnamon. Cut in 2 tbsps. chilled shortening. Combine 1 well-beaten egg, ½ c. milk and ½ tsp. vanilla. Add to dry ingredients and add liquid to make a soft dough. Knead for folding and re-rolling about 10 times to make a soft dough. Knead for [illegible] shape with floured 1¼" cutter. Cream together 1½ tbs. soft butter or margarine, ¼ c. lightly packed brown sugar, ½ tsp. ground orange rind and ½ tsp. ground cinnamon. Using only about half of the creamed mixture, place a small spoonful of the mixture on half of the rounds of dough; top with remaining rounds of dough and press around edges to seal. Brush tops with remaining creamed mixture and sprinkle with sugar. Bake in greased cookie sheet, 400° (hot) oven, 15-20 minutes. Serve warm. Yield 16 biscuits.

Helpful Hints

Do not soak vegetables before cooking them. This causes loss of vitamins and minerals.

Be sure never to close up the hole at the bottom of the flower pot, as the pipe is there to let out its root to be healthy. Place a few cinders over the hole if you are afraid the dirt will fall through.

Ammonia will sometimes change the color of fabric on which it has been used for the removal of spots. When this is the case, the original color often can be restored by applying vinegar and water.

Tissue paper, slightly moistened, will remove dust easily. It is excellent for bringing a brass bed looking bright, also silver toilet articles, mirrors, and windows. It serves no lint, and does not require need to be washed when the work is done, but simply burned.

FLYING SAUCER SEEN BY AIRCRAFT CREW

LONDON - A flying saucer terrorized monks at a north England abbey in a letter to The Times of London that he had found the Latin document at Ancient Bylaud Abbey in Yorkshire.

He said the document mentions a round, fat silver object like a disc which flew over the monastery causing "maximum terrorem among the brethren."

Funny and Otherwise

What this country needs is someone who knows what this country needs.

Son—"Dad, what do you call a man who drives a car?"
Dad—"It all depends on how close he comes to me, my boy."

Existing things are always happening to my friend Walter," a whimsical journalist reported recently. "The other day he was sending a suit to the cleaners when he felt in the pocket of the coat and discovered $100 in bills."

"Gosh!" rejoined an excited listener. "That was quite an experience."

"Yes, it was," the newspaper man agreed, "and do you know, not one of them was receipted!"

Some: I heard that your wife came from a very large family.
Bum: Same from, Same from. Nuts! She brought it with her.

Sign on an ammunition dump: "If you must smoke, do so: then leave by the rear door. You will suddenly appear in the roof."

Mrs. Brown: Did you scold your little boy for imitating me?
Mrs. Green: Yes, I did. I told him to stop acting like an idiot.

First Actor: I can't get into my shoes.

Second Actor: What! Feet swelled too?

"He's not such a big fool as he was."

"How he got wiser?"
"No—thinner."

A humptious fellow was giving evidence in a police court.

"You say you stood up?" asked the magistrate

"I said," retorted the conceited one, "that I stood. If one stands one must stand up. There's no other way of standing."

"Oh, isn't there?" replied the magistrate. "Try that for contempt of court, and . . . stand down!"

Sign in beauty parlor window: Don't whistle at a girl leaving here. She may be your grandmother.

"The bravest man I ever knew?" said the explorer. "He was the chap who took a cat to the Bankruptcy Court and invited the driver in as a creditor."

"I solve you to take a bet both before smoking."

"But doc, I hadn't figured on retiring for another 10 years."

CARNIVAL QUEEN — Miss Edmonton of 1953, 17-year-old Carol Taylor, has been chosen to reign as queen of the Banff Winter Carnival next year. One of the most famous of all winter carnivals in Canada, the Banff festival of fun which lasts one week, features sports competitions, games, beauty parade and many other events designed to entertain spectators.—Central Press Canadian

THRILLS of the ROARIN' GAME

Origin Of Game Shrouded In The Mists Of Antiquity

The day, decade, year or century that saw the birth of the grand game of Curling is something beyond the ken of historians.

Like all things else that exist it must have had somewhere and sometime its own particular beginning but where or how that beginning took place is something that is not known and may probably never be known.

From its name and some of the technical terms used in the sport various writers have ascribed its origin to The Netherlands. It has been asserted that Flemish merchants introduced it into Scotland in the latter part of the 15th century, but no Continental literature makes any reference to it.

Opponents of the Continental theory declare that there is good reason to believe that curling originated in Scotland, probably in the south-western district of the country, which has always been its stronghold. However, regardless of what land it may claim the credit for its development and popularity rest solely at the door of the Scot, and the game is as much a part of Caledonia as the heather and the pipes.

The first Caledonian Curling Club owed its inception to an advertisement in the North British advertiser of May 26, 1838. This notice stated that a meeting would be held in the Waterloo Hotel Edinburgh on the June 20 following. The curious thing about this advertisement was that it was inserted anonymously and no one has since found out who was responsible for it. However it was, he did a great thing for curling, for before the Grand Club, the rules of the game were in confusion and progress was impossible under the conditions then prevailing.

The meeting was held, about a dozen gentlemen being present, and Dr. John Clarkie of Curling Hall, Largo, was elected chairman. A second and much larger meeting was held on July 25th, and the "Grand Caledonian Curling Club" was instituted with Dr. Clarkie as its first president. In August, 1843, Queen Victoria granted permission for the use of the name "Royal Grand Caledonian Curling Club". The "Grand" was subsequently dropped as being superfluous and since that time the Club has had its present title.

WEDNESDAY—
Prayer and Ministry — 8:00 P.M.

Islay Carnival Much Enjoyed

The school's ice carnival was held Friday, Feb. 27th and an excellent one it was. To present a carnival of such high calibre meant much work and co-operation of teachers and pupils. Islay is very proud of the staff and principal Mr. David Clarke, Mr. Jack Bauman and Mrs. Helen McCaughan, without the full rest co-operation of all such a program as presented would have been impossible. The floats, one for each room, were good. They were made with the help of the pupils in the rooms — sounded just like a carpenters' shop. Wouldn't it be fine if we had 'shop' taught in the school basement? Maybe it will be realized some day.

The red girls' team, or old Dobbin, really pleased the crowd, and more so, were Tommy McLean who had a ride on Dobbin's back.

Vermilion Skaters Please
Most thrilling was the exhibition of fancy skating by the two young ladies from Vermilion. Miss Mary-Miller and Miss Jean Maxwell. The crowd was so thrilled that they were silent, and that is just what we desired. The skating was beautiful. Many had never seen actual fancy skating performances before. We do thank these two charming young girls for adding to our carnival and giving so much pleasure.

The writer must not forget the Queen, a lovely little lady she was. Veronica Lindtke, and the princesses so sweet, Sharon Redmond and Catherine Grout. Another feature for which we must thank Young People of Vermilion, is expected to be presented in the Islay Rink on March 30th. Watch for posters.

All the children's costumes were very nice and everyone seemed to have lots of fun.

Prize winners
Pre-school - 1, Greg Clark as the Big Bad Wolf; 2, John Bauman, clown.

Junior room — 1, Sandra Bell, clown; 2, Charlotte Wilkinson, cow girl.

Elementary room — 1, Billy Potvin, Knight; 2, Donnie Martin, scare crow.

High school — 1, Anne Carey, a pioneer woman; 2, Rod Carey, a pioneer man.

Adults—1, Mrs. Bauman and Bill McLean, Old Dobbin.

Races
Junior room—1, Sandra Bell; 2, Charlotte Wilkinson.

Elementary room — 1, Yvonne Hannon; 2, Patsy Wilson; Boys — 1, Billy Potvin; 2, Donnie Carlson.

Senior room — 1, Rod Carey; 2, Perry Linton.

Chariot Wagon Race — 1, High School boys; 2, Donnie Carlson's group.

Best Looking Chuck Wagon — Gerry and Jimmy Maire.

Figure Skating—Marie Miller and Joan Maxwell.

Ward received on Tuesday from Six-tokoon by Mrs. McHenry stated that Mrs. Fall has had a stroke and is quite ill.

Feb. 20th and 27th was the Vermilion Presbytery meeting which was held in Vegreville. Mrs. Clark Robertson was the delegate from Islay. On Sunday last Mrs. Robertson gave a very full report of the two-day session.

The play "The Unlighted Cross" produced by the United Church Young People of Vermilion, is expected to be presented in the Islay Rink on March 30th. Watch for posters.

A mixed bonspiel is being played here and some new players Mrs. Kling, Mrs. Jean Axley, Bill Axley and some others from the south are expected in.

Visitors are noticed behind the glass and getting the same excitement and amusements as when the regular bonspiel was played.

Kitscoty News

Miss Joyce Danzychuk has returned to her home in Biggar, Sask., after spending a holiday here with her brother and sister-in-law, Mr. and Mrs. Larry Watt.

Mrs. Ken Jenkins spent the week end in Edmonton with her husband who had time off from his oil drilling outfit at Calling Lake near Athabasca.

Miss Shirley Besse and Ella Pidcock, U. of A. students of Edmonton spent the week end at their homes here.

Messrs. J. McCorry and H. Stokes were business visitors to Edmonton one day last week.

A social evening was held in honor of Mr. and Mrs. Ed Wutherick in the Tracy Memorial hall last Tuesday evening, about 65 friends from the town and country were present to bid them goodbye before they left for their new home in Alliance, Alberta. The evening was spent in community singing and playing group games after which lunch was served by the ladies. Mr. J. A. Smith, on behalf of the community presented the sentiments of everyone's heart when he said that this Line young family would be missed in the church, the W.I. and curling club. The high esteem in which they were held was shown in the presentation of a chest of community plate silverware, a service for eight in Adamantine pattern. Although taken completely by surprise Mr. and Mrs. Wutherick expressed their heartfelt thanks to all present and said they would have happy memories of Kitscoty and were reluctant to leave so many good friends and neighbors. Mr. P. O. Sewell spoke a few words saying, he was very sorry to lose Ed from his curling team, but wished them all the best of luck in their new home. The party ended with singing of "For they are jolly good fellows and Auld Lang Syne" and Auld Lang Syne" and Auld Lang Syne"

By The District Agriculturist

"GREEN ACRES"

Potato Storage

Two diseased potatoes were sent to the University last week. The report said "dry rot" and "Net Necrosis". The advice was to be sure *not* to use *for seed* as even healthy looking potatoes in the same bin are likely to be infected. It is best to buy some certified seed - if any disease shows up in your potatoes and get a new supply.

Mastitis Control

A good many cows in this area are infected with Mastitis (inflammation of the udder). The disease spreads from one cow to another so prevention is the best remedy. Get a circular from my office on Mastitis Control and Prevention.

Seed Cleaning Grass

Several farmers have enquired lately about seeding down sloughs and low places. Reed Canary grass is the best grass for this purpose. It will thrive and give high yields in sloughs where the water lays until June or July.

Summerfallow

Nearly everyone admits these days that it is better to surface cultivate with one-way, diskers, cultivators and blade weeders instead of the old way of plowing. Stubble and trash must be worked into the surface soil instead of plowing it under if it is to prevent soil from blowing and washing down into the sloughs. We must do everything possible to protect our land from erosion.

Penalty on Straw

The Hon. Mr. Ure, Minister of Agriculture, announced last week that farmers selling cattle through the stock yards would be charged $2 per every animal with horns after July 1st and another $1 per head will be added on July 1st, 1954. Mr. Ure stated that 38% of the cattle going on the market at present have horns. There is a dehorner on hand for loan at my office. It is better still to use caustic or use a gouger when the animals are quite young.

Lot of Bull

Farmers in this area have organized 20 groups for taking bulls on loan, also about 30 farmers have purchased bulls under the 15% discount policy. Anyone planning on buying a bull should look one up now as the good ones are picked off first.

Seed Fair Cancelled

It was with much regret that I heard that the Vermilion Agricultural Society had cancelled their seed fair. 38 entries were received from an area 100 miles square. This is not enough samples to justify the trouble and expense of setting up a seed fair. We shall have to try again next year when we hope to get better support from farmers and seed growers.

Clandonald News

Rev. Father McPhee for the past ten years or more in charge of the parish here was taken suddenly seriously ill and rushed to hospital during the past week. Latest reports were that his condition was slightly improved. It is the sincere wish of his many new friends throughout the district that he may show continued progress toward recovery.

Deep sympathy was felt throughout the community for the sorrowing family when word was received of the sudden passing of our old friend, Mr. George Bloomhouse, "Stoney" as he was widely known, had the rather thankless job, at times, of managing the bank during the rugged depression years. The manner in which he handled the business won him many friends. By his reliance in their good intentions to keep faith with the institution which he represented, many felt that they were thus enabled to take advantage of better markets which prevailed during the war years. Although known to be in very poor health his passing came as a distinct shock. A very large representation from the district was in attendance at the funeral service.

Mrs. C. Cameron Dies in Sleep

During th past week death came suddenly to Mrs. C. Cameron who passed away in her sleep during the early hours of Friday morning. The deceased had been apparently in her usual state of health the previous evening so that news of her death came as a distinct shock to her family and friends. A married son Mr. Clement Worrall lives close to town and Mrs. S. Fligate is a sister. The late Mrs. Cameron was born and raised by the death of her husband early in July of last year. Funeral services were conducted in the St Mary's Anglican church by the Rev. D. Ford of Vermilion and interment took place in the community cemetery. Moyers were in charge of funeral arrangements.

Many who heard the emergency message for Owen Johnson over the air supposed that the deceased lady mentioned was Mrs. Johnson's mother who was well known around here, having lived in the Morrin district for many years. We have since learned that such was not the case, the Mrs. Ebdon who passed away being an aunt of Mr. and Mrs. Jonasen's.

Mr. and Mrs. Arthur Rowntree left on Friday for a visit in Edmonton with several members of the family who have their homes there. Mrs. Ernest Stanley who underwent an operation in an Edmonton hospital several weeks ago is expected home soon. During their mother's serious illness three married daughters came considerable distance to be with her, Edith and Jessie from the coast and Ivy from the southern part of the province. Her many friends sincerely wish her a speedy recovery in the near future.

Station Agent Transferred

Mr. Gordon Swart in charge of the station here for the past several months is moving with his family to the same position at Myrnam shortly. We regret to see these people leave and wish them every success in their new surroundings

Sheriff's Inquest Results

We understand that the Clandonald hotel has changed hands. Mr. Mike Lazaruck owner for the past several years recently sold out to two local men Frank Kolodejchuk and his son-in-law Pat McGuirk. During the time that Mike has owned the hotel he has distinguished it as one up-to-date establishment and at the same time greatly improved the property both inside and out.

F. U. A. Meet at Rye

A very pleasant evening was experienced at the Rye school last Friday evening when the regular F.U.A. meeting and social get-together was held. Visitors were Mr. and Mrs. Harold Craigo of the nearby Dewberry locals, both speaking briefly on matters pertaining to the organization. At the next regular meeting in the Orange hall on Tuesday March 31st it is planned to show films kindly loaned by the National Film board. All members and prospective members and their families cordially invited. Early in March a full evening's entertainment is being planned when films from the Dept. of Extension will be shown. Watch for posters. This show is open to all, the only charge will be a silver collection to help defray expenses.

Local Sport Completed

In the closed and quiet recently completed at the local curling rink, the quartet headed by the new bank manager Mr. Laird was successful in winning the Grand Challenge event. Other members of the rink were John Tuschuk, Mrs. Laird and Mrs. George Cherrey. The rink skipped by Hugh Logan won 2nd in the same event while Will Robertson won 1st in the second event. The men's open spiel should be well underway by the time this appears but during the Vermilion spiel some of the games were played on the local rink in the wee small hours of the morning due to the very mild weather which prevailed at the time.

Wells Blocked

It has been stated quite frequently during the past few years that the ice cap is receding and our winters are definitely not as cold as 20 or 30 years ago. Apparently some here owned by Mr. and Mrs. Ray Etherington think so too. The mild weather must have had them convinced that spring was really here with the result that their thoughts turned from producing eggs to that of raising a family. The result was that the Etherington's now have about 25 baby chicks around two weeks old and hatched in the good old fashioned way!

Meetings Scheduled For Vermilion River M. D.

The Agricultural Service Board with the co-operation of the Vermilion Schools Division has arranged a series of meetings throughout the district.

The purpose of these meetings is to discuss Agricultural matters and to show some films on different issues.

The District Agriculturist is very anxious to help you in any way possible to put a better ball under the Government loan policy.

The dates are outlined below — you will find these meetings interesting and worthwhile, so attend the one nearest your farm and bring your friends

Canton school — March 3rd
Wavesville — March 5th
Dunrea — March 9th
Bell Camp — March 11th
Streamstown — March 12th
Blackfoot — March 16th
Newton — March 19th
Islay — March 19th
Irwinville — March 23rd
Affordale — March 26th

All meetings are scheduled to commence at 8:00 p.m. 3in1t

Chatsworth Chatter

Roads are all open, and weather is remaining wonderful. This has truly been a record-breaking winter.

On Friday, 20th, a good crowd turned out to the school when cards, bingo and cards and dancing were enjoyed. Winners at cards were Phil Erickson, George Farkash, consolation, Mrs. Joe Farkash, Jr. and J. St. Michels. Music for dancing was supplied by Julia Farkash and Jim Panter.

The February meeting of the Chatsworth Country club was held at Mrs. M. Tovell's on the 19th with 14 members and one visitor, Miss Milburn, present. The nickel draw was won by Mrs. Sturr and the social contest, supplied by Mrs. J. Panter, by Mrs. M. Tovell. A bountiful lunch was served by the hostess, assisted by a number of the ladies. The next meeting is to be held at Mrs. Albert Tovell's on March 19th.

The annual meeting of the M.D. held at Minburn Monday, Feb. 23, was attended by a good representation of the menfolk from this locality.

A skating party and social get-together was enjoyed by close to 30 folks of the community at the home of Mrs. Matt Farkash last Saturday evening. While the younger members were skating, bridge was played in the house, and at the close of the evening a very bountiful lunch was served.

Mr. and Mrs. C. Davis and Jan. accompanied by the writer of Chatter spent from Wednesday until Saturday morning in Edmonton.

An agitation is afoot to have the school here closed down and the children taken to Vermilion by bus.

Noticed around: On Feb. 23rd—this ought to make some record—one of the school children riding his bike along a little-used sidetrack! The climate must be changing when this can be in Alberta in February!

Mrs. Haranluk of Calgary is visiting her parents Mr. and Mrs. Randolph Hutchinson. She has her little son with her.

Two Candidates Seek A. T. A. Presidency

Two candidates will contest the seat for presidency of the Alberta Teachers Association this year, according to Eric C. Ansley, general secretary-treasurer of the A.T.A. Lars Olson of Holden and Robert A. Kinmitt, Coalhurst, were submitted for the presidency.

Position for vice-president was filled by acclamation and goes to Frank Edwards of Edmonton.

Elections will be held in two of the eight geographic districts. Acclamations have been declared in the other districts where geographic representatives are chosen for the provincial executive council. Edmonton and district will have an election, also Northeastern Alberta where Nicholas Piwniuk, Smoky Lake and Michael Stuba, Smoky Lake are in the field.

Ballots will be mailed in a few days and will be received at Barnett House until April 8th, when ballots will be declared, during the annual general meeting of the A. T.A. scheduled for the Macdonald hotel, Edmonton.

Paradise Valley

Mr. A. G. Lee attended a meeting of the United church presbytery during the past week.

Mr. and Mrs. Elmer Olsen of the Imperial Lumber Co., Wetaskiwin, have been visiting with Mrs. Chas. Beckett. Mrs. Beckett returned to Wetaskiwin with them

In the curling world during the week two ladies' rinks skipped by Mrs. Davidson and Mrs. Hosking took in the Kitscoty bonspiel. At the time of writing we do not know that how they are making out. The annual battle between the President and Vice-President is underway, 20 rinks are participating. Due to the mild weather there is nothing to report on the hockey front.

Miss Laura Knutson and Miss Shirley Gunn of Edmonton spent the week end at their homes here.

Mr. and Mrs. Emil Knar were recent visitors to th city.

Mr. John Hawkes and Calvin left on Saturday night to spend two weeks with her parents at Saskatoon.

W. A. Meeting

The Paradise Valley W.A. of the United church met in the church basement on Feb. 19th for their regular meeting with Mrs. F. Henry and Mrs. J. Gay as hostesses. Mrs. Venner being absent the vice-president Mrs. Nickle opened the meeting with a hymn and the Lord's Prayer. Mrs. Fred Beckett read the scripture. The quilt top donated by Mrs. Tomasie was very much appreciated and the men here will complete it at a later date. It was decided that the February social would be one of the best ever put on. A dance in the hall finished up a very pleasant evening.

The time of the meeting was discussed further and the meeting will be held in the evenings of the first Friday at 8:00 o'clock for the next five meetings on a trial basis. Instead of each member bringing lunch to every meeting as last year it was decided that we have two hostesses except for special occasions and that the hostesses serve all the lunch.

The visiting committee is to be chosen each month in alphabetical order and is expected to give a report on visits made. Mrs. Anderson

and Mrs. Hall are the committee for February. Mrs. Fred Beckett and Mrs. Matheson are the hostesses for the next meeting which will be held in the church basement on March 6th at 8 o'clock. We welcome any new members who wish to join at the meeting. A delicious lunch and social hour finished the meeting.

Successful Carnival

The local rink was the scene of a very colorful spectacle on Friday night when the schools put on their ice carnival. The evening was good and the students were out in all kinds of costumes, some being very well done. The carnival started off with a hockey game between two teams of the midget variety and how those kiddies can skate and play the game. This was followed by a broomball game between the high and Junior high. Then it was the races and while we do not know if any records were broken contestants showed real speed, the novelty races caused lots of fun. The floats were all good but we feel we should make special mention of the big, school and Miss Flint's floats. The high school was a farm barnyard scene complete even to the electric lights. Miss Flint's was the League of Nations, every country was represented in their national dress and flag. Miss Beatrice Krause was crowned the Queen of the Carnival by Miss Ieth McLean, 1952 Queen, as no carnival was held last year. We must say that this year's carnival was one of the best ever put on. A dance in the hall finished up a very pleasant evening.

Congratulations to Mr. and Mrs. Karl Karlsson on the birth of a son born in the Wainwright hospital on Feb. 19th.

Mr. Ira S. McLeod left for a visit to the West coast recently where he expects to spend the next few weeks.

Mr. Fred Atwater, mechanic at Hyde's Sales and Service attended a special school sponsored by the [illegible] at Battleford. Mr. Wm. and Percy Stoddart also attended a convention of I.H.C. dealers held at Battleford during the week.

Sixteen Years Ago Today

March 4th, 1937

M. A. Brimacombe was appointed assistant to the town secretary.

Benito Mussolini has ordered a total mobilization of more than 2 million men within the next few months.

Lloyd H. Harris of Edmonton has taken over the L. N. Gray barber shop in the Brimacombe block.

Mill rate was set at 50 as the town requires $45000 for all purposes this year

Thirty-two Years Ago Today

March 2nd, 1921

The soft weather prevailing for several days has caused the snow in both in town and country to rapidly disappear with the result that trails are in bad shape for teaming. Large quantities of grain are yet to be marketed.

The date of the annual Quarrie Creek stampede was set as June 23th. The following officers were elected at the annual meeting: Pres. Anthony Dixon; Vice-Pres., Bert Doupe; Sec.-Treas., W. T. Trench.

H. Bossman and family have purchased the Burradaile stock farm in that district. The deal being put through C. F. Stone Real Estate Ltd.

P. J. Fleming has purchased the confectionery business of C. J. Barnard. Mr. Hanford will go on the road for the Royal Print Co. of Edmonton.

Rev. Frank Chilton was inducted into the pastoral charge of the Vermilion Presbyterian church last Friday evening, succeeding the Rev. W. S. Burns who went to Fernie B.C. Rev. W. A. Cunningham of Islay conducted the induction services.

ALL ARE WELCOME!

THE TOWN OF VERMILION
PROCLAMATION
To All Citizens

The need for assistance to those who have suffered from the recent terrible floods in the United Kingdom and in Northern Europe is great.

The Canadian National European Flood Relief Committee, representative of all Provinces, is launching an unlimited appeal for funds and you are invited to contribute.

Contributions may be made through Branches of all Chartered Banks or directly by the purchase of Postal Money Orders at the Post Office, made payable to Canadian National European Flood Relief Committee. Receipts will be issued to those making donations, which will be valid for income tax purposes.

I am sure it is not necessary for me to emphasize the need for assistance in this disaster and I feel that all citizens will cooperate to the fullest extent.

S. C. HECKBERT, Mayor.

YOU can have Better Grades... Greater Yields with British LEYTOSAN

IN one, simple, easy treatment of seed grain you can assure yourself of increased crop profits. Leytosan gives your seed grain an extra chance by controlling soil-borne diseases efficiently and economically. This has been the experience of Western Canadian farmers during the past nineteen years.

Check these features:

- Increases Germination
- Stops Smut
- Free-Flowing
- Improves Grades
- Helps Check Root Rot
- Practically Odorless

For those who prefer a wet treatment, Leytosan "C" is most effective in the control of soil-borne diseases.

In wire worm area, effective control of this menace may be secured by the use of Leytosan G-91. Leytosan G-91 is a dual treatment possessing all the qualities of Leytosan in controlling soil-borne diseases.

It pays to do business with British because Britain, in turn, is one of Canada's best customers. When you buy British products such as Leytosan you help sell your own grain.

For further information, write:

REPORT to the PEOPLE

BY ROBERT FAIR, M.P.
BATTLE RIVER

Disappointing Budget

At 8:00 o'clock on Thursday evening, Feb. 19th, the Hon. D. C. Abbott entered the House of Commons with his budget speech for the present fiscal year under his arm. He was greeted with loud applause by members of the government who had an expectant look in their eye and who sat throughout his speech of one hour and 35 minutes ready and willing to give him applause when his arguments became weak and his promises small. Mr. Abbott made a very good job of delivering his budget address but he gave very little comfort to the man in the street. This cannot be judged by the vociferous dusk pounding of the Liberals but in order to get the real effect of the announcements made by the Minister, all you had to do was to watch the expression on the faces of the more than 700 people in the galleries who sat and waited with crestfallen disappointment to get the crushing taxation that they have endured since the beginning of the world War II.

I made it my business immediately after the speech concluded to go along the corridors where we were leaving for home on the way to the main door and heard many expressions of disappointment and disgust at the contents of the budget. One woman expressed her disgust with a couple of slang words [illegible] she would have to wear her old fur coat another two years. The morning after the budget was delivered headlines in the Eastern Citizen, which usually supports the Government, came out with headlines "Shake in every line of budget", "There is Relief for Everybody" as well as mentioning some of the tax reductions in income tax, cigarette taxes etc., but when people had time to analyze some of the effects of the budget the second Ottawa paper for Journal came out with alarms different kind of headline, "Canadians Take Sober View of Budget" and remarks [illegible] in the stores and business men down showed continued disappointment and the question is invariably asked, "What is there for me in the budget?"

The Minister of Finance, Mr. Abbott, in his review of production pointed out that in 1952 Canada had a national production of 23 billion dollars, which represents an increase of 7% over 1951. This was to quite an extent made possible by the record wheat crop of the West and he pointed out also that without the heavy investments made by farmers in labor saving machinery it would not be possible to have harvested the enormous crop produced.

His [illegible] in making his budget on an estimated national production in '53 of 24 billion dollars or an increase of 4% over 1952. He pointed out that the estimated revenue for 1952 amounted to 4 billion, 375 million dollars and the expenditures 4 billion 227 million dollars leaving an overall surplus for the year of 48 million dollars. The estimated revenue must be added the 2% for Old Age Security tax from the first of July 1952. For the 1953-54 fiscal year revenue is estimated at 4 billion, 472 million plus 260 million could bring in certain types of TV sets and radio sets as baggage duty

Greenlawn Grapevine

Mr. and Mrs. R. E. Walker of Greenlawn celebrated their 57th wedding anniversary on Thursday, Feb. 19th. The ladies club enjoyed having Mr. and Mrs. Walker's company for afternoon tea at the home of Mr. and Mrs. D. Mathison.

The February meeting of the Greenlawn F.U.A. was held in the Greenlawn School. Visitors attended to see the Red Cross films shown by Mr. Doyle. Members of the various locals agreed to look after the canvass for the Red Cross campaign this month.

It was decided to hold a panel discussion on amalgamation of the A.F.A. and the F.U.A. at the March meeting. Two members from each of the Greenlawn, Dewberry and Riverton locals were asked to take part in the discussion.

MIXED BONSPIEL STARTS MONDAY

ENTIES AT CORLEY'S

A mixed bonspiel will start on Monday, March 9th, and those who sign up a rink and enter at Corley's The rink is to consist of two ladies and two gents. Hurry and enter—there is lots of good curling weather ahead. The games will be played evenings and some Wednesday afternoons where convenient. Entry fee is $2 per rink, 50c per curler.

"Mr. Texas" In Vermilion March 9th

A very special Vermilion Youth for Christ rally has been planned for March 9th. Rev. Bob Simpson of Calgary will be with us, bringing with him, the outstanding Gospel film, "Mr. Texas". This is a Christian western film with a Texas background, a Billy Graham prod uction in technicolor featuring Reid Harper and Cindy Walker, supported by Billy Graham, George Beverly Shea and others.

Rev. Bob Simpson is well known to many in this district through his daily radio broadcast, "Starlite Gospel Hour" heard daily over CF-CN Calgary at 7 a.m. Rev. Simpson is also Western Canadian Regional Vice-President of Youth for Christ.

We consider this the outstanding rally of the season, and an evening you'll not want to miss. The rally is being held in the Legion hall on March 9th commencing at 7:30 p.m.

3tx

To Attend Youth Rally

A number of young people from Vermilion, along with Capt. R. Chapman will be attending the annual Y.P.C.N.R. rally in Oshawa, Ont., where they will take delivery of a Chevrolet car purchased by Miss Voss through Herzog Motors, local dealers.

Harry Whitcher and son Irvin returned last week-end from a visit of a half months spent on a very enjoyable trip to the coast and down to California. While at the coast they stayed with Mr. James McCrae and visited Harry Perkins and Jim Currie. After leaving Vancouver they visited Portland and arrived at Long Beach, Calif., on Dec. 21st where they visited their son and brother George. From that city they enjoyed many sight-seeing drives. They then went to Mr. Whitcher's brother at Laguna Beach for a few days and back to Long Beach in time for the Rose Parade which is held at Pasadena on New Years day. This was the highlight of the trip and was well worth the journey alone according to Harry, the floats covered with flowers were beyond description. There were 20 floats in all. The So. and will carry a little more about this trip in the next issue.

BABY CLINIC DATES

The Minburn-Vermilion Health Unit will hold baby clinics at the following places and times:

Vermilion — Monday, March 9th, 2 to 4 p.m.

Buffalo Coulee — Thursday, Mar. 12th, 10:30 to 11:30 a.m.

Islay — Thursday, March 12th, 2 to 4 p.m.;

Marsburg — Friday, March 13th, 10 to 12 noon;

Kitscoty — Friday, March 13th, 2 to 4 p.m.;

Vermilion — Monday, March 16th, 2 to 4 p.m.

Constituency News of Alberta W. I.

We extend a warm welcome to our new branch the Princess Anne W.I. which was organized Feb. 25th with 13 members. The President is Mrs. R. C. Mead: Vice-Pres. Mrs F. West; Secretary Mrs. T. C Reeves; Treasurer, Mrs. A. Beard.

Spots Gopher

The first gopher of the year was spotted on Saturday, Feb 28th by Noel Rogan. The little rodent was sitting on highway 41 about 18 miles south of town. He was flicking his tail, appeared quite happy and to all apparently unaware that there was anything unusual about his being up and about at this time of the year.

Melvin Hill is at present a bed ridden victim to Vancouver and other coastal points.

Chatsworth

A social evening of croquinole and bingo sponsored by the K.D.L. will be held at Chatsworth on Friday March 13th at 8 p.m. Ladies please bring cake. Everybody welcome. 3t-5

---

Lieut. and Mrs. B. W. Mead write interesting accounts of their experiences since leaving Edmonton for England in late January. Writing from the Mount Royal hotel in London they had taken their three children to see Buckingham Palace and the Guards, Regent Park Zoo and had attended the famous Drury Lane theatre. Living conditions are apparently greatly improved since they lived there a few years ago. By this time they should be settled in their new home at Farnborough, where Burt will receive advanced training in aviation.

Mr. and Mrs. George Senz and two children left this week for their new home at Red Deer to which area George has recently been transferred as game inspector. A host of friends here are very sorry to see them leave. The Senz house here has been purchased by Mr. Tom Sellers and George has bought a house in Red Deer.

C. J. McMorrack attended a banquet at the Palliser hotel last Friday given to the contestants in the recent barley contest by the Alberta Brewers. Cliff entered the competition last year and made our winning a prize had a very fine weekend of mailing barley. Over 300 were in attendance at the very enjoyable event. While in Calgary he also visited his daughter Miss Dorothy McCormick.

Mrs. Gordon Tessens and her little son Brian Dale of Edmonton have been visiting at the home of her parents Mr. and Mrs. W. H. Mix for the past two weeks. This is Brian's first visit to Vermilion. He was born in the Royal Alex hospital on January 29th.

Miss Vivian Voss and Miss Lena Miller left on Sunday night via C.N.R. for Oshawa, Ont., where they

---

Mrs. and Mrs. Ted Wheadon and family spent the week end in Oneida.

Mr. Marshall Stone attended a dance and card party held here recently. While he was not seen trip ping the light fantastic he can still play cards with the best of them.

Mrs. David Drysdale is visiting her daughter Mrs. Hugh Hills and family.

Someone was asking George Jack about his brush cutter as his tangle gate post was cut off so neatly. He says Floyd operates it.

Miss Betty Stone had her friend Miss Laverle Henderson as a week end guest.

Mr. J. Bauman showed talkies on First Aid in the hall recently. The pictures were much appreciated by the class studying First Aid here. Thank you Mr. Bauman. During the evening Mr. Martin of Civil Defence presented certificates of St. John's Ambulance to Mrs. Ted Wheadon, Mrs. J. Bauman and Mrs. G. Jack.

Many favorable remarks have been heard about the program presented from the District Agriculturist's office last week.

Mr. Ray Stoddart is visiting his mother and brothers here.

Mr. and Mrs. Neal Shook and Fern were guests of Mr. and Mrs. Merlein Hansen of Castle last week.

Mr. Alfred Nelson attended the wedding of his sister Petra in Lloydminster and gave her away.

Misses Doris and Beverlie Jack won a prize at the ice carnival dressed as swimmers.

Diane and Howie Redmond of Edmonton visited their grandparents here over the week end. Mr. and Mrs. Tom Stoddart and family were guests at her mother Mrs. Castle Drysdale.

Pleasant Valley

(This bulletin was crowded out last week)

The winter is grand but we'll be glad to see the robins at the Christmas banquet. The ladies are asking for [illegible] tea about.

Friday night a card party was held at the home of Mr. and Mrs. Edmonds. These gatherings are held each Saturday at the neighbors homes. It's a great way to keep up the old community spirit.

On Sunday the Simmonds were guests at the writer's home. Mrs Gillies spent the week end with them and went to Wildwood on Saturday night to a card party. It was nice seeing you Rafie Simmonds and Marvin were supper guests at the writer's home Tuesday night.

On Monday Mrs. Bothwell, Mrs. Gillies and Mrs. B. Gould visited Mrs. Potvin. The time was spent quilting and the ladies really worked finishing it. Then all sat down to a delicious toast beef supper. Get the other one ready Sylvia.

The Clarks visited the Hobbis home on Sunday. The John Mathewell family from Vermilion were guests at a turkey supper at Dalton Gould's also Betty and Lloyd.

If you want a nice green lawn for Easter folks just plant a seed or it will grow high and green and [illegible] the nicest form you have ever seen, or, maybe you would like to [illegible] just a sweet potato in a [illegible] or use it in the sun — watch the growth. It's really fun!

LEGION NOTES . . .

Next Monday is Legion meeting day and the time is 8:30. There are several new members to be initiated so everybody ought to be out to give them a good welcome into the Legion.

The zone conference at Vegreville last week was a big success. President Martin lead the Vermilion branch gang. Past President Bob Alley was also there. Other Vermilionites who made the trip were Mr. and Mrs. Thos. Thompson, Mr. and Mrs. Nick Khabinsky, Mr. and Mrs. Sandy Wright, Mr. and Mrs. Arnold Wisner, Mr. and Mrs. Olsen, Mrs. Geo. Martin, A. E. Fripp, L. Dafoe, Vic Tillett and Geo. Scarboro. Everyone reports the Very Rev. Dean Anderson of Wainwright, first vice-president of the Dominion Command gave a very inspiring address. Jack Beswick of Vegreville is the new Zone Commander taking over from George Martin who held this important position for two years.

A shipment of Legion berets have arrived. Legion crests and ties are also ordered so by the next meeting we should be able to take care of your orders. There are still some Legion blazers for sale to members.

Mannville Local Items

Mrs. J. I. Jones has returned from Edmonton where Mrs. H. Jones recently underwent an operation for sinusitis.

The proficiency awards were received at the local creamery recently when K. Holubard received one for cream grading and J. Gushko for butter making.

There are three ladies rinks attending the Curling Coulee bonspiel, skipped by Mrs. L. Manz, Mrs. M. Meyer and Mrs. M. Van Dusen.

The Vegreville Division Teachers and Superintendents bonspiel at Mannville last Saturday was a great success and is likely to become a yearly affair. There were 11 rinks entered, 3 from Vegreville, 1 from Rasdivij, 2 from Innisfree, 1 from Minburn, 1 from Buffalo Coulee and 3 from Mannville.

Miss Studds, exchange teacher from England and at present teaching at Mannville was the guest speaker at the Home and School meeting on Thursday, Feb. 26th.

Report to the People

(continued from inside page)

free, they will now be compelled to pay a special excise tax of 15% on any item they wish to take back with them. This will represent an addition of 12 million dollars to the 1,395 against page 6 million, collected on license fees in the year, so figure out your saving under this budget change.

For smokers of cigarettes the tax on a package of 20 has been reduced by one and one quarter of 3¢. This apparently is being done for the Government's preservation as the heavy taxes imposed a year or two ago caused a reduction of sale of Canadian cigarettes and the smuggling from the U.S. of millions of cigarettes caused a very drastic reduction in revenue for the Canadian treasury.

Cheque stamps which have been in effect since shortly after the First World War are now done away with as is also the sales tax on books and paper for certain newspapers and magazines. The sweet elections hospital bills exemption has also been given some consideration and is reduced from 50 to 3%.

Mr. Abbott went into detail in dealing with the net debt of Canada, which he pointed out amounted to 3 billions, 153 millions in 1939 or a per capita debt of $290, representing 40.2% of gross national product. In 1953 net debt is reduced to 2 billions, 1 million representing net per capita debt of $132 or 16.5% of the gross national product. Eventually he hopes to take approximately half the present debt out of 11 million Canadians for this year to pay off the national debt and most of this debt has been incurred for the purpose of fighting wars which up to the present time have settled nothing.

No fundamental change is set up has been proposed by our present government and we are all saying that until we do have proposed changes are made, wars will continue to grow bigger and better. Had the Government not scrapped the advice of Social Creditors at the beginning of the war in 1939 and used the Bank of Canada to finance the war debt, it would not be necessary to have the sufferings of those piled up at the present time as which Canadians for generations to come will continue to pay interest while the Bank of Canada, set up in the interests of the Canadian people could have been used and left the amounts being paid in service, the debt to supply our Canadian citizens with a better program of social security and higher incomes for many of the needy.

In conclusion as I see the 1953 budget it is a rich man's budget as pointed out in detail but provides no relief whatever for practically all of those in the lower income brackets.

A CHALLENGE to Vermilion Hockey Fans — 1213 jammed the Canvas at Viking Wednesday night to witness the play-off game there. How about 1200 here Monday?

Vol. XLIV. No. 35. Vermilion, Alberta, Thursday, March 12th, 1953. $2.00 per Year

V.H.S. Girls Will Play Lacombe For Basketball Title

GAME AT COLLEGE GYM. SATURDAY 8 P.M.

Lacombe high school girls' basketball team will be in Vermilion Saturday night March 14th at 8:00 o'clock for the first game of a home and home total point series with the Vermilion high school girls to determine the Northern Alberta championship. The game will be played in the gym at the Vermilion school of agriculture. Lacombe earned the right to meet Vermilion by virtue of a 7-point margin over Camrose.

Vermilion's entering this year into the provincial field is the culmination of a two-year school program of house league basketball. This year, with the new memories to work out in, the 'A' team has shown considerable improvement and will be a strong contender for provincial honors.

If the tickets sold this series against Lacombe, they will be hosts to the southern Alberta finalists for a 3 game series for the provincial title.

Hockey Attraction Saturday, March 14

RIDGMEN VS. MIDGETS — GAME TIME 8:00 P.M.

This Saturday night at 9 o'clock the local Kinsmen will tangle with the Midgets in what promises to be an outstanding exhibition of blazing speed and the most crowing trickery. The local Kinsmen have been working out in the local gym for the past two months and according to President Chas. Upshall, the boys are in perfect physical condition.

The Hareuther boys, who made such an impression on the fans last year, are just that much improved this season. Dor King has been moved from goal to the forward line with the Kinsmen's stick-handling artist Doc Anderson, Bill Rider will set up plays for flying wings Don Wilson and Keith Inmar.

This is a benefit game. No admission will be charged. A collection will be taken by non-playing Kinsmen during the contest. Your contribution will help to carry on the Midget hockey plan. Don't miss this game!

Gideons Present Youth Testaments

A recent interesting event took place Wednesday morning March 1 when grade 7 Grade 'I' in the public school were presented with complimentary copies of the New Testament.

The presentation was made on behalf of The Gideons by visiting Western Field Secretary Hugh Coldridge, from White Rock, B.C. He was assisted by Rev. Father Lambers Roy Watkins and Obert Gunderson. These men were introduced to the pupils and Supt. Mr. Supt. S. Simonson of the Vermilion School Division.

Mr. Coldridge told the pupils of the New Testament will be in 90 languages in this time. That is part of the program of The Gideons in presenting a copy of the New Testament to each boy and girl passing through the public schools of Canada and the U.S.A. There are now 1¾ millions being presented annually.

The Gideons, International, is a society of Christian Business Laymen who are perhaps better known for the Bibles which they place in hotel rooms, however, Bibles are also placed in churches, schools, hospitals and many other such places. Truly international in scope, The Gideons have members and group circles, called camps, throughout the world. Their membership numbering 16,000 with total Bible and Testament placements running over 25 million copies.

This work of distributing the Holy Scriptures is wholly financed by the free-will offerings of those interested in missionary efforts.

PEE-WEE PLAY-OFF FRIDAY

The Pee-Wee league play-off will be resumed on Friday when the Red Wings meet the Maple Leafs, at 6 p.m.; the Canadians meet the Rangers at 7 p.m. Both games in the semi-finals

It is quite possible that the final series will commence on Saturday evening.

Pee-Wee night of which we have heard so much lately will not be Wednesday next week.

Board of Trade Delegates Attend Regional Conference Here

Nine Chambers of Commerce and Boards of Trade were represented at the regional conference held at the Legion hall, Vermilion, on Friday last by some forty delegates. The conference proved most interesting throughout, the program containing addresses by both Canadian and Alberta Chambers of Commerce officials, along with several good round table discussions on the work of boards of trade in centres as represented at the gathering.

In the above picture are shown several of the delegates, they are left to right seated: J. R. Graves, Edmonton; Keith Chalmers, Vermilion; First Latter, Vegreville and J. Angus McKinnon, president of the Alberta Boards of Trade and Agriculture. Standing left to right, R. E. Stanley, Clandonald; Les D'Albertanson, Wainwright; R. C. Risser, Kitscoty; R. W. Thurston, Lima, and M. R. Van Dusen, Mannville. Absent when the picture was taken were the delegates from Kitscoty and Lloydminster.

President of Alberta Boards of Trade and Agriculture

J. Angus McKinnon, President of the Alberta Associated Boards of Trade and Agriculture, who attended the regional conference here last Friday and was one of the speakers. Mr. McKinnon is a farmer and comes from Calgary.

United Church Mens' Club

"Ladies' Night" will be next Wednesday, March 18 at 8 p.m. in the church hall. Plan from the Fern-Inlaw Fashions of 53' will be the evening of the evening. All men of the church, with their ladies, are cordially invited to be present.

Dewberry Team Wins Hockey Tournament

DEFEAT MYRNAM IN OVERTIME FINAL

An overtime final game proved a grand climax to a very successful two-day hockey tournament and resulted in Dewberry winning the all day Saturday event. The runners-up are Myrnam team, with two records left Dewberry led 2 goals to 2 but desperately Pete Merkosak netted a long shot and which found the Dewberry net and ended the game, forcing the overtime. According to the rules governing the tourney the team scoring the first goal in the overtime wins. The winning goal came in almost as dramatic fashion as the inning one — just 11 seconds after the overtime session started, two Dewberry players, H Ewen and Mike Makaniuk went in fast and Ewen observed Mike's pass for the $100 goal and the Northern Hardware trophy.

Nine Teams Compete

Nine teams competed in the rural hockey tournament. All teams were from villages, hamlets or country districts plus the V.S.A. All Eastern Alberta League players were barred and this resulted in all the fans being evenly matched and close good games resulted.

Game Results

In the extra series Mannville eliminated Poplar Heights 3 to 2. In the series Marwayne 4, Mannville 2; Myrnam 4, Elk Point 1; Dewberry 1, V.S.A. 1; Innisfree 7, Kitscoty 3.

In the semi-finals Myrnam eliminated Marwayne 8 to 3; Dewberry ousted Innisfree 7 goals to 5.

This brought Myrnam and Dewberry together for the dramatic finals.

Prizes and Cup and Prize

Following the final Thos. Watt, rural hockey tournament manager was sure here, presented the Northern Hardware trophy to the Dewberry team, congratulating them on their success and the sportsmen-ship displayed.

Ed Makaniuk, president of the Vermilion Amateur Athletic Association, which organization sponsors the annual event, also was present and presented the Dewberry boys with the first prize of $100, and the $50 runner-up prize to Myrnam.

The two teams were popular winners, competing here every year, and both were acclaimed by the crowd.

The Final Game

In the final game each team scored once in the first period For Myrnam O. Chrapko scored on Ed Zaharechuk's pass. Bill Romanchuk notched Dewberry's first counter unassisted. E. Panik's pass to Myrnam ahead with the 1 lead of the second.

In the third Dewberry came fighting and stuck the lead counter by H Ewen on Mike Makaniuk's pass and then Makaniuk unassisted Pete Merkosak evened the count with 2 seconds to go assisted by R. Dehdi. Then the 100 dollar goal in the overtime by Ewen and Mike Makaniuk of Dewberry to end a great game and an excellent tourney despite the warm day and resultant soft ice.

The Champs

DEWBERRY — Les Maitais, H. Dewell, E. Braitkewitz, Bruce Craige, V. Cunliffe, Bill Romanchuk, Mike Makaniuk, H Ewen

G. Hlozek, J. Hlozek, H. Hines, J. Munro, H. Bowman, J. Anderson

MYRAM - N. Pundick, G. Pundick, R. Dehdi, N. Lushowsky, N. Tkachuk, P. Meinychuk, N. Glynik, G. Chrapko, L. Hyndyk, T. Scherban, D. Burbinsky, V. Lukerchuk, Ed Zaharechuk, O. Chrapko.

Les Williams and Ted Koehli Score 7 Goals

TIGERS TAKE LEAD IN HOCKEY PLAY-OFF

Vermilion Tigers went one up in the best of five series for the league championship when they defeated the hock tne Viking Lions here Wednesday night by a 10 to 5 count. This gives the Tigers two wins over the Viking one in the final series. The next game at Viking Friday with the fifth if needed back here on Monday.

The Tigers were short of forwards Wednesday as they moved Les Williams up into centre, on the second string, from defence, and this spelled doom in capital letters for the Vikings. Les scored three goals in a row and made four assists while his wingman, energetic Ted Koehli notched four goals with one assist on his other wing Bill Schmidt and Leo Lesky alternated with Schmidt filling the wing position and setting up two, while Leo got two assists. Dennis moved into the picture with two goals, while other assists went to Kreller 2, Ferguson 2.

Viking goals were Maureen from Brown, Proulx from Mason, Brown from Kline, Proulx, Kline.

The Tigers were in front 3 to 1 in the first and ran this up to 6 to 1 in the second but at the Peninsula mark the Lions scored two goals. They followed these up with two more in the third to make it 8-3 before the Tigers steadied themselves and notched the last two counters as a safety measure.

Line-ups

VIKING — Taylor, Thunnell, Kline, Ross, Kelly, Josephson, Brown, Procter, Glasgow, Mason, Proulx.

Rasmussen.

VERMILION — Brown, Kreller, Ferguson, L. Williams, Robertson, St. Martin, Barr, Patnula, Koehli, Schmidt, Lesky, Cowbrough.

The record of paid admissions was 926, down a little from that expected due no doubt to the shift in days of the game caused by the mild weather.

Referees — George Trudel and Carl Walderberger.

V.S.A. LITTLE ROYAL WED., MARCH 25th

Students of the Vermilion school of agriculture and home economics will display the results of the past term's work at the annual Little Royal and Achievement Day to be held on Wednesday, March 25th.

The program will include displays of the work done by the students in both agriculture and home economics. Agriculture students have crops and projects, livestock for show ring events in the Little Royal.

The livestock will be judged by representatives of the Department of Agriculture and the University of Alberta.

Mrs. N. Jones, Of Dewberry Big Winner At Kitscoty Bonspiel

KITSCOTY. The annual bonspiel sponsored by the Kitscoty Ladies' Curling club was held Feb. 26-28. Twenty rinks participated and made this affair a real success. Rinks came from Vermilion, Clandonaldale, Marwayne, Dewberry, Paradise Valley, and Mckaughlin to play against the rinks from Kitscoty. Only the Kitscoty club join one rink from the high school. The winners in the three events were as follows:

Grand Challenge

Mrs. Jones, Dewberry, Mr. Gillespie, Lloydminster, Mrs. Hanara, Kitscoty, Mrs S. Miller, Kitscoty.

Merchants

Mrs. Bell, Vermilion Mrs. Nowcross, Marwayne, Mrs. Ross, Lloydminster; Mrs. Blake, Kitscoty.

Oilers

Mrs. Holt, Lloydminster, Mrs. Frankie, Kitscoty; Mrs. C. K. Miller Kitscoty, Mrs. Bowman, Dewberry The local band took prize went to the Johnson rink, and the visitors band took prize to the Dominion rink from Lloydminster.

The prize for the largest rink was won by Miller rink of Kitscoty, a big rink.

The ladies curling club wish to thank all those who contributed to the success of the bonspiel.

Fatal Accident Friday March 6th

Oscar Johnson Killed In Car-Train Crash Near Clandonald

Oscar Johnson, well known Clandonald district farmer, was killed Friday afternoon March 6th and his wife was seriously injured when their car was struck by a train about 4:10 o'clock. The accident was at the railway crossing 3 miles east of Clandonald and occurred as Mr. and Mrs. Johnson were on their way home from the village.

Following the collision the train took both Mr. and Mrs. Johnson to Lloydminster as the quickest way to medical aid. Mr. John died shortly after arrival at the hospital Mrs. Johnson who received severe head injuries was very serious for considerable time, but has regained consciousness and her condition is reported to be fairly well.

Cause of the accident is as yet unknown. Mrs. Johnson had spent the previous week in Edmonton where she went to attend the funeral of an aunt, Mrs. Ekelen. She had returned on the same train which later struck them at the crossing. Mr. Johnson met her at the Clandonald station and together they had got into their car and proceeded towards their farm home, some three miles east and two miles south of Clandonald. It was while en-ing the track three miles east of the village that the engine struck the rear of the car, causing the fatal injuries to Mr. Johnson, and the severe injuries to his wife.

The car, a 1951 model, was demolished.

About eight months ago Oscar suffered very severe injuries when his tractor turned over on him. He spent considerable time in hospital last year and had just nicely recovered from that accident.

Mr. Johnson was 54 years of age and is survived by his wife, one son Ronnie at home, two daughters Joyce and Jean both of Calgary, two brothers Earl of Edmonton and Thomas of White Rock BC. There are two sisters Mrs. McKinley Wilson of the State of Washington, U.S.A. and Mrs. J. B. Latter of Vancouver.

Funeral services are being held this Thursday afternoon March 12th at 2:30 pm. at the Anglican church in Clandonald. The Rev D. A. Ford of Vermilion will officiate. Interment will be at the Clandonald cemetery. Moyers are in charge of funeral arrangements.

Library Membership Grows To 208

CIRCULATION WAS 1088 IN LAST THREE MONTHES

When Frog Lake Chapter I.O.D.E. Library re-opened in the new Vermilion Public library building on Dec. 8th the membership was 73, since that it has grown to 208.

Circulation of books has increased greatly. On the last day of February and Thursday 62, Saturday 130. Saturday is busy and it is the day most of the rural members are in town, it is difficult for them to go to the library at any other time, consequently many people have to wait for service.

If it is at all possible, town members both adults and juniors, should go to the library the first part of the week for their books. By doing this they will receive prompter service. This co-operation would be appreciated and would be to your advantage.

E. S. Norton, Secy, Library Bd.

Kinsmen Bottle Day Results In $135.00 For Flood Victims

The Kinsmen are pleased to report that they collected 1,000 bottles on their 'bottle day' to be able to turn over $135 to European Relief fund. The Kinsmen feel very proud of a hurried job well done and wish to thank all those who co-operated in making the collection so easy.

Kitscoty Entertainers Coming

The No. 1 group of the United church W.A. will sponsor the Kitscoty Entertainers and western program on Friday, March 27. 33-2tn

Sue Carmichael Is Crowned Queen

School Carnival Again Scores Big Success

WITNESSED BY CROWDED ARENA

On Friday March 6th the Vermilion high school held a very successful carnival in the local arena. The success this year can be attributed to the persistent efforts of the students attending the high school elected and aided by the entire staff. Both groups have a feeling of satisfaction in having accomplished a difficult task and having learned a great deal from having united efforts.

The pupils and teachers would like to take this opportunity to thank all those who helped in any way and the community in general for the co-operation given. Special praise they thank Mayor S. C. Heckbert for so graciously crowning the Queen. Sue Carmichael, he counting judges for carrying out a difficult task quickly and efficiently, the chuck wagon judges for organizing and handling the feature attraction of your 1953 carnival, all those also spent time preparing over many long sessions. The carnival would not have been the success it was without having the ice covered with a horde of mystery ice individuals.

Costume Prize Winners

Pre-School Girls - 1, Lois Cooper.

Pre-School Boys — 1, Stewart Cooper.

Costume Comic — 1, Maxine Mitchen and Shirley Johnson; 2, Margo Goodwin and Eleanor Adam.

Fancy — 1, Helen and Irene Adam; 2, Laureen Edey and Elizabeth Stewart.

Single Gent — 1 Peter Kupin. 2, Donald Lang.

Fancy Skaters Please Crowd

It is always difficult to select outstanding features in an all round carnival program but the fancy skating of Miss Marie Miller and Miss Joan Maxwell drew a great deal of attention at the carnival and quite rightly so. Both girls have progressed in a marvelous manner and the difficult figures they executed certainly pleased the crowd. It is nice to know that Vermilion has such accomplished fancy skaters and it is easy to see why they are already in demand as feature attractions in other carnivals.

1. Barbara Helmer; 2. Ellen Waldenberger.

Pre-School Boys — 1, John MacLean; 2. John Barr; 3, Melvin Reid.

Grade 1 Girls — 1, Wendy Wright; 2, Betty Ziegler; 3, Patsy Brin.

Grade 1 Boys — 1, Neil MacLean; 2, Gerry Sneitzer; 3, John Dorsch.

Grade 2 Girls — 1, Sharon Martin; 2, Linda Crawford; 3, Louise Barr.

Grade 2 Boys — 1, Terry Cooper; 2, Doug Heckbert; 3, Frang Dowman.

Grade 3 Girls — 1, Joyce Gordie; 2, Ruth Stewart.

Grade 3 Boys — 1, John Beatty; 2, Bill McDonald.

Grade 4 Girls — 1, Joan Stephens. 2, Sheila Sweitzer.

Grade 4 Boys — 1, Murrey Rose; 2, Norman Wichter.

Grade 5 Girls — 1, Donna Roxborough.

Grade 5 Boys — 1, Jimmy English; 2, Blain Hines.

Grade 6 Girls — 1, Betty Robinson; 2, Mildred Lang.

Grade 6 Boys — 1, Bryan Calvert; 2, Tony Dixon.

Grade 7 Girls — 1, Donna Cooper; 2, Patsy Callaghan.

Grade 7 and 8 Boys — 1, Robert Waldenberger; 2, Tom Khabkhevitz, High School Boys and College —

1. Stewart Cooper.

Comic — 1, Maxine Mitchen and Shirley Johnson; 2, Margo Goodwin and Eleanor Adam.

Fancy — 1, Helen and Irene Adam; 2, Laureen Edey and Elizabeth Stewart.

Single Gent — 1 Peter Kupin. 2, Donald Lang.

Fancy Skaters Please Crowd

Both girls have progressed in a marvelous manner and the difficult figures they executed certainly pleased the crowd. It is nice to know that Vermilion has such accomplished fancy skaters and it is easy to see why they are already in demand as feature attractions in other carnivals.

Derwent Students Enjoy Bonspiel

DERWENT Last week the Derwent students held their bonspiel. Henry Lychak won the trophy in the Boys' event and Linda Mudryk won the trophy in the second event. Both trophies were donated by the teachers.

The complete list of winners in the two events was as follows:

Grad Event

1st — Henry Lychak, Cyrel Bysouway. Olga Jablonski, Michael Nagura.

2nd — Robert Young; 3rd — Walter Mudryk; 4th Joe Schur.

Freshmen Event

1st - Emil Mudryk. 2nd — Ernie Saruk. 3rd Eddie Mudryk. 4th — Larry Nagura.

CURRAH RINK WINS FIVE STRAIGHT

130 ROUND ROBIN FOR CARS

The Vermilion rink of Darrell Currah, Lloyd Magnus of Lloydminster, Glen Clelland and Gordon Rose are curling like champions in the Edmonton car bonspiel this week and at noon this Thursday had won 5 straight games without a defeat. This put them into the 6's of the No. 1 event and they are one of the four undefeated rinks of the 112 starters. This means that they qualify for a shot at the big prize of the spiel, the cars. The consolation starts this Thursday afternoon and the event is to be wound up on Saturday.

Check that date on your label!

V.A.A.A. TO MEET

WILL SEE THE GREY CUP FINAL IN PICTURES

The annual meeting of the Vermilion Amateur Athletic Association will be held in the Legion hall on Monday March 23rd at 8 p.m. Election of officers will take place, plans made for 1953, and the films of the 1952 Grey cup final will be shown.

Vermilion Golf Club Annual Meeting

The annual meeting of the Vermilion Golf club will be held at 8 p.m. on Wednesday, March 18th at the Legion hall. Films showing the Canadian Open handicaps will be available. All members and interested persons are urged to attend.

S. R. P. COOPER — PUBLISHER

Vermilion, Alberta, March 12, 1953

A report of the Board of Trade regional conference was unanimously accepted out this week but will appear in full in our next issue. Being somewhat lengthy a number of shorter items were given preference, space being at a premium at the last minute.

United States Removes Restrictions On Livestock and Meats

OTTAWA.—The U.S. on March 2nd removed the restrictions on the importation of Canadian livestock and meats imposed because of the outbreak of foot-and-mouth disease in Canada. The products freed from these restrictions include live cattle, sheep and swine; fresh and cured beef, veal, mutton, lamb and pork; hides and other animal by-products; lard and straw.

At the same time the Canadian government removed the import controls on livestock and meats, imposed March 1952, to deal with the emergency situation during the period when normal market outlets were closed.

The Weather

Buffalo Coulee Ladies Hold Successful 'Spiel

The Buffalo Coulee Ladies' Curling club held their annual bonspiel March 3rd and 4th, with 16 rinks competing.

A lovely banquet was held at the school Tuesday night and was enjoyed by all. A vote of thanks goes to the home rinks for a job worthy of compliment. It was nice to see the ex-curlers among those at the banquet.

Prize winners were as follow in the two events:

Grand Challenge

1 — Mrs. L. Manz, Manville: 2 — Mrs. Milne, Irma: 3 — Mrs. Caron, Vermilion: 4 — Mrs. Locke, Vermilion.

Secondary Event

1 — Mrs. E. Stewart, Vermilion: 2 — Mrs. L. Emmott, Buffalo Coulee: 3 — Mrs. R. Calvert, Vermilion: 4 — Mrs. K. Rowe, Vermilion.

The Hard Luck prize went to the Buffalo Coulee Junior High school girls. Congratulations girls!

The members of the club wish to extend a hearty thank-you to those donating toward the prizes which included the following: Stephens, Craigs, Northern Hardware, Nelson-Hill, Eatons, Birks.

Mill Rate for Vegreville School Div. Gets Boost

TO BE RAISED SOME 15%

On Tuesday the Board of Trustees of Vegreville S.D. No. 19 concluded a two-day meeting at which the Board adopted the 1953 budget for the division. Faced with rising costs in all departments, together with necessary increased facilities in new classrooms and bus extensions, it was found necessary to raise the requisition rate on municipal authorities by some thirteen per cent. It was pointed out that this is the first increase in school requisition rate since 1948. The sound financial position of the Division has made possible the stable rate over the past four years.

During the budget deliberations the Board had the benefit of the advice of representatives of some of the municipal authorities that contribute to the Division's requisition. Mannville was represented by Mayor C. G. Torrance, from the M.D. of Eagle Cr. Petruk and from M.D. of Minburn Cr. Wm. Johnson

The Board had before it the auditor's report for 1952. It showed expenditures, including buildings to be over $500,000, of which some $21,000 was used from Capital fund reserves. Expenditures did not exceed the estimates for the year. The books and records of the Division were reported to be in very good order. The report was adopted by the Board.

Notice was received from the Teachers' Salary Negotiating committee that it wished to meet the Board in March to present a request for a substantial increase in all teacher salaries to be effective in September 1953.

Schools in the Division will resume the 9 a.m. opening hour as from March 16th. A committee of the Board was named to report on possible bus transportation for the Bloomington and Chatsworth schools.

After fixing requisitions and final adoption of the budget, the Board adjourned to meet again on Monday, March 23rd. —Observer

Wildmere F. U. A.

The Wildmere F.U.A. will meet at the Wildmere school on Wednesday March 18th at 8 p.m.
